Reproduction Service

The costs of reproduction are: US $0.25 per reproduced page. Orders must be **PREPAID** (unprepaid orders cannot be acknowledged or returned) and sent to SOCIOLOGICAL ABSTRACTS, INC. (P.O. Box 22206, San Diego, CA 92122, USA) together with the SA accession number and the complete citation of the document to be reproduced. To calculate price per document, multiply the number of pages as indicated in the citation of the abstract by US $0.25 and add a US $1.50 search fee per document. **POSTAGE** is **EXTRA**. Below is a table for postage fees that vary by weight/size of paper.

No. of Pages	US & Canada Postage Fee	All Other Countries Postage Fee Air Mail	Surface
1- 5	$0.39	US $1.40	US $1.00
6-10	$0.73	$2.24	$1.90
11-15	$1.07	$2.78	$2.30
16-20	$1.41	$3.32	$2.75
21+	Additional multiples as above		

CONFERENCE papers are available **ONLY** when the following notation precedes the text of the abstract; ●"Complete paper available from SA Reproduction Service prepaid at $0.25 per page plus $1.50 search and postage. Length: pp." For copies of paper without this notation, write directly to the author, whose address is listed in the citation.

subject index

Aboriginal Australians

aboriginal alcoholism/alcohol-related crime, rehabilitation issues; R0799

aboriginal drinking behavior, Australia, nonaboriginal perceptions/attitudes, social inequality issues; interviews; Q7611

aboriginal land rights issue, northern Australia; Q9997

aboriginal rights/racism, Australia; interview; Q9550

Aborigine policy, Australia, self-determination approach; Q9036

community development, education/health services, Australian aboriginal employees; Q8252

decision making/consensus, Australian aborigines; tape recordings; S18174

gender ideology/self-concept, aboriginal women, Northern Territory, Australia; S17493

imprisonment, Groote Eylandt, Australia, deterrence impact; Q8417

inheritance systems; genealogical structures, male longevity; Havasupai Indians, Arizona/aborigines, Groote Eylandt, Australia; Q5028

rural women's health, traditional/alternative programs; European migrants, aborigines, Australia; S18468

young aboriginal offenders' overrepresentation, South Australian criminal justice system; statistics; Q8950

Abortion

Abortion and Moral Theory by L. W. Sumner; review symposium; R0704

abortion attitudes, GB, political implications; Q7880

abortion attitudes, trends/determinants; surveys; adults, US; 1965-1980; Q4869

abortion experiences, Chinese women, Taiwan; survey; R0702

abortion issue, family sociology textbooks, authors' value neutrality; content analysis; Q8709

abortion issue, political misperceptions of Ted Kennedy's position, displacement vs political cue theory; interviews; 1980 US elections; Q5300

abortion legalization, proposed Constitutional amendment, US Senators' voting patterns; Q3970

abortion outcome; sex-role identification; Bem Sex-Role Inventory; health center abortion patients; Q4515

abortion scale scores, Catholics vs non-Catholics, statistical clustering; NORC General Social Surveys; Q7247

abortion, male Nigerian undergraduates' opinions, US; questionnaire; Q4210

abortion/disarmament issues, New Right's ideology, sexo-semiotics perspective; Q4433

abortion/infanticide, Michael Tooley's views, legitimacy issues; Q5993

adoption decline, pregnant teenagers, abortion/single parent choices; insensitive adoption agency procedures; Q6431

antiabortion attitudes; religious preferences; questionnaires; US college freshmen; Q3930

antiabortion rhetoric, US; Q9873

fetal life signs, clinical standard, legal/ethical/women's abortion rights ramifications; Q6355

government-funded community health departments, Quebec, abortion policy implementation; questionnaires, interviews, observation, content analysis; S18365

legalized abortion, public approval; status group, expressive/symbolic beliefs; interviews; adults, Edmonton, Alberta; Q3440

National Right to Life Committee vs National Abortion Rights Action League, membership characteristics; questionnaires; Q5204

postabortion stress/coping mechanisms, emotional/behavioral reactions; abortion method, family/social system support; interviews; Q7177

pro-choice abortion movement, organizational dynamics/development/strategies; documents, news articles, interviews; US/Illinois; R0700

reproductive behavior, abortion-seeking Jewish women, Israel; interviews; R0686

right-to-life movement, historical/cultural/secular bases, traditionalism roots challenged; Q7851

Absenteeism

absenteeism; job satisfaction/other correlates; survey; US; Q7714

health/job performance/absenteeism; cumulative/daily life events; questionnaires; hourly employees; R1167

problem absence students, demographic/educational characteristics; inner-city middle schools, Boston, Massachusetts; Q8295

Abuse

dating violence perceptions/involvement, college students; gender; questionnaire; Q8621

elderly abuse; victim vs abuser dependency; interviews; Q9099

verbal/physical/sexual dating violence, college students, estimate variance; gender; questionnaire; Q9096

Academic Achievement

academic achievement, black elementary students; father absence, mother behavior; code sheets, test data; Q8253

academic achievement, black vs white students; family socioeconomic status/culture; Q8279

academic achievement, black vs white traditional/nontraditional students; intellective/nonintellective factors; test scores; Q8272

academic achievement, modern public vs private schools, sociodemographic factors; background characteristics; testing data; high school students, Florida; Q5521

academic achievement, race/sex differences; desegregated schooling; test scores; tenth graders, Deep South; Q7621

academic achievement/attitudes, children; ethnic home environment; questionnaires, interviews, literature review; R0267

academic achievement/social adjustment, Chicano vs black university students; social class/background; questionnaire; University of California, Los Angeles; Q5571

academic achievement; Spanish proficiency; "High School and Beyond" longitudinal study; white/Hispanic students; R0245

academic behavior, public vs Catholic school students, school-effects model; quantitative case study; Q8262

academic competency, socially rejected/low-achieving children; clinical intervention; test scores, observation; Q6945

academic performance, college athletes; participant observation; Q5516

academic performance, Hispanic students; bilingual vs English as a Second Language program participation, student characteristics; Kingsborough Community College, New York; R0294

academic performance, university athletes; gender, race, sport type; Q8265

academic performance, university undergraduates; faculty contact; questionnaire, registration records; Q3888

academic performance/occupational aspirations/college major, black graduate students; gender/age/other correlates; mail survey; Q4956

achievement performance behavior, young scientists, Karl Marx U, Leipzig, East Germany; social factors; questionnaire; R0102

adolescent academic performance/later outcomes; work experience; public high school data; Q4120

black students' achievement; classroom grouping, resegregation, teacher attitudes; questionnaire; fifth graders, elementary school teachers; Q5532

career accomplishments, doctorates; academic/personal characteristics; questionnaires, self-reports, Graduate Record Exam scores; R0080

children's academic attitudes/achievements, sex stereotypes; tests; Manchester, England; R0260

children's drug use research, academic performance measures; Q8255

child's schooling, child/parent adjustment; social inequality; Sydney, Australia; Q8241

college attrition, contextual dissonance, symbolic-interactionist model; Q5530

college chemistry/mathematics performance, male/female differences; questionnaires; Stanford University, California; Q5522

community participation/academic performance, high school students; population growth/migration status/religious preference; survey; nonmetropolitan Utah; S18813

curriculum placement, comprehensive school students, Belgium; educational achievement; secondary/survey data; Q8239

early high school leavers, urban Australian youth, academic achievement/vocational training plans; survey; Q5578

educational achievement; social structural vs personal characteristics; census data; high school entrants, Providence, Rhode Island; 1800-1925; Q5573

educational/occupational ambition inequality, youth; social/psychological variables, individual/cultural values; S18502

elementary childrens' academic achievement, cognitive abilities, cross-cultural comparison; achievement/cognitive test battery; Chinese/Japanese/American children; Q5811

first-year students, Australian universities, performance prediction/selector bias; test scores, school records; Monash University; Q8296

high school achievement/occupational attainment, relationships/continuity early work career; panel data; young men; Q6968

intellectual attainment, youth; family configuration/interaction; test scores; R0670

intergroup relations, student achievement; ethnically mixed learning groups; experiment; Gordon Allport's contact theory tested; Q5583

juvenile delinquency-school success relationship; preschool intervention; longitudinal interview/questionnaire data; low-income blacks; 1962/1972; Q6213
math/reading achievement, Asian Americans; High School & Beyond Study data; Q6575
mathematical course-enrollment plans, gender differences; questionnaire; average/above-average students; Q9468
mathematics/reading achievement, test performance, male/female minority students; junior/senior high school students; Q4967
occupational attainment, Ashkenazi majority vs Oriental minority males; credentialization, education, socioeconomic background, intelligence; tests; Israel; S18786
postsecondary educational attainment, black/white students; social background/personal variables; longitudinal survey; US; 1972-1979; Q5590
rank of institution attended, graduate/professional students; undergraduate achievement, social class, sex, race; surveys; R0266
school achievement/determinants, structural prediction model; tests, questions; fourth graders; Q5579
school effects research, hierarchical data, statistical methodology; survey; Q8277
school performance/delinquent behavior, containment theory; personality factors; questionnaire; delinquents/high school students, Texas; Q4916
school progress/adjustment, Latin American children; intervention programs; secondary studies; R0250
secondary schools' effectiveness, Scotland; pupil/school characteristics; survey; pupils; Q3878
self-concept/-esteem/-ideal, academic achievement, Indochinese refugee students, US; Self-Descriptive Inventory, academic records; Lao students; Q3108
sport/academic achievement relationship, annotated bibliography, 1978-present; Q6825
student academic achievement, urban public elementary schools; school climate/social structure; questionnaires; teachers, Paterson, New Jersey; Q3876
student achievement, whole-class vs ability-group instruction classrooms; class size; test/class records; elementary school children, California; Q5548
student effort/achievement, US schools; teachers'/parents'/peers' standards; survey; Q8271
student grades; achievement/race/sex/other variables; longitudinal data; first/second/third graders; Q3862
students' grades/attainment, Scotland; school socioeconomic composition; survey; Q8297
teaching methods, sociology education, student study habits; tests, questionnaires; Q4712
underachievement/self-evaluation, black schoolchildren, GB; racism; R0246
youth life course development; academic success/failure; longitudinal study; Western industrialized societies; Q5880

Academic Aptitude
elementary school students' friendships; ability grouping; longitudinal data; northern California; Q5547
intelligence test results, socially disadvantaged students; perceived self-efficacy; Hindu males, northern India; Q3140
mathematical course-enrollment plans, gender differences; questionnaire; average/above-average students; Q9468
mathematics aptitude, gender/race differences; relevant high school course-work; longitudinal test/interview data; Q6551
reading grouping, black elementary school students; teacher bias; observation, questionnaire, interview; Q5546
Scholastic Aptitude Test/high school/college grades, rural vs urban students; S17438

Academic Careers
academic job market, unemployed/employed academics' perceptions; 2-book review essay; Q5552
academic labor market, primary/secondary sector segmentation; Q8074
academic prestige/salary/gender differences; research publications quality/quantity; mailed questionnaire, panel evaluations; education research authors; Q3868
academic profession, US, normative conception; Q9321
academic profession/career, US, teaching vs research issue; Q9305
academic women, empowerment strategies, patron system; Q5567
assistant school principal position, socialization processes; Q5541
black female university faculty, career leadership development; Q6379
career accomplishments, doctorates; academic/personal characteristics; questionnaires, self-reports, Graduate Record Exam scores; R0080
citation practices, academic research, sex biases; labor economics journals, US/Canada; Q9306
co-employed spouses, socioeconomic advancement strategies; sex discrimination, education; personnel data; rural US university; S18810
confidentiality, academic personnel vs welfare clients/medical patients decisions; case studies; US colleges/universities; S18096
employment equity, academia, social technology policies; Q9561
faculty careers; age/demographic/historical effects; interviews; University of Michigan; Q3688
faculty layoffs, reemployment patterns; survey data; academics, City University of New York; Q6745
female/minority representation, sociology departments, Pacific region, US, policy/research issues; Q7309
female/minority representation, sociology departments, Pacific region, US; survey; Q7298
marital satisfaction/role equality, equal-status dual-career couples; career commitment, sharing; interviews, questionnaires; west coast university employees; Q7007
mentor-student relationship/collaboration, biochemistry careers; Q8465
Morente, Manuel Garcia, Madrid University (Spain) ethics professor, life/work; Q7377
professional careers, GB, unemployment; case study; college lecturers; Q3701
professorial activities/teaching, value/meaning; institutional factors; Q9312
prolific journal writers, marital/family-therapy field, publishing success factors; survey; Q8113
school teacher/administrator career benefits; interviews; innovative elementary school; Q5387
sexual equality, academic employment, legal issues; Q8383
sociology/political science graduate students, professional/academic situation; questionnaire; West Germany; Q7295
teaching, scholarly approach; Q9299
university faculty work, actions/intentions congruency; reward expectations, referent others' goals; interviews, questionnaire survey; deans, chairpersons; Q3881

Academic Degrees
career accomplishments, doctorates; academic/personal characteristics; questionnaires, self-reports, Graduate Record Exam scores; R0080
corporate management ascent/success; higher education credentials/stratification; *Fortune* 500 data; US; Q7565

Academic Departments
female/minority representation, sociology departments, Pacific region, US, policy/research issues; Q7309
female/minority representation, sociology departments, Pacific region, US; survey; Q7298
gender equity, university sociology department faculty; questionnaire; 1970s; Q8097
graduate departmental quality correlates, regional colleges/universities; evaluation reports; Q5529
graduate departments, National Research Council's quality evaluations, predictive factors; Q9323
sex discrimination, academic profession, social-psychological issues; Q8080
sexism/discrimination, educational institutions, US; Q8254
sociology department growth/development, University of Minnesota; historical overview; Q2969

Academic Disciplines
academic sociology/Communist Party coordination, USSR; Q6464
academic vs applied sociologists, marketing issues/strategies; Q7387
anthropological self-criticism, racist/imperialist anthropology origins; Q3567
applied vs academic sociology; scientific value/economic/societal changes; 1960s-1980s; S19069
black studies programs, academic acceptance, "white" universities; Q4690
British anthropology, trends/influences; Q3268
citation practices; discipline, nationality; journals; Q7359
communication behavior, Belgian scholars, academic domains compared; bibliographic data; 1977-1979; Q8457
deprofessionalization, academic social sciences; Q7291
empathy notion, German ethnology; Q3280
gerontology academic programs/practitioners, credentialing/licensing issues; Q3708
journal network position, citation patterns; mathematical sociology/sociological methodology journals; 1970/71, 1975/76, 1980/81; Q8454
Language Learning & Communication, publication life history; R0434
Marx, Karl, American sociology's interest; Q9200
scholarly activity, academic chemists; administrative service; publication/student productivity records; Q2950

sectorial/academic research; Q3840
social history discipline, current issues; Q8994
social psychology, France/US, origins/development; Q9493
sociology profession, East Central Europe; S19167
sociology's relevance, academic discipline vs profession; Q7283
sociopolitical ideology, academic vs vocational high school students; questionnaire, scale; Sweden; Q5568
two-year colleges, characteristics/issues/sociology's place; Q4718
women's/men's studies program, University of Southern California, multidisciplinary/cross-cultural approach; Q9110

Academic Freedom
academic/intellectual freedom defense, Society for the Psychological Study of Social Issues, 1936-1970; article/comment; R0458
university campus speakers' harassment/disruption; radical-leftist student/faculty; US; Q5525

absorption process, Ethiopian immigrants, Israel; Q4934
acculturation politics, US, Indian Reorganization Act; article/response; Q3196
acculturation, artistic creativity, advanced information societies; social norms/value change; Q6643
acculturation/assimilation patterns, Native Americans, US Southwest; Spanish/US governments; Q4957
assimilation/acculturation processes, Mexican immigrants, US; survey; households, Michigan; Q9578
Beta Israel (Falasha), Israel acculturation/social integration; fieldwork data; Q4996
Ethiopian Jewish (Falasha) immigrants, Israel; *Israel Social Science Research* special issue, introduction; Q4935
Ethiopian Jews immigration experience; Israeli ethnocentrism/culture; interviews; Q4986
Ethiopian migration, Israel, 1950s/1980s; Q4958
Ethiopian/mainstream Judaism, "cultural brokers", Tigray community, Ethiopia; Q4929
immigration experience/adaptation, Ethiopian-born Israeli children, verbal expression; content analysis; Q4948
language use, Lorraine, France; immigrant identity/social integration; interviews; children/adolescents; Q3812
mental health, achievement motivation, Juang tribe, India; interethnic contact, acculturation; psychometric data; Q3125
poetry's alienation/exile themes, British expatriates in India, Canadian/Australian comparison; 18th/19th centuries; S17610
second-generation North African immigrants, France; R0587
second-generation Punjabi (Indian) immigrants, UK, socioeconomic achievements; interviews; S17600

Accumulation
capitalist economics, segmentation theory, social structure of accumulation concept critiqued; Q3045

Achievement
achievement concerns/cognitions, India youth, development implications; S19128
achievement motivation, Anglo/Mexican-American high school student athletes; questionnaire; New Mexico; Q5259
achievement motivation, cross-cultural research; Q3199
achievement outcome, children's expectations; socioeconomic status; block-design measure; sixth/seventh graders; Q6944
achievement, gender differences; self-reports, content analysis; Q4552
adult accomplishment; academic aptitude/grades; literature review; Q3835
age/achievement correlations, European monarchs; Q3589
career/achievement motivation, college reentry married women, environmental/psychological variables; Q3667
token achievement, proportional representation theory; Q5067

Achievement Tests
educational opportunity, achievement vs aptitude testing; R0300

Acquired Immune Deficiency Syndrome
acquired immune deficiency syndrome epidemic, maladaptive sexual behaviors, intervention approaches; S19270
acquired immune deficiency syndrome epidemiology; high risk populations, New York City, New York/San Francisco, California/New Jersey; Q6015
acquired immune deficiency syndrome patients, hospice personnel, impact; R0767
acquired immune deficiency syndrome, alternative heterosexual lifestyles; S18928
AIDS patients' psychological disturbances, physicians'/mental health professionals' role; San Francisco, California; Q6017
AIDS, anthropological counseling program; case study; San Francisco, California; Q4266
chronic diseases, crisis situation, social order implications; R0716
intravenous drug abusers, AIDS; Q4248
lesbian community; acquired immune deficiency syndrome; secondary data, media accounts, interviews; S19274
public health classification, acquired immune deficiency syndrome; S18922
public opinion movements, social change; Acquired Immune Deficiency Syndrome case study; S18013

Action
action strategies, cultural influences; Q7649
action/power outcomes, fate vs agency causation; Q7396
art, sociological analysis, methodological issues; Q8216
philosophy of history, Arthur Danto/Frederick A. Olafson/Leon J. Goldstein controversy; comments; Q8984

Action Research
action research model, agriculture, problem definition component; S17451
action research projects, industrial relations; Q3585
action research, praxis approach; Q2909
action research, principles/practice; case study; R0967
action research, sociology; Swedish perspective; Q2896
action research; Swedish perspective; Q3302
community development, action research approach; case studies; R0956
decisionism, action theory; Q3889
participatory research, epistemology/methodology; S18978
religious institutions, voluntary action research; Q5155
social interaction, action theoretical perspective; Q9261
vicious circles, organizations, action theory/cybernetic concepts; Q5129
work life, Nordic countries, action-oriented research features/problems; Q2976

Action Theory
community development, action approach; R0963
community development, action research aspects/methods; R0968
crime/deviance, structural vs action perspectives; Q9526
social interaction, action theoretical perspective; Q9261
social systems, action theory; Q7443
social theory, Talcott Parsons's purposive action concept; Q7332
The Theory of Communicative Action, Vol.1: Reason and the Rationalization of Society, Jürgen Habermas; review essay; Q6530
work, communicative actions; Q7722

Activism
crowds, outside agitators' influence, computer simulation model; S17504
extremist political views, West German young people; book review essay; Q9865

former radical student activists, current sociopolitical attitudes; longitudinal survey; Q9852
ideological change; 1960s generational/family/peer influences, early activism; questionnaires; Woodrow Wilson Graduate Fellowship recipients, 1945-1972; Q5214
National Right to Life Committee vs National Abortion Rights Action League, membership characteristics; questionnaires; Q5204
recruitment/participation, 1964 Mississippi Freedom summer campaign; interpersonal/organizational affiliation networks, applicant's structural position; application records; S18995

social change activism/consciousness, everyday life strategy; S19267
student political activism, motivations/long-term effects, May 1968 anti-Vietnam/Algeria demonstrations; interviews; France; S17646

Actors
movie actress role models, French women; R1113

Adjustment
adaptive abilities, second-generation Holocaust survivors, North America; questionnaires; young adults; Q6051
adolescent life stage/adjustment patterns, mildly retarded individuals; ethnographic field notes, life history interviews; Q8605
adult psychological/sexual adjustment; childhood sexual abuse, family background; questionnaire, adjustment scales; college students; Q9122
alienation & adjustment; random sampling, H. S. Asthana's Adjustment Inventory, Vashishtha Alienation Scale; university students, India; S18711
divorce adjustment model, family systems approach; Q4191
ethnic voluntary associations, Jewish East European immigrants, US/Israel; interview/published data; S19032
field military maneuvers adaptation, female US Army officers vs enlisted; self reports, observation; Q6620
Georgian Jewish immigrants, Israel, adaptation/criminality; Q9535
illness coping/adaptation, myocardial infarction victims, microsociological model; random samples; Federal Republic of Germany; Q6003
industrialization/modernization, psychological adjustment, economistic development model critiqued; fieldwork; Venezuela; S18584
invalid adjustment, USSR; interviews; Q6599
involuntary childlessness, psychosocial components, hierarchical phase model; interviews; middle-class childless couples; exploratory study; Q6981
involuntary geographical relocation, psychosocial adjustment/coping strategies; questionnaires; Israeli evacuees, Sinai Peninsula; Q8552
leisure-time needs/problems, elderly, community resources; Q8896
mental disability, parental adjustment, affected vs nonaffected families; random sample, interviews; S18895
oil-riggers' wives, physical/mental health; husbands' offshore vs onshore employment; questionnaires; Aberdeen, Scotland; Q6058
parole adjustment/compliance, juvenile delinquents; psychological/family/situational variables; archival records, survey; R0410
perinatal performance/postnatal adjustment, primiparous women, psychological/physiological correlates; questionnaire, hospital records, home visits; R0687
pre-World War II Greek peasant immigrants, US, adjustment/reality, methodological issues; Q9575
prison adaptation; preincarceration/incarceration/prison characteristics; official records; New York; Q8430
prison adjustment, female offenders, facilitating strategies; questionnaires; North Carolina Correctional Center for Women; Q4029
psychological adjustment, nonmarried widows; income/personal resources; survey; Q8685
psychosocial cancer adjustment; social support/biological/socioeconomic factors; Q6022
residential situation/aspirations/satisfaction, household adaptation process; Q9061
retirement adaptation, black vs Hispanic vs Native Americans; longitudinal/cross-sectional data; S18228
Shotton Hall residential school, maladjusted boys; structured interviews; residents, Shropshire, England; Q6903
social integration, Dutch community, Tres Arroyos, Argentina; ethnic group participation, socioeconomic status; S19175
sterilization decision, postsurgery adjustment, gender differences; psychosocial factors; questionnaire; sterilized males/females; R0688

Administrators
administration modernization, rural leaders' attitudes; survey; R0974
civil administration, Israel, retired military officers' role; secondary data; Q8094
civil service administrative class, Hong Kong, social group representation; government data, penetration/distribution indices; Q3634
government administration, anthropology's contributions; R0885
management/general administration founding, Henri Fayol's role; 1841-1925; Q7768
middle managers/administrators, capitalist society, social class/orientations; Q3355
social workers' vs administrators' attitudes/values, public assistance agencies; questionnaire; Q8110
socioeconomic planning attitudes, power strategies; Polish administrators; interviews, questionnaires; S18237
socioprofessional characteristics/mobility, directors/administrators, public vs private sector; interviews; S18507

Adolescents
adolescent abuse, methodological considerations; S17541
adolescent academic performance/later outcomes; work experience; public high school data; Q4120
adolescent alcohol abuse; social class/sex/parental factors; questionnaire; sixth/eighth graders, Georgia, South Carolina; Q6120
adolescent alcohol consumption measurement instrument test; interviews; Dane County, Wisconsin; longitudinal analysis data comparison; Q6140
adolescent alcohol use, boys vs girls; normative structure, peer influence; interviews; R0791
adolescent alcohol use, parents'/teachers'/students' causal attributions/intervention strategies; questionnaires; R0781
adolescent alcohol/drug abuse epidemiology, multiple drug use; national survey data; Q4118
adolescent alcohol/drug use, family history predictors; New Jersey; S18911
adolescent alcohol/drug use; family/religion/gender/race; survey; Q7067
adolescent alcohol/drug users, formal social control programs; interviews; Q9524
adolescent alcohol/tobacco use; self-referent identity labels; interviews; adolescents, Western countries; Q3088
adolescent alcoholism/substance abuse, current reference sources bibliography; Q4317

teenagers' driving experience; parental influence; questionnaire; high school students, US; Q4138
teenagers' sexual awareness/knowledge, quantitative evaluation approach; inventory; Brisbane, Australia; Q8595
threats to future, Swedish adolescents' perceptions, class/sex differences; survey; Q4135
threats to the future; reply, response; Q4459
truants vs nontruants, family/friendship/behavioral/cognitive differences; archival/interview data, counselor ratings; eighth graders; R0909
US adolescent drinking patterns; telephone survey; Q6156
values/behavior patterns, young people, bourgeois society, double individualization trend; R0568
vehicle access/driving behavior, teenagers; questionnaire survey; high school students; Q4146
youth descended from Algerian/Spanish immigrants, Grenoble, France, sociolinguistic situation; interviews; Q3195

Adopted Children

adoption decline, pregnant teenagers, abortion/single parent choices; insensitive adoption agency procedures; Q6431
adoption practices, Pulap, Caroline Islands, kinship maintenance; framework; Q5022
adoption process, symbolic interactionist perspective; Q4203
adoptive families' dynamics, adopted child's scapegoat role; New York, New York; R0665
child adoption, single parent families; longitudinal study; Q5981
Indian-status children, Canada, transracial adoption; Q8569
intercountry child adoption, Latin American market; Q5282
open adoption records legislation, salience/support, male vs female adoptive/birth parents; content analysis; parents' letters to government officials; S18998

Adoption of Innovations

agricultural technology use, Guatemalan farmers, innovative behavior; age; quasi-experimental data; Q4348
aquacultural development, hatchery shrimp fry adoption, Indonesia; survey; West/Central/East Java, South Sulawesi farmers/shrimp hatchery managers; S18815
bureaucratic/social change, large enterprises, France; interviews, questionnaires, participant observation; S19130
"high technology" industries, work organization; Q4395
industrial/administrative technologies, utilization difficulties/strategies, less industrialized countries; case study; Argentina; S19216
innovation adoption, large firms, planning strategies/approaches; US/Japan/Europe; Q9742
new medical technology, physicians' adoption/utilization; interviews, hospital records; Q4223
research/development programs, European Economic Community, technology strategy; R0476
soil conserving practices, farmers' differential adoption; tenure status; R0127
technological fusion, Japanese industry; R0473
technological innovation adoption, US machinery manufacturers, policy issues/strategies; questionnaire survey, interviews; R0481
technology introduction, work consequences, international research project; Europe; S19185
technology/social adaptation, Japan; cultural factors; S17537
white-collar workers, labor process/market, West Germany; new technology impact; case study data; Q3317

worker requalification, Marxist theory; microelectronics industry; Q5731

Adorno, Theodor Wiesengrund

Adorno, Theodor W., postmodernist aesthetic theory; Q5252

Adorno, Theodor, culture industry concept; Q7902

autonomous vs democratic art, postmodern era, Georg Lukács's/Lucien Goldmann's/Theodor W. Adorno's ideas; Q3030

Caribbean-influenced Cu-Bop jazz, Theodor W. Adorno's music listener typology; Q8219

critical theory, social sciences, Frankfurt school origins, Theodor W. Adorno's formulation/post-1967 reformulation; R1020

Hegel, G. W. F., social context, Georg Lukács's/Theodor W. Adorno's interpretations; Q2884

law/knowledge, Max Horkheimer's/Theodor W. Adorno's theories; R0363

Marx, Karl, Theodor W. Adorno's interpretation; Q4567

negative dialectics, Theodor W. Adorno's vs George Herbert Mead's thought, interactionist perspective; Q7352

social science theory/methodology, advanced industrial societies, critical theory perspective; R1019

Adult Development

adolescent life stage/adjustment patterns, mildly retarded individuals; ethnographic field notes, life history interviews; Q8605

adult accomplishment; academic aptitude/grades; literature review; Q3835

adult emotional development, assessment method, content analysis coding system; questionnaires; Q7515

adult role entries, timing determinants; survey; high school students, Illinois; R0679

autonomous personality developments, women, lives/growth processes; longitudinal analysis; Q4534

female adult development, valued female frendships' role/function; interviews; R1114

identity transformation processes, middle-aged adults, life-span developmental view; interviews, scales; S18558

individual development, adulthood vs childhood/youth/old age; bourgeois sociological approaches critiqued; Q9361

leisure/play activities, adult development; S17501

unresolved parental emotional attachment/cut off, adults; intergenerational contact frequency/quality; questionnaire; asymptomatic/symptomatic married couples; Q6999

well-being/self-concept/life satisfaction/social integration, adults; chronological age; survey; Q7542

Adult Education

adult education system, GB; 2-book review essay; Q3854

higher education, demographic trends' implications; Q6166

nonadvanced further education, GB, student accounts, reproduction/conformism processes; interviews, diaries, observation; Q6803

"social advancement" course dropouts, cost-benefit judgments, Centre national d'enseignement pour correspondence, France; R0237

unemployment problem, continuing education strategy; S18421

Adults

adult sibling relationships; elderly parents care responsibilities; interviews; sisters; S18244

adult-child interaction, research paradigms; R0217

alcohol consumption, adults, Netherlands; surveys; 1958-1981; Q8856

behavioral reports, television watching; response category range, closed-answer format; survey; West German adults; Q3137

child sexual abuse, adult survivors, treatment issues; interviews; R0563

chronic marijuana use, adaptive/defensive functions; case studies; adolescents, adults; Q4127

close friendships, married women, integration/support functions; interviews; R1133

coronary heart disease, Finnish adults; socioeconomic conditions during childhood; East-West study, parish records; Q8792

delinquency causation, adult misdemeanant probationers, Travis Hirschi's social control theory; case file data; Florida; Q3178

drug use; anomie; questionnaires; Texas adults; Q4859

employment status, self-esteem; questionnaires, cross-sectional/longitudinal comparisons; recently unemployed adutls, Israel; Q9510

housing characteristics/constraints, adults-only households; census data; Minnesota; R0621

kinship ties, northern Californian adults; personal characteristics/education/technology; interviews; Q5021

morbidity/preventive health behaviors/mortality, gender differences; adults, US; Q4275

occupational retention/recruitment, older males; structural characteristics; official statistics, survey; US; Q6600

romantic relationships, investment model tested; questionnaires; adults, Lexington, Kentucky; R0601

social order/rules/control, mentally retarded adults, training centers; observation; Q8765

substance use, black adults' attitudes, predictors/prevention implications; interviews, scale; US; Q7068

Advertising

advertising/marketing strategy, 20th century, Karl Marx's "commodity fetishism" notion; Q6405

beer consumption, young male drinkers; televised alcohol advertising; videotapes, experiment; Q7903

Brussels, Belgium; child television viewers/advertising; interviews; Q5800

drinking behavior, male college students; television programming/advertisements; experiment; R0823

gender portrayal/stereotypes, British television advertisements; content analysis; R1130

light beer advertisement, Finland, new middle class values; content analysis; Q6150

male/female political candidate performances, television commercials, public perceptions; experiment; university undergraduates; Q5228

microcomputer ideology; content analysis; computer advertisements, *Newsweek* magazine; S17499

modern advertising, US; 2-book review essay; Q3391

newspaper personal ads, relationship development; mail questionnaires, interviews, content analysis; West Germany; Q9869

sex-role stereotyes, daytime vs evening advertisements, British television; content analysis; R1125

sex-role stereotyping, British radio advertisements; content analysis; R1122

social identity, impression management techniques, television commercials' role; content analysis; S19276

societal development, mental/material processes, causal relations; Q7891

whiskey vs sake drinking, Japan, publicity campaign; Q9822

Advisory Committees

science advisory committee system, US, elite structure; Q8469

Advocacy

Maine Housing Rehabilitation Project, technician's roles/functions/autonomy; Q8154

Aesthetics

Adorno, Theodor W., postmodernist aesthetic theory; Q5252

aesthetic issues, anthropology; Q3826

aesthetic knowledge deficiencies, Hungarian youth; family background, film unavailability; experiment; film cultural databank established; S18661

aesthetics/family social organization, France, religion's role; Q8655

autonomous/heteronomous art, Frankfurt school aesthetic theory; Q8212

cultural aesthetics/praxis, Jürgen Habermas's/Marcel Rioux's critical-sociological theoretical positions; Q7369

Distinction: A Social Critique of the Judgement of Taste by Pierre Bourdieu; review essay; Q7394

musical compositions, numerical properties; Q8218

postmodernism concept, art/music; Q3824

"sociology of the senses," aesthetic paradigm; Q8220

Affirmative Action

affirmative action cases, caste vs class models; Q9028

affirmative action plans' limitations; personal observations; Brooklyn College (City University New York); Q4392

affirmative action policies administration; implementation procedures; experiment, questionnaire; university students; Q3986

affirmative action programs, Canada; case study; S18754

affirmative action, undergraduate students' attitudes; surveys; University of California, Davis; Q5210

affirmative action, university's resistance; case study; S17764

employment equity, academia, social technology policies; Q9561

equal employment opportunity, liberal vs radical approach; Q9565

ethnic relations/inequities, US; redressive policies; literature review; S18099

pay practices/inequalities, large corporation; 1962-1975; Q9697

race relations legislation, "redressive" action policies, GB/US comparison; S17594

racial equality strategies, affirmative action, economic growth; mathematical models; Q3202

racial inequality/affirmative action policies, US; article/comments/response; Q9592

Affluence

fertility trends, US; male cohorts' affluence/tastes; surveys; males, females; Q4193

Afghanistan

ambivalent sentiments, Middle East, self-sensibility; fieldwork; Afghanistan; Q7462

Africa

African nationalism, social/cultural implications; interviews, literature; S18424

African religions, Judeo-Christian scholars' influence; R0321

African/Asian history, social-historical approach, international/academic trends; Q8976

alienation theme, African vs European/Anglo-Indian literature; S17599

ancestor worship, southern Africa, the Nguni; Q5051

arts, India/Africa; British colonialism; S19235

change agent identification/training/roles/skills, private voluntary/government organizations; questionnaires, interviews; agency personnel; East Africa; Q6639

colonial liberation, Africa, religious movements; east Africa, Uganda, Kenya; S18367

cross-cultural research, dual vision concept; Q9260

cultural/social contradictions & conflict, Africa; sociological literature review; S17572

drought relief program, Botswana; R1035

ethnology research, historical materialism ideology, African class struggles, Pierre Philippe Rey's contributions; 4-book review essay; Q5062

family law, Zimbabwe, traditional vs European legal concepts/procedures; Q8678

famine analysis, Amarya Sen's entitlement approach; S19132

genies/fairies, classical/Christian/European/African representations; Q9622

guides/tourist power relationships, African game reserves; Uri Almagor's analysis critiqued; Q6684

ideology/ritual, African literature; case study; Q8187

irrigation development projects; social/institutional factors; Asia, Africa, South America; S18201

Islamic religious leaders' role, West Africa; Sahelian/Saharan areas; Q8362

liberation movements, secular vs religious ideologies/relationships, comparative/global perspective; Africa, Latin America; S18476

linguistic code choices, social consequences; code-switching data; East Africa; Carol Myer Scotten's 'markedness' model extended; S18530

Marxist "mode of production" concept, African studies, critical evaluation; introduction to *Canadian Journal of African Studies* special issue; Q4622

Marxist "modes of production" concept, African studies literature; Q6403

modes of production literature, epistemological weaknesses, Ludwig Wittgenstein's later work; recent African studies/literature; Q6406

national integration, ethnic identity; African countries; S18028

national sociological traditions, western Africa; Bulgarian/USSR/US case examples; S17571

natural resource misuse, sub-Saharan Africa, development policy failures; Q9049

new religions, Africa, sacred/secular distinctions; field research data, recent studies; Zaire/Zambia; S18058

new religions/secularization, Africa; case studies; S18057

peasant class formation, Third World countries, contemporary economic/political developments; Q5336

political/cultural life, Third World countries; decolonization; Africa/Arabia comparison; S18263

precolonial African cities; Q3782

public expenditure patterns, African/Asian nations; S19168

revivalist religious movements, Third World, political implications, socioanthropological research issues; secondary data, field research; southern Africa, Caribbean; S18225

science development, India/former British African colonies; historical approach; S17850

science/technology adoption, African nations, socioeconomic background considerations; R0437

soccer hooliganism, black Africa, causes/prevention; Q3492

social class/state relationship, postcolonial Africa; Q3521

social policy decisions, Africa; UN data, national development Plans, published literature; S18351

social science research, Africa; Q9362

socioeconomic development, Third World countries; military expenditures; Africa/Asia/Latin America; S17897

sociology of literature, Africa; R0231

sociology, current status, Africa; historical review; S17569

state/class vs stateless/classless societies, production relations' reproduction, Marxist anthropological/historical materialism deficiencies; two study analysis; Gyaman, West Africa; Q7189

traditional/modern medicine, China/Africa, integrative health care policy; Q8738

village life, Africa, superstitious fears/beliefs; R1039

workers, Africa, union rivalries; S17799

worldview/religion, African Igbo culture; Q5045

African Cultural Groups

abortion, male Nigerian undergraduates' opinions, US; questionnaire; Q4210

absorption process, Ethiopian immigrants, Israel; Q4934

Beta Israel (Falasha), Israel acculturation/social integration; fieldwork data; Q4996

Brazilian culture/cinema; African element; Q6434

color preference, self-color identification, Ethiopian-/Israeli-born schoolchildren; experiment; Q4983

communication conflicts, Ethiopian immigrants/Israeli absorption authorities, cross-cultural misunderstandings; Q4937

cultural identity, Jewish Ethiopian immigrants, Israel, Amharic core symbols/values; Q4992

dance/rhythm, preserved African influence, Sea Island communities, Georgia/South Carolina; Q5044

Ethiopian immigrants, Israel, socialization/re-education; Q3241

family communication techniques, Algerian families/French-emigrated members; observation; Q5978

matrimonial emigration, Mauritian women, cultural/social dimensions; biographies; France, 1968-1981; S18392

nonverbal language comprehension, Ethiopian immigrants, Israel; documentaries, photographs, literature; Q4994

North African working-class immigrants, France, inequalities/prejudices; Q9923

second-generation North African immigrants, France; R0587

visitational dreams, Moroccan Jews, Israel, influencing younger generation name choice; Q3077

women's status/roles, west African societies; Q9604

African Languages

code-switching/mixing, Bantu, African languages; literature review; S17672

After Care

mental health aftercare, political aspects; Q8832

Age

life satisfaction determinants, age as moderator; survey; Q8890

marital age; own/husband's residence/education/employment/religion; Bangladesh Fertility Survey; women aged 15-49; 1976; Q8631

residency, mentally retarded/developmentally disabled population, California; age/ethnicity/retardation level; client records; Q8828

Age Differences

age knowledge/perceptions, children; own age; Q8708

age-discrepant marriages, US/Canadian trends; census data, statistics; Q4202

age-specific legislation, Finland; S19195

age/religiosity, Jews, midwestern US; interviews; S17516

arrested vs crash-involved drinking drivers, age differences; secondary data; R0879

charging/sentencing practices, criminal vs juvenile courts; prosecutor's files; Union County, New Jersey; R0901

criminal career, mid-life abandonment; interviews; former/imprisoned career offenders; Q8893

deviant behavior; age, sex; field experiment; Tel Aviv, Israel; Q9534

employment migration willingness; age/labor force status; longitudinal study; methodological issues; Q4355

female labor force participation, Brazil, social implications; longitudinal cohort analysis, census; 1950-1980; S18461

German remarriages, occupation/age/sex differences; family reconstitution data; 18th/19th centuries; Q5953

housing market segmentation, Sweden, age/ethnic groups; S19193

job involvement; age; panel data; Q5377

job satisfaction, US, age/cohort-related influences; surveys; 1972-1982; Q6742

leisure preoccupations, life cycle stages, intergenerational continuity; questionnaires, interviews; couples, Calgary, Alberta; Q9900

linguistic politeness, children, age differences; experiment; Q8186

man-made/natural disasters' effects, older vs younger persons; interviews; S19003

marriage stability/breakdown, teenage brides, GB; life histories; Q8593

mortality patterns, US blacks, sex/age/race differentials; government statistics; Q5749

mortality, developing countries, model age patterns; censuses; South Asia; R0503

mortality-life expectancy rate change, mathematical model; Q8555

nuclear threat, academically gifted students' perceptions, sex/age differences; scales; Cullowhee Experience participants, North Carolina; Q6971
productivity/life satisfaction/multiples roles, women authors; age; case histories; Q8083
rapist's/victim's responsibility, younger vs older persons' attributions; R0884
suicide rates; age differences; statistics; Ontario; 1881-1971; R0490
suicide, psychiatric patients; age distribution; official coroner report data; San Diego, California; Q4208
time-related concepts, attributed meaning; age; scales; Israelis; Q4354
well-being/self-concept/life satisfaction/social integration, adults; chronological age; survey; Q7542

Age Groups
age grading system, Tiriki, Kenya, semigenerational groups' roles/status; field research; Q9508
alcohol use/abuse, age differentials; interviews; adults, New York; S18923
crime rates, age patterns; under-/unemployment; aggregate Federal Bureau of Investigation/survey data; Q8913
economic well-being, subjective-objective indicators relationship; age/race/sex; surveys; Q9018
voting patterns, Flanders; sex, age, occupational status; statistics, surveys; 1981-1985 elections; Q8012
widowhood/morale, age differences; structured interviews; Anglos/blacks/Mexican Americans aged 45-75; Q6538

Ageism
age-segregated vs intergenerational coalition policy formation, US; R0837

Agencies
computerized management information systems, social work agencies' utilization; case study; Jewish Family Service, Philadelphia, Pennsylvania; R0467

Aggregate Data
homicide rates, analytical problems, measurement strategies/aggregation levels/ratio variables; R0871

Aggression
aggression, current research, theoretical/empirical failures; Q7107
aggression, reactionary imperialist form; S18537
aggression/values relationship, sports, interactional morality theory; interviews; high school/college basketball players; comment, reply; Q6685
aggressive behavior; alcohol consumption; experiment; males; R1061
aggressive behaviors, females; questionnaire; schools/youth custody center/prison, GB; Q7469
agression assessment, male vs female children; observer bias; experiment; Q9263
assertive/aggressive behavior, children aged 3; parental values/behavior, child temperament; questionnaires, scale; R0675
conflict situations, fight vs flight responses; class/sex/risk; self-reports; teenagers; Q4854
criminal violence; childhood animal cruelty; interviews; Kansas, Connecticut; Q4875
nuclear war initiation, images of enemy, modeling framework; S19050
physically aggressive behavior, males; alcohol use; interview survey; blue-collar workers; R1065
public terrorism/aggression labeling; victim's respectability/attacker's motivation/act's consequences; questionnaire; undergraduates; Q4303
sexual/agressive content, mainstream vs "triple-X" adult videos; content analysis; Vancouver, British Columbia; Q7911
unpleasant/aggressive/abusive courtship activities, Mormon vs non-Mormon college students, religion/conformity nexus; questionnaires; Q3176
violent aggression, biological/psychological/intragroup/intergroup typology; Q9098

Aging
adult children's support, aging parents' perceptions; interviews; Q5898
aged population's heterogeneity, research/policy implications; S18981
ageism, US, health/social welfare resource allocation; Q4338
aging females' problems, India, family/self-perceptions; 3-generation study; Chittoor district, Andhra Pradesh; S18443
aging knowledges/biases, physicians; quiz; Q6062
aging policy trends, England, cyclical theory of social relief; 12th-19th centuries; Q8908
aging process/care, homosexuals/lesbians/minorities; Q8894

agricultural commercialization, Paraguay, rural proletariat emergence; official statistics, independent analyses; S18323
agricultural growth, developing countries; foreign agribusiness investment; case study; Mexico; Q9834
agricultural land/labor/development, socioeconomic structure, intervillage variation, Thailand; Q8139
agricultural markets, decentralization/informalization strategies, advanced Western societies; S17679
agricultural production, biological soil inputs; S17456

agricultural production/sectors, Chile; censuses, interviews; Q9809
agricultural/economic/social structure, Greek village; burley tobacco crop introduction; census, surveys, statistics, interviews, participant observation; Q8129
agricultural/peasant productivity, alienation, territoriality concept; S17800
cash vs subsistence crops, symbolic gender constructs, Jola society, Senegal; fieldwork; Q5056
cotton production, Texas, pest management education/programs; telephone survey, questionnaires; farmers; S18851
economic development, Paraguay, agriculture construction/ currency overvaluation; Q9771
energy/labor relationship, farm type production systems, substitution model; census; US; S18855
farm equipment adequacy, black-operated farms; inventory; Louisiana; 1979-1982; S18842
food production/quality of diet, China; agricultural reform; Q8147
government intervention support, agricultural producers; class position; tobacco growers/allotment holders, Pitt County, North Carolina; S18832
"green revolution" agricultural strategy, developing countries, production vs structural approach; S18874
peasant-state relations, agricultural production, Bugisu, Uganda; government policies, international dependencies; fieldwork; Q8127
production organization, cattle/wheat commodities, Midwest US; agricultural indicators/censuses; S19259
production relations, Venezuelan agriculture, capitalism implantation/ colonization process; interviews; S19211
scientific agriculture, holistic approach; Q8137
small family farms, quality of life advantages, Western Europe; R0136
small farm cash crop production, Swaziland; family organization/ structure; S17479
small farmers' agricultural specialization, Brazil, policy-making issues; S19148
urban growth; agricultural productivity; historical statistics; England; 1520-1800; Q3390

Agricultural Research
action research model, agriculture, problem definition component; S17451
agricultural research, economic impact evaluations; literature review; Q5400
agricultural technological innovation; 3-book review essay; R0131
professional qualifications/motivations, agricultural scientists, Agency for International Development; scales/other data; R0485
referencing behavior, Brazilian agricultural scientists; scientific/ extrascientific influences; interviews, citation counts; Q8486
research topics, *New Zealand Journal of Agricultural Research*; content analysis; Q8125
scientific agriculture, holistic approach; Q8137
small-scale farmers, typology/survival strategies; panel data; smallholders, Piedmont, North Carolina; cluster analysis approach; S18872

Agricultural Technology
agricultural technological innovation; 3-book review essay; R0131
agricultural technology use, Guatemalan farmers, innovative behavior; age; quasi-experimental data; Q4348
alternative vs conventional agricultural technologies, debate/issues; S17437
attitude change, agricultural technology; Galileo theory-derived persuasion messages; experiment; Wisconsin dairy farmers; S18812
differential technology adoption rates, explanatory model; small farmers, Sierra Leone; S17443
Koya farmers, India, modern agricultural technology adoption; interviews; Q3289
no-till agriculture adoption; farmers vs other information sources, socioeconomic boundaries; interviews; Palouse region, Pacific Northwest; S18807
production organization, cattle/wheat commodities, Midwest US; agricultural indicators/censuses; S19259
US agricultural cooperatives, structural organization/economic alternatives, technological changes; S18818

Agricultural Workers
agricultural workers' union, Quebec; book review; Q5399
agriculture structure, US, hired farm labor use; Georgia; S17448
alcohol use, seasonal agricultural workers; upstate New York; R0812
Caribbean sugar cane cutters, seasonal recruitment, Florida; interview survey; workers; Q3246
drinking behavior, black/Haitian agricultural migrant workers, New York; survey; R0828
employment characteristics, migrant farmworkers; recent immigration vs native born, gender, education; Wayne County, New York; S18814
employment protection/benefits, seasonal/permanent farmworkers; mail survey; Texas; S17474

work's sociocultural/individual value erosion, alienation; labor society changes, technological development; industrial societies; S17567
youth alienation; adult societal changes; Q5819
youth alienation; unemployment, prior work experience, labor trends; literature review; S18097

Alimony
divorce law, West Germany, economic equality provisions; Q8636

Alinsky, Saul
community organization, Saul D. Alinsky's principles reevaluated; case studies; Chicago, Illinois; S19074

Aliyah
emigration to Israel (Aliyah), North American Jews, decision-making factors; questionnaires, survey data; Canada, US; Q5750
emigration to Israel, US Jews, parents' reactions; open-ended questionnaire; S18938

Alliance

stepfamily vs nonstepfamily relationships/alliances; interviews; Q5922
Allocation
allocation preferences, egalitarian vs equitarian modes; questionnaire; students; Q9459
Allport, Gordon Willard
intergroup relations, student achievement; ethnically mixed learning groups; experiment; Gordon Allport's contact theory tested; Q5583
Alternative Approaches
alternative dispute resolution techniques, ethical issues/guidelines; R0089
alternative healing group, Hawaiian Kahuna leader, California; ethnographic data; R0313
alternative interpersonal dispute resolution, social change issues; national survey data; Q9419
drunk driver offenders, home incarceration alternative; R0777
new social movements, Western Europe, "noninstitutional politics" paradigm; Q7870
reality therapy, method/effectiveness; R1156
Althusser, Louis
human vs social-structural agency, Louis Althusser's/E. P. Thompson's/Perry Anderson's debate; Q6243
ideology/knowledge, Karl Marx/Karl Mannheim/Louis Althusser; Q4411
interpellation concept, jokes/linguistics; book review essay; Q3794
Jay, Martin, *Marxism and Totality: The Adventures of a Concept from Lukács to Habermas*; review essay; Q4481
Altruism
altruistic norm acquisition, children; self-awareness, role-taking; experiment; Q7482
clan members' altruism; natural selection; Q5786
demographic phenomena, game theory, family bargaining/altruism processes; Q5771
nonkin selection, altruism model; R0543
Amateurs
amateur craft-artists, leisure role marginality; mail questionnaire surveys; Q3666
artistic activities as leisure vs work; interviews; artists; Q9889
Amazon
exploitation, Amazon, extractive export industries; article, reply; Q7813
Ambiguity
ambiguous/risk conditions, organizational behavior; case study; office, Binghamton, New York; Q8742
Ambivalence
ambivalent sentiments, Middle East, self-sensibility; fieldwork; Afghanistan; Q7462
women's role changes, social-psychological ambivalences; Q4528
American Indian Reservations
intrafamilial abuse assessment/treatment, rural areas; subcultural/cultural values/beliefs; case examples; small towns/Native American reservations/health professionals; Q9095
mentally ill/dangerous Indian persons, civil commitment, legal dilemma; Q8821
mineral resources, chemical/radioactive waste, US Indian reservations, internal colonialism; Q3400
political activity/influence, Northern Paiute Indian women; Q9984
youth delinquency, Seminole Indians, rural vs urban reservations; questionnaires; Florida; Q6221
American Indians
acculturation politics, US, Indian Reorganization Act; article/response; Q3196
acculturation/assimilation patterns, Native Americans, US Southwest; Spanish/US governments; Q4957
alcohol consumption patterns, culturally active American Indian vs white college students; questionnaire; Oklahoma State University; Q8854
alcohol/drug misuse, American Indians, prevention program needs; morbidity/mortality statistics; R0811
American Indian berdaches, gender-mixing status vs homosexuality; Q8608
American Indian community, Chicago, Illinois, creation/development; Q9003
Anglo vs traditional health care utilization, urban American Indians; need, cultural affiliation, accessibility; household survey; Michigan; Q7039
berdaches, Lakota Indians, South Dakota; fieldwork, interviews, ethnohistorical sources; Q8628
berdaches/joking relationships, Native American societies; Q8614
chemical inhalant use, Native American adolescents; surveys; Q8844
community dispersal, Métis group, Manitoba; 1860-1885; Q9004
community mental health care, Native American population, biopsychosocial model; case study; Q8782
development vs native tradition, Northwest Alaska Nature Association Region, problems/solutions, "Spirit Movement"; fieldwork; Q5159
earnings, American Indian householders; metropolitan residence, rural-urban migration; S19099
family disorganization, Native Americans, Alberta; colonial domination, child welfare policies; case studies; S17611
female superiority, Hopi gender ideology; Q7663
global social violence, colonialist ideological roots; S18464
Hopi descent groups, conventional theory critiqued; Q7629
Indian-status children, Canada, transracial adoption; Q8569
inheritance systems; genealogical structures, male longevity; Havasupai Indians, Arizona/aborigines, Groote Eylandt, Australia; Q5028
language retention, Canadian Indians; labor force activity, background characteristics; census data; Q3228
life satisfaction, elderly American Indians; external/internal environmental factors; scale, questionnaire, interviews; Q7493
mental health/disorders perceptions, Yaqui Indians, Arizona; vignettes; Q8837
mentally ill/dangerous Indian persons, civil commitment, legal dilemma; Q8821
Métis Indians, Canada, legal definition/rights; Q7598
myths, Chipewyan Indians, Canada; Q5042
native American cultures, anthropological description, transactional analysis interpretation; Q3283
natural resource jurisdiction, Alberta, Métis Indians/Ewing Commission; Q4960
Navajo/Euroamerican beliefs, sociological/anthropological approaches; Q3260
political activity/influence, Northern Paiute Indian women; Q9984
political economy/identity adaptations, North American Indians; anthropological studies; Q4962
population distribution, past/present, Choctaw tribe; tribal roles, secondary sources; US; S17510
population size/shifts, Eastern Pueblos, north-central New Mexico; historical estimates; 1540-1910; Q8545
posttraumatic stress disorder, American Indian Vietnam veterans; interviews; Q7749
radon gas contamination, native American communities, government policy implications; article/comments; Q9931
research training barriers, American Indian; Q8775
revitalization project, Nahuat Indian peasant village, Pubela, Mexico; Q7921
smallpox epidemic, American Southwest Indians; Spanish exploration vs climatic conditions; epidemiological data; 16th century; Q8805
tourism development, California Indians; Q9893

residents' confidence/fear of crime; neighborhood physical environment; Baltimore, Maryland; Q5478

Banditry
Hobsbawm, Eric J. "social banditry" concept; Q8133

Bangladesh
Bangladesh family life, nuclear/joint families; rural development; survey/participant observation/census data; 1979-1981; Q4159
contraception/fertility behavior, Bangladesh; female education/work experience/age at marriage; survey data; Q4525
family planning program, Bangladesh, social constraints; survey; S19244
famine, Bangladesh, government response/management strategies; 1974; Q7976
female shamans/healers, Bangladesh; fieldwork; S19180
fertility rates, son preference, Bangladesh; mortality/birth statistics; S18631
intellectuals' role/social location, Bangladesh; peripheral/crisis situation; S18026
labor force participation, formal education, gender/class interaction; case studies/census data; Egypt/Bangladesh; Q6819
"maldevelopment," foreign aid/development effects, developing countries; empirical data; India/Pakistan/Bangladesh; S17739
marital age; own/husband's residence/education/employment/religion; Bangladesh Fertility Survey; women aged 15-49; 1976; Q8631
mortality; socioeconomic/biological determinants; health intervention project data; India, Guatemala, Bangladesh; Q5763
peasant/marginal landholder participation rate, state-sponsored rural cooperatives; capitalist development; aggregate government data; Bangladesh; S18292
population age/gender structure, less developed countries; fertility/mortality levels; demographic statistics; Bangladesh/India/Kenya/Mexico; S18330
resource maximization, institutional support, rural Bangladesh; S18027
social identity, Hindus/Muslims; adjective checklist; India, Bangladesh; Q3204
women's movement, Bangladesh, global cultural context; case study data; S18036
women's political participation, Bangladesh; Muslim cultural values/religious biases; case study, Begum Khaleda Zia; S18212
women's subordination/family violence, Bangladesh; police records; S19224

Banking
adjudicative/sanctioning activities, Securities & Exchange Commission; legal process/offender-related/offense-related variables; archival survey; Q9723
bank officers' trade unions, India, emergence/development/characteristics; Gujarat region; S19179
banking system privatization, Arab/Latin American countries, political implications; S19197
debt crisis, developing countries, multinational banks' role; S19237
established banks; established churches' shareholder resolutions; Q3915
financial system's nationalization, Mexico, public/private sector effects; S17723
immigrant vs aristocratic merchant bankers, London, GB, social/economic impact; 19th century; R1165
interpersonal attraction, managers-subordinates; subordinate's ingratiating behavior; experiment; Q8078
Jewish entrepreneurship, US, Hebrew free loan societies' role; 1880-1940; S19109
knowledge distribution, rapid organization change conditions, *Gemeinschaft & Gessellschaft* concepts; ethnographic case study; bank holding company; Q9729
regional economic development, southern US; regional vs national finance capital, banking system structure; Marxist perspective; S18833

Bankruptcy
corporate crisis situations, financial institutions'/finance capital's behavior; Q9790

Baptists
commitment, voluntary organizations; social linkages; mail questionnaire survey; Southern Baptists; Q3368
cultural/theological orientations, Pentecostals vs Primitive Baptists; life histories; R0337
healing/worship relationship, black Baptist/Pentecostal religions, ideological/class implications; fieldwork; Georgia Sea Islands; R0318
initiation/passage rites, European Baptist Church; Q8326

Barbados
elderly population, Barbados, demographic analysis, social policy issues; national data; S17692

Base And Superstructure
culture patterns/interpretation, Marxist theory; R1149
The Politics of Production by Michael Burawoy; review essay; Q9804

Basque Provinces
legitimation crisis, Spanish nation-state, Basque population's opposition; S18186
peripheral nationalism, Spanish Basques; persistence/growth; 1850-present; Q9964

Bateson, Gregory
family therapy, social/behavioral sciences, biological ontology, epistemology; Gregory Bateson's/Humberto R. Maturana's works compared/evaluated; Q7211

Battered Women
abused women refuges; democratic approach; interviews; GB; longitudinal analysis; Q6365
battered wives, victimization/coping stages; interviews; Q4505
battered women, state legislation; US; Q9138
battered women's movement, struggles/contradictions; book review essay; Q6348
child abuse, children of battered mothers; shelter/intervention programs; interviews; longitudinal analysis; Q5795
domestic violence, Australia, women's refuge movement; Q9102
intimate's violence, female victimization; socialization patterns; Q4514
learned helplessness assumption, social welfare policies; R1050
Pagelow, Mildred Daley, *Family Violence*, Lenore E. Walker's *The Battered-Woman Syndrome*; review essay; Q4171
prisoner of war captors vs wife batterers, strategies/tactics; secondary data; R0875

returning to partner, battered women; self-esteem, perceived cause of violence; questionnaires; Q9155
teenaged daughters of spouse-abused mothers; interviews, case records; S17485
wife abuse, physical violence definitions; surveys/interviews/notes; battered women/shelter staff members; S18916
woman battering, male batterer's characteristics, conceptual issues; Q6313
women's subordination/family violence, Bangladesh; police records; S19224

Behavior
attitudinal/behavioral inconsistency, dispositional dependencies, latent variable model criteria, statistical tests; Q9292
behavior changes, young children, post-tornado disaster, North Carolina; questionnaire interviews; parents; Q9070
childbearing decisions, behavioral reference frames; Q4064
children's quality of life, single vs multiple-child families; survey data; Changsha, Hunan Province, China; Q4107
human behavior education, biopsychosocial systems approach; graduate course case study; Q4708
human behavior measurement, anthropological research; article/comments/reply; Q6444
human behavior, genetic vs environmental influence, Richard Lewontin's biased perspective; Q8557
human behavior, mediation theory's ethical implications; Q4805
human behavior, rationality/emotion interaction; colloquium proceedings; Q4897
littering attitude-behavior relationship; attitude accessibility, social norms; interviews; students; Q4918
parental childrearing practices/attitudes, children's behavior; maternal employment; interviews, observation, test scores; Q8579
scientific knowledge, rules/contingencies; Q4625
sentencing recommendations; intentions/attitudes/beliefs, probation officers; questionnaire; New York; Q3116

Behavior Modification
behavior modification, ethics; Q4396
cross-lagged panel models, statistical inference methods; behavior modification application; Q9281
social intervention research, knowledgeable/nonknowledgeable respondents, discriminating methodology; experiments; electricity users, Edmond, Oklahoma; Q6421

Behavioral Sciences
citation practices; discipline, nationality; journals; Q7359
medical education/treatment, behavioral sciences' relevance, Canada; Q3702

Behaviorism
behaviorism, cognitive scientists' misuse; Q7438
behaviorism, cognitive scientists' view; Q6527
Behaviorism: A Conceptual Reconstruction by G. E. Zuriff; review essay; Q7404
emotions theory, George Herbert Mead's social vs modern behaviorism analyses; Q7319

Belgium
Brussels, Belgium; child television viewers/advertising; interviews; Q5800
Catholic church affiliation, Belgium, doctrinal attitudes/sectoral involvement; questionnaire survey; Q5608
Catholic political activity, Belgium; Q5598
Catholic political movement, Belgium; Q5309
Catholic political party organizations, Belgium; Q5597
classical music, audience listening/viewing habits; audience variables; surveys; Belgium; Q9882
communication behavior, Belgian scholars, academic domains compared; bibliographic data; 1977-1979; Q8457
curriculum placement, comprehensive school students, Belgium; educational achievement; secondary/survey data; Q8239
daily leisure behavior; future time perspectives; research data; unemployed workers, Belgium; S17856
discretionary powers, criminal proceeding officials, Belgium; R0403

women as writers/characters; biographical novels; S17760

Biological Factors

alpha consciousness, meditation, biological interpretation; Q5251

body image, self-esteem, adolescent females; pubertal timing, school environments; longitudinal interview survey; R0571

body image/behavior/school adjustment, male/female adolescents; early/mid/late sexual maturation; survey; R0576

cocaine use, psychopharmacological aspects/treatment programs; Q8852

demographic/genetic constitution, small endogamous population, India; field study data; Q4095

human evolution, male/female relations; 6-book review essay; Q4905

human sexual behavior; evolutionary loss of estrous cycle; Q6333

racial differences, biological explanations, W. E. B. DuBois's views; Q6469

search for meaning, behavioral/neurophysiological correlates; Q4636

Biology

biology/physics, power redistribution; international congress remarks, 1931; Q6913

Bleier, Ruth, *Science and Gender: A Critique of Biology and Its Theories on Women*, & Meredith W. Watts (editor), *Biopolitics and Gender*; 2-book review essay; Q4554

hedonic/agonic mental operative modes, biological systems synthesis; Q8978

Biomedicine

biomedical research, public relations/communication management; Q5234

biomedical science, international activities, US National Institute of Health's role; R0462

biomedical science, international cooperation; conference remarks; R0457

physical vs medical sciences, theoretical differences; R0745

referencing patterns, biomedical science literature, developed vs underdeveloped countries; Q8446

science/humanism integration, medical practice, biomedical/biopsychosocial model; article, response; Q8992

Biosocial Theory

family therapy, social/behavioral sciences, biological ontology, epistemology; Gregory Bateson's/Humberto R. Maturana's works compared/evaluated; Q7211

human consciousness evolution, biogenetic-structural perspective; R0993

social status allocation/dominance behavior, face-to-face interaction, humans/primate groups, biosocial model; Q4843

violent offenders, abnormal brain asymmetries, delinquent populations; Cesare Lombroso's early theories; Q7102

Biotechnology

agribusiness reorganization; biotechnology industry; Q5402

agricultural biotechnology, social/economic/historical/technological development context, Third World; S18820

agricultural development, Third World countries, biotechnology advances, social/economic/political implications; S17809

bibliometric properties, biotechnology vs bioscience; citation/referencing data; Q8508

bioengineering, state policy-making process, industry vs environmentalists; S18848

biorevolution, Third World technological transformation; R0132

child gender preselection, biotechnological diffusion planning, ethical issues, public policy choices; R0671

established vs emerging firms, biotechnology field, strategic choices/options; R0470
genetically modified organisms, environmental regulatory conflict; S19030
world food order restructuring; biotechnological advances; S17707

Birth
childbearing decisions, behavioral reference frames; Q4064
fathers' early/extended infant contact, birth attendance; literature review; Q5963
firstborn birth weights, black/white females; sociomedical characteristics; Mobile County, Alabama; Q8764
marital adjustment to new baby; parents' family-of-origin relationships; questionnaires, psychometric tests; Q5903
marital satisfaction; first childbirth, parental sex-role characteristics; psychometric tests; Q5987
maternity/childbearing experiences, US women, 19th-early 20th centuries; medical sources, letters, diaries, autobiographies; R0731
new mothers' medical system participation, GB; social class differences; interviews; S18187
parthenogenesis, experiments/findings; R0426
perinatal performance/postnatal adjustment, primiparous women, psychological/physiological correlates; questionnaire, hospital records, home visits; R0687
unidentified flying object (UFO) abduction reports, perinatal imagery; hypnotized subjects' narratives; Q3177
women's affiliative/conversational tendencies, pre-/post-child delivery, utility vs emotional comparison theory; questionnaire; Zahalon Hospital, Tel Aviv, Israel; R0697

Birth Control
adolescent pregnancy reduction; contraceptive availability, education, ethnicity; survey, questionnaire; high school seniors, teachers, black vs Hispanic young teenagers; New York City, New York; Q7150
adolescent sexual activity; contraceptive availability; case studies; Planned Parenthood Clinic, Billings, Montana; Q6966
adolescents' sexual/contraceptive attitudes, social marketing approach; Q5843
birth control socialization/discussion avoidance, parents-adolescent triads; observations, questionnaire; Q4149
birth limitation programs, China, problems/alternatives; Q8635
contraception attitudes/behaviors, males; sex-role attitudes; mail survey; spouses, Columbus, Ohio; Q8715
contraception/fertility behavior, Bangladesh; female education/work experience/age at marriage; survey data; Q4525
contraceptive behavior, male's interactional role; S18946
contraceptive knowledge/use, currently married women, Accra, Ghana; interview survey; Q8712
contraceptive use/pregnancy occurrence, divorced single women; questionnaires, interviews, scales; Q9186
Depo-Provera contraceptive; S18906
family planning program, Bangladesh, social constraints; survey; S19244
family revolution, China; government birth control policy; interviews; Q8705
fertility decisions, low-income adolescents; psychosocial/economic factors; field studies; Alachua County, Florida; R0690
fertility decline, Puerto Rico; sterilization, contraception, single status, abortion; Q5764
fertility rates, developed countries; contraception, marriage patterns, desired family size; World Fertility Surveys; Q5754
fertility transition, Mormon population, nineteenth century; computerized genealogy data; Western US; longitudinal analysis; Q4059
fertility/contraceptive usage, married Jews, Israel; religiosity; questionnaire; Q7023
government family planning efforts, Mexico; R0696
hazard analysis, metastatistical tools; R1028
population measures, Belgium, Dutch/French language communities' policies; Q8522
reproduction attitudes, GB; surveys; R0698
sex-role changes, feminist political movements; reproductive technology innovations; Q7173
sexual/contraceptive behavior, high school students; religiosity, sexual standards, sex-role attitudes; questionnaire; rural New York; Q5845
sexuality/contraceptive use, females; alcohol consumption; daily logs, questionnaire; University of California, Los Angeles, students; R0798
women's political participation, US; birth control; Q8714

Birth Order
birth order/number of siblings, sexually dysfunctional/delinquent males; interviews; Czechoslovakia; Q8624
science/race concepts, traditional vs revolutionary attitudes; birth order position; mail questionnaire; physical anthropologists; R0107

Birth Spacing
birth intervals; women's economic activity; census/survey data; GB; Q4077
fertility rates, son preference, Bangladesh; mortality/birth statistics; S18631
reproduction attitudes, GB; surveys; R0698

Black Community
antislavery movement, black community, Boston, Massachusetts, community organization/social movement aspects; historical data; pre-Civil War; Q3212
black community, environmental degradation, underclass perspective; R1022

work attachment, gender/class consciousness, clerical workers, Canada; economic/technological changes; questionnaire, interviews; women; S17898
work attitudes/behavior, female clerical workers, academic settings, gender model; personal/family/other variables; questionnaires; Q6753

Cleveland, Ohio
homicide rate; lunar phase, tidal force; A. Lieber's *The Lunar Effect* disputed; Cuyahoga County, Cleveland, Ohio; Q5631
racial/ethnic succession, urban neighborhoods, ecological/filtering models; longitudinal census tract data; Chicago, Illinois/Detroit, Michigan/Cleveland, Ohio/Saint Louis, Missouri; Q3242

Client Characteristics
client/practitioner relationship, continuous emergencies; S18933

Client Relations
business law, client relations; participant observation; corporate lawyers, Chicago, Illinois; S17880
client/practitioner relationship, continuous emergencies; S18933
consulting relationships; client "projective identification"; case examples; Q6209
divorce lawyers' behavior/activities, Netherlands; interviews, observation; R0090
ethnomethodological conversation analysis, assumptions/practice; Q9433
lawyer-client discourse, divorce cases; tape-recordings, observations; conferences, California/Massachusetts; R0120
professional ethics, client rights issues; Q5371

Clients
women social service providers'/consumers' social relations; welfare professionalism/bureaucracy/power inequality; Q6377

Cliques
social relations patterns, health planning agency, clique formation; survey; US; Q3365

Closure
neo-Weberian closure theory, Frank Parkin's/alternative framework; Q7425
qualitative field research, researcher/subject relationship breakdown; case examples; R0612

Clothing
disabled persons' appearance management, clothing's role, negotiated outcomes perspective; interviews, questionnaire; disabled college students; Q3173
dress color, Elizabeth I court, historical anthropological approach; Q5038
sex-role socialization, clothing's role; cognition vs behavior; observation, interviews, scale data; preschool girls, California; Q3114

Cluster Analysis
cluster solution validation, evaluative criteria, discriminant analysis; General Social Survey occupational data; 1972-1985; S17593
combinatorial cluster analysis, dendrogram property; Q9287

Coal
coal mining industry, rationalization/restructuration; private companies/government conflicts/collaborations; World War II, France; S18126
labor/capital power balance, British coal mines; Q9710

Coalition Formation
coalition behavior; monetary stakes vs participants' values; experiment, games; Q4844
conservative coalition formation; status characteristics, task nature; experiment; freshmen college students; Q9516

Coalitions
coalitions, building unity, recommended behavior code; Q7988

Code Switching
code mixing, India, wider communication vs regional access languages; S18059
code switching, Ontarian French speakers, intra-/intercommunity patterns; observed/taped speech acts; bilingual adolescents, Ontario; S17983
code switching, teaching strategies/stylistic mechanism, India; S18724
code-switching, loan words, nonce borrowing hypothesis; Tamil-English speech data; S18419
code-switching/mixing, Bantu, African languages; literature review; S17672
codeswitching, linguistic theory role; S18146
codeswitching, social motivations, macro/micro bilingualism; Mombasa, Kenya/East Los Angeles, California; S18740
drug culture argots, origin/functioning, code-switching model; primary/secondary data; US/Europe/Mexico; S18071
intrasentential code switching, bilingual speakers; socioeconomic status; recorded sentences; S18033
linguistic code choices, social consequences; code-switching data; East Africa; Carol Myer Scotten's 'markedness' model extended; S18530
sociolinguistic taxonomy, lexical classification/genre distinction/code-switching application; Q5497

Cognition
attitude formation, reasoned action theory, subjective conditional approach/avoidance reactions; questionnaires; Q9455
behaviorism, cognitive scientists' view; Q6527
cognitive differences, computer software firm employees; network positions; case study; Q5152
criminology theory, mental imagery concept; S19137
group behavior/relationships, sociocognitive theory; article/comments/reply; Q3152
heart attacks, individuals' health belief schema; social interaction; focus groups; Q7049
human cognitive process, computer system comparison critiqued; Q2875
human mental functioning, comparative/anthropological approach; book review essay; Q4878
human thinking processes/patterns; computers; Q6932
information/inscriptions, cognitive structure, scientific vs prescientific cultures; R1176
life/consciousness evolution, cognitive strategies, David Bohm's holonomy physics; Q7810
logic/decision-making processes, Japanese teenagers; computer games/learning; secondary data; Q5844
partisan/ideological belief systems, cognitive content; scales; political science students, State University of New York, Stony Brook; Q3139
pictorial representations, human visual cognition, dimensionality; Q4607
political policies, cognitive discrimination, social class/partisan/ideological schemata; questionnaire; residents, Long Island, New York; Q6710

reasoned action theory, questionnaire measurement, intuitive psychology as response bias; Q9462
Reflections on Gender and Science, Evelyn Fox Keller; review essay; Q6918
science & technology, human cognition transformations; Q7415
scientific mathematical community, cognition/communication; Q3660
scientific research, cognitive/social dimensions; 2-book review essay; Q4033
social cognition problems, Max Weber's ideal types concept/bourgeois social science critiqued; Q3053
social cognition taxonomy, causal/evaluative/finalistic thinking classes; experiment; university students, West Germany; Q3076
social psychology, neocognitive approach; Q3084
spousal cognitive styles/interactive patterns relationship; self-reports; R0668

Cognitive Development
age knowledge/perceptions, children; own age; Q8708
children's cognitive development; social interaction/observation, individual control; observation, assessment kit; first graders; Q4111
cognitive abilities; television; field study; native Alaskan children; Q5232
developmental psychology, early experience paradigm, educational intervention efficacy; Q5807
elementary childrens' academic achievement, cognitive abilities, cross-cultural comparison; achievement/cognitive test battery; Chinese/Japanese/American children; Q5811
Fodor, Jerry A., *The Modularity of Mind*; review symposium; Q3098
juvenile delinquency causation, Lawrence Kohlberg's cognitive-developmental theory; Q8956
problem-solving, cognitive styles; socioeconomic status; laterality task; fifth/seventh graders; Q6552
social distancing/cognition, early childhood, Longoli tribe, Kenya; infant experience; observation, tests; Q6948

Cohabitation
entry into marriage; illicit drug use/premarital cohabitation; interviews; young adults; Q3160
family formation evolution, Western Europe, cohabitation trend; 20th century; Q4172
life course event (marriage, marital dissolution) timing, Sweden/Norway comparison; nonmarital cohabitation; surveys; 1977, 1980; Q6977
unmarried cohabitation trends/implications, France/Norway/Sweden; statistics; R0616

Cohort Analysis
arrest rates, age-period-cohort models; US; 1970-1980; R0867
representative samples, cohort analysis theory/methods; Q7258

Collective Action
capitalist economic competition, collective action problems; Q3395
collective action, 1980 New Mexico prison riot, social disorganization/discontent; interviews, records; inmates, guards; Q5688
collective action, free rider concept; Nuclear Freeze initiative contributions experiment; Q3424
collective action, group dynamics; accelerating/decelerating production function; Q5244
collective action, participation motivation, social-psychological model; comments/rejoinder; Q6678
collective action, social unrest/protest, GB/France, 17th-20th centuries; R1071
collective action; charismatic leadership; Q3465
conventional/unconventional political participation, antinuclear movement, collective good/nonmaterial incentive determinants; Q5313
ethnic collective action, theories reviewed/critiqued; Q3464
political transition, France, collective action theory/models; case study; 1906; Q7874
population perspective; resource distribution, trade association's organizational development/collective action; US, Germany; 19th/20th centuries; Q5136
prostitution decriminalization efforts, prostitutes' collective organization, gender/power relationships; GB; Q9118
social movements, analytical definition; Q7868
trade union organization, pre-New Deal, capitalist resistance; Q7828
unemployment/collective action, US, deprivation theory, group analysis methodology; 1890-1940; Q7863

Collective Bargaining
centralized bargaining system, trade unions/employers/state relations, Sweden; Q9965
collective bargaining process, Western capitalist economies, state neocorporatism; Q8006
collective bargaining, power relationships; Q9413
collective bargaining, SIFO; 1980; Q3297
collective bargaining, US basic steel industry; post-World War II; Q7697
compulsory interest arbitration, collective bargaining legislation, public sector employees, New Jersey; Q7709
concession bargaining, union impact/implications; archival/observational/interview data; Q9650
labor mediation process, regional government administrators' role, Sardinia, Italy; Q9675
managers' collective bargaining position, Italian Civil Code; Q3323
national wage-rate claims/settlements, negotiation models; trade unions, GB; Q5081
organized labor, union locals, collective bargaining; 3-film review essay; Q7200
successful collective contracts, engineers/technicians, USSR; Q6746

Collective Behavior
collective behavior research, intrapersonal (P-) variables use; literature survey; Q5245
collective human behavior, disaster situations, decision-making processes; Q5243
domestic violence legislation coalition, Michigan, resource mobilization vs collective behavior theories; S17549
legal institutions' social role, collective public violence; S18646

Collective Representation
national security representations, France vs US, effects on aviation/electronics industries; interviews; production workers; S18125
social representations, 1980 UK riots, media/participant accounts consensus; Q3463

Collectives
caste/social class/kinship relations, collective living, marriage rituals, Gaddi *Biradari* Muslims, India; participant observation, interviews; S17554
social/technological development, unqualified working sector changes, social planning, Russia; S18554
worker organization/collective movements, Malaysia; social/economic structure development; S17998
workers' collectives' success, tea industry, India; questionnaires, interviews, records; S17659
working collective, Czechoslovakia, youth participation; Q5828
working collectives control, USSR, sociological research issues; Q5085

Collectivism
condominium homeownership, private property vs public government; S19096
"dictatorship over needs" concept, Soviet history, Ferenc Feher's/Agnes Heller's/Gyorgy Markus's book reviewed/critiqued; Q6535
mature socialist society, characteristics; Q4463
methodological individualism vs collectivism; Soviet perspective; Q3050
national character development, Guatemalan revolution; Q9942
relationistic reality concept, epistemological/phenomenological perspective, Israeli kibbutz community; Q4779
working class collectivism/consciousness, underdeveloped economy, India; scale, interviews, secondary data; S18544

Collectivization
property relations/wealth distributions, Netherlands, post-19th century; statistics; Q9842
values erosion, Western democracies, socialization/collectivization/education issues; Q5292

College Faculty
academic performance, university undergraduates; faculty contact; questionnaire, registration records; Q3888
academic profession, US, normative conception; Q9321
academic profession/career, US, teaching vs research issue; Q9305
academic professional women, psychology, organizing efforts; historical case study; Q8294
alienation, college teaching community, India; alienation scale; S18716
aspiration/commitment, university faculty, India; academic rank, sex; interviews; University of Jodhpur, Rajasthan; R0098
assistant university teachers, Austria, rights/duties, legislative reform; Q5582
career patterns, academics, West Germany; professional biographies; research & teaching assistants; 1971, 1975, 1979, 1983; S18046
Caribbean politics, social class factions, University of the West Indies (Jamaica) faculty's participation; Q5710
college faculty/staff/students, funding cut problems/strategies; R0121
college/university faculty satisfaction; personal characteristics/work environment; Q8060
college/university faculty, characteristics/attitudes; Carnegie Foundation survey; Q8059

direct/indirect administrative components; organizational growth/decline; university records; University of Toronto; Q3351
employment structure, university personnel; outside research funding; questionnaire; West Germany; R0258
faculty careers; age/demographic/historical effects; interviews; University of Michigan; Q3688
faculty layoffs, reemployment patterns; survey data; academics, City University of New York; Q6745
Faculty Women's Association, Arizona State University, emergence/roles; Q9106
gender equity, university sociology department faculty; questionnaire; 1970s; Q8097
professional networks, male vs female academics; questionnaires; junior psychology faculty; Q7787
professorial activities/teaching, value/meaning; institutional factors; Q9312
research professors, higher education, Quebec, labor organization forms; S17648
role conflict, black academics, white Us, insider/outsider controversy; Q7284
salary conflict, University of Wisconsin faculty/staff, ideological positions; Q-method; Q8063
sexual equality, academic employment, legal issues; Q8383
status inconsistency, political behavior; questionnaire; university faculty; S18100
teaching, scholarly approach; Q9299
undergraduate education/teaching, quality improvement strategies; Q9300
undergraduate sociology, American Sociological Association teaching program; Q9313
university faculty work, actions/intentions congruency; reward expectations, referent others' goals; interviews, questionnaire survey; deans, chairpersons; Q3881

College Graduates
organizational values/sex-role attitudes, recent college graduates, gender/major study field differences; Q5849
overeducation/underemployment "crisis," college graduates; Q8283
public/private/industrial sector employment opportunities, Canadian university graduates; Q5569
socioprofessional formation, Czechoslovakian university students/graduates; Q5829
work/leisure orientations, British graduates; secondary longitudinal data; S19171

College Majors
undergraduate sociology major, advantages; Q4705

College Sports
academic performance, college athletes; participant observation; Q5516
aggression/values relationship, sports, interactional morality theory; interviews; high school/college basketball players; comment, reply; Q6685
college basketball players, role conflicts/coping mechanisms; gender/National Collegiate Athletic Assoc division/other factors; survey; Q3498
college football games, live attendance; televising games; NCAA Division I-A/I-AA schools; Q7938
college football participation, US, racial differences; questionnaire; S19036
collegiate basketball, home court advantage, Durkheimian/Goffmanian perspectives; archival data; Q3503
collegiate football, Associated Press poll ranking changes, 1968-1984, Vilfredo Pareto's elites' circulation concept; Q3499
position allocation, college football, US; race; S19023
student athletes' role commitment, exchange/interactionist perspectives; Q3502
women's participation, intercollegiate sports, social aspects; participant observation, interviews; Meerut, India; S19215
work histories, college football coaches, survival/mobility; Q9924

College Students
academic achievement, black vs white traditional/nontraditional students; intellective/nonintellective factors; test scores; Q8272
academic achievement/social adjustment, Chicano vs black university students; social class/background; questionnaire; University of California, Los Angeles; Q5571
academic performance, university undergraduates; faculty contact; questionnaire, registration records; Q3888
academic/professional goals, ideas/values, Spanish psychology students; survey; Q7268
adult psychological/sexual adjustment; childhood sexual abuse, family background; questionnaire, adjustment scales; college students; Q9122
affirmative action plans' limitations; personal observations; Brooklyn College (City University New York); Q4392
African-American college students; black social movement's social psychological impact; questionnaire; Q4873
alcohol impairment estimation; field study; college student partygoers; R0821
alienation, Taiwanese/US college students, social correlates; questionnaires; Q6549
alienation/sports participation, relationship, Nigeria; university students; Q4884
anticheating measures, college students' perceptions; questionnaire; Q8917
applied demography course, student projects, college/community cooperation; personal experience; New Mexico; Q9329
armed forces' personal/social values change, political evolution, Spain; questionnaire, scale; Army/Navy/Air Force military academy students; S17907
attitude trends, college students; questionnaire, longitudinal analysis; Q5841
authoritarianism scale, reliability/validity; questionnaire; university students, India; R0580
bachelor's degree attainment; college choice/religion/ethnicity/aspirations; National Longitudinal Survey of the High School Class of 1972; Q3875
bachelor's degree completion, racial/gender differences; longitudinal study; US; R0281
binge eating prevalence, working/university women; questionnaires; Q6126
black students, US higher education, trends/prospects; national archival data, surveys; S17583
black/Jewish stereotypes, US university students; 50-year analysis; Q7609
Canadian neoconservatism trend; questionnaire; U students; Q5312
career choices, Indian youth; questionnaire data; college students, Poona; S18425
career-oriented college women, stigmatization hypothesis; panel studies; Q3168
civil liberties demonstrations, Queensland, declining university student involvement; questionnaires; Q5321
college attrition, contextual dissonance, symbolic-interactionist model; Q5530
college basketball players, role conflicts/coping mechanisms; gender/National Collegiate Athletic Assoc division/other factors; survey; Q3498
college chemistry/mathematics performance, male/female differences; questionnaires; Stanford University, California; Q5522
college faculty/staff/students, funding cut problems/strategies; R0121
college students' drinking motivation/effects; sex differences; psychometric inventories, scales; Q6145
college students' social support networks, specialists/generalists differentiated; Social Support Questionnaire; Q3364
collegiate drinking antecedents; questionnaire; undergraduates; Q4121
collegiate drinking trends, California; survey; 1979-1984; R0826
competitiveness, scarcity cultures; achievement motivation, success/failure experiences; scale, experiments; male undergraduates, India; Q3112
dating jealousy, college students; questionnaires; Q7488
dating violence attitudes, US college students; questionnaires; R0593
dating violence experiences, college students; R0639
dating violence perceptions/involvement, college students; gender; questionnaire; Q8621
demographic source utilization, undergraduate courses, project description; Q9314
disabled persons' appearance management, clothing's role, negotiated outcomes perspective; interviews, questionnaire; disabled college students; Q3173
drinking behavior, male college students; television programming/advertisements; experiment; R0823
drinking behavior, US/Western Australian/international university students; anomie; scale data; Q3110
drinking behavior/attitudes, Russian university students; media/personal experience/family/friends influence; survey; S18663
drinking settings/companions, college students; questionnaire; New England; Q6125
drinking/drug use, college students; religiosity, family background, peer relations; questionnaire; Q4332
drug use, female college students; questionnaires; New York; Q6151
drunk driving intervention/prevention, college students; survey; Q8866
educational motivation, career aspirations, elite university students; interviews; Bangalore, India; Q5343

first-year students, Australian universities, performance prediction/selector bias; test scores, school records; Monash University; Q8296
former radical student activists, current sociopolitical attitudes; longitudinal survey; Q9852
gender word connotations; cultural sex-role stereotypes; questionnaires; university students; Q3806
hallucinogenic mushroom use, college students; questionnaire; California; Q4923
home ownership expectations/commitment, university students; interview survey; San Diego, California; R0990
homosexuality attitudes, Israeli vs American U students, Jerusalem; culture, gender, sex-role identification; survey; Q9187
Indian students' attendance, US universities; economic/noneconomic/sociopolitical influences; questionnaire survey; Q3909
introductory sociology education, student demographic trends, curriculum content; Q4715
legitimacy issues, black student artists, perceptions/experiences/coping strategies; interviews; Northwestern U, Evanston, Illinois; Q4997
life satisfaction, college students, multiple discrepancies theory; S18779
life satisfaction, Swedish undergraduates; survey, scale; S18633
life satisfaction/happiness, multiple discrepancies theory; questionnaires; university students; S18268
love expression/decision-making patterns, gender differences, dating relationships; questionnaire; university students; Q7019
marijuana/alcohol use, college students, race/sex differences; Q6129
marital happiness, returning women students/their husbands; husband's educational attainment; interviews; S19104
menstruation conceptions, preadolescence; questionnaires; college women; Q7532
new technology attitudes, occupational goals, British undergraduates; parental employment, microcomputer exposure; mailed questionnaires; R0464
occupational aspirations, black males vs females; questionnaire; university juniors/seniors, New York; Q3678
occupational aspirations, college students, India; social class; questionnaire; R0066
occupational status attainment, professional vs nonprofessional college graduates; longitudinal survey; R0123
occupational values, college students, political group differentials; questionnaire surveys; 1969/1981; Q5846
offender-law/psychology student social distance; sex vs attitude differences; attitude scales; Q9467
own-race/gender stereotypes, self-concept, black/white college students; adjective checklist; Q7472
parent-youth conflict, male vs female adolescents; questionnaire; freshmen, midwestern US; R0632
parent/university student attitudinal agreement, religious/nonreligious issues; questionnaire; Waterloo, Ontario; Q3910
parental status, youths' definition sources; self-administered questionnaire; university students; Q4190
political protest movement, University of Puerto Rico; 1903-1930; Q9857
quality-of-life predictions; ethnic group identification; writing assignment experiment; U students; Q4692
racial attitudes/expectations, black vs white university freshmen; interracial contact; longitudinal panel study; R0119
rape supportive attitudes, sexual ideologies/stereotypes; questionnaire; college students, northeastern US; S18917
religious attitudes, women college students; follow-up questionnaire; Russell Sage College, Troy, New York; Q5621
religious/sexual behavior/attitudes relationship, virgin vs nonvirgin identification; questionnaires; college students, Church of Christ affiliates; Q8630
satisfaction/happiness, midwestern US vs Canadian college students, predictors/discrepancies; survey, index; S18607
self-/other-judgments, situational factors' influence; Stimulus-Response Inventories; university students, Netherlands; Q3153
Semester at Sea educational program, University of Pittsburgh; mailed questionnaire; Q5531
sexual assault, socially conditioned aggression; mail questionnaire survey, newspaper reports, police statistics; college community; Q7161
sexual norms, dating relationships, college students; interviews, questionnaire; Q4152
social deviance/identity attributions; physical attractiveness; experiments; university/high school students, Canada; Q3113
social interaction, individual difference/relational explanations; longitudinal experiments; college students; Q3074
social/political attitudes, Greek university students, Minnesota; ethnicity; interviews, survey; S17490
social/political attitudes, Norwegian vs US university students; questionnaires; Q3594
sociology students' marketability/learning; urban internship program; Westmont College, Santa Barbara, California; Q4695
socioprofessional formation, Czechoslovakian university students/graduates; Q5829
streaking behavior diffusion, US universities; spring 1974; S18950
student athletes' role commitment, exchange/interactionist perspectives; Q3502
suicide trends, Kyoto University students; questionnaires, interviews, school records, national statistics; parents, students, Japan; Q4129
university students' attitudes toward feminism; feminist course exposure; questionnaire; Midwest US; Q6338
unpleasant/aggressive/abusive courtship activities, Mormon vs non-Mormon college students, religion/conformity nexus; questionnaires; Q3176
upper division sociology courses, interdisciplinary student enrollment; Q9304
verbal/physical/sexual dating violence, college students, estimate variance; gender; questionnaire; Q9096

Colleges
bachelor's degree attainment; college choice/religion/ethnicity/aspirations; National Longitudinal Survey of the High School Class of 1972; Q3875
college's organizational decline/death, critical conditions; interviews/documents, media; Q5140
educational policy, Christian Brothers College, Newburyport, Australia, social mobility implications; ethnographic data; Q6802
enrollment trends, agricultural colleges; Prairie View A&M University, Texas; longitudinal study; S17468
entry trends, USSR teacher colleges; Q3869
general education concerns, US colleges/universities; survey data; chief academic officers; Q8243
land-grant colleges/universities; organizational size; statistics; Q9749
older student enrollment, Australian tertiary institutions; statistics; Q8888
resource allocation, colleges/universities, centrality concept; interviews, questionnaires; administrators, division/department heads, New England; Q5545
sex-based employment discrimination/stereotypes, academic institutions, legal definition/approach; Q8411
small vs large colleges, teaching issues; personal experience; Reed College, University of California, Los Angeles; Q5561
undergraduate college curriculum development, criminology example; Q7285
university campus speakers' harassment/disruption; radical-leftist student/faculty; US; Q5525
women's grievance suits, academic institutions; Q9120

Colombia
homeless urban movement, Colombia; interviews, secondary data; Q9855
informal sector, underdevelopment assessment index, Colombia; S18355
informal sector's cyclic activity, cottage vs small industry development, political reactions, developing economies; Colombia; S18191
labor system, changes, Andean estate, disposition-centered analytical framework; case study; Colombia; Q3369
magical thinking, lower vs upper/middle classes, Colombia; interviews; Q6595
migrant adjustment, Bogota (Colombia)/Seoul (South Korea)/Surabaya (Indonesia); 1975 survey; Q5758
occupational adjustment, migrants, Bangkok, Thailand/Bogota, Colombia; life history data; Q6569
perceptions of time; poverty; fieldwork, time-use studies; Bogota, Colombia; S18478
Preschool Personality Questionaire, Spanish version, preliminary standardization; children, Colombia; Q8564
racial prejudice/factors, South American social stratification; blacks, Unguia, Colombia; Q5005
social reproduction processes, income distribution, labor supply; formal/informal sectors' interrelationships, urban economy; surveys; four Colombian cities, 1975-1985; S17605
soil conservation decisions, Colombian farming community, sociological perspective; interviews; farmers; Q3723
women's socioeconomic status/labor force participation, developing countries; education, social origins, work experience; survey; Thailand, Colombia, Egypt; S18845

Colonialism
agrarian social class structure, India; British government policies; secondary sources; S19144

apartheid, German colonial roots, Namibia; Q3222
arts, India/Africa; British colonialism; S19235
British colonial policy, India, caste/ethnicity preoccupation; archival/legal/secondary data; Q5191
British colonial rule, India, imperial records'/reports' validity; Q8011
colonial administrative/society structures, Trinidad; socioeconomic development; 1498-1783; Q7814
colonial liberation, Africa, religious movements; east Africa, Uganda, Kenya; S18367

cultural problems, Guadeloupe/Guiana/Martinique/Reunion, French government policy; R0507
educational system/administration, Bahamas, colonial attitudes; observation; S17765
global social violence, colonialist ideological roots; S18464
interethnic conflict, race relations, Peninsular Malaysia (Malaya); British colonialism, late 19th/early 20th centuries; colonial writers; Q7612
labor relations, colonial Papua New Guinea; native cargo cult practices, social relations of production influences; S17703
political development, peasantry's role, India; S17740
precolonial African cities; Q3782
production relations, Venezuelan agriculture, capitalism implantation/colonization process; interviews; S19211
psychological processes, Indian society; social change, colonialism; Q7533
religious missions, colonialism, 19th century; case study; Swiss Basel Mission, India/China/West Africa; S18274
social structural changes, Zambia, pre- vs postcolonialism; Q5173
statehood acquisition, Brazil vs Argentina; economic/administrative/political differences; S18674
teachers' overseas career choices, France; R0091
Western health care, Mahatma Gandhi's/Frantz Fanon's critiques; sociological, anthropological studies/interviews/questionnaires; S18249

Colonization
cultural/social contradictions & conflict, Africa; sociological literature review; S17572
English language, periphery countries' colonization/exploitation, linguicism concept explored, white racism analogy, colonial language retention, Namibia, Scandinavia; S18410
language as colonization vehicle; case studies; India; S17633

Colorado
Settled Heart Commune, Colorado; participant observation, interviews; R0951

Combat
combat readiness, US military; sexual equality reforms; Q6378
combat vs peacekeeping mission attitudes, paratroopers; survey; Q7752
conflict intensity perceptions, combat vs peacekeeping duty paratroopers; survey; S19052
current psychological distress/difficult life conditions; combat exposure, Vietnam; interviews; Q8103

Comics (Publications)
gender inequality, newspaper comic strips; content analysis; Q9116
"Sam" comic strip character, authority figures satirized/critiqued; Q5034

Commissions
Commission on the Study of Peace, International Union of Anthropological & Ethnological Sciences; Q9939

Commitment
Bellah, Robert N., et al, *Habits of the Heart: Individualism and Commitment in American Life*; review essay; Q3187
job vs profession commitment, professionals; mail survey; Canadian Association of Certified Accountants members; R0101
religious commitment, converts vs life-long born-again Christians; interviews; Canada; Q3886
student athletes' role commitment, exchange/interactionist perspectives; Q3502

Committees
soil conservation attitudes, conservation committee farmers vs extension officers, Australia; S18856

Commodities
agricultural commodities/complex systems, commodity systems analysis methodology; Q5416
commodification process, juridic/linguistic forms, anarchism/liberation theology alternatives; Q3570

Common Lands
public lands, commercial recreation, federal agencies' information needs; Q3475
social organization/dismemberment, Palestinian village; agrarian regime; Q3248

Communes
Amana Society, US, communitarianism/familism/individualism; Q3415
communal families/child care; bibliography; Q3419
decentralization program, Swedish communes; Q3517
Icarian Colony commune, US, family/social structure; Q3431
Oneida Community, New York, eugenics/intergenerational tensions; 19th century; Q3426
Settled Heart Commune, Colorado; participant observation, interviews; R0951
sexuality/gender roles, secular vs religious communal movements; survey/ethnographic data; US; Q3883
utopias/communes, marriage's/family's role; Q3418
youth migration, rural utopian communities, US/Europe; 1960s; Q8005

Communication
affect communication; cultural/linguistic system restrictions; case study; Wolof speakers, Senegal; Q5492
audience research, television, narrative communication's role; US, GB; S18171
bureaucratic dealings, male communicative dominancy; content analysis; telephone conversations; Q7773
collective cognitive structures, evolution/development, Jürgen Habermas's communicative theory; feminist critique; Q9109
communicating ethnic prejudice, everyday cognition/talk, discourse analysis; interviews; Amsterdam, Netherlands/San Diego, California; S18703
communication behavior, Belgian scholars, academic domains compared; bibliographic data; 1977-1979; Q8457
communication competency measure, operational validity; ratings, questionnaire; university students; Q9267
communication processes/power relations, industrial societies; Q5239
communication research, commercial/political aspects; Q7908
communication, content analysis techniques, decision-making utility; Q4660
communication/information technologies, societal impact; S17836
communications research, Quebec, themes/tendencies; literature review; Q7905
communications systems; literacy; medical discourse case study; Q3792
communicative autonomy, Jürgen Habermas's vs classical Greek political theory; Q4422
computerization, socialization/communication effects; Q8707
cultural expansionism, God/glory/gold motives, historical influence; Q7511
family communication techniques, Algerian families/French-emigrated members; observation; Q5978
hostile/anxious communication; superior/inferior role, gender; content analysis; college students' dialogues; Q7537
human communication/language, hermeneutics problem; article/response/reply; Q9406
information technologies, social communication effects; Q7528
information/communication technologies, educational requirements; Q8274
language use, communicative patterns, sociocultural conflict context; case study; bilingual Indians, Mexico; S17960
language/communication skills, Japanese students, US, cross-cultural adjustment; questionnaires, observation, interviews; Q6787
management staff communication, central government agencies, France/GB; S17883
message source discrimination, communication style indexes; content analysis; Winston Churchill/Clement Attlee/Neville Chamberlain speeches; Q9270
miscommunication, native/nonnative speakers' exchanges; conversation analysis; TV repair shop interaction; R0218
motion pictures, communicational/structural aspects; S19034
national economy's growth/efficiency; communications infrastructure; Q8503
organizational network disintegration, communication aspects; Q5151
"other" worlds, human transcendencies, symbolic communication/ritual coping; Q8332
peasant struggle/transformation, Luzon, Philippines, communicative action/rationality perspective; fieldwork; Q9613
planned community development, India; communication role/impact; S18782
problem-solving dialogue, harmonious vs disharmonious couples, information theory approach; conversation analysis; R0661
professional gazette reading, agricultural cooperative workers; organizational size, communication facilities; questionnaire survey; NŌKYO gazette editors, Aichi Prefecture, Japan; S18692

scientific mathematical community, cognition/communication; Q3660
small group communication; gender composition, task structure; experiment; university students; Q4842
social exchange theory, Jürgen Habermas's truth theory; Q6520
social order generation/maintenance/changes, communivative action theory; Q9402
social science government contract research, ethical/communication problems; Q7294
social system, postindustrial society, communication technology's impact; Talcott Parsons's *The Social System*; S18479
stereotypes/communication skills, Asian-American students; interviews; Asian/non-Asian secondary schoolteachers; Q6565

community networks, conflict/support/contact linkages; surveys; rural households, Utah; R0966
community organization/involvement, small town, US; Q9008
community policing, UK, local police state; Q5655
community similarities/differences, Mennonite towns, Manitoba; archives, histories, secondary research, interviews; S17881
community understanding, introductory sociology/race relations courses, teaching strategy; Q7287
community work, small/economically declining communities; literature review, participant observation, interviews; Q9007
community-based social movements, industrialized/developing countries; S18101
community/school relationship; school systems decline/contraction; Q3877
dangerous chemical exposure, community response; case examples, published reports; S18893
drunk driving, random breath testing, community attitudes; surveys; New South Wales, Australia; Q7470
emotional links/attachments, local communities, nested community concept; questionnaire; apartment dwellers, Newark, New Jersey; Q9513
female labor force participation; ecological/community structural factors; census; Nebraska; Q8099
individual-community relationship; cohesion vs alienation; S18145
local geographic communities, conflicts; historical data, Northern Ireland/Italy/US Midwest; Q4761
modern communal implementing agencies, size/competence, Swiss-German communities; demographic/political/organizational factors; Q9001
obscenity trials, Canada community tolerance standards, psychologists' expert testimony; Q8376
relationistic reality concept, epistemological/phenomenological perspective, Israeli kibbutz community; Q4779
residential satisfaction,; community features; research review; Q6768
self-structuring/concept, Middle East, historical transformations; Q7478
social support networks, multidimensional vs heterogeneous approaches; qualitative/quantitative research data; S18756
socioeconomic situation, high school students/young adults, declining community; survey; Oakridge, Oregon; Q8261
urban neighborhood rehabilitation project, Israel, community temporal perceptions; fieldwork; Q8162

Community Change
achievement motivation/life satisfaction, cohesive communities; industrial progress; scale, questionnaire, book catalog; industrial workers, Israel; Q7805
agrarianism decline, social behavior, Okayama Prefecture, Japan, "rural" concept; interviews; S18846
agricultural development, Papua New Guinea; S18297
agriculture; local community changes; S17433
church membership, metropolitan areas; community stability/migration, economic factors; US, 1952-1971; Q6860
community development/change; Q7795
community identity, urban encroachment, Valle Aurelia, Italy; interviews; S17758
community impact assessment, objective/perceptual realities; case study; rural US community; S18834
family/community dynamics, North American Lingayat Indians; interviews, observations; S17746
German village's social/economic/cultural/demographic changes, 19th century; birth/marriage/death records; Catholics, Jews; Q5420
local economic change, research fallacies; literature review; Q9795
mass communication media; community sociocultural factors; Nigeria; Q6674
psychotherapy program, working class clientele, GB; political issues, community perceptions; Q6080
religious beliefs/practices, community life, Pentacostal movement vs traditional religious culture; Sicily, Italy; Q6834
residential succession/transition/segregation, Hispanic/black/Asian populations, US; Los Angeles, California/Chicago, Illinois; Q8182
social movement timing, community conflict management, southwest Hispanic areas; structural/ideological changes; social history, participant observation; City of Albuquerque vs San Felipe-Old Town, New Mexico; Q6656
sociodemographic/social structure, small communities; energy development; mailed questionnaires, interviews; Ashland, Montana; Q7135

steel industry contraction, Western Europe, social/political implications; 1970s; R1042
technological accident litigation, victims' compensation, social injury model; case studies; S18412
village community structures, Japan; industrial structure change; world census agriculture/forestry data; Tsushima Islands, Nagasaki Prefecture; Q6764

Community Colleges
community college students, university transfer preparation; Philadelphia, Pennsylvania; Q4716
community development, community colleges' outreach roles; R0976
two-year colleges, characteristics/issues/sociology's place; Q4718

Community Development
action research, principles/practice; case study; R0967
agricultural/health/occupational/educational changes, more- vs less-developed villages; community development project; structured interviews; Maharashtra, India, 1952-present; S18387
basic Christian community development, North American church; S18248
change agent identification/training/roles/skills, private voluntary/government organizations; questionnaires, interviews; agency personnel; East Africa; Q6639
communal organizations theory; R0961
community conflict, instrumental vs consummatory issues, bargaining vs oppositional strategies; case study; proposed uranium refinery, Mennonite community; R0955
community development consultants, background/activities/attitudes/roles; questionnaire; Wisconsin; Q8117
community development outcomes, assessment procedures; R0964
community development process, formal/informal communication networks' role; case studies; R0947
community development strategies/policies, rural areas; R0946
community development training programs, rural areas, less developed countries; interviews; Maharashtra State, India; S18062
community development, action approach; R0963
community development, action research approach; case studies; R0956
community development, action research aspects/methods; R0968
community development, community colleges' outreach roles; R0976
community development, education/health services, Australian aboriginal employees; Q8252
community development, local decision-making autonomy; R0972
community development, press's role, local leaders' vs editors' views; interviews; Q8999
community development, US/Canada, citizen participation; R0949
community development/organizations, Houston, Texas; Q7133
community feeling, residential improvement, subjective analysis; case study; A-chiku, Kōbe-shi, Japan; Q6777
community formation/development, Ciskei area black homeland, Eastern Cape Province, South Africa; Q9594
community growth/change, simulation model; R0979
community integration vs marginalization, Paris, France; housing policy; S17815
community organization, Saul D. Alinsky's principles reevaluated; case studies; Chicago, Illinois; S19074
Community Resource Development programs, US Department of Agriculture, evaluation data; R0953
community work, history/current status, UK; S17779
economic/emigration/gender/employment patterns, Margarita Island, Venezuela; free-port development; interview survey; household adults; Q9906
ethnic community development, urban settlement patterns; internal/external factors; census tract data; Detroit, Michigan; typology developed; Q5440
government administration, anthropology's contributions; R0885
leadership patterns, village-based organizations, India; religion, occupation, caste; S19169
low income neighborhood resident mobilization, community development corporations; questionnaire; 1980; Q4437
multiethnic community development, social relations improvement, sociologists' role; research project; Lille, France; Q6207
planned community development, India; communication role/impact; S18782
political participation, local governments; communality; structured interviews; Portland, Oregon; Q3593
population distribution/community development/social relief, Yugoslavia, coincidence/correlation; Q8548
public social service planning, community development approach; case study; demonstration project, Arizona; R0952
pursuit of community vs scientific knowledge, sociology; Q6257
revitalization project, Nahuat Indian peasant village, Pubela, Mexico; Q7921
rural community growth/development; unearned income; official statistics; R0137
rural development project, Cameroon, participant recruitment/retention; case study; S19218
rural sociology, community concept; Q9005
small community information needs, academic resources/assistance; R0957
social structure, rural communities; energy development projects; case studies, fieldwork; Montana; R0948
socialist kibbutz communities, Israel; capitalist economy/society, modernization; interdisciplinary analysis; S18489
youth involvement, community development programs; development policy, educational reforms, international religious organizations; anglophone Cameroon, Africa; S18293

Community Involvement
antinuclear/other social movements, local residents vs high technology industries; case study; Three Mile Island, Pennsylvania; Q7877
applied demography course, student projects, college/community cooperation; personal experience; New Mexico; Q9329
community action, Q-Analysis technique; case study; New Hampshire; S18847
community action/field structure, residents' differential contributions; Iowa; Q9000
community conflict/mobilization, non- vs elite movements, water fluoridation policy adoption, multiplicative model; case example; US cities; S18684
community development, community colleges' outreach roles; R0976
community development, local decision-making autonomy; R0972
community economic participation, Business Retention & Expansion Program; census data; New Jersey; Q5185
community involvement/political mobilization, urban Chilean youth; modernization; survey; Santiago slums; S18698
community-based planning, research requirements; Q4467
crime prevention measures, police-community relations, Israel; interviews; Q7097
decision-making process, Swedish urban communities, planners vs citizens values/attitudes; case studies; R1044
delinquency reduction; release/community service diversion vs traditional juvenile court; experiment; Q6902
disaster victim community, emergency management resource; R1032
fieldwork, sociology teaching, integrated experiential model, community projects; Q9309
health care/social problems; unemployment, stress control, trade union/popular movements; empirical studies; Värmland, Sweden; S18635
health programs, Latin America, community participation; Q5002
informal neighborhood social care, elderly, promotional policies; Q4585
local health planning, opinion leaders' attitudes, consumer/community input; interviews; Q9011
low income neighborhood resident mobilization, community development corporations; questionnaire; 1980; Q4437
middle class community networks, Mexico/Latin America; documentary data, interviews, survey; S18648
neighborhood as community, Barry Wellman's/Barry Leighton's article critiqued; interview survey; Detroit, Michigan; Q3749
neighborhood attachment, Irwin Altman's territoriality theory; interviews; female residents; Q5443
political alienation, community integration, socialist society; industrialization/urbanization; sociological literature review, Poland; S18038
public service provision, welfare state, voluntary sector's role; UK; S18016
racial pluralism, neighborhood stabilization movement; field research, interviews, census data; Indianapolis (Indiana), Rochester (New York), Milwaukee (Wisconsin), Hartford (Connecticut); S17539
small-scale irrigation development, Peru, labor mobilization; S19045
social scientists/citizen groups, collaboration/communication; S19254
sociocultural organization, tradition retention, Indian fishing community; technological adaptations, elite group formation; questionnaires, interviews, participant observations; Veraval-Mangrol region; S18381
tourism development, marketing scheme, 1980 World Tourism Conference, Manila, Philippines; S18303
wife beating, nonliterate/peasant societies; neighbors' intervention; Human Relations Area Files; R1066

Community Mental Health
community psychological well-being; athletic contests; clinic statistics; Michigan; Q3496

mental health care inadequacies, deinstitutionalized mental patients, sociological approaches; historical reviews/empirical studies; community-based services, Honolulu, Hawaii; S18942
psychotherapy program, working class clientele, GB; political issues, community perceptions; Q6080

Community Mental Health Centers
community mental health care, Native American population, biopsychosocial model; case study; Q8782
Community Mental Health Centers Act, US, background/development; R0854
federally funded community mental health centers, performance/development/organization; survey data; Q7062
interorganizational relations, community mental health delivery systems; National Institute of Mental Health data; S17944
mental health network, police's role; S18971
mentally ill deinstitutionalization, Community Mental Health Center/Medicaid programs; Q4292
psychiatric care, community mental health centers; patient's social class; interview survey; Q7063

Community Organizations
citizen action programs/projects, small communities, North Carolina; interview survey; Q9990
civil defense agencies, US, performance/effectiveness; case studies; R1033
Civilian Conservation Corps, community relations; correspondence files; 1933-1942; Q8010
communal organizations theory; R0961
community development/organizations, Houston, Texas; Q7133
community health workers, India, training program; Q8777
community justice/social structure relationship, small-scale cooperatives; Q3972
community organization, Saul D. Alinsky's principles reevaluated; case studies; Chicago, Illinois; S19074
community work, history/current status, UK; S17779
community-based environmental organizations, goals/structures/activities/problems; survey; S18897
community-based organization use, limited-resource women; random survey; South Carolina; S18881
habitat defense movements, Southeast Asian cities, nongovernmental organizations' role; field research; S17577
Insalubrious Dwellings Act, Paris, France, figurational theory perspective; archival data; 1850-1880; S19176
Jewish immigrant voluntary associations, US, communication's role; interviews, press reports, documents; Q9567
juvenile delinquency prevention programs, community organization approaches; Q8945
low income neighborhood resident mobilization, community development corporations; questionnaire; 1980; Q4437
needs assessment research, community group collaboration; Q4586
neighborhood friendship network/residents' movement involvement; survey; housing development residents, Japan; Q6659
nonprofit community organizations/their services; budget cuts; surveys, newspaper clippings, reports, community action group meetings; Minneapolis-Saint Paul, Minnesota; S17890
open/closed peace movements, productive (workers) vs destructive (military industrial complex) forces; Pugwash case example; S18109
self-help group formation, Federal Republic of Germany; economic/welfare systems' crises, social policies; S18342
shantytown development, Mata Machado, Rio de Janeiro, Brazil; modernization; case study; Q9985
social scientists/citizen groups, collaboration/communication; S19254
social transformation process, Catholic-base Christian communities' role, Brazil; case studies; São Paulo; Q8324
social/institutional organization, older neighborhoods, Tokyo, Japan; fieldwork; Q5019
squatter settlements, urban poor; housing policies, settler organizations; Rio de Janeiro/Salvador, Brazil; S18300
urban social movements, Mexico, participants' motivations/actions; Q9856
urbanization problems/citizen movements, São Paulo, Brazil; Q9971
welfare state crisis, formal-informal organizations' links/social distances; S18184

Community Power
community conflict, instrumental vs consummatory issues, bargaining vs oppositional strategies; case study; proposed uranium refinery, Mennonite community; R0955
criminal justice research, elitist vs community-oriented paradigms; leftist research perspective; Q5675
political conflict, Jürgen Habermas's critical-theoretical perspective; R1015
US industry foundations, authority legitimation, Lowell image/symbol use, community values; 1820-1850; Q6519

Community Research
anthropological community research issues; Labor Reserve inhabitants, Cape Province, South Africa; Q4631
community concept, historical/social science perspective; Q6239
community satisfaction scale scores, GB/US, factor structure similarity; adults; Q4435
community studies, UK, social network analysis approach; Q4436
community study/planning, social reconnaissance method; R0973
comparative community research, "key informant" data collection technique; Q7246
ethnic mobilization, Armenian voluntary organizations, London, England; Q9770
mass communication research, foci/models; Q7893
participatory research, epistemology/methodology; S18978
work/community relationship, community psychology implications; Q6613

Community Satisfaction
community feeling, residential improvement, subjective analysis; case study; A-chiku, Kōbe-shi, Japan; Q6777
community satisfaction determinants, "Middletown"; questionnaire; Q6262
community satisfaction scale scores, GB/US, factor structure similarity; adults; Q4435
community/life satisfaction, structure/relationship; interviews; households, US; Q3756
crime prevention measures, police-community relations, Israel; interviews; Q7097
moving expectations; residential satisfaction/preference, social/economic bonds; mail survey; New York licensed drivers; S18809
neighborhood prestige perceptions; interviews; Tel Aviv, Israel; Q5454
neighborhood satisfaction, elderly; objective/subjective determinants; interviews; Albany-Schenectady-Troy, New York; Q4347
neighborhood satisfaction, racial differences; community activities; telephone surveys; Chicago, Illinois; Q3783
perceived urban residential quality, Saudi Arabians vs Americans, cross-cultural differences; audiovisual simulations; Q8184
residential environment satisfaction; neighborhood quality perceptions; nationwide US Census survey; Q3750
residential satisfaction, urban elderly males; housing/neighborhood conditions; questionnaire; Q6168
residential satisfaction,; community features; research review; Q6768
residential situation/aspirations/satisfaction, household adaptation process; Q9061
satisfaction with local areas, Seattle, Washington, metropolitan region; interview survey; Q3762

Community Services
Chevak Village Youth Association, Alaska, origin/structure/function; case study, participant observation; Q8784
child maltreatment/substance abuse/emotional-behavior problems, neighborhood risk model; census indicators; El Paso, Texas; S19124
citizen action programs/projects, small communities, North Carolina; interview survey; Q9990
community action programs' effectiveness, South Carolina; audiotaped interviews; agency directors; S17452
community development, education/health services, Australian aboriginal employees; Q8252
drug addicts' parents/Grey Panthers self-help groups, development/activities potential; participant observation; S18676
government-funded community health departments, Quebec, abortion policy implementation; questionnaires, interviews, observation, content analysis; S18365
handicapped children, family/community care, Flanders; secondary data; Q8940
job satisfaction, community service employees, Canada; questionnaires, interviews; S17637
leisure-time needs/problems, elderly, community resources; Q8896
local volunteers, characteristics/motivators, New Hampshire; questionnaires; R0970
major criminal offense rate, at-risk vs convicted male youths, delinquent associations, community intervention program; experiment; Dublin, Ireland; R0908
police duties, public expectations vs community needs; interviews; democratic countries; Q6871
police officers, community demand elasticity; official data; Delaware County, Pennsylvania; Q5667
urbanization problems/citizen movements, São Paulo, Brazil; Q9971

Community Size
helping behavior, dispositional vs situational explanations; city size; experiment; Australian adults; Q3078

subcultural value/attitudinal heterogeneity; community size; General Social Survey; Q9006

Community Structure

chronic technical vs immediate-impact natural disasters, social effects; questionnaires, interviews, participant observation; Centralia, Pennsylvania/Love Canal, New York; Q6308

communal institutional structure, demography, Philippine Chinese; Q3239

communitarian social organization/individualistic values, tension management; participant observation, interviews, historical records; Chesapeake Bay maritime community; Q4439

communities' life/roles, typology developed; interviews; S18501

community life; urban planning, Chandigarh, India; S18281

community organization/cohesion, Daufuskie Island, South Carolina; modernization; interviews; R0977

community organization/involvement, small town, US; Q9008

community power structure, Shimoda, Japan; interviews; S18080

community studies method, rural social relations, economic restructuring; literature review; R0142

criminal justice research, elitist vs community-oriented paradigms; leftist research perspective; Q5675

deviant behavior, social control/sanctioning; field research; Gush Emunim settlements, Israel; Q9528

ethnic political movements, community structure; Q4950

lesbian communities, US; ethnographic fieldwork; Q8620

local political systems' effectiveness, resources-to-cultural/economic/environmental/biosocial outputs transformation; local conditions; community accounting documents, means/ends indicators; southern France; S18197

municipal structure/reform, Iceland; Q3777

occupational sex segregation, small communities; community social class structure/socioeconomic factors; secondary data; Iowa; 1960, 1970, 1980; S18831

organizational structures, New Zealand Chinese, autonomy/survival strategies; Q3233

political/cultural change, geographic restructuring; Lancaster (England) travel-to-work area; 1950-1980; R0189

social pathology, rural Alaska; community social structure, population changes; survey, interviews, participant observation; Q7137

social structure, rural communities; energy development projects; case studies, fieldwork; Montana; R0948

spatial economy, structural change, UK; R1040

urban community structure; migration, occupational mobility; interviews; migrant family heads, Raichur, Karnataka, India; S18053

urban neighborhood racial pluralism/stabilization movement, organizational development analysis; field research, census data, historical analysis; 1956-1984; S18508

village community structures, Japan; industrial structure change; world census agriculture/forestry data; Tsushima Islands, Nagasaki Prefecture; Q6764

water ownership, Sharqiya oasis, Oman; historical study; Q5055

Commuting (Travel)

off-farm work distance, employment; gender/education; mail survey; Louisiana farm couples; S18821

Comparative Analysis

social systems, comparative research, general systems theory approach; Q9400

working class history, comparative research, German Democratic Republic; R0028

Comparative Sociology

comparative historical sociology, Netherlands; 1970s; Q4769

comparative research model; "Youth Integration into Society" study data; S17969

comparative studies, European nations, historical micro structures; Q6585

Compassion

sympathy, human nature, computers; Q3134

Compensation

compensation for damages, estimation via statistical methods, Italy, recent judicial decisions; Q3990

employment/compensation, market adjustments, integrated sociology/economics framework; Q7681

lawyer effort; fee arrangement impact; interviews; Q3978

participatory work organization, appropriate remuneration system; Lisbon, Portugal; S18127

tipping practices, cross-cultural variations; article/reply; Q9899

Competence

communication competency measure, operational validity; ratings, questionnaire; university students; Q9267

depressed affect, self-esteem; past vs current causes; Beck Depression Inventory, Rosenberg Self-Esteem Scale; undergraduates; Q9458

sociolinguistic competence development, native Black English speaker; autobiographical narrative; R0196

Competition

capitalist economic competition, collective action problems; Q3395

commercial/sports fishermen competition, Lake Erie, ecological analysis; government data, aerial photographs; Q3483

communal vs individual social action, rationalization process; Q9537

competitiveness, scarcity cultures; achievement motivation, success/failure experiences; scale, experiments; male undergraduates, India; Q3112

industrial research/development, corporate transformations; Q9727

market-oriented modification, USSR economy; Q4476

race relations, GB, Michael R. Banton's contributions; Q9572

Racial and Ethnic Competition by Michael Banton; response; Q9538

Racial and Ethnic Competition by Michael Banton; review essay; Q9586

racial discrimination/competition, trade union-black workers relations, wool textile industry, GB; Q9555

racial/ethnic relations, Michael Banton's rational choice theory, value/disadvantages; Q9291

racial/ethnic relations, Michael Banton's rational choice theory; Q9548

racial/ethnic relations, sociopsychological vs rational choice explanations; Q9591

young males' violence/homicidal conflicts; sexual selection, reproductive/status competition; homicide records; Detroit, Michigan; Q5879

Complex Organizations

complex organizations' decision-making, symbolic interactionist vs negotiated order theory; case study; academic sabbatical leave committee; Q4845

complex structures, composite model construction; Q9237

direct-selling industry, organization deviance; case study; Amway Corporation; Q9732

large organizations' contemporary role; S18289

organization concept, cultural/diachronic approach; social transformation; R0357

organizational social cohesion; Weberian bureaucracy/ruling elite/social preference models; government bureaucracies; S18621

organizational structure, cooperative interactions; S18620

symbolic communication, complex organizations, semiotical analysis; fieldwork; urban constabulary, GB; Q7764

technological innovation, research & development, organizational integration, large industries; administrative mechanisms; R0468

Compliance

parole adjustment/compliance, juvenile delinquents; psychological/family/situational variables; archival records, survey; R0410

Compulsivity

compulsive gambling, general addictions theory; R0802

Compulsory Participation

informal justice via compulsory mediation, Philippines, political context, village-level operation; Q3998

narcotic addiction, compulsory treatment programs, implementation problems; cross-national analysis; R0829

Computer Assisted Instruction

computer's educational use, Piagetian learning theory vs Seymour Papert's approach; Q8242

cultural evolution, teaching aid simulation; Q6460

teacher professionalism/computer-aided learning program, education college students'/teachers'/staff's attitudes; personality, value system; psychometric instruments; Edinburgh, Scotland; Q8054

Computer Assisted Research

adaptive system behavior, mathematical model/computer simulation; Q9296

computer research, social sciences, bibliographic classification scheme; Q6457

computer-aided content analysis, approaches/techniques; Q4656

content analysis, social sciences, history/computer use; Q4655

criminological research, victimization probability estimation, MIMIC models' utility; surveys; Q7280

data modeling procedures, relational data base management, social science utility; Q6506

individual psychological processes, computer simulation, social behavior extension; Q9445

qualitative sociology, field notes processing, computer managing programs; Q2870

social science research, computer use; Q4661

sociological research, USSR, microcomputer use; Q6441

statistical methodology, computer techniques; Q4677
STRUCTURE computer program, distance as structural equivalence measure critiqued, secondary data; amateur radio operators; Q5143

Computers
advanced computer technology, developing countries, social impact; Q6924
arcade video game players, sociodemographic/other characteristics; questionnaire; youths, Kitchener, Ontario; Q9909
career enhancement, men/women; office computerization; questionnaire; Q8498
clerk/managerial employment; computerization; surveys; US firms; Q9686
computer camp/class enrollment, gender differences; questionnaire; program directors; Q8501
computer culture; 3-book review essay; Q8510
computer literacy educational programs, social class/status implications; Q5580
computer occupations/systems analysis, women's participation; supply/demand/other factors; S18985
computer programs, property rights issue; Q8502
computer scientists, stereotyped characterizations; questionnaire; university students; R0109
computer simulation methods, epistemological aspects; Q2940
computer technological developments, home use; S18055
computer technology use/expertise, sex differences; experiment, observation, interviews; children aged 8-12; Q8500
computer technology, sex-typed attitudes/behaviors; survey, questionnaire; students, New Jersey/college freshmen; Q8515
computer technology, social/domestic life implications; Canada; S18433
computer utility, sociological fieldwork, graduate instruction; Q9302
computer work force, blacks' participation; R0112
computer-assisted medical diagnosis; Q4041
computerization, socialization/communication effects; Q8707
computerized management information systems, social work agencies' utilization; case study; Jewish Family Service, Philadelphia, Pennsylvania; R0467
computerized production planning, machine tool industry, political/control effects; empirical research project data; S17992
computer's educational use, Piagetian learning theory vs Seymour Papert's approach; Q8242
doctors' computer information system use; hospital communication network position; clinical data; private teaching hospital; S17591
economic centralization, social integration; computer technology; S17713
human cognitive process, computer system comparison critiqued; Q2875
human mind as computer metaphor, historical development, 18th-20th century; Q4052
human nature/citizens' rights; personal information computerization, advanced information societies; Q6640
human thinking processes/patterns; computers; Q6932
industrial/administrative technologies, utilization difficulties/strategies, less industrialized countries; case study; Argentina; S19216
industry, workers' lives; computerization, informationalization, advanced information societies; Q6637
information technologies, social communication effects; Q7528
information technology, university libraries' utilization, policy issues; R0235
information technology/systems, local governments' use; 3-book review essay; Q3746
Japan-based research/development facilities, US computer firms, establishment/management; Q9756
keyboarding as social form; Q6927
knowledge engineering, computer science/information technology fields; Q8995
knowledge evolution, human/computer commensality, human thought simulation; Q8977
logic/decision-making processes, Japanese teenagers; computer games/learning; secondary data; Q5844
man's ecological/leisure needs; computer revolution; Q7712
Marxist alienation theory; computer age; Q4045
microcomputer ideology; content analysis; computer advertisements, *Newsweek* magazine; S17499
new information technology/its effects on the curriculum/social values/socialization; S18111
new technology attitudes, occupational goals, British undergraduates; parental employment, microcomputer exposure; mailed questionnaires; R0464
new technology, dependency relations, developing countries; case study data; Association of South East Asian Nations; S18194
organizational change, new computer technology's role; qualitative data; S18932
personal computers, household use, US; sample data; S18720
physician computer-based hospital information system, utilization/networks; interviews; Q6000
production/administration/transaction, small-/medium-sized firms, Netherlands; advanced computer-based technology; project data, statistics, interviews, case studies, literature review; S18702
social movements, computerization/organization; interview/published data, participant observation; S19033
sympathy, human nature, computers; Q3134
technological/computer literacy, education system, capitalist countries; R0284
women's home-based computer-related labor, pros/cons/future trends; S17845

work structure, computer software occupations; survey; Massachusetts; Q9671
workplace computer use, white-collar employees' attitudes; R0478

Comte, Auguste
Catholic philosophy vs Auguste Comte's positivism; Q9339
Comte, Auguste, attitude toward art; Q9352
Comte, Auguste, educational philosophy; R0277
Comte, Auguste, political philosophy; Q9961
Comte, Auguste, positivism philosophy, attitude toward mathematics; Q9334
phrenology, Auguste Comte's conceptions; R0944
science/society/religion linkages, Auguste Comte's thought; Q9338
sociology/social policy relationship, Auguste Comte's positivism/public life perspective; S17777
wealth/property accumulation, social function, August Comte's thought; Q7361

Concentration Camps
Cambodian concentration camp survivors' mental health; antidepressant medication/psychotherapy; Q6070
Holocaust survivors, long-term adaptation/adjustment, research needs; Q9090
Holocaust victims, long-range posttraumatic effects; Q9088
posttraumatic stress disorders, Holocaust survivors, research/treatment models; Q9101
postwar stress/adjustment, Holocaust survivors; interviews; females; Q9103

Concept Formation
children's death concept, Jews/Christians/Moslems/Druze, Israel; environmental factors; questionnaire; Q5793
minority group relations research, conceptual scheme systematization, "value"/"self" utility; literature review; Q4965
particularization vs generalization, social sciences; Q3043
sex role/masculinity conceptualizations; literature review; Q3091
traditional vs "positive" deviance concepts; Q3183

Concepts
gender role/identity, sexology concepts/usage; Q7516
revolution, goals/social roots, concept definition; Q7859

Confidentiality
confidential student records exchange process, schools-other institutions; official records, interviews; Q8240
confidentiality, academic personnel vs welfare clients/medical patients decisions; case studies; US colleges/universities; S18096
restricted data, social science research, confidentiality method; Q7228

Conflict
children's verbal interaction, argument starting methods; nonverbal components role stressed; R0204
conflict situations, fight vs flight responses; class/sex/risk; self-reports; teenagers; Q4854
conflict talk/intonation's role; audio/video/written records; S18211
interactive confrontation; interview data; Quebec City; sociolinguistic approach; S17811
intergroup attitudes/ behavior, children, India; Q9579
local conflict, newspaper reporting patterns; newspaper type/ownership; content analysis; Minnesota; Q7897
local geographic communities, conflicts; historical data, Northern Ireland/Italy/US Midwest; Q4761
marital conflict coping, pastoral-educational approach; R0617
power balance, ethnolinguistic communities; intercommunity class relations; Q8195
psychiatric hospital, staff conflicts; interdisciplinary differences; questionnaire; Q7060

Conflict Resolution
alternative dispute resolution techniques, ethical issues/guidelines; R0089
alternative interpersonal dispute resolution, social change issues; national survey data; Q9419
bureaucratic system, US, legalistic vs communitarian reform vision; Q7763
class warfare, conflict resolution, political ideologies; labor/trade union movements; eight-year comparative analysis; Portugal, Spain, Italy, Greece; S17910
community conflict, instrumental vs consummatory issues, bargaining vs oppositional strategies; case study; proposed uranium refinery, Mennonite community; R0955
conflict resolution techniques, human societies, technological development/cultural evolution perspective; Human Relations Area Files data; Q7437
dispute settlement procedures, Papua New Guinea Highlands, anthropological "social control" interpretation; Q8409
dispute settlement, US, Social Security claims; 2-book review essay; Q4007
divergent forecasts, data mediation/resolution; case study; General Motors/US Environmental Protection Agency/State of Colorado researchers, Denver; Q6302
ethnic pluralism/conflict resolution, humanocentric culture concept; cross-cultural illustrations; S17913
individual/state conflicts; law's/penal code's/judges' role; conflict resolution forms typology; Q4020
interpersonal conflict, criminal court, mediation mechanism; personal participation; R0886
managerial conflict; case studies; industrial groups, France; Q9755
national/international conflict resolution; leaders' propensity for violence; Q9104
patient/doctor conflict, complaint/resolution types; interviews; R0734
political conflict, Jürgen Habermas's critical-theoretical perspective; R1015
small group conflict, group vs individual identity boundaries, conversational tactics; conversational episode examination; S18216
social conflict resolution, children, friend vs nonfriend pairs; experiment; Q7518
social movement timing, community conflict management, southwest Hispanic areas; structural/ideological changes; social history, participant observation; City of Albuquerque vs San Felipe-Old Town, New Mexico; Q6656

Conflict Theory
conflict resolution techniques, human societies, technological development/cultural evolution perspective; Human Relations Area Files data; Q7437
criminal punishment/race relationship, conflict perspective; S19269
religious change, Middletown, US, functionalism/conflict theory paradigms; secondary data; Q7414
social control variation, US cities; racial/economic conflict; arrest rates; Q8418

Conformity
adolescents' external compliance/internalized conformity; parental power/behavior variables; self-reports, observation; families; Q5853
domineering mothers, US, 1950s, social conformity; Q6330
moral conventionalism, necessity/rightness; Q6241

Confucianism
Confucianism/Protestantism, Max Weber's comparative analysis; S18423

Congenitally Handicapped
handicapped newborns, selective nontreatment; ethical/legal/medical considerations; Robert Weir's book reviewed; Q6277
medical nontreatment, handicapped newborns, morality; Robert Weir's book critiqued; Q6288

Congresses And Conventions
conference design, Norway, democratic elements/procedures; Q7687
contemporary technology, scientific/historical journals; historians' congress, West Germany; Q8993
Eleventh International Gerontological Conference proceedings; Rome, Italy, 1984; Q6158
Health Economists'/Medical Sociology Group joint meeting; York, England; July 1983; Q4685
markets/marketing conference, Society for Economic Anthropology's April 1984 meeting; Q6645
medical sociology papers, health economist's evaluation; Q6014
scientific communication, posters at biomedical meetings; content analysis; Q5366
Sixteenth All India Sociological Conference; proceedings summarized; Q2953
Soviet sociological research; Kiev, USSR; Q4694
Tenth World Congress of Sociology, Mexico City, 1982, brief overview; Q6490
tourism development, marketing scheme, 1980 World Tourism Conference, Manila, Philippines; S18303

Congruence (Psychology)
university faculty work, actions/intentions congruency; reward expectations, referent others' goals; interviews, questionnaire survey; deans, chairpersons; Q3881

Conjoint Therapy
male sexual dysfunction treatment; literature review; Q5888
marriage counseling, USSR; Q4186

Connecticut
health/disability/depression, elderly; religious involvement; New Haven, Connecticut; S19017

Consanguinity
inbreeding/genetic relationships coefficients' evolution, isonymic estimation method; marriage records; rural canton, France; Q4062

Conscience
conscience, moral/educational development; Q5540

Conscientious Objectors
conscientious objection, Australian military service, legislation proposed; historical analysis; S18588

Consciousness
alpha consciousness, meditation, biological interpretation; Q5251
altered consciousness states, cross-cultural analysis model; anthropological case studies; Q6558
consciousness model, interpretive/feminist sociology; Q7172
consciousness systems, autopoietic/self-referential nature; Q7506
consciousness, George Herbert Mead's concept; Q3042
life/consciousness evolution, cognitive strategies, David Bohm's holonomy physics; Q7810
Stalinism/racism/Nazism, false consciousness theory; S17888
subject/object relationship, consciousness, social interaction context; S17934
working-class consciousness, workers' social representations; historical documents, interviews; East European immigrants, US; Q5092

Consensus
decision making/consensus, Australian aborigines; tape recordings; S18174
Mannheim, Karl, critical comments; Q9393
medical technologies, National Institutes of Health, consensus/peer review systems compared, medical profession's criticisms; Q5705
political power, democratic structures; theoretical approach; S17780
scientists' observations, consensus-making process; R0918
social representations, 1980 UK riots, media/participant accounts consensus; Q3463

Conservation
Civilian Conservation Corps, community relations; correspondence files; 1933-1942; Q8010
conservation program participation; financial/technical/educational assistance, estimation guide established; S18816
farmland protection, New York; state/local legislation; S18880
independent Mexican-/Spanish-American landowners; federal reclamation/irrigation/flood control programs; New Mexico, Texas; S18850
open space protection/retention, North America, private land trust option; Q9055
scallop-fishing industry, France, commercial/conservational problems; Q8960
water conservation, self-reported vs actual savings; survey questionnaire, billing records; households, New Hampshire; Q9052

Conservatism
attitude trends, college students; questionnaire, longitudinal analysis; Q5841
authoritarianism, conservatism, measurement issues; questionnaire/scale data; residents, Brisbane, Australia; Q3131
Canadian neoconservatism trend; questionnaire; U students; Q5312
conservative Protestantism, US, historical background; Q5615
egalitarianism vs neoconservativism, social reconstruction's role; S18288
English working class poor, proletariat inaction, Marxist vs neoconservative views; Q6246
legal punishment, men's vs women's attitudes; statistics; Q9184
Mannheim, Karl, sociological thought, political/legal focus, role in Weimer Republic's political development; book *Conservatism* analyzed; S18262
modern intellectual, conservatism/function; R0041
morality, legal enforcement, functionalists'/P. Devlin's vs H. L. A. Hart's positions; Q7409

New Right policy formation organizations, national corporate elite support base; Q7974
postmodernist/neoconservatist thought; Jürgen Habermas's position; Q5303
public education, federal government's role, New Right/centrist conservative policy; Q8275
radical West Coast vs conservative East Coast longshoremen's unions, historical/political development; qualitative data, written/secondary sources, oral histories; Q7700
Social Darwinists vs neoconservatives, political/social/economic thought; R0290
social problem films, silent film era, conservative biases; R1177
social welfare, GB/US, conservatism, "neoresidual social policy"; S18278
value changes, conservatism, US intellectual strata; General Social Survey; 1973-1983; S18285
welfare state, social policy developments; neoconservative politics, monetarism; Canada/US/UK comparison; S18177
welfare state, transfer payments, Reagan administration policies; Q9998

Constitutional Amendments
abortion legalization, proposed Constitutional amendment, US Senators' voting patterns; Q3970
Equal Rights Amendment support; social class/status conceptualizations; interviews, 1977 National Opinion Research Center survey; Q4530

Constitutions
constitutional law, federal-provincial relations, Canada; book review essay; Q7989
human rights, 1982 Charter of Rights, Canada; R0404
human rights, law/constitution, Spain; book review essay; Q3982
independence constitutions, Papua New Guinea/Solomon Islands/Vanuata, land legislation issues; Q6875
proposed Constitutional Bill, South Africa; Q3221
social welfare policy, Canada, provincial vs federal jurisdiction; Q7959

Construction Industry
wayfinding behavior; hospital design; video simulation; Q9042

Consultants
community development consultants, background/activities/attitudes/roles; questionnaire; Wisconsin; Q8117
epidemiological research, external consultant review, interest group bias; Q4591
public/private business management consultant utilization, small vs large firms, Norway; Q7816

Consumerism
goods/service purchase locations, farmers' choices; farm size, land tenure; interviews; Iowa; Q5424
home garbage disposal appliance, US acceptance, consumerism; Q5733
lawmaking/enforcement, consumer protection, US; interviews, survey; Q5649
mental health services, SHARP consumer satisfaction questionnaire, validity scale; Q9269
popular culture's consumerist nature, sociological theory's "nostalgic" metaphor criticized; S18685

Consumers
consumer shopping activity, Norway; Central Bureau of Statistics time-budget survey; S17940
consumer-merchant relations/tensions, democracy; S18378
consumption patterns, modernization; Germany; pre-World War II; Q5190
cultural goods consumption, decision-making process; public television information system; survey; S18726
energy conservation, consumers' vs researchers' perceptions; survey; households, Michigan; Q7817
household/consumer markets, women's role; Q9823
information systems use, self-reported vs system-monitored measures; Q2897
leisure goods/services, consumer problems; consumer vulnerability; interviews; Quebec; Q9917
medical/educational services' accountability, GB; official reports/polling data; S18388
time budgeting & consumer behavior; research studies; S18719

Consumption
consumer goods' access, married men vs women, Peter Taylor-Gooby's findings; comments/reply; Q7823
consumer shortages, Poland, shopping queues/tactics/behavior; participant observation, fieldwork, interviews; Q3374
consumption decisions; felt normative pressures; questionnaires; female college students, Arizona; Q9456
consumption politicization, family's role; newspapers/corporate reports/federal state investigation documents; Q6978
cultural goods consumption, decision-making process; public television information system; survey; S18726
household income/consumption, Dominican Republic; national survey; R0643
red meat/poultry consumption patterns, trends/impact; survey; S17467

Content Analysis
adult emotional development, assessment method, content analysis coding system; questionnaires; Q7515
communication, content analysis techniques, decision-making utility; Q4660
computer-aided content analysis, approaches/techniques; Q4656
content analysis, artificial intelligence's use; Q2916
content analysis, social sciences, history/computer use; Q4655
evaluative discourse, content analysis methodology, political text applications; Q7254
Girl Scout handbooks as socialization manual, content analysis technique; Q7229
inmate structure/culture/socialization, juvenile correctional institution, unobtrusive research methods; content analysis, interviews; graffiti, newspapers; Q7244
organizational behavior/language use, content analysis approach; Q5495
sociological content analysis, methodological techniques; Q4658
sociological content analysis, scope/limits; Q4652
speech, schizophrenic adoptees vs controls/relatives, content analysis scale; Denmark; Q8825

Contingency Analysis
contingency tables, loglinear model selection; Q2924
contingency tables, path analysis; Spearman's $\rho_b/\bar{r}$; Q2934
contingency tables, variable reduction; Q4673
$I \times J$ contingency tables, loglinear models; Q4679
ordered categorical data, contingency tables, association models' utility; Q6453

Contracts
successful collective contracts, engineers/technicians, USSR; Q6746

Control
"educational-communal" research project, Israel, power/control domains; Q8237
human service organizations' structure, professional effectiveness, client control; sociotechnical approach; S18654

Convents
Catholic women's orders, US, structural change; survey; R0328

Conversation
conversation topic nomination/pursuit/curtailment, turn taking; Q3791
conversational analysis methodology, problems/promises; literature review, personal experience; S17976
conversational analysis, narrative structures; tape recordings; R0213
couples' relational development, conversation's role; content analysis; Harlequin romance novels; Q9453
deceptive communication, behavioral cues; observation; university students, Texas; Q3103
discourse analysis, doctor-patient conversation, reactions/evaluations; institutional setting; S18701
discourse/conversation analysis, competing approaches; S18667
doctor/patient communication, context-relevant questions; recorded conversations; family practice clinic, US; Q4280
doctor/patient discourse, structure/asymmetry, institutional authority concept; interviews; Q3350
ethnomethodological conversation analysis, assumptions/practice; Q9433
ethnomethodology/conversation analysis, motive attribution; criticism rejoinder; Q3022
family theory field, communication needs; Q8066
gynecologist/female patient interaction, distributional/turn-taking/topical analysis; observation, audiotapes; clinic/private office, California; Q4272
indirectness/silence; conversation/drama transcripts; S18645
interactional uncertainty, defensive/offensive strategies; participant observation; disabled adult organization; Q3075
interpersonal face-to-face behavior & conflict/complaint contexts, strategic conflict avoidance; conversations, verbal complaints; nonnative/native English speakers; S18680
primary school oral reading lessons, error-correction processes, ethnomethodological perspective, audiotapes; Q5589

Cooley, Charles Horton

symbolic interaction foundations, William James/Charles Horton Cooley/George Herbert Mead; Q2968

Cooperation

condominium homeownership, private property vs public government; S19096

cooperative behavior, West Bengal, India, villages; Q3728

evolutionarily stable cooperative strategies, dynamical systems theory, iterated Prisoners' Dilemma game; S18307

large-scale cooperation, information chain theory; Q3021

Cooperatives

California farming, Chicano cooperatives' success; Q8143

community justice/social structure relationship, small-scale cooperatives; Q3972

consumer memorial societies, funeral cooperative members' characteristics/motives; questionnaire survey; California; Q3432

cooperative movement, Italy; field research; S17904

entrepreneurial development, information economy, bureaucratization vs worker cooperatives; S17698

food cooperative, principles/practices; ethnographic study; Q9741

group farming adoption; aquacultural pilot projects, Panama; Q3734

integrated/cooperative schools, West Germany, successes/problems; Q8268

labor organizations/workers' cooperatives' efficiency; worker management participation; survey, case studies; Netherlands; S18731

low-income housing, female-headed households, tenant cooperatives model; interviews; New York, New York; Q9137

member participation, food cooperatives; organizational ideology/structures/processes; interviews; Minneapolis/St. Paul, Minnesota, 1977/78; Q9717

participatory work organization, appropriate remuneration system; Lisbon, Portugal; S18127

peasant/marginal landholder particpation rate, state-sponsored rural cooperatives; capitalist development; aggregate government data; Bangladesh; S18292

productive organizational modes, Portuguese industrial producer cooperative; direct observation, documents, structured interviews; S17620

regional economic/social/political development, Andalusia, Spain; cooperatives; S17973

rural development, India, sugar cooperatives; interviews; shareholders, office staff, Kolhapur, Maharashtra; S18383

small-town cooperative town, Hungary; Q8132

social change, workers' self-management co-operatives; fieldwork; Emiglia Romana region, Italy; Q7760

social stratification/structure, milk producers' cooperatives, Gujarat State, India; participant observation, interviews, published data; S18439

US agricultural cooperatives, structural organization/economic alternatives, technological changes; S18818

worker cooperatives, democratic organization, degeneration thesis; interviews, observation, historical/secondary data; S17772

worker cooperatives, local/regional development; case study, personal experience; Spain/Italy/UK; S18601

worker cooperatives, safety/productivity issues; comparative research data; cooperatives, conventional firms, Pacific Northwest US; S17943

Copenhagen, Denmark

ethnic boundary, Danish speakers; questionnaire; students, Copenhagen, Denmark; Q3801

Coping

aging processes/experience; 3-book review essay; Q4367

alcohol consumption, stress-buffering properties; interviews, psychological scales; white adults, rural Tennessee/Oklahoma/Ohio; Q8863

"burnout" avoidance strategies, social service workers; Q7745

cancer, coping skills; psychosocial/social epidemiological/biomedical factors; Q6004

chronic illness, family adaptation, role flexibility/emotional expressivity factors; R1162

coping with stress, police officers, type A/B behavior patterns; interviews, questionnaires; Q3684

coping-stress-disease relationship, potency's moderating function; questionnaire; Jewish adults, Israel; Q8812

depression; stressful life events, coping resources; interviews; residents, Nashville, Tennessee; longitudinal study; Q4295

divorce adjustment, coping strategies, upper income men; southern California; S18745

divorce adjustment, individual variations; outside influences, loneliness, well-being, dating; interviews; S18600

educational/professional barriers, coping mechanisms, physically disabled; autobiographies; US/GB/France/West Germany; S18732

illness coping/adaptation, myocardial infarction victims, microsociological model; random samples; Federal Republic of Germany; Q6003

intergenerational family farm transfer stress; coping strategies, family roles; questionnaires; midwestern families; Q3737

marital conflict coping, pastoral-educational approach; R0617

perceived stress/marriage quality, alcoholics' spouses; alcoholism recovery process; Q8864

postabortion stress/coping mechanisms, emotional/behavioral reactions; abortion method, family/social system support; interviews; Q7177

posttraumatic stress, incest victims' vs offenders'/their spouses' experience, attribution models; questionnaire; male incest offenders; Q8694

quality of life perceptions, cancer patients; cancer discovery/treatment, personal coping factors; self-reports; S17955

racism perceptions, coping strategies, black females; interviews; S17860

social stressors, impact buffering models; Q6307

sorcery belief; culture change stress factors; case studies; St. Lucia/Alabama/Connecticut; R0311

stigmatization/psychosocial distress, epileptics, coping strategies; interviews; Q9525

stress-depression relationship; social support/personal coping resources, urban-rural comparisons; interviews; residents, Tennessee; S18908

stress/survivorship, psychosocial mitigators; Q3120

survival strategy, urban poor, Brazil; empirical data; children/women; S17690

Corporations

business political action committee participation; benefits/costs; *Fortune* magazine statistics, large US corporations; Q3569

corporate art collections, US; organizational factors; survey; *Fortune* 500 companies; S19048

corporate board interlocks; corporate power/status/market position; Q5126

corporate crime, empirical vs prescriptive research; Q9222

corporate crime, restitutionary penalties advocated; Q4371

corporate crisis situations, financial institutions'/finance capital's behavior; Q9790

corporate giving officers, professional networks, member proximity; interview survey; Saint Paul/Minneapolis, Minnesota; Q5370

corporate management ascent/success; higher education credentials/stratification; *Fortune* 500 data; US; Q7565

corporate political action committees; Q9718

drug approval process/regulations, US/British pharmaceutical industries; R1173

elite graduate business schools, corporate recruiting practices; questionnaire survey, interviews; R0261

entertainment choice, corporate organizations, tastemaking as social communication; ethnographic data, participant observation; entertainment production firm, Chicago, Illinois; R0227

established vs emerging firms, biotechnology field, strategic choices/options; R0470

executive succession, high- vs low-performing microcomputer firms, determinants/effects; Q9753

hostile corporate takeovers, US, institutional integration; business periodicals, interviews, congressional hearing transcripts; Q5196

industrial research/development, corporate transformations; Q9727

innovation adoption, large firms, planning strategies/approaches; US/Japan/Europe; Q9742

interlocking directorates, US corporations, power/control dynamics; Q7789

internal promotions, managerial decisions; employee seniority vs ability; telephone interviews; managers; Q9737

Japan-based research/development facilities, US computer firms, establishment/management; Q9756

job-based alcoholism policy, constructive-confrontation strategy; interviews; corporate managers, US; Q7742

lawyer-chief executives, US, career characteristics/"inner group" membership; secondary data; Q8100

legal departments, indigenous vs US subsidiaries, Japanese trading/manufacturing corporations; Q9739

life insurance organizations, failure rates, 1881-1931; regulatory changes; event histories; S19038

local-level corporate inner circle, knowledge/attitudes/organizational memberships; interviews; corporation directors, Louisville, Kentucky; R0069

mental health problems, workplace, corporate coping strategies; interviews/questionnaires; businesses, Los Angeles, California; R1171

organizational/management structure, large-scale Japanese companies; 1920-1940; Q9225
pesticide regulatory process, corporate interests' domination; case study; R1030
private/social capital transition, I. M. Singer Company, coporate control issue; case study; Q9716
professional groups, corporate system; Q3329
substance abuse, employee assistance programs, employee vs management perceptions; organizational/program structure; questionnaire, interviews; corporation employees; Q9747
technological discontinuities/transition, corporate survival; Q9724

Corporatism
agricultural policy, GB, corporatist arrangements; Q5409
centralized bargaining system, trade unions/employers/state relations, Sweden; Q9965
collective bargaining process, Western capitalist economies, state neocorporatism; Q8006

Franco regime, Spain, corporatist ideology/institutions; 1939-1975; Q7982
labor relations, GB/West Germany/Italy/France, corporatist model; Q7717
national science policy, Sweden, sectorialization/corporativism; Q3538
organizational commitment/work satisfaction, Japanese vs US workers, corporatist theory; interviews, questionnaires; Q6607
organizational culture/symbolism, corporatism, sociological interest; Q9752
social/political structure, democratic vs socialist Spain; 1977-1982; Q9995
state-business relationship, privileged-position thesis; case study; Employment Act of 1946; Q9957
state/society interest intermediation, corporatist development, Hungary; economic dependence; historical/empirical analyses; S17700
women's labor market position; corporatist states' economic policy; Japan, Sweden; World War II-present; S17887

Correctional Personnel
helping prison inmates, guard subculture as impediment, group dynamics; Q4022
job stress/burnout, probation/parole officers; survey questionnaire; Alabama; Q3720
job stress/satisfaction, prison staff; organizational/individual characteristics; scale questionnaires; New York; Q7672
prison informers' profile; participant observation, interviews, prison records; Johnson Unit, Texas; Q4025
prison officers, behavior/problems/perspectives; interviews; Massachusetts; Q8081
sentencing recommendations; intentions/attitudes/beliefs, probation officers; questionnaire; New York; Q3116
sociotherapeutic treatment program, prison inmates/guards, evaluation results; questionnaire; Q8431

Correctional System
adult correctional policies/practices; Quebec, 1960-1985; Q6900
correctional system privatization, prisons for profit, constitutionality/liability/cost issues; R0418
corrections field, employment opportunities; Q8925
corrections, rehabilitative efforts; major social institutions' changing trends, possible futures; Q4028
criminal convictions, France, social characteristics, sanctions variation, penal justice impartiality; 1978 statistics; Q4373
criminal justice policies, change process, societal reform; Q7103
criminal justice system, US; symposium; R0423
criminology, theoretical orientation/criminal justice system changes, clinician's role; Q7100
death row population, correctional system options; Q6898
decarceration movement, rhetoric vs practice, England/Wales; Andrew Scull's *Decarceration*; Q5664
fear of crime, sentencing attitudes, women/elderly; social status; public opinion survey; Colorado; Q7885
federal prison, disciplinary problems; inmate security level classification; medium-security prison file data; Q4023
first-time offenders, US Army, rehabilitation method, resocialization process reinforcement; Q4031
penal economy, France; historical development; R0419
penal sanctions, minors, France; 1958 civil ordinance, "ward of the court" status; statistics; Q4397
prison conditions/programs, US vs Scandinavia; mailed questionnaires; prison administrators; Q6912
prison development, correctional theories, US; historical documents; 1600s-present; R0408
prison work programs, policy issues; Q4032
prison/correctional system, Oklahoma, 1967-1983; R0411
probation correctional policy, California; Q6911
Punishment and Welfare: A History of Penal Strategies by David Garland; review essay; Q8416
social science research utilization, policy decisions, state correctional department; case study, structured interviews, agency records; Q6905
women prisoners, Australia, unequal/inadequate correctional policy/practices; Q8423

Correlation
attitudinal/behavioral inconsistency, dispositional dependencies, latent variable model criteria, statistical tests; Q9292
path analysis, multiple-partial standardized regression coefficient; Q9286
systems properties measurement, ratio correlations; Q2923

Corruption
black market activity, stealing, economic corruption, Eastern Europe; Q9441
Capital Corruption: The New Attack on American Democracy, Amitai Etzioni; review essay; Q6716
political corruption, public attitudes; telephone interviews; registered voters, Oklahoma; Q8919

Cosmology
cosmology's history/development/progress; Q6236
Yoruba human/universe conceptions, Christian influences; Nigeria; Q5049

Cost Containment
later retirement policy, voluntary vs Social Security benefit reduction approaches; Q8922
public sector productivity, 20th-century bureaucratization; Q9437

Costa Rica
Costa Rica/Nicaragua relations, foreign policy; press sentiment changes; pre-/post-Sandinista revolution, 1979; S18770
democratic political/social stability, Costa Rica; antimilitarism, state monetary policies; other Central American republics comparison; S17920
housing shortage/policy, Costa Rica; Q6280

Costs
cost-benefit techniques, environmentally sensitive projects; Q7152
home ownership expectations/commitment, university students; interview survey; San Diego, California; R0990
medical care, cost containment, rationing strategies; Q4249

Councils
Presbyteral/Pastoral councils, Belgian Catholic dioceses, functions/membership; Q5642

Counseling
AIDS, anthropological counseling program; case study; San Francisco, California; Q4266
Christian lay counseling service, evangelical church; participant observation, interviews; Q8344
Employee Counseling Program, Oklahoma Natural Gas, evaluation model; R0894
genetic counseling, interdisciplinary team approach, US/Australia; interviews/observations; genetic counseling sessions, staff meetings, medical/nonmedical genetic counseling team members; S18913

Countercultures
anarchist youth culture's characteristics, Greece; underground press newspapers/magazines; content analysis; S18649
child socialization, alternative school; S17531
countercultural phenomena, sociological approaches; Q2995
elite/traditional/commercial/alternative cultural currents, Federal Republic of Germany; Q4829
New-Age Romanticism as social movement, characteristics/symptoms/reactions; Q4430

Western counterculture movements; bourgeois mass media cooptation, T. Rozsak criticized; Q4926
youth counterculture/social context relationship; postindustrial societal change; Q5205

Countermovements
countercultural youth movement, Switzerland, work ethic rejection; Q4114

Counties
black county-level political participation; 1965 Voting Rights Act; questionnaires; attorneys, NAACP officers, local officials, Georgia; Q5324
county-level public service organizations, Washington; budget changes; survey; agency administrators; R0950
socioeconomic conditions, US counties; differentiated farm/industry structures; 1969/70, 1978/1980; S18869

Countries
citation practices; discipline, nationality; journals; Q7359
clinical medicine research, mid-size countries; scientometric indicators; Q8476

Couples
daily life organization, French couples; wife's work; questionnaire; R0646
dating violence experiences, college students; R0639
domestic violence, married/unmarried/dating/divorced couples; police reports; Q9087
family behavior, husbands' vs wives' perceptions; survey; Switzerland; 1980; R0629
genital herpes, dyadic relationships, patterns/treatment strategies; case studies; Q8749
human mating behavior, assortative mate similarity pattern; psychometric studies, married couples; Q4853
intimate heterosexual relationships, commitment/maintenance/dissolution stage characteristics; questionnaire; university students, Canada; S18102
intimate heterosexual relationships, emotional experience/expression; survey; college students, Wisconsin/Oklahoma/Hawaii; Q7539
marital division of labor, husbands'/wives' expectations/perceptions/performance; interviews; Hamilton County, Ohio; R0628
marital functioning, US Navy couples; separation periods, gender/locus of control; Q8665
marital satisfaction assessments, modern vs traditional couples; equity/equality/reward level; questionnaire; Q9494
premarital relationships, students; equity/equality/reward levels; questionnaires; US; Q8584
problem-solving dialogue, harmonious vs disharmonious couples, information theory approach; conversation analysis; R0661
relationship stability, behavioral antecedents; interaction ratings; couples; longitudinal study; Q4173
relationship termination explanations, real vs cover stories; questionnaire; East Carolina University, North Carolina; Q4876
self-disclosure, single- vs dual-career married couples; Taylor-Atlman Intimacy Scaled Instrument; R0650
socioeconomic achievement, white couples, US; family size; surveys; S19049
spouse/marriage, couples' perceptions; marriage enrichment course; scales, inventories; Q8640
stress levels, child abusing vs nonabusing couples; questionnaires, scales; Q8672

Coups d'Etat
Latin American military coups, state's strength/weakness; Q5117
military coup d'état, Chile; corporate groupings; 1973; Q3603
military coups, South America, armed forces-society relationship; literature review; Q7981
military establishment/coups, Latin America; book review; Q3531
Nigerian coup, 31 December 1983, class analysis; Q5299
Paraguayan 1904 revolution, socioeconomic roots/British reaction; Q9967

Courses
senior undergraduate social policy course, action-oriented teaching approach; R0238

Courts
child protection legislation, Yukon Territory; Q8560
civil litigation, political dimensions; case samples; St. Louis, Missouri; 1820-1970; Q5668
courtroom gender bias/sexist attitudes, female lawyers' professional status denigration; R0366
criminal courts, public perceptions; demographic/attitudinal variables; poll; US; Q7882
family courts, British Columbia, conciliation/mediation service; Q8382
intercourt precedent communication, state supreme courts; case citation records; Q5660
probation officer's presentencing report, recommended changes; Q6870
public education litigation, history/trends/phases; case records; Saint Paul, Minnesota; Q5588
republican free labor conception, federal courts' vs labor movement's interpretations, post-Civil War; Q8379
small claims courts, litigant satisfaction vs legal adequacy; trial narratives; North Carolina/Colorado; Q6886

Courtship
changing marital ideals, courtship behavior, male vs female Israelis; content analysis; classified newspaper advertisements; Q4886
couples' relational development, conversation's role; content analysis; Harlequin romance novels; Q9453
courtship/marital violence patterns; questionnaries; women; Q5974
human male courtship behavior, normal vs anomalous patterns; Q8588
unpleasant/aggressive/abusive courtship activities, Mormon vs non-Mormon college students, religion/conformity nexus; questionnaires; Q3176
women's nonverbal courting behavior; social context; experiment; white adult females; Q5890

Crafts
amateur craft-artists, leisure role marginality; mail questionnaire surveys; Q3666
craft media objects, creation/sales resurgence, styles/conventions; interviews; artists, buyers; Q3828
craft media workers, orientations/conventions; questionnaires; R0226
craft media workers, sales-generated income, success factors; national survey; Q3696

Creationism
fundamentalist creation-science's attack, evolution-science, school curriculum; Q8462
sex-role ideology, development/maintenance, religious creationists' vs social Darwinist evolutionists' views; Q9183

Creativity
artistic expression, Works Progress Administration vs Comprehensive Employment & Training Act programs, social control issues; Q6795
imagination, creativity; Q8226
individual originality; minority vs majority views exposure; experiment; undergraduates; Q3807
literary creative process, alcohol's role; interviews; Finnish writers; Q5512

Crime
aboriginal alcoholism/alcohol-related crime, rehabilitation issues; R0799
adult criminals, risk assessment/prediction; juvenile criminal behavior; secondary data; Racine, Wisconsin; R0876
alcohol use-property crime relationship; criminal/drinking histories, interviews, biographies, case materials; prison inmates; Q8916
child's subsequent criminal behavior; parent-child interaction; questionnaires; student offenders; Q7570
cocaine trafficking, street gang members' involvement, law enforcement/research implications; S19272
constancy of crime hypothesis, Plymouth Colony, Massachusetts; 1633-1679 historical data; Q4378
corporate crime, empirical vs prescriptive research; Q9222
corporate crime, restitutionary penalties advocated; Q4371
crime deterrence policy, Zambia; statistics; R0371
crime diffusion/mobility, metropolitan areas; economic-theoretical approach; Q6184
crime fear, interneighborhood comparison; telephone interviews, observation; San Francisco, California; Q8927
crime persistence, social/economic factors; R0869
crime prevention policy formulation, critical criminology's contribution; Q9038
crime problem, liberation theology solution; 3-book review essay; Q4376
crime rates, age patterns; under-/unemployment; aggregate Federal Bureau of Investigation/survey data; Q8913
crime seriousness rating, value importance, social-psychological measurement; magnitude/categorical scaling methods; experiments; university students; Q7513
crime seriousness surveys, public/police ratings compared; interviews, questionnaires; England, Wales; Q4383
crime surveys, cross-national research; Q8434
crime victim-precipitation research, consequences/benefits; Q4385
crime victimization; neighborhood/individual characteristics; National Crime Survey data; 1973-1975; Q8932
crime victim's rights, Declaration on the Protection & Assistance of Victims of Crime; Q6895

crime, James Q. Wilson's conservative analysis critiqued; Q4377
crime, preindustrial societies, critical criminology vs modernization theory; Q6189
crime/delinquency, USSR, socialist vs capitalist nations; statistics; Q6204
crime/deviance, structural vs action perspectives; Q9526
crime/law, GB, neostructuralist Marxist views; 6-book review essay; R0389
criminal activities, Italy, economic importance; R0861
criminal activity, female narcotics users; 2-stage interview study; Miami, Florida; 1977/78, 1983/84; R0801
criminal career, mid-life abandonment; interviews; former/imprisoned career offenders; Q8893
criminal choice process, deterrence factors, older offenders; individual-level data; S18900
criminal income, narcotic addicts, black vs white men; interviews; Baltimore, Maryland; Q4387
criminal offense, children's justice sense; crime type/category; questionnaire; students aged 7-12; Q4108
criminal offenses, perceived seriousness; survey instrument item order; questionnaire; undergraduates; Q7236
criminal specialization, hard-core heroin addicts; life-history interviews; Q8850
criminal violence, bio-/socio-/psychological perspectives; rural/urban India; Q6315
criminality, causation/control, integrated model, political/social/economic variables; Q8912
criminality, heroin users, gender differences; Q8847
criminality/religiosity relationship, research studies analyzed; Q4379
criminalization patterns, India; socioeconomic change; S19229
criminalization process, individual/society relationship, theoretical/research perspectives; Q8424
criminology theory, mental imagery concept; S19137
criminology/penology theory, Peter Kropotkin's contributions; Q8934
dacoity crime problem, India, social structure/conflict issues; Q6200
delinquent behavior, socioeconomic/social-psychological causes; Q7098
deterrence/rational choice model, research limitations; interview data; potential criminal population; Q6888
drug use/crime rehabilitation, noninvolvement process; case study; Q6201
drug/alcohol-crime relationships, youth/young adults; recent research reviewed; S18910
gambling swindles, schemes'/victims' characteristics; court transcripts, police records; R0877
Georgian Jewish immigrants, Israel, adaptation/criminality; Q9535
gun ownership, crime attitudes; racial prejudice, white males; interviews; Detroit, Michigan; Q6206
humanistic criminology, conceptual issues; Q8924
imprisoned property offenders, emotionality/criminal behavior; interviews; Q3101
males' criminality/incarceration; prisoners' wives' interpretations; interviews, prison records; Q7479
mentally ill, crime patterns; observation; police-citizen encounters; Q6098
nonfamily criminal activity, adult offenders; parental vs parent-child conflict; scales; Q8923
personal crime occurrence/reporting, males vs females; 1982 British Crime Survey; R0883
political vs ordinary offenders, theoretical/policy implications; S19206
postdischarge police contact, not-guilty-by-reason-of-insanity clients, Oregon Psychiatric Security Review Board's decision making; R0759
postfrontier transition, US West, vice's role; historical data; Montana; S18844
property crime rate, Australia; heroin use; interviews; prisoners, New South Wales; R0790
psychosocial maladjustment/alcohol abuse/criminality, white vs native Alaskan criminal offenders; rapid cultural change; clinical files, court data; R0770
social history, legal records; 4-book review essay; Q3973
structural crime, political/economic organizations, Finland; S19188
Third World crime research, "political-economy/dependency" model proposed; National Criminal Justice Reference Service articles content analysis; 1960-1979; Q6188
tourism/crime rate relationship, Honolulu, Hawaii; R0864
urban crime; spatial/structural determinants; crime statistics; midwestern city, US; S17532
urban larceny arrests, white vs nonwhite males/females; arrest/census data; US; S18973
violence, offender justification; case records; incarcerated males, New York; Q7096
violent crime rates; inequality, regional culture; survey/other data; Q4510
violent criminal behavior, Erving Goffman's "character contest" notion critiqued; Q4372
Wilson, James Q., *Crime and Public Policy*; book review essay; Q6179
women declared incompetent/insane, histories/rehospitalization/criminal recidivism; case/hospital records; R0768
women/crime relationship, sociology vs criminal justice graduate curriculum; questionnaire, course syllabi; Q4729
women's criminality, gender-based personality theories; Q7517

Crime Prevention

adult criminals, risk assessment/prediction; juvenile criminal behavior; secondary data; Racine, Wisconsin; R0876
armed robbery prevention techniques; interviews; shopowners, Montreal; Q6195
arrest certainty, crime control, conflict/production function models; crime statistics; Q5666
burglary vulnerability, residential design/territoriality; Q5442
crime opportunity perceptions, expert/novice shoplifters; tape-recorded verbal protocols; R0881
crime prevention approaches; Q8389
crime prevention measures, police-community relations, Israel; interviews; Q7097
crime surveys, cross-national research; Q8434
criminal recidivism; early prison release; clinical vs statistical prediction methods; Israel; Q6901
death by injection, social significance/philosophical roots; Q8432
delinquent acts; severity/certainty of punishment, moral beliefs, self-esteem; questionnaires; adolescents; R0863
drinking-driving, GB, legal sanctions' deterrence impact; surveys; Q6146
life-without-parole sentencing, Habitual Felony Offender Act, Alabama, effectiveness/consequences; case studies; prison inmates; Q8433
longer prison sentences, deterrent effect; secondary data; Q8427
mandatory crime reporting/bystander assistance legislation, Kentucky, legal conflicts; Q7490
robbery rate, Canada; police action; national statistics; Q6185

Crime Rates

aggregate crime rates, US; demography vs criminality; S18959
arrest rates, age-period-cohort models; US; 1970-1980; R0867
black vs white imprisonment/arrest rates, northern vs southern states; historical/cross-sectional statistics; R0412
block crime, residents' fear; defensible space, local social ties, territorial functioning; surveys, police records; Baltimore, Maryland; Q8933
crime diffusion/mobility, metropolitan areas; economic-theoretical approach; Q6184
crime patterns/rates, US vs other industrial nations; Q6199
crime rates, England/Wales, spatial variation; R0882
crime rates, spatial aggregation levels; official statistics; R0878
crime rates, US vs India; social stratification systems; Q6203
crime rates, West German cities; unemployment/poverty/other factors; S19154
crime/suspension rates, public schools; school/community characteristics; Boston, Massachusetts; R1063
crime; punishment policy theory/implementation, institutional trade training; historical analysis; North America/Europe; Q6899
criminal justice, crime control, Nicaragua; Sandinista Popular Revolution/government-prioritized causal factors; official statistics, 1980-1984; Q5670
criminal specialization, hard-core heroin addicts; life-history interviews; Q8850
criminal statistics, 19th-century Germany, functions/collection; R0873
criminal violence; violent television exposure; population aggregate surveys; R0870
delinquency rates, India; family social control; S19220
elderly crime victimization rate, "differential exposure" hypothesis; British Crime Survey; Q6159
falling US crime rates; demographic changes, imprisonment increases, community attitude changes; Q6198
female juvenile violent crime rates; age, intelligence, education, family structure, geography; incarcerated delinquents; Louisiana; Q4398
homicide arrest rates; sex differences vs other social-structural correlates; strain theory, cross-sectional data; Q6193
homicide rates, analytical problems, measurement strategies/aggregation levels/ratio variables; R0871
homicide rates, cross-national comparison, demographic factors; Q6182

interracial marriage/crime rates; social structure; census data, National Crime Survey; US cities/SMSAs; Peter M. Blau's theory tested; Q8698
intra-/interracial robbery victimization rates, economic deprivation vs macrostructural opportunity theory; Q8929
longer prison sentences, deterrent effect; secondary data; Q8427
murder-larceny offense pattern, rich vs poor nations; cross-cultural crime data; 1976-1978; Q7105
race/crime correlation, Australia's experience; critique/reply; Q4389
robbery rate, Canada; police action; national statistics; Q6185
rural crime victimization experiences/perceptions/fears; questionnaire; residents, Kentucky; S17469
survey responses vs external records correspondence, victimization reporting validity; residents, victims, Illinois; Q2906
urban vs rural crime rate, India; opportunity structure; government statistics; 1976-1978; Q5448
violent crime rates, Caribbean nations; secondary/official statistics, police records; comparative analysis; Q6176
violent death rates, US black community, assessment/correlates, cross-national perspective; S17767

Criminal Justice

community college students, university transfer preparation; Philadelphia, Pennsylvania; Q4716
curriculum development, Philadelphia, Pennsylvania high school; middle class market/constituency pressure; case study; 19th century; Q8266
curriculum enrollment patterns, public/private secondary schools; gender/ethnic/social class differences; case study; Providence, Rhode Island; 1880-1920; Q3867
curriculum placement, comprehensive school students, Belgium; educational achievement; secondary/survey data; Q8239
development plans/multiethnic unity, Malaysia, role of curriculum planning/implementation; Ministry of Education documents, government policy statements, minutes, interviews, surveys; non-Muslim students; S18309
English literary studies, Indian university curriculum, sociocultural implications; S18536
fundamentalist creation-science's attack, evolution-science, school curriculum; Q8462
general education concerns, US colleges/universities; survey data; chief academic officers; Q8243
introductory sociology education, curriculum topics; Q4693
introductory sociology education, student demographic trends, curriculum content; Q4715
new information technology/its effects on the curriculum/social values/socialization; S18111
political/social science teaching, West Germany; curriculum changes; Q7311
school curriculum policy formation, racism issue's marginal status; educational goals/decision making, political context; S17581
secondary school knowledge, justification/legitimation, curriculum committees' methodology; English/Canadian publications; Q5550
social problem education, teaching/curriculum models; R0273
social problems/English composition, team-taught course; Q7290
sociology of science curriculum development, social/theoretical knowledge structural contexts; Q6467
teaching sociology, study skills training supplemental instruction; course records; students, University of Missouri, Kansas City; Q4717
two-year nurse education programs, junior colleges, diffusion/adoption process; environmental/organizational factors; census, documents, interviews; Q8071
undergraduate college curriculum development, criminology example; Q7285
women's/men's studies program, University of Southern California, multidisciplinary/cross-cultural approach; Q9110
youth education, obligatory curriculum's/knowledge's value; Q5852

Customs
aperitif custom, ritual meaning; Q9531
marriage customs changes, Lingayats; kinship/caste relations; southern India; R0609

Cybernetics
institutional structures analysis, cybernetic concept; Q7408
knowledge, cybernetics model, holograph concept; Q4818
management/social technology, cybernetics application; R0480
vicious circles, organizations, action theory/cybernetic concepts; Q5129

Cyclical Processes
aging policy trends, England, cyclical theory of social relief; 12th-19th centuries; Q8908
menstruation, cyclical renewal model, symbolic/ritual aspects; Q8771

Cynicism
cynical attitudes, sociological explanation; Q7420

Czechoslovakia
birth order/number of siblings, sexually dysfunctional/delinquent males; interviews; Czechoslovakia; Q8624

class/social structure, Czechoslovakia, methodological issues; 1984; Q5342
Czechoslovakian youth, post-World War II changing social/employment conditions; Q5838
Czechoslovakian youth, social development; 1945-present; Q5834
Czechoslovakian youth, social reproduction potentials; Q5860
economic/social development, Czechoslovakia; planning system; Q9012
housing shortages/policies, Budapest, Hungary/Prague, Czechoslovakia/Warsaw, Poland; S19155
labor force participation, Czechoslovakian youth, determinative factors; Q8592
physical activities, preschool children, Czechoslovakia, family's influence; Q5799
physical training activities, preschool children, Czechoslovakia, family participation; Q5798
polyphonic novel, Mikhaïl Bakhtin's dialogic structure theory, Milan Kundera's work; S18596
productivity, Czechoslovakia/Eastern Europe; income inequality; statistics; Q6736
public opinion surveys, Czechoslovakia; Q3445
religious faith, sociological research, methodological problems; national questionnaire survey; Czechoslovakia, 1980; Q8319
Roucek, Joseph S., Czechoslovakian social science pioneer; Q7300
Slovak film audiences, culture/involvement; survey; S19250
social planning, foreman managers' role, sociology's influence, Czechoslovakia; S18120
social planning, management uses, Czechoslovakia; S18119
social programs/science interrelationships; Czechoslovakia; S18316
social structure transformation model, Czechoslovakian youth; Q5837
sociology profession, East Central Europe; S19167
sociology, Czechoslovakia; 1960-1970; Q3004
socioprofessional formation, Czechoslovakian university students/graduates; Q5829
time budget research, Czechoslovakian youth; Q5875
value orientation, Czechoslovakian students; social changes; Marxist sociology perspective; Q8585
work/leisure time allocation, Czechoslovakia, sex/class differences; surveys; Q5105
working collective, Czechoslovakia, youth participation; Q5828
world outlook, Czechoslovakian youth, operationalization/typologies; Q5872
young technical intelligentsia, scientific/technological development, Czechoslovakian perspective; Q5848
youth/society, Czechoslovakia; Q5836

Dahrendorf, Ralf
freedom-utopia relationship, Herbert Marcuse's vs Ralf Dahrendorf's theories; Q4734

Dairy Farms
farming task organization, economic/institutional environmental interactions; dairy farms, Emiglia Romagna, Italy; Q3742

Dance
dance/rhythm, preserved African influence, Sea Island communities, Georgia/South Carolina; Q5044
dance's social importance, blacks' cultural identity, US; Q5507

Darwinism
biological/evolutionary persepctives, social sciences; 2-book review essay; R0546
cultural evolution, genetics' role, Darwinian theory vs sociobiology; comment/reply; Q7436
Darwinian evolutionary theory vs Karl Marx's historical materialism as theories of history; Q9206

Data
drug addiction statistics, GB, 1983 Home Office Statement interpreted; Q4268
"facts", legal/sociological conceptions compared; Q6872
quantitative data presentation, ethnographic reports; Q2898
Saramakan (Surinam) leader's life, 19th century, anthropological reconstruction; archival/oral data; Q4617
social network data accuracy, self-reports vs behavioral observation; university employees, fraternity members, restaurant customers; Q5145
statistical errors, 1980 CPS panel study; Q6451

Data Banks
comparative law database, Europe, conceptual scheme/framework; Q5680
data modeling procedures, relational data base management, social science utility; Q6506

Data Collection
cross-national surveys, design/methodological/analytical considerations; national surveys; S18134
girls' educational choice, social background's influence, data collection methodology debate; Q3860
immigrant studies, data/statistics sources, description/classification; US; recent studies reviewed; Q4664
information systems use, self-reported vs system-monitored measures; Q2897
interview training, survey data quality improvement; fieldwork; trained/untrained interviewers; Q6442
panel data derivation, US Census annual demographic file, Bureau of Labor Statistics' rules; Q4671

Data Processing
contract law, data processing context, Italy; Q3958
cultural variety, data processing application; Q4047
data coding procedures, grounded theory research style; S18627
employment rates, commercial-administrative branch; service industry; communication/data-processing technology; Q5069
labor productivity, data-processing technology effects, German Democratic Republic; Q9250
women's home-based computer-related labor, pros/cons/future trends; S17845

Dating (Social)
adolescents' dating behavior; family structure/relationships, personal attributes; questionnaire; Q5824
date rape justifiability; dating activity/circumstances, male's attitude toward women; vignettes; male undergraduates; Q8594
dating violence attitudes, US college students; questionnaires; R0593
dating violence experiences, college students; R0639
dating violence perceptions/involvement, college students; gender; questionnaire; Q8621
dating violence; sex-typing; self-report questionnaire/Bem Sex-Role Inventory; college students; Q7162
family/dating violence experiences, high school students; questionnaire; Michigan; Q5857
love expression/decision-making patterns, gender differences, dating relationships; questionnaire; university students; Q7019
newspaper personal ads, relationship development; mail questionnaires, interviews, content analysis; West Germany; Q9869
relationship termination explanations, real vs cover stories; questionnaire; East Carolina University, North Carolina; Q4876
sexual norms, dating relationships, college students; interviews, questionnaire; Q4152
verbal/physical/sexual dating violence, college students, estimate variance; gender; questionnaire; Q9096

Daughters
daughters' educational orientation/self-confidence; mothers' education level; interview; young females, Egypt; Q6804
daughters' marijuana use, mother/peer group context; father's impact; questionnaires; college females, fathers; Q4115
mother/daughter life histories, family relationships, Grand Bank, Newfoundland; S18420
teenaged daughters of spouse-abused mothers; interviews, case records; S17485

Day Care
Alzheimer's disease, hospital day care program/workers; participant observation; S18949
child abuse/neglect, day care centers, Nigeria; Q8578
infant caregiving practices, employed/nonemployed mothers vs day care sitters; scales, observation; Q6954

Deaf
deaf workers, US, socioeconomic status; census/survey data; Q9635
hearing educators vs deaf parents, deaf children's school; cultural conflict; field research; Q5533

Death
abused children's deaths, legal inquiries' effect, social workers' role; comments, response; UK; R0566
alcoholics' violent deaths, alcoholism treatment; clinical records; Missouri, Illinois; Q6111
analgesic drug-related deaths, white vs nonwhite ethnic differences; medical file data, interviews; Los Angeles County, California; Q4881
ancesterhood concept, death/dying rituals, Sierra Leone; Q7030
brain death criteria, logical vs natural sufficiency/necessity; Q4222
coping abilities/mechanisms, widows; husband's home hospice vs hospital death; scales, inventories, interviews; Q8728

death during birth month; stress, special occasions; US National Mortality Survey data; Q4067
death management, religion vs thanatology; Q6849
death symbols, phenomenological analysis; Q8724
death, tribal societies, ritual/emotional dimensions; Q7036
husbands'/wives' death timing; significant dates; cemetery records; Pine Bluff, Arkansas; Q5059
Images of Man and Death by Philippe Ariès; review essay; Q8725
near-death experiences, R. A. Moody's model; Q4217
near-death experiences; cluster analysis; Q5994
Western thanatology, Soviet Marxist critique; Q4218

Death Attitudes
cancer discourse, modern clinical context; ethnography; Quebec; Q7051
carnival practices, death themes, southern France vs Berbers, North Africa; Q7926
cemetery visits, frequency, age/gender/death fear correlates; questionnaire; undergraduates; Q7028
children's death concept, Jews/Christians/Moslems/Druze, Israel; environmental factors; questionnaire; Q5793
children's death images, socialization process; psychological studies; cross-national analysis; Q8729
death anxiety, religious correlates; questionnaire; high school students; Louisiana; Q8590
death attitudes/rites, socioanthropological analyses; 3-book review essay; Q5995
death concepts, self-sacrifice ethic; R0930
death perceptions/cults, ancient/late antique Judaism; Q7130
death-dying, Western vs traditional attitudes/methods; case study; village, Hungary; Q7029
death/dying attitudes, women; feminist/religious beliefs, parental status; questionnaire; R0711
death/dying idealization, psychoanalytic interpretation; personal teaching experience; Q4904
early death desires, terminally ill patients; interviews; Q7024
life/death category separation, old people's home; staff/residents, England; Q7046
maternity/childbearing experiences, US women, 19th-early 20th centuries; medical sources, letters, diaries, autobiographies; R0731
religiosity; death anxiety; questionnaire; residents, Quebec; Q6845
suicide attitudes; age, sex, cognitive development; questionnaires; adolescents, North Carolina; Q4219
suicide lethality, clergy's knowledge/attitudes; questionnaire; Protestant/Catholic/Jewish/Eastern/nontraditional religious leaders; Q4213
suicide, imagined 21st-century developments; Q4221

Death Rituals
ancesterhood concept, death/dying rituals, Sierra Leone; Q7030
death attitudes/rites, socioanthropological analyses; 3-book review essay; Q5995
death, tribal societies, ritual/emotional dimensions; Q7036
death/dying concepts, Xhosa (western Africa) funeral customs; Q7027
deathbed sorcery accusation, Maya people, Madang Province, New Guinea, social change issues; case study; Q9783
medical treatment as death ritual; ship's crew, Germany; Q7026
"mourning" ritual, Spiritual Baptists (West Indian Christian sect); self-report symptom inventory; Q7058

Debate
academic debate, emergent voting criteria; Q7402
anthropological issues, Eric Wolf/Maurice Godelier debate; 1985, Amsterdam, Netherlands; Q6499
Buddhist religious scripture interpretation, "dGe lugs pa" sect method, Tibetan debate; Tibetan refugees, US, Nepal, India; Q6838
undergraduate college curriculum development, criminology example; Q7285

Debts
debt crisis, developing countries, multinational banks' role; S19237
debt crisis, "Fourth World", international implications; Q7815
debt crisis, Third World; 1970s; Q3602
foreign debt, Latin America, political/social impact; Q9785
political/economic crisis, Latin America; Q9792

Decentralization
agricultural markets, decentralization/informalization strategies, advanced Western societies; S17679
decentralization program, Swedish communes; Q3517
decentralization/accountability, US educational system; S17640
demography/transportation/energy use, decentralizing cities; secondary data; London, England/Paris, France; Q5465
economic centralization, social integration; computer technology; S17713
health care system, self-management vs state control, Yugoslavia; article/comments/rejoinder; Q8794
intergovernmental relations; decentralization reform strategy, Switzerland; S18115
labor markets; capitalist development; household surveys; villages, England; Q3725
municipal/regional level decentralization, Europe; case example; Barcelona, Spain; Q9777
political decentralization, Denmark; 1975-1985; S19241
political decentralization, Peru, pessimistic/optimistic views; Q5322
self-help growth, US, society's decentralization tendency; social movements, higher education, autonomy; Q5298
state centralization, Portugal, 1974-1984; Q5288
urban development policy, US/UK vs India, decentralization/suburbanization; S18089
welfare state services, consumer alienation/dissatisfaction; questionnaire survey; GB; R1011
work organization, authority decentralization theory, Loi Auroux application, France; S17644

Deception
child abuse, Munchausen syndrome by proxy (parental disorder fabrication), diagnostic guidelines, clinical/legal actions; Q9220
imposture coping mechanism, varieties/features; case studies; Q9529

Decision Making
adaptive system behavior, mathematical model/computer simulation; Q9296
Bayesian decision theory, normative implications; Q9229
child gender preselection, biotechnological diffusion planning, ethical issues, public policy choices; R0671
collective human behavior, disaster situations, decision-making processes; Q5243
communication, content analysis techniques, decision-making utility; Q4660
community development, local decision-making autonomy; R0972
complex organizations' decision-making, symbolic interactionist vs negotiated order theory; case study; academic sabbatical leave committee; Q4845
complex/unpredictable self-organization systems, rational actor model, decision theory; S18526
confidentiality, academic personnel vs welfare clients/medical patients decisions; case studies; US colleges/universities; S18096
criminal justice processing, US; victim's gender/race; Q8405
cultural goods consumption, decision-making process; public television information system; survey; S18726
decision making under risk, entropy/cross-entropy principles, mathematical model; literature review; Q7561
decision making/consensus, Australian aborigines; tape recordings; S18174
decision making/family's influence, India; interviews, questionnaires; children/college students/adults; S18091
decisionism, action theory; Q3889
developmentally disabled, family placement requests, decision-making factors; case data; New York; Q8839
economic action, rational deliberation concept; R0936
employee unionization process, individual decision-making; secondary data; Q9691
energy technology development decisions, mathematical model; Q7281
environmental policy decision making, scientific research's roles, uncertainty arguments; Q7157
evacuation compliance, personal/family decision-making processes; Q4487
family food provision/distribution, decision-making patterns; interviews, diaries; women; Q8675
family migration decisions, US whites; wife's occupational status; national longitudinal surveys; 1967-1977; Q8551
family power/decision making, Portuguese women; "marbles test"; Algarve rural community; Q7171
farmers' production/marketing decision making, public/private information sources use; socioeconomic/other factors; Georgia; S17449
fertility decisions, low-income adolescents; psychosocial/economic factors; field studies; Alachua County, Florida; R0690
finite strategy cooperative nonsidepayment games, core solution; experiments; Q9295
frail infants, life-support requirements, parental decision making, ethical issues; participant observation; R0744
high technology adoption (CAT scanners), US hospitals; cultural/political/economic factors; case study, interviews; New England hospitals; Q8793
industrial firms' decision making; employee stock ownership plans; questionnaire survey; US; S18494

intrafamily decision making, older adults, husband/wife dominance; interviews; R0635
involuntary commitment, psychiatric emergency room clinicians' dispositions, rating instrument; Q8834
language use, medical geneticists, ethical decision-making process; gender, nationality, training; questionnaire; 19 nations; S19251
logic/decision-making processes, Japanese teenagers; computer games/learning; secondary data; Q5844
logical decision making, Karl Popper's theory-testing views; historical records, interviews; Q5714
love expression/decision-making patterns, gender differences, dating relationships; questionnaire; university students; Q7019
magistrates' decision making, truancy cases, GB; questionnaire; Q8384
management decision making, employee participation; cross-national comparison; Q6603
medical decision making, elective surgery, hysterectomies, risk perception; statistics; Q4274
medical decision making, infertility treatment; interviews; infertile couples, New York; S18904
migration decision/behavior, case study approach; Indian migration to US; S19166
migration decisions, metropolitan-nonmetropolitan migrants; economic vs noneconomic factors; northern Washington/Idaho; R0508
moral decisions, formal logic; historic concern; Q8987
negotiation/decision-making process, coparental relationships; interviews; separated/divorced mothers; R0620
new scientific knowledge, consensus shift, social patterning; case study; continental drift theory; Q8467
nursing home selection, social service workers' vs general public's criteria; Q7887
perceived decision-making influence, married/dating college students, sex differences; Q9179
political decision making, research coding procedure; Q6281
political/industrial decision-making process, USSR, women's influence/effectiveness; Q7671
quality of life evalutions, medical decision making, ideological variants; Q9017
race relations, Michael Banton's rational choice theory, methodological individualism, Hegelian vs Kantian approaches; Q9367
Racial and Ethnic Competition by Michael Banton; review essay; Q9586
racial/ethnic relations, Michael Banton's rational choice theory, value/disadvantages; Q9291
racial/ethnic relations, Michael Banton's rational choice theory; Q9548
racial/ethnic relations, sociopsychological vs rational choice explanations; Q9591
rational choice theory, utility arguments; S18179
rational decision making, guidance rules; Q6278
regulatory decision making, peer review procedure; Q5704
social science research utilization, policy decisions, state correctional department; case study, structured interviews, agency records; Q6905
state-level textbook adoption decision making, legislation objectives; statute content analysis; Q3874
technological decision-making model; S18460
tourist behavior, Dutch vacationers, situational approach; S18077
treatment acceptance, patients; risk presentation style; experiment; undergraduates; Q7047
universalism norm, US Congress; Q4806
urban political networks; leadership stability perceptions; interviews; US; Q5142
wives' decision making, family/job planning; future time perspective; interviews, questionnaires; young married women, men; Federal Republic of Germany; Q5925
women's health decisions, grounded theory methodology; Q5043
world's problems, decision-making techniques/requirements; Q6268

Decision Models
repetitive choice situations, discrimination vs satisfaction balance models; Q9293

Definitions
disease, recent philosophical definitions; Q2867
poverty, academic vs "street" definitions; personal experience, interviews; Q9078
social behavior, transformation concept, frame analysis vs negative keying definitions; Q4813

Deinstitutionalization
deinstitutionalization policy, mentally ill; psychotropic drugs; census data; 1946-1975; Q4293
juvenile justice policy, deinstitutionalization movement; official records; Q6904
mental health care inadequacies, deinstitutionalized mental patients, sociological approaches; historical reviews/empirical studies; community-based services, Honolulu, Hawaii; S18942
mental patients, late imperialist Russia, care/deinstitutionalization issues; Q6072
mentally ill deinstitutionalization, Community Mental Health Center/Medicaid programs; Q4292
mentally infirm elderly, Canada, deinstitutionalization/privatization trends; R0840
mentally retarded persons, deinstitutionalization impact, evaluation issues; Q8817

Deities
Pattini, Sri Lankan Buddhist deity cult; book review essay; Q3890

Delaware
metropolitan school desegregation, community impact; surveys; New Castle County, Delaware; Q9866

Delhi, India
migrant overcongestion, Delhi, India; planning strategies; S18441
migration process; social networks; survey data; migrant male household heads, Delhi, India; post-1965 arrival; Q5742

Delinquency
delinquency causation, adult misdemeanant probationers, Travis Hirschi's social control theory; case file data; Florida; Q3178
delinquency research, statistical analysis, causal ordering issue; comments/reply; Q6214
delinquency, strain theory; Q6210
delinquency/society relationship, Soviet criminological views; Q6191
delinquency/urbanization relation, rural/urban settings; USSR; Q7104
delinquent behavior, socioeconomic/social-psychological causes; Q7098
delinquent behavior; sanctions' perceived severity; questionnaires; high school students; Q6909
friendship patterns/relations, adolescent delinquents, gender/racial differences; interviews; Q8952
life histories analysis, young adult delinquents, social time; S18167
masculinity/delinquency relationship; questionnaires; high school students, Arizona; Q4404
school performance/delinquent behavior, containment theory; personality factors; questionnaire; delinquents/high school students, Texas; Q4916
social work, psychoanalytic assumptions, delinquency causes; case study; delinquent girl; Q6222

Delinquency Prevention
adolescent alcohol/drug users, formal social control programs; interviews; Q9524
adolescent development, problem behavior; R0682
criminal decision making; legal sanctions; panel study; at-risk youth; R0866
criminological theories/practices, plea bargaining/diversion processes; organizational constraints; Q7101
delinquency deterrence strategies, cost-benefit analysis; Q4449
delinquency prevention programs, benefit-cost effectiveness; client selection/treatment, program cost containment; Los Angeles County, California; Q8955
delinquency reduction; release/community service diversion vs traditional juvenile court; experiment; Q6902
delinquency suppression effect measures, generalizability question; Q6906
juvenile delinquency-school success relationship; preschool intervention; longitudinal interview/questionnaire data; low-income blacks; 1962/1972; Q6213
juvenile delinquency/crime causes, criminology research; R0899
juvenile delinquency; gender, school academic environment/discipline; questionnaires, interviews; high school students/principals/counselors; R0896
juvenile offenders/diversion status, official intervention process; court records, field observation; Florida; R0898
major criminal offense rate, at-risk vs convicted male youths, delinquent associations, community intervention program; experiment; Dublin, Ireland; R0908
Soviet delinquency, crime prevention/law enforcement practices; Q6202
youth crime prevention, social development model; R0902

Delivery Systems
conservation program participation; financial/technical/educational assistance, estimation guide established; S18816
interorganizational relationships/network structure; interviews; aged service delivery agencies, administrators/service providers; Q6625

undocumented immigrants, social work/policy issues, alternative service delivery models; research review; Houston, Texas; Q6941

Democracy

alienation, democracy's role, community question; S18401
bureaucracy vs participatory democracy, toxic waste management; environmental study data; S18935
bureaucratization-political democracy relationship; cross-national quantitative assessments; Q7953
Capital Corruption: The New Attack on American Democracy, Amitai Etzioni; review essay; Q6716
civil disobedience/nonviolent resistance, constitutional democracy, West Germany; Q7971
consumer-merchant relations/tensions, democracy; S18378
cultural decline/transformation, West vs East; Q9966
Dahl, Robert A., *A Preface to Economic Democracy*, future society, self-governing enterprises; review essay; Q3399
democracy development potential, People's Republic China vs Republic China (Taiwan); S17832
democracy theory, empirical/realistic vs neoclassical traditions, science-values relationship; S18599
democracy theory, empirical/realistic vs neoclassical traditions, "typical citizen" conceptualization; S18598
democracy vs planned development, nation-state role, India; empirical data; S17744
democracy, Argentina; political/economic factors; historical/sociological approach; S18739
democracy, individual rationality theories critiqued, collective identity theory proposed; Q3577
democracy, Latin America, survival vs political participation priorities; Q5293
democracy, Spain, armed forces' integration; Q5111
democracy/underdevelopment paradox, India, alternative explanations; S18799
democratic collapse, Portugal, world systems perspective; 1926; S19091
democratic development, Turkey, future prospects; S18372
democratic functioning, Spain; military corporatism; S18234
democratic political system, postcolonial Sri Lanka, ethnic minorities' participation/integration; Tamil/Moor communities; S18408
democratic political systems, political parties' role, authoritarian regimes' political motives; Argentina, Chile, Uruguay; S17802
democratic political/social stability, Costa Rica; antimilitarism, state monetary policies; other Central American republics comparison; S17920
democratic system, Third World; S17641
democratic transition, Latin America, political parties' roles; Q6724
democratic transition, Spain, post-Franco; labor movement; survey; plant-level leaders, Madrid/Barcelona; Q9656
democratization process, India, demoralization problem, corrective measures; S18374
democratization process/social movements, military regimes; Brazil/Argentina; S18725
democratization/development process, India; S17792
direct democracy/socialism/self-government concepts, historical contexts; S18450
economic growth/unemployment, national differences; rent-seeking behavior; industrial democracies; Q3598
economic stagnation, Fred Hirsch's "social limits to growth" theory; review essay; Q7837
hearing process, contemporary democracy, public participation/pluralist model; interviews, documents, ethnography, observation; Q9968
"institutionalizing" democracy, Brazil; S18455
local programming/media democratization, Norway; Q9872
management democratization; scientific-technical progress; S17674
Middle Classes in Dependent Countries by Dale L. Johnson (Ed); review essay; Q8043
militarization/arms build-up, Latin America, containment policies; Q8015
Mills, C. Wright, intellectuals, democratic societies; R0110
national democracy, internal changes; war; Q7956
participatory democracy, cable television's implications; Q3571
police duties, public expectations vs community needs; interviews; democratic countries; Q6871
political democracy, Taiwan; post-World War II; S17734
political democracy/economic inequality linkage; World Bank/international statistics; Q3607
political parties' emergence predictions, democracies; electoral system/cleavage type interaction vs institutional vs ideological approaches; M. Duverger's theories discussed; Q6728
political power, democratic structures; theoretical approach; S17780
political/social problems, Brazil; economic data; S18514
public enterprises/economic democracy; European countries; S18086
public sector ineffectiveness, autonomization/self-management solutions; S18241
radical democracy, Marxism's incompatibility; Q6402
redemocratization process, Latin America, antidemocratic economic policies; case studies; S17778
ritual pseudo democracy, the Polish case; S18305
social/political structure, democratic vs socialist Spain; 1977-1982; Q9995
special interest groups vs constituency representation; Q3539
"time democracy" electoral system, implementation problems; Q6699
totalitarianism, origins/ambitions/opposition, French Philosophical Society's 1939 lecture; comments; Q9944
utopianism/totalitarian democracy equation, J. L. Talmon's trilogy; book review essay; Q9958
values erosion, Western democracies, socialization/collectivization/education issues; Q5292
welfare state/property rights issues, liberal democracy theoretical crisis; Q7987

Demographic Change

aggregate crime rates, US; demography vs criminality; S18959
attitude changes, Japan; National Character Survey; 1953-1978; Q9798
birth/marriage/mortality/vegetative growth rates, Spanish provinces; R0535
city-suburban population redistribution; 1970s Current Population Survey; Q3779
decreasing birthrates, child violence; television ownership; UNESCO statistics; article/commentary; Q7900
demographic change, evolutionary implications; Q8553
demographic change, Japan, social/educational implications; Q7141
demographic characteristics/change, East vs Peninsular Malaysia; Q8538
demographic history, England, population homeostasis; Q4072
demographic history, Madrid, Spain; 1600-1850; R0157
demographic policies/statistics, Maoist regime; R0513
demographic transition, France; historical statistics; Q4204
demographic transition, Sicilian rural town; social class; archival/ethnographic/vital/oral historical data; 1850-1970s; Q5767
demographic trends, central Appalachia; economic changes; survey; households, families; Q4174
demographic trends, USSR; Q4079
demographic/socioeconomic structure, Gulf States; Kuwait/Qatar/Bahrain/Saudi Arabia/United Arab Emirates; S17528
famines, demographic impact, historical analysis; Q9074
fertility decline, 19th-century France; regional demographic data; Q4091
fertility rates, foreign-born women, US; survey; Latin-American-/Mexican-/European-/Asian-born women; Q5741
fertility, 19th-century Massachusetts, ethnic/occupational/rural-urban differences; census data; Q5778

poverty, modern welfare society; welfare benefit cuts, labor market redundancy; Denmark; S17557
research/development, Dutch scientific participation; document cocitation analysis; Q8468
sociospatial relations, Denmark, definition/model; Q9075
speech, schizophrenic adoptees vs controls/relatives, content analysis scale; Denmark; Q8825
unemployment/technological change, collectivist vs professionalist strategies, Danish unions; survey, interviews; S19222
white-collar unions, Denmark, professionalism strategy; Q7735
youth culture attitudes; participation/culture/education, mail survey, questionnaire; youth aged 16-19, Denmark; S18793

Denominations
denominational mergers, organizational identity issue; Scotland/Canada/Australia; S17664
political stance, religious denominational differences, US; questionnaire; Q7984
religion, US, denominational/sociological aspects, integrative/salvific functions; Q5612
religious practice/trends, Belgium; Q5628
sect/cult concept, Finnish revivalism; case study; S18003
Dentistry
preventive dental visits; health beliefs; national dental survey; US females; 1980; R0718
Denver, Colorado
residential segregation, *P**-type indices; blacks/Hispanics/Anglos, Denver, Colorado/Houston, Texas; 1970, 1980; Q9019
Dependency (Psychology)
elderly abuse; victim vs abuser dependency; interviews; Q9099
Dependency Theory
Canadian development, US penetration, mature economic dependency model; Q7830
clientelist political relationships, small Western town, US; historical/ethnographic data; 1835-present; R0980
developed/developing countries' relations; social sciences' prosperity/progress/development emphasis; S17552
economic development/dependency, Canada, sociopolitical perspective; Q3381
economic growth; export dependence; statistics; Q5170
elderly, social dependency theories, alternative approach; S18672
labor force transformation; economic development level, investment dependency; International Labour Office statistics; less developed nations; Q6646
new technology, dependency relations, developing countries; case study data; Association of South East Asian Nations; S18194
Third World cities, world-system perspective, urban policy; Q3388
Third World dependency, colonial domination, cultural/intellectual/educational consequences; S18557
urban primacy, national development; international economic dependence; panel data; R0162
Depression (Economics)
children's health status; 1981/82 economic recession, lost welfare benefits; statistics; Q4106
children's psychosocial well-being; parenting behavior post-economic decline; longitudinal data; Depression-era families; Q5792
Civilian Conservation Corps, community relations; correspondence files; 1933-1942; Q8010
economics crisis, 1930s, French economists' perceptions/attitudes; Q7806
fine art, regional/government influence; case study; Works Progress Administration Federal Art Project, Tennessee; Q8224
lifestyle satisfaction; recession; representative sample telephone interviews; citizens, Windsor, Ontario; S18252
manufacturing industry collapse, GB; statistics; Q9825
mobility patterns, 1930s Depression survivors, Australia; interviews; Q9706
rural youth/manhood transition; Great Depression; literature review; Q6392
Depression (Psychology)
childrearing methods, depressed/abusive/normal mothers; questionnaire instrument; Q8838
depressed affect, self-esteem; past vs current causes; Beck Depression Inventory, Rosenberg Self-Esteem Scale; undergraduates; Q9458
depression progression/levels, prenatal vs postpartum periods; R1115
depression symptomatology/expression, sex differences; Beck Depression Inventory; R0774
depression vs paranoia, sex differences; Q4297
depression, anorexia nervosa/bulimia outpatients; interviews, scale; Q6127
depression, Asian vs black vs white women; stress, support, gender role attitudes; questionnaires, sociometric data; Q7185
depression, urban adolescent females; demographic/sociocultural/behavioral factors; Beck Depression Inventory, Mooney Problem Check-List, questionnaire; Q4588
depression/somatization, Taiwanese vs American psychiatric outpatients; interviews; Q6103
depression; gender differences, personality traits, marital status; questionnaires; residents, Oklahoma City, Oklahoma; Q9192
depression; stressful life events, coping resources; interviews; residents, Nashville, Tennessee; longitudinal study; Q4295
depressive symptoms, long-term disabled adults; chronic strain; interviews; adults, Ontario; Q4309
depressive symptoms, nature/distribution, mover-stayer model; interviews; adults, Los Angeles County, California; Q4283
elderly's depression, spouse vs child/grandchild caregiving household; interviews; Q6422
husbands'/wives' depression; marital power; telephone interviews; Q5960
psychological depression; Christmas holiday, tradition/decline; Q5036
psychological well-being, husbands/wives; economic hardship, role fulfillments; telephone survey; US households; Q6093
sex-role identity/depression, nurses; questionnaire; R0094
stress-depression relationship; social support/personal coping resources, urban-rural comparisons; interviews; residents, Tennessee; S18908
suicidal intent/risk; hopelessness; interviews, questionnaires, scales; hospitalized psychiatric patients; Q6065
suicidal potential/behavior, adolescents; depressive symptoms; interviews; Q5996
women's depressive vs men's acting-out disorders; sex-role norms; R0773
Deprivation
feelings of deprivation, ethnic groups; educational system/integration; junior high school students, Israel; S18462
health inequalities, Bristol, England; statistical indicators; Q4273
Derrida, Jacques
human communication/language, hermeneutics problem; article/response/reply; Q9406
sociology of knowledge, France, recent developments, Jacques Derrida/Michel Foucault/Ernesto Laclau/Chantal Mouffe; S17797
Descartes, Rene
Meditations by René Descartes, psychological imagery/drama; R0914
mind-body problem, René Descartes's epistemological procedure critiqued; Q4797
Descent
descent system, Lovedu, South Africa; field research, case histories; Q5027
descent/kinship, matrilineal tribes, India, Meyer Fortes's complementary filiation concept; Q3250
Hopi descent groups, conventional theory critiqued; Q7629
Desegregation
academic achievement, race/sex differences; desegregated schooling; test scores; tenth graders, Deep South; Q7621
desegregation effects, public schools, North Carolina; statistics; Charlotte-Mecklenburg County; Q8281
interracial/cross-sex communication patterns, sixth-eighth grade students; school organizational structure; Q8246
social activist behavior, Boston (Mass) school desegregation controversy; values; interviews; clergymen; Q7546
Despotism
reproduction; despotism vs other sociocultural factors; Q5889
Detention
inmate structure/culture/socialization, juvenile correctional institution, unobtrusive research methods; content analysis, interviews; graffiti, newspapers; Q7244
judicial processing decisions, US juvenile justice system; pretrial detention; intake records; Florida; 1977-1979; R0897
juvenile detention policy/reform, Florida, political issues; Q8429

development/underdevelopment processes, Grenada; economic factors, societal forces/relations; Q7808
developmental psychology, theoretical/conceptual issues; R0684
domestic development cycle, Thailand; published papers, Banb Tanai; household survey; Q6581
ego/psychosocial development; androgynous/feminine/masculine sex-role orientation; inventories, test; adults; R1134
growth, ecology; Q4492
human development, life-span research, ontogeny/socialization research; Q4789

international constructed languages; scientific/technological/cultural development perspective; S18505
international security/peace/development, European/alternative models; Q7832
maldevelopment theory/competing models; empirical data; S18137
"maldevelopment," foreign aid/development effects, developing countries; empirical data; India/Pakistan/Bangladesh; S17739
murder vs theft rates; societal development; 40-society analysis; Q6190
murder-larceny offense pattern, rich vs poor nations; cross-cultural crime data; 1976-1978; Q7105
national development, Nigeria; work attitudes/conceptions; ethnographic data; Q7794
research-extension link, developing countries, differing approaches; S18871
social policy decisions, Africa; UN data, national development Plans, published literature; S18351
"society"/"development" concepts, world-system context; empirical data; Germany/Puerto Rico; Q6654

Development Programs
agricultural development, growth-with-equity policy development/implications, India; S18218
alternative development model, Third World countries, microlevel projects; S18348
aquacultural development, hatchery shrimp fry adoption, Indonesia; survey; West/Central/East Java, South Sulawesi farmers/shrimp hatchery managers; S18815
community development training programs, rural areas, less developed countries; interviews; Maharashtra State, India; S18062
corporatism, Portugal vs Mozambique; conflicting motivations/interests; case study data; S18384
development failure, Euphrates River dam; case study; Syria; Q5182
development planning, population policy, analysis unit; Q6293
development plans/multiethnic unity, Malaysia, role of curriculum planning/implementation; Ministry of Education documents, government policy statements, minutes, interviews, surveys; non-Muslim students; S18309
economic democracy, research/evaluation projects; S17589
growth projects, Friuli region, Italy, environmental opposition; participant observation, survey/interview/other data; S19234
income generation projects, rural women; cooperative/community development/welfare approaches, private sector; case studies; S18825
independent Mexican-/Spanish-American landowners; federal reclamation/irrigation/flood control programs; New Mexico, Texas; S18850
infant/child health, urban environment improvement projects, alliance/failings; S17662
mass migration, East to West Germany, socioeconomic consequences; 1950s; R0510
research-extension link, developing countries, differing approaches; S18871
revitalization projects, Great Lakes region, US; S17495
rural poverty, India; development programs; Q9081
small scale fisherman; capital intensive technologies, community resource management systems, national development program; Third World; S18805
socialist development strategies, Angola; state/foreign capital relations; S17838

Development Strategies
development strategy, Third World countries, love/authenticity model; case studies; Q9818
international security/peace/development, European/alternative models; Q7832
natural resource misuse, sub-Saharan Africa, development policy failures; Q9049

Deviance
crime/deviance, structural vs action perspectives; Q9526
criminal deviance/justice, Netherlands; archival/secondary data; Q9527
deviance/self-rejection relationship, multivariate models; questionnaire; junior high school students, Houston, Texas; Q9523
direct-selling industry, organization deviance; case study; Amway Corporation; Q9732
elite organizational deviance, white-collar crime, C. Wright Mills's paradigm, humanist criminology issues; Q7770
homosexual stereotypes/conceptions, college students; scales; Q9194
labeling, hospitalized poor, deviance theories; R0739
scientific fraud; R0445

Deviant Behavior
adolescent deviant behavior; family structure/decision-making; interviews; Q5918
adolescent marijuana use, social learning/bonding/anomic theories; survey; Q7066
alcohol abuse problem behaviors, minority adolescents; survey; secondary schools, New York; Q8843
antisocial behavior, opinions/definitions; questionnaire; adults, West Germany; Q3171
black musicians' role/status, Nashville, Tennessee; participant observation, interview/other data; Q8213
constancy of crime hypothesis, Plymouth Colony, Massachusetts; 1633-1679 historical data; Q4378
delinquent behavior, boys, group processes; fieldwork, interviews; Middle Eastern immigrants, Israeli slum; Q7574
deviance concept, teaching methods; Q4707
deviance in science, criminology theory; Q7567
deviant attitudes/behaviors, West German school students; statistical/qualitative data; Q7577
deviant behavior adaptations; social structure; case study; psychoanalysis; Q7569
deviant behavior, alcoholism, symbolic interactionist perspective; Q3172
deviant behavior, social control/sanctioning; field research; Gush Emunim settlements, Israel; Q9528
deviant behavior; age, sex; field experiment; Tel Aviv, Israel; Q9534
employee rule-breaking, workplace, property deviance/counterproductive behavior; self-report data; Q7576
giftedness stereotypes/labeling, gifted persons' perceptions/coping mechanisms, deviance theory; interviews; Q7578
governmental/corporate/occupational crime/deviance, sociology curriculum; Q4699
Hassidic subgroups, Judaism, deviance forms; Q6827
illicit drug use; self-derogation/-approval, membership reference groups; Q6131
imposture coping mechanism, varieties/features; case studies; Q9529
imprisoned property offenders, emotionality/criminal behavior; interviews; Q3101
juvenile delinquency; social networks, community cohesiveness; interview survey, questionnaires; Q5865
maladaptive behavior, high school students; self-esteem; test battery; North Carolina; Q4139
military drug abuse problem, adolescent misbehavior; questionnaire; anonymous military personnel; Q5110
positive deviance theory/typology; Q7575
prison informers' profile; participant observation, interviews, prison records; Johnson Unit, Texas; Q4025
prostitution decriminalization efforts, prostitutes' collective organization, gender/power relationships; GB; Q9118
sensation seeking, adolescents; delinquency status; longitudinal telephone survey; Q8957
students' deviant self-concept formation, West Germany; teachers' typifications; secondary analysis, published data; Q5574
traditional vs "positive" deviance concepts; Q3183

Dewey, John
Marxism, John Dewey's critique traced; Q2992
reason/law relationship, John Dewey's theory; Q8378

Diabetes
diabetic children, family functioning; communication patterns; videotaped interactions; R1159
sexual dysfunction, couples with diabetic partner; questionnaires, interviews; Q6031

Diagnosis
alcoholism as culture-bound disorder, Robin Room's account; comments; Q8875
child abuse, Munchausen syndrome by proxy (parental disorder fabrication), diagnostic guidelines, clinical/legal actions; Q9220
computer-assisted medical diagnosis; Q4041
doctor-patient interaction, diagnosis language/patient understanding; illness theories/identities; sociolinguistic approach; S18103
hypoglycemia diagnoses; physician culture/values/expectations; Q6029
posttraumatic stress disorder, Vietnam veterans, diagnostic approaches; model; Q6085
Psychiatric Diagnosis by J. Agassi; book review essay; Q8776

Dialectical Materialism
dialectical materialism/neo-Marxism; illustrative examples; S18624
dialectical/historical materialism, dichotomization/discontinuities; Q6417
everyday life, phenomenological/ethnomethodological/dialectical approaches; Q6563
Indian society/history, D. D. Kosambi's dialectical materialist approach; S17816

individual/society relationship, psychological anthropology, dialectical materialist perspective; Q3281
materialist conception of history, Karl Marx's thought; R1147
social process research, interdisciplinary/scientific-methodological problems, dialectical/historical materialism as integrative framework; Q2879
social research, epistemological underpinnings, dialectical materialism; S18758
working class housing/conditions, 19th-century London, Friedrich Engels's dialectical materialist analysis; Q3629

Dialectics
alienation, ontology/sociology/history dialectical framework; S17894
dialectical analysis, sociological theory, G. W. F. Hegel's/Karl Marx's views; Q4620
dialectics concept, sociology's use/development; S17570
Jainism religion/philosophy, dialectical sociological approach; S18542
Lentricchia, Frank, *Criticism and Social Change*, Kenneth Burke's theory; book review essay; Q5511
Lukács, Georg, studies of G. W. F. Hegel's dialectics; Q4755
Marx, Karl, use of G. W. F. Hegel's logic, rationalism; Q4413
negative dialectics, Theodor W. Adorno's vs George Herbert Mead's thought, interactionist perspective; Q7352
sociological reasoning, dialectical methodology; Q4615

Dialects
Frisian dialect, Netherlands, language policy development/issues; Q8193
intra- vs interlingual sociolinguistics, language classification scheme; West Germany; Q5493
language change/dialects, Tokyo, Japan; interviews; residents; Q6784
standard dialects, substantive universal properties; India; S18051

Diet
eating/dieting/weight attitudes, bulimic behavior, female undergraduates; mail survey; New England; Q6012
fasting, secular vs religious motives; mail questionnaire; Q8872
food production/quality of diet, China; agricultural reform; Q8147
pibloktoq ("arctic hysteria") syndrome, Inuit (Canadian Eskimo); hypervitaminosis A; Q6084

Differences
human sexual dimorphism, cross-cultural variation explained; Q6385

Diglossia
national diglossia, sociolinguistic readjustment strategies; China; Q5500

Dimensional Analysis
abbreviated Rotter Internal-External Locus of Control scale, measurement properties/stability; males; Q7273
premarital sex, permissiveness judgments, assessment methodologies, INDSCAL vs Guttman dimensionality; Q7243

Dilthey, Wilhelm Christian Ludwig
prepredicative thought, Edmund Husserl's/Wilhelm Dilthey's/John Henry Newman's work; Q9383

Disability Recipients
disability hearing process, Social Security Administration, vocational expert/consultant witnesses; R0374
self-reported work disability, US, increasing prevalence; secondary data; Q7675

Disadvantaged
intelligence test results, socially disadvantaged students; perceived self-efficacy; Hindu males, northern India; Q3140

Disarmament
abortion/disarmament issues, New Right's ideology, sexo-semiotics perspective; Q4433
militarization/arms build-up, Latin America, containment policies; Q8015
modern social development, thermonuclear war threat, peace movement; S18295
nuclear disarmament attitudes, Catholics vs Protestants; questionnaire; residents, Muncie, Indiana; Q4474

Disaster Relief
citizen movement mobilization/participation, natural/unnatural environmental disasters; structural/sociopsychological/demographic factors; case study; Tulsa, Oklahoma, flood; S18958
disaster response, US/Sweden, emergent group/organizational behavior; R1038
disaster victim community, emergency management resource; R1032
emergency planning, social services provision; Q4493
technological risk vulnerability, urban areas/populations; R0177

Disasters
chronic technical vs immediate-impact natural disasters, social effects; questionnaires, interviews, participant observation; Centralia, Pennsylvania/Love Canal, New York; Q6308
collective human behavior, disaster situations, decision-making processes; Q5243
diaster research, taxonomy development; S18987
disaster movies, realism of portrayals; content analysis; Q9071
disaster victims, unmet needs; interviews; relief officials, US; S18994
disaster, social units' responses, theoretical/taxonomic issues; Q4494
evacuation compliance, personal/family decision-making processes; Q4487
interpersonal relationships; man-made/natural disasters; interviews; flood/contamination victims, Missouri; S19002
man-made/natural disasters' effects, older vs younger persons; interviews; S19003
technological disasters, social impact assessment model; S17909

Discipline
culture of production, work discipline/ethics; factories, Hungary; Q7727
federal prison, disciplinary problems; inmate security level classification; medium-security prison file data; Q4023
juvenile delinquency; gender, school academic environment/discipline; questionnaires, interviews; high school students/principals/counselors; R0896
prison discipline severity; prisoner's minority status; questionnaires, institutional sources; Ferguson facility, Texas; Q4015
prosocial television portrayals, children's modeling; parental inductive/sensitizing disciplinary style; field survey; mother-child pairs; Q4098
Soviet labor discipline, worker's behavior/attitudes; social-psychological factors; questionnaire; workers/managers, Leningrad, Novgorod USSR; Q5096

Discontent
male unhappiness/oppression, patriarchal systems; R1131
unmet needs/mass movements; social-psychological conditions; S17823

Discourse
cancer discourse, modern clinical context; ethnography; Quebec; Q7051
conflict talk/intonation's role; audio/video/written records; S18211
discourse analysis, doctor-patient conversation, reactions/evaluations; institutional setting; S18701
discourse analysis, race education; structuralist approach; S18435
discourse analysis, utterance description, linguistic method proposed, Michel Foucault's *Archeology of Knowledge* critiqued; S17957
discourse ethic, Jürgen Habermas's works; Q9405
discourse ethics, Jürgen Habermas; Q6481
discourse theory, contribution to ideology theory; S17958
discourse/conversation analysis, competing approaches; S18667
evaluative discourse, content analysis methodology, political text applications; Q7254
identity discourse; Q6785
informal discourse, Egyptian women; fieldwork; Cairo; Q7588
jurisprudential discourse; Q5658
language/militarization relationship; semiotic approach; S17751
liberalism as collective discourse, language-public life relationship; Q7422
rational social criticism; Q6438
sociolinguistic change, discourse-power relationship; semiotic approach; S17864

Discourse Analysis
communicating ethnic prejudice, everyday cognition/talk, discourse analysis; interviews; Amsterdam, Netherlands/San Diego, California; S18703
discourse production, Foucauldian/sociolinguistic analysis; S18765
ethnic rights/relations, Canada, discourse language, male orientation; S18020
linguistic naturalism, Arthur Miller's/Eugene O'Neill's plays, sociolinguistic analysis; R0203
popular science journals/documents, test/image relationship; content analysis, survey; France; R0919
scientific knowledge, proliferation process/language; content analysis; newspapers/popular science journals, France; R0922
symbolic practices, war genesis/strategy, Adolf Hitler's racist nationalist rhetoric; S18957
television news, Italy, discourse analysis methodology; S18217
utopian studies, textual analysis; S19106

Discovery
discovery program viability, philosophy of science; Q5711
scientific discovery, philosophical arguments, N. R. Hanson's views; Q5707

Discretion
discretionary powers, criminal proceeding officials, Belgium; R0403
police discretion experiments; 1950s-1980s; Q3995

Discriminant Analysis
cluster solution validation, evaluative criteria, discriminant analysis; General Social Survey occupational data; 1972-1985; S17593
Discrimination
criminal justice system, US, discriminatory practices, social justice concept; Q8937
criminal recidivism, black vs white offenders; sentencing disparities; official data; federal felony offenders; R0416
employers' job placement decisions; job candidates' race; mail questionnaire survey; personnel officers, employers; Q9641
feminist research/theory, working class/colored women's exclusion; R0234
human rights/minority women, Canada; S17905
interclass violence, Agra, India; fieldwork, interviews; Q8173
Jamaican attitudes toward ethnic groups; Bogardus Social Distance Scale, Attitudes to Minorities Scale; students; Q4991
male discrimination, US family law; R1138
political violence approval, US blacks; individual vs shared discrimination; survey; Q6312
race discrimination, South Africa, micro-sociolinguistic analytical approach; intra-/intercultural encounters; English/Zulu native speakers; Q9546
racial discrimination sentencing practices, British criminal justice system; court records; Bradford/Leeds magistrates' courts, 1983/84; R0380
sex discrimination, South African medical profession; medical school admission records, interviews; Q6059
sex-based employment discrimination/stereotypes, academic institutions, legal definition/approach; Q8411
social inequality, India, compensatory discrimination policy; book review essay; Q4455
white "nonracism," discriminatory nature; ethnographic data; England; Q6439
women/disabled as deviant category, stigmatization/discrimination; Q9161
Diseases
aging/disease, elderly aged 85+, US; Q4358
coping-stress-disease relationship, potency's moderating function; questionnaire; Jewish adults, Israel; Q8812
disease incidence; race/ethnicity; black/Caucasian males, US Navy; Q6043
disease, recent philosophical definitions; Q2867
Genetic Diseases among Ashkenazi Jews by Richard M. Goodman & Arno G. Motulsky (Eds); review essay; Q8818
genetic diseases, Israeli Jewish community; literature review; Q4255
iatrogenic diseases, clinical pharmacists' responsibility; participation observation; hospital pharmacists/students; Q4226
malaria, antebellum South Carolina, slavery's role, cultural adaptations; Q8750
malaria/psychiatric illness relationship, theoretical model, literature review; Q4313
medical care utilization rates, sex differences; disease type; interview survey, medical records; R0725
multiple myeloma, interracial differences, prognostic factors; hospital records; black/white patients; Q4260
respiratory/infectious disease death rates, GB; socioeconomic/etiological/population/behavioral variables; 19th century; Q8543
shamanic healing practices/worldview, Yurok woman, California; ethnographic case study; Q7655
smallpox epidemic, American Southwest Indians; Spanish exploration vs climatic conditions; epidemiological data; 16th century; Q8805
smallpox vaccination introduction, general public's reactions; Q8783
"susto" disease, Mexico/Central America; literature review, field research; Yoremen, Mexico; Q6591
Dismissal
teachers' duties/dismissal, Yugoslavia, Draft Law on Secondary School Education provisions; Q8270
unfair dismissal proceedings, Northern Ireland, applicants' vs Tribunal Chairmen's perspectives, later employment implications; postal survey; Q7721
Disorders
affective/eating disorders, interactive model; Q7075
binge eating prevalence, working/university women; questionnaires; Q6126
borderline personality disorders, psychiatric inpatients, sex/ethnic differences; chart records; whites/blacks/Hispanics; Q6074
bulimia/anorexia nervosa relationship, diagnostic distinction validity; scales; Q6122
Disputes
informal justice via compulsory mediation, Philippines, political context, village-level operation; Q3998
pela concept, Indonesian Moluccan immigrants, Netherlands; fieldwork, participant observation; R0396
Distributive Justice
distributive justice perceptions, inequality's role; survey, interviews; Q6893
distributive justice, multilevel theory; experiment; Q6881
family interaction/distributive justice, socioeconomic factors; observations, case study data; urban families, Switzerland; S18082
health care delivery systems, US/Japan/India, quality/accessibility; political economy; observation, secondary data; S18718
resource allocation distribution, equality/contribution principles' subrules; perceived fairness ratings; Swedish nursing students; Q3149
social welfare maximization, uncertain needs/tastes conditions, egalitarianism concept; Q9035
Divination
fortune-telling practices, Israel, sociolinguistic aspects, credibility; Q3884
meaning production, politics; case study; Yaka society, Zaire; Q3269
Division of Labor
capitalist division of labor, direct-indirect labor shift; Q5200
division of labor conceptualized in terms of work; Q3335
division of labor, industrial production, H. Kern's/M. Schumann's work; Q9404
division of labor, material production process; technological development; Q8496
division of labor, research/methodological issues; literature review; Q9397
division of labor; technological changes; open-ended interviews; British paper mill workers; H. Braverman's deskilling theory challenged; Q5093
household work patterns; participant observation, telephone survey, diaries; Q8632
mental-manual division of labor, education's role; secondary survey data; R0289
organizational division of labor, research issues; literature review, 1958-1981; Q4799
plant organizational characteristics, Austria, core/periphery regional differences; Q9750
population/division of labor relationship, Durkheimian model; census data; cross-national analysis; S17491
Sabel, Charles F., *Work and Politics: The Division of Labor in Industry*; book review essay; Q6400
spatial division of labor, London, England; postindustrialism; census data; Q5472
task performance, women's/children's/hired help's role, family farms; survey, scales; Kentucky farm women; S18837
time budget patterns, GB; national survey; Q9897
utopian division of labor critiques; historical approach; S18345
vertical division of labor, regulatory authority structures, Emile Durkheim's views; Q4758
youth occupational aspirations vs societal manpower requirements, USSR; surveys; 1963-1983; R0286
Divorce
adolescents, postdivorce families, research traditions; Q5861
alcohol-related automobile accidents, divorced/separated women; driver education program data; Q8860
child custody, fathers' roles, Sweden; legal/social factors; R0667
children's emotional disorders; divorce increases; literature review; Q4197
children's well-being; family interaction patterns, divorced vs married parents; scale data; Q4183
contraceptive use/pregnancy occurrence, divorced single women; questionnaires, interviews, scales; Q9186
custody mediation, children's inclusion; Q4100
delinquency, broken homes, definition/measurement weaknesses; R0912
divorce adjustment model, family systems approach; Q4191
divorce adjustment, coping strategies, upper income men; southern California; S18745
divorce adjustment, family stress variables; questionnaire; divorced/separated couples, Texas; Q8687
divorce adjustment, individual variations; outside influences, loneliness, well-being, dating; interviews; S18600
divorce grounds; social/demographic characteristics; statistical records; divorcing couples, England/Wales; 1979/1981; R0370
divorce law, West Germany, economic equality provisions; Q8636
divorce lawyers' behavior/activities, Netherlands; interviews, observation; R0090
divorce mediation outcomes; dispute/mediator characteristics, disputants' perceptions/assessments; questionnaires; Q6430

divorce mediation, egocentrism levels; cooperation; experiment; college students; Q3159
divorce mediation; higher education curricula development; survey; professors; Q3858
divorce probability, hypotheses tested; biographical/behavioral data; divorced/still married couples; 1974-1984 longitudinal study; S18083
divorce probability; wives' employment; National Longitudinal Survey; Q5984
divorce process, research foci/methodologies; Q5951
divorce propensity; occupation; Q5372
divorce reactions, sex differences; interviews; Trondheim, Norway; Q8682
divorce, custody decision making, adjudication vs mediation; Q4589
divorce/marital role expectations, Puerto Rican students; kin divorce frequency, gender, perceived parental marital happiness; cross-sectional data; Q8677
divorce/permanent separation, predictive scales; interviews; married persons; longitudinal analysis, 1980-1983; Q5910
divorced persons, stigmatization/censure; interviews; S18999
divorcing daughters, parental support; interviews; S19039
economic survival/socioeconomic attainment, married vs divorced women; National Longitudinal Survey; Q8689
exspouses' continued attachment, postdivorce; personality/demographic/relational characteristics; questionnaire; females; Q5906
family courts, British Columbia, conciliation/mediation service; Q8382
family relationships, social regulation/change, sociolegal determinants; R0362
full custody, single fathers, child management/work/fatherhood role/remarriage attitudes-behaviors; questionnaires, interviews; Q6974
geographic mobility, divorced/widowed/remarried women; census; GB; Q9124
health deterioration; marital dissolution; surveys, national mental health statistics; men, women; Q5972
increased life span, divorce rate; approximate relationships, life cycle measurement; future projection; S18136
intercultural marriage/divorce, cultural conflicts, child custody; S17621
Japanese divorce rates; industrialization/urbanization/family role; twentieth century; Q5955
Jewish divorce/remarriage, *get* (bill of divorce), *Stern* v. *Stern*; Q5653
lawyer-client discourse, divorce cases; tape-recordings, observations; conferences, California/Massachusetts; R0120
life course event (marriage, marital dissolution) timing, Sweden/Norway comparison; nonmarital cohabitation; surveys; 1977, 1980; Q6977
loneliness intensity, post-marital separation, middle-aged adults; interpersonal dependency, close friend solidarity, generalized trust; survey, scales; Q9498
marital cohesion/dissolution, farm vs nonfarm couples; questionnaire; Amarillo, Texas; Q8654
marital dissolution, associated psychological distress; gender; survey; Q5927
marital instability, Mexican-American/black/Anglo patterns; census data; US Southwest; 1960-1980; Q5924
marital intimacy/conflict; spousal equality trends; Q5912
marital/couple dissolution, social-psychological/-structural variables, theory proposed; S18172
marriage counseling, USSR; Q4186
marriage stability/breakdown, teenage brides, GB; life histories; Q8593
marriage/divorce expectations, divorce adjustment; sex-role identification; Bem Sex-Role Inventory; female college students, divorced women; Q4533
marriage/divorce opinions, single females, USSR; questionnaire; Q4157
mortality rates/marital status relationship; Q7003
mutual consent divorce, Hindu Marriage Act, India; S17738
noncustodial fathers, visitation patterns/quality; interviews; Q4185
parental bonding/sex-role identification relationship; divorce; questionnaires; males; Q4196
postdivorce adjustment, gender/age differences; questionnaires, interviews; California families; longitudinal study; Q8703
postdivorce mother-child relationship; child's age/gender, time since separation; videotapes; Q4099
psychological well-being, marital status/termination; interviews; Chicago, Illinois; 1972, 1976; Q6426
religious identity/meaning, divorced Catholics; annulment process; interviews; divorced/annulled Catholics, priests, tribunal judges; R0613
remarriage probabilities, divorced women; children's age/presence/number, dissolution measurement; survey; Q5986
remarriage, demographic variations; 1980 census data; S17916
rising divorce rates, USSR; Q5936
self-esteem, daughters; parental discord/separation; questionnaire; undergraduates; R0585
sex-role definition, married vs divorced males/females; opinion polls; Q9177
social support, grandchild-grandparent relationship; parental divorce/remarriage; questionnaire; female undergraduates; R0614
women's feminist attitudes; separation/divorce; interviews; Q4516

Doctoral Degrees
academic labor market, primary/secondary sector segmentation; Q8074
black sociology doctorates; Q6474
racial progress, US, black sociology doctors' elected officials' attitudes mail questionnaire survey; S17494

Doctoral Programs
initial job placement; graduate school training/experience; PhD recipients, University of California, Santa Barbara; Q3707

Documentation
Social Science Documentation Center, New Delhi, India; Q9298

Dominance
domination through linguistic stereotyping, Rudyard Kipling/T. S. Eliot/George Orwell; semiotic approach; S17771
intrafamily decision making, older adults, husband/wife dominance; interviews; R0635
Marx, Karl, power/domination concepts; Q4568
patriarchal/dominance value inculcation, male sports participation; Q7939
social status allocation/dominance behavior, face-to-face interaction, humans/primate groups, biosocial model; Q4843
sociobiology theory, feminist movement applications; R1105

Dominican Republic
household income/consumption, Dominican Republic; national survey; R0643
nationalism/racism, Dominican Republic; S17868

Dowry
dowry systems/uses, differential incidence; social stratification; secondary data; Q5025

Draft (Military)
female military conscription, National Organization for Women's policy; Q6354

Drama
drama performances, audience reception, USSR; questionnaire survey; students, Latvian State University; Q6797
indirectness/silence; conversation/drama transcripts; S18645
linguistic naturalism, Arthur Miller's/Eugene O'Neill's plays, sociolinguistic analysis; R0203
Ramlila, ancient Indian drama; Q8214
Soviet dramatic art embodying V. I. Lenin's philosophical/sociological ideas, 1980s; Q4579

Dramaturgical Approach
cultural/social action, bureaucracy, symbols/power; ethnographic study; advertising agency; Q3191
emotional experience, organizational scripting, dramaturgical/mesostructural interpretation; participant observation, interviews; war game; Q7559
Goffman, Erving, social dramaturgy theory; Q7374

Dreams
man/universe conceptions, dream categories, Luluwa Tribe, Zaire; Q9620

Drinking Behavior
aboriginal drinking behavior, Australia, nonaboriginal perceptions/attitudes, social inequality issues; interviews; Q7611
adolescents' alcohol use; drinking images/self-concept; slides; Q6110
alcohol consumption behavior, young adults, drink purchasing procedures/group pressure; quantitative/qualitative observations; Glasgow, Scotland; Q8841
alcohol consumption patterns, culturally active American Indian vs white college students; questionnaire; Oklahoma State University; Q8854
alcohol consumption patterns, Mexican-American vs Anglo women; household probability survey; Q6128
alcohol consumption trends, Norway; 1851-1982; Q7788
alcohol consumption; age/employment/marital status; Canadian males; aged 15-29; Q6135
alcohol drinking behavior, Mexican-American community, subgroup differences; questionnaire survey; Texas; Q8874

alcohol drinking behavior, women, Baltimore, Maryland; telephone survey; Q9115
alcohol problems, employed persons; surveys; Detroit, Michigan; Q6142
alcohol use, Australian adolescents; questionnaire survey; New South Wales; R0800
alcohol use/abuse, age differentials; interviews; adults, New York; S18923
alcoholic drinking patterns, black vs Puerto Rican inner-city residents; drinking history questionnaire; South Bronx, New York; R0793
aperitif custom, ritual meaning; Q9531
college students' drinking motivation/effects; sex differences; psychometric inventories, scales; Q6145
collegiate drinking antecedents; questionnaire; undergraduates; Q4121
collegiate drinking trends, California; survey; 1979-1984; R0826
drinker types/drinking styles; survey; US; Q6133
drinking behavior patterns, French high school students; 1971-1984; Q5822
drinking behavior, bars, interactionist analysis; fieldwork; Q6144
drinking behavior, black/Haitian agricultural migrant workers, New York; survey; R0828
drinking behavior, male college students; television programming/advertisements; experiment; R0823
drinking behavior, Rajput military caste, Khaalapur village, India; ethnographic field study; Q6117
drinking behavior, social work vs business graduate students; survey questionnaires; Q8873
drinking behavior, South Africa, blacks/whites/Indians/colored adults; secondary studies; Q6152
drinking behavior, US/Western Australian/international university students; anomie; scale data; Q3110
drinking behavior, young male parolees; interviews; S18924
drinking behavior/attitudes, Russian university students; media/personal experience/family/friends influence; survey; S18663
drinking behavior/attitudes/stereotypes, adolescents, Papua New Guinea/Australia/US; questionnaire surveys; Q5877
drinking behavior; contextual factors; national time use survey; Canada; S17775
drinking behaviors, male vs female medical students, psychosocial correlates; questionnaires; R0819
drinking patterns, American culture; "lost generation" writers' heavy drinking; Q8202
drinking patterns, British adolescents, personality/lifestyle traits; questionnaire survey; Q5820
drinking settings/companions, college students; questionnaire; New England; Q6125
drinking/driving behavior, crash involvement, teenagers aged 16-17, Massachusetts; legislation raising drinking age; surveys; Q8870
drinking/occupation/SC relationship, New Zealand males; survey; Q6109
friendship/drinking patterns, Iceland; Q7526
human drinking behavior, alcohol consumption distribution theory; Q4263
nonbeverage alcohol use/abuse; literature review; Q6118
past/present drinking patterns/reasons, elderly, rural Arizona; inventory; Q8882
public drinking places/patterns, Canada; questionnaire; R0788
stressful life event-drinking pattern interaction, urbanicity's/religious identification's role; interviews; adults, Tennessee; Q3736
US adolescent drinking patterns; telephone survey; Q6156
women's drinking behavior, Finland/Iceland/Norway/Sweden; questionnaire; Q6030

Dropouts
college attrition, contextual dissonance, symbolic-interactionist model; Q5530
dropout expatriates, career patterns/lifestyles; ethnographic data; Bangkok, Thailand; Q7474
dropout rates, US; school reform policies; Q5563
early high school leavers, urban Australian youth, academic achievement/vocational training plans; survey; Q5578
educational upgrading program, military service/semiskilled state hospital work; subjective accounts, interviews; high school dropouts, Israel; Q5581
national identities, employment opportunities, guestworker youth; political/economic context; questionnaire, interviews; working-class school leavers, Vienna, Austria, Turkey, Yugoslavia; S18247

Drug Abuse
adolescent drug use/abuse; family discipline/communication/behavior; practices; open-ended interviews; Q4914
alcohol/drug misuse, American Indians, prevention program needs; morbidity/mortality statistics; R0811
alcoholism/narcotics abuse trends; medical examiner case records; New Jersey; R0796
alienated neighborhoods, suicidal behavior/alcoholism/drug abuse; study data; Mannheim, West Germany; 1966-1975; S18757
analgesic drug-related deaths, white vs nonwhite ethnic differences; medical file data, interviews; Los Angeles County, California; Q4881
chemical inhalant use, Native American adolescents; surveys; Q8844
children's solvent abuse, Glasgow, Scotland, community approach; under age 16 clinic users; Q4265
cocaine trafficking, street gang members' involvement, law enforcement/research implications; S19272
Comprehensive Drug Abuse Prevention/Control Act, US; 1970; Q3987
criminality, heroin users, gender differences; Q8847
drug abuse etiological research, methodology; Q6138
drug abuse prevention, youth/parents/women/elderly targets; mass media campaign/communication approaches; literature review; Q6107
drug abuse, primary care prevention strategies; R0825
drug abuse, psychodynamic/sociocultural factors; Q6153
drug control, law enforcement strategies; R0827
drug dependence explanations/models; Q4134
drug dependence units, GB, facilities/policies; Q4304
drug misuse, UK, information system deficiencies, Körner planning proposals; Q8871
drug prohibitionism policy, Australia, failures/alternatives; R0813
drug/substance use/abuse, US; Q6134
heroin/prescription drug abuse, women; psychological/social variables; literature review; Q4532
homeless drug abusers, New York City; interviews; S18896
intravenous drug abusers, AIDS; Q4248
mental illness/alcoholism/drug abuse; unemployment rate changes; economic statistics, program utilization data; Q7583
military drug abuse problem, adolescent misbehavior; questionnaire; anonymous military personnel; Q5110
prescription drug misuse, elderly, causal/correlated factors; questionnaire; Q8842

Drug Addiction
addictive behavior, heroin addicts/gamblers/normals; questionnaire; Australia; Q4321
alcohol/drug dependence, Saskatchewan, subgroup variation; medical records; alcohol/drug abusers; Q6114
cocaine use, psychopharmacological aspects/treatment programs; Q8852
criminal income, narcotic addicts, black vs white men; interviews; Baltimore, Maryland; Q4387
criminal specialization, hard-core heroin addicts; life-history interviews; Q8850
drug addiction statistics, GB, 1983 Home Office Statement interpreted; Q4268
drug addiction, disease vs "way of life" model; R0792
drug addiction, UK, social policy development; Q4264
drug addicts' parents/Grey Panthers self-help groups, development/activities potential; participant observation; S18676
drug-addicted physicians, GB; Home Office data; Q4267
drug-dependent persons' drug choice, addiction predisposition; clinical observations; Q6132
heroin use, symbolic interactionist/role theoretic model explanations; ethnographic literature review; Q6148
narcotic addiction, compulsory treatment programs, implementation problems; cross-national analysis; R0829
opiate addiction treatment programs, client progress; service technologies, organizational structure/goals; Q7071
opioid users, drug-taking careers; interviews; addicts, GB; R0779
prescription drug addiction, women, "adaptive" model; R0816
smoking cessation; perceived addiction/success expectancy/failure attributions; questionnaire; smokers; Q8849

Drug Use
adolescent alcohol/drug use, family history predictors; New Jersey; S18911
adolescent alcohol/drug use; family/religion/gender/race; survey; Q7067
adolescent alcohol/drug users, formal social control programs; interviews; Q9524
adolescent cigarette/alcohol/drug use, urban vs rural areas; path analytic model; southwestern US high school students; S18804
adolescent delinquency/drug use; friend behaviors; telephone/face-to-face interviews, testing, physical examinations; Q4403

adolescent drug use, Arizona/Utah, causal models; R0810
adolescent drug use, etiological research methodologies; Q6115
adolescent drug use, parental/peer influences; questionnaire survey; longitudinal study; Q4130
adolescent drug use, social/demographic correlates; 7-part questionnaire; middle/high school students, Georgia; Q6121
adolescent drug use/abuse; family discipline/communication/behavior; practices; open-ended interviews; Q4914
adolescent illicit drug use, social/familial/background correlates; interviews; mother/child pairs, New York, New York; R0822
adolescent marijuana use, social learning/bonding/anomie theories; survey; Q7066
alcohol-drug use progression, high school students; questionnaire survey; New York; R0831
alcohol/caffeine/tobacco/marijuana/other drug consumption, self-report vs laboratory test data; interviews; postpartum women; Q8858
alcohol/drug education programs, evaluation research, adolescent socialization theory; Q6108
children's drug use research, academic performance measures; Q8255
chronic marijuana use, adaptive/defensive functions; case studies; adolescents, adults; Q4127
cigarette/alcohol/drug use, medical students; survey; Q7069
cocaine use, adolescent males/females, developmental patterns; longitudinal survey; 1979/1984; S18944
cocaine users, 10-year follow-up study; interviews; S18921
criminal activity, female narcotics users; 2-stage interview study; Miami, Florida; 1977/78, 1983/84; R0801
daughters' marijuana use, mother/peer group context; father's impact; questionnaires; college females, fathers; Q4115
delinquency/drug use, predictive factors, training school male delinquents; personality/ability tests, longitudinal data; Ontario; R0903
drinking habits/alcohol-related consequences, Scottish teenagers; illicit drug/tobacco consumption; questionnaires; Q4257
drinking/drug use, college students; religiosity, family background, peer relations; questionnaire; Q4332
drug abuse prevention, youth/parents/women/elderly targets; mass media campaign/communication approaches; literature review; Q6107
drug abuse, primary care prevention strategies; R0825
drug addiction, disease vs "way of life" model; R0792
drug market, cultural aspects; ethnographic field study; review essay; US; Q8926
drug studies, double- vs single-blind methodology; experiment; Q4307
drug use cessation correlates; questionnaire; undergraduate college students; Q5866
drug use initiation/prevalence/popularity, urban black Americans; interviews; R0782
drug use patterns/involvement, adolescence-young adulthood; questionnaire; Los Angeles, California; longitudinal analysis; R0815
drug use portrayals, soap operas, context/motives/consequences; interviews; Q5233
drug use research, association model; Q4668
drug use stage, adolescents; paternal absence, family characteristics; questionnaire; white high school students; Q5818
drug use, female college students; questionnaires; New York; Q6151
drug use, high school students, psychosocial correlates; interviews, scales; Philadelphia, Pennsylvania; R0805
drug use-labeling, causal processes, sex differences; longitudinal data; adolescents; Q9422
drug use/crime rehabilitation, noninvolvement process; case study; Q6201
drug use; anomie; questionnaires; Texas adults; Q4859
drug use; religiosity; adolescents; Ontario; Q4316
drug use; SIP meditation group, India; questionnaire; Canadian whites; Q4910
drug-use orientation/involvement, rural children; parent-child/peer relations; 2-wave panel data; R0832
drug/alcohol use, prostitutes; surveys, interviews; US, Australia; R0600
drug/alcohol use, young adults; S18929
drug/alcohol use; workplace characteristics; literature review; S17521
drug/alcohol-crime relationships, youth/young adults; recent research reviewed; S18910
drug/substance use/abuse, US; Q6134
early adolescent drug use, historical/developmental perspective; Q4113
entry into marriage; illicit drug use/premarital cohabitation; interviews; young adults; Q3160
hallucinogenic mushroom use, college students; questionnaire; California; Q4923
illegal drug use; questionnaires; junior/senior high school students, Georgia; Q4919
illegal heroin market, London, England; price reports; 1980-1983; Q4328
illicit drug use, initiation/escalation explanations; questionnaires, interviews; junior high school students, Houston, Texas; Q3174
illicit drug use/delinquency behavior, adolescence-young adulthood; longitudinal interviews; New York; 1971, 1980; R0804
illicit drug use; self-derogation/-approval, membership reference groups; Q6131
marijuana use; social-psychological variables; questionnaires; high school students, Georgia; Q4122
marijuana/alcohol use, college students, race/sex differences; Q6129
property crime rate, Australia; heroin use; interviews; prisoners, New South Wales; R0790
psychiatric illness; marijuana use; interviews; longtudinal analysis; Q6101
self-report questionnaires, drug use, reliability; seventh graders; Q4648
self-reported substance use explanations, high school students; Monitoring the Future surveys; 1976-1984; R0803
spiritual communities, drug use, conversion/belief restructuring; interviews, participant observation; S18525
violence, drug use/trafficking factors; Q6124
workplace cocaine use; interviews; S18930

Drugs
cocaine dealing, black communities, Los Angeles, California, "rock" sales/houses; observation, informants; Q3480
drug culture argots, origin/functioning, code-switching model; primary/secondary data; US/Europe/Mexico; S18071
drug trafficking, Victoria, Australia, police-media campaign; R0372
substance abuse, drug control legislation/policies, criminalization vs medicalization; Q6048

Drunk Driving
alcohol impairment estimation; field study; college student partygoers; R0821
alcohol treatment/criminal justice systems, California, client selection issues; R0830
alcohol-related automobile accidents, divorced/separated women; driver education program data; Q8860
alcohol-related traffic accidents; stringent driving-while-intoxicated legislation vs publicity campaigns; quantitative/qualitative methods; Q8399
arrested vs crash-involved drinking drivers, age differences; secondary data; R0879
drinking-driving, GB, legal sanctions' deterrence impact; surveys; Q6146
drunk driver offenders, home incarceration alternative; R0777
drunk drivers' past criminal records; random selection; Massachusetts; Q6178
drunk driving intervention/prevention, college students; survey; Q8866
drunk driving recidivism reduction; Current Status/Life Activities Inventory test administration, DUI Probation Follow-Up Project; Mississippi; Q6141
drunk driving, public perceptions/fears; questionnaire survey; Louisiana; Q8915
drunk driving, random breath testing, community attitudes; surveys; New South Wales, Australia; Q7470
drunken driving, control strategies; questionnaires; convicted drunk drivers; Q7072
personality/behavior traits, convicted driving while intoxicated men vs childhood peers; interviews, questionnaires, agency records; Cambridge/Somerville, Massachusetts; Q8928

Drunkenness
drink-induced insanity belief, Victorian England; Q4299
friendship/drinking patterns, Iceland; Q7526
public drunkenness, police management, Scotland; attitudinal/environmental/organizational variables; interviews, official reports, observation; Q8397

Du Bois, William Edward Burghardt
black church/religion, W. E. B. DuBois's alliance; R0331
race/racism philosophy, W. E. B. DuBois's pragmatic approach; Q7366
racial differences, biological explanations, W. E. B. DuBois's views; Q6469

Dual Career Family
co-employed spouses, socioeconomic advancement strategies; sex discrimination, education; personnel data; rural US university; S18810
domestic/family responsibilities, female lawyers, England, pressure/strain; interviews; Q3710
dual-earner families, dynamics/consequences; literature review; Q8686

dual-worker parent complex, role conflict, marital satisfaction/stability; questionnaires; R0611
family financial arrangements, England; wife as primary income earner; interviews, questionnaires; Q4200
household division of labor, working-wife homes; S19082
household division of labor; spouses' employment status/resource contribution/working conditions; couples, Washington; R0655
late birth timing, dual career couples; peer/family/marital relations, identity, societal norms; interviews; Q7017
marital relationship, retired dual career couples, roles/satisfaction/power; interviews; S18747
marital satisfaction, dual- vs one-provider couples; sex-role orientation; psychological scales; R0630
marital satisfaction/role equality, equal-status dual-career couples; career commitment, sharing; interviews, questionnaires; west coast university employees; Q7007
men's sex-role behavior/attitudes, intact heterosexual families; secondary data; Q8699
quality of life, dual-career families; gender/career-orientation differences; questionnaires; R0657
self-disclosure, single- vs dual-career married couples; Taylor-Atlman Intimacy Scaled Instrument; R0650
work/family interaction, married vs nonmarried flight attendants; questionnaire; Q4188

Dual Economy
earnings structure, transformative vs service sectors, industrial change process; census; US; S19111

Dualism
religious mass suicide, People's Temple (Jonestown, Guyana) vs Russian Old Believers; Q8347

Durkheim, Emile
anthropology vs Marxist sociology, Emile Durkheim's influence; S18966
Durkheim, Emile, anomie as derangement concept; Q7421
Durkheim, Emile, collective representations concept, Steven Luke's/Talcott Parsons's interpretations challenged; Q4751
Durkheim, Emile, Comtean methodology; textual context analysis; Q4762
Durkheim, Emile, pragmatism/knowledge categories/social theories; Q4746
Durkheim, Emile, religion theory; Q3948
Durkheimian/Marxian sociology; Q4563
force concept, Emile Durkheim's social theory; Q3055
friendship/religion, Emile Durkheim's work; S19120
population/division of labor relationship, Durkheimian model; census data; cross-national analysis; S17491
social medicine/hygiene, Emile Durkheim's treatment; Q4253
social order generation/maintenance/changes, communivative action theory; Q9402
sociological task/approach, Emile Durkheim/Max Weber/Vilfredo Pareto; Q7372
sociological theory, Emile Durkheim/Georg Simmel/Max Weber; 19th century; Q7429
sociology pioneers, world peace/war views, nationalism influence, contemporary US social thought, Max Weber's, Emile Durkheim's, others' works investigated, 1890-1920; S18045
sociology, basic theoretical models, Karl Marx/Emile Durkheim/Max Weber/George Caspar Homans; Q9377
structural theory, Emile Durkheim subjectivist approach; Q6503
vertical division of labor, regulatory authority structures, Emile Durkheim's views; Q4758

Dyads
bargaining/negotiation, human dyadic systems, dynamic interaction process; Q9451
dyad interaction patterns, analysis method; twin/nontwin dyads, aged 2; interactive devices identified; Q9444
genital herpes, dyadic relationships, patterns/treatment strategies; case studies; Q8749
power use, dyadic relationships; gender, legitimation; experiment; college students; Q9191
social roles/perception biases; questioner superiority; experiment; college students; Q4858

Dying
aging, dying, Papua New Guinea; modern medical technology; Q4342
death-dying, Western vs traditional attitudes/methods; case study; village, Hungary; Q7029
death/dying idealization, psychoanalytic interpretation; personal teaching experience; Q4904
dying, high medical costs; Medicare statistics; Q4261
hospice care ideology/success; Q8876
near-death experiences, R. A. Moody's model; Q4217

East And West
cultural decline/transformation, West vs East; Q9966
Soviet-East Bloc economic reform, strategic implications; R1002

Eastern Europe
atomization, political oppression, Eastern Europe, routine resistance advantageous political outcomes; S18463
black market activity, stealing, economic corruption, Eastern Europe; Q9441
Eastern European socialism, scholarship, anthropology's contribution; Q3398
high-energy physics accelerators, scientific performance, East vs West; publication counts, citation analysis, peer evaluation; Q4036
listener research, Radio Free Europe, methodological/sampling problems; Q7914
productivity, Czechoslovakia/Eastern Europe; income inequality; statistics; Q6736
Soviet-East Bloc economic reform, strategic implications; R1002
USSR/Eastern Europe development, social change; Q4827
youth labor market situation, Eastern/Western Europe, employment aspirations vs possibilities; R0578

Eating And Drinking Establishments
local political organization/activity, bars, rural Andalusia; personal observations; Q7636
public drinking places/patterns, Canada; questionnaire; R0788

Eating Disorders
bulimic alcoholic women, clinical features; interviews; R0806

Ecology
Braudel, Fernand, ecological/sociological paradigms; S19015
communication research, "media ecology" concept; Q7507
ecological structure, US, organization/population/technology; census data; S17544
ecological system, colonial New England; book review essay; Q7158
ecological/feminist movements; R1104
ecology/peace/antinuclear movements, Denmark/Netherlands/West Germany, political party/ideological/value orientations; secondary statistics; Q7869
economics/ecology discourse, goals/premises/objectives dissimilarity; Q4484
family socialization; ecological influences; German research; Q4104
feminists' ecological activism; Q6370
formal organizational structural/environmental variation, ecosystem analogy; S17660
growth, ecology; Q4492
individual-society relationship, human ecology, niche theory applicability; Q7398
organizational ecology, evolutionist vs neoclassical economist theories; Q9743
part-time farming, economic vs ecological explanations; Don E. Albrecht's/Steve H. Murdock's conceptual framework critiqued, reply; Q3741
political parties, ecological analysis; Q7957
population growth, ecological limits; S17727
psychiatric hospitalization rates, Calgary, Alberta; ecological/demographic attributes; admission records, census data; Q8830
residential invasion/succession, SoHo district, Manhattan, New York City; interview/field data, telephone listings; residents, businesspersons, officials; 1965-1977; Q3763
science/technology transfer, transcultural communication, ecology of knowledge concept; Q8973
social ecology concept; S19240
social growth, ecological/physical limitations; S18105
teacher-student interaction, ecological perspective; West Germany; Q8290
technological advance, ecological impact; Q9398
The Social Production of Urban Space by Mark Gottdiener; review essay; Q8158
Western sociology recent ethical/ecological concerns; Q4478

Economic Change
community attitudes/involvement, rural youth; rapid energy development; questionnaire; high school seniors, Utah; S18873
community studies method, rural social relations, economic restructuring; literature review; R0142
demographic trends, central Appalachia; economic changes; survey; households, families; Q4174

household/family structure, 19th-century Moncton, New Brunswick; economic changes; census data; R0641
intercensal immigration rates, rural/urban India; economic changes, employment patterns; census data; 1961, 1971; S18210
labor markets; capitalist development; household surveys; villages, England; Q3725
managerial position attainment, Israeli females; decreased male competition, norm changes; labor force surveys; 1975, 1982; S18031
mental disorder/stress; economic changes; survey data; Los Angeles, California, 1978-1982; Q4286
mental illness/alcoholism/drug abuse; unemployment rate changes; economic statistics, program utilization data; Q7583
political economy, Iran, Islamic values; Q4826
political/cultural change, geographic restructuring; Lancaster (England) travel-to-work area; 1950-1980; R0189
protoindustrialization, medieval Europe; comment/reply; Q9796
reindustrialization, US capital/economy; Q9799
return migration's economic impact, Bernalda, Italy; survey; returnees; Q5752
socioeconomic change, political system/Islamic religion interactions; postindependence Algeria; S18642
Soviet-East Bloc economic reform, strategic implications; R1002
spatial economy, structural change, UK; R1040
worker self-management systems, socialist countries; macro regulation market mechanism; historical analysis; Yugoslavia; S18532

Economic Conditions
black market activity, stealing, economic corruption, Eastern Europe; Q9441
economic life, rural poor, India; community membership/occupation; case study; West Bengal; S17654
economic well-being, elderly women; labor force attachment, family financial support; survey; Q9196
homeless alcoholics' lifestyle, Finland; beverage workers strike; Q5189
partisian preference, male vs female US/Canadian undergraduates; economic conditions; questionnaires; Q9962
presidential election outcomes, US; major parties' cultural position, economic performance; content analysis, statistics; 1892-1964; Q5330
women's economic condition, US Census Bureau's Survey of Income & Program Participation's research utility; R1080

Economic Crises
Brazilian revolution, 1930, social/economic/political roots; Q7948
corporate crisis situations, financial institutions'/finance capital's behavior; Q9790
current "farm crisis", rural impact; secondary sources; Nebraska; interdisciplinary approach; S18865
economic crisis, Austria; industrial reorganization; Q9698
economic crisis, Norway, state intervention, decision-making process/strategy implementation; Trade Bank/court records; 1920s; S17937
economic/political crisis, Kenya, ethnic conflict; Q9775

living arrangement choices, elderly, predictors/influences; interviews; London, Ontario; Q7092
living arrangement preferences, elderly, Quebec, policy issues; interviews; Q8880
living arrangements, noninstitutionalized elderly, determinant factors; interviews; London, Ontario; Q8910
living circumstances, elderly colored South Africans, data collection techniques; surveys; Q8889
locus of desired control, young-old vs old-old nursing home residents; interview schedule; Q4252
Medicare reimbursement, Prospective Payment System's implications; R0838
mental health care, elderly, needs vs resources; Q7084
mental health service provision, rural youth, national health policy development; R0143
mental health, developed vs industrializing countries; socioeconomic factors; Canadian perspective; Q8826
mentally infirm elderly, Canada, deinstitutionalization/privatization trends; R0840
minority racial/ethnic elderly, British urban communities, services development; Q4339
morale, life satisfaction, rural elderly; social/physical environment, qualitative assessments; interviews; Warren County, Indiana; Q7085
mortality decline, US elderly, familial/social welfare implications; census data; Q8883
mortality rates, older adults, England/Wales, sex differential; biological/environmental factors; official data; R0504
multigeneration households, location distinction, parents' vs adult child's home; interviews, questionnaires; Hamilton, Ontario; R0651
neighborhood satisfaction, elderly; objective/subjective determinants; interviews; Albany-Schenectady-Troy, New York; Q4347
Nepalese elderly, family structure, high/low castes; post-1950 economic changes; interviews; R0839
old age economic support approaches, US/GB, English Poor Law; Q4361
old age policy, 30-year analysis; R0842
old age problems, industrial urban fringe areas, India, family breakup; case studies; S18452
old age security expectations, India; interviews; pensioners, Tirupati, Andhra Pradesh State; S18041
old age service provision, public-professional/private-informal systems' rationales compared; participant observation; S18481
old age, home health care alternatives; Q7086
old age, standard of living/health/loneliness; questionnaire survey; French urban households; Q7077
old-age disbursements, welfare states; S17949
older immigrants, natural helpers' services; case studies; Chinese community, Boston, Massachusetts; R0845
older parents/middle-aged children, intergenerational relationship; interviews; Q6996
older student enrollment, Australian tertiary institutions; statistics; Q8888
older widowed persons' morale, sex differences; interviews; Q4363
older women's roles/attitudes; feminism; Kirkpatrick Feminism Scale; mother-daughter pairs; 1934, 1974; Q6326
past/present drinking patterns/reasons, elderly, rural Arizona; inventory; Q8882
personal control perceptions, older males; health factors; National Longitudinal Surveys; R0852
physical fitness, elderly males, Third World countries, intracohort variation; social/caste structure; medical exams, observation; Chetbesi, Nepal; Q8877
physical/mental disabilities, elderly aged 85+, US; community-based studies; Massachusetts, Iowa, Connecticut; Q4341
planned vs actual retirement, men aged 68-73; survey; 1979; Q7078
political participation, elderly, US, opportunity structures; survey; S17524
poor relief policy, England, elderly's treatment; medieval period-19th century; S18993
population aging, health care implications; Q8741
postretirement work activity, older men; social/demographic/mediating factors; National Longitudinal Surveys; Q8878
poverty, elderly, social/health/economic resource deprivation; welfare state/policies; Italy; S17911
prescription drug misuse, elderly, causal/correlated factors; questionnaire; Q8842
problem-solving dialogue, harmonious vs disharmonious couples, information theory approach; conversation analysis; R0661
psychological well-being, aged; activity; Affect Balance Scale; Q4340
religious meanings/belief systems/practices, elderly females; open-ended/structured questionnaires; nursing home residents; Q8365
relocation adjustment, elderly movers, Israel; organizational/informal activity involvement; questionnaire survey; R0529
residential mobility, retired persons; Longitudinal Retirement History Study; R0860
residential mobility; household head/spouse retirement patterns; panel study; Q8891
residential satisfaction, urban elderly males; housing/neighborhood conditions; questionnaire; Q6168
retirees' leisure activities, data-gathering procedures/error sources; interviews, time-budget studies; Windsor, Ontario; Q9916
retirement community, US; typology; Q6167
retirement patterns, older workers, occupational differences; longitudinal surveys; 1973, 1976, 1978; Q7082
retirement process, black elderly; labor force experiences; interview survey; Q7083
retirement satisfaction, rural elderly; social integration/personal background/health factors; interview, questionnaire; Midwestern US; Q6163
retirement/marriage patterns, emigrant community, Philippines; field research; R0841
senior centers' activities/services, nature/availability; Q8899
sexual knowledge/attitudes/education needs, older men/women; interviews; Q6173
social participation/involvement/support, elderly; past/present life experiences; interviews; Reading, Pennsylvania; Q8886
social representations of aging, working class labor management; industrial retirement/pension plans; monographs; steel mill, colliery; Burgundy, France, 19th/20th century; S18264
Social Security old age retirement issues, US, Eveline M. Burns's work/professional leadership; 1935-1960; R0889
social ties/informal networks, elderly; interviews, Albany-Schenectady-Troy, New York; Q7091
social/health service needs, British vs Polish immigrant elderly populations, GB; interviews; S17688
socialized medicine, British National Health Service, elderly's treatment; case study data; S18907

suicide rate decreases, elderly; age, sex, race; official US statistics; 1933-1978; Q4357
suicide trends/levels, elderly; statistics; Q8901
television viewing behavior/attitudes, elderly; questionnaires; Long Beach, California; Q8884
time allocation, elderly ethnic minorities; Canadian national survey data; elderly Asians; S18689
traditional *babushka* role, older women, USSR; modernization/demographic processes; Q7187
urban elderly, quality terminal care provision, health professionals' role/expectations; literature review, interviews; R0737
urban Mexican elderly, economic/social support; questionnaires, ethnographic data, interviews; women, schoolchildren, families, Cuernavaca; R0849
voluntary international migration, Israel-bound aged, New York City, motivators/resources/obstacles; interviews; R0846
well-being/problems, aged women, Haryana, India; participant observation, interviews; S18567

Elections
1984 US presidential election; New Christian Right/Moral Majority; telephone interviews; Muncie, Indiana, voters; Q3555
1984 US Presidential election; religious groups' influence; Q3576
British 1983 election, television coverage, political consensus-making; Q9977
congressional/statewide campaign experiences/strategies/financing, gender differences; questionnaire; candidates; Q5291
electoral cleavages, presidential elections, Chile; time-series data; S18629
electoral politics, women's movement's role, US; 1980; Q9986
electoral reform, San Jose, California; 1970s; Q5446
electoral support, Hitler/National Socialist German Workers' Party; historical data; Q7972
electoral/political reform, Mexico; R0011
fraud, 1983 Nigerian national elections; registration data, newspapers, interviews; S17818
local public officials, reelection decision predictors; social learning theory model; Ohio; Q9969
party identification/voting behavior, Belgian voters; perceived party leaders' personality traits; evaluative survey; 1981 national election voters; Q7958
political pluralism/electoral system, Morocco; official data; 15 September 1984 legislative elections; Q7978
presidential election outcomes, US; major parties' cultural position, economic performance; content analysis, statistics; 1892-1964; Q5330
undecided voters, Illinois gubernatorial election, voting patterns analysis; critique/reply; Q3575
US elections, 1980/1984, federal health/social policy; Republican/Democratic Parties' social class practices; Q3574
voter turnout, presidential primaries; socioeconomic makeup, legal restrictions, political context; state-level statistics; Q3560
voters' choices/attitudes, 1980/1984 US Presidential elections; Moral Majority/New Christian Right influences; surveys, telephone interviews; Q3590
women's municipal office election rates, London, Ontario; election data; Q3562

Electronic Technology
microelectronic revolution, social consequences, Club of Rome's 1982 report; Q5719

Elementary Education
primary education, Thailand, primary school's success; questionnaire, interviews, documents; R0265

Elementary School Students
black students' achievement; classroom grouping, resegregation, teacher attitudes; questionnaire; fifth graders, elementary school teachers; Q5532
classroom attention; peer influence; videotapes; first-grade reading groups; Q3070
elementary childrens' academic achievement, cognitive abilities, cross-cultural comparison; achievement/cognitive test battery; Chinese/Japanese/American children; Q5811
elementary school students' friendships; ability grouping; longitudinal data; northern California; Q5547
emotional/psychosocial problems, Austrian school children, parent/teacher cognizance; questionnaire; Q3104
reading grouping, black elementary school students; teacher bias; observation, questionnaire, interview; Q5546
school achievement/determinants, structural prediction model; tests, questions; fourth graders; Q5579
self-concept protection, physically different children, coping strategies; interviews; parents; Q5812
sex identification/typing, primary school children, sex/class differences; Draw-A-Person tests; Yoruba, Nigeria; Q6390
student academic achievement, urban public elementary schools; school climate/social structure; questionnaires; teachers, Paterson, New Jersey; Q3876
student achievement, whole-class vs ability-group instruction classrooms; class size; test/class records; elementary school children, California; Q5548
student grades; achievement/race/sex/other variables; longitudinal data; first/second/third graders; Q3862

Elementary Schools
Guarani vs Spanish, teacher preference, Paraguay primary schools; field study data/survey; third graders/teachers/principals; Q6779
primary/secondary schools, centralized/decentralized authority, loose coupling concept; Q3847
stress, elementary/secondary schoolteachers, organizational predictors; survey; New York; Q7755
touch-typing instruction, elementary schools, comprehensive teacher training program; questionnaire, field test; Oregon, Washington; R0291

Elias, Norbert
civilization process, Norbert Elias's theory, Immanuel Wallerstein's world systems perspective; S19146
civilization theory, Norbert Elias's work; Q3016
historical sociology, Norbert Elias's works; 2-book review essay; Q3380

Elites
black elite characteristics, US; surveys; longitudinal analysis; R0064
civil liberties, elite vs mass support; Herbert McClosky's/Alida Brill's *Dimensions of Tolerance: What Americans Believe about Civil Liberties* reviewed; Q5302
communication orientations, exogenous/endogenous elites, Mexico; interviews; Q8114
community development, press's role, local leaders' vs editors' views; interviews; Q8999
community power structure, Chicago, Illinois; sociometric survey; Q6254
earnings inequality, postindustrial society; service sector growth/elite employment; census data; US; R0055
educational opportunity, elite school influence; interviews, observations, questionnaires, school records; Q8273
elite emergence/influence, Munda tribe, Bihar, India; Q8039
elite graduate business schools, corporate recruiting practices; questionnaire survey, interviews; R0261
elite organizational deviance, white-collar crime, C. Wright Mills's paradigm, humanist criminology issues; Q7770
elite population's career patterns, Hungary; historical events, revolutions, wars; biographical dictionary, memoirs, interviews; S18165
elite/mass political intolerance, research suggestions; Q3545
elite/traditional/commercial/alternative cultural currents, Federal Republic of Germany; Q4829
elites, Shanghai, China, prosopographic analysis; 1911-1949; Q6733
environmental/conservation issues, public/elite concern; Q6305
established banks; established churches' shareholder resolutions; Q3915
group social structure, clique hierarchy macromodel; tests using empirical sociomatrices; Q5147
physicians' proletarianization; Q3692
political opinions/ideology, Canadian business executives/trade union leaders; national survey; R0056
science advisory committee system, US, elite structure; Q8469
social elitism reproduction, English/US residential secondary schools; Q6808
tribal elite, acculturation/role, India; case studies; Choudharis, Bhils, Munda; R0061

Elitism
alienation; capitalist social relations, democratic communication; S18788
educational motivation, career aspirations, elite university students; interviews; Bangalore, India; Q5343
elite art institutions' prevalence, metropolitan areas, US; urban resources/region/demography/size; Q8207
rank of institution attended, graduate/professional students; undergraduate achievement, social class, sex, race; surveys; R0266
socialization process, US prep/British public schools; questionnaire/interview/other data; R0282

Emergencies
civil defense agencies, US, performance/effectiveness; case studies; R1033
emergency planning, social services provision; Q4493

Emigration
American Jews' migration, Israel, mover/stayer comparison; R0519
emigration decisions, Termini Imerese (Palermo, Italy) fruit traders, Toronto, Ontario; prior townspersons' emigration; Q5779
emigration to Israel, US Jews, parents' reactions; open-ended questionnaire; S18938
ethnic group-mother country, bonding/relationship; Q9536
ex-/repatriating young persons, Italy, demographic/economic characteristics; official/secondary data; R0499
immigrants' sociopolitical views/lifestyles; communist-to-Western society migration; interviews; France; S18277
Jewish emigration causes, Dublin, Ireland; 1980 survey; households; Q4088
mass emigration, Swedish/Norwegian rural communities, rural ecology vs economic vs multiphasic response vs innovation diffusion theories; mid-late 19th century; Q6766
middle-/upper-class British immigrants, British Columbia, settlement/behavior patterns; Q9539
migration policy, Greece; economic factors; post-World War II; S18682
national development, Gujarat State, India, youth participation vs emigration aspirations; questionnaire; R0589
Pakistani immigrant elites, Manchester, England, giving/voluntary associations; field research; Q5358
retirement/marriage patterns, emigrant community, Philippines; field research; R0841
women workers' emigration experience, Greece/Portugal/Haiti/Colombia-to-Montreal, Quebec; S18143

Emotionally Disturbed
adoptive families' dynamics, adopted child's scapegoat role; New York, New York; R0665
children's emotional disorders; divorce increases; literature review; Q4197
high-risk children/emotionally disturbed parents, prevention/intervention strategies; Q7057
television reality perceptions, emotionally disturbed vs nonhandicapped children; Videotest; Q7917

Emotions
adult emotional development, assessment method, content analysis coding system; questionnaires; Q7515
affect communication; cultural/linguistic system restrictions; case study; Wolof speakers, Senegal; Q5492
affect, functional perspective; Q3111
alienation vs violence as emotional reaction, suicide/nonviolence/pacifism strategies; S18047
birthday cards, love expressions, social/cultural/linguistic relevance; S19056
chronic illness, negative/positive emotional implications; interviews; women, California; S17737
emotional experience, lived body's role; Q7587
emotional experience, organizational scripting, dramaturgical/mesostructural interpretation; participant observation, interviews; war game; Q7559
emotional functioning, gender differences; theory/research review; Q4550
emotional interaction, charismatic leaders-followers, social change implications; speeches; Martin Luther King, Jr., Malcolm X.; Q7551
emotions theory, George Herbert Mead's social vs modern behaviorism analyses; Q7319
emotions, social construction, responses prescribed for appropriate contexts; Q3080
emotions/family/kinship, materialist analysis; book review essay; Q7001
grief experience, symbolic-interactionist approach; Q7504
human behavior, rationality/emotion interaction; colloquium proceedings; Q4897
imprisoned property offenders, emotionality/criminal behavior; interviews; Q3101
intimate heterosexual relationships, emotional experience/expression; survey; college students, Wisconsin/Oklahoma/Hawaii; Q7539
leisure as mental feeling; S18358
"Love, Jealousy, and Envy," undergraduate sociology course content; Q4688
power concept, emotional expression; Q4879
prenatal amniocentesis, qualitative sociological research, emotional difficulties; personal experience; Q9322
Reagan administration's economic performance, political evaluations, emotion's role; interviews; Lexington, Kentucky; Q6663
sociology of emotions-symbolic interactionism relationships; special *Symbolic Interaction* issue, introduction; Q7481
universal human expressive needs, theoretical frameworks; Q7534

Empathy
empathy notion, German ethnology; Q3280
feminist therapy, symbolic interactionist perspective; Q9167

Empirical Methods
personality research, empirical/experimental approach; Q6543
political decision making, research coding procedure; Q6281
scientists' observations, consensus-making process; R0918
social mobility-economic development relationship, empirical tests; recent research; Q5165
social sciences, new realist philosophy, positivist limitations; Q7220
sociological empirical methods (questionnaire surveys); Q4609

Empiricism
exploratory statistics development; empiricism; Q4628
social theory, 18th-19th centuries, ethnographic/statistical data; Q9421

Employability
employment outcomes, Comprehensive Employment and Training Act program participants; program type; Continuous Longitudinal Manpower Survey; black/white males/females; Q3310
sociology students' marketability/learning; urban internship program; Westmont College, Santa Barbara, California; Q4695
WWII veterans' employment success, black-white differences, bridging hypothesis tested; longitudinal survey data; Q5113

Employers
employer-employee exchanges, contradictory normative expectations; Q3354
employer's association/their legislation activity, Netherlands; interviews, documents, periodicals; S18151

Employment
applied sociology employment, Robert W. Friedrich's influence; Q4713
divorce probability; wives' employment; National Longitudinal Survey; Q5984
employers' job placement decisions; job candidates' race; mail questionnaire survey; personnel officers, employers; Q9641
employment outcomes, Comprehensive Employment and Training Act program participants; program type; Continuous Longitudinal Manpower Survey; black/white males/females; Q3310
employment rates, commercial-administrative branch; service industry; communication/data-processing technology; Q5069
employment system, structure/development, Germany; 19th century-present; Q7701
employment/compensation, market adjustments, integrated sociology/economics framework; Q7681
employment/wage rate inequality, central city male youths; individual/family/labor market characteristics; census data; whites, blacks, Hispanics; Q5070
family-based employment networks, organizing activities; case study data, interviews; S18009
Filipino workers, Middle East employment; questionnaire/interview data; Q4082
health; employed vs unemployed individuals; Canada Health Survey; Q4231
human capital characteristics, employed vs unemployed primary income earners; Ohio; S17463
income-employment matching, structural model; Current Population Survey; S18961
job duration, Australia; official statistics; Q3326
job duration, continuous time hazard rate model, estimation algorithm; interviews; males, Norway; Q7270
job outcomes/entrepreneurial viability determinants, ethnic enclaves; interviews; blacks/Jews/Italians, New York City; Q3223
labor productivity, data-processing technology effects, German Democratic Republic; Q9250
marital relationship/parenting effectiveness, Latino women's perceptions; employment status; questionnaires, interviews; Q9688
nurse labor market patterns/behavior, supplemental nursing agencies; interviews, surveys; hospitals/agencies, San Francisco, California; Q8084
occupational adaptation, recent male immigrants, Canada; national longitudinal data; R0117
parental childrearing practices/attitudes, children's behavior; maternal employment; interviews, observation, test scores; Q8579
postmigration occupational careers, recent immigrants, Canada; S19080
psychological stress, sex differences; males'/females' employment status; adults, US; 1957/1976; Q6087
sex-based employment discrimination/stereotypes, academic institutions, legal definition/approach; Q8411

social action/volunteerism; employment status/expectations, sex; questionnaires; Australian university graduates; Q3097
tourism-related employment/seasonality patterns, Adirondack Park, New York; longitudinal official statistics; Q9890
unemployment/job competition, France; modernization, discriminatory employment policies; Q5072
women's employment patterns; family life cycle stage; statistics; Q9142
women's employment; recent British literature reviewed; Q4520
women's roles/employment, Oklahoma oil town; energy resource development; fieldwork; Q5187
women's status/roles, India; education, employment; interviews; teachers, Uttar Pradesh; S17564
women's work/nonwork activities; field research; Argentina/Paraguay; S18738

Employment Changes
central city unemployment rates, US/West Germany; demographic-employment opportunity mismatch, public policies; Q7698
community employment changes, econometric models/data sets; Duns Market Indicators, Pennsylvania County Industrial Reports; Q4646
Czechoslovakian youth, post-World War II changing social/employment conditions; Q5838
economic/employment structure, Stockholm vs other regions, Sweden; statistics; 1960, 1970, 1980; Q7275
employment structure, microelectronically controlled machine tools, Japan/France; S18221
employment/organizational patterns, economic growth, US firms; high technology, education/training; Q8509
farmers' mobility intentions; financial strain; random survey; farm operators, North Dakota; S18868
female labor force participation, Brazil, social implications; longitudinal cohort analysis, census; 1950-1980; S18461
intercensal immigration rates, rural/urban India; economic changes, employment patterns; census data: 1961, 1971; S18210
job loss; high technology; Q4055
joblessness, Hispanic vs white youth; business cycle phases; surveys; 16-19 year olds; Q6959
occupational/industrial structure differentiation, rural vs urban areas; employment growth; US population censuses, 1970/1980; Mississippi; S18823
off-farm employment, Kentucky farm women; survey; S18838
poverty, modern welfare society; welfare benefit cuts, labor market redundancy; Denmark; S17557
real estate development, economic activity decentralization, employment; telecommunications growth; Q6929
work/employment trends, policy development implications; scientific/technological developments; European Economic Community research program; S18772
worker job mobility, young people's adjustment; labor market instability; Q5100
work's sociocultural/individual value erosion, alienation; labor society changes, technological development; industrial societies; S17567
youth alienation; unemployment, prior work experience, labor trends; literature review; S18097
youth professional involvement; job market changes; interviews; Swiss Germans; Q5830

Employment Discrimination
co-employed spouses, socioeconomic advancement strategies; sex discrimination, education; personnel data; rural US university; S18810
comparable worth, new feminist views critiqued; Q6358
disaffection, black vs white males/females, GB; unemployment duration, perceived job discrimination; questionnaires; Q5103
economically disadvantaged women, federal job training policy impact/issues; Q9661
employment characteristics, migrant farmworkers; recent immigration vs native born, gender, education; Wayne County, New York; S18814
employment equity, academia, social technology policies; Q9561
female exclusion, toxic work environments, policy impact; case study; Bunker Hill Company, Kellogg, Idaho; Q9692
gender equity, university sociology department faculty; questionnaire; 1970s; Q8097
minority/female employment, California manufacturing plants; unions; employment data; 1974-1980; Q9672
on-the-job sex discrimination, sex-role attitude/identity relationships; measurements, action maze; undergraduates; Q3671
racial inequality, occupational injury/illness, public policies' coordination lack; surveys; black vs white workers; Q4259
racial/sexual discrimination, employment recruitment process; Q7693
sex discrimination legislation, UK, equal treatment/pay principles; Q8377
sex discrimination regulation, Norway, public sector hiring practices; Q8109
work, sex segregation/pay gap; socialization/discrimination patterns; Q6340
workplace racial discrimination assessment, classical validation method critiqued; Q5014

Employment Opportunities
computer work force, blacks' participation; R0112
disabled people, employability issues/opportunities; Q7696
educational opportunity inequalities, statistical measures; West Germany; R0252
equal employment opportunity, liberal vs radical approach; Q9565
gender equity, university sociology department faculty; questionnaire; 1970s; Q8097
higher education, Mexico, growth/development; 1950-1978; R0256
job equality progress, UN Decade for Women; International Labour Office data; Q7733
job searches/changes, men's vs women's social resources; interviews; white-collar workers; Q9642
labor force participation, male vs female unemployment, northern Mexico; Border Industrialization Program; Q7178
labor market opportunities, bachelor degree criminology graduates; University of Montreal, 1970-1983; Q6740
managerial position attainment, Israeli females; decreased male competition, norm changes; labor force surveys; 1975, 1982; S18031
manufacturing jobs access/location, neighborhood change/racial transition issues; census/survey/industrial data; Philadelphia, Pennsylvania; Q3758
middle-class employment patterns, US blacks/Northern Ireland Catholics; residential segregation; statistics, surveys; Q8034
national identities, employment opportunities, guestworker youth; political/economic context; questionnaire, interviews; working-class school leavers, Vienna, Austria, Turkey, Yugoslavia; S18247
physician assistant profession, status/trends; Q3658
present workplace trends, negative future productivity effects, Bureau of Labor Statistics research implications; Q5382
public/private/industrial sector employment opportunities, Canadian university graduates; Q5569
racial minorities/women, equal employment opportunities, US police departments; statistics; Q6758
service/information industry, future employment prospects; cross-national perspective; Q7432
sexual equality, academic employment, legal issues; Q8383
urban employment accessibility/profitability; Selby Bindery, Saint Paul, Minnesota; Q4593
women's work options, media images, "established" vs "new" magazines; content analysis; 1971-1980, US; Q7732

Endogamy
ethnicity behavior, social structure constraints; state-level data; European ethnic groups, US; S19112

Energy
energy technology development decisions, mathematical model; Q7281
energy technology, everyday usage, assimilation issues; Q5734
energy/labor relationship, farm type production systems, substitution model; census; US; S18855
energy's social uses, school children's perceptions; personal experience; 4th year classes, GB; Q3871
rural communities, western US; large-scale energy development; interviews; R0129
social isolation/distrust perceptions, rural communities; large scale energy resource developments; longitudinal survey; two western US small towns; S18835
social structure, rural communities; energy development projects; case studies, fieldwork; Montana; R0948
sociodemographic/social structure, small communities; energy development; mailed questionnaires, interviews; Ashland, Montana; Q7135

Energy Conservation
energy conservation program, California, utilities' evaluation research critiqued; Q3358
energy conservation, consumers' vs researchers' perceptions; survey; households, Michigan; Q7817
energy consumption patterns; family/lifestyle characteristics; surveys; US; 1950-1980; Q9065
energy efficient housing alternatives, consumer acceptance; marketing techniques, information availability; interviews; southern US; S18806
form-energy relationship, centralization vs multinucleation vs sprawl, urban areas; R1026
household weatherization programs, participation incentives; mail questionnaire; Washington power company customers; Q9059

Energy Consumption
cleanliness obsession, US, energy consumption implications; 1900-1940; Q7927
demography/transportation/energy use, decentralizing cities; secondary data; London, England/Paris, France; Q5465
energy consumption patterns; family/lifestyle characteristics; surveys; US; 1950-1980; Q9065
urban commuting patterns/gasoline use, metropolitan functional specialization concept; Q9053
Energy Policy
community attitudes/involvement, rural youth; rapid energy development; questionnaire; high school seniors, Utah; S18873
energy extraction/development, social/economic/cultural impact, conceptual/methodological issues; R0960
energy issues, US, 1970s, centralized/hard technologies criticized; Q4464
energy planning/development, Turkey; Q9791
energy situation/projects, Mexico; Q9776
future energy supply systems, social compatibility criterion; interview data; citizens, Federal Republic of Germany; S18397
power station development, Norway, public opposition/planning process; case study; R1023
Engels, Friedrich
history of sociology, Karl Marx's/Friedrich Engels's reception; Q4765
"Legal Socialism" by Friedrich Engels & Karl Kautsky (1887), revolutionary strategy; Q7841
working class housing/conditions, 19th-century London, Friedrich Engels's dialectical materialist analysis; Q3629
Engineering
engineering ethics, addressing moral/social responsibility issues, projects/courses; Q3719
engineering sciences education, Austria, sociology requirement; Q4703
Engineers
American Association of Engineers, professionalism/conflict; 1920s; Q8092
corporate management by technocrats, engineers'/radical thinkers' convergent interests, Thorstein Veblen's theories; Q6493
engineering profession, West Germany; literature survey; Q3687
engineering schools' alumni associations, collective trade identity/social position; 19th-century France; Q9769
job satisfaction/anxiety, female engineers; need fulfillment, stereotyped attitudes; mail questionnaire; GB; Q9666
professional unionization movement, French intellectual workers' representations; S17941
social status/work motivation relationship, engineers, Bulgaria/other socialist countries; S19142
England
absolutist monarchies, 17th-century France/England, revolutionary opposition; R0045
aging policy trends, England, cyclical theory of social relief; 12th-19th centuries; Q8908
alcohol/burglary correlation; interviews; criminal offenders, England; Q4375
Asian (Indian/Pakistani) children's language acquisition/mother tongue retention, English schools; industrial northwest England; S18467
authority attitudes/societal participation, adolescents; questionnaire; students, Manchester, England; Q6949
biographic production/writings, feminist framework; Q9156
Catholic/Protestant cleric intellectuals, 16th/17th-century England/France, political power/agency; S19187
children's academic attitudes/achievements, sex stereotypes; tests; Manchester, England; R0260

littering attitude-behavior relationship; attitude accessibility, social norms; interviews; students; Q4918
shoreline/water quality, landowners' perceptions; government policy, community/personal characterics; Adirondack region, New York; S18861
water supply contamination, residents' concern; mailed questionnaire survey; New England; Q3439

Environmental Design
land planning profession as movement/ideology; Q3663
sociospatial environmental quality, design process; biological architecture, holistic participation; S18523

Environmental Factors
children's death concept, Jews/Christians/Moslems/Druze, Israel; environmental factors; questionnaire; Q5793
children's development, hereditary vs environmental theories; adoption studies; Q5797
climate/behavior interaction models tested; national climatic/sociocultrual statistics; R1068
dam building, social aspects; Q6306
educational/occupational/need attainment, intelligence, monozygotic/dizygotic twins; genetic/environmental factors; test scores; Q8287
girls' educational choice, social background's influence, data collection methodology debate; Q3860
knowledge generation/use; social/cultural/political environmental factors; hermeneutical approach; Q6226
newspaper industry's organizational structure/performance levels; task vs institutional environmental variables; historical data; San Francisco/Oakland/San Jose, California; Q5161
personal lifestyle/health; individual behaviors, environmental factors; Q6013
psychiatric illness liability; genotype-environmental interaction; alternative models; Q7061

religious beliefs/practices, Dange Dhangar vs orthodox Hindus, India, environment's impact; participant observation, interviews; S18074
school achievement/determinants, structural prediction model; tests, questions; fourth graders; Q5579
social life/organization theory, physical phenomena conceptualization; S19255
social tolerance; preadult socialization, adult environment; General Social Surveys; 1972-1977; Q6550

Environmental Protection
black community, environmental degradation, underclass perspective; R1022
community conflict, instrumental vs consummatory issues, bargaining vs oppositional strategies; case study; proposed uranium refinery, Mennonite community; R0955
divergent forecasts, data mediation/resolution; case study; General Motors/US Environmental Protection Agency/State of Colorado researchers, Denver; Q6302
environment legislation, 1970s, public decision-making participation mandate; sociological perspective; Q6285
environmental macrorisk/microrisk control, Environmental Protection Agency; case study; ethylene dibromide publicity efforts; Sept 1983-Apr 1984; Q9064
environmental regulation, union support/activity; statistics; R1034
environmental/conservation issues, public/elite concern; Q6305
genetically modified organisms, environmental regulatory conflict; S19030
growth projects, Friuli region, Italy, environmental opposition; participant observation, survey/interview/other data; S19234
land/tree tenure systems; social forestry; S18827
littering attitude-behavior relationship; attitude accessibility, social norms; interviews; students; Q4918
material/developmental growth, economic decline crisis; S19238
pesticide regulatory process, corporate interests' domination; case study; R1030
power station development, Norway, public opposition/planning process; case study; R1023
range management projects, government/international agencies' intervention failures; flawed technical approaches; S18828
regulatory compliance, negotiation; formal model; Q4490
state wastewater program, community protest, Humboldt County, California; Q4483
topsoil/groundwater depletion, Arkansas Land Stewardship Project, ethical issues; S19054
undesirability principle/toxic waste regulation; Q6304

Environmental Sociology
social impact assessments, rural sociologist's role; Q5415
social-scientific environmental research, Netherlands/Flanders; Q9048

Environmentalism
bureaucracy vs participatory democracy, toxic waste management; environmental study data; S18935
community-based environmental organizations, goals/structures/activities/problems; survey; S18897
environmental action behavior/motivation, church members vs environmentalists; personality factors; inventories; Q9497
environmental concern, urban/rural differences, G. D. Lowe's/T. K. Pinhey's views; literature review, secondary data; S18863
environmental issues; public opinion polls; France; 1977-1984; Q6666
environmental movement-state relationship, resource mobilization theory; Q7858
environmental policy decision making, scientific research's roles, uncertainty arguments; Q7157
environmental politics, Netherlands, policy/regulation issues; S19160
environmental pollution, man's economic adaptations; book review essay; Q4489
environmentalism, Green movement, Europe, US/Latin America applications; 4-book review essay; Q5319
feminists' ecological activism; Q6370
national political conflict, Norway, Alta hydropower project, Lappish minority rights; survey; Q7151
nonanthropocentric value theory, environmental ethics; Q6301
political conflict, Jürgen Habermas's critical-theoretical perspective; R1015
quality of life, back-to-the-land movement participants; "official" vs "nonofficial" religious affiliation; questionnaire; S17693
social behavior, climatic factors; research data; S17990
social/environmental change, ideological influence; Q9041
social/environmental movement emergence, media role; content analysis; magazine articles, 1959-1979; Q5207

Epidemics
civilizing process, public health/hygiene concern; Q7637
health care reform, Rudolf Virchow's 1848 typhus epidemic report, Upper Silesia; Q4271
sexually transmitted diseases, public health policy making; Q8623
smallpox epidemic, American Southwest Indians; Spanish exploration vs climatic conditions; epidemiological data; 16th century; Q8805

Epidemiology
acquired immune deficiency syndrome epidemiology; high risk populations, New York City, New York/San Francisco, California/New Jersey; Q6015
epidemiological research, external consultant review, interest group bias; Q4591
pathological gambling, epidemiological research, methodological issues; R0814
psychosocial epidemiology, mental illness, anthropological vs epidemiological approaches; Q5718
two-year nurse education programs, junior colleges, diffusion/adoption process; environmental/organizational factors; census, documents, interviews; Q8071

Epilepsy
illness identity/career, stigma, Erving Goffman's theory; epileptic patients; Q6034
stigmatization/psychosocial distress, epileptics, coping strategies; interviews; Q9525

Epistemological Doctrines
anthropology, cultural materialism theory, critique/alternative approaches; Q4578
criminal justice research, elitist vs community-oriented paradigms; leftist research perspective; Q5675
culture of time, anthropological epistemology; 2-book review essay; Q7638
dialectical analysis, sociological theory, G. W. F. Hegel's/Karl Marx's views; Q4620
Durkheim, Emile, Comtean methodology; textual context analysis; Q4762
Durkheim, Emile, pragmatism/knowledge categories/social theories; Q4746
factor vs component analysis, mathematics; Q9276
generations, Karl Mannheim's *Structure of Thinking*; Q6230
historicism/universalism theses, relativism concept; R0938
knowledge expropriation, new epistemological explanations; S17786
knowledge, cybernetics model, holograph concept; Q4818
Luhmann, Niklas vs Jürgen Habermas, sociological theories; Q4815
memory/nostalgia, Maurice Halbwachs's theory; Q9430
Moscovici, Serge, social representation concept; critique/rejoinder; Q2873
philosophy of science, Maurice Merleau-Ponty's conception; R0454
Piaget, Jean/Thomas S. Kuhn, science development, fundamental concepts compared; Q5689
Popper, Karl, science/logic/metaphysics, Norbert Elias's misinterpretation; critique/comment; Q4614
positivistic criminology, Karl Marx's/G. W. F. Hegel's thought; Q6404
Said, Edward, *Orientalism*; review article; Q2877
social science philosophy; book review essay; Q4782
sociological epistemology; Q4610
sociological research, Italy, epistemological foundations; Q7406
sociology's reductionism-avoidance, Karl Mannheim's/Georges Gurvitch's methodologies compared; Q4634

Epistemology
anthropological practice, text metaphor; Q3271
computer simulation methods, epistemological aspects; Q2940
core gender identity claims, epistemological status, social policy implications; Q7463
Epistemology and the Teaching of Science by Robert Nadeau & Jacques Désautels; review essay; R0301
epistemology/anthropology, dialectical relationships; Q4630
epistemology/sociology relationship, relativism concept; Q6234
everyday life, methodological point of view; Q4621
family therapy, social/behavioral sciences, biological ontology, epistemology; Gregory Bateson's/Humberto R. Maturana's works compared/evaluated; Q7211
family therapy/systems epistemology, feminist critique; R1103
feminist sociological research, methodology/epistemology; Q7168
future studies, epistemological problems; personal reflections; Q7143
historical method, social science applications; Q4632
knowledge conceptions, phenomenological vs positivist approach, planners' roles; Q9241
Luhmann, Niklas, social systems theory, epistemological assumptions; Q7558

Marx, Karl, epistemological/methodological critique; Q4571
Marx, Karl, socialism, epistemological justifications; Q6399
methodology/sociology of science integration, empirical epistemology/operational analysis relationship; S17722

moral vs political values, "justice-as-fairness" view; Q5674
premarital relationships, students; equity/equality/reward levels; questionnaires; US; Q8584
racial equality strategies, affirmative action, economic growth; mathematical models; Q3202
sexual equality, academic employment, legal issues; Q8383
social development/equality/differentiation, socialist societies; social policy; S18767

Equity
agricultural development, growth-with-equity policy development/implications, India; S18218
allocation preferences, egalitarian vs equitarian modes; questionnaire; students; Q9459
infinite horizon planning problem, topology, social equity; Q9026
interpersonal/social conflict negotiation; total equity norm; experiment; male undergraduates; Q6537
premarital relationships, students; equity/equality/reward levels; questionnaires; US; Q8584

Erikson, Erik Homburger
Erikson, Erik, ego development model, modern applicability; R0939
psychosocial development, individuation/attachment, Erik H. Erikson's theory; Q3100

Eroticism
classic romantic legends/myths; Q8231
marital love interpretations, Max Weber/William Penn/Johann Goethe; Q4184
modernism vs postmodernism, French perceptions, George Bataille's influence; Q7411

Error of Measurement
causal models, internal consistency, measurement/sampling/specification errors; Q9278
social science research indirect measurement/generalizability, multiple causation cases; Q9230

Errors
regression analyses, nonlinear models, measurement errors; Q7278

Eskimos
cognitive abilities; television; field study; native Alaskan children; Q5232
cooperative foraging group size/composition, Inuit Eskimos; fieldwork; Canada; Q5058
Eskimo communities/adolescents; satellite television programming; surveys; Canada; Q5223
Eskimo population, Mackenzie River area, northern Canada, lifestyle/technology; Q9002
pibloktoq ("arctic hysteria") syndrome, Inuit (Canadian Eskimo); hypervitaminosis A; Q6084
suicide rate, Inupiat Eskimo regions; economic development, modern education; Q7548

Estonian Soviet Socialist Republic
labor brigades, Estonia, new incentive system; questionnaire; brigade members; Q6608

Ethics
alienation, individual/society relationship, Kantian moral theory vs individualism concepts; S17724
antiabortion rhetoric, US; Q9873
biological/genetic engineering, medical applications, ethical issues; Q8513
discourse ethic, Jürgen Habermas's works; Q9405
discourse ethics, Jürgen Habermas; Q6481
environmental ethics, feminist perspective; Q7148
environmental ethics, organismic vs community model, substitution problem; Q7153
ethical atomism theory, rationality criterion; Q7495
feminism, sociobiological vs ethical explanations; Q4540
frail infants, life-support requirements, parental decision making, ethical issues; participant observation; R0744
genetic technology, US National Institute of Health's ethical guidelines; Q8499
handicapped neonates, selective nontreatment decisions, ethical/legal considerations; Q8759
human behavior, mediation theory's ethical implications; Q4805
language use, medical geneticists, ethical decision-making process; gender, nationality, training; questionnaire; 19 nations; S19251
literature/classics, teaching methods, "game" approach; Q8232
moral decisions, formal logic; historic concern; Q8987
moral/normative commentary, Karl Marx's views; Q9209
nature, images/ethics; science/technology; Q7155
nonanthropocentric value theory, environmental ethics; Q6301
paternalism/autonomy/personal responsibility, medical setting context; R0763
principal ethical values, postmodern period; Q8986
public service vs education emphasis, sociology, ethical issues; S18240
scientific ethics/values, Robert K. Merton's guidelines reviewed/criticized; Q5692
scientific research, ethical justifications, historical development; Q7296
social engineering, ethical issues; S18287
social research practice, deregulation/ethics; Q4665
suicide, ethical/social/philosophical/theological issues, interdisciplinary literature review; Q7031
teaching human sexuality courses, ethical issues/dilemmas; Q7301
Western sociology recent ethical/ecological concerns; Q4478

Ethiopia
age/social categories, Dassanetch, Ethiopia, animal symbolic association; fieldwork; Q5018
Communist revolutions, Cuba/Ethiopia, elite's role; S19143
family/marriage law, Ethiopia; Q8693
fertility differentials, Ethiopia; modernization factors; national surveys; R0509
Jews/non-Jews relationship, Ethiopia; Q4966
religious affiliation, Ethiopia; Q3946
social/authority structure, Sadama group, Ethiopia; religious conversion/proselytization; Q7626
unionized workers, economics differences, dominant vs nondominant ethnic groups, Addis Ababa, Ethiopia; interviews; Q4995

Ethnic Groups
academic achievement/attitudes, children; ethnic home environment; questionnaires, interviews, literature review; R0267
academic achievement/social adjustment, Chicano vs black university students; social class/background; questionnaire; University of California, Los Angeles; Q5571
alcohol misuse, immigrant psychiatric patients, New York, ethnic differences; institutional records; New York state psychiatric facilities; Q8861
anti-Italian bigotry/perceptions, Canada; Q4959
borderline personality disorders, psychiatric inpatients, sex/ethnic differences; chart records; whites/blacks/Hispanics; Q6074
cross-ethnic marriage patterns, Hawaii; ethnic group size/median income; secondary analysis; Q3251

cultural integration policy, strategic measures; Q9616
economic/political crisis, Kenya, ethnic conflict; Q9775
ethnic collective action, theories reviewed/critiqued; Q3464
ethnic economy participation, Edna Bonacich's theory; interviews; Cuban exiles, Puerto Rico; Q4943
ethnic group residential segregation, Philadelphia, Pennsylvania; interviews; Q5015

individual's social position, objective value/quantification; Q9824
intergovernmental aid expansion, mid-1970s, targeting/fiscal dependency issues; Census of Governments, local tax statistics; Q3775
school expenditures; race, class, ethnicity; school districts, Michigan; Q4453
social welfare spending, US, quantifiable/nonquantifiable effects; article/comment; R1007
US military spending, Keynesianism perspective; critique/replies; Q3376

Experience
acculturation process, phenomenological perspective; fieldwork; Maori, Cook Islands; Q7401
emotional experience, lived body's role; Q7587
immigrant women's experience, Canada; sex/ethnicity/class; interviews; Q9146
reflective thought, coarseness experience/language functions; ethnographic research; Ladak, India; Q3795

Experiments
assessment/experiment similarities, clinical practitioners'/experimental researchers' cooperation; Q7196
experimental design, randomization criticized, Bayesian analysis method proposed; Q4635
hierarchy formation, small groups; familiarity affect; experiments; university students; Q9450
legal proceedings/penology, experimental/social psychology's influence; Q4009
police discretion experiments; 1950s-1980s; Q3995
quasi-experimental research, causal assumptions; case examples; Q9232
research subjects' feelings, psychology's professional ethics; deception/stress, active vs passive participation; experiment; Q4684
scientific research, verification procedures; Q7209
social policy experimentation, guidelines; articles/comments; R0982
social psychology, experimental research ethics; Q7407

Experts
disability hearing process, Social Security Administration, vocational expert/consultant witnesses; R0374
linguists as expert witnesses, testimony interpretation; court case; Q5673
policymakers vs policy experts, socialist states; S18133
testamentary competency, expert witnesses misuse; Q4000

Exploitation
exploitation, Amazon, extractive export industries; article, reply; Q7813
photography as predatory/objectifying medium, Susan Sontag's views; comments; Q9227

Exports And Imports
cross-national income inequality; exports/public debt/development; statistics; Q3636
export-led development, structural problems; case study; electronics/textile industries, South Korea; Q7796
newly industrialized countries, Third World "graduation"; Q9833

Extended Family
extended family household, rural Serbia (Yugoslavia), father-son dyad; temporal processes; case study; 1832-1978; Q5937
Indian family firms' success, Durban, South Africa; joint (extended) family's role; interviews; Q4182
joint family businesses, Indian immigrant elites, Durban, South Africa; interviews; S18044

Extension Services
Community Resource Development programs, US Department of Agriculture, evaluation data; R0953

Extramarital Sexuality
bisexual husband, marital adjustment; questionnaires; Q6395
bisexual married males, psychosexual development, marital adjustments; interviews; Q6380
comarital sex ("swinging"), non- vs swingers' perceptions; questionnaires; Q4151
marital adjustment/satisfaction; husband's bisexuality; questionnaires, psychometric tests; Q6383
marital/sexual satisfaction, bisexual/heterosexual males; questionnaires; Q5885
opposite-sex friendship as adultery cause; questionnaire; university students; Q3122
sexual activity/relationships, married female bisexuals; interviews; women aged 30+; Q6384

Extrasensory Perception
alpha consciousness, meditation, biological interpretation; Q5251
altered mind/body perception, forms/treatment; R0766

Extraterrestrial Space
extraterrestrial beliefs, lexicological developments, religious/materialistic/scientific meanings; 19th-/20th-century France; R0453

Eysenck, Hans Jurgen
Eysenck Personality Questionnaire, cross-cultural validation; Q3096
personality assessment, scientific validity; Dreger's/Cattell's/Cummings's critiques, Hans Eysenck's response; Q9471

Factionalism
conservative Protestantism, propensity to schism, R. Wallis's theory; Q5601
factionalism, Udaipur District, Rajasthan, India; historical case study; Q9991
political factionalism determinants, Deccan village, India; Q3288
rural development, social class relations; village factional conflicts, *panchayat* election contests; interviews, observations; Meerapur, Uttary Ghatayan, India; S18545

Factor Analysis
factor vs component analysis, mathematics; Q9276
legal punishment perceptions, individual differences; interviews, questionnaires; arrestees; factor analysis; R0413
survey data, factorial analysis, disjunctive coding method; newspaper letters; France; Q7271
survey data, factorial analytical methods; Q7260
Factories
culture of production, work discipline/ethics; factories, Hungary; Q7727
Fads
streaking behavior diffusion, US universities; spring 1974; S18950
time orientation, Italian urban youth; interview survey; S19191
Faith Healing
faith healing practice; survey; Richmond, Virginia; Q8769
symbolic healing's universal structure, Western psychotherapy vs religious/magical healing; Q8748
Familism
family ideology concept; Q4160
family policy, definition/agents; Q5956
Family
adolescent self-esteem; family/school environments; scales; tenth-graders, Hong Kong; Q4855

collective action, group dynamics; accelerating/decelerating production function; Q5244
collective dynamics, power, legitimacy/coercion dichotomy, Evozok tribe, South Cameroon; Q6677
cooperative foraging group size/composition, Inuit Eskimos; fieldwork; Canada; Q5058
drug addicts' parents/Grey Panthers self-help groups, development/activities potential; participant observation; S18676
elementary school students' friendships; ability grouping; longitudinal data; northern California; Q5547
group social structure, clique hierarchy macromodel; tests using empirical sociomatrices; Q5147
human service organizations' structure, professional effectiveness, client control; sociotechnical approach; S18654
humor patterns; work group's social status structure; questionnaires; business firm/health care organization employees; Q4837
individual/group task performance, group members' evaluations, theory of status characteristics; experiment; Q8042
isolated small groups' structures; case studies; Scott/Amundsen Antarctic expeditions, Alaskan fishing camp; Q9449
primary group relations, biographical approaches; Rome, Italy; S18203
small group conflict, group vs individual identity boundaries, conversational tactics; conversational episode examination; S18216
small group research, field theory; Kurt Lewin's death, group dynamics/process-sociometry model; case studies; S18416
social conflict games, social traps simulation; experiment; S17821
sociometric assignments, group membership stability, assessment procedures; questionnaire; Q6445
splitting dynamics, large groups; members' differential perceptions of group leaders; questionnaire; Q6556
task-oriented groups, interaction/participation, comparative status model; videotapes; undergraduates; Q7459
terrorist behavior, group dynamics; R1073

Group Formation
group construction, "social space" theory, politics/the state defined; Q6505
group formation; interpersonal attraction, social identification; experiment; Australian grammar school students; Q4841
group network structure/evolution, sliding vs expanding windows; Q7779
rural-urban migration, group identity/formation, Japan; Q6772

Group Identity
helping prison inmates, guard subculture as impediment, group dynamics; Q4022
male homosexuals' self-esteem; community alienation/openness, homosexual group membership; questionnaire; Dallas, Texas; Q4872
members' subunit identification; resource allocation competition; survey questionnaire; school principals; Q6208
rural-urban migration, group identity/formation, Japan; Q6772
small group conflict, group vs individual identity boundaries, conversational tactics; conversational episode examination; S18216
social groups' language varieties; socioeconomic status, group identity marking; two-dimensional linguistic model proposed; S18341
social identity, categorical differentiation; experiment; female students, Switzerland; Q3093
social identity, ingroup/outgroup differentiation, self-evaluation; experiment; Q6554
social organization, homosexuals; capitalist reorganization/transition; Q4907
sociometric assignments, group membership stability, assessment procedures; questionnaire; Q6445

Group Norms
illicit drug use; self-derogation/-approval, membership reference groups; Q6131
norm development, decision-making groups; laboratory observation; Q4835
urban public high school, changing ethos; participant observation, interviews, archival records; 1953-1985; Q5539
workplace individualism/nonconformity/leadership, US vs Japanese values; Q4912

Group Size
cooperative foraging group size/composition, Inuit Eskimos; fieldwork; Canada; Q5058
student achievement, whole-class vs ability-group instruction classrooms; class size; test/class records; elementary school children, California; Q5548

Group Therapy
client-psychotherapist sexual involvement, group therapy project; Q8836
group therapy, adult children of alcoholics, family transference issues; clinic records; Stanford Alcohol Clinic, California; 1978-present; R1158
wife abusers' self-help group program, St. Louis, Missouri; R1161

Groups
intelligent/talented group, homogeneity; Q4874
intergroup attitudes/ behavior, children, India; Q9579
simultaneous latent structure analysis, several groups; Q2919
task-oriented groups, interaction/participation, comparative status model; videotapes; undergraduates; Q7459
youth groups, healthy vs pathological uses; Q4147

Guadeloupe
survival/demographic strategies, poor households, Guadeloupe; S17938

Guam
ethnic stratification, Guam; secondary/census data; S17550

Guatemala
agricultural technology use, Guatemalan farmers, innovative behavior; age; quasi-experimental data; Q4348
counterinsurgency measures/responses, Ixil area, Guatemala, rural vs urban worldviews; Q8002
mortality; socioeconomic/biological determinants; health intervention project data; India, Guatemala, Bangladesh; Q5763
national character development, Guatemalan revolution; Q9942

Guinea
Enlightenment religious discourse, Guinea African fetishism roots; Q8989

Gujarat, India
antireservation movement, social origins/state response, Gujarat, India; S18379
national development, Gujarat State, India, youth participation vs emigration aspirations; questionnaire; R0589

Gun Control
gun control research, public policy recommendations; Q8388
spousal homicide; gun control proposals; literature review, secondary data; Q9091

Gurvitch, Georges
Marxian issues, French sociology, Georges Gurvitch's influence; Q4558
sociology's reductionism-avoidance, Karl Mannheim's/Georges Gurvitch's methodologies compared; Q4634

Gynecology
"high" vs "low" obstetrical technologies, US hospitals, value disputes; literature review; Q8799
obstetrics/gynecology profession, ideology formation; R0752
professional ideology development, obstetrics/gynecology; journal article analysis, post-1920; R0751

Gypsies
Gypsies, Hungary, government policies; 1900-1960s; S17795
Gypsy social organization, Paris vs New York City Rom; Q3243
sociopolitical goals/policies, Hungary, Gypsies' vs Non-Gypsies' opinions; surveys; Q7618

Habermas, Jurgen
collective cognitive structures, evolution/development, Jürgen Habermas's communicative theory; feminist critique; Q9109
communicative autonomy, Jürgen Habermas's vs classical Greek political theory; Q4422
contemporary art analyses, Hans-Georg Gadamer/Jürgen Habermas; Q8223
cultural aesthetics/praxis, Jürgen Habermas's/Marcel Rioux's critical-sociological theoretical positions; Q7369
discourse ethic, Jürgen Habermas's works; Q9405
discourse ethics, Jürgen Habermas; Q6481
empirical legitimacy research, normative validity claims, moral evalution, Jürgen Habermas's views; Q4777
Foucault, Michel, Jürgen Habermas's "young conservative" criticism; Q4738
Habermas, Jürgen, communication action/rationality theory, Rene Görtzen's bibliography; 4-book review essay; Q6513
Habermas, Jürgen, communicative rationality concept; book review essay; Q3015
Habermas, Jürgen, psychoanalysis views critiqued; Q2970
human agency, culture notion, Jürgen Habermas's analysis; S18613
Jay, Martin, *Marxism and Totality: The Adventures of a Concept from Lukács to Habermas*; review essay; Q4481
legitimacy concept, Immanuel Kant, Jürgen Habermas, Niklas Luhmann; Italian colloquium proceedings; Q3554
Luhmann, Niklas vs Jürgen Habermas, sociological theories; Q4815
modernism, Jürgen Habermas's theory; Q3049
organization theory, conceptual strategies, Carnegie school's vs Jürgen Habermas's approaches; Q7757
political conflict, Jürgen Habermas's critical-theoretical perspective; R1015
postmodernism, Jürgen Habermas's argument; Q8981
postmodernist/neoconservatist thought; Jürgen Habermas's position; Q5303
praxis, Jürgen Habermas's/Anthony Giddens's critical theory; Q4804
psychoanalytical/narcissism concepts, Jürgen Habermas's critical theory; Q9355
social action analysis, sense principle, Jürgen Habermas's "universality" vs Niklas Luhmann's "particularity"; Q6521
social exchange theory, Jürgen Habermas's truth theory; Q6520
social order generation/maintenance/changes, communivative action theory; Q9402
social science theory/methodology, advanced industrial societies, critical theory perspective; R1019
sociology of knowledge's "cumulative complexity", Jürgen Habermas's paradigm analyzed, *Theory of Communicative Action*; S17617
The Theory of Communicative Action, Vol.1: Reason and the Rationalization of Society, Jürgen Habermas; review essay; Q6530

Habits
"habit" concept, Emile Durkheim's/Max Weber's treatment; Q7399

Haiti
Haiti, underdevelopment, moral vs technical approaches; two-book review essay; Q7454
Haitian conjugal/fertility patterns; rural-urban differences/sexual behavior norms; Haiti Fertility Survey; Q5899
industrialization/development pattern, Haiti; technoeconomic heritage; Q6642
Kanzo initiation rite, Haitian voodoo, structural approach, culture/personality relationship; Q5050
kinship terminology/organization, naming practices, rural Haiti; Q3788

Handicapped
athletic/educational/occupational aspirations, self-esteem, wheelchair athletes; questionnaires; Q7937
autobiographies as social science data, physically disabled cases; S18733
disabled people, employability issues/opportunities; Q7696
disabled persons' appearance management, clothing's role, negotiated outcomes perspective; interviews, questionnaire; disabled college students; Q3173
disabled persons, Canterbury, England, numbers/needs; survey, interviews; Q4278
disabled persons, minority group status; Q5009
disabled population, Latin American, social problem recognition; Q6044
handicapped children, family/community care, Flanders; secondary data; Q8940
handicapped neonates, selective nontreatment decisions, ethical/legal considerations; Q8759
handicapped persons, territoriality concept; Q8815
invalid adjustment, USSR; interviews; Q6599
microcomputer-based aids, disabled persons' utilization; Q8504
morbidity/disability/mortality dynamics, US; survey/longitudinal/other data; Q4356
physical/mental disabilities, elderly aged 85+, US; community-based studies; Massachusetts, Iowa, Connecticut; Q4341
technological innovation, handicapped unmet needs; R0487
women/disabled as deviant category, stigmatization/discrimination; Q9161

Happiness
happiness consequences/dynamics, research issues; S19249
leisure time, happiness, Japanese vs US males/females; changing gender roles; S17486
personal happiness measurement, Psychap Inventory; Q7480
satisfaction/happiness, midwestern US vs Canadian college students, predictors/discrepancies; survey, index; S18607
subjective well-being, wealthy persons; questionnaires; Q7475

Hassidim
Hassidic subgroups, Judaism, deviance forms; Q6827

Hassidism
Hassidic community, Montreal, Quebec, fieldwork problems; Q4659

Hawaii
cross-ethnic marriage patterns, Hawaii; ethnic group size/median income; secondary analysis; Q3251
employment/housing acquisition, Ilokano immigrants; interpersonal networks; survey, case histories; Honolulu, Hawaii; Q6937
ethnic intergroup relations, Hawaii; sugar plantation system, Asian labor/migration; archival data; 1835-1920; Q7834
ethnic stratification, Hawaii; female labor force participation, military vs civilian status; 1975 Census data; Q4164
family interaction patterns, Japanese-American vs Caucasian families; videotapes; Hawaii; Q5941
family therapy, *ho'oponopono* ritual utilization; Hawaii; Q4296
health predictors, Hawaiian Japanese vs Caucasian elderly; State Department of Health data; Q4360
history vs individual events, non-Western cultures; Hawaiian history/native culture case examples; Q6437
hurricane preparedness/response/mitigation programs, Hawaii; field study; Hurricane Iwa; R1037
income differences, Hawaii-born Filipino vs non-Filipino men; Q9473
language policy/public education, Hawaii; Q5490
modernized traditional medicine, Hawaii; European/Asian immigration, cultural contacts; S18780
tourism development/impact, Hawaii, residents' attitudes; questionnaires; R1027
tourism/crime rate relationship, Honolulu, Hawaii; R0864
wife's fertility, Japanese vs Chinese vs blacks; husband's relative income, minority status; census; California, Hawaii; Q8534

Hazards
community health hazards; Puerto Rican Union Carbide factory; fieldwork; Q4269
hazard analysis, metastatistical tools; R1028
hazard models, correcting unmeasured heterogeneity, J. Heckman's/B. Singer's procedure; Q2935
nuclear power risks, journalism's coverage; Q5222
regulatory standard-setting, Canada, peer review process; case study; R0456
risk perception, Three Mile Island restart, interest group context; Q4491
scientific knowledge, political domain, constructivist view; R0427
technology risk taxonomies, public conflict patterns; Q4057

Health
alcoholism, health impact, Malmo, Sweden; intervention/screening study; Q4243
children's health status; 1981/82 economic recession, lost welfare benefits; statistics; Q4106
elderly people's health, Hungary, sports/physical activity participation; documents, cross-cultural questionnaire survey; S19149
firstborn birth weights, black/white females; sociomedical characteristics; Mobile County, Alabama; Q8764
happiness consequences/dynamics, research issues; S19249

health behavior, elderly/nonelderly; random sample questionnaire; state employees/Cooper Clinic participants, Columbia, South Carolina/Dallas, Texas; S18914
health behaviors; social integration, marital/parenting status; S19114
health inequalities, social class explanations; 1980 Department of Health & Social Security report; England; Q7042
health interests/values, Hungarian perspective; Q8781
health policy/information, survey data critiqued, cognitive aspects; Q4235
health predictors, Hawaiian Japanese vs Caucasian elderly; State Department of Health data; Q4360
health research, feminist contributions; Q8797
health status, elderly; widowhood; panel data; Q4345
health status, employed males/females vs unemployed female homemakers; National Health Interview Survey; 1975-1977; R0642
health status, noninstitutionalized elderly; religious involvement; New Haven, Connecticut; R0726
health status/care; gender, occupational/family factors; National Health Status Survey; 1975-1977; R0736
health status; social network engagement, sense of control; interviews; Los Angeles County, California, adults; Q3367
health survey methodology overview, cognitive aspects; Q4234
health-paid employment relationship, women; surveys; GB; Q7038
health/disability/depression, elderly; religious involvement; New Haven, Connecticut; S19017
health/job performance/absenteeism; cumulative/daily life events; questionnaires; hourly employees; R1167
health/life satisfaction, elderly; social support structure; survey, interviews; Q4353
health/mortality trends, middle-aged/older persons; National Health Interview Survey data; Q4369
health/socioeconomic conditions, minority villages, Yunnan Province, People's Republic of China; antiepidemic team data; 1952, 1984; S18796
health; employed vs unemployed individuals; Canada Health Survey; Q4231
individual family physical/psychological pathologies; housing quality; S19158
longevity/health; social relationships/networks; Q3363
medical research, health education collaboration; case study; Nigeria; Q5524
morbidity/preventive health behaviors/mortality, gender differences; adults, US; Q4275
oil-riggers' wives, physical/mental health; husbands' offshore vs onshore employment; questionnaires; Aberdeen, Scotland; Q6058
old age, standard of living/health/loneliness; questionnaire survey; French urban households; Q7077
patient health definitions, social construction; nurses'/physicians'/social workers' work roles; medical records, interviews, nonparticipant observation; Q4225
perceived health status, women; self-esteem, sex-role identity; inventories; graduate/undergraduate students; Q9129
personal control perceptions, older males; health factors; National Longitudinal Surveys; R0852
personal lifestyle/health; individual behaviors, environmental factors; Q6013
physical/mental health, Hispanic immigrants, Boston, Massachusetts; secondary data; Q9585
physical/mental health, life satisfaction; parental/marital/employment status change; longitudinal interview survey; Nebraska; Q7477
physical/mental health, single-parent families, correlated characteristics; questionnaires, interviews; parents, children; Q6989
physical/psychological health, sex differences; work; mail questionnaire; graduate business students; Q6104
physical/psychological health, US women; social problems; S18004
poor physical health, males vs females; role burdens; interviews, health diaries; Caucasian adults, Detroit, Michigan, 1978; R0753
popular women's magazines, US, health themes/coverage; content analysis; 1970s; Q7933
pregnancy intendedness, primiparous married couples; dyadic consensus, sex-role orientation congruence; scales, interviews; Q8668
psychological well-being; physical exercise; adults, Illinois; S19012
quality of life evalutions, medical decision making, ideological variants; Q9017
shamanic healing practices/worldview, Yurok woman, California; ethnographic case study; Q7655
smallpox vaccination introduction, general public's reactions; Q8783
sociability as evolutionary selection mechanism, health/fertility/mortality; R0747
subjective health; religious attendance; Mexican-American Catholics, San Antonio, Texas; Q8779
women's health status/-related behavior; employment, normative life cycle, nurturant role adoption; National Health Interview Survey; Q7037
women's health, medical knowledge/treatment; 2-book review essay; Q7175

Health Care

AIDS, anthropological counseling program; case study; San Francisco, California; Q4266
alternative healing group, Hawaiian Kahuna leader, California; ethnographic data; R0313
Australian health care delivery system, general practitioners' role; R0713
breast cancer, one- vs two-step biopsy-mastectomy procedure; registry records; Washington; 1974-1981; Q8795
breast self-examination; psychological/social determinants; R0728
chronically ill elderly, public housing estates, family care; questionnaire; West Kowloon, Hong Kong; S18776
chronically ill, health maintenance organizations, reform strategies; Q8801
developmentally disabled children, family care model; comments; Q4178
domiciliary support/services, elderly, rural Wales; survey; longitudinal study; Q4370
elderly, family care trends; Q8651
elderly, welfare state, informal vs formal health care services; Scandinavia; feminist perspective; S18736
elderly's care/living situations, family support system, Nigeria; interviews; rural vs urban elderly; S17618
elderly's health care needs/services, traditional medicine's role, People's Republic of China; S18789
family medical history, semistructured vs informal interviews; Q6428
family sociology, health care, Hungarian perspective; Q8645
family therapists, health care consultant roles; Q6419
financing medical care, noninstitutionalized elderly; survey; Q8897
frail infants, life-support requirements, parental decision making, ethical issues; participant observation; R0744
geriatric health care program, rural vs urban application; literature review; S18852
"gomer," problem patient designation, hospital physicians; group interviews, patient charts; doctors, residents; Q4244
government vs voluntary rural health care programs, India, knowledge utilization perspective; case studies; Q8142
handicapped neonates, selective nontreatment decisions, ethical/legal considerations; Q8759
health behavior, elderly/nonelderly; random sample questionnaire; state employees/Cooper Clinic participants, Columbia, South Carolina/Dallas, Texas; S18914
health care behavior, physical symptomatology; bad moods; diaries; Caucasian adults, Detroit, Michigan; Q6060
health care crisis, nonorthodox cancer therapy movement; Q8734
health care delivery systems, US/Japan/India, quality/accessibility; political economy; observation, secondary data; S18718
health care deprivation, India; doctors' service orientations; S17923
health care expenditures, aged; health resource rationing; case studies; geriatric assessment teams; S18011
health care expenditures, US, state/local containment strategies; Q6027
health care knowledge, general public; media medical information; medical newspaper columns content analysis; Chicago, Illinois *Tribune*; S19061
health care profession/field, Belgium, organization/regulation; 19th century; Q6756

Industrial Production

automobile industry, Los Angeles, structural/spatial dimensions; S18298
convergence theory, applicability to Japanese industrial system; S18222
division of labor, industrial production, H. Kern's/M. Schumann's work; Q9404
division of labor, material production process; technological development; Q8496
industrial production process, fixed assets' efficiency; statistics; German Democratic Republic; Q8512
industrial production, science's/technology's/research's role; Q8505
interindustry productivity variation; market concentration, structural power; S19113
manufacturing industry collapse, GB; statistics; Q9825
rural household community production; fieldwork data, survey; Oaxaca Valley, Mexico; Q3267

Industrial Societies

aging problems, developed vs developing countries; S17810
agricultural markets, decentralization/informalization strategies, advanced Western societies; S17679
capitalism, industrialized/nonindustrialized/peasant societies, production/institutional characteristics; Brazil; Q6721
changing gender roles, industrial societies, family socialization/support systems; participant observation, interviews, questionnaires; West Germany; S18034
cleanliness concept, industrialized societies, semantics/practices; Q9399
communication processes/power relations, industrial societies; Q5239
community-based social movements, industrialized/developing countries; S18101
crime patterns/rates, US vs other industrial nations; Q6199
crime, preindustrial societies, critical criminology vs modernization theory; Q6189
Dahrendorf, Rolf, *Class and Class Conflict in Industrial Society*; Q5337
economic action/social structure relationship, modern industrial society; Oliver Williamson's research critiqued; Q5167
economic growth/unemployment, industrial democracies; development level, age of democracy, public sector variables; official statistics; Q9819
education-occupation relationship, industrialized societies, meritocratic allocation model; census/survey data; cross-national analysis; S18586
education/occupation relationship, industrial societies, modified functionalist theory proposed; Q3677
elderly's problems, developed societies, political/policy-making/program development issues; S18207
family/social history, early industrial capitalism; 2-book review essay; Q5901
female labor force participation, industrial nations; population sex ratio; longitudinal data; article/comments/reply; Q6375
fertility rates, developed countries; contraception, marriage patterns, desired family size; World Fertility Surveys; Q5754
future societal changes, devloped countries, new social policy, service economy/quality effect; S17761
health care resource allocation, industrialized societies; societal values; case example; post-WWII Germany; S18176
human rights violations, authoritarian vs "soft" states, Third World vs industrial nations; S18730
industrialized Western countries, demographic change; housing availability/affordability; Canada, France, GB, US; 1960-1980; Q5474
large organizations' contemporary role; S18289
law's social determination/effectiveness, legislation formulation, sociological research contributions; industrial societies; S17945
life structure, Japanese society; information collection, personal data management; Q6447
media field, Western industrialized countries, military-industrial complex domination; UN/company/professional publications; Q9832
medical care sector, government performance, public evaluations; cross-national survey; adults; Q6046
middle age gender identity transformations, industrial societies; family/professional careers specificity; empirical data; Geneva, Switzerland; S17921
mobility rates, Western industrialized societies, perfect mobility model, likelihood ratio test vs posterior odds approach; Q6456
murder-larceny offense pattern, rich vs poor nations; cross-cultural crime data; 1976-1978; Q7105
old-age policies' crisis; welfare state policy contradictions; case example; France; S17948
regional polarization concept, sunbelt vs frostbelt; statistical data; international comparison; S17963
sex roles/family value transmission, industrial society; special journal issue; R0626
socioeconomic stagnation, advanced industrial societies, microelectronics/advanced information revolution's emergence; Q6641
technical systems, advanced industrial societies, "collective" vs "private" goods technology; Q5738
technology regulation, industrialized societies; Q6921
temporal organization/reference, life crisis; empirical data; industrialized societies; S18471

unemployment, active labor market policy; *Industrial Relations* symposium introduced; R1012
unemployment/job loss, alienation concept's utility, industrialized countries; literature review; S18735
urban planning, industrial societies, political vs technocratic elements; S17872
value change/socialization process, industrialized countries; cultural values, social institutions; multilevel analysis; Japan, West Germany comparison; S18677
Western industrialized countries, state economic policy; world economy changes; Germany, France; S17994
women's lives, sociocultural/time dimension factors; new technologies; fieldwork, UN data; Italy vs developing countries; S18236
women's value change; workplace/home technological innovations; fieldwork; Italy, GB, France, US; S18235
workers' alienation/attitudes, US/West Germany/Sweden/Japan/Israel; technological changes; Q3342
work's sociocultural/individual value erosion, alienation; labor society changes, technological development; industrial societies; S17567
youth deviant behavior; industrial society; Q6212

Industrial Sociology
functionalist vs Marxist sociology, South Africa; university syllabi/examinations; Q3007
"high technology" industries, work organization; Q4395
industrial relations research, US/GB, topics/methodology; Q9643
industrial sociologist's role, workplace management; personal experience; S18969
industrial sociology, control theories, identity concept; labor power/subject perspectives; Q5065
industrial sociology, USSR; Q3344
industrial sociology's antecedents, Vilfredo Pareto's theories/Hawthorne Plant experiments; Q5106
poststrike dilemmas, air traffic controllers, industrial sociologists' role; S19095
private sector consultation, academic industrial sociologist's role; S19092
trade unions/industrial relations, Italian sociological research; Q7668

Industrial Workers
achievement motivation/life satisfaction, cohesive communities; industrial progress; scale, questionnaire, book catalog; industrial workers, Israel; Q7805
female workers' position, textile/clothing/electronics industries, Finland; production internalization; research project; Q3402
ideological orientations, female industrial workers, categorization system; Q9160
industrial work changes; social-anthropological approach; S17684
labor segmentation, industrial workers; case studies; Q9418
large firms' politics, UK; interviews; executives; Q3352
leisure patterns-work performance relationship, industrial workers, theory/research; Q9896
leisure time activities, industrial workers, Punjab State, India; case study; S17653
northern industrial workers, US, early 20th century; 3-book review essay; Q3254
nutritional status/inequality, rural vs urban industrial workers, India; Surat, Gujarat/Choudwar, Orissa; S19219
organizational commitment/work satisfaction, Japanese vs US workers, corporatist theory; interviews, questionnaires; Q6607
overtime work, worker willingness, USSR; questionnaire; mechanical engineering industry workers; Altay region; Q6615
social status, civil servants vs industrial workers, Finland; 1850-WWII; Q3623
US industry foundations, authority legitimation, Lowell image/symbol use, community values; 1820-1850; Q6519
wage inequality, working women; industrial characteristics; Q9663
women's wage rates; worker/industrial characteristics; longitudinal interview study; Q9695
work culture; automation; male paper mill workers, Finland; Q7694

Industrialism
institutional design, industrialism; energy/information technological revolutions; social architects paradigms; Q4808

Industrialization
achievement motivation/life satisfaction, cohesive communities; industrial progress; scale, questionnaire, book catalog; industrial workers, Israel; Q7805
Algerian worker characteristics/cultural values transmission; industrialization; questionnaires; interviews, ethnographic observation; S17946
alienation/industrialization, Israeli kibbutz, counter strategies; S18488
biographic time perspectives; industrialization/modernity; S17697
consumption patterns, modernization; Germany; pre-World War II; Q5190
developing countries, industrialization, state's role/self-interests; Q5318
development, Senegal, response strategies, "distribution unit" concept; surveys; villages; Q6583
early cotton industry, US/GB, industrial capitalism, technology, labor relations; Q3397
environmental pollution, developing countries; industrialization; case example; Onitsu, Nigeria; Q6770
feudalism/capitalism transition, Europe, regional typology; Q3033
flexible specialization production, Michael Piore's/Charles Sabel's *The Second Industrial Divide: Possibilities for Prosperity*; review essay; Q6614
foreign debt, Latin America, political/social impact; Q9785
foreign investment vs reindustrialization, US business community; response/reply; Q9779
household composition, rural-nonindustrial vs urban-industrial Appalachian Kentucky; 1900 census; Q5398
industrial organization patterns, income inequality implications; India; S19213
industrial revolution, rural proto-industry's influence, putting-out systems, Peter Kriedte's/Hans Medick's/Jürgen Schlumbohm's *Industrialization before Industrialization*; book review essay; Q5180
industrialization of building, Sweden, site workers contradiction; Q3315
industrialization, East Asia, Max Weber's views; S17961
industrialization/development pattern, Haiti; technoeconomic heritage; Q6642
industrialization/kinship systems relationship, Nigeria; census data; Yoruba/Igbo/Ibibio; Q6579
industrialization/modernization, psychological adjustment, economistic development model critiqued; fieldwork; Venezuela; S18584
industrialization/modernization, worker alienation, Third World; narrative acounts; S18585
Japanese divorce rates; industrialization/urbanization/family role; twentieth century; Q5955
joint family structural changes, India; migration/industrialization/urbanization; methodological problems, traditional vs revisionist views; Q8692
mass education systems, regional variations, US; town-countryside structural relationship; nineteenth century; S19075
occupational change, Bhilai steel plant, India; S18140
old age problems, industrial urban fringe areas, India, family breakup; case studies; S18452
protoindustrialization concept; Q3386
protoindustrialization concept; rejoinder; Q9786
protoindustrialization, medieval Europe; comment/reply; Q9796
regional deindustrialization/economic decline, France; Q6294
regional industrialization impetus, Japan; local vs state capital; fieldwork, interviews, newspaper reports, census statistics; S17695
regional industrialization process, Japan, national vs local political power; case study; Oita; S17694
reindustrialization, US capital/economy; Q9799
social structure, Canada; dependent industrialization; national surveys; Canada, US, Sweden; R0030
suicide/homicide; religion, economic development; Steven Stack critiqued, reply; Q3155
Third World development, socialist-type industrialization, state's role; Q5188
tribal cultural change, India, industrialization/modernization processes; Q9621
urbanization intensification, USSR; industrial production development; Q3769
Western science/technology adoption, India; R0424
worker nonwork relational networks, small- vs large-scale industries; Ranchi, India; S18010

Industry
antinuclear/other social movements, local residents vs high technology industries; case study; Three Mile Island, Pennsylvania; Q7877
business/industry, integrated theoretical approach; Q5082
city/industry relationships, GB; 2-book review essay; Q3410
French industry, state intervention; Q3536
gender segregation, blue-collar manufacturing occupations, industrial variations; census data; Q8119
government-industry relations, electronics/telecommunications industry, policy network/power-dependence concepts; GB, France, West Germany; S17729
industrial cooperatives, merger history; Hungarian perspective; Q7766
industrial work changes; social-anthropological approach; S17684

industry organization, urban vs rural areas; 1980 census data; S18858
joint ventures/capital interlocking, West German companies; Q7825
manufacturing industry collapse, GB; statistics; Q9825
new microprocessor technology, West Germany, social consequences; surveys; Q6612
occupational/industrial structure differentiation, rural vs urban areas; employment growth; US population censuses, 1970/1980; Mississippi; S18823
organizational/management structure, large-scale Japanese companies; 1920-1940; Q9225
political/industrial decision-making process, USSR, women's influence/effectiveness; Q7671
socioeconomic conditions, US counties; differentiated farm/industry structures; 1969/70, 1978/1980; S18869
technological change/measurement, automobile industry, UK, hedonic price method; R0482

Inequality
Civil Rights Act, inequality response, individual vs institutional responsibility; US District Court case content analysis; Q3632
distributive justice perceptions, inequality's role; survey, interviews; Q6893
economic exchange/redistribution, household/family units, inequality theory; Q8025
educational opportunity inequality; student academic tracking/grouping; Q3872
elderly's quality of life/unequal status; social/aging policies, capitalistic class struggles; political-economic framework devised; North/South America, Africa, Middle East; S17986
inequality, entropy-based measure; Q3605
state social control, inequality/class conflict problems; journal issue introduction; Q5679
Zunz, Olivier, *The Changing Face of Inequality: Urbanization, Industrial Development and Immigrants in Detroit, 1880-1920*; review symposium; Q3784

Infant Mortality
black infants' low birthweight; cultural/social factors; interview questionnaires; obstetric inpatients; Q5743
child mortality; maternal education, cultural variations; Q5777
child/infant mortality, poor countries, demographic research issues; Q4678
fertility rates, son preference, Bangladesh; mortality/birth statistics; S18631
homicide rates, cross-national comparison, demographic factors; Q6182
infant mortality decline, Madrid, Spain; official statistics; 1900-1970; R0165
infant mortality rate/health care, Amsterdam, Netherlands; official records; 19th century; R0564
infant mortality rates, US/Sweden/Italy; prenatal care practices/approaches; questionnaires, interviews; mothers; Q4262
infant mortality trends; socioeconomic status; census data; Dayton/Columbus/Toledo, Ohio; Q4083
infant mortality, Hispanics; socioeconomic status; census tract data; Corpus Christi, Texas; Q4073
infant mortality/breastfeeding relationship, study design errors, research strategy outlined; Q4075
infant mortality; race, income; individual-level survey data; Q8517
infant mortality; socioeconomic status, teenage fertility; published statistics; US counties; 1971-1975; Q4212
infant survival, Brazilian shantytown; maternal attitudes/child rearing practices; Q6588
mortality inequality, English/Welsh adults/infants; social class, occupation; national statistical data; 1921-1972; Q8046
perinatal mortality, Scotland; maternal age/parity/social class; Registrar General annual reports; 1960-1982; Q3613
preterm delivery risk, first vs subsequent pregnancies, proportional hazards model; morbidity data; Scotland; Q8717

Infanticide
abortion/infanticide, Michael Tooley's views, legitimacy issues; Q5993

Infants
breastfeeding practices, Korean women; infant's sex; survey; Q8791
dyad interaction patterns, analysis method; twin/nontwin dyads, aged 2; interactive devices identified; Q9444
family interactions; neonatal intervention program; experiment; Q5902
fathers' early/extended infant contact, birth attendance; literature review; Q5963
handicapped neonates, selective nontreatment decisions, ethical/legal considerations; Q8759
infant behavior differences, Japan/US; filmed behavioral data; Q7021
infant care quality, Kipsigis, Kenya; caregiver characteristics; field observations; Q7653
infant feeding practices, household production model; questionnaire, survey; Filipino households, Bicol communities; R1075
infant socialization processes; R0551
infant/child health, urban environment improvement projects, alliance/failings; S17662
newborn's intensive care unit placement, family impact; interviews; mothers; Q7167
nurse-neonate relationship, intensive care unit, symbolic interactionism perspective; observation, interviews; parents/doctors/administrators/paramedics/respiratory therapists/nurses; Q6950

Inflation
ranch workers' noncomformity/unrest, Tlaxcala, Mexico; 1914-1918; Q9797

Informal Sector
informal sector, underdevelopment assessment index, Colombia; S18355
informal sector's cyclic activity, cottage vs small industry development, political reactions, developing economies; Colombia; S18191
local economic alternatives, informal sector organizations, Brazil; research data; S17728
shadow economy, US, definitions/conceptions/structural determinants; Q7442
social stratification measurement, US, underground economy; Q3611
survival strategies, urban poor, Latin America/Third World; S18521

Information
children's food behavior, informational influences; questionnaires, interviews, observation; R0550
communication/information technologies, societal impact; S17836
drug misuse, UK, information system deficiencies, Körner planning proposals; Q8871
entrepreneurial development, information economy, bureaucratization vs worker cooperatives; S17698
human nature/citizens' rights; personal information computerization, advanced information societies; Q6640
industry, workers' lives; computerization, informationalization, advanced information societies; Q6637
information technologies, social communication effects; Q7528
information technologies, social transformation implications; statistics; France, US; Q9782
information technology adaptation, technostress management, culture's role; S18538
information technology, China, development strategies; Q6934
information technology, labor process implications, research issues; S17735
information technology/systems, local governments' use; 3-book review essay; Q3746
information technology/work, efficiency vs effectiveness, organizational context; Q5736
information/communication technologies, educational requirements; Q8274
new information technologies, their micro-/macrosociological effects; S18459
private households; new information technologies; futuristic scenario; S18395
public information policy, Chicago, Illinois, democratization process; Q9978
science/technology, Sweden, library/information needs; Q7901
technological danger, information sources, public trust; random questionnaire; communities, California; Q6922

Information And Referral Services
computerized management information systems, social work agencies' utilization; case study; Jewish Family Service, Philadelphia, Pennsylvania; R0467
drug misuse, UK, information system deficiencies, Körner planning proposals; Q8871

Information Dissemination
agricultural structure, US; information technology; S18830
citation frequencies, life science disciplines, Derek John de Solla Price's immediacy factor; Q8466
citation patterns, scientific papers, literature aging rates; Q8439
client assessment/diagnosis, mental health professionals; prior client information; experiment; female nursing students; Q7195
co-citations, *Science Citation Index*, clustering methodology; Q8479
extraterrestrial beliefs, lexicological developments, religious/materialistic/scientific meanings; 19th-/20th-century France; R0453
farms, agricultural capital circulation; information technology adoption; Ohio, Michigan; S18829
health care knowledge, general public; media medical information; medical newspaper columns content analysis; Chicago, Illinois *Tribune*; S19061

information age transition, rural areas, US; Q8145
information science-scientometrics periodical literature, *Referativnyj Zhurnal-Informatika* journal; USSR; Q8482
information society concept, George Orwell's *1984*/Aldous Huxley's *Brave New World*; Austrian perspective; Q5294
information technologies as knowledge evolution vehicles; Q4051
information technology, legal problems; R0356
journal ranking, selective impact method; Q8442
knowledge distribution, rapid organization change conditions, *Gemeinschaft & Gesellschaft* concepts; ethnographic case study; bank holding company; Q9729
knowledge engineering, computer science/information technology fields; Q8995
menopause, public information, historical trends; content analysis; popular media; 1900-1976; Q4250
national economy's growth/efficiency; communications infrastructure; Q8503
no-till agriculture adoption; farmers vs other information sources, socioeconomic boundaries; interviews; Palouse region, Pacific Northwest; S18807
parasciences, cultural legitimacy; journal/promotional proceedings review; R0432
physician computer-based hospital information system, utilization/networks; interviews; Q6000
physics publications, percentage distributions; *Physics Abstracts*; cross-national analysis; Q8485
popular science journals/documents, test/image relationship; content analysis, survey; France; R0919
referencing patterns, biomedical science literature, developed vs underdeveloped countries; Q8446
research/development units, communication network structures; questionnaire survey; Q9758
science, media coverage, journalists-scientists relationship; Q9876
science/technology, Sweden, library/information needs; Q7901
scientific development difficulties, developing countries; disorganized knowledge dissemination infrastructure; S17953
scientific knowledge, proliferation process/language; content analysis; newspapers/popular science journals, France; R0922
scientometrics, non-Gaussian distributions/Zipf-Pareto law; Q8489
small community information needs, academic resources/assistance; R0957
social science research dissemination approaches, GB; R0436
social science research, information transfer, Third World countries; Q9335
social studies of science, theory/method/focus; Q8447

Information Processing
central city unemployment rates, US/West Germany; demographic-employment opportunity mismatch, public policies; Q7698
employment rates, commercial-administrative branch; service industry; communication/data-processing technology; Q5069
gambling behavior, information processing biases; R0787
information processing/symbol approach, behavioral science; Q9234
information sector, capitalist societies; microprocessor technological development; Q7419
information technology, university libraries' utilization, policy issues; R0235
knowledge evolution, human/computer commensality, human thought simulation; Q8977
telecommunication, France, Cable Plan; Q3528
treatment acceptance, patients; risk presentation style; experiment; undergraduates; Q7047
world economy, information production/distribution; R1010

Information Sources
disabled children, peers' attitudes/acceptance; disability exposure/visibility, information source; questionnaire, experiment; fourth-sixth graders; Q6951
information age transition, rural areas, US; Q8145
information origins, genetics journal articles; citations; 1975, 1978, 1982; Q8440
political knowledge, last-year secondary school students, Belgium; Q8596

Information Theory
information processing/symbol approach, behavioral science; Q9234
information science-scientometrics periodical literature, *Referativnyj Zhurnal-Informatika* journal; USSR; Q8482
large-scale cooperation, information chain theory; Q3021
message source discrimination, communication style indexes; content analysis; Winston Churchill/Clement Attlee/Neville Chamberlain speeches; Q9270
Price, Derek, scientific contributions/works; Q8458
problem-solving dialogue, harmonious vs disharmonious couples, information theory approach; conversation analysis; R0661
publication productivity, Derek John de Solla Price's "square root law"; Q7265
scientometrics, non-Gaussian distributions/Zipf-Pareto law; Q8489

Informed Consent
informed consent procedures, potential bias; case studies; literature review; Q6076
psychiatric research/treatment, patient's "informed consent" understanding; observation, questionnaires, interviews; Q6066

Inheritance And Succession
aged Jew's family relations, colonial America; will content analysis; New York; 18th century; Q5945
descent system, Lovedu, South Africa; field research, case histories; Q5027
family structure, marriage/inheritance systems, northern vs southern Portugal; secondary data; Q5431
income distribution, Norway; parent-child inheritance; survey; 1980; R0057
inheritance systems; genealogical structures, male longevity; Havasupai Indians, Arizona/aborigines, Groote Eylandt, Australia; Q5028
intergenerational family farm transfer stress; coping strategies, family roles; questionnaires; midwestern families; Q3737
intergenerational property transmission, marriage as social reproduction process; Portugal, Galicia, Chile; Q3277
marriage opportunity, population structure, inheritance rules; Saint Barthelemy, French West Indies vs Sanday, Orkney Islands, Scotland; Q5020
marriage/inheritance patterns, preindustrial Japanese peasant society; intergenerational conflicts; population registers; 1671-1871; Q5915
resource control/transfer, deference patterns, aged/youth relations; cross-cultural ethnographic material; Q9623
state court decisions, Minangkabau, West Sumatra, social significance; fieldwork; R0405
succession concept, sociological meanings; Q3026

Initiation Rites
adolescent initiation rituals, consciousness transformation; pain experience; Q6593
hazing, arts/vocations schools, France popular vs elitist tradition; Q6810

Inner And Other Directedness
character traits, US, 1950s other-directedness vs 1970s narcissism; self-help literature; Q3148
social cognition taxonomy, causal/evaluative/finalistic thinking classes; experiment; university students, West Germany; Q3076

Innovations
educational innovations, continuation status; mobilization patterns, change agents; participant observation, case study; public school districts; Q8244
employee participation, innovation processes, ambivalent management attitudes; S18520
innovation intensification processes, organizational structure/methods, innovative games; industrial/nonproductive organizations, USSR; S18157
Israeli arts, history/innovations; Q3827
social innovation; class origins; deputies, cabinet ministers, France; Q3610
two-year nurse education programs, junior colleges, diffusion/adoption process; environmental/organizational factors; census, documents, interviews; Q8071

Insanity Defense
insanity defense acquitees, postadjudication management, Oregon's Psychiatric Security Review Board; Q8403
insanity defense reform, implications/impediments; Q8408
insanity defense, history/origin, James Hadfield's trial; GB; Q5669
insanity plea, frequency of use, defendants' characteristics/histories; Q8401
narcotic addiction, compulsory treatment programs, implementation problems; cross-national analysis; R0829
postdischarge police contact, not-guilty-by-reason-of-insanity clients, Oregon Psychiatric Security Review Board's decision making; R0759
women declared incompetent/insane, histories/rehospitalization/criminal recidivism; case/hospital records; R0768

Institutionalization (Persons)
civil commitment, mental hospital patients, self-incrimination; questionnaires; Wisconsin; Q6088
developmentally disabled, family placement requests, decision-making factors; case data; New York; Q8839

inmate structure/culture/socialization, juvenile correctional institution, unobtrusive research methods; content analysis, interviews; graffiti, newspapers; Q7244
institutionalization choice, the elderly, ecological/demographic factors, program planning implications; Benjamin Rose Institute data; S18326
involuntary commitment, psychiatric emergency room clinicians' dispositions, rating instrument; Q8834
involuntary mental hospitalization, legal changes; 1960-1981; Q4290
mentally ill, Scandinavia, civil/criminal commitment; Q8400

Institutionalization (Social)
hospice care movement, institutionalization process; Q8730
institutional design, industrialism; energy/information technological revolutions; social architects paradigms; Q4808
institutional economics vs critical theory, John Kenneth Gailbraith/Frankfurt school; R1001
small group activities, organization institutionalization process, Japan/Sweden/US; Q7756
social movements/institutions relationship, multi- vs one-party systems, structrural juxtaposition criticized; India; S18366
sociological practice/institutionalization, sociologists' intellectual position; Quebec; Q6459
urban social movement institutionalization, Santiago, Chile, 1973-1985; political system impacts; interviews; movement leaders; S17719

Institutions
child abuse/neglect, institutional settings; case records; New York; R0548
elite art institutions' prevalence, metropolitan areas, US; urban resources/region/demography/size; Q8207
"institutionalizing" democracy, Brazil; S18455
social group activities, norm/rule systems, dialectical perspective; S17706
social institution failure; S17709

Insurance
acutarial tables as social evaluations, life insurance; Q7822
homeowners' insurance policies, metropolitan area, distributional patterns/bias; S19102
life insurance organizations, failure rates, 1881-1931; regulatory changes; event histories; S19038
US National Flood Insurance Program, development/current status; historical data, fieldwork; Q9072

Intellectual Development
children's quality of life, single vs multiple-child families; survey data; Changsha, Hunan Province, China; Q4107
youth education, obligatory curriculum's/knowledge's value; Q5852

Intellectual History
freedom, Western world's perception, historical development; Q5351
idolatry/polytheism concepts' origins; Q3937
intellectual history, rationality, metatheoretical approach; R0002
Lukács, Georg, bourgeois philosophy critique, irrationalism; Q4754
Parsons (Talcott)-Afred Schütz dialogue, 1941, Eric Voegelin's role; S18454
Polish sociology, intellectual heritage; S18242
social anthropology, Kantian epistemology's relevance; Q4427

Intellectuals
Australian intellectuals & "the Left," symposium; Q6760
black intellectuals, ethnocentric vs cosmpolitan orientations; R0044
black intellectuals, US, social marginality; Q5397
Catholic/Protestant cleric intellectuals, 16th/17th-century England/France, political power/agency; S19187
contemporary intellectual scene, Pakistan; S17866
deprofessionalization, academic social sciences; Q7291
European/British intellectual types, George Eliot's characteristics; R0924
feminist intellectuals, sex neutrality/polarity/complementarity; R1088
Hitler-era German refugee intellectuals, Lewis A. Coser's *Refugee Scholars in America: Their Impact and Their Experiences* ; book review essay; Q5379
intellectual life, France, Jean-Paul Sartre/Raymond Aron; Q9388
intellectual work, urban setting; case study; Jews, Belo Horizonte, Brazil; S18529
intellectual's emancipatory role, Michel Foucault's conception; Q6750
intellectuals' moral responsibilities, political power, George Konrad's/Ivan Szelenyi's views refuted; R0047
intellectuals' political role, modern Western society; opinion surveys; R0035
intellectuals' power/function, Western societies; 3-book review essay; Q8037
intellectuals' responsibilities; discussion; R0126
intellectuals' role/social location, Bangladesh; peripheral/crisis situation; S18026
intellectuals, Poland; discussion; R0075
intellectuals, Sardinia, urban/rural differences; S17669
intellectuals-working class relationship, Antonio Gramsci's theory; Q8082
intellectuals/feminism, Gayatri Chakravorty Spivak interviewed; Australia; Q7180
intellectuals/politics relationship; book review rejoinder/reply; Q3655
knowledge/society/politics, Karl Mannheim's views; R0923
mass religiosity, Max Weber's intellectualist concept, Marxist viewpoint; R0341
Mills, C. Wright, intellectuals' roles; R0103
Mills, C. Wright, intellectuals, democratic societies; R0110
modern India's political system; intellectuals' role; S18375
modern intellectual, conservatism/function; R0041
modernization, South Asia, intellectual elites vs rural masses; S18164
"New York Intellectuals," 1940s, novels/short stories; Q6793
political system, Nepal, intellectuals' position; S18215
politics of blame, alternatives, postcolonial intellectuals; R0118
popular vs intellectual culture, Vietnam, French-occupation era; S18094
professional unionization movement, French intellectual workers' representations; S17941
Reich, Wilhelm, psychoanalytic theories, body emphasis, 1960s, intellectualism following; Q5206
religious intellectuals, ancient Greece, Weberian perspective; R0932
social/historical structure/transformation, education's role, teachers as intellectuals; Q5518
social/political involvement, scientific intellectuals, Europe/US; Marxist perspective; S18506
societal rationalization, social democratic intellectuals' role, Sweden; Q7123
sociological practice/institutionalization, sociologists' intellectual position; Quebec; Q6459
Soviet intelligentsia, definition/subgroupings; Q5344
Westernized intellectuals, India, social/political typology; mid-19th century; S17658
young intellectuals' leftist group, composition/activity, Debrecen, Hungary; 1937/38; Q7875

Intelligence
delinquency/intelligence relationship, Scott Menard's/Barbara J. Morse's theoretical model criticized; reply; Q6215
educational/occupational/need attainment, intelligence, monozygotic/dizygotic twins; genetic/environmental factors; test scores; Q8287
genetically determined intelligence, Cyril Burt's fraudulent research, monozygotic/dizygotic twins, L. S. Hearnshaw's exposure; Q4038
hedonic/agonic mental operative modes, biological systems synthesis; Q8978
human mental functioning, comparative/anthropological approach; book review essay; Q4878
intelligence testing, black-white difference, Spearman's *g*-factor; article/comments/response; Q9487
intelligence/reading test scores, UK/West Indian/Asian children, GB; socioeconomic disadvantage; survey; Q7600
intelligent/talented group, homogeneity; Q4874
obese persons, educational attainment/intelligence/social-class origins; tests; military draftees, Denmark; Q8803
secondary-level education, Finland, student access; sex, social status, intelligence; R0264
students' parent/peer/school affiliation; grade, sex, ability, socioeconomic status; inventory; males/females aged 11-17, Sydney, Australia; R0283
task-group activity, males' vs females' competence; performance ability vs opportunity; S19001
worker's intellective process; job conditions, occupational self-direction; interviews; Poland, United States; Q4880

Intelligence Tests
educational opportunity, achievement vs aptitude testing; R0300
intelligence testing, black-white difference, Spearman's *g*-factor; article/comments/response; Q9487

Intelligentsia
academic intelligentsia, Germany, mandarins' decline; book review/reply; R0108
artistic-socioprofessional intelligentsia, USSR, social development/changes; S17603
educated intelligentsia, Finland, social personality typology; longitudinal data; students; S17978

intellectual "new class," social identity/political role, Hegelian dialectic vs relativistic approach; S18390
intellectual tradition, GB, sociopolitical incorporation; 19th/20th centuries; R0042
intellectuals' role, Yugoslavian social sciences/society; content analysis; Q3620
intelligentsia, location/development, capitalist societies; Q3670
knowledge production system, South Asia; S19161
new intelligentsia class, GB; Q3616
political activism, Ottoman Empire intelligentsia; living standard changes; statistics; Istanbul, Turkey; 19th century; Q9850
technical intelligentsia, advanced capitalist societies, professional/organizational cultures; S17826
Ukrainian ethnic consciousness, Canada, intelligentsia social class development; Q4970
value changes, conservatism, US intellectual strata; General Social Survey; 1973-1983; S18285

Intentionality
philosophy of history, Arthur Danto/Frederick A. Olafson/Leon J. Goldstein controversy; comments; Q8984
search for meaning, behavioral/neurophysiological correlates; Q4636
sentencing recommendations; intentions/attitudes/beliefs, probation officers; questionnaire; New York; Q3116

Interaction
adaptive system behavior, mathematical model/computer simulation; Q9296
children's interactions, interpretive photography use; Germany/Venezuela/Botswana comparison; Q4599
interactive confrontation; interview data; Quebec City; sociolinguistic approach; S17811
kinship interaction/social status/well-being correlations; mail questionnaire; males, London, England/Los Angeles, California/Sydney, Australia; Q3255
motivation, sociological theory, motivated interaction models combined; S18686
network interaction research, informant accuracy problem; Q7783
social change, popular nonpolitical movements; S17952
sociology of emotions-symbolic interactionism relationships; special *Symbolic Interaction* issue, introduction; Q7481

Interactionism
feminist therapy, symbolic interactionist perspective; Q9167
functionalism/interactionism, theoretical persistence; Q7358
giftedness stereotypes/labeling, gifted persons' perceptions/coping mechanisms, deviance theory; interviews; Q7578
negative dialectics, Theodor W. Adorno's vs George Herbert Mead's thought, interactionist perspective; Q7352
special education, integration-segregation debate; reply; Q8276

Intercultural Communication
audiovisual communication imbalance, West-Third World, film/cultural values transfer; S17988
bilingual minority children's communication strategies, minority language education; racism/ethnicism/linguicism; S18581
blues musical expression, black/white cultural fusion/dialectic; Q5509
center-periphery distancing, cultural disintegration; media technologies; Europe, US, Third World; S18078
communication conflicts, Ethiopian immigrants/Israeli absorption authorities, cross-cultural misunderstandings; Q4937
cross-cultural communication; 5-book review essay; R0219
intercultural sensitivity needs; S18104
interethnic affiliation/attitudes; modernity; questionnaire; Ashkenazim vs Oriental junior/senior high school students, Israel; S18785
international sociology, cross-cultural fertilization; new journal; Q6473
multicultural education, social communication concept; R0243
Spanish/Italian proverb, French translation failure, cultural explanations; Q9043
teachers-immigrant children, communication obstacles, psychosociological theoretical framework; R0278

Interdisciplinary Approach
adolescent delinquency, multidisciplinary development theory/typology, integrative criminological approach; Q7114
assessment/experiment similarities, clinical practitioners'/experimental researchers' cooperation; Q7196
classical economic theory, exogenous features, Interdisciplinary Dimensions of Economic Analysis project; Q6240
cross-curricular college writing program, technique; Q4720
history/sociology relationship, Italy; Q7378
human behavior education, biopsychosocial systems approach; graduate course case study; Q4708
human sexuality course, interdisciplinary approach; Q4700
Interdisciplinary Dimensions of Economic Analysis project, theoretical framework; Q4701
international security studies, social science's role, interdisciplinary approach advocated; Q7149
neoclassical economic theory, exogenous factors, UK government policy example; Q4794
peace research, sociological/interdisciplinary approach; S18616
science/technology education, societal impact/interdisciplinary emphasis, program development/implementation; US; Q6822
social process research, interdisciplinary/scientific-methodological problems, dialectical/historical materialism as integrative framework; Q2879
social psychology, unifying interdisciplinary approach; Q6548
social scientists' interdisciplinary communication, logic/sociology of science, epistemology concept criticized, "science of science" (metascience) concept investigated; S18231

Interest Groups
economic growth, social planning, interest groups/state/individual objectives, socialist societies; S18753
epidemiological research, external consultant review, interest group bias; Q4591
organized interest groups, urban policy impact; Winnepeg, Manitoba; S17745
public interest vs traditional scientific researchers, organizational context; interviews; Q4056
social order, society/market/state/special interest groups; Q3067
special interest groups vs constituency representation; Q3539
state/society interest intermediation, corporatist development, Hungary; economic dependence; historical/empirical analyses; S17700

Interests
democracy, individual rationality theories critiqued, collective identity theory proposed; Q3577
interest concepts, political analysis applications; Q6715
knowledge/interest connection, scientific arguments, interactive interpretation; sociolinguistic/conversational analysis; Q6531
work organization/interests, competing definitions; S18108

Intergenerational Mobility
French family/professional life variations; family trajectories; survey; men aged 40-59; 1977; R0122
intergenerational occupational mobility, US, segmentation perspective; book review essay; Q3721
intergenerational social class mobility, France/Sweden, gender differences; marriage, women's occupational category; survey; Q3635
legal profession, India, caste influence/mobility patterns; survey questionnaire; Meerut City; S18572
second-generation Eastern European Jews, New York City, mobility/values; 3-book review essay; Q9583
second-generation immigrants, Western Europe, government policies; Q9595
second-generation migrant Italians, French-speaking Belgium, socioprofessional characteristics; interview survey; R0491
social mobility, US/Japan/GB; S19121
social positions; intergenerational mobility, friendship choice; R0033
social status maintenance; curriculum tracking; survey; sophomore/senior high school students; S19116
socioeconomic achievement, white couples, US; family size; surveys; S19049
sons' educational/status attainment; fathers' schooling, sibship size; survey; article/reply/rejoinder; R0272

Intergenerational Relations
adolescent-adult development, intergenerational relations; R0572
adult-child interaction, research paradigms; R0217
age-segregated vs intergenerational coalition policy formation, US; R0837
asymmetrical intergenerational/family relations, urban areas, Japan, traditional norm changes; interviews; Sapporo; Q7004
authoritarian parenting style, determinants, docile vs resistant childhood conflict style; semi-structured interviews; Q6995
child-adult interaction, kid's culture concept; R0554
children's rights/work participation, knowledge transmission, Zimbabwe; ethnographic profiles; Q8574
communication gap, old/young, developing countries; questionnaires; youth, elderly, India; S18052
economic inequality; demographic vs social causes, family cycle; interviews; Taiwan families; Q3614
family values, China; cultural value changes, national population policy; Karl Marx's/Max Weber's/Sun Zhonshan's/Mao Zedong's perspectives compared; S18794
generation gap, West Germany; S18014

generational replacement, materialist/postmaterialist values; national survey; Belgium, France, Italy, Netherlands, GB, West Germany; Q6661
generations, Karl Mannheim's *Structure of Thinking*; Q6230
generativity plans/perceptions, grandparent-grandchild relationship; interviews; Q8907
grandparent/grandchild relationship, family resource potential; Q5969
Grandparents' Day cards, old age cultural images; content analysis; Q5932
independent inland water transporters' ("bargees") decline; economic/technological changes, family's adaptation/traditional work organization maintenance; 2-generation's life histories; France; S17902
intergenerational class mobility, England/Wales; official statistics; Q8030
intergenerational family relations, France, recent research; Q4167
intergenerational helping patterns, Mexican-Americans; questionnaire; San Antonio, Texas; Q8634
intergenerational justice; Q6235
intergenerational relations/well-being, older Japanese Americans; younger generation's social mobility; interviews; mother-daughter pairs; Q8095
marriage/inheritance patterns, preindustrial Japanese peasant society; intergenerational conflicts; population registers; 1671-1871; Q5915
materialism/postmaterialism, intergenerational value change; literature review; Q7418
mothers-/daughters-in-law, intergenerational relations, Taiwanese family; participant observation, interviews, official records/statistics; R0622
multigeneration households, location distinction, parents' vs adult child's home; interviews, questionnaires; Hamilton, Ontario; R0651
offspring career choice; parents' professional background; survey questionnaire; Q3690
older parents/middle-aged children, intergenerational relationship; interviews; Q6996
Oneida Community, New York, eugenics/intergenerational tensions; 19th century; Q3426
parent-child relationships; life events; interviews; Hamilton, Ontario; S18233
resource control/transfer, deference patterns, aged/youth relations; cross-cultural ethnographic material; Q9623
sexual morality attitude changes, younger vs older cohorts; General Social Survey data; 1972-1982; Q4343
social status attainment, occupational mobility, intergenerational transmission, Chile; education; questionnaires/longitudinal study; youngsters/students; Q6812
student movement participants, 1960s, Karl Mannheim's "generation unit" concept; longitudinal scale data; high school seniors, parents; Q6225
unresolved parental emotional attachment/cut off, adults; intergenerational contact frequency/quality; questionnaire; asymptomatic/symptomatic married couples; Q6999
visitational dreams, Moroccan Jews, Israel, influencing younger generation name choice; Q3077
women's movement, political generation concept; S19089
youth alienation; adult societal changes; Q5819
youth dependency; national development level; cross-national data; S18962

Intergroup Relations
Blau, Peter M./Joseph E. Schwartz, *Crosscutting Social Circles: Testing a Macrostructural Theory of Intergroup Relations*; review essay; Q3203
children's inter-/outgroup relations, desegregated schools; heterogeneous team-learning interventions; experiment; Q5564
communal disharmony, India, cultural/religious prejudices; interviews; religious leaders; S18069
community conflict/mobilization, non- vs elite movements, water fluoridation policy adoption, multiplicative model; case example; US cities; S18684
ethnicity, intergroup relations, language issues, Malaysia/Singapore; social-psychological analysis; Q3820
group stereotypes; intergroup contact, individual member's characteristics; experiment; students; Q5577
Indian immigrant laborers' social status/alienation, Sri Lanka; historical analysis; S17627
intercommunal relations/conflict regulation; educational policies; South Africa, Zaire, Federal Republic of Germany, Lebanon, Switzerland; S17964
interethnic/-religious social interactions; social structure; northern Californians; Q4850
intergroup anxiety; ethnocentrism, stereotyping, contact; survey; Hispanic/Anglo college students; Q5000
intergroup relations, *Journal of Multilingual & Multicultural Development*, issue's contents in social psychology perspective; Q3237
intergroup relations, student achievement; ethnically mixed learning groups; experiment; Gordon Allport's contact theory tested; Q5583
research units, collaboration/performance; structural/contextual factors; cross-national data; S18328
social identity patterns/structures, US blacks-whites/Israeli Jews-Arabs; questionnaire; college students; Q3211
social identity, categorical differentiation; experiment; female students, Switzerland; Q3093
subjective vs objective ethnic identity, Marxist categories critiqued; life histories; Lucknow, Uttar Pradesh, India, Muslims/Christians; S18606

Interlocking Directorates
corporate board interlocks; corporate power/status/market position; Q5126
corporation/policy-making elite, network cohesiveness; Q7790
interlocking directorates, Canada, communication/control vs political/ideological coordination; 1946-1977; Q5130
interlocking directorates, US corporations, power/control dynamics; Q7789

Intermarriage
children's ethnic identity; parents' ethnic intermarriage; interviews; adults, Winnipeg, Manitoba; Q9559
cross-ethnic marriage patterns, Hawaii; ethnic group size/median income; secondary analysis; Q3251
racial identity formation, mental health, racially mixed children; interviews; black American/Japanese mixed families, Kansas, Maryland, Michigan; S18660
white ethnic group intermarriage, US; Q3216
white/Indian intermarriage, US, historical encouragement; S17515

Internal Migration
black migration, US, economic causes/consequences; historical data; 1916-1930; Q7713
black southern-northern US migration, occupational/marital statuses, migration motivations; content analysis; letters, autobiographies; Q5757
city-suburban population redistribution; 1970s Current Population Survey; Q3779
distressed neighborhoods, household in-/outmigration patterns; questionnaire; Tel Aviv, Israel; Q5470
forced household migrations, Kolubara villages, Yugoslavia, procedures/preconditions; Q8170
industrial development, Cuba, urbanization/internal migration processes; documentary/statistical data; Isle of Youth; S17585
intercensal immigration rates, rural/urban India; economic changes, employment patterns; census data; 1961, 1971; S18210
internal migration patterns, Andhra Pradesh, India; census; 1971; R0524
interregional migration studies, USSR; youth example; Q6939
migration decisions, metropolitan-nonmetropolitan migrants; economic vs noneconomic factors; northern Washington/Idaho; R0508
migration patterns/predictors, Bangkok, Thailand; R0515
migration to metropolitan vs nonmetropolitan areas, Sunbelt; Current Population Survey; Q8547
population interchange, nonmetropolitan-metropolitan areas, Texas, equilibrium hypothesis; 1980 census; S18843
population redistribution, US blacks/whites; 1950-1980 censuses; metro/nonmetro, South/non-South, central city/suburb, urban/rural locations; Q8539
regional religious differences, US, migrants' impact/adaptations; Q3907
religious affiliations/culture, regional convergence; economic development, population redistribution; census-type data; Cajun community, Louisiana, South, US; 1906-1980; Q8310
South to North black migration; southern cities' low pay rates/high unemployment; US Census data; early 20th century; Q5755

International Conflict
arms race, war, testing empirical linkages; Q3506
international conflict resolution, analytical approach; Q3504
language conflict, game theroy analysis, international "state language rationalization" simulation game; S18148
national/international conflict resolution; leaders' propensity for violence; Q9104
peace research, sociological/interdisciplinary approach; S18616
peace/violence propensities, liberal democracies; literature review, empirical studies, 1816-present; Q5283
Vietnam-Cambodia conflict, USSR's/US's/China's posture, strategic implications; Q6694

war/peace, Charles Wright Mills's vs Raymond Aron's views; S18617
war/peace, sociological interpretation, Claude-Henri de Saint-Simon's views; S17630

International Cooperation
biomedical science, international activities, US National Institute of Health's role; R0462
biomedical science, international cooperation; conference remarks; R0457
Chinese sociological research, history, US collaboration; S18185
chronic diseases, crisis situation, social order implications; R0716
crime victim's rights, Declaration on the Protection & Assistance of Victims of Crime; Q6895
global feminism, women's concerns; Nairobi, Kenya conference of the United Nations Decade for Women, July 1985; R1111
international relations, cooperation strategies; experimental studies; S19062
international social science decline, inter/nongovernmental organization/UNESCO relationship; Q6689
science/technology progress, European Economic Community; R0446
Sisterhood Is Global by Robin Morgan, feminism; review essay; Q9125
social science, international cooperation vs self-containment; commentaries; Q5726
social science/sociology; multinational version, cultural/social/political/economic factors; First vs Second vs Third World views; Q6477
teachers' overseas career choices, France; R0091

International Division of Labor
economic development; international goods/capital market positions; Q7846
international division of labor, USSR's role, late 20th century; Q7140

International Economic Organizations
alternative development model, Third World countries, microlevel projects; S18348
banking system privatization, Arab/Latin American countries, political implications; S19197
debt crisis, developing countries, multinational banks' role; S19237
economic growth/productivity, developing countries, self-regulatory market hypothesis; official statistics; Q3378
international financial metropolises/South American cities, ecological dominance hypotheses; international bank data; Q6773
professional qualifications/motivations, agricultural scientists, Agency for International Development; scales/other data; R0485
Trilateral Commission, world system goals/influence; Q9719

International Law
national sovereign rights/international regulations conflicts, international law; S18515

International Organizations
international governmental organizations, open- vs closed-system perspectives; Q9734
international political-economic institutions, New International Economic Order, periphery's role/struggle, hypothetical international scenarios; Q5194
international social science decline, inter/nongovernmental organization/UNESCO relationship; Q6689
international/national health policies, sociology of knowledge approach; official documents; Venezuela, international agencies; Q7118
peasant-state relations, agricultural production, Bugisu, Uganda; government policies, international dependencies; fieldwork; Q8127
social development processes, international organizations' impact; S17859
world food system, developing countries; transnational food monopolies; Q9829

International Relations
arms races, national interaction, expectations formulation model; Q5280
Awlad Sulayman people's history, Libyan-Chad relations; Q8312
civil war, El Salvador, US intervention; R0015
coal mining industry, rationalization/restructuration; private companies/government conflicts/collaborations; World War II, France; S18126
communication orientations, exogenous/endogenous elites, Mexico; interviews; Q8114
Costa Rica/Nicaragua relations, foreign policy; press sentiment changes; pre-/post-Sandinista revolution, 1979; S18770
creative problem solving, Camp David (Maryland), Egypt/Israel/US Summit; Q4840
developed/developing countries' relations; social sciences' prosperity/progress/development emphasis; S17552
East-West conflict, Third World effects, Western Europe's role; historical analysis; Q7941
economic situation, Central America, Kissinger Commission recommendations; Q9972
English linguistic hegemony, international second language promotion efforts; US/GB foreign policy papers; Third World, Europe; S18409
ethnic/national/civilizational self-determination, social development, Third world countries; political/social/cultural factors; S17857
European space program, French influences, US position; Q5735
global development trends, 1917-2020; S18158
international financial metropolises/South American cities, ecological dominance hypotheses; international bank data; Q6773
international relations, balance-of-power theories; Q6691
international relations, book translation patterns as cross-cultural history; Q9933
international security studies, social science's role, interdisciplinary approach advocated; Q7149
international sports, ideological vs operational concepts; semantic differential pilot study; Q3491
international tourism; world crisis; S18155
international war/peace, social/economic roots, state/social class policies, V. I. Lenin's works examined; S18223
militarization, Central America, US participation; Q9948
nuclear weapons policy, perceived moral exceptionalism, US; R1014
peace attainment, Central America, guidelines/principles; R0023
peace movement orientations, West Germany, US; S17981
peace movement, masses' role, socialist creativity vs imperialist militarism; S17673
political situation, El Salvador; Q9952
political/social/economic conditions, Central America; Q9960
scientific-technological dependency, Iran, development implications; R0475
security strategies, nation-state vs nongovernmental plans; peace research, major powers' diplomatic relations policy; S17683
social change/structure variability, world community level, V. I. Lenin's/Max Weber's/alternative views; S18792
social structure, Canada; dependent industrialization; national surveys; Canada, US, Sweden; R0030
sociocultural evolution, time-space concepts; worldwide telecommunication/transportation technologies; historical social ecology approach; S17837
sociology pioneers, world peace/war views, nationalism influence, contemporary US social thought, Max Weber's, Emile Durkheim's, others' works investigated, 1890-1920; S18045
Soviet-American relations, antagonism, US self-determination vs Soviet revolutionary commitment; Q9556
Spanish Revolution, Western nonintervention/Russian intervention policies; Q9953
teachers' overseas career choices, France; R0091
technological dependence/development, South Korea; Q9937
technological domination, well-off countries; R0474
territorial claims, Antarctic continent, international conflict; Q6693
Third World women, gender/generation systems; Westernization, West/non-West common interests/cooperation; S18178
US military effort, WWII; immigrant German social scientists; international political science theories compared; S18591
US military intervention, Central America, Kissinger Report's influence; Q9947
US-Central America relations, Ronald Reagan's 9 May 1984 speech; Spanish translation; R0022
US-Mexico border, urban land use policy; case study; San Diego-Tijuana; Q9935
US-Saudi Arabian relations; Q5281
USSR/US relations, George Kennan's views reviewed; Q6282
Vietnam-Cambodia conflict, USSR's/US's/China's posture, strategic implications; Q6694
war/peace, Charles Wright Mills's vs Raymond Aron's views; S18617
wars/relations, European great powers, explanatory theories; 1815-1939; Q6692
weapons systems proliferation, peace movement's failure, threat exaggeration; US, USSR; S18569
world peace, religious vs bureaucratic positions; Q9940
world religious changes, international sociopolitical effects, worldview concept; Q6854

International Studies
cultural development, international disparities; capitalism's socioeconomic contradictions; sociology of cultural policy development; S18414
international demography course, teaching methods; Q9327

youth dependency; national development level; cross-national data; S18962

Internationalism

global reform prospects, political/statism issues; Q7942

labor internationalization, social change issues, US/Soviet scholars views; 2-book review essay; Q7826

single world government, nation-state sovereignty/other obstacles; S19189

Internship Programs

applied sociology, urban internship program, student evaluation; questionnaire; Q2945

sociology students' marketability/learning; urban internship program; Westmont College, Santa Barbara, California; Q4695

Interorganizational Networks

corporation/policy-making elite, network cohesiveness; Q7790

doctors' computer information system use; hospital communication network position; clinical data; private teaching hospital; S17591

interlocking directorates, Canada, communication/control vs political/ideological coordination; 1946-1977; Q5130

interorganizational cooperation/competition, human service networks; organizational size/structure; interviews; Lansing/Kalamazoo, Michigan; 1972, 1979; Q6630

interorganizational network linkages, Phoenix, Arizona, smallest space analysis; secondary data; Q7786

intervention strategies, labor-management committee; interorganizational network structure; mail survey; New York; Q9762

Italian Civic Protection Service; environment; documents, interviews; S18560

organizational genesis, preexisting organizations as resources; case study; Q7774

power, interorganizational network; environmental/extra-network linkages; mail survey; farm supply manufacturer/dealers; Q6632

welfare state crisis, formal-informal organizations' links/social distances; S18184

Interorganizational Relations

academic women, empowerment strategies, patron system; Q5567

change agent identification/training/roles/skills, private voluntary/government organizations; questionnaires, interviews; agency personnel; East Africa; Q6639

corporate management's internal relations politization, labor alienation; labor process rationalization; S18655

intergovernmental relations; decentralization reform strategy, Switzerland; S18115

interorganizational collaborative problem solving, facilitative conditions; Q5127

interorganizational conflict, radical vs moderate social movement organizations, southern US civil rights movement; Q9847

interorganizational coordination attitudes/economic efficiency, top-level managers; educational level, institutional environment; agricultural cooperatives, Hungary; S17954

interorganizational relations, community mental health delivery systems; National Institute of Mental Health data; S17944

interorganizational relations, macrosociology, methods/strategies/bibliography; Q3357

interorganizational relations, network analysis research techniques; Q5148

interorganizational relationships/network structure; interviews; aged service delivery agencies, administrators/service providers; Q6625

local soil conservation, interorganizational relationships; coordination barriers, organizational characteristics; telephone interviews; conservation agencies, US counties; S18841

old age service provision, public-professional/private-informal systems' rationales compared; participant observation; S18481

resource exchange/interhospital cooperation, head/neck cancer patient management network; documents/questionnaire/interviews/other data; S19011

state development strategies, organization roles, developing countries/Poland; S18015

work relationships improvement, organizational interdependence model; questionnaire, interviews; employees; Q7771

Interpersonal Attraction

group formation; interpersonal attraction, social identification; experiment; Australian grammar school students; Q4841

human mating behavior, assortative mate similarity pattern; psychometric studies, married couples; Q4853

interpersonal attraction, Theodore Reik's complementarity theory; personal characteristics, self-esteem; experiment; Q5958

Interpersonal Communication

acquaintance process, information acquisition/communication styles, Chinese vs American university students; interviews, questionnaires; Q9454

child semantic development/communicative abilities; social class effect; lower-/middle-class kindergartners, second/sixth graders; R0211

children's verbal interaction, argument starting methods; nonverbal components role stressed; R0204

comforting behavior, cognitive/motivational variables; videotapes, content analysis; college students; Q3135

communication competence, mentally handicapped persons; conversation linguistic analysis; Northern Ireland centers; S18783

compliment taxonomy/transactions/behavior; interviews, content analysis; adults; Q4927

deceptive communication, behavioral cues; observation; university students, Texas; Q3103

discourse comprehension, marital dyads, contextual factors; experiment; undergraduates; Q5928

doctor-patient relationship/communication, asymmetry/control issues; book review essay; R0717

doctor/patient communication, context-relevant questions; recorded conversations; family practice clinic, US; Q4280

doctor/patient discourse, structure/asymmetry, institutional authority concept; interviews; Q3350

doctor/rural patient communication, conversational approach; interviews; Rhotak Medical College, India; S18543

eye contact/laughter/smiling; intimacy motivation/reciprocity; Thematic Apperception Test, interviews; college students; Q3072

family planning, communication relationships, females, South Korea; interview data; Q6786

gratitude expression, verbal vs nonverbal mode, Tamil, South India; Q6778

gynecologist/female patient interaction, distributional/turn-taking/topical analysis; observation, audiotapes; clinic/private office, California; Q4272

interpersonal communication competence assessments; relationship type/trust; scales; Q7465

sociolinguistics literature/research/results; content analysis; journals; Q8199
Sociological Forum review essays, publication prospectus; Q6465
Sotsiologicheskie issledovaniya, tenth anniversary overview; Q6470

Judaism
black Judaism, US/Israel, history/music; R0346
Cabalist mystic tradition, Germany, surviving devotees; Q8352
death perceptions/cults, ancient/late antique Judaism; Q7130
Ethiopian/mainstream Judaism, "cultural brokers", Tigray community, Ethiopia; Q4929
German/Jewish cultural symbiosis, Hermann Cohen's religious/scientific thought; Q8338
Hassidic subgroups, Judaism, deviance forms; Q6827
Hebrew language modernization/secularization, Gerschom Scholem's thought; unpublished letter; Q8353
Jewish culture/tradition, Germany, secularization process; Q8337
Jewish divorce/remarriage, *get* (bill of divorce), *Stern* v. *Stern*; Q5653
Jewish integration vs identity maintenance, US; Q3894
Jewish public worship, turn-taking preference rules/internalized grammar; Q5634
Jewish religious practice, Belgium; Q5599
Judaism, "community" concept; Q7136
Judaism/Christianity relationship, Max Weber's treatment; Q7410
Moses und Aaron, Jew Arnold Schönberg's unfinished opera, political interpretations; Q8221
romantic religiosity/messianism, German Jew Gustav Landauer's life/work; Q8331
schizophrenia, biographic rehabilitation perspective; case studies; Jewish Midrash; Q8833
state/fringe vs conjunctural integrism, Judaism; Q8301
Western scientific/Jewish values compared; primary/secondary historical sociological sources; S18436
Zionism/Hebrew language, Gerschom Scholem's views; unpublished letter; Q8336

Judges
contemporary Italian sociolegal problems, judges' dangers/difficulties; last 10 years overview; Q4006
criminal punishment purposes vs actual sentencing practices, USSR; questionnaire; judges; R0407
judicial professional ideology, Yugoslavia; scale; Q8122

Judgment
preference judgments, intuitive vs evaluative approaches; Q9010
quality judgments, technical fields, social-psychological/structural factors/biases; interviews; researchers; Q8511

Judicial Decisions
armed robbery, Canada, justice system treatment; case studies; Montreal, Quebec; Q6186
compensation for damages, estimation via statistical methods, Italy, recent judicial decisions; Q3990
contributory negligence, rules liability assignation; R0400
court-ordered child removal, poor vs nonpoor abusive families; case histories; R0560
criminal recidivism, black vs white offenders; sentencing disparities; official data; federal felony offenders; R0416
disability hearing process, Social Security Administration, vocational expert/consultant witnesses; R0374
Henrietta Cook v. *State of Kansas* murder trial (1876), cultural/ideological truth; R0383
incarceration decisions; offender's sex; probation officer reports; R0376
informal judicial processing, charge bargaining/sentence reduction decisions; defendant gender; Washington, DC; Q8421

intercourt precedent communication, state supreme courts; case citation records; Q5660
judicial processing decisions, US juvenile justice system; pretrial detention; intake records; Florida; 1977-1979; R0897
legal positivism vs natural law theory; R0358
legal punishment perceptions, individual differences; interviews, questionnaires; arrestees; factor analysis; R0413
murder cases, community's pretrial guilt attributions; media publicity; telephone interview surveys; small California city; Q9884
post-New Deal Supreme Court, countermajoritarian activism, decisions/public opinion compared; Q3434
potentially violent patients, psychotherapist's liability, US Supreme Court *Tarasoff* decision; mail questionnaire survey; psychotherapists; Q8375
prison control/violence; court-ordered penitentiary reforms, Texas; participant observation/open-ended interviews; guards/inmates; Q6907
racial discrimination sentencing practices, British criminal justice system; court records; Bradford/Leeds magistrates' courts, 1983/84; R0380
sentencing decisions, judicial consistency/bias; case records; legal-aid clients; R0862
social movements/political trials, court attitudes/procedures; R0353
social welfare policy, court's role/decisions, analytical framework; Q8385
state court decisions, Minangkabau, West Sumatra, social significance; fieldwork; R0405

Judiciary
contemporary Italian sociolegal problems, judges' dangers/difficulties; last 10 years overview; Q4006
judicial reform issues, India; S17980
judiciary's political system involvement, legislative/representative bodies competition; Q3991
South African judiciary, ideological functions; Q8410

Jung, Carl Gustav
parapsychology, psychological establishment's views; R0348

Junior High Schools
drinking attitudes; alcohol education programs, social psychological methods; experiment; junior high school students; Washington; Q4902
life events/ stress, junior high school students; social desirability; questionnaire, survey; Junior High Life Event Survey developed; Q6972
social/affective skills development, behavior/learning disordered middle school children, multidisciplinary program; Q3846

Juries
juror conviction/acquittal bias; jury experience; criminal trial data; Q3965
jurors' assessments, civil cases, attributional analysis; experiment; college students; Q8396
jurors' reasonable doubt comprehension, quantification approaches; questionnaires; college students; Q3964
jury decision-making; verdict option limitation; experimental data; Q5657
jury deliberation; standards of proof, legal vs quantified definitions; experiments; college students; Q3975
racial inequality, jury selection process; class domination, capitalist societies; Los Angeles County, California/England/US; historical/theoretical analysis; Q6873

Jurisprudence
"facts", legal/sociological conceptions compared; Q6872
Hart, H. L. A., legal philosophy; Q8373
jurisprudential discourse; Q5658
liberal jurisprudence, Pashukanis's theory; Q8407
sociology of law/jurisprudence; book review essay; Q3967

Justice
community justice/social structure relationship, small-scale cooperatives; Q3972
criminal offense, children's justice sense; crime type/category; questionnaire; students aged 7-12; Q4108
informal justice systems, criticism/typpology, advanced capitalist societies; R0359
intergenerational justice; Q6235
moral vs political values, "justice-as-fairness" view; Q5674
"popular justice," Northern Ireland; Q5662
procedural justice, decision-making participation; Q3963
products liability litigation, punitive damages awards, retribution/deterrence issues; Q8370
public inquiry process, natural justice issue, sociological perspective; Q3579
rights/justice persistence, communism vs capitalism, Karl Marx's/New Left's arguments; article/comments; R0937
village social control, "volksgerichten" phenomenon, Netherlands; book review essay; R0368
wage structure, collective justice sentiments, relational/distributional models; Q5654

Juvenile Correctional Institutions
juvenile girls' correctional institution, Bon Air Learning Center, Virginia, historical development; Q9754
public juvenile correctional institutions, US, interstate comparison; survey; Q8425
sexual expression/aggression relationship, delinquent girls, Israel; residential treatment facility, staff impact; Q7116

Juvenile Courts
delinquency reduction; release/community service diversion vs traditional juvenile court; experiment; Q6902
juvenile court, restitution policies/practices; R0910
magistrates' decision making, truancy cases, GB; questionnaire; Q8384

Juvenile Delinquency
adjudicated delinquents; behavioral vs psychodynamic treatment approaches; content meta-analysis; primary research literature; Q8951
adolescent delinquency, multidisciplinary development theory/typology, integrative criminological approach; Q7114
adolescent delinquency/drug use; friend behaviors; telephone/face-to-face interviews, testing, physical examinations; Q4403
adolescent delinquency; self-concept, parents/teachers/peer relations; questionnaires, Rosenberg Self-Esteem scale; tenth grade public/parochial school students, midwestern US; Q7110
aggressive/property delinquency, gender effects; peer group experience; structured interviews; urban adolescents; R0906
alcoholism, juvenile delinquents; physical constitutional/other variables; interviews, social agency records; longitudinal analysis; Q6218
career offender typology, self-report vs official arrest data; panel interviews; R0865
class/delinquency relationship hypothesis, official vs self-report findings, juvenile justice process bias; questionnaire; students, delinquents; Q4400
crime/delinquency, USSR, socialist vs capitalist nations; statistics; Q6204
delinquency rates, India; family social control; S19220
delinquency reduction; release/community service diversion vs traditional juvenile court; experiment; Q6902
delinquency rehabilitation, Israeli kibbutz program; Q8949
delinquency, broken homes, definition/measurement weaknesses; R0912
delinquency, sex differences; self-report data; low-income blacks aged 15; Q8947
delinquency, strain theories defended; Q7395
delinquency/intelligence relationship, Scott Menard's/Barbara J. Morse's theoretical model criticized; reply; Q6215
delinquent adolescents, services continuum program, small group experience; case study; Oklahoma; Q8942
delinquent behavior, gender-integrated/bond theories; questionnaires; teenagers; Q4399
delinquent careers, males vs females, 1958 birth cohort; official records; Philadelphia, Pennsylvania; R0907
delinquent youth, conservative/progressive structural theory; R0590
delinquents' self-description, imprisonment term as reference group effect; Freiburg Personality Inventory; juvenile inmates/nondelinquents, Neumunster, West Germany; R0911
deviant status attainment, decision-making process/bias, social heuristics' role; survey; juveniles, Illinois; Q8954
GB delinquency decline, demographic change, juvenile justice policy ramifications; Q6220
illicit drug use/delinquency behavior, adolescence-young adulthood; longitudinal interviews; New York; 1971, 1980; R0804
juvenile delinquency prevention programs, community organization approaches; Q8945
juvenile delinquency prevention strategies, US/GB, institutional/individual factors; Q7112
juvenile delinquency, ethnic origin, Israel; Q7113
juvenile delinquency, parent/school attachment, reciprocity; survey; high school boys; Q4401
juvenile delinquency, predictive factors; secondary data analysis; ninth-grade students, Lansing, Michigan; Q6216
juvenile delinquency/crime causes, criminology research; R0899
juvenile delinquency; gender, school academic environment/discipline; questionnaires, interviews; high school students/principals/counselors; R0896
juvenile delinquency; ice hockey participation; questionnaires; players vs nonathletes aged 15-16, Montreal, Quebec; Q3500

juvenile delinquency; social networks, community cohesiveness; interview survey, questionnaires; Q5865
juvenile hot rodders, introverted vs extroverted personalities, Japan; cultural vs educational influences; psychometric data; Q7115
penal sanctions, minors, France; 1958 civil ordinance, "ward of the court" status; statistics; Q4397
problem solving skills, delinquents; interview/self-recording procedures; Q7198
sensation seeking, adolescents; delinquency status; longitudinal telephone survey; Q8957
sexual expression/aggression relationship, delinquent girls, Israel; residential treatment facility, staff impact; Q7116
Shotton Hall residential school, maladjusted boys; structured interviews; residents, Shropshire, England; Q6903
social transformation, anomie/delinquency, Robert K. Merton's model; Q8948
youth delinquency risk, multistage screening procedure; R0904
youth delinquency, Seminole Indians, rural vs urban reservations; questionnaires; Florida; Q6221
youth deviant behavior; industrial society; Q6212

Juvenile Justice
armed robbery, minors, justice system treatment; Canada; Q6217
children's school nonattendance, parental responsibility, GB, precourt tribunal process; observation; Q5672
class/delinquency relationship hypothesis, official vs self-report findings, juvenile justice process bias; questionnaire; students, delinquents; Q4400
deviant status attainment, decision-making process/bias, social heuristics' role; survey; juveniles, Illinois; Q8954
GB delinquency decline, demographic change, juvenile justice policy ramifications; Q6220
judicial processing decisions, US juvenile justice system; pretrial detention; intake records; Florida; 1977-1979; R0897
juvenile court, restitution policies/practices; R0910
juvenile detention policy/reform, Florida, political issues; Q8429
juvenile justice policy, deinstitutionalization movement; official records; Q6904
juvenile justice policy, Pennsylvania, social/historical origins; archival data; R0900
juvenile justice reform, current policy debates, overview; National Center for Juvenile Justice/census data; Q6879
juvenile justice reform, US federal policy; Q6890
juvenile justice selection/screening; offenders' social status/suspected moral character; statistical/ethnographic data; Q8943
juvenile justice system reform, England/Wales; Q7111
juvenile justice system, Florida, major issues/legislative reform; survey, questionnaire; legal system experts/practitioners; R0905
juvenile justice system, legislative/philosophical changes, Quebec, twenty-five year analysis; Q7117
juvenile justice systems/developments, Norway/Denmark vs England/Wales; R0391
juvenile legal processing; gang membership labeling, Chicano boys; event-history analysis; Phoenix, Arizona; Q6223
juvenile offenders/diversion status, official intervention process; court records, field observation; Florida; R0898
juvenile placement, deinstitutionalization program, New York State; Q8953
public juvenile correctional institutions, US, interstate comparison; survey; Q8425
remanding juveniles, political/organizational factors; case histories/participant observation/interviews; metropolitan county decision-makers; western US; Q6866

Juvenile Offenders
adolescent criminal gangs, India, structure/function/behavior; Q5863
armed robbery, minors, justice system treatment; Canada; Q6217
criminal justice system process, violent youth; qualitative data/court proceedings/records; Q6891
criminology theory, mental imagery concept; S19137
delinquency rehabilitation, Israeli kibbutz program; Q8949
delinquency/drug use, predictive factors, training school male delinquents; personality/ability tests, longitudinal data; Ontario; R0903
delinquent prostitutes/nonprostitutes, self-concepts; questionnaire, Tennessee Self-Concept Scale; Q3167
female juvenile murderers, causative dynamics, male comparisons; clinical case histories; Q4402
inmate structure/culture/socialization, juvenile correctional institution, unobtrusive research methods; content analysis, interviews; grafitti, newspapers; Q7244
intake dispositions, juvenile offenders; race; case records; Q8944
judicial processing decisions, US juvenile justice system; pretrial detention; intake records; Florida; 1977-1979; R0897
juvenile legal processing; gang membership labeling, Chicano boys; event-history analysis; Phoenix, Arizona; Q6223
juvenile male offenders, GB, custodial/alternative penalties; Q5686
juvenile placement, deinstitutionalization program, New York State; Q8953
juvenile recidivism rates, family dynamics; prison aversion program; experiment; Colorado; Q8946
juvenile sex offenses, information network; bibliography; Q8600
major criminal offense rate, at-risk vs convicted male youths, delinquent associations, community intervention program; experiment; Dublin, Ireland; R0908
parole adjustment/compliance, juvenile delinquents; psychological/family/situational variables; archival records, survey; R0410
rape precipitants, anger/violence; official files, questionnaires; youth offenders, Ohio correctional institutions; Q4512
record-keeping practices, police juvenile-offender departments; R0414
remanding juveniles, political/organizational factors; case histories/participant observation/interviews; metropolitan county decision-makers; western US; Q6866
youth delinquency, Seminole Indians, rural vs urban reservations; questionnaires; Florida; Q6221

Kampuchea
Cambodian concentration camp survivors' mental health; antidepressant medication/psychotherapy; Q6070
Marxist educational theory's failure, Cambodia (Kampuchea); Q8263
Vietnam-Cambodia conflict, USSR's/US's/China's posture, strategic implications; Q6694

Kansas
farm crisis, local business/farm household/health care effects, Decatur County, Kansas; S18826

Kant, Immanuel
alienation, individual/society relationship, Kantian moral theory vs individualism concepts; S17724
Enlightenment/French Revolution, Immanuel Kant's thought; R0934
Foucault, Michel, "Kant on Enlightenment and Revolution"; translation/introduction; R0935
legitimacy concept, Immanuel Kant, Jürgen Habermas, Niklas Luhmann; Italian colloquium proceedings; Q3554
peace/war philosophy, Immanul Kant vs Otto August Rühle von Lilienstern; Q5279
person/personality investigation, Immanuel Kant's categorical imperative; Q7510
race relations, Michael Banton's rational choice theory, methodological individualism, Hegelian vs Kantian approaches; Q9367
social anthropology, Kantian epistemology's relevance; Q4427
Western sociology recent ethical/ecological concerns; Q4478

Karma
Karma Yoga work ethic, India, middle-class appeal; S19236

Kentucky
farm women's roles, Indonesia vs Kentucky; survey; S18859
farm work, quality of work life vs job satisfaction; survey; farmers, Kentucky; S19258
mandatory crime reporting/bystander assistance legislation, Kentucky, legal conflicts; Q7490
off-farm employment, Kentucky farm women; survey; S18838
rural crime victimization experiences/perceptions/fears; questionnaire; residents, Kentucky; S17469
subjective quality of life, farm families; surveys; Kentucky; S17440
task performance, women's/children's/hired help's role, family farms; survey, scales; Kentucky farm women; S18837
wage rates/hours worked, nonmetro labor market; socioeconomic/industrial/employer factors; case study; Kentucky; S17436

Kenya
age grading system, Tiriki, Kenya, semigenerational groups' roles/status; field research; Q9508
codeswitching, social motivations, macro/micro bilingualism; Mombasa, Kenya/East Los Angeles, California; S18740
colonial liberation, Africa, religious movements; east Africa, Uganda, Kenya; S18367
economic/political crisis, Kenya, ethnic conflict; Q9775
educational attainment, Kenya; family size; survey; workers, parents/children; Q5537
housing policy, Kenya; social class bias; surveys, interviews; tenants/landlords/allottees/officials, Nairobi/Thiko; Q5461
housing shortage, Kenya, government policy; participant observation, interviews; Nairobi, Thika; Q6283
infant care quality, Kipsigis, Kenya; caregiver characteristics; field observations; Q7653

Keyan political power struggle, President Daniel arap Moi vs ex-Minister Charles Njonjo, social class antagonism context; Q3609
population age/gender structure, less developed countries; fertility/mortality levels; demographic statistics; Bangladesh/India/Kenya/Mexico; S18330
postpartum amenorrhea; breast-feeding/other factors; women, Semarang/Nairobi, Kenya; R0695
prostitution business, Nairobi, Kenya; World War II; R1108
social distancing/cognition, early childhood, Longoli tribe, Kenya; infant experience; observation, tests; Q6948
sterility, inter-/intracountry differentials, Cameroon/Kenya/Sudan; World Fertility Survey; Q8537
tobacco production development, the "peasant" farmer, Kenya; archival research data; S17784
University of Nairobi (Kenya) medical schools, McGill University (Montreal, Quebec) faculty contribution; interviews; Q6820

Kerala, India
local markets, Kerala, India, economic/noneconomic functions; case study; Q9820
low mortality rate, Kerala, India; health information/education; census/government data; Q3064
marital status characteristics, rural-to-urban migrants, India, sex/interstate differences; census; R0537
sociocultural/demographic changes, village life, Kerala, India; male migration to Middle East; fieldwork; S17950
women agricultural workers, Kerala, India, life course; case study; S18331

Keynesian Economics
applied Keynesian analysis/policy, official acceptance, GB; 1936-1947; Q9949

Kibbutz
alienation, Israeli kibbutz, counter strategies; S18487
alienation/industrialization, Israeli kibbutz, counter strategies; S18488
delinquency rehabilitation, Israeli kibbutz program; Q8949
life expectancy, gender differences, Israeli kibbutz society; statistics; Q8778
relationistic reality concept, epistemological/phenomenological perspective, Israeli kibbutz community; Q4779
socialist kibbutz communities, Israel; capitalist economy/society, modernization; interdisciplinary analysis; S18489
work domain centrality, sex differences, Israeli kibbutz members; intervening social factors; small group data, 3 studies; Q9491

Kindergarten
socialization/cognitive status, first-grade children; kindergarten experience; S18991

Kinsey, Alfred Charles
bisexuality, US, theoretical models; A. C. Kinsey's data; Q5893

Kinship
adoption practices, Pulap, Caroline Islands, kinship maintenance; framework; Q5022
descent, inheritance, Kinnaura tribe, India; ethnographic data; Q3252
descent/kinship, matrilineal tribes, India, Meyer Fortes's complementary filiation concept; Q3250
development, developing countries, kinship/extended family roles; case study; families, Kolar gold field, India; Q6586
friendship/kinship relationships, elderly, post-hospital discharge; interviews; families, San Francisco, California; Q4349
health/well-being ritual, kinship organization, Sgaw Karen, northern Thailand,; Q7660
household structure, US families; kinship priorities/ideology; Q9602
industrialization/kinship systems relationship, Nigeria; census data; Yoruba/Igbo/Ibibio; Q6579
kinship interaction/social status/well-being correlations; mail questionnaire; males, London, England/Los Angeles, California/Sydney, Australia; Q3255
kinship practices/systems; book review essay; R0683
kinship structures, remarriage families, children's perspective; interviews; Q8659
kinship terminology/organization, naming practices, rural Haiti; Q3788
kinship theory/research; Q9598
kinship/marriage practices, Arab societies; Q9597
kinship/religious views, Asante, Ghana; interview; Q5061
modernization/urbanization, Nigeria; kinship patterns, extended family's role; Q6584
northern industrial workers, US, early 20th century; 3-book review essay; Q3254
reproduction/pollution beliefs, Gimi people, Papua New Guinea; fieldwork; R0599
social history, precolonial Morocco, genealogical authentication; texts; post-14th century; R0654
social organization, structures/functions, mainland/offshore/overseas Chinese communities; Q3234
societal development, kinship role; special issue, *Journal of Comparative Family Studies*; Q6580
spirit cults/social organization, northern Thailand, matrilineal features; Q7630
Trobiander kinship relations/system, psychoanalytical perspective; Q7627
urban development, Latin America; kinship; 19th century; Q5024
working women, Peru, kinship relations, Latin America; 2-book review essay; Q9655

Kinship Networks
Chinese family system, US; immigration policies, economic adaptation; Q3244
helping patterns, kin vs nonkin, US middle-class women; interviews; Los Angeles, California; Q6342
individual ethnicity choices, overseas/Yunnanese Chinese, Thailand; kinship relations; Q3210
kin relationships; anthropological case studies; Brittany/Nanterre, France; Q4081
kinship network operation; casino gambling industry, Atlantic City, New Jersey; structured interviews; household heads; Q6631
kinship structures, remarriage families, children's perspective; interviews; Q8659
kinship terminology/classification, Foi, Papua New Guinea; Q9605
kinship ties, northern Californian adults; personal characteristics/education/technology; interviews; Q5021
kinship/social support, elderly, US; Q4352
matrimonial strategies/kinship relations, Algeria, social class differences; family monographs; Q5029
village solidarity, Muslims, Pakistan; family/fraternal clans affiliations; inteviews; household heads, Chakpur village Punjab; Q9600

Kinship Terminology
kin-relational expressions, vernacular definitions, structural semantic analysis; Q5026
kinship terminology, polyandrous Buddhist community, India, sociolinguistic analysis; Q3816
kinship terminology/classification, Foi, Papua New Guinea; Q9605
kinship terminology/organization, naming practices, rural Haiti; Q3788
kinship theory/research; Q9598
Shitari Yanomamo Indian's (Brazil) ideal marriage rules/kinship terminology; field research data; Q5023

Knowledge
arithmetic, cognitive approaches/practices, schooling vs daily life; anthropology symposium; Q5592
culture/knowledge; modern technology; Q8971
Die beiden Grundprobleme der Erkenntnistheorie (The Two Basic Problems of the Theory of Knowledge) by Karl R. Popper; review essay; Q7226
government vs voluntary rural health care programs, India, knowledge utilization perspective; case studies; Q8142
ideology/knowledge, Karl Marx/Karl Mannheim/Louis Althusser; Q4411
information technologies as knowledge evolution vehicles; Q4051
knowledge engineering, computer science/information technology fields; Q8995
knowledge evolution, human/computer commensality, human thought simulation; Q8977
knowledge expropriation, new epistemological explanations; S17786
knowledge generation/use; social/cultural/political environmental factors; hermeneutical approach; Q6226
knowledge, cybernetics model, holograph concept; Q4818
knowledge/interest connection, scientific arguments, interactive interpretation; sociolinguistic/conversational analysis; Q6531
philosophy of knowledge, Western tradition, environmental fit theory; Q8972
science/technology transfer, transcultural communication, ecology of knowledge concept; Q8973
social knowledge concept, Margaret Mead's work; Q4742

Kuhn, Thomas Samuel
Kuhn, Thomas S., scientific revolution theory, computer simulation test; R0927
philosophy of science, Thomas S. Kuhn's naturalistic approach; Q4616
Piaget, Jean/Thomas S. Kuhn, science development, fundamental concepts compared; Q5689
scientific development, Thomas Kuhn's model critiqued; Q2984

sociology of science curriculum development, social/theoretical knowledge structural contexts; Q6467

Kuwait

demographic/socioeconomic structure, Gulf States; Kuwait/Qatar/Bahrain/Saudi Arabia/United Arab Emirates; S17528

mortality decline, Kuwait; health care promotion, welfare state; S18539

Labeling

attribution/labeling relationship, Harold H. Kelley's causal attribution model; mock jury deliberation transcripts, content analysis; Q3031

blindness rates, medical manpower vs labeling models; statistics; New York State; Q3165

drug use-labeling, causal processes, sex differences; longitudinal data; adolescents; Q9422

family therapist, urban family medical practice; Q6424

giftedness stereotypes/labeling, gifted persons' perceptions/coping mechanisms, deviance theory; interviews; Q7578

labeling, hospitalized poor, deviance theories; R0739

learning disabilities, US public school students, labeling theory; questionnaire; teachers, parents, school officials; Q5572

mentally ill, self-labeling process, emotional deviance notion; Q4306

mentally retarded children; labeling effects, developmental vs difference perspectives; questionnaire; undergraduate/graduate students, professionals; Q7582

organizational theory, model/typology persistence, label transcience, practitioners' demands; S18150

public terrorism/aggression labeling; victim's respectability/attacker's motivation/act's consequences; questionnaire; undergraduates; Q4303

science/pseudoscience distinction, labeling effect; Q5725

Labor

abstract labor, monetary vs nonmonetary units; reply to critique; Q9201

alienation concept, Talcott Parsons's vs Karl Marx's theories; Q4740

bonded labor/rural poverty, India; case studies; Q9082

Braverman, Harry, *Labor and Monopoly Capital*; Q3298

child labor legislation, colonial Tanganyika; Q3996

"labor society" concept, Simon Aho's theoretical approach; comments/reply; Q7449

labor strength decline, US; published statistics; Q3341

labor system, changes, Andean estate, disposition-centered analytical framework; case study; Colombia; Q3369

labor/sport relationship, Marxist labor concept, Rob Beamish's views, reply; Q6720

Willis, Paul E., cultural production theory; Q7651

Labor Disputes

British coal dispute; 1984/85, selective bibliography; Q7686

coalfield strike, GB, miners' experiences; 1984; Q7670

contractual disputes, Washington State public education, grievance arbitration/mediation; survey, questionnaire; R0288

labor mediation process, regional government administrators' role, Sardinia, Italy; Q9675

salary conflict, University of Wisconsin faculty/staff, ideological postions; Q-method; Q8063

striking/vilence patterns, US unions; 19th-20th centuries; R1060

work environment, Sweden, codetermination vs wage-earner funds; official statistics, interviews; S18394

workplace conflict, manufacturing plants, Milan, Italy; labor law; Q8393

Labor Force

employment system, structure/development, Germany; 19th century-present; Q7701

family/occupation/migration, Nimes-Amiens-Roubaix, France; 1906 census data; Q3693

industrial labor absorption/mobility, Latin America, informal/formal sectors; secondary data; Q5181

interindustry productivity variation; market concentration, structural power; S19113

labor force distribution, manual/nonmanual distinction; International Labor Office Yearbook data/national census data; 58 countries; Q6741

labor force movement, Finland, marginalization process; Q7699

labor force transformation; economic development level, investment dependency; International Labour Office statistics; less developed nations; Q6646

labor supply, employment patterns, Gezira scheme, Sudan; family demographic/nondemographic behavior; households; Q8152

labor-technology relationship, sociological interpretation trends; Q6604

Montreal (Quebec) labor force, Italian immigrants' integration; Q5097

occupational segregation, Asian male labor force, Canada; statistics; longitudinal study; Q3705

rural population/labor force, estimates/projections; Louisiana; S17446

sex segregation, Australian labor force, antidiscrimination legislation; Q7740

Soviet labor discipline, worker's behavior/attitudes; social-psychological factors; questionnaire; workers/managers, Leningrad, Novgorod USSR; Q5096

worker requalification, Marxist theory; microelectronics industry; Q5731

Labor Force Participation

baby-boom generation, France, values/goals, labor market integration, political preferences; Q5753

disabled people, employability issues/opportunities; Q7696

employment migration willingness; age/labor force status; longitudinal study; methodological issues; Q4355

entering employment, youth, GB; interviews; firms, 17-18 year-olds; S18473

ethnic group integration/martinality, Puerto Rican immigrants, US; 1980 Census; Q9542

farm labor, women's participation; interviews; farm/nonfarm households, Quebec; R0145

female labor force participation, Brazil, social implications; longitudinal cohort analysis, census; 1950-1980; S18461

female labor force participation, cross-national determinants; official statistics; 1965, 1970; Q6644

female labor force participation, industrial nations; population sex ratio; longitudinal data; article/comments/reply; Q6375

female labor force participation; ecological/community structural factors; census; Nebraska; Q8099

health-paid employment relationship, women; surveys; GB; Q7038

individual political/voluntary group participation; migration status, life cycle stage, labor force participation, gender; 1975 Detroit, Michigan, Area study; Q6695

stressful life events; social support; survey data; adults, New York; Q3124
temporal organization/reference, life crisis; empirical data; industrialized societies; S18471
well-/ill-being; age/personality traits/life events; panel study, interviews, questionnaire; Victoria, Australia; S17979

youth life course development; academic success/failure; longitudinal study; Western industrialized societies; Q5880

Life History

antebellum millgirls, Lowell, Massachusetts, work exploitation awareness, changing perceptions; retrospective accounts; S18427
baby boomers/1900 generation compared, Hamilton, Ontario; life histories; S18637
biographical analysis, restructuration concept; life history; communist conversion, Catholic woman; Q7503
biographical method, classical vs recent formulations; research examples; S17808
biographies, structural/temporal dimensions; S17877
cultural/theological orientations, Pentecostals vs Primitive Baptists; life histories; R0337
elite population's career patterns, Hungary; historical events, revolutions, wars; biographical dictionary, memoirs, interviews; S18165
family daily life, urban context, life history methodological approach; Q8642
immigrant Punjabi-Mexican farm family, California, life history; S18168
individual biographies, revitalization; historical events; S18000
Kodi traditional chanter (Sumba, Indonesia), anthropological informant's life history; Q5054
life histories analysis, young adult delinquents, social time; S18167
life histories, analytical uses; Q2910
life histories, anthropological research value; book review critique/response; Q7662
life histories, illiterate women, methodological considerations; Q9255
life history analysis, generation definitions; S17919
life history as methodological orientation, migrant Puerto Rican workers; questionnaire; Brooklyn, New York; Q5751
life history research method, mental health consequences, Cuban refugees; taped interviews; Los Angeles, California; Q7064
life history, biographical analysis, personality; poststructuralist view; S18340
life stories; case studies; females, France; S17733
life story technique, subjectivity; Q4623
mother/daughter life histories, family relationships, Grand Bank, Newfoundland; S18420
researcher-participant bias, methodological difficulties, life history data, peasant cooperative case; S18513
sociological research, life history approach, dialogical interaction foundation; S17773
Tunisian farmer's life history, methodological viewpoint; case example; Q4640

Life Plans

career-oriented college women, stigmatization hypothesis; panel studies; Q3168
educational/occupational attainment, life plans, social/psychological variables, national structural differences; S18503
family/educational/occupational plans, Israeli adolescents; sex/ethnic/socioeconomic variations; questionnaire; Q4128
planned vs actual activities, graduating high school seniors, consistency predictors; longitudinal survey; Q4145
wives' decision making, family/job planning; future time perspective; interviews, questionnaires; young married women, men; Federal Republic of Germany; Q5925

Life Satisfaction

achievement motivation/life satisfaction, cohesive communities; industrial progress; scale, questionnaire, book catalog; industrial workers, Israel; Q7805
college/university faculty satisfaction; personal characteristics/work environment; Q8060
community/life satisfaction, structure/relationship; interviews; households, US; Q3756
health/life satisfaction, elderly; social support structure; survey, interviews; Q4353
job/life satisfaction; social network members' socioeconomic status; cross-sectional survey; S18239
later life satisfaction/occupational success; adolescent leisure activities; questionnaire, personality inventory; rural high school sophomores, longitudinal analysis; Pennsylvania; Q8591
leisure activity, life satisfaction, older persons; motivational orientations; telephone/mail questionnaires; Q8904
life satisfaction determinants, age as moderator; survey; Q8890
life satisfaction measures' validity/reliability/response bias; three scales analyzed; S18130
life satisfaction, college students, multiple discrepancies theory; S18779
life satisfaction, elderly American Indians; external/internal environmental factors; scale, questionnaire, interviews; Q7493
life satisfaction, institutionalized rural elderly, social/psychological predictors; questionnaires, nursing home records; North Carolina; Q6172
life satisfaction, low-income young adults, rural southern Appalachia; longitudinal survey; R0998
life satisfaction, rural black elderly; social-psychological factors; scales; Elm City, North Carolina; Q8909
life satisfaction, rural black elderly; social/psychological variables; interviews; S17477
life satisfaction, Swedish undergraduates; survey, scale; S18633
life satisfaction/happiness, multiple discrepancies theory; questionnaires; university students; S18268
life satisfaction; social status; survey; high-/low-status subjects, Wales; Q3130
morale, life satisfaction, rural elderly; social/physical environment, qualitative assessments; interviews; Warren County, Indiana; Q7085
never-married white men/women, life-satisfaction; interviews; Q6540
perceived quality of life, Federal Republic of Germany; surveys; 1978-1984; Q9013
physical/mental health, life satisfaction; parental/marital/employment status change; longitudinal interview survey; Nebraska; Q7477
productivity/life satisfaction/multiples roles, women authors; age; case histories; Q8083
religious commitment, personal consequences, exchange theory perspective; denomination; questionnaire; students, US/Canada; R0330
satisfaction/happiness, midwestern US vs Canadian college students, predictors/discrepancies; survey, index; S18607
social indicators, US; book review essay; Q4448

Life Stage Transitions

adolescent development, problem behavior; R0682
adolescent life stage/adjustment patterns, mildly retarded individuals; ethnographic field notes, life history interviews; Q8605
adolescent-adult development, intergenerational relations; R0572
adolescent-to-adult transition, youth underemployment/professional training lack; Q5874
age grading system, Tiriki, Kenya, semigenerational groups' roles/status; field research; Q9508
ancesterhood concept, death/dying rituals, Sierra Leone; Q7030
divorce adjustment, individual variations; outside influences, loneliness, well-being, dating; interviews; S18600
early life transitions, adolescents, planning/timing; parental/other influences; quesionnaires, interviews; Q6962
family life-cycle transition/development, ritual behavior's role; interviews; R0660
high school achievement/occupational attainment, relationships/continuity early work career; panel data; young men; Q6968
job satisfaction, aging stability hypothesis, gender differences; interview surveys; S18302
life choices' stability, early adulthood-maturity; adolescent's personal attributes; Berkeley Longitudinal Studies; S18974
life course dynamics/developmental psychology; 2-book review essay; Q4205
life span/life course concepts, Finnish sociology; Q7416
life-course transitions, Canadian women, 19th-20th centuries; census, statistics; R0501
life-course, institutional/individual conceptualizations; Q3034
male/female social cycles, menstrual cycle-associated mood/behavior changes; self-report questionnaires; Q9470
marital relationship, retired dual career couples, roles/satisfaction/power; interviews; S18747
marital relationship/satisfaction; parenthood transition; interviews; couples married 1 year; Q5959
marital relationships; family life-cycle/ego development stage; questionnaire, scales; midwestern US; Q5985
maturity ideology, class-specific nature, post-World War II US; content analysis; yearbooks, speeches, photographs; Buffalo, NY, high schools; Q8964
middle age gender identity transformations, industrial societies; family/professional careers specificity; empirical data; Geneva, Switzerland; S17921
psychological well-being, middle-aged married females; empty nest status/demographic/other variables; interviews; Q4522
religious vs social passage rites; Q8305
residence changes, developing countries; life cycle stage, individual socioeconomic/demographic characteristics; survey, life histories; Semarang, Indonesia; Q6935
retirement adaptation, black vs Hispanic vs Native Americans; longitudinal/cross-sectional data; S18228
retirement roles, Nigeria; S18357
returning young adult syndrome, middle-class families, US; S19088

school-work transition, sociology of youth/work paradigms; S19163
social/leisure activity, retirement age, France; research data; retirees/firms; S17899
transition to adulthood, work/family roles; panel study; male college students; 1962/63 to 1976; S18301
well-being/self-concept/life satisfaction/social integration, adults; chronological age; survey; Q7542
women's maturational patterns; group interview transcripts; Q5368
work/retirement attitudes, women business owners; S18947

Lifestyle
acquired immune deficiency syndrome, alternative heterosexual lifestyles; S18928
adolescent suicide, increased rate, stresses; statistics; Q4136
cardiovascular disease risk; job experiences/attitudes/behaviors; Minnesota Heart Survey, interviews, physical examinations; residents, Minneapolis-St. Paul, Minnesota; Q6055
drug addiction, disease vs "way of life" model; R0792
dwelling/housing policy studies/urban sociology, German Democratic Republic; Marxist-Leninist perspective; R0171
economic structure changes; lifestyle changes; time budget surveys; UK, 1961, 1974, 1984; S17903
Eskimo population, Mackenzie River area, northern Canada, lifestyle/technology; Q9002
heroin use, symbolic interactionist/role theoretic model explanations; ethnographic literature review; Q6148
"Lebenführung" (conduct of life) concept stylization, occidental cultural traits, religious traditions, interpretation problems, Max Weber's India/China studies; S18798
leisure activities/behavior; personality type; questionnaire; Trois Rivières, Quebec; Q9910
leisure patterns-work performance relationship, industrial workers, theory/research; Q9896
leisure/lifestyle, research orientations; Q9911
life quality/length; lifestyle, attitudes; Q3085
life structure, Japanese society; information collection, personal data management; Q6447
lifestyle concept, components/approaches; Q5039
lifestyle, sociomedical conceptions, definitional changes; R0720
Marxist sociology, way of life/means of production concepts; Q9213
men's lives, organizational patterns/changes; census/survey data; 1960-1980; Q4863
New-Age Romanticism as social movement, characteristics/symptoms/reactions; Q4430
personal lifestyle/health; individual behaviors, environmental factors; Q6013
small-scale farming as lifestyle choice; Q3739
social behavior/world, Scottish youth; parental vs peer influence; longitudinal interview/questionnaire data; R0594

US values/beliefs/behaviors, television's influence; book review essay; Q6669
viewer political conceptions, docudrama hypothesis, 1984 presidential campaign; interviews; moviegoers; Q3433
women's work options, media images, "established" vs "new" magazines; content analysis; 1971-1980, US; Q7732

Mass Media Violence
murder/robbery depiction, soap operas vs official records; interviews, magazine coding; Q7898

Mass Society
antimodernism, German/US mass literature, social-psychological function; 1900; Q7930
culture industry, Imperial Germany, theater director's role; Q7928
mass culture, German Social Democratic Party's orientation; 19th-20th centuries; Q7932
mass society theories, mass media changes/influence; post-WWII; S17503
peace movement, masses' role, socialist creativity vs imperialist militarism; S17673
technicalized mass culture, visual anthropology approach; content analysis; videomusic productions, films; S17721

Massachusetts
adolescent culture, 17th-century Massachusetts; court/town/church records; Q5871
antebellum millgirls, Lowell, Massachusetts, work exploitation awareness, changing perceptions; retrospective accounts; S18427
assimilation history/attitudes, Irish Americans, intergenerational differences; case study; Worcester, Massachusetts; Q7617
"Big Dan" rape trial, New Bedford (Massachusetts) Portuguese community's response; Q3993
constancy of crime hypothesis, Plymouth Colony, Massachusetts; 1633-1679 historical data; Q4378

drinking/driving behavior, crash involvement, teenagers aged 16-17, Massachusetts; legislation raising drinking age; surveys; Q8870
drunk drivers' past criminal records; random selection; Massachusetts; Q6178
lawyer-client discourse, divorce cases; tape-recordings, observations; conferences, California/Massachusetts; R0120
technological change, 19th-century paper mill mechanization; accounting practices; Berkshire County, Massachusetts; Q5177

Masses
civil liberties, elite vs mass support; Herbert McClosky's/Alida Brill's *Dimensions of Tolerance: What Americans Believe about Civil Liberties* reviewed; Q5302
elite/mass political intolerance, research suggestions; Q3545
mass media analysis, ironic/antagonistic vision; lecture text; Q7892

Masters Degrees
gerontology master's degree curricula, graduates' perceptions; Q3700

Masturbation
children's masturbation, parental attitudes/responses; parent/child gender differences, parental education/church attendance/sexual attitudes; questionnaires; Q5886

Mate Selection
changing marital ideals, courtship behavior, male vs female Israelis; content analysis; classified newspaper advertisements; Q4886
friendship formation/mate selection, definitional differences, US vs Japan; literature review; Q6539
international marriages, Nigeria, mate selection process; interviews; foreign women; Q5944
marital happiness, Beijing, People's Republic China; family power structure, marriage self-choice; questionnaire survey; S18012
marital satisfaction, mate selection correlations; survey; middle-aged wives; Q5934

Material Culture
cultural patrimony, Western countries, technical/material patrimony; S17634
objects; Q2871

Materialism
anthropology, cultural materialism theory, critique/alternative approaches; Q4578
emotions/family/kinship, materialist analysis; book review essay; Q7001
generational replacement, materialist/postmaterialist values; national survey; Belgium, France, Italy, Netherlands, GB, West Germany; Q6661
human subjectivity/individuality, materialist approaches; Q9410
Lévi-Strauss, Claude, biological materialism, language/genetic code relationship; Q4817
materialism/postmaterialism, intergenerational value change; literature review; Q7418
non-Marxist materialism, Max Weber's vs Theodor Mommsen's thought; Q7368
witchcraft/magical practices, rationality debate; Q9628

Mathematical Models
bargaining/negotiation, human dyadic systems, dynamic interaction process; Q9451
factor vs component analysis, mathematics; Q9276
metric multidimensional scaling, topological/measure theoretic probability foundations; Q9264
preferential voting, French-speaking electoral college, Europe, mathematical model; Q7960
repeatable outcomes, hazard models, multivariate stochastic point processes; Q9289
scientometrics, non-Gaussian distributions/Zipf-Pareto law; Q8489

Mathematical Sociology
Bombach paradox, mathematical analysis/measurement; comment; Q7255
sociological data analysis, Soviet mathematical models; bibliography; Q7256

Mathematics
arithmetic, cognitive approaches/practices, schooling vs daily life; anthropology symposium; Q5592
citing practices, mathematics/physics/chemistry fields, reference ages; citation analysis; Croatian (Yugoslavian)/foreign journals; Q8473
Comte, Auguste, positivism philosophy, attitude toward mathematics; Q9334
girls' mathematics proficiency; sex/family roles; Q7182
Marx, Karl, mathematical writings; Q6407
math/reading achievement, Asian Americans; High School & Beyond Study data; Q6575
mathematical course-enrollment plans, gender differences; questionnaire; average/above-average students; Q9468
mathematics aptitude, gender/race differences; relevant high school course-work; longitudinal test/interview data; Q6551
mathematics/reading achievement, test performance, male/female minority students; junior/senior high school students; Q4967
political bipolarization/fair representation, one vs two-criteria situations; formal mathematical model proposed; Q6455
scientific mathematical community, cognition/communication; Q3660

Matriarchy
matriarchal social organization, feminist/USSR perspective; Q9152

Matrifocal Family
residence/spirit cult participation patterns, Ban Pong village, northern Thailand; social/economic/demographic change; fieldwork; Q7628

Matrilineality
descent/kinship, matrilineal tribes, India, Meyer Fortes's complementary filiation concept; Q3250
Hopi descent groups, conventional theory critiqued; Q7629
northern Thai spirit cults, matrilineal descent group paradigm; Q7625
residence/spirit cult participation patterns, Ban Pong village, northern Thailand; social/economic/demographic change; fieldwork; Q7628
spirit cults/social organization, northern Thailand, matrilineal features; Q7630

Mauritania
al-Muradi al-Hadrami, Mauritanian saint/mystic, mausoleum/writings/cult; Q8309

Mayans
Mayan prehistory, archaeological research, philosophical/political aspects; Q7313

Mayors
female municpal employment; female mayoralty; official reports; US cities; 1975-1980; Q6754

Mead, George Herbert
consciousness, George Herbert Mead's concept; Q3042
emotions theory, George Herbert Mead's social vs modern behaviorism analyses; Q7319
"I" concept, self as social force, sociological social psychological approach; Q4820
individual development/socialization, theoretical models; R0678
Mead, George Herbert, thought/work, sociology of knowledge perspective; Q7384
Mead, George Herbert, voluntaristic theory, self as behavior control mechanism; Q3025
negative dialectics, Theodor W. Adorno's vs George Herbert Mead's thought, interactionist perspective; Q7352
role theory/"the other"/Karl Marx's reification theory relationship; George Herbert Mead's arguments on "meaning"; Q6528
self as object, Jean-Paul Sartre's/George Herbert Mead's theories; Q7460
signifying acts, George Herbert Mead's ideas; book review essay; Q3190
social psychology, individual/society relationship, George Herbert Mead's theories; Q6501
symbolic interaction foundations, William James/Charles Horton Cooley/George Herbert Mead; Q2968
symbolic interactionist approach, US sociology, George Herbert Mead's ideas, new subjectivism; Q4784

Mead, Margaret
Margaret Mead and Samoa: The Making and Unmaking of an Anthropological Myth by Derek Freeman; critique/reply; Q7657
Mead, Margaret, Samoan research, Derek Freeman's critique disputed; fieldwork; article/reply; Q6475
social knowledge concept, Margaret Mead's work; Q4742

Meaning
collective meaning, musical syntax, interdisciplinary methodology; Q7413
"culturalism, culture as meaning vs norm; Q7631
euthanasia, attitudes/ascription of meanings; Q7550
Luhmann, Niklas, social systems theory, meaning concept; Q7397
meaning conceptions/levels, Erving Goffman's/Pierre Bourdieu's/S. N. Eisenstadt's approaches; Q9429

Means-Ends Rationality
attitude formation, reasoned action theory, subjective conditional approach/avoidance reactions; questionnaires; Q9455
reasoned action theory, questionnaire measurement, intuitive psychology as response bias; Q9462

Measurement
abstract labor, monetary vs nonmonetary units; reply to critique; Q9201
attitude strength measures, multidimensionality; literature review; Q9501

attitudes, survey research instruments' reliability; Likert-type scales, vignettes; Sicilians, Italy; S18495
authoritarian/antidemocratic attitudes, working vs other social classes, measurement issues; Q7955
calculation/measurement procedures, supermarket shopping/family finances/weight loss; wieght loss group; ethnographic data; Q7124
categorical data analysis, racial bias measurement, loglinear method; Q6573
children's ethnic identity, methodological/measurement concepts; Q7614
crime seriousness rating, value importance, social-psychological measurement; magnitude/categorical scaling methods; experiments; university students; Q7513
family functioning measures, scale developed/tested; undergraduates, married parents, Boulder, Colorado; Q5907
feminism/quality of life measurements; survey data; S18415
human rights violation, coding scheme; S18652
human value measurements, scaling techniques, validity/reliability; Q7249
measurement issues, sociology, sexuality/language/money; Q2903
measurement, three-level vs two-level interpretations, Paul F. Lazarsfeld's classification/typology work; S18006
metric multidimensional scaling, topological/measure theoretic probability foundations; Q9264
paradoxes/inequalities, sociological research, measurement/comparison; Q7269
personal happiness measurement, Psychap Inventory; Q7480
regression analyses, nonlinear models, measurement errors; Q7278
residential segregation, areal unit measurement, invalidity problems; Q8164
science of measurement's (metrology) sociological utility; sociometrology proposed, qualitative focus; case example, developed vs underdeveloped countries' comparison; S18346
scientometrics, Alphonse de Candolle's early contributions, recent trends; Q8484
segregation measurement, basic principles empirically demonstrated; Q2925
subjective quality of life measurement, methodological problems; questionnaire data; adults, Norway; S18304
systems properties measurement, ratio correlations; Q2923
water conservation, self-reported vs actual savings; survey questionnaire, billing records; households, New Hampshire; Q9052

Measures (Instruments)
alcohol abuse, elderly, measurement instruments; R0794
communication competency measure, operational validity; ratings, questionnaire; university students; Q9267
educational performance indicators, validity/utility; R0249
GlottoKit linguistic research instrument, applicability/validity; students, Rome, Italy; R0202
graduate departments, National Research Council's quality evaluations, predictive factors; Q9323
poverty measurement, methodological issues; R1054
prison environment inventory instrument, development/evaluation; Q8438
self-esteem scales, predictive validity; Q7464

Mediation
alternative interpersonal dispute resolution, social change issues; national survey data; Q9419
custody mediation, children's inclusion; Q4100
divergent forecasts, data mediation/resolution; case study; General Motors/US Environmental Protection Agency/State of Colorado researchers, Denver; Q6302
divorce mediation outcomes; dispute/mediator characteristics, disputants' perceptions/assessments; questionnaires; Q6430
divorce mediation, egocentrism levels; cooperation; experiment; college students; Q3159
divorce mediation; higher education curricula development; survey; professors; Q3858
divorce, custody decision making, adjudication vs mediation; Q4589
human behavior, mediation theory's ethical implications; Q4805
informal justice via compulsory mediation, Philippines, political context, village-level operation; Q3998
interpersonal conflict, criminal court, mediation mechanism; personal participation; R0886
land dispute mediation, Agarabi people, Papua New Guinea; Q4010
mediation, social hierarchy expression/reproduction, Maranao, Philippines; field research; Q3266
negotiation/mediation, scientific tradition; R0891
racial/gender/social class oppression; political aspects, Turkish immigrants; female community mediators; West Germany, Netherlands; S18202
state/society interest intermediation, corporatist development, Hungary; economic dependence; historical/empirical analyses; S17700

Medicaid
eligible nonparticipation, Food Stamp/Medicare/Medicaid/health services programs, demographic/attitudinal explanatory variables; rural households; S17434
Medicare/Medicaid abuse/fraud, psychiatrists; government rosters; Q6077
physician utilization, low-income children; medicaid vs private/uninsured status, age, education, family size/income; national survey, 1980; Q7050

Medical Pluralism
health care system, Java, traditional/biomedical cures; worldview; Q8810
medical pluralism, naturopathic vs biomedicine, Germany; cultural/social forces; R0733
medical treatment/control issues, social class relations; Q6039
orthodox vs alternative medical care utilization; socialized health care system's financial constructions; Australia; S18763

Medical Research
cancer research articles' quality; bibliometric variables; 1974/75 publication analysis; Q8464
citation frequencies, life science disciplines, Derek John de Solla Price's immediacy factor; Q8466
clinical medicine research, mid-size countries; scientometric indicators; Q8476
language use, medical geneticists, ethical decision-making process; gender, nationality, training; questionnaire; 19 nations; S19251
lifestyle, sociomedical conceptions, definitional changes; R0720
resource exchange/interhospital cooperation, head/neck cancer patient management network; documents/questionnaire/interviews/other data; S19011

Medical Schools
black students, white medical schools, coping strategies, policy issues; questionnaires, scales; Q7599
entering medical school students, demographic trends; University of Texas Health Science Center, San Antonio; Q8583
medical education/treatment, behavioral sciences' relevance, Canada; Q3702
sex discrimination, South African medical profession; medical school admission records, interviews; Q6059
two-year nurse education programs, junior colleges, diffusion/adoption process; environmental/organizational factors; census, documents, interviews; Q8071
University of Nairobi (Kenya) medical schools, McGill University (Montreal, Quebec) faculty contribution; interviews; Q6820

Medical Sociology
applied interdisciplinary minor, medical sociology concentration; R0730
Health Economists'/Medical Sociology Group joint meeting; York, England; July 1983; Q4685
health/medicine analysis, US Marxist scholarship reviewed; Q4254
Indian traditional medical practice ("Ayurveda") vs Western medicine utilization; British policy/support; colonial period; S17615
introductory medical sociology textbooks; 5-book analysis; R0769
lifestyle, sociomedical conceptions, definitional changes; R0720
medical sociology curriculum, Pembroke State University, North Carolina; Q4710
medical sociology papers, health economist's evaluation; Q6014
medical sociology, Third World countries, development models; Q7044
medicine/medical sociology, developments/research; Q6018
social medicine/hygiene, Emile Durkheim's treatment; Q4253

Medical Students
black students, white medical schools, coping strategies, policy issues; questionnaires, scales; Q7599
cigarette/alcohol/drug use, medical students; survey; Q7069
doctor/patient relationship, biases/prejudices, introductory course teaching method; survey; Q8774
drinking behaviors, male vs female medical students, psychosocial correlates; questionnaires; R0819
entering medical school students, demographic trends; University of Texas Health Science Center, San Antonio; Q8583
female medical students' professional identification, India; Q5361
marital quality/satisfaction/support, medical interns/residents; survey; Ontario; S19081
medical education/treatment, behavioral sciences' relevance, Canada; Q3702
physician training, University of Panama; field study; R0755
professional vs primary socialization, Indian cultural context, interviews; medical/nursing students, Madurai, India; S18715

psychosocial issues, health care, nursing students' attitudinal change; scale; Q8787
residency selection, medical school students; status vs social value orientation; survey, interviews; US medical schools; Q6757

Medical Technology
aging, dying, Papua New Guinea; modern medical technology; Q4342
artificial insemination/sperm banking, social/moral issues, US vs France; Q5962
computer-assisted medical diagnosis; Q4041
fetal life signs, clinical standard, legal/ethical/women's abortion rights ramifications; Q6355
high technology adoption (CAT scanners), US hospitals; cultural/political/economic factors; case study, interviews; New England hospitals; Q8793
"high" vs "low" obstetrical technologies, US hospitals, value disputes; literature review; Q8799
hospital technology adoption, medical conservatism vs technological acquisitiveness; interviews; Q8761
human reproduction engineering, public policy issues; Q4093
medical technologies, National Institutes of Health, consensus/peer review systems compared, medical profession's criticisms; Q5705
medical technology development, sequential vs interactive models; DES (diethylstilbestrol) case study; Q8737
medical technology policy, doctors' roles; Q8739
new medical technology, physicians' adoption/utilization; interviews, hospital records; Q4223
quality of life; medical life-prolongation technologies; midwestern US; S17974
surgical anesthesia procedures, development/integration, historical-materialist perspective; Q7053

Medicare
elderly population projections, data/methodology; R0538
eligible nonparticipation, Food Stamp/Medicare/Medicaid/health services programs, demographic/attitudinal explanatory variables; rural households; S17434
financing medical care, noninstitutionalized elderly; survey; Q8897
Medicare reimbursement, Prospective Payment System's implications; R0838
Medicare/Medicaid abuse/fraud, psychiatrists; government rosters; Q6077
orthodox vs alternative medical care utilization; socialized health care system's financial constructions; Australia; S18763

Medications
analgesic drug-related deaths, white vs nonwhite ethnic differences; medical file data, interviews; Los Angeles County, California; Q4881
Cambodian concentration camp survivors' mental health; antidepressant medication/psychotherapy; Q6070
deinstitutionalization policy, mentally ill; psychotropic drugs; census data; 1946-1975; Q4293
iatrogenic diseases, clinical pharmacists' responsibility; participation observation; hospital pharmacists/students; Q4226
women's mental health problems, conceptions/treatment, 20th century; S19083

Medicine
bacteriology, Louis Pasteur's contributions; book review essay; Q5706
dying, high medical costs; Medicare statistics; Q4261
embodiment, medical ethical considerations; R0746
family therapist, urban family medical practice; Q6424
female circumcision, cultural group practices, medical problems, legislation, GB; Q6353
football/medicine, US, homosexual components; article/comment; Q9176
Galen's vs William Garvey's blood circulation theory, scientific theory change rationality; Q5709
health care crisis, nonorthodox cancer therapy movement; Q8734
health care reform, Rudolf Virchow's 1848 typhus epidemic report, Upper Silesia; Q4271
medical decision making, elective surgery, hysterectomies, risk perception; statistics; Q4274
medical decision making, infertility treatment; interviews; infertile couples, New York; S18904
medical fraud/overservicing, British Columbia, policing/punishment policies; Q8809
medical fraud/overservicing, doctors' predisposition, social antecedents; Australia; Q8120
medical group practices' structural characteristics; questionnaires; directors; Q5128
medical receptionist's role, general practitioner's office; survey; patients, GB; Q6001
medical research claims, criticism's role; Q8478
medical research institution, dubious findings, S. M. Bierman's study; Q6036
medical research, health education collaboration; case study; Nigeria; Q5524
medical system, Japan, Chinese influence; Q8780
medical treatment as death ritual; ship's crew, Germany; Q7026
medical treatment/control issues, social class relations; Q6039
medicalization of society, conceptual/institutional problems; Q8796
medicalization process, physicians'/women's roles, feminist perspective; Q9154
medicine, US, development/trends/prospects; Q8104
medicine/medical sociology, developments/research; Q6018
mental illness; medicine vs religion, transcultural psychiatry; 3-book review essay; Q4285
nursing/medical anthropology relationship; Q3662
organ procurement, US/European systems compared; statistical surveys, interviews; program personnel; Q4258
organized medicine, Greece, health care politics; S17766
patient survivability; medical/mental institutional care; Q8073
physical vs medical sciences, theoretical differences; R0745
public health classification, acquired immune deficiency syndrome; S18922
science/humanism integration, medical practice, biomedical/biopsychosocial model; article, response; Q8992
socialized medicine, British National Health Service, elderly's treatment; case study data; S18907
spatial/temporal organization, general medical practice, GB; Q6002
traditional/modern medicine, China/Africa, integrative health care policy; Q8738
Western health care, Mahatma Gandhi's/Frantz Fanon's critiques; sociological, anthropological studies/interviews/questionnaires; S18249
women's health, medical knowledge/treatment; 2-book review essay; Q7175

Melanesia
age-structured homosexuality, ancient Europe/Melanesia; literature review; Q8606
homosexual behavior, Papua New Guinea, cultural explanation; secondary ethnographic data; Q7640
independence constitutions, Papua New Guinea/Solomon Islands/Vanuata, land legislation issues; Q6875

Membership
joint memberships, American Sociological Association specialty sections, relational structure; Q7286
member participation, food cooperatives; organizational ideology/structures/processes; interviews; Minneapolis/St. Paul, Minnesota, 1977/78; Q9717
social recruitment strategies, violent separatist organizations; social class structural factors; Q5006
solidarity/class membership, fraternal orders, gender/race/ethnic biases; statistics; 19th-century US; Q5242
students' parent/peer/school affiliation; grade, sex, ability, socioeconomic status; inventory; males/females aged 11-17, Sydney, Australia; R0283
union membership, growth/decline, 1950-1980; official/union statistics; Q9653
union membership, US, 1973-1981; Current Population Surveys; Q9670
union membership/activities, Europe; economic conditions; national statistics; Q9707
union membership/wages/location; right-to-work laws; literature review; Q9680

Memory
collective memory, Maurice Halbwachs's theory; Q7393
memory, molecular code search; Q6920
memory/nostalgia, Maurice Halbwachs's theory; Q9430
social memory, human research subjects, sociological categories/historical frameworks, anthropological research; fieldwork, ethnographic/archival research; non-Indian agricultural community, northern Mexico; Q6489

Menarche
menstruation, adolescents' attitudes/feelings, research/methodological problems; R0575

Mennonites
community similarities/differences, Mennonite towns, Manitoba; archives, histories, secondary research, interviews; S17881
drinking behavior, Canadian Mennonites; interpersonal ties; questionnaires; Q6136

Mennonites, North America, family roles/structure; urbanization; Q3420
social goals/their attainment, rural Canadian Mennonites; demographic data, observations, interviews; S18398

Menopause
aging/menopausal experience, Japan, women's perceptions; survey, interviews; women, health professionals; Q9492
menopause, public information, historical trends; content analysis; popular media; 1900-1976; Q4250
menopause, status passage, cross-cultural analysis; S17509
women's medical care utilization; menstrual status/change; survey; Manitoba; Q9489
women's menopausal experience, doctor's involvement, Manitoba, Canada; mail survey; R0727
women's menopausal experience, Grey Rock Harbour, Newfoundland, emic vs etic research methods; Q9466
women's menopausal experience, nonindustrialized societies; ethnographic data, interviews; Mayans, Yucatan, Mexico/Evia, Greece; Q9457

Menstruation
male/female social cycles, menstrual cycle-associated mood/behavior changes; self-report questionnaires; Q9470
menstrual symptomatology/attitudes, Jewish women; ritual bathing practice; questionnaires; Los Angeles, California; Q7538
menstruation conceptions, preadolescence; questionnaires; college women; Q7532
menstruation, cyclical renewal model, symbolic/ritual aspects; Q8771
perceived marital inequity, husbands/wives; premenstrual syndrome; scale instruments; R0672
psychiatric illness/premenstrual syndromes, women; interviews, psychodiagnostic data; Q6075
women's medical care utilization; menstrual status/change; survey; Manitoba; Q9489

Mental Health
adolescent psychological well-being; perceived family/school/peer group stress; Canadian sample; Q4140
adolescent/young adult suicide, family cohesiveness loss, causal attributions; undergraduates, graduates, adults; R0709
adolescents' mental health; participatory-democratic workplaces; case studies; Q5831
aged nursing home patients, mental health care delivery system; interviews, mail survey; nursing home personnel; Q8814
androgyny, mental health correlates; inventory scales; state residents; Q3132
behavioral/social maladjustment, school-age boys, family violence victims vs witnesses; questionnaires; mothers; Q9092
Cambodian concentration camp survivors' mental health; antidepressant medication/psychotherapy; Q6070
cancer onset/progress; mental factors; Q8746
clinical judgments, mental health practitioners; client's weight; questionnaire; Q4282
community mental health care, Native American population, biopsychosocial model; case study; Q8782
Community Mental Health Centers Act, US, background/development; R0854
culture shock, professional woman, resolution factors; participant observation, case study; California/Louisiana; Q4899
depression/positive affect, elderly; life events, resources; interviews; Kentucky; Q4359
ethnic minorities, mental health research, culture/support group concepts; Q8827
evaluation research, Community Mental Health Programs, findings utilization; case studies; Q6274
health/disability/depression, elderly; religious involvement; New Haven, Connecticut; S19017
illness/help-seeking behavior, black Americans; sociodemographic/social-psychological factors; interviews; Q4302
immigration-mental health relationship; R0772
individual family physical/psychological pathologies; housing quality; S19158
life history research method, mental health consequences, Cuban refugees; taped interviews; Los Angeles, California; Q7064
mental health aftercare, political aspects; Q8832
mental health attitudes; religious orthodoxy/modernity; scales; Protestant evangelicals; Q4300
mental health care, elderly, needs vs resources; Q7084
mental health problems, workplace, corporate coping strategies; interviews/questionnaires; businesses, Los Angeles, California; R1171
mental health research, focus/status, administrative implications; Q7048
mental health resource utilization, Japanese Americans, norms/attitudes; questionnaires/scales/vignette descriptions; Q4310
mental health service provision, rural youth, national health policy development; R0143
mental health service utilization, rural mid-South US; demographic/other factors; longitudinal analysis; S17458
mental health services utilization; geographic distance; Q8835
mental health services, SHARP consumer satisfaction questionnaire, validity scale; Q9269
mental health, achievement motivation, Juang tribe, India; interethnic contact, acculturation; psychometric data; Q3125
mental health, Anglos/Mexican Americans; sex/age/education/marital status; interviews, survey; Santa Clara County, California; Q4311
mental health, blue-collar workers, US; unemployment; literature review; S19273
mental health, developed vs industrializing countries; socioeconomic factors; Canadian perspective; Q8826
mental health, married/unmarried men vs women; multiple role identities; panel survey data; Illinois, Connecticut; Q7545
mental health/social reform, GB, rights-based strategy; Q8831
mental health; personal resources; interviews; Anglos/Mexican Americans/Mexicans, El Paso, Texas/Juarez, Mexico; Q4314
mentally ill prison inmates, available programs/guidelines; interviews; prison staff, other authorities; Q8428
mentally ill/dangerous Indian persons, civil commitment, legal dilemma; Q8821
physical/mental health, Hispanic immigrants, Boston, Massachusetts; secondary data; Q9585
physical/mental health, life satisfaction; parental/marital/employment status change; longitudinal interview survey; Nebraska; Q7477
physical/mental health, single-parent families, correlated characteristics; questionnaires, interviews; parents, children; Q6989
posttraumatic stress disorders, precipitants/diagnosis/treatment; Q9073
psychiatric care, community mental health centers; patient's social class; interview survey; Q7063
psychological impairment, mental health services utilization, Anglo vs Mexican Americans; survey; California; Q7059
psychosomatic problems, compulsive gamblers, desperation/postabstinence phases; questionnaire survey; Gamblers Anonymous; R0808
psychotherapy process, Marxist contradictions; R0761
public mental health care system, US, development/reform; Q8829
social skills/development, mental health, adolescent males vs females; social networks; longitudinal study; Q7782
spousal interaction, power orientation/mental health; questionnaires, surveys, tape-recorded conversations; married couples; Q4161
stress/survivorship, psychosocial mitigators; Q3120
women's multiple roles, health effects, scarcity vs expansion hypotheses; R1121
work-mental health relationship, US, 19th century, theoretical evolution; Q7744

Mental Hospitals
involuntary mental hospitalization, legal changes; 1960-1981; Q4290
labeling, hospitalized poor, deviance theories; R0739
mentally ill offenders, forensic psychiatric institutions, types/characteristics/treatment/management; Q8824
psychotherapy cult, mental hospital patients, social control system; Q7457
state mental hospital admissions; Washington's broadened legal criteria; Q6091

Mental Illness
altered mind/body perception, forms/treatment; R0766
Australian Vietnam veterans, psychosocial adjustment diagnoses; case records; psychiatric inpatients; Q6096
bulimic patients, characteristics/behaviors, alcohol/drug abuse; questionnaire; University of Minnesota clinic; Q6139
bulimic patients, family environment characteristics; Q6130
Caine-Marteau-Dympna thematic apperception projective test, interrater reliability/validity; R0783
chronically mentally ill clients, demographic/clinical/psychological characteristics, treatment issues; interviews, scales; Southwest Denver Community Mental Health Center, Colorado; article/comments/reply; R0760
criminal homicide, northern Sweden; alcohol intoxication/abuse, mental illness; 1970/1981 statistics; Q4384
culture-bound syndromes, brain-fag/anorexia nervosa; North America, Nigeria; Q6092
culture-bound syndromes, universalism vs particularism; Nuer, southern Sudan; Q6082

culture-bound syndromes; powerlessness feelings, ethnic survival threats; South Chinese, Salish Indians, Canada; literature review; Q6081
depression vs paranoia, sex differences; Q4297
drink-induced insanity belief, Victorian England; Q4299
electroconvulsive therapy history/use, California; legislative reports; Q6083
families of the mentally ill, mutual support groups; questionnaires, interviews, participant observation; Q8816
God-intoxication, culture-bound syndrome; case studies; Bengal; Q6089
homeless persons mental health problems/policy; interviews; emergency shelters; Q6064
imposture coping mechanism, varieties/features; case studies; Q9529
incarcerated mentally ill women, demographic information; questionnaire, interviews; county jails, California; Q4312
insanity defense acquitees, postadjudication management, Oregon's Psychiatric Security Review Board; Q8403
involuntary commitment, psychiatric emergency room clinicians' dispositions, rating instrument; Q8834
labeling, hospitalized poor, deviance theories; R0739
malaria/psychiatric illness relationship, theoretical model, literature review; Q4313
mental disability, parental adjustment, affected vs nonaffected families; random sample, interviews; S18895
mental disorder/stress; economic changes; survey data; Los Angeles, California, 1978-1982; Q4286
mental disorders, clinical improvement; social class; hospital records; first-admission psychiatric patients; Q7056
mental health care inadequacies, deinstitutionalized mental patients, sociological approaches; historical reviews/empirical studies; community-based services, Honolulu, Hawaii; S18942
mental health problems, workplace, corporate coping strategies; interviews/questionnaires; businesses, Los Angeles, California; R1171
mental health/disorders perceptions, Yaqui Indians, Arizona; vignettes; Q8837
mental illness attitudes/judgments; type of cause; vignettes; university students; R0765
mental illness causes, psychiatric patients' beliefs, treatment compliance implications; survey; Q7055
mental illness portrayals, daytime television serials; content analysis; Q7899
mental illness role adaptation, Talcott Parson's "sick role" vs Thomas J. Scheff's "labeling" theories; interviews; first-admission psychiatric patients, Omaha, Nebraska; Q8786
mental illness, family mutual support groups, stress/support relationships; questionnaires, interviews, participant observation; S18976
mental illness, media coverage/attitudes; questionnaire survey; reporters, psychiatrists, patients; Q4298
mental illness/alcoholism/drug abuse; unemployment rate changes; economic statistics, program utilization data; Q7583
mental illness; medicine vs religion, transcultural psychiatry; 3-book review essay; Q4285
mentally ill prison inmates, available programs/guidelines; interviews; prison staff, other authorities; Q8428
mentally ill, crime patterns; observation; police-citizen encounters; Q6098
mentally ill, Scandinavia, civil/criminal commitment; Q8400
mentally ill, self-labeling process, emotional deviance notion; Q4306
mentally ill/dangerous Indian persons, civil commitment, legal dilemma; Q8821
"nerves," culture-bound vs culturally interpreted syndrome; case studies; North/Central American cultures; Q6086
neuroticism/stress, low-/high-income populations, Tokyo, Japan; survey; adults; S19199
problem individualization, psychotherapeutic clients; case study, videotaped session; R0762
psychiatric consultations/diagnoses, China; hospital referral records; Q6105
psychiatric disorders, cross-cultural diagnosis; Q6102
psychiatric disorders/probation adjustment, life-sentenced offenders, London, England; official records, questionnaires; Q8436
psychiatric disorder; status inconsistency; community interview survey; S19126
psychiatric disorder; status inconsistency; community interview survey; S19263
psychiatric hospitalization rates, Calgary, Alberta; ecological/demographic attributes; admission records, census data; Q8830
psychiatric illness liability; genotype-environmental interaction; alternative models; Q7061
psychiatric illness/premenstrual syndromes, women; interviews, psychodiagnostic data; Q6075
psychiatric illness; marijuana use; interviews; longtudinal analysis; Q6101
psychosocial epidemiology, mental illness, anthropological vs epidemiological approaches; Q5718
psychosocial maladjustment/alcohol abuse/criminality, white vs native Alaskan criminal offenders; rapid cultural change; clinical files, court data; R0770
psychosomatic symptoms; social stress, modernization; field data; Saint Lucia (Caribbean Lesser Antilles), southern US; blacks; Q4287
public mental health care system, US, development/reform; Q8829
self-inflicted gunshot wounds, patients' demographic/clinical characteristics; urban trauma center; Q6090
specific psychiatric disorders, socioeconomic status; Yale University Epidemiologic Catchment Area survey; S18936
suicide/parasuicide, northern Canadian native community; official statistics; Q9505
women's depressive vs men's acting-out disorders; sex-role norms; R0773
women's mental health problems, conceptions/treatment, 20th century; S19083

Mental Patients

borderline personality disorders, psychiatric inpatients, sex/ethnic differences; chart records; whites/blacks/Hispanics; Q6074
Caine-Marteau-Dympna thematic apperception projective test, interrater reliability/validity; R0783
civil commitment, mental hospital patients, self-incrimination; questionnaires; Wisconsin; Q6088
client assessment/diagnosis, mental health professionals; prior client information; experiment; female nursing students; Q7195
deinstitutionalization policy, mentally ill; psychotropic drugs; census data; 1946-1975; Q4293
depression/somatization, Taiwanese vs American psychiatric outpatients; interviews; Q6103
families of the mentally ill, mutual support groups; questionnaires, interviews, participant observation; Q8816
first-contact mental patients, self-concept; interviews, participant observation; psychiatric center, New York; Q4308
Haitian mental health patients, Canada, therapeutic issues; field observations; R0764
involuntary psychiatric treatment, medical students' attitudes, pre-/post-clerkship; questionnaires; Q6067
mental health aftercare, political aspects; Q8832
mental health treatment process, Hispanic vs white clients, status inconsistency; case data; Colorado; Q8819
mental health/social reform, GB, rights-based strategy; Q8831
mental illness causes, psychiatric patients' beliefs, treatment compliance implications; survey; Q7055
mental illness role adaptation, Talcott Parson's "sick role" vs Thomas J. Scheff's "labeling" theories; interviews; first-admission psychiatric patients, Omaha, Nebraska; Q8786
mental patients' rights, treatment refusal, professional opposition; literature review; Q6073
mental patients, late imperialist Russia, care/deinstitutionalization issues; Q6072
mentally ill deinstitutionalization, Community Mental Health Center/Medicaid programs; Q4292
mentally ill offenders, forensic psychiatric institutions, types/characteristics/treatment/management; Q8824
mentally ill prison inmates, available programs/guidelines; interviews; prison staff, other authorities; Q8428
mentally ill, Scandinavia, civil/criminal commitment; Q8400
mentally infirm elderly, Canada, deinstitutionalization/privatization trends; R0840
patients' psychiatric careers; institutional time; S18721
physical/sexual violence histories, psychiatric outpatients; diagnostic summaries; Q9089
potentially violent patients, psychotherapist's liability, US Supreme Court *Tarasoff* decision; mail questionnaire survey; psychotherapists; Q8375
psychiatric hospitalization rates, Calgary, Alberta; ecological/demographic attributes; admission records, census data; Q8830
psychiatric inpatient care, patient satisfaction, application/measurement issues; questionnaires; Q4291
psychiatric research/treatment, patient's "informed consent" understanding; observation, questionnaires, interviews; Q6066
psychosomatic patients, behavior/characteristics, individual developmental perspective; R1163

psychotherapy cult, mental hospital patients, social control system; Q7457
suicidal intent/risk; hopelessness; interviews, questionnaires, scales; hospitalized psychiatric patients; Q6065
suicide, psychiatric patients; age distribution; official coroner report data; San Diego, California; Q4208

Mentally Retarded
adolescent life stage/adjustment patterns, mildly retarded individuals; ethnographic field notes, life history interviews; Q8605
communication competence, mentally handicapped persons; conversation linguistic analysis; Northern Ireland centers; S18783
developmentally disabled children, family care model; comments; Q4178
developmentally disabled, family placement requests, decision-making factors; case data; New York; Q8839
family life, nonwestern societies; retarded child; questionnaires; parents, Iran; Q8652
mental disability, parental adjustment, affected vs nonaffected families; random sample, interviews; S18895
mental retardation prevalence/incidence, British Columbia; health registry; Q8811
mentally retarded children; labeling effects, developmental vs difference perspectives; questionnaire; undergraduate/graduate students, professionals; Q7582
mentally retarded persons, deinstitutionalization impact, evaluation issues; Q8817
residency, mentally retarded/developmentally disabled population, California; age/ethnicity/retardation level; client records; Q8828
social order/rules/control, mentally retarded adults, training centers; observation; Q8765
social reality construction formation/maintenance; retarded child's family; case study, videotaped observation; Q5967

Mergers
hostile corporate takeovers, US, institutional integration; business periodicals, interviews, congressional hearing transcripts; Q5196
industrial cooperatives, Hungary, historical merger; Q7772
industrial cooperatives, merger history; Hungarian perspective; Q7766

Meritocracy
education, meritocratization vs cultural capital concept; Q3839

Merton, Robert K.
history of sociology, presentist/historicist debate, Robert K. Merton's writings; article/comments; Q9372
Pietism/science relationship, Robert K. Merton's thesis; response to rejoinder; Q8303
status/limitations, Robert K. Merton's ideological orientations; R0452

Messianic Movements
romantic religiosity/messianism, German Jew Gustav Landauer's life/work; Q8331

Mestizos
gender identity/homosexual behavior, US vs Mexican mestizo males; fieldwork; Mexico; Q6381

Metal Industry
collective bargaining, US basic steel industry; post-World War II; Q7697
employment structure, microelectronically controlled machine tools, Japan/France; S18221
leisure behavior, steelworkers; unemployment; survey; Chicago, Illinois; Q9915
middle management, Italian iron/steel industry; Q3305
Sabel, Charles F., *Work and Politics: The Division of Labor in Industry*; book review essay; Q6400
steel industry contraction, Western Europe, social/political implications; 1970s; R1042
work perceptions, cross-national differences; interviews, questionnaires; car/steel industry workers; Q3312

Metaphors
human mind as computer metaphor, historical development, 18th-20th century; Q4052
scientific models/literary metaphors compared; James Watson's & Francis Crick's/Theodore Roethke's work; Q6916
television news, political stories, metaphoric structure; case studies; Q9878
tribal societies' ritual practices/worldviews, anthropological overinterpretation; cultural/language differences; Q5041

Metaphysics
alienation, Indian metaphysics perspective; S18564
human personality, metaphysical aspects, Sisyphean/Tantalic models; Q4898
Rose, Gillian, *Dialectic of Nihilism*; review essay; Q4429
universal human history, philosophical/metaphysical foundation; Q6517

Metasociology
social scientists' interdisciplinary communication, logic/sociology of science, epistemology concept criticized, "science of science" (metascience) concept investigated; S18231

Methadone Maintenance
methadone treatment programs, organizational strain/structure; community therapeutic orientation; interviews; program staff, New York City, New York; Q8867

Methodists
organizational effectiveness, third sector human service organizations; process intervention; demographic data, survey; Mississippi Conference, United Methodist Church case study; Q6859

Methodological Individualism
Elias, Norbert, work/methodology; critique/response/reply; Q9394
interview data, phenomenological analysis procedures; Q4618
methodological individualism vs collectivism; Soviet perspective; Q3050
singular causal systems, population manifestations, methodological individualism thesis evaluated; Q9233

Methodological Problems
aging research, rural vs urban environments, conceptual/methodological problems; R0850
attitude constraint, Philip E. Converse's measures/assumptions, operationalization issues; interviews; residents, Minneapolis/St. Paul, Minnesota; Q6723
attitude distribution/strength, public opinion surveys; no-opinion filters; telephone survey; households, Akron, Ohio; Q9864
attitudes, survey research instruments' reliability; Likert-type scales, vignettes; Sicilians, Italy; S18495
Austrian economics; institutionalist approach, recent criticisms reviewed; Q6480
authenticity, anthropologists' vs subjects' concerns; Q7215
bilingual surveys, minority language communities, methodological problems; Friesland, Netherlands; S17932
Bombach paradox, mathematical analysis/measurement; comment; Q7255
categorical data analysis, racial bias measurement, loglinear method; Q6573
child/infant mortality, poor countries, demographic research issues; Q4678
children's ethnic identity, methodological/measurement concepts; Q7614
children's socialization/compliance-assertion, sex differences; Herbert Barry's/Margaret K. Bacon's/Irving L. Child's child training research critiqued; Q6990
complex structures, composite model construction; Q9237
conversational analysis methodology, problems/promises; literature review, personal experience; S17976
data bias; social science data collection, qualitative vs ethnographic methods; S18590
descriptive methodology, psychoanalysis; anthropological literature examples; Q7131
diaster research, taxonomy development; S18987
discourse analysis, race education; structuralist approach; S18435
discourse/conversation analysis, competing approaches; S18667
economic concept assessment, word association questionnaire devised; Q7484
empirical legitimacy research, normative validity claims, moral evalution, Jürgen Habermas's views; Q4777
enterprise research, methodological problems; S17824
everyday life, methodological point of view; Q4621
extremist political views, West German young people; book review essay; Q9865
Eysenck, H. J., personality/psychotherapy theories, methodological problems; Q8452
family competence/adaptability/cohesion, family process models; article/comment/rejoinder; Q5931
family data, methodological problems; Q6423
family functioning assessment, cross-method comparison, self-reports vs observation; family triads; Q5982
family members' discrepant perceptions, conceptual/methodological issues; national sample; R0608
feminist research, methodological problems; Q9153
French bourgeoisie, religious/social attitudes, sociohistorical vs Bernard Groethuysen's investigative methods; Q7650
future studies, epistemological problems; personal reflections; Q7143
historical method, social science applications; Q4632

income equality/economic development; political violence; article/reply; R1072
intelligence testing, black-white difference, Spearman's g-factor; article/comments/response; Q9487
Italian/Turkish guest workers, West Germany, methodological problems; interviews; youths; Q4931
knowledge expropriation, new epistemological explanations; S17786
leisure research problems/hypotheses; content analysis; journal articles; Q9908
life satisfaction measures' validity/reliability/response bias; three scales analyzed; S18130
measurement, three-level vs two-level interpretations, Paul F. Lazarsfeld's classification/typology work; S18006
methodology/sociology of science integration, empirical epistemology/operational analysis relationship; S17722
minority group relations research, conceptual scheme systematicization, "value"/"self" utility; literature review; Q4965
ontology/logic of norms; Q9246
organizational theory, interactional study, methodological problems; Q5124
path analysis, procedures/advantages; Q4674
photographic documentation methods, sociological research; Q9254
positivist sociology; Q4821
poverty, Benjamin Seebohm Rowntree's definitions/views; R1058
POX situation, two factor approach; Q4839
pragmatism-social interactionism interface; Q6564
prenatal amniocentesis, qualitative sociological research, emotional difficulties; personal experience; Q9322
qualitative data analysis/its validity, idealized types, Max Weber's views; S17901
qualitative systems theory, quantitative approximation approach; Q4626
quantitative/qualitative sociological research methods; Q4624
quota sample surveys, interviewers' respondent selection practices; secondary surveys; Q9258
race/sex discrimination research, measurement techniques; field study; Q5338
religion definition issues, anthropology; Q3898
religious faith, sociological research, methodological problems; national questionnaire survey; Czechoslovakia, 1980; Q8319
reproduction; despotism vs other sociocultural factors; Q5889
research field note confidentiality, legal battle; personal experience; Q7230
research methodology, rural sociology, substantive nonadditivity; S18860
researcher-subject relations, Scandinavian/West German industrial plant cases; Q4633
science of measurement's (metrology) sociological utility; sociometrology proposed, qualitative focus; case example, developed vs underdeveloped countries' comparison; S18346
science policy programs, mission-orientation; methodological problems; S18470
self-report accuracy, influences' subjective importance/objective strength; privileged knowledge; actor/observer ratings; Q9476
social classification, group affiliations; Q4642
social cognition problems, Max Weber's ideal types concept/bourgeois social science critiqued; Q3053
social consciousness formation, research problems, Marxist-Leninist perspective; Q8959
social development analysis, diverse data; survey; Soviet towns/cities; S18429
social history discipline, current issues; Q8994
social history research, sociology's incorporation; Q6495
social mobility-economic development relationship, empirical tests; recent research; Q5165
social problem theory, objectivism vs subjectivism, new alternatives; S18926
social psychology, unifying interdisciplinary approach; Q6548
social relations model, David A. Kenny/Lawrence La Voie, methodological misuses critiqued; Q9484
social relationships, empirical research, Netherlands/Belgium, methodological problems; Q7494
social research surveys, "self" vs "other" referent use; Q9257
social research, Federal Republic of Germany, telephone interview methodology; Q4651
social science data, multimethod mathematical analysis, fuzzy sets typology; S18704
social science research methodology workshop, University of Jodhpur, India; 1982; Q9318
social science structuration theory, Anthony Giddens's *The Constitution of Society*; book review essay; Q4819
social/demographic variables' interdependence, interdisciplinary approach; Q4080
sociological content analysis, methodological techniques; Q4658
sociological methodological problems, International Association of Francophone Sociologists' 1983 meeting, opening address; Q4612
sociological methodology; Q4637
sociological narrativism method critiqued, West German sociology; Q4643
sociological reasoning, dialectical methodology; Q4615
sociological research, methodological issues; International Association of Francophone Sociologists, 1983 meeting; Q4608
sociology methodology; 1970s; Q7238
sociology of religion, methodological/epistemological crisis, Richard Fenn's views criticized; Q6828
sociology practice, difficulties/processes/approaches; Q4767
sociology, causal/interpretive approaches; Q4745
Southern women, US, methodological problems; Q9174
Soviet political/class education; review essay; Q6806
speech act classification, coding system; Q9465
strike volume/economic development relationship, methodological issues; article/reply; Q3300
STRUCTURE computer program, distance as structural equivalence measure critiqued, secondary data; amateur radio operators; Q5143
subjective quality of life measurement, methodological problems; questionnaire data; adults, Norway; S18304
subjectivity vs structural conditions, sociological theory; S18032
synthetic sociology, action theory, Masamichi Shinmei's vs Talcott Parsons's conceptions; Q6515
synthetic sociology, theoretical/empirical development, methodology; Masamichi Shinmei's conceptions; Q6482
teacher effectiveness research, methodological paradigms; R0236
theory validation/cross-cultural research, social sciences, methodological difficulties; Q9238
time budget analyses, methodological foundations; S18385
time-budget analysis, methodological problems; case example; Kazanluk, Bulgaria; S17825
total institution concept, macrosociological application, Max Weber's ideal-type bureaucracy; S17851
transaction/exchange behavior, generative/transactional approaches; anthropological research perspective; Q7831
Tunisian farmer's life history, methodological viewpoint; case example; Q4640
women's status assessment, conceptual/methodological problems, social-demographic studies; Q8541
women's status, social statistics/indicators; methodological issues; Q9131
workplace racial discrimination assessment, classical validation method critiqued; Q5014

Methodology (Data Analysis)

adult sibling mortality, estimation procedure; East Java Population Survey; R0541
arrest rates, age-period-cohort models; US; 1970-1980; R0867
causal models, internal consistency, measurement/sampling/specification errors; Q9278
combinatorial cluster analysis, dendrogram property; Q9287
computer utility, sociological fieldwork, graduate instruction; Q9302
computer/microcomputer use, qualitative sociology; Q7239
constrained latent class analysis, model variants; S19151
conversational analysis, narrative structures; tape recordings; R0213
cross-lagged panel models, statistical inference methods; behavior modification application; Q9281
cultural sociology, German Democratic Republic, research topics/methods; Q9435
demographic analysis, machine-readable data files, teaching methods; Q9310
educational opportunity inequalities, statistical measures; West Germany; R0252
effectiveness of interaction tables; Q9283
English/French/Swedish mobility tables, anomalous results; comment/reply; Q8032
event-history analysis/models, methodological elaborations; S19122
family case studies, qualitative analysis methodology; interviews; S18996
family values data analysis, microcomputer use, conceptual schemas; interviews; small farm residents; R0636
financial crimes, France, statistical analysis, legal records; Q8935
gender role classification, demographic relationships; scoring procedures; Bem Sex-Role Inventory; adults, Saint Louis, Missiouri; Q9181

historical demographic research, Spain, multiplication coefficients methodology; Q9280
homicide rates, analytical problems, measurement strategies/aggregation levels/ratio variables; R0871
household demographic composition, classification typologies; R0514
inmate structure/culture/socialization, juvenile correctional institution, unobtrusive research methods; content analysis, interviews; graffiti, newspapers; Q7244
juvenile unemployment/marginality, France, statistical interference analysis; Q7267
methodological issues, social research, data/inferential validity; article, comments; Q7316
mobility decomposition methods, linear programming; Poland; article/comment/reply; Q8038
multicollinearity problem, multiple regression analysis, alternative estimation procedures; Q9288
nationwide longitudinal database, Norway; R0505
network autocorrelation models, goodness-of-fit/parameter invariance criteria; Q7264
ordinal ranking model, J. G. Kemeny/L. J. Snell preference strength inclusion/distance function; Q9272
ordinal variables/causal models, Spearman statistics' properties; Q9284
organization structure analysis, blockmodeling methodology; Q9740
path analysis, multiple-partial standardized regression coefficient; Q9286
political-sociological research, Hungary, methodological aspects; Q7949
polynomial regression method; occupational prestige/socioeconomic index scores; Q9273
polynomial regression models, moment standardization; Q7261
poverty measurement, methodological issues; R1054
premarital sex, permissiveness judgments, assessment methodologies, INDSCAL vs Guttman dimensionality; Q7243
prominent sociologists' influence, measurement methodology; citation analysis; journal articles; Q9369
public policy assessment, ordinal time-series analysis methodology; Q9274
public sector size-economic performance relationship, aggregate international regression analysis; R0004
quantitative research reviewing, meta-analysis technique, US/GB practice; Q8264
regression analyses, nonlinear models, measurement errors; Q7278
repeatable outcomes, hazard models, multivariate stochastic point processes; Q9289
results stability criteria, social science research; Q7274
school effects research, hierarchical data, statistical methodology; survey; Q8277
social exchange networks, power positions, location procedures; S19047
social networks, positional analysis, CONCOR/REGE/STRUCTURE methods; Q7781
sociological report writing, practical guidelines; Q7252
statistical accuracy, bootstrap estimation method; Q9275
statistical inference/data analysis, misconceptions/clarifications; Q7266
statistical testing, probabilistic measurement; Q9279
status attainment research, Blau-Duncan model, covariance analysis; S18997
survey data, factorial analysis, disjunctive coding method; newspaper letters; France; Q7271
survey data, factorial analytical methods; Q7260
survey data, qualitative analytical method; France; Q7259
task-related/contextual work variables, cross-cultrual assessment scales; multinational corporation workers; 21-country analysis; Q9479
technological progress, measurement methods, West Germany; Q9801
two-sample location problem, parametric vs nonparametric procedures; Q9277

Methodology (Data Collection)
agression assessment, male vs female children; observer bias; experiment; Q9263
alcohol use, elderly, research approaches; NIAAA-funded study data; Florida/New Jersey; S18915
authenticity, anthropologists' vs subjects' concerns; Q7215
children/family policy research, US Census Bureau's Survey of Income & Program Participation's utility; R1000
children's drug use research, academic performance measures; Q8255
coefficient constructs, reliability/validity estimates; S19135
community study/planning, social reconnaissance method; R0973
comparative community research, "key informant" data collection technique; Q7246
data collection, Amish culture, inferencing social-structural information from male grooming/dress; Q7212
demographic source utilization, undergraduate courses, project description; Q9314
economic concept assessment, word association questionnaire devised; Q7484
educational/socioeconomic development, racial differences, US Census Bureau's Survey of Income & Program Participation's informational value; Q9554
female researcher's negotiated identities/relationships, Chicano gang fieldwork; Q7241
Girl Scout handbooks as socialization manual, content analysis technique; Q7229
gratification deferment measurement, multi-item scale; residents, Brisbane, Australia; Q9503
human sexuality surveys, nonprobability sampling, methodological efficacy; Q7232
information access/yield; researcher's fieldwork roles; Q7253
institutional cultures, criminal justice, graffiti as research tool; Q7245
interviewing skills acquisition, teaching methods; Q9268
life histories, anthropological research value; book review critique/response; Q7662
life histories, illiterate women, methodological considerations; Q9255
listener research, Radio Free Europe, methodological/sampling problems; Q7914
mail questionnaire surveys, response rate inducements, effects/interactions; university students; Q9265
mail surveys, open- vs closed-ended questionnaires; French survey data analysis; Q9259
male homosexuals, research sampling problems; Q7240
mechanical/welding shop, New York; ethnography; R1175
methodological issues, social research, data/inferential validity; article, comments; Q7316
mover-stayer model, nonparametric approach; Q7263
nationwide longitudinal database, Norway; R0505
network analysis, ethnographic data collection, observation vs interviews/surveys; homeless, Manchester, England; Q9761
observer-observed interrelationship, lesbian community research; participant observation, interviews; Q7219
poverty measurements, India, methodological problems; National Sample Surveys; 1960s-1980s; R1048
qualitative methodology, experiential data verification; Q7251
qualitative research, analytical induction model; Q9251
researcher-participant bias, methodological difficulties, life history data, peasant cooperative case; S18513
response quality, interview surveys; inadequate interviewer behavior; transcriptions; S19248
restricted data, social science research, confidentiality method; Q7228
retirees' leisure activities, data-gathering procedures/error sources; interviews, time-budget studies; Windsor, Ontario; Q9916
sexuality research, questionnaire/interview methodologies, response/sample bias; Q7233
social survey data, criteria/construct process validation; S19131
sociological ethnographies, textual problems/strategies; Q9533
spiritualist/subjective social worlds, research methodology; participant observation; occult communities, US/GB; Q7237
survey instrument responses; question order; S19257
Survey of Income & Program Participation, US Census Bureau, research community's opinions; Q9253
survey sampling, US, distinctive Jewish name technique; telephone interviews, questionnaires; Q9271
Tchambali culture, Papua New Guinea, anthropologist's fieldwork problems; Q7665
time budget studies, recent literature assessed; Q9432
video methods, theoretical/ethical/legal issues; Q7227
women's economic condition, US Census Bureau's Survey of Income & Program Participation's research utility; R1080
work values, students/their fathers, Haifa, Israel, statistical analysis; survey; Q7262
worker-trait data, Canadian Classification & Dictionary of Occupations, social research utility; Q7691

Methodology (Philosophical)
adult-child interaction, research paradigms; R0217
basic vs applied science, methodological/economical differences; R0444
biographical research methodology/epistemology, India; S19209

causal ascription, Max Weber's/Heinrich Rickert's theory; Q9431
causal models, social science research; special issue of *Synthèse* introduced; Q9236
comparative urban analysis, plural causality notion; R0184
complex structures, composite model construction; Q9237
cultural sciences, explanative/interpretive strategies; Q9243
eclectic/alternative explanatory logics, sociology; S19085
family theory, homeostasis/coherence concepts; comment/reply/rejoinder; Q9391
fieldwork practice, anthropology; Q9607
figurational sociology of sport, Elias-Dunning school; S19172
Geertz, Clifford, anthropological methodology/theory; Q9426
historicism/universalism theses, relativism concept; R0938
history of sociology, presentist/historicist debate, Robert K. Merton's writings; article/comments; Q9372
history/philosophy of science, large-scale vs positivist methodologies; R0438
human behavior research, cross-cultural discontinuities, nature vs cultural causal analysis; comment/reply; Q9477
human communication/language, hermeneutics problem; article/response/reply; Q9406
individualistic sociology, constrained choice model; Q9344
industrial relations research, US/GB, topics/methodology; Q9643
intellectual history, rationality, metatheoretical approach; R0002
interpretation schemes, results substantiation; Q7206
knowledge conceptions, phenomenological vs positivist approach, planners' roles; Q9241
knowledge crisis, social sciences, quantitative vs qualitative approaches; Q9351
Making Sense of Marx by Jon Eslter; review essay; R1144
Marini, Giovanna, Italian ethnomusicologist/artist/singer; Q9240
meaning conceptions/levels, Erving Goffman's/Pierre Bourdieu's/S. N. Eisenstadt's approaches; Q9429
occupational prestige, theoretical strategies, ontological/epistemological assumptions; S19133
organicity of class theory; R1143
positivism, US sociology; 20th century; Q9374
powerlessness/meaninglessness, sociology of alienation, unidimensional methodological fallacy; Q7547
process-social structure controversy, symbolic interactionism dimensions; S19252

militarization, Caribbean; world capitalist crisis; 1970s-1980s; Q9714
militarization, Central America, US participation; Q9948
militarization, Puerto Rico/Caribbean, US regional strategy; Q9715
militarization, Third World countries; modernization, nation-state system; Q5174
militarization/arms build-up, Latin America, containment policies; Q8015
militarization/political development, Honduras; R0005
military establishment/coups, Latin America; book review; Q3531
military ideology/skills development; video game playing; arcade video game analysis; Q5249
military policy making, Democratic Truman administration, US; 1948; Q9712
military/dependency/development relationships, Taiwan; case study; S19010
modern nation-state's emergence, military power's role; 20th century; S17906
nuclear arms race, militarization, worldwide social consequences; US, USSR, North Atlantic Treaty Organization/socialist countries; S18688
open/closed peace movements, productive (workers) vs destructive (military industrial complex) forces; Pugwash case example; S18109
politics, military's role/intervention; R0018
regional economic development, US; militarism effects; Q6271
security strategies, nation-state vs nongovernmental plans; peace research, major powers' diplomatic relations policy; S17683
socioeconomic development, Third World countries; military expenditures; Africa/Asia/Latin America; S17897
US military intervention, Central America, Kissinger Report's influence; Q9947

Military Civilian Relations
armed forces' social structure, civilian labor force comparison, Spain; military statistics, surveys; Q5112
civil-military relations, South Africa; book review essay; Q3522
Franco era, Spain, military's role; Q5118
military elite participation, national government, governmental forms typology; statistics; Q9730
nuclear waste disposal, military vs commercial repository siting, Waste Isolation Pilot Plant project, Carlsbad, New Mexico; Q4485
political regimes, military's role, typology; cross-sectional data; Q5115
regional economic development, US; militarism effects; Q6271
security forces/agencies, Spain, militarization; Q5107

Military Officers
civil administration, Israel, retired military officers' role; secondary data; Q8094
professional military education, tasks/topics/benefits; survey; officers; Q8052
professional military subculture, Spain; Q5116
quality of family life, Australian Defence Force; questionnaire/interview surveys; military officers, wives/partners; S18037

Military Personnel
combat vs peacekeeping mission attitudes, paratroopers; survey; Q7752
conflict intensity perceptions, combat vs peacekeeping duty paratroopers; survey; S19052
family life, military career; interviews; Federal Republic of Germany; S18267
financial management practices, US Army families; interviews, questionnaires; Q8702
human resources/public policy relationship, US, military manpower requirements; Q9029
marital functioning, US Navy couples; separation periods, gender/locus of control; Q8665
military drug abuse problem, adolescent misbehavior; questionnaire; anonymous military personnel; Q5110
military vs family life conflicts, US Armed Forces service members; S19093
obese persons, educational attainment/intelligence/social-class origins; tests; military draftees, Denmark; Q8803
professional military education, tasks/topics/benefits; survey; officers; Q8052
professional military subculture, Spain; Q5116
quality of family life, Australian Defence Force; questionnaire/interview surveys; military officers, wives/partners; S18037
quality of life, US military families, Europe; S18170
remuneration policies, Spanish military; Q5108
role conflict, job satisfaction; leadership behaviors; scales; noncommissioned officer candidates, US Army National Guard; Q7562
self-image profiles, military vs nonmilitary dependent adolescents; questionnaire; ambulatory care patients, Washington, DC, hospitals; Q3154
sexual division of labor, Israeli military, front/rear dichotomy; post-1882; Q5120
Soviet soldiers' morale/fighting capacity, WWII lessons; Q3347
voting patterns, Israeli soldiers; aggregate/survey data; Q5114

Military Regimes
democratic political systems, political parties' role, authoritarian regimes' political motives; Argentina, Chile, Uruguay; S17802
Paraguayan 1904 revolution, socioeconomic roots/British reaction; Q9967
political crises, Central America; 1970s; R0012
social revolutions, new colonial capitalist countries; case example; Sandinista Revolution, Nicaragua; R0016

Military Service
combat readiness, US military; sexual equality reforms; Q6378
combat vs peace-keeping duty, US paratroopers' preferences; survey research; Q6621
educational attainment; military service; secondary survey data; midwestern males; Q7748
educational upgrading program, military service/semiskilled state hospital work; subjective accounts, interviews; high school dropouts, Israel; Q5581
field military maneuvers adaptation, female US Army officers vs enlisted; self reports, observation; Q6620
first-time offenders, US Army, rehabilitation method, resocialization process reinforcement; Q4031
individual autonomy vs military discipline/obedience, French army; 18th century-World War I; Q9713
military organization/orientation change, alternative formulation; Q7751
military vs family life conflicts, US Armed Forces service members; S19093
socioeconomic status, women; military service experience; R0125
socioeconomic status/self-concept, women; military service; National Longitudinal Survey; males/females; Q9117
women's mentorship, token status; interviews; West Point Military Academy graduates; Q4549

Military Sociology
military organizations, defense vs social research; Q5109
military sociology, bibliography criteria; S17712
military sociology, classic/contemporary approaches; Q5119

military technology, scientists' role; Q5724
occupied Germany/Japan, post-World War II, revolutionary sociopolitical reform; S18256
US military spending, Keynesianism perspective; critique/replies; Q3376

Mill, John Stuart
women's rights/roles, utilitarian philosophy, John Stuart Mill's/James Mill's/Jeremy Bentham's views; R1093

Millenarianism
holistic health movement, millenialism's role; life histories; Q6668
Korpela millenarian movement, northern Sweden; 1930s; Q7867
religious cycles, millenialism, US; Q6826
Seventh Day Adventist movement, US, history/modernization; Q8360

Mills, Charles Wright
elite organizational deviance, white-collar crime, C. Wright Mills's paradigm, humanist criminology issues; Q7770
Mills, C. Wright, intellectuals' roles; R0103
Mills, C. Wright, intellectuals, democratic societies; R0110
Mills, C. Wright, radical/utopian thought; Q9331
pragmatic sociology, C. Wright Mills vs Karl Marx; Q7386
sociology of knowledge, imputation problem, Antonio Gramsci, C. Wright Mills; Q2997
war/peace, Charles Wright Mills's vs Raymond Aron's views; S18617

Mind
behaviorism, cognitive scientists' misuse; Q7438
criminology theory, mental imagery concept; S19137
depiction/mental imagery, mentalist approach; Q4603
hedonic/agonic mental operative modes, biological systems synthesis; Q8978
human mind as computer metaphor, historical development, 18th-20th century; Q4052
mind-body problem, René Descartes's epistemological procedure critiqued; Q4797
mind/language evolution, sociobiological model; Q6590
propositional attitudes, representational theory of mind; critical examination; Q4423

Miners
British coal dispute; 1984/85, selective bibliography; Q7686
coal mining families, Anzin Mining company, France; case study; 1750-1880; Q3336
coalfield strike, GB, miners' experiences; 1984; Q7670
labor/capital power balance, British coal mines; Q9710
rural-to-urban migration, Indian (Harijan) stone quarry workers; Delhi, India; S17629

Mining Industry
class struggle, coal-mining region, New South Wales, Australia; historical data, participant observation; Q9678
coal industry development, rural Kentucky, state's/capital's role; Q7827
coal miners' political activity, violence's role; participant observation; Hunter Valley, New South Wales, Australia; Q9097
coal mining industry, rationalization/restructuration; private companies/government conflicts/collaborations; World War II, France; S18126
mining, economics/social organization/ritual/ideological aspects; anthropological perspective; Q3676
population heterogeneity, 19th-century Silver City mining area, New Mexico; secondary data; R0522
social control/conflict, capitalist countries, Idaho Coeur d'Alene 1982 mining war; Q5095
trade union workplace leadership, GB, management ties; interviews, questionnaire; senior union representatives, colliery managers; Q5079
worker-trade union movement, mining industry, São Paulo, Brazil; R0175

Ministers (Clergy)
choice/professional development, female ministers; interviews, Bem Sex-Role Inventory; Q3712
developmental background, life/ministerial perspectives, clergywomen; interviews; R0322

Minneapolis, Minnesota
Greek-speaking ability, Greek Orthodox Americans; questionnaires; church members, Baltimore, Maryland/Minneapolis, Minnesota; S17498
nonprofit community organizations/their services; budget cuts; surveys, newspaper clippings, reports, community action group meetings; Minneapolis-Saint Paul, Minnesota; S17890

Minnesota
local conflict, newspaper reporting patterns; newspaper type/ownership; content analysis; Minnesota; Q7897
nonprofit community organizations/their services; budget cuts; surveys, newspaper clippings, reports, community action group meetings; Minneapolis-Saint Paul, Minnesota; S17890
nonprofit organizations, Minneapolis-St. Paul, Minnesota; funding crisis; research data; 1980, 1984; S17891
social/political attitudes, Greek university students, Minnesota; ethnicity; interviews, survey; S17490
urban employment accessibility/profitability; Selby Bindery, Saint Paul, Minnesota; Q4593

Minority Businesses
ethnic business/occupational mobility, advanced societies, research approaches; Q5395

Minority Groups
alcoholic drinking patterns, black vs Puerto Rican inner-city residents; drinking history questionnaire; South Bronx, New York; R0793
analgesic drug-related deaths, white vs nonwhite ethnic differences; medical file data, interviews; Los Angeles County, California; Q4881
anomie levels, native majority-/minority-group/nonnative students; Leo Srole's anomia scale sample data; US/Australia; Q6547
bilingual surveys, minority language communities, methodological problems; Friesland, Netherlands; S17932
career mobility, women/minority teachers; declining high school enrollments; survey, interviews; Q3675
disabled persons, minority group status; Q5009
earnings attainment, immigrant/minority males, US labor market; 1950s; S19014
ethnic identity, Muslims/Christians, Uttar Pradesh, India; secondary/archival/other data; Q9587
ethnic minority rights, public attitudes, US; Q6275
female/minority representation, sociology departments, Pacific region, US, policy/research issues; Q7309
female/minority representation, sociology departments, Pacific region, US; survey; Q7298
foreign immigrants, West Germany, geographic settlement distribution; R0525
human rights/minority women, Canada; S17905
Japanese outcasts ("buraku")/minorities, religious groups' attitude change, sociocultural change; 1979 protest; S18636
mathematics/reading achievement, test performance, male/female minority students; junior/senior high school students; Q4967
minority children's cognitive/affective development, Head Start program's effectiveness; evaluation studies; R0574
minority educational achievement; Catholic vs public schools; High School and Beyond program; blacks, Hispanics; Q5555
minority group relations research, conceptual scheme systematization, "value"/"self" utility; literature review; Q4965
minority persecution, Middle East; Q7602
minority status experience, Asian-Americans, education guidelines; Q6576
minority underclass development, Chicano youth gangs, Los Angeles, California; case history; Q6219
minority women's athletic status, pre-/post-Title IX amendment; annotated bibliography; Q3493
minority/nonminority farm operators; agricultural crisis; census, government data; S17432
national political conflict, Norway, Alta hydropower project, Lappish minority rights; survey; Q7151
political message communication, mass media, minority group rejection; Q6667
politics/religion/minorities relationships, Judaism/Islam/Christianity; 6-book review essay; Q3238
poor/minority students' inferior education, school effectiveness, equitable quality reform prospects; US; Q3837
population heterogeneity, 19th-century Silver City mining area, New Mexico; secondary data; R0522
prison discipline severity; prisoner's minority status; questionnaires, institutional sources; Ferguson facility, Texas; Q4015
race relations problems, Canada vs GB; Gallup polls, immigration data, other official statistics; S18456
racial minorities/women, equal employment opportunities, US police departments; statistics; Q6758
reach concept, Alfred Schütz, anglophones' everyday life world, Quebec; Q9584
reproduction rates, white vs black women; minority group status; secondary data; Q9540
rural job segregation, women/minorities; local labor market characteristics; S18808
sciences/mathematics, minorities' participation/deficiences; secondary statistics; Q9573

social science knowledge production; culture, minority experiences; Q3207
university-minority community relations, alternative social responsibility models; S17677
wife's fertility, Japanese vs Chinese vs blacks; husband's relative income, minority status; census; California, Hawaii; Q8534

Missionaries
extrareligious services, socioeconomic activities, US missionaries; sub-Saharan Africa countries; S18840
Lingala's official language status, Zaire; Protestant missionary work, sociolinguistic factors, colonialization processes; S18509
Mezzogiorno pentecostal group, southern Italy, women's role/status; case study; female missionary; Q3896
religious missions, colonialism, 19th century; case study; Swiss Basel Mission, India/China/West Africa; S18274
Western medical missionaries, China; early 20th century; Q6011

Mississippi
community-based health programs, high blood pressure intervention, social structure articulation; central Mississippi; Q6020
increasing illegitimacy rates, Mississippi; socioeconomic/demographic variables; county level data; single females; S18862
occupational/industrial structure differentiation, rural vs urban areas; employment growth; US population censuses, 1970/1980; Mississippi; S18823
off-farm employment, Mississippi farmers; S17457
off-farm work, farm operators; survey; Mississippi; R0138
organizational effectiveness, third sector human service organizations; process intervention; demographic data, survey; Mississippi Conference, United Methodist Church case study; Q6859
poverty program grant distribution, Mississippi counties; black power tactics, white countermovements; Q4496

Mobility
farmers' mobility intentions; financial strain; random survey; farm operators, North Dakota; S18868
mobility effects hypothesis, explanatory variables, social mobility/fertility relationship; Q5354
mobility models, methodological issues; article/response; Q8075
mobility rates, Western industrialized societies, perfect mobility model, likelihood ratio test vs posterior odds approach; Q6456
mobility research, Frank L. Jones's comments on Michael E. Sobel's article critiqued; reply; Q4662
scientists' mobility, Switzerland, data availability/reliability; R0430

Mobilization
environmental movement-state relationship, resource mobilization theory; Q7858
ethnic mobilization, Armenian voluntary organizations, London, England; Q9770
ethnic mobilization, black South Africans; government's reform initiatives; surveys; S17908
ethnic mobilization, competition model; interviews; Catalan national opposition militants; Q4964
urban social movements/mobilization, US; political/economic factors; R0160

Models
academic behavior, public vs Catholic school students, school-effects model; quantitative case study; Q8262
action/power outcomes, fate vs agency causation; Q7396
analytical voting theory, spatial competition vs agenda control models; empirical data; US; Q5320
association between two discrete variables, L. A. Goodman's/E. B. Andersen's log-multiplicative model; Dutch statistical survey; Q2942
change responses, metamodeling approach; Q9063
child abuse, alternative explanatory models; interviews, case reports; social workers, parents, Winnipeg, Manitoba; Q4110
college attrition, contextual dissonance, symbolic-interactionist model; Q5530
community employment changes, econometric models/data sets; Duns Market Indicators, Pennsylvania County Industrial Reports; Q4646
confirmatory factor analysis, unique factor loadings vs model identification conditions; Q2917
contingency tables, loglinear model selection; Q2924
covariance structure model, goodness of fit evaluation, null models' use; Q2944
divorce probability, hypotheses tested; biographical/behavioral data; divorced/still married couples; 1974-1984 longitudinal study; S18083
divorce/permanent separation, predictive scales; interviews; married persons; longitudinal analysis, 1980-1983; Q5910
doctor-patient interaction, diagnosis language/patient understanding; illness theories/identities; sociolinguistic approach; S18103
drug use research, association model; Q4668
educational system, West Germany, microsimulation model; Q5549
family competence/adaptability/cohesion, family process models; article/comment/rejoinder; Q5931
fertility decision making, Tunisian women; socioeconomic development; survey; Q8716
Functional Family Therapy model, feminist perspective; critique/rejoinder/response; R1078
hazard models, correcting unmeasured heterogeneity, J. Heckman's/B. Singer's procedure; Q2935
heterogeneous individual mortality probabilities, population mortality model; Q4087
individualistic sociology, constrained choice model; Q9344
international security/peace/development, European/alternative models; Q7832
mathematical modeling, sociology applications, differential equations; Q2938
metric variable/event probability projection model; Framingham, Massachusetts, coronary heart disease study; Q2941
mobility models, methodological issues; article/response; Q8075
mobility research, Frank L. Jones's comments on Michael E. Sobel's article critiqued; reply; Q4662
mortality, developing countries, model age patterns; censuses; South Asia; R0503
multidimensional scales, nonmetric analytical model; Q2880
multilevel analysis models, educational research/social work use; field test data; Q4683
network autocorrelation models, goodness-of-fit/parameter invariance criteria; Q7264
offshore oil/gas production, modified boomtown model; Q8160
political transition, France, collective action theory/models; case study; 1906; Q7874
polynomial regression models, moment standardization; Q7261
power, diffusion vs translation models, sociological practice implications; Q6516
probabilistic Rasch model, Guttman scaling; Q2915
redistributive resource allocation, city decision making, explanatory models; goverment records/census; Q8174
regression analyses, nonlinear models, measurement errors; Q7278
relative deprivation, published models compared; questionnaires; blue-collar/clerical workers; Q3014
religiosity dimensions, Mormans, conceptual model; questionnaires, interviews; Q8314
response uncertainty models; panel data; Q4669
romantic relationships, investment model tested; questionnaires; adults, Lexington, Kentucky; R0601
science/technological revolution, social consequences, theoretical model; S17829
scientific development, Thomas Kuhn's model critiqued; Q2984
scientific knowledge, opportunist/interest models; S19207
scientific models/literary metaphors compared; James Watson's & Francis Crick's/Theodore Roethke's work; Q6916
scientific vs reformist sociology models, professional sociology compromise; Q2981
Social Dynamics: Models and Methods by Nancy Brandon Tuma/Michael T. Hannan; review essay; Q7276
social relations model, David A. Kenny/Lawrence La Voie, methodological misuses critiqued; Q9484
technological decision-making model; S18460
urban research, developmental stage model; Q3757
vertical mobility, cross-national comparative analysis models; Q2937

Modern Society
acculturation, artistic creativity, advanced information societies; social norms/value change; Q6643
alienation concept, G. W. F. Hegel's/Karl Marx's/current views; Q6249
destiny vs merit, Max Weber's views; Q4816
man's identity conceptions, medieval vs modern times; society's structure/form; Q7434
modern social development, thermonuclear war threat, peace movement; S18295
mythology, modern cultures; Q6252
myths/symbols, modern cultures; Q6251
public opinion formation, modern society; mass media; S17500
school/social learning, modern society; Q5535

Modernity
Adorno, Theodor, culture industry concept; Q7902
antimodernism, German/US mass literature, social-psychological function; 1900; Q7930

architecture/realness, postmodernism; R0225
biographic time perspectives; industrialization/modernity; S17697
culture concept, aesthetic/ethnographic meanings, narrative forms, postmodernist case; ethnographies, documentaries; S17732
interethnic affiliation/attitudes; modernity; questionnaire; Ashkenazim vs Oriental junior/senior high school students, Israel; S18785
magic/modernity relationship; book review essay; Q4421
modernism vs postmodernism, French perceptions, George Bataille's influence; Q7411
modernism vs postmodernism, rationality debate; Q8990
modernism vs postmodernism, sociological systems theory; Q3830
modernism, Jürgen Habermas's theory; Q3049
modernity literature/sociology, feminist perspective; Q4548
modernity sociology, Georg Simmel's standing; Q2972
modernity, Belgian Catholic Church's interaction; Q5629
modernity, rural women's attitudes; case study; West Bengal, India; Q4521
political community, modernity; Q6248
postmodernism concept, art/music; Q3824
postmodernism definition, leftist/feminist theory; R1018
postmodernism, cultural paradigm shifts; S17867
postmodernism, Jürgen Habermas's argument; Q8981
postmodernism, modernist links, art forms; S18800
postmodernism, post-/anti-Marxist perspectives; Q8982
postmodernism, theoretical/historical presuppositions; Q6245
postmodernist culture; Q3029
postmodernist/neoconservatist thought; Jürgen Habermas's position; Q5303
postmodernity, religion's/science's roles, Mirea Eliade's/Alexandre Kojeve's works; Q6237
primitive vs modern magic; book review essay; Q4420
principal ethical values, postmodern period; Q8986
religion's future, Max Weber's thought; R0344
religious ethic, rationalizing function, Max Weber's thought; R0325
revitalization movements/collective action, discontents; Q7864
rhetorical tradition, European sociology, Enlightenment's impact; Q8975
sociological modernity analyses, poststructuralism/-modernism/-Marxism; Q3023
technophilia, radical science critique; Q5698
television, postmodern culture; Q5230
utopianism's decline, welfare state crisis; Q7448
Weber, Max, modernity theory; 3-book review essay; Q2999
world systems theory, modernization/globalization issues; Q3407

Modernization
administration modernization, rural leaders' attitudes; survey; R0974
Aleut ethnic identity, Alaska, sociocultural change processes; R0954
childlessness variation, Mexican states; health conditions vs structural-developmental indicators; census; R0528
church-state relations, Indonesia/US; modernization-secularization thesis; 1980s; S18644
community involvement/political mobilization, urban Chilean youth; modernization; survey; Santiago slums; S18698
community organization/cohesion, Daufuskie Island, South Carolina; modernization; interviews; R0977
consumption patterns, modernization; Germany; pre-World War II; Q5190
deathbed sorcery accusation, Maya people, Madang Province, New Guinea, social change issues; case study; Q9783
exorcism rituals, rural India, traditional vs modern healing orientations; S18072
family life, Jordan, traditional/modern values; social change; survey; Q8657
fertility differentials, Ethiopia; modernization factors; national surveys; R0509
fishery production process, Iceland; modernization; Q7798
French port modernization; postlecture discussion; Q3414
industrial urbanization, village life, Orissa, India; case study data; S17607
industrial work organization, Portugal, modernization effects; 1974 to present; S18296
industrialization/modernization, worker alienation, Third World; narrative acounts; S18585
informal sector, underdevelopment assessment index, Colombia; S18355
Iran, modernization vs tradition; communication media's use; S18499
militarization, Third World countries; modernization, nation-state system; Q5174
modernity/fertility relationship, parity differentials, cross-/subnational levels; Q8719
modernization of sociology, Ulrich Beck's/Wolfgang Bonss's article; comments; Q7375
modernization process, Punjab, India, urbanization/literacy/media/political participation; secondary/statistical data; Q5169
modernization process, Tarasconian culture, myths/symbols/rites; Michoacan, Mexico; S17757
modernization theory; West German, non-Marxist sociology critiqued; Q9812
modernization vs traditionalism, most developed countries as role models, suggested changes; S17884
modernization, South Asia, intellectual elites vs rural masses; S18164
modernization/cultural change processes, Chinese Cultural Revolution; Q9800
modernization/urbanization, Nigeria; kinship patterns, extended family's role; Q6584
modernized traditional medicine, Hawaii; European/Asian immigration, cultural contacts; S18780
Muslim family, Iran/Africa/Kuwait/Turkey, modernization/secularization processes; symposium; R0674
Muslims, India, modernization impact; Q9794
national homicide rate; modernization, religion, gross domestic product vs noneconomic factors; UN statistics; Q5613
occupational aspirations, college students, India; social class; questionnaire; R0066
peasant ideologies, Third World, modernization issues; research review; Q3557
personality/culture research, Pilipinos, Northern Luzon, Philippines; Q3274
political participation/functions, Chaubisi *Panchayat*, Haryana, India; caste politics, modernization; interviews, election/newspaper reports; S18512
political/modernization conflicts, Third World, traditional intracultural structures; Q5163
psychosomatic symptoms; social stress, modernization; field data; Saint Lucia (Caribbean Lesser Antilles), southern US; blacks; Q4287
rural women, Third World countries; technological change, modernization; case studies, literature review; Q8491
science/technology modernization, China, English language requirements; R0197
secularization vs religion renewal, French Catholicism; case study data; 1900-1985; S18149
social change/modernization, Greece; marriage strategies/structure; interviews, statistics, literature review; S18541
social movements/modernization, civilizational processes/design; Q7862
social stratification/inequalities, Haryana State, India, caste/power relationships; S19138
social-cultural change, peripheral urban poor quarters; capitalist growth, consumerism, mass culture diffusion; Cairo, Egypt; S18612
social-structural changes, China; modernization; active vs static (structural-functionalist) development theories; S18595
society transformation, 18th-century Europe, quantitative methodological approach; conference topics; Q3063
sociocultural organization, tradition retention, Indian fishing community; technological adaptations, elite group formation; questionnaires, interviews, participant observations; Veraval-Mangrol region; S18381
suicide rates, sex differences; modernization; 1919-1972; Q5998
technology/employment issues, port modernization; postlecture discussion; Q3361
tradition vs modernization, Hungary; S18135
traditional *babushka* role, older women, USSR; modernization/demographic processes; Q7187
traditional/modern elements, Japanese family; S19186
unemployment/job competition, France; modernization, discriminatory employment policies; Q5072
women's role, Chinese/US society, societal attitudes/traditional customs; mobilization vs legal/administrative reform strategies; R1140

Modes of Production
development/social change, Third World nations; modes of production/state power questions; S17488
Marx, Karl, Asiatic mode of production concept; critique, reply; Q4570
Marx, Karl, individuation/agency theories, modes of production analysis; Q9198
Marxist "mode of production" concept, African studies, critical evaluation; introduction to *Canadian Journal of African Studies* special issue; Q4622

Marxist "modes of production" concept, African studies literature; Q6403
Marxist sociology, way of life/means of production concepts; Q9213
modes of production literature, epistemological weaknesses, Ludwig Wittgenstein's later work; recent African studies/literature; Q6406

Monarchy
absolutist monarchies, 17th-century France/England, revolutionary opposition; R0045
age/achievement correlations, European monarchs; Q3589
divine kingship concept; Q4416
leadership, eponymic theory, ruler eminence; personality traits, significant events occurrence; hierarchical regression analysis; European rulers, 900-1800 AD; Q3162
opera, social history, Orphic myth; S17676

Monasteries
spiritual leadership/authority patterns, Christian ashram movement, India; fieldwork, participant observation; Hindu/Christian ashrams; S18440

Monasticism
early Christian monasticism, social movement analysis; Q3456

Money
abstract labor, monetary vs nonmonetary units; reply to critique; Q9201
coalition behavior; monetary stakes vs participants' values; experiment, games; Q4844
measurement issues, sociology, sexuality/language/money; Q2903

Monks
Buddhist religious scripture interpretation, "dGe lugs pa" sect method, Tibetan debate; Tibetan refugees, US, Nepal, India; Q6838

Monopolies
Bell Telephone System breakup, US antitrust regulation; Q3348
world food system, developing countries; transnational food monopolies; Q9829

Monopoly Capitalism
Braverman, Harry, *Labor and Monopoly Capital*; Q3298

Montana
public affairs participation, gender differences; leadership development programs; questionnaire; Montana, Pennsylvania; R0133
social structure, rural communities; energy development projects; case studies, fieldwork; Montana; R0948

Montreal, Quebec
armed robber typology; case studies; Montreal, Quebec; Q6181
armed robbery prevention techniques; interviews; shopowners, Montreal; Q6195
criminal career abandonment; prison, criminal lifestyle; interviews; Montreal, Quebec; Q6194
Hassidic community, Montreal, Quebec, fieldwork problems; Q4659
Holocaust-related knowledge, survivors' children; questionnaire; adult Jews, Montreal, Quebec; Q9514
juvenile delinquency; ice hockey participation; questionnaires; players vs nonathletes aged 15-16, Montreal, Quebec; Q3500
labor market opportunities, bachelor degree criminology graduates; University of Montreal, 1970-1983; Q6740
migration decision/explanations, Haitian immigrants, Montreal, Quebec; interviews; R0511
Montreal (Quebec) labor force, Italian immigrants' integration; Q5097
Quebec urban studies; Q5455
women workers' emigration experience, Greece/Portugal/Haiti/Colombia-to-Montreal, Quebec; S18143

Moral Development
conscience, moral/educational development; Q5540
moral developments, sex/gender/personality differences; psychometric data; college sophomores, adults; Q4553
social development, gender differences; book review/comments/reply; R0929
white- vs self-protective lies, moral judgment; social structural vs individual (sex, age) factors; experiment; first-/sixth-graders, college students; Q6561

Moral Education
education-value change relationship, policy implications; Q8267

Moral Judgment
adolescent development, moral judgment/conservative personality/attitude toward authority; test scales, semantic differential; high school freshmen/juniors, college undergraduates; Q4133
illegal actions, health care, conceptual/moral issues; Q4228
intellectuals' moral responsibilities, political power, George Konrad's/Ivan Szelenyi's views refuted; R0047
moral decisions, formal logic; historic concern; Q8987
moral evaluations, gender differences; questionnaire; university students; R0567
moral judgment, C. D. Batson's religiosity vs G. W. Allport's religious orientations models; R0342
opium, medical/moral attitudes, 19th-century GB; R0797
relativistic/realistic moral judgments, black vs white/female vs male/lower- vs middle-class adolescents; questionnaire; Q4126
sexual assault retaliation, moral justification issues, males vs females; vignette questionnaire; undergraduates, Ontario; Q4511
white- vs self-protective lies, moral judgment; social structural vs individual (sex, age) factors; experiment; first-/sixth-graders, college students; Q6561

Morale
democratization process, India, demoralization problem, corrective measures; S18374
morale, life satisfaction, rural elderly; social/physical environment, qualitative assessments; interviews; Warren County, Indiana; Q7085
morale/happiness; widowhood, socioeconomic status, sex, age, religiosity; survey; Canada; S17971
older widowed persons' morale, sex differences; interviews; Q4363
widowhood/morale, age differences; structured interviews; Anglos/blacks/Mexican Americans aged 45-75; Q6538

Morality
Abortion and Moral Theory by L. W. Sumner; review symposium; R0704
aggression/values relationship, sports, interactional morality theory; interviews; high school/college basketball players; comment, reply; Q6685
animals' moral rights; Q6291
antiabortion rhetoric, US; Q9873
church-state relationship, Catholic Church's pluralism/moral value maintenance, Chile; colonial period-present; Q6725
euthanasia attitudes, demographic/religious/other attitudinal correlates; surveys; Q4456
historical materialism/moral relativism, William Shaw's "Marxism and Moral Objectivity"; comment; Q9208
home videorecorder use, Sweden, moral panic debate; Q7913
juvenile delinquency causation, Lawrence Kohlberg's cognitive-developmental theory; Q8956
literary horror/classical tragedy genres, moral themes; sociocultural circumstances; anthropological analysis; Q7129
magical practice, London, England, moral conduct issues; Q7641
medical nontreatment, handicapped newborns, morality; Robert Weir's book critiqued; Q6288
modern science/technology/liberal democracy theory relationships, C. B. MacPherson critiqued; Q4050
moral behavior/norms, social dynamics; S18318
moral conventionalism, necessity/rightness; Q6241
moral values' erosion, Federal Republic Germany, Christian Democrat/Social Unions' political guidance; statistics; Q5328
moral vs political values, "justice-as-fairness" view; Q5674
moral-political culture interaction, social manifestations, human personality/values; S17668
moral/normative commentary, Karl Marx's views; Q9209
morality, function/interpretation; economic/social transformation; Q4477
obscenity/pornography laws, sexual power issue; Q9139
sexual morality attitude changes, younger vs older cohorts; General Social Survey data; 1972-1982; Q4343
suicide, bioethical issues; Q8722
teaching sociology, moral aspects; Q7292
virtue, teaching methods; Q7895
women's conduct/sexuality, Islamic society, moral construction; Iran; Q9111

Morbidity
alcoholism/narcotics abuse trends; medical examiner case records; New Jersey; R0796
bereavement, secondary morbidity; interviews; Q7033
Chinese elderly, US, mortality/morbidity patterns; national statistics; Q8911
morbidity/disability/mortality dynamics, US; survey/longitudinal/other data; Q4356
morbidity/preventive health behaviors/mortality, gender differences; adults, US; Q4275

Mormons
Church of Jesus Christ of Latter-Day Saints/New Christian Right fundamentalist political coalition; Q3430
communitarian utopian society, Mormon City of Zion, US; Q8345
community participation/academic performance, high school students; population growth/migration status/religious preference; survey; nonmetropolitan Utah; S18813

Equal Rights Amendment, Mormon proponents, resource mobilization model; Q5240
fertility transition, Mormon population, nineteenth century; computerized genealogy data; Western US; longitudinal analysis; Q4059
high fertility, Mormon church members; socioeconomic/theological/other variables; questionnaire/interview survey; R0319
male Morman immigrants' marital status/fertility; socioeconomic status variables; genealogical/church records; Utah; 19th century; Q5785
political attitudes/socialization, traditional/nontraditional Mormon/ex-Mormon women; questionnaire survey; R1135
religiosity dimensions, Mormans, conceptual model; questionnaires, interviews; Q8314
religious behavior; personal networks, religious beliefs/practice/socialization; questionnaire; US Latter Day Saints (Mormons); Q6833
unpleasant/aggressive/abusive courtship activities, Mormon vs non-Mormon college students, religion/conformity nexus; questionnaires; Q3176

Morocco
Moroccan politics, King Hussan II, populism strategy; Q5326
political pluralism/electoral system, Morocco; official data; 15 September 1984 legislative elections; Q7978
sainthood, social space/recognition; 17th-century Moroccan case study; Max Weber's definition modified; Q5610
social history, precolonial Morocco, genealogical authentication; texts; post-14th century; R0654

Mortality Rates
addictive substances abuse, US, mortality rates; Q5765
adult sibling mortality, estimation procedure; East Java Population Survey; R0541
birth/marriage/mortality/vegetative growth rates, Spanish provinces; R0535
cancer mortality rates, rural farm counties; agricultural chemical use; white males, US; S18879
child morbidity/mortality; clinical nutrition/social inequality; epidemiological/experimental data; Q5756
child mortality estimation procedures, household/economic/community; Q5769
child mortality, rural Mexican households; economic variables; interviews, ethnographic fieldwork; Q5801
Chinese elderly, US, mortality/morbidity patterns; national statistics; Q8911
cirrhosis mortality rate increase, US blacks; migration; census data, statistics; Q8533
death rate, social context, Hungarian perspective; Q8536
death rates, France; gender differences/occupations; official statistics, 1975-1980; Q5350
death timing, Christmas holiday; mortality statistics; S17484
famines, demographic impact, historical analysis; Q9074
fertility/mortality rates, Egypt, demographic/structural factors; Q8711
health inequalities, Bristol, England; statistical indicators; Q4273
health/mortality trends, middle-aged/older persons; National Health Interview Survey data; Q4369
heterogeneous individual mortality probabilities, population mortality model; Q4087
life chances, occupational class differences; official statistics; R0093
longevity/health; social relationships/networks; Q3363
low mortality rate, Kerala, India; health information/education; census/government data; Q3064
morbidity/disability/mortality dynamics, US; survey/longitudinal/other data; Q4356
morbidity/preventive health behaviors/mortality, gender differences; adults, US; Q4275
mortality decline, Kuwait; health care promotion, welfare state; S18539
mortality decline, US elderly, familial/social welfare implications; census data; Q8883
mortality inequality, English/Welsh adults/infants; social class, occupation; national statistical data; 1921-1972; Q8046
mortality patterns, US blacks, sex/age/race differentials; government statistics; Q5749
mortality rates, less developed countries; world market participation/indebtedness; economic/population data; S18533
mortality rates, older adults, England/Wales, sex differential; biological/environmental factors; official data; R0504
mortality rates, rural vs urban US counties; demographic structure variation, residents' age; census/vital statistic data; 1970-1980; S18817
mortality rates/marital status relationship; Q7003
mortality rates; business cycles; 1870-1980; R1169
mortality rates; marital status, sex; 1960 vs 1979; Q8544
mortality, black vs white alcoholics; occupational prestige; clinical records; St. Louis, Missouri, hospitals; R0785
mortality, developing countries, model age patterns; censuses; South Asia; R0503
mortality-life expectancy rate change, mathematical model; Q8555
mortality; inbreeding; fieldwork; Andra Pradesh, India; Q5766
mortality; occupation status/stress; death/census records; males, US; Q8058
mortality; socioeconomic/biological determinants; health intervention project data; India, Guatemala, Bangladesh; Q5763
multiple myeloma, interracial differences, prognostic factors; hospital records; black/white patients; Q4260
patient survivability; medical/mental institutional care; Q8073
population age/gender structure, less developed countries; fertility/mortality levels; demographic statistics; Bangladesh/India/Kenya/Mexico; S18330
population mortality-unemployment relationship, M. Harvey Brenner's time-series analyses; Q8806
premature death, health priorities; PPYLL measure; US; Q6045
respiratory/infectious disease death rates, GB; socioeconomic/etiological/population/behavioral variables; 19th century; Q8543
stroke deaths reduction/prevention, US; hypertension treatment, National High Blood Pressure Education Program; Q6041
suicide rates, male vs female birth cohorts; Q4214
suicide/violent death, rural areas; health professionals increase; death rates; Connecticut; Q4289
survivorship, societal context; Q3121
typhoid risk, Pittsburgh, Pennsylvania, 1890-1910; ethnic/social/immigrant status; case history; Q6035
violent death rates, alcohol use/age correlates; medical examiner's files; Erie County, New York; Q8840
violent death rates, young males, Norway; alcohol consumption increase; official statistics; 1950-1980; R1069

Moscow, Union of Soviet Socialist Republics
marriage counseling, USSR; Q4186
urban growth regulation, Moscow, USSR, vs London, England, regional development policies; Q3760

Mothers
child abuse; Western motherhood ideologies; Q5803
child development/childrearing practices, homo- vs heterosexual single mothers; questionnaire, interview, psychological tests; R1089
child mortality; maternal education, cultural variations; Q5777
childrearing methods, depressed/abusive/normal mothers; questionnaire instrument; Q8838
children, mothers' perceptions; maternal employment; interviews; 2-parent families; Q5900
daughters' educational orientation/self-confidence; mothers' education level; interview; young females, Egypt; Q6804
domestic education, Japanese women, pre-WWII government policies/programs; field materials; Suye-mura village; Q5983
domineering mothers, US, 1950s, social conformity; Q6330
economic self-sufficiency attainment, long-term welfare mothers; sociodemographic/psychological characteristics, support systems, personal/community resources; home interviews; four rural New York counties; Q7011
father-daughter incest, mothers' family roles; interviews; ethnographic study; Q6994
infant mortality rates, US/Sweden/Italy; prenatal care practices/approaches; questionnaires, interviews; mothers; Q4262
infant survival, Brazilian shantytown; maternal attitudes/child rearing practices; Q6588
maternal/children health care services, California; Proposition 13; R0756
mother-blaming practice, clinical journals; content analysis; Q8961
mother/daughter life histories, family relationships, Grand Bank, Newfoundland; S18420
mothers' stress perceptions; children's growth problem/gender, previous high stress events; mail survey; Human Growth Foundation members; Q6952
multigenerational black families, mother's role; interviews, participant observation; Q8666
new mothers' medical system participation, GB; social class differences; interviews; S18187
newborn's intensive care unit placement, family impact; interviews; mothers; Q7167
own vs children's illness, mothers' responses/behavior; secondary survey data; Q8731

parental childrearing practices/attitudes, children's behavior; maternal employment; interviews, observation, test scores; Q8579
parental satisfaction, black US mothers; marital status, family/household structure; demographic/interview data; Q4158
parenthood adaptation, mothers vs fathers; social supports expectations/utilization; questionnaire, scales; parent-couples; Q4195
peasant women, landownership issues, socioanthropological examination; Alto Minho, Brazil; Q6367
perinatal performance/postnatal adjustment, primiparous women, psychological/physiological correlates; questionnaire, hospital records, home visits; R0687
postdivorce mother-child relationship; child's age/gender, time since separation; videotapes; Q4099
social support networks, neglectful vs nonneglectful mothers; interviews; mothers, children, neighbors; Q8688
Surrogacy (Arrangements) Act, GB, male ideological bias; Q8681
time allocation studies, women's/children's activities, spot vs day-long narrative observation methods; Mexico, Senegal; Q4105

Motivation
achievement motivation, Anglo/Mexican-American high school student athletes; questionnaire; New Mexico; Q5259
achievement motivation, cross-cultural research; Q3199
achievement motivation, US Virgin Island students; values, personal/familial success definitions; Q6545
human identity, social acts/motives; Q3129
leisure activity, life satisfaction, older persons; motivational orientations; telephone/mail questionnaires; Q8904
motivation, goal hierarchies categorization; questionnaire; university students; Q3156
motivation, sociological theory, motivated interaction models combined; S18686
role motivations, young women; perceived parenting rewards/costs; scales; undergraduates; R1129
scientist's motivation, public opinion vs scientific reputation; S18396
social action, attributed qualities, motivational properties; questionnaire; sociology students; Q7499
suicide, motive vocabulary; questionnaire, suicide notes; suicidal vs nonsuicidal group; Q3185
tax revolt amendment, Florida, public support motivations; survey; Q3534
tourist motivation/childish needs; promotional material; transactional approach; S17788
violent female offenders, legal vs defendant's reality; Q8420
volunteering motivation; age, sex, marital status; mail survey questionnaire; American Red Cross volunteers; Q7791

Mozambique
colonial Mozambique, social/political structures; corporatist/fascist legislation, Portugal; 1933-1979; Q3396
corporatism, Portugal vs Mozambique; conflicting motivations/interests; case study data; S18384

Multicultural Education
cross-cultural research, dual vision concept; Q9260
second-generation immigrants, Europe, bilingual/bicultural education, viability/effectiveness; R0536

Multilingualism
code switching, teaching strategies/stylistic mechanism, India; S18724
code-switching/mixing, Bantu, African languages; literature review; S17672
codeswitching, social motivations, macro/micro bilingualism; Mombasa, Kenya/East Los Angeles, California; S18740
intra- vs interlingual sociolinguistics, language classification scheme; West Germany; Q5493
language standardization patterns, Armenian/Persian, Near East; S19202
language/political states, linguistic/cultural pluralism's survival; S18386
nationalism/ethnicity, multilingual settings; bibliography; Q6789

Multinational Corporations
debt crisis, developing countries, multinational banks' role; S19237
international expansion, oligopolistic mass media industries, Canada; case studies; Q7910
labor actions against transnational enterprises, underdeveloped Asian countries, state elites' coercive intervention; Q9733
media field, Western industrialized countries, military-industrial complex domination; UN/company/professional publications; Q9832
mineral resources, chemical/radioactive waste, US Indian reservations, internal colonialism; Q3400
Taiwanese women workers, multinational corporations, martial law coercion tactics; field study; R1077
task-related/contextual work variables, cross-cultrual assessment scales; multinational corporation workers; 21-country analysis; Q9479
world economy, information production/distribution; R1010
world economy, national industrialization policies vs multinational corporation strategies; Q9830

Multiple Jobholding
gross farm income; husbands'/wives' off-farm/household work, acreage, unpaid workers; survey; grain farm units, Alberta, Canada; S17830
off-farm employment, Kentucky farm women; survey; S18838
off-farm employment, US farmers; financial stress; survey; Texas, North Dakota; S18803

Multiple Regression Analysis
multiple regression analysis, social science applications; Q7272
multiple regression/path analysis, "betas" effects; Q4672

Multivariate Analysis
repeatable outcomes, hazard models, multivariate stochastic point processes; Q9289

Murdock, George Peter
anthropology/behavioral science, George Peter Murdock's contributions; Q9359
Murdock, George Peter, role/significance; bibliography; Q4764

Music
arts/music, specialized television channels; Q9883
black musicians' role/status, Nashville, Tennessee; participant observation, interview/other data; Q8213
blues musical expression, black/white cultural fusion/dialectic; Q5509
Caribbean-influenced Cu-Bop jazz, Theodor W. Adorno's music listener typology; Q8219
child/parent/teacher/institution relationship, music lessons; ethnographic/material/technique analysis; S17987
classical music, audience listening/viewing habits; audience variables; surveys; Belgium; Q9882
collective meaning, musical syntax, interdisciplinary methodology; Q7413
cultural production, automation, player piano; content analysis; journals/magazines/newspapers; early 20th century; Q5728
ethnic pride, community consciousness, creative behavior, Hispanic/Puerto Rican teenage girls; popular culture, rock group Menudo; New York, New York; S19077
female stereotypes, popular song lyrics; content analysis; 1946-1976; R1085
Hindustani classical music, Muslim influences; S19159
Marini, Giovanna, Italian ethnomusicologist/artist/singer; Q9240
music changes, US, composers' commentaries; Q3825
music history, institutional change, 19th-century Paris, France; culture production perspective; Q5510
music listening patterns, Canada; age; survey; 1985; S18432
music preferences/attitudes; factor analysis; Q7894
music, sociocultural framework; Q5503
musical compositions, numerical properties; Q8218
musical culture/policy, France; radio's role; Q9877
musical preferences/listeners, 6-category typology; survey; French Swiss; Q9885
musical production, public television, structural constraints/public subsidies; Q9886
musical syntax as sociological data source; Q5506
music's nature/function, varying definitions empirically tested; types of music; S17665
music's secondary use, electronic media; Q9870
music's social function, South Africa, sociology of music; Q8211
national anthems' musical structure, social solidarity aspects; Q8208
national anthems, symbolic communication analysis; S18970
popular culture, folk music, *Broadside* journal's role; Q5255
post-World War II country music, feminist sensibility; R1083
postmodernism concept, art/music; Q3824
punk/middle-class/hippie value categories; content analysis; periodical literature; R0582
radio/musical tastes, teenagers; questionnaire; London, England; R0596
rock music evolution, social change implications; 1953-1978; Q9921
rock music opposition, Parents Music Resource Center, natural history approach; S18903
rock music, Bruce Springsteen's narrative style; Q3477
"serious" musical programs, viewer/listener decline, Belgium; Q9874
social participation/separation, music's influence; S19009
sociology of music, South Africa; Q8210

traditional sexual double standard, country music song lyrics; content analysis; female vocalists' recordings, US; Q5504

Musicians

black musicians' role/status, Nashville, Tennessee; participant observation, interview/other data; Q8213

ethnic pride, community consciousness, creative behavior, Hispanic/Puerto Rican teenage girls; popular culture, rock group Menudo; New York, New York; S19077

music changes, US, composers' commentaries; Q3825

rock music, Bruce Springsteen's narrative style; Q3477

Muslims

caste/social class/kinship relations, collective living, marriage rituals, Gaddi *Biradari* Muslims, India; participant observation, interviews; S17554

educational/cultural development, India; Muslims' contributions; S17854

ethnic identity, Muslims/Christians, Uttar Pradesh, India; secondary/archival/other data; Q9587

family/household structures, Turkish Muslims; historical data; 19th/20th centuries; Q5919

fertility, Muslim populations, rural-urban differentials; World Fertility Survey; Q4211

food taboo explanations/metaphors, Hindu/Jewish/Muslim religions; historical data; S17796

Hindustani classical music, Muslim influences; S19159

journal literature utilization, Muslim social scientists, US; mailed questionnaires; Q4719

library education program planning, Muslim world; Q5566

Meo community, Mewat region, Rajasthan/Haryana, India; 1901-present; R0975

Muslim assimilation, Nepal/India/Pakistan caste societies; Q3627

Muslim family, Iran/Africa/Kuwait/Turkey, modernization/secularization processes; symposium; R0674

Muslim particularistic movement, India; internal/external political/economic processes; S17565

Muslim women's changing status, Middle East; Westernization, mass media, reformers; Q4518

Muslims, India, modernization impact; Q9794

Muslims, southern India/Sri Lanka, sociological perspectives; secondary/census/official data; Q4979

popular myths; Moslems' influence, southern Italy; Q3945

religious tolerance/conflict, South Asia; personal experience, fieldwork; India, Nepal, Muslims; Q7606

religious/political liberation, Malaysia; Muslim oppression, Islamic party formation; S18576

social identity, Hindus/Muslims; adjective checklist; India, Bangladesh; Q3204

subjective vs objective ethnic identity, Marxist categories critiqued; life histories; Lucknow, Uttar Pradesh, India, Muslims/Christians; S18606

polyphonic novel, Mikhail Bakhtin's dialogic structure theory, Milan Kundera's work; S18596
romance novel, women's entertainment; 2-book review essay; Q3833
romance novels, cultural production, publisher/editor decision making; Q7929
Viennese cultural history, rationality views, Robert Musil's/Hermann Broch's novels examined; Q6247
workers' portrayal, 19th-century French novel; Q3821

Nuclear Energy
civilian nuclear power development, US, government's/utilities' roles; Q3505
nuclear energy, public attitudes, France/Sweden/US; S19021
nuclear power acceptance, Japanese women's attitudes; safety/management system/local economic merits; partial order scalogram analysis; nuclear power sites/urban areas; Q6664
nuclear power, Japanese women's attitudes; safety/economic/confidence variables; nuclear power sites/urban areas; Q7170
nuclear waste disposal, military vs commercial repository siting, Waste Isolation Pilot Plant project, Carlsbad, New Mexico; Q4485
nuclear waste repository site selection, demographic/socioeconomic data needs; S17444
radioactive waste disposal, policy-making considerations, risk-cost-benefit analysis; R1025
risk perception, Three Mile Island restart, interest group context; Q4491

Nuclear Family
child sexual abuse, nuclear families, state intervention policy/programs; surveys, interviews, case files; R0640
educational/occupational/economic attainment, marital/family status, young adults raised in one- vs two-parent families; interview survey; Q7005
family institution as modern religion, implications/consequences; article/discussion; R0666
nuclear family's political role/revolutionary potential; Q7010
nuclear household structure, blacks/Hispanics, US; housing constraint; census; R0176
one- vs two-parent families, social/economic characteristics; demographic data; Q7008
single- vs two-parent families, family life cycle stages; census/survey data; females; Q6991

Nuclear Reactors
nuclear power industry, public attitudes/policy; R1024
nuclear power risks, journalism's coverage; Q5222
Three Mile Island nuclear power plant accident, technical/evacuation issues; Q4488

Nuclear War
nuclear deterrence ideology, internal contradictions/discrepancies, impact; Q3509
nuclear threat, academically gifted students' perceptions, sex/age differences; scales; Cullowhee Experience participants, North Carolina; Q6971
nuclear war fear, US vs USSR children; questionnaire, interviews; Q8561
nuclear war initiation, images of enemy, modeling framework; S19050
nuclear war policy evolution, US, minimal/extended deterrence; Q3508
nuclear war/arms race issues, sociological/critical teaching approach; Q7289
terminal nuclear war potential, historical factors; Q9027

Nuclear Weapons
atomic-age realities, social science teaching; Q9025
language/militarization relationship; semiotic approach; S17751
nuclear arms race, militarization, worldwide social consequences; US, USSR, North Atlantic Treaty Organization/socialist countries; S18688
nuclear threat, *Sociological Quarterly* special issue outlined; Q3345
nuclear war fear, US vs USSR children; questionnaire, interviews; Q8561
nuclear war/arms race issues, sociological/critical teaching approach; Q7289
nuclear weapons policy, perceived moral exceptionalism, US; R1014
open/closed peace movements, productive (workers) vs destructive (military industrial complex) forces; Pugwash case example; S18109
US Catholic bishops' pastoral letter, nuclear weapons freeze advocation; layman's comment, rejoinder; Q9557

Nudity
streaking behavior diffusion, US universities; spring 1974; S18950

Nuptiality
birth/marriage/mortality/vegetative growth rates, Spanish provinces; R0535
nuptiality determination, England; demographic/economic factors; statistics; 1541-1581; Q8530

Nurses
euthanasia attitudes, student nurses; parental socialization/childrearing approach; questionnaires; Q7035
job turnover, nursing home nurse assistants; S17506
labor force participation, nurses, US, life-table analysis; survey; Q8106
"new class" orientation, nurses vs semiprofessionals/professionals; surveys; Q6759
nurse labor market patterns/behavior, supplemental nursing agencies; interviews, surveys; hospitals/agencies, San Franciso, California; Q8084
nurse-neonate relationship, intensive care unit, symbolic interactionism perspective; observation, interviews; parents/doctors/administrators/paramedics/respiratory therapists/nurses; Q6950
nursing profession, political power/views; Q5363
nursing profession/vocation, Pune, India, nurses' role/self-image/function; interviews; R0116
nursing/medical anthropology relationship; Q3662
occupational roles/images, nurses; S17661
occupational stress, hospital nurses; age/race/marital status/other variables; questionnaire; Q8079
oncology nurses' support group, organizational contingencies; case study; Q6418
role conflict, female physicians/nurses, Japan; sociocultural expectations; Q8086
sex-role identity/depression, nurses; questionnaire; R0094
stress problems, female nurses, Vietnam evacuation hospital; questionnaire; Q8070
stress/social support/work adjustment interrelationships; questionnaire survey; newly graduated nurses; longitudinal study; Q3349
tokenism experience, male nurses/female doctors, hospital setting; Q8752
two-year nurse education programs, junior colleges, diffusion/adoption process; environmental/organizational factors; census, documents, interviews; Q8071
wage rates, hospital nurses; unionization; secondary/official data; New Jersey; R0078

Nursing Homes

aged nursing home patients, mental health care delivery system; interviews, mail survey; nursing home personnel; Q8814
job turnover, nursing home nurse assistants; S17506
life satisfaction, institutionalized rural elderly, social/psychological predictors; questionnaires, nursing home records; North Carolina; Q6172
life/death category separation, old people's home; staff/residents, England; Q7046
locus of desired control, young-old vs old-old nursing home residents; interview schedule; Q4252
nursing home selection, social service workers' vs general public's criteria; Q7887
old age, home health care alternatives; Q7086
patient ward assignment/transfers, extended-care facility, institutional procedures; ethnographic data; R0857
religious meanings/belief systems/practices, elderly females; open-ended/structured questionnaires; nursing home residents; Q8365

Nutrition
cereal demand, feedgrain use vs human consumption, middle-income vs poor countries; cross-national/survey data; R0072
children's food behavior, informational influences; questionnaires, interviews, observation; R0550
earnings distribution, prerevolutionary Nicaragua; schooling, nutrition, health; survey; females; R1079
household income/consumption, Dominican Republic; national survey; R0643
natural fertility/population growth, developing countries; undernutrition, physical activity; Q8756
nutrient consumption adequacy, low-income southern US households; survey; S17445
nutrition education programs, evaluation; questionnaires, telephone interviews; American Red Cross course participants; Q9469

Obesity
clinical judgments, mental health practitioners; client's weight; questionnaire; Q4282
obese persons, educational attainment/intelligence/social-class origins; tests; military draftees, Denmark; Q8803

Objectivity
distortion, interviewee response effects, approaches/models; Q4893
historical objectivity, Maurice Merleau-Ponty's vs Raymond Aron's prescriptions; R0945
Polish-Jewish relationships, historical writings/sociological interpretations vs reality; diaries; Polish Jews; S18344
social object definitions, thought vs reality, analytical frameworks; Q9239
social problems theory, constructivist approach; response to comments; Q7444

Obscenity
Hungarian peasant obscenities, sociolinguistic analysis; taboos described; R0220
obscenity trials, Canada community tolerance standards, psychologists' expert testimony; Q8376
obscenity/pornography laws, sexual power issue; Q9139
profanity use/attitudes, sex differences; questionnaire; college students; Q8203

Observation
pupil classroom behaviors, direct observation measures; Q4650

Occultism
occult witchcraft participation, England, ritual practices/persuasiveness; Q8333
occultism fascination, US; R1146
parapsychology, psychological establishment's views; R0348
spirit mediums, northern Thailand; Q7802
spiritualist/subjective social worlds, research methodology; participant observation; occult communities, US/GB; Q7237

Occupational Achievement
achievement motivation/life satisfaction, cohesive communities; industrial progress; scale, questionnaire, book catalog; industrial workers, Israel; Q7805
career achievement, working women; sex-role identification; questionnaire; Peterborough, Ontario; Q9169
career advancement, sociology; scholarly publications; personal experience; Q6462
cross-national status transmission/achievement, rural vs urban samples; secondary data; Q3640
deaf workers, US, socioeconomic status; census/survey data; Q9635
educational/occupational/economic attainment, marital/family status, young adults raised in one- vs two-parent families; interview survey; Q7005
educational/occupational/need attainment, intelligence, monozygotic/dizygotic twins; genetic/environmental factors; test scores; Q8287
educational/professional barriers, coping mechanisms, physically disabled; autobiographies; US/GB/France/West Germany; S18732
educational/socioeconomic development, racial differences, US Census Bureau's Survey of Income & Program Participation's informational value; Q9554
faculty careers; age/demographic/historical effects; interviews; University of Michigan; Q3688
high culture participation, educational/occupational success; cultural resources, rational choice theory integration; S18771
high school achievement/occupational attainment, relationships/continuity early work career; panel data; young men; Q6968
male/female education doctoral graduates, comparative career accomplishments; questionnaire survey; Q3711
managerial positions, bureaucratic organizations, women's representation; R0084
occupational achievement; ethnic background; 1979 US Current Population Survey; Q6572
occupational attainment, joint male-female socioeconomic index; census/survey data; Canada; S18960
occupational inequality, Peninsular Malaysia, Malays/Chinese/Indians; sociodemographic/labor market variables; census; Q4961
occupational status attainment, professional vs nonprofessional college graduates; longitudinal survey; R0123
out-of-town travel, occupational advancement, women vs men; questionnaires; white-collar government employees; Q6748
professional career/achievement; social origin; survey; Berlin, West Germany; R0676
second-generation migrant Italians, French-speaking Belgium, socio-professional characteristics; interview survey; R0491
social ecology, social stratification research; R0561
social status, professional women; own vs husband's occupation, income; questionnaires; professional/business women's organization members, New Orleans, Louisiana; S19059
US blacks' social assimilation/career attainment; school desegregation; surveys; Q5523

Occupational Aspiration
academic performance/occupational aspirations/college major, black graduate students; gender/age/other correlates; mail survey; Q4956
adolescent academic performance/later outcomes; work experience; public high school data; Q4120
athletic/educational/occupational aspirations, self-esteem, wheelchair athletes; questionnaires; Q7937
children's occupational sex typing; sex/socioeconomic status/grade level variables; slide-tape series; Q4101
educational motivation, career aspirations, elite university students; interviews; Bangalore, India; Q5343
educational/occupational ambition inequality, youth; social/psychological variables, individual/cultural values; S18502
educational/occupational aspirations, Australian adolescents; social status, individual characteristics, family environment; longitudinal analysis; R0586
educational/occupational/expectations/aspirations, parental influence, Upward Bound Program students; questionnaire; Q5565
future work plans, nonremarried young widows; human capital/economic/family/age variables; survey; Q8684
new technology attitudes, occupational goals, British undergraduates; parental employment, microcomputer exposure; mailed questionnaires; R0464
occupational aspirations, black males vs females; questionnaire; university juniors/seniors, New York; Q3678
occupational aspirations, college students, India; social class; questionnaire; R0066
occupational expectations, secondary school students, Trinidad/Tobago; parental/peer/educational/socioeconomic influences; questionnaire survey; Q5520
youth labor market situation, Eastern/Western Europe, employment aspirations vs possibilities; R0578
youth occupational aspirations vs societal manpower requirements, USSR; surveys; 1963-1983; R0286

Occupational Choice
astrological sign-occupation relationship, *Guardian* newspaper articles; content analysis; GB; Q5605
career choice, USSR youth; survey; high school teachers/students, parents; Q4123
career choices, Indian youth; questionnaire data; college students, Poona; S18425
choice/professional development, female ministers; interviews, Bem Sex-Role Inventory; Q3712

females' male-dominated profession career choice, personality/background correlates; questionnaire, Cattell 16PF, Bem Sex-Role Inventory; women, US; Q3689
occupational values, college students, political group differentials; questionnaire surveys; 1969/1981; Q5846
offspring career choice; parents' professional background; survey questionnaire; Q3690
personal vs social identity importance, behavioral/preferences; questionnaires; college students, adults; Q9490
psychiatry career choice, timing/process, recruitment strategies; questionnaire survey; psychiatric residents, Toronto, Ontario; Q3657
work/self-concept relationship; early careers; longitudinal data; Q3144

Occupational Classifications
occupational classification, British Registrar General's system, social class allocation; 1970 vs 1980; Q8055
occupational classificatory schemes, socioeconomic indexes; census data; Q4676
retirement patterns, older workers, occupational differences; longitudinal surveys; 1973, 1976, 1978; Q7082
women's work classification, British vs Australian census methods; 19th century; Q6339
worker-trait data, Canadian Classification & Dictionary of Occupations, social research utility; Q7691

Occupational Mobility
career mobility patterns, male vs female federal government employees; S18984
career mobility, lower-level federal employees; sex, ethnicity; personnel files; R0085
career mobility, women/minority teachers; declining high school enrollments; survey, interviews; Q3675
civil service clerical positions, US, status decline; management professionalization process; S18983
computer occupations/systems analysis, women's participation; supply/demand/other factors; S18985
core-periphery placement/mobility, gender differences, labor force entry vs midcareer; panel study; Q8035
ethnic business/occupational mobility, advanced societies, research approaches; Q5395
income differences, Hawaii-born Filipino vs non-Filipino men; Q9473
industrial segmentation; industrial/occupational persistence/mobility; survey; S19019
labor force strategies, socioeconomic segmentation notion, industrial-/establishment-level explanations; interviews, questionnaires, statistics; businesses, Canada; Q5068
labor market segmentation, West Germany; organizational size/social class/industrial segmentation structural theories; national survey data; Q9644
legal profession, India, caste influence/mobility patterns; survey questionnaire; Meerut City; S18572
men's career mobility, Austria/France/US; structural positions; surveys; Q5341
men's career mobility; social class structure; census survey; US; Q3641
men's career mobility; social class, neo-Weberian/non-Marxist ideas; survey; civilian males, US; Q3642
occupational adjustment, migrants, Bangkok, Thailand/Bogota, Colombia; life history data; Q6569
occupational exchange/structural mobility, quasi symmetry model; statistics; GB, US, Brazil; Q3643
occupational mobility, low-paid workers; census; Q7728
occupational mobility, Matiari village, India; sociodemographic factors; survey; families; Q3694
occupational mobility; ethnicity; Central Bureau of Statistics data; households, Israel; R0049
occupational mobility; migration; 1970 1/100 Public Use Sample data; blacks/whites; Q3722
organizational mobility, labor-management relations, Japan; Q6628
scientific-technological change, worker mobility, social conditions; case studies; East German workers; S17563
social status attainment, occupational mobility, intergenerational transmission, Chile; education; questionnaires/longitudinal study; youngsters/students; Q6812
socioprofessional characteristics/mobility, directors/administrators, public vs private sector; interviews; S18507
status attainment process, India; educational advancement; interviews; adults, Haryana State; R0275
upward mobility, job change; job search method, sex/race; surveys; Q7673
urban community structure; migration, occupational mobility; interviews; migrant family heads, Raichur, Karnataka, India; S18053
women's work/family career patterns, birth cohort differences; questionnaire survey; college graduates; 1934-1979; S19000
worker job mobility, young people's adjustment; labor market instability; Q5100

Occupational Roles
assistant university teachers, Austria, rights/duties, legislative reform; Q5582
burnout, human service workers; role structure; questionnaires; mental health/rehabilitation center staff members, Canada; R0105
child care occupations, US males' participation; R1136
community development consultants, background/activities/attitudes/roles; questionnaire; Wisconsin; Q8117
female police officers, role styles; interviews; Q8118
French family/professional life variations; family trajectories; survey; men aged 40-59; 1977; R0122
job earnings; monetary/personnel resources control; interviews; residents, Illinois; Q5388
job satisfaction/anxiety, female engineers; need fulfillment, stereotyped attitudes; mail questionnaire; GB; Q9666
job/family role strain, employed parents; questionnaire; Q5947
males' early retirement; occupational context, work tasks; survey; Q6164
medical receptionist's role, general practitioner's office; survey; patients, GB; Q6001
neighborhood desirability perceptions, gender-/work-based differences; Q3776
occupational roles/images, nurses; S17661
occupational sex-role stereotyping; experiment; Jamaican adolescents/adults; Q5373
occupational sphere vs family life, males; secondary data; Detroit, Michigan; S17584
occupations/aspirations, young women, sex-typing; socialization; National Longitudinal Survey; S19018
professional legitimation, symbolic/substantive techniques; Q3703
psychoanalysts, US, professional role changes, 1940-1980; S18352
social status/work motivation relationship, engineers, Bulgaria/other socialist countries; S19142
social workers, Netherlands, role behavior models; Q5391
work roles/attitudes, rural women; interviews; S17465
work/personality theory, National Institute of Health research program; book review essay; Q3106

Occupational Safety And Health
alcohol-related social policy, workers' drinking problems, US; 1607-1920; Q7073
community health hazards; Puerto Rican Union Carbide factory; fieldwork; Q4269
federal protective regulatory policies, Occupational Safety & Health Act; state implementation role; Q3713
health risk, male vs female employees; occupational category; questionnaire; Xerox Corporation workers; R0114
health/job security protection, dangerous work refusal rights, Quebec, 1979 legislation; S18458
health/safety regulations dismantling, first Reagan administration; bibliography; Q4247
occupational health research, participatory methodology; personal experience; Bombay, India; S18068
occupational health, industrialized countries, workplace risk/psychosocial factors; Q9659
occupational health/safety regulations, Sweden; article/response/reply; R0851
Occupational Safety & Health Administration, US, deregulation policy; Q9705
occupational safety/health, petrochemical industries, corporate performance/strategies; case studies, interviews, literature review; GB, US; S18030
racial inequality, occupational injury/illness, public policies' coordination lack; surveys; black vs white workers; Q4259
workplace health education, educators' training; mailed questionnaires; occupational health educators; Q5394

Occupational Segregation
employment equity, academia, social technology policies; Q9561
gender segregation, blue-collar manufacturing occupations, industrial variations; census data; Q8119
job satisfaction determinants, male vs female workers; occupational sex segmentation level; secondary interview data; R1095
managerial positions, bureaucratic organizations, women's representation; R0084
occupational feminization, GB, information technology; R0471
occupational segregation, Asian male labor force, Canada; statistics; longitudinal study; Q3705
occupational sex segregation, small communities; community social class structure/socioeconomic factors; secondary data; Iowa; 1960, 1970, 1980; S18831

occupational sex segregation, statistical discrimination theory; employment statistics; California; Q5362
occupational sex segregation, workplace contact/rate of change; surveys, censuses; 1970s; Q7692
off-farm work distance, employment; gender/education; mail survey; Louisiana farm couples; S18821
racial occupational inequality; educational attainment; US Census tabulations; 1940-1980; R0037
sex segregation, academic fields/degree levels, US higher education; R0257
sex segregation, Australian labor force, antidiscrimination legislation; Q7740
sexual occupational segregation; educational opportunities equalization; microcensus data; West Germany; R0251
teaching profession, female dominance, US; state/county records; 1850-1880; R0292
unemployment/job competition, France; modernization, discriminatory employment policies; Q5072
women's mentorship, token status; interviews; West Point Military Academy graduates; Q4549
women's work, comparable worth issue, institutional segregation; Q6359
work, sex segregation/pay gap; socialization/discrimination patterns; Q6340

Occupational Status
brothers' occupational status; educational attainment; telephone interviews; high school graduates, Wisconsin; Q5783
caste/resource distribution inequalities, village community, Haryana, India; S19190
educational/occupational attainment, life plans, social/psychological variables, national structural differences; S18503
educational/occupational status attainment, Indian scheduled castes; social class background/scholastic ability/value orientation; interviews, scholastic application data; S18540
employment characteristics, migrant farmworkers; recent immigration vs native born, gender, education; Wayne County, New York; S18814
employment relations, human capital/status attainment models; Q5355
employment status, self-perceptions, paraprofessional women; support, opportunities; questionnaires; Expanded Food & Nutrition Education Program, New York; Q6752
employment status/commitment, public house performers, Aberdeen, Scotland; interviews; Q3695
family migration decisions, US whites; wife's occupational status; national longitudinal surveys; 1967-1977; Q8551
health care policy attitudes, Canadian doctors, Medicare opposition; professional ideology/stress/values/status; questionnaires; Q6057
life chances, occupational class differences; official statistics; R0093
mortality, black vs white alcoholics; occupational prestige; clinical records; St. Louis, Missouri, hospitals; R0785
mortality; occupation status/stress; death/census records; males, US; Q8058
noncitizen Arabs, Israeli labor market; labor force statistics; 1969, 1975, 1981; Q4971
occupational adaptation, recent male immigrants, Canada; national longitudinal data; R0117
occupational attainment, Ashkenazi majority vs Oriental minority males; credentialization, education, socioeconomic background, intelligence; tests; Israel; S18786
occupational classification, British Registrar General's system, social class allocation; 1970 vs 1980; Q8055
occupational prestige, sex-linked assumptions/stereotypes; questionnaires; university students; Q8077
occupational prestige, theoretical strategies, ontological/epistemological assumptions; S19133
occupational status attainment, professional vs nonprofessional college graduates; longitudinal survey; R0123
occupational status, female urban migrants, Nigeria; interviews; Ibadan, Benin, Kano; Q6388
occupational status/income, gender inequality; educational attainment; Q3873
occupational upgrading/downgrading, US, general/vocational education policy/research; Q5389
postmigration occupational careers, recent immigrants, Canada; S19080
racial occupational inequality; educational attainment; US Census tabulations; 1940-1980; R0037
residency selection, medical school students; status vs social value orientation; survey, interviews; US medical schools; Q6757
social status, Australia; employment/demographic characteristics; secondary data; Q8048
social support/participation, well-being, women; occupational autonomy/complexity; probability sample; employed women; S19073
social/occupational categorization, comparative social justice; socioeconomic status; questionnaire; managers, workers, students; Q3644
status attainment, social prestige/closure; occupational prestige scale; Q5357
suicide; occupational status; coroner records; Sacramento County, California; Q3175
unofficial status workers' social position/economic utility; interviews; automobile mechanics; Madagascar; S18438
voting patterns, Flanders; sex, age, occupational status; statistics, surveys; 1981-1985 elections; Q8012
wage/occupational level; industrial sector; interviews; Comprehensive Employment & Training Act participants; Q5083
women's marital/socio-occupational status, Ile-de-France region, France; statistics; Q5452
workers' class consciousness; occupational alienation vs self-direction; surveys; Q8026

Occupational Stress
"burnout" avoidance strategies, social service workers; Q7745
burnout concept, Marxian ideological perspective; Q8115
burnout, human service workers; job involvement/attitudes; questionnaires; US; Q3664
burnout, human service workers; role structure; questionnaires; mental health/rehabilitation center staff members, Canada; R0105
coping with stress, police officers, type A/B behavior patterns; interviews, questionnaires; Q3684
current psychological distress/difficult life conditions; combat exposure, Vietnam; interviews; Q8103
death rates, France; gender differences/occupations; official statistics, 1975-1980; Q5350
health care policy attitudes, Canadian doctors, Medicare opposition; professional ideology/stress/values/status; questionnaires; Q6057
job burnout, female human services workers; psychological variables; questionnaires, Maslach Burnout Inventory, Staff Burnout Scale for Health Professionals; Q3654
job burnout; sex/family/other variables; secondary data, survey; public contact employees; Q7715
job characteristics/stress, terminal operators, financial institutions; interviews; Q6616
job satisfaction/anxiety, female engineers; need fulfillment, stereotyped attitudes; mail questionnaire; GB; Q9666
job stress/burnout, probation/parole officers; survey questionnaire; Alabama; Q3720
job stress/satisfaction; social support type/source; questionnaires; firm employees; Q3682
job/family role strain, employed parents; questionnaire; Q5947
leisure patterns-work performance relationship, industrial workers, theory/research; Q9896
occupation fatigue/burnout, secondary school teachers; interviews, questionnaires; R0095
occupational strain, physicians; specialty/practice type, gender; interviews; Philadelphia, Pennsylvania; R0723
occupational stress, hospital nurses; age/race/marital status/other variables; questionnaire; Q8079
occupationally stressed men, marital relationships; interviews; Q5988
role conflict/ambiguity, high school supervisors, powerlessness/burnout correlates; survey; New Jersey; Q3685
stress/alienation, male vs female public school teachers; age, length of service; scale, survey; R0079
stress/psychoneurotic symptoms, elementary/secondary schoolteachers, England; inventory, questionnaire; R0100
stress/social support/work adjustment interrelationships; questionnaire survey; newly graduated nurses; longitudinal study; Q3349

Occupational Structure
administrative occupational structure; system size; census; US; S17530
employment structure, university personnel; outside research funding; questionnaire; West Germany; R0258
female occupational distribution, 1940s-present; census data; Q6374
institutional/occupational format, armed services; Q7750
Italian immigrants, Argentina, 1880-1930, sociodemographic characteristics; Q5744
legal profession, bureaucratic power/conflict; S18482
mental-manual division of labor, education's role; secondary survey data; R0289
mortality inequality, English/Welsh adults/infants; social class, occupation; national statistical data; 1921-1972; Q8046
occupational changes, India; regional variations, urbanization; quantitative analysis; S18577

occupational classificatory schemes, socioeconomic indexes; census data; Q4676
occupational/industrial structure differentiation, rural vs urban areas; employment growth; US population censuses, 1970/1980; Mississippi; S18823
research professors, higher education, Quebec, labor organization forms; S17648
unemployment rate sensitivity, gender differences; male/female industrial distributions; statistics; Q5098
wage/occupational level; industrial sector; interviews; Comprehensive Employment & Training Act participants; Q5083

Occupations
divorce propensity; occupation; Q5372
drinking/occupation/SC relationship, New Zealand males; survey; Q6109
future job market, new technologies' impact, forecasting methodology; US Bureau of Labor Statistics; Q5385
job earnings; monetary/personnel resources control; interviews; residents, Illinois; Q5388
job involvement; age; panel data; Q5377
men's early retirement; occupational characteristics; longitudinal interview survey; Q8076
occupational inequality trends, men/women, blacks/whites; S. Lieberson's Index of Net Difference, US Census data; Q5346
vocation notion, Max Weber's/Sigmund Freud's thought; Q4766
work histories, college football coaches, survival/mobility; Q9924

Oedipal Complex
Oedipal themes, Percy Bysshe/Mary Shelley's lives/literature; biography, textual analysis; Q6800

Offenders
armed robber typology; case studies; Montreal, Quebec; Q6181
child's subsequent criminal behavior; parent-child interaction; questionnaires; student offenders; Q7570
criminal career abandonment; prison, criminal lifestyle; interviews; Montreal, Quebec; Q6194
criminal career, mid-life abandonment; interviews; former/imprisoned career offenders; Q8893
criminal choice process, deterrence factors, older offenders; individual-level data; S18900
criminal convictions, France, social characteristics, sanctions variation, penal justice impartiality; 1978 statistics; Q4373
criminal violence; childhood animal cruelty; interviews; Kansas, Connecticut; Q4875
drunk drivers' past criminal records; random selection; Massachusetts; Q6178
elderly offenders as ideological invention; Federal Bureau of Investigation data; Q6162
imprisoned property offenders, emotionality/criminal behavior; interviews; Q3101
imprisonment, Groote Eylandt, Australia, deterrence impact; Q8417
legal punishment, men's vs women's attitudes; statistics; Q9184
mentally ill offenders, forensic psychiatric institutions, types/characteristics/treatment/management; Q8824
mentally ill prison inmates, available programs/guidelines; interviews; prison staff, other authorities; Q8428
mentally ill, crime patterns; observation; police-citizen encounters; Q6098
mentally ill, Scandinavia, civil/criminal commitment; Q8400
nonfamily criminal activity, adult offenders; parental vs parent-child conflict; scales; Q8923
offender-law/psychology student social distance; sex vs attitude differences; attitude scales; Q9467
political vs ordinary offenders, theoretical/policy implications; S19206
pre-/post conviction decisions; offender's sex; probation file data; Hennepin County, Minnesota; Q8391
protracted imprisonment, dangerous criminals, policy debate; Q6910
psychosocial maladjustment/alcohol abuse/criminality, white vs native Alaskan criminal offenders; rapid cultural change; clinical files, court data; R0770
sentencing decisions, judicial consistency/bias; case records; legal-aid clients; R0862
sex offenders vs informants as prison outcasts, status/norm boundaries; interviews; prison inmates, Sweden; Q7566
socially privileged offenders, criminogeneous factors; self-reports; students; Q3656
therapeutic group, female offenders, development/rationale/outcomes; Q8437
victim/criminal reconciliation, encounter models; Q5684
violence, offender justification; case records; incarcerated males, New York; Q7096
violent criminal behavior, Erving Goffman's "character contest" notion critiqued; Q4372
violent offenders, abnormal brain asymmetries, delinquent populations; Cesare Lombroso's early theories; Q7102
young aboriginal offenders' overrepresentation, South Australian criminal justice system; statistics; Q8950

Office Automation
career enhancement, men/women; office computerization; questionnaire; Q8498
gender relations, workplace; office automation's effects; Q7729
labor process, clerical office work; word processor; S18751
office modernization, sociopsychological/economic effects; Q5121

Ohio
farms, agricultural capital circulation; information technology adoption; Ohio, Michigan; S18829
financial problems, nonmetropolitan jurisdictions, elected leader's perceptions; questionnaire; Ohio; Q9950
human capital characteristics, employed vs unemployed primary income earners; Ohio; S17463
infant mortality trends; socioeconomic status; census data; Dayton/Columbus/Toledo, Ohio; Q4083
local public officials, reelection decision predictors; social learning theory model; Ohio; Q9969
marital division of labor, husbands'/wives' expectations/perceptions/performance; interviews; Hamilton County, Ohio; R0628
proscribed behavior, Ohio, social values; penalty statutes; cluster analysis; S17507
rape precipitants, anger/violence; official files, questionnaires; youth offenders, Ohio correctional institutions; Q4512
slavery opposition, African Colonization Society, Ohio; 19th century; Q9854
specific/global self-esteem; identity evaluations; scales; sixth-graders, Ohio; Q9482
surveys, response alternative ordering, primary vs recency effects; telephone interviews; Summit County, Ohio; Q7248
urban public school closings, Ohio, population ecology framework; S17482

Oklahoma
Amish community, Oklahoma, cultural maintenance/survival strategies; participant observation; Q5639
community growth/change, simulation model; R0979
delinquent adolescents, services continuum program, small group experience; case study; Oklahoma; Q8942
depression; gender differences, personality traits, marital status; questionnaires; residents, Oklahoma City, Oklahoma; Q9192
Employee Counseling Program, Oklahoma Natural Gas, evaluation model; R0894
political corruption, public attitudes; telephone interviews; registered voters, Oklahoma; Q8919
prison/correctional system, Oklahoma, 1967-1983; R0411
rural water systems, pricing strategies, evaluation model; surveys; Oklahoma; Q9290
women's roles/employment, Oklahoma oil town; energy resource development; fieldwork; Q5187

Olympic Games
1984 Olympic Games, athletic success; countries' socioeconomic development; Los Angeles, California; Q5260
international sports, ideological vs operational concepts; semantic differential pilot study; Q3491

Oman
water ownership, Sharqiya oasis, Oman; historical study; Q5055

Only Children
children's quality of life, single vs multiple-child families; survey data; Changsha, Hunan Province, China; Q4107
single childedness rates, communist countries; *UN Demographic Yearbook*/World Fertility Survey/national census data; 1970-1982; Q7012

Ontario
adolescent pregnancy/fatherhood, adolescent males' attitudes; questionnaires; Kitchener-Waterloo area, Ontario; Q5970
baby boomers/1900 generation compared, Hamilton, Ontario; life histories; S18637
career/personal lives, middle-/senior-management women, Quebec/Ontario; S19140
child abuse, natural vs stepparent families; telephone survey; Hamilton, Ontario; Q5790
code switching, Ontarian French speakers, intra-/intercommunity patterns; observed/taped speech acts; bilingual adolescents, Ontario; S17983
delinquency/drug use, predictive factors, training school male delinquents; personality/ability tests, longitudinal data; Ontario; R0903

drug use; religiosity; adolescents; Ontario; Q4316
family headship, authority attributions/variations; interviews, questionnaires; adults, Hamilton, Ontario; R0652
lifestyle satisfaction; recession; representative sample telephone interviews; citizens, Windsor, Ontario; S18252
living arrangements, noninstitutionalized elderly, determinant factors; interviews; London, Ontario; Q8910
marital quality/satisfaction/support, medical interns/residents; survey; Ontario; S19081
parent-child relationships; life events; interviews; Hamilton, Ontario; S18233
political party support; social class/status; election returns, census; Ontario; ecological analysis; Q7969
suicide rates; age differences; statistics; Ontario; 1881-1971; R0490
uneven agricultural development, Canada, historical perspective; Ontario, Maritime provinces; Q5438
urban evolution/development, Guelph, Ontario, interdisciplinary approach; demographic data analysis, 1864-1970; Q4438
women's municipal office election rates, London, Ontario; election data; Q3562

Ontology
alienation, ontology/sociology/history dialectical framework; S17894
sociology of knowledge as intellectual/social crisis response; case examples; S17711

Operational Definitions
poverty, absolute vs relative/subjective vs objective approaches; R1052

Opiates
opiate addiction treatment programs, client progress; service technologies, organizational structure/goals; Q7071
opioid users, drug-taking careers; interviews; addicts, GB; R0779

Opinion Polls
collegiate football, Associated Press poll ranking changes, 1968-1984, Vilfredo Pareto's elites' circulation concept; Q3499
perceived most important problem, regional/community/personal trends; public opinion polls; Q3448
political polling/forecasting, Jamaica; Q5325
political public opinion polls, Sweden, media industry's handling; SIFO content analyses; newspaper editorials; Q3460
public concern trends; Gallup Poll; 1935-1984; Q3447

Opportunities
independence opportunities; sex, sibling structure; preschool children; S17525
migration flows, opportunities' spatial distribution; 1970 Public Use Sample data; Q4066
political participation, elderly, US, opportunity structures; survey; S17524

Oppression
atomization, political oppression, Eastern Europe, routine resistance advantageous political outcomes; S18463
civil rights movement, US, Third World/subsequent social movement linkages; Q9858
Hinduism, India; socially oppressive aspects; S18220
minority persecution, Middle East; Q7602
oppresseds' personal narratives, political meanings, middle class sociological understandings; S17645
power-oppression, traditional middle class male/female relationships; Q7204
racial/gender/social class oppression; political aspects, Turkish immigrants; female community mediators; West Germany, Netherlands; S18202
religious/political liberation, Malaysia; Muslim oppression, Islamic party formation; S18576
sexual/social class oppression, white women; personal/societal definitions; Q9145
spiritual domination by religious leaders as class oppression; S18350

Oral History
Chinese Canadians' oral history, data validity/interpretation; case history; Q4972
cultural myths/legends, individual/larger society relationship, content analysis method; case studies; S18417
folkstory performance tradition, US Virgin Islands; videotape transcriptions; Q9610
oral history; interview; Q9262

Ordinal Measurement
ordinal data, measurement errors; Q2929
ordinal ranking model, J. G. Kemeny/L. J. Snell preference strength inclusion/distance function; Q9272
ordinal variables/causal models, Spearman statistics' properties; Q9284
statistical testing, probabilistic measurement; Q9279

Oregon
Aid to Families with Dependent Children recipients, Oregon; federal/state welfare policy changes; Q9084
insanity defense acquitees, postadjudication management, Oregon's Psychiatric Security Review Board; Q8403

Organ Transplantation
The Wonderful Wizard of Oz by Lyman Frank Baum, heart transplant allegory; Q8230

Organization Size
administrative occupational structure; system size; census; US; S17530
international governmental organizations, open- vs closed-system perspectives; Q9734
interorganizational cooperation/competition, human service networks; organizational size/structure; interviews; Lansing/Kalamazoo, Michigan; 1972, 1979; Q6630
land-grant colleges/universities; organizational size; statistics; Q9749
metropolitan earnings inequality, Harold F. Lydall's managerial hierarchy theory; establishment size/numbers; census; Q5089
organization size/differentiation; Q5134
professional gazette reading, agricultural cooperative workers; organizational size, communication facilities; questionnaire survey; NŌKYO gazette editors, Aichi Prefecture, Japan; S18692
stress & alienation; organization size; New Jersey-Wisconsin Survey of Industrial Workers data; production workers; S18546
worker participation schemes, cross-organizational variance; organizational production/size/structure management variables; structural contingency framework; cross-national comparison; S17602

Organization Theory
autopoiesis concept, sociological use, Niklas Luhmann; Q2967
metropolitan earnings inequality, Harold F. Lydall's managerial hierarchy theory; establishment size/numbers; census; Q5089
organization theory, conceptual strategies, Carnegie school's vs Jürgen Habermas's approaches; Q7757
organization theory/its development; S18630
organization/environment relationship, Latin American development; Q9744
organizational analyses, critical perspectives, Swedish "wage-earners' funds" proposals; S17759
organizational ecology, evolutionist vs neoclassical economist theories; Q9743
organizational efficiency, institutional environmental influences; Q7758
organizational forms, modern conceptions, discontinuity vs dynamic approach; Q6623
organizational structure, cooperative interactions; S18620
organizational theory, interactional study, methodological problems; Q5124
organizational theory, model/typology persistence, label transcience, practitioners' demands; S18150
religious participation, church-sect theory, rational-choice model; secondary data; S19016
social control communication, mass media, Erving Goffman's total institutions concept; S18951
social development regulation, interorganizational approach; Q9746
vicious circles, organizations, action theory/cybernetic concepts; Q5129

Organizational Behavior
applied behavioral sciences, Bell Laboratories, customer-/employee-oriented traditions; Q4744
complex organizations' decision-making, symbolic interactionist vs negotiated order theory; case study; academic sabbatical leave committee; Q4845
direct-selling industry, organization deviance; case study; Amway Corporation; Q9732
disaster response, US/Sweden, emergent group/organizational behavior; R1038
hospital organizational behavior; public vs voluntary nonprofit sector funding; survey; England, Wales; 1938; Q6028
leadership patterns/strategies; social structure's authority/belief system; S18956
nonprofit organizations, Minneapolis-St. Paul, Minnesota; funding crisis; research data; 1980, 1984; S17891
organizational behavior research, People's Republic of China; S18320
organizational behavior/language use, content analysis approach; Q5495
organizational change/survival, voluntary social services; S18566
organizational politicization/conflict; inconsistent environments/structures/processes/outputs; S17699
organizational subcultures' rules/unprescribed conduct, prospective rationality, industrial sector/state relationship; participant observa-

tion, interviews, administrative reports; US criminal justice/eductional systems vs Polish industrial institutions; S18679
organizational theory, interactional study, methodological problems; Q5124
Protestant ecumenical activities, organizational characteristics; Q3891
public service art, organizational dynamics/politics; videotapes, participant observation, surveys, questionnaires; Artists-in-Residence program, Chicago, Illinois; Q5450
social science research utilization, policy decisions, state correctional department; case study, structured interviews, agency records; Q6905
Watergate/presidential scandals, US, deviant staff behavior, organizational explanation; Q3526

Organizational Change
bureaucratic/social change, large enterprises, France; interviews, questionnaires, participant observation; S19130
Catholic women's orders, US, structural change; survey; R0328
college's organizational decline/death, critical conditions; interviews/documents, media; Q5140
conference design, Norway, democratic elements/procedures; Q7687
formal organizational structural/environmental variation, ecosystem analogy; S17660
hospital as open system, environmental influences; patient records; Lisbon, Portugal; R0743
industrial cooperatives, merger history; Hungarian perspective; Q7766
industrial research/development, corporate transformations; Q9727
knowledge distribution, rapid organization change conditions, *Gemeinschaft & Gessellschaft* concepts; ethnographic case study; bank holding company; Q9729
military organization/orientation change, alternative formulation; Q7751
organizational change, management strategies, worker representation issues; Q5073
organizational change, new computer technology's role; qualitative data; S18932
organizational change/survival, voluntary social services; S18566
organizational development, centralization bureaucratization; case study; Socialist Worker's Party, GB; Q6634
organizational evolution/control, Catholic Church; 1950s-1980s; Q8342
organizational mobility, labor-management relations, Japan; Q6628
organizational network disintegration, communication aspects; Q5151
organizational regeneration, political implications, affirmative action programs; 1980 national surveys; Q6629
organizational theory, model/typology persistence, label transcience, practitioners' demands; S18150
organizational/social change, Catholic Church, 'contested accommodation' concept; Q8354
population perspective; resource distribution, trade association's organizational development/collective action; US, Germany; 19th/20th centuries; Q5136
pro-choice abortion movement, organizational dynamics/development/strategies; documents, news articles, interviews; US/Illinois; R0700
productive organizational modes, Portuguese industrial producer cooperative; direct observation, documents, structured interviews; S17620
technocratic structures concept, historical/ideological background/limitations; Q5139
worker alienation/productivity; organizational-level interventions; Third World countries; S18605

Organizational Commitment
commitment, voluntary organizations; social linkages; mail questionnaire survey; Southern Baptists; Q3368
organizational commitment, male-dominated profession; gender; questionnaire; accountants, Canada/California; Q8050
organizational commitment/work satisfaction, Japanese vs US workers, corporatist theory; interviews, questionnaires; Q6607
research choice, organizational priorities; research data; senior/middle-level agricultural scientists; S17889

Organizational Culture
authority relationships/attribution, bureaucratic organizations, collective meaning; fieldwork; Bell Telephone company; Q9223
denominational mergers, organizational identity issue; Scotland/Canada/Australia; S17664
humor/jokes, organizational culture maintenance; ethnographic fieldwork; manufacturing bakery, GB; Q6624
industrial enterprises, organizational structure/culture, rationality/reality dilemma; Q5162
institutional cultures, criminal justice, graffiti as research tool; Q7245
organizational "crawlspace," organizational differences/influences; Q7761
organizational cultural identity, creation/change; Q9725
organizational culture/symbolism, corporatism, sociological interest; Q9752
organizational values/sex-role attitudes, recent college graduates, gender/major study field differences; Q5849
religious orders/movements, organizational crisis; Q6851
sociotechnical system analysis/design, evolving organizations; S18653
technical intelligentsia, advanced capitalist societies, professional/organizational cultures; S17826
work vs organization alienation, India; S18092

Organizational Development
bureaucratic organizational development patterns, structural dimensions; Q5122
direct/indirect administrative components; organizational growth/decline; university records; University of Toronto; Q3351
employment/organizational patterns, economic growth, US firms; high technology, education/training; Q8509
federally funded community mental health centers, performance/development/organization; survey data; Q7062
industrial enterprises, organizational structure/culture, rationality/reality dilemma; Q5162
innovation adoption, large firms, planning strategies/approaches; US/Japan/Europe; Q9742
innovation intensification processes, organizational structure/methods, innovative games; industrial/nonproductive organizations, USSR; S18157
intellectualization of production, technology/organization relationship; automatization, computers; Q7743
Japan-based research/development facilities, US computer firms, establishment/management; Q9756
management/social technology, cybernetics application; R0480
medical group practices' structural characteristics; questionnaires; directors; Q5128
organization development/effectiveness; performance expectations; Q9722
organizational development, team-building intervention, alignment vs conventional theory; experiment; business students/managers, Los Angeles, California; Q9738
organizational genesis, preexisting organizations as resources; case study; Q7774
proactive sexual assault treatment agencies, voluntaristic/personal practices, structural persistence; survey; Q6429
sociotechnical system analysis/design, evolving organizations; S18653

Organizational Effectiveness
dependent organizations' structure/administrative size; organization characteristics, urban environment; performing arts organizations, US large cities; S17666
efficiency, business firms, capitalist vs socialist societies; case studies; US, Hungary; Q6649
federally funded community mental health centers, performance/development/organization; survey data; Q7062
human service organizations' structure, professional effectiveness, client control; sociotechnical approach; S18654
internal efficiency, West German companies; labor decision-making participation; Q7702
interorganizational collaborative problem solving, facilitative conditions; Q5127
leadership attributions; performance outcome; archival/experimental studies; undergraduates; Q4906
newspaper industry's organizational structure/performance levels; task vs institutional environmental variables; historical data; San Francisco/Oakland/San Jose, California; Q5161
opiate addiction treatment programs, client progress; service technologies, organizational structure/goals; Q7071
organization development/effectiveness; performance expectations; Q9722
organizational effectiveness, governmental agencies, assessment measure proposed; Canada; Q7765
organizational effectiveness, third sector human service organizations; process intervention; demographic data, survey; Mississippi Conference, United Methodist Church case study; Q6859
organizational politicization/conflict; inconsistent environments/structures/processes/outputs; S17699
research/development units' effectiveness, India; work climate perceptions; International Comparative Study on the Organization & Performance of Research Units; S18570
work alienation, developing countries; organizational/institutional decay/ineffectiveness; S18098

Organizational Power
academic women, empowerment strategies, patron system; Q5567

corporate management's internal relations politization, labor alienation; labor process rationalization; S18655
criminological theories/practices, plea bargaining/diversion processes; organizational constraints; Q7101
management political skills, company training programs; R0124
power, interorganizational network; environmental/extra-network linkages; mail survey; farm supply manufacturer/dealers; Q6632
research choice, organizational priorities; research data; senior/middle-level agricultural scientists; S17889
technocracy, organizational control structure, historical/contemporary development; S18890

Organizational Research
hospital internal structure, external market structure; industrial models criticized; Q6038
multivariate longitudinal organizational data, three-mode principal component analysis; Dutch hospital data; Q2926
organization studies, time conceptions; case studies; Q9726
organizational analysis, power/control factors; Q5137
organizational division of labor, research issues; literature review, 1958-1981; Q4799
organizational forms, modern conceptions, discontinuity vs dynamic approach; Q6623
organizational research/sociology, time/structure theories; Q5123
organizational structure measurement, short scales, Aston studies reanalyzed; Q2892
primary/secondary schools, centralized/decentralized authority, loose coupling concept; Q3847
social organization model, social activities taxonomy; University of Cincinnati, Ohio; S17487
urban public school closings, Ohio, population ecology framework; S17482
work organization research, grounded theory approach/strategies; Q9736

Organizational Sociology
cognitive differences, computer software firm employees; network positions; case study; Q5152
management/general administration founding, Henri Fayol's role; 1841-1925; Q7768
organizational research/sociology, time/structure theories; Q5123
sociology of work/organizations, trends/paradigms; Q9652

Organizational Structure
external funding, academic/nonacademic research, organizational/environmental effects; R0459
institutional/occupational format, armed services; Q7750
intervention strategies, labor-management committee; interorganizational network structure; mail survey; New York; Q9762
labor market segmentation, West Germany; organizational size/social class/industrial segmentation structural theories; national survey data; Q9644
life insurance organizations, failure rates, 1881-1931; regulatory changes; event histories; S19038
mass student movement organizations/sects, dynamics/dilemmas; Q7857
member participation, food cooperatives; organizational ideology/structures/processes; interviews; Minneapolis/St. Paul, Minnesota, 1977/78; Q9717
organization structure analysis, blockmodeling methodology; Q9740
organizational efficiency, institutional environmental influences; Q7758
organizational forms, modern conceptions, discontinuity vs dynamic approach; Q6623
trade unions, Italy, organization problems; Q9735
voluntary leisure service organizations, contextual/structural variables; Q9895
work relationships improvement, organizational interdependence model; questionnaire, interviews; employees; Q7771

Organizations (Groups)
ambiguous/risk conditions, organizational behavior; case study; office, Binghamton, New York; Q8742
budgetary decisions, human agency/social structure problem, major research perspectives; Q3051
burnout, human service workers; role structure; questionnaires; mental health/rehabilitation center staff members, Canada; R0105
elite organizational deviance, white-collar crime, C. Wright Mills's paradigm, humanist criminology issues; Q7770
human resources management; Q6622
informal structure, organizations, inductive characterization method; secondary data; high school students; Q5141
information technology/work, efficiency vs effectiveness, organizational context; Q5736
organizational analysis, power/control factors; Q5137
organizational "crawlspace," organizational differences/influences; Q7761
organizational crime; organizational properties; E. H. Sutherland's "white-collar crime" concept criticized; Q7099
organizational development, team-building intervention, alignment vs conventional theory; experiment; business students/managers, Los Angeles, California; Q9738
organizational socialization; network structure; questionnaires; Protestant church members; Q9765
organizational/individual goals, integrative model; Q7767
political participation, voluntary association participation; S18992
work organizations, group sex composition, structural-normative model; Q5091

Oriental Languages
Japanese-Korean speech contacts, sociopolitical background, loanwords; Q6792

Orientation
national identity issue, West German youth; Q5304

Orwell, George
1984 by George Orwell, political/social predictions; Q9981
Orwell, George, *1984*, bourgeois/socialist utopias; Q3834
Orwell, George, *1984*, contemporary analogies; Q3832
Orwell, George, *1984*; retrospective critique; Q3831
totalitarianism, sociopolitical analysis, George Orwell's contribution; Q7963

Overpopulation
migrant overcongestion, Delhi, India; planning strategies; S18441

Ownership
computer programs, property rights issue; Q8502

Pacifism
alienation vs violence as emotional reaction, suicide/nonviolence/pacifism strategies; S18047
Catholic Worker Movement, US, emergence/development/adaptation processes; archival records, interviews, fieldwork, secondary data; Q7848
pacifism, values, Weberian analysis; Q3422

Paganism
deistic/political pluralism, Rome; Q3935
idolatry/polytheism concepts' origins; Q3937
Mardi Gras/Carnival festivals/rituals, Catholic countries; Q9609
polytheism, 6th-century Greece, Orphics' belief; Q3895

Pain
chronic back pain, sociological factors; compensation claim cases; S18941
first coital pain, women; noncoital sexual experiences, partner's attitude; questionnaires; college students; Q5892
patient suffering, doctor responsibility/response, philosophical/ethical issues; R0742

Pakistan
contemporary intellectual scene, Pakistan; S17866
Islamization ideology, Pakistan, social/political explanation; Q7800
"maldevelopment," foreign aid/development effects, developing countries; empirical data; India/Pakistan/Bangladesh; S17739
Muslim assimilation, Nepal/India/Pakistan caste societies; Q3627
village solidarity, Muslims, Pakistan; family/fraternal clans affiliations; inteviews; household heads, Chakpur village Punjab; Q9600

Palestinians
social organization/dismemberment, Palestinian village; agrarian regime; Q3248

Panama
group farming adoption; aquacultural pilot projects, Panama; Q3734
physician training, University of Panama; field study; R0755
political/social problems, Panama, historical antecedents; R0013

Panel Data
migration research, panel data adequacy; National Longitudinal Survey; youth cohort; Q5774

Papua New Guinea
aging, dying, Papua New Guinea; modern medical technology; Q4342
agricultural development, Papua New Guinea; S18297
deathbed sorcery accusation, Maya people, Madang Province, New Guinea, social change issues; case study; Q9783
dispute settlement procedures, Papua New Guinea Highlands, anthropological "social control" interpretation; Q8409
drinking behavior/attitudes/stereotypes, adolescents, Papua New Guinea/Australia/US; questionnaire surveys; Q5877

homosexual behavior, Papua New Guinea, cultural explanation; secondary ethnographic data; Q7640
independence constitutions, Papua New Guinea/Solomon Islands/Vanuata, land legislation issues; Q6875
inter-/intrapopulation migration, Gidra, Papua New Guinea; field data; Q5762
kinship terminology/classification, Foi, Papua New Guinea; Q9605
labor relations, colonial Papua New Guinea; native cargo cult practices, social relations of production influences; S17703
land dispute mediation, Agarabi people, Papua New Guinea; Q4010
reproduction/pollution beliefs, Gimi people, Papua New Guinea; fieldwork; R0599
Tchambali culture, Papua New Guinea, anthropologist's fieldwork problems; Q7665

Paradigms
new social movements, classical vs resource mobilization vs identity-oriented paradigms; Q7852
philosophy of science, qualitative paradigm's epistemological status; Q7221
social science research, scientific paradigm; Q7218

Paraguay
agricultural commercialization, Paraguay, rural proletariat emergence; official statistics, independent analyses; S18323
demographic/fertility characteristics, Paraguayan women; survey; Q5780
economic development, Paraguay, agriculture construction/ currency overvaluation; Q9771
Guarani vs Spanish, teacher preference, Paraguay primary schools; field study data/survey; third graders/teachers/principals; Q6779
historical demographic structure, Curuguaty, Paraguay; government records, 1716 census; Q5740
hunters' "limited needs"/optimal foraging, anthropological postulates tested; field research; Paraguay; Q5053
Jesuit regime, Paraguay, 1585-1848; R0332
Paraguayan 1904 revolution, socioeconomic roots/British reaction; Q9967
Paraguayan economy; 1983; Q5168
Paraguayan history, 1780 Jesuit chronicle; Q9439
social/economic/political issues, Paraguay; annotated bibliography; Q9443
subsistence activities, men's time allocation, Ache hunter-gatherers, Paraguay; fieldwork; Q3273
women's work/nonwork activities; field research; Argentina/Paraguay; S18738

Parameters (Statistics)
two-sample location problem, parametric vs nonparametric procedures; Q9277

Paranoia
depression vs paranoia, sex differences; Q4297
paranoid beliefs, cognitively impaired individuals; suspiciousness/mistrustfulness; survey questionnaire; Anglos/Mexican Americans/Mexicans, El Paso, Texas/Juarez, Mexico; Q4301

Paraprofessional Workers
employment status, self-perceptions, paraprofessional women; support, opportunities; questionnaires; Expanded Food & Nutrition Education Program, New York; Q6752
"new class" orientation, nurses vs semiprofessionals/professionals; surveys; Q6759

Parapsychology
altered mind/body perception, forms/treatment; R0766
extraterrestrial beliefs, lexicological developments, religious/materialistic/scientific meanings; 19th-/20th-century France; R0453
paranormal phenomena, philosophy of science; Q5723
paranormal phenomena/scientific beliefs; religious beliefs, family status, cultural level; public opinion survey; France; R0429
paranormal scientific claims, media's role; case studies; Q5231
parapsychology as science, phenomenogical analysis; Q8477
parasciences, cultural legitimacy; journal/promotional proceedings review; R0432
phrenology, human gullibility; Q5622
psychic abilities, empirical evidence, Russel Targ's/Keith Harary's *Mind Race: Understanding and Using Psychic Abilities*; book review essay; Q6227
science/pseudoscience distinction, labeling effect; Q5725

Parent Child Relations
abused children/their parents, GB, epidemiological analysis; official register data; Q8562
adjustment, parent/child interactions, Indian immigrants; North American migration; South Asian youth, Calgary, Alberta; S18141
adolescent abuse, methodological considerations; S17541
adolescent abuse/neglect, family crisis/coping ability, intervention strategies; Q5833
adolescent alcohol use, parents'/teachers'/students' causal attributions/intervention strategies; questionnaires; R0781
adolescent delinquency; self-concept, parents/teachers/peer relations; questionnaires, Rosenberg Self-Esteem scale; tenth grade public/parochial school students, midwestern US; Q7110
adolescent drug use, parental/peer influences; questionnaire survey; longitudinal study; Q4130
adolescent media behavior, parental/peer influence; R0570
adolescent "punk" group appearance, peer group/family acceptance; fairy tales/biographical anecdotes reference; Q5864
adolescent sibling psychological adjustment; parental treatment, sibling/peer relationships; telephone interviews; US; Q4857
adolescents' external compliance/internalized conformity; parental power/behavior variables; self-reports, observation; families; Q5853
adolescents' self-esteem; perceived parental behavior; inventories; R0584
adult children, parental household residence; literature review; Q5823
adult children's support, aging parents' perceptions; interviews; Q5898
adult male-child bond, species-characteristic behavior; observations; R0545
adult psychological/sexual adjustment; childhood sexual abuse, family background; questionnaire, adjustment scales; college students; Q9122
adult sibling relationships; elderly parents care responsibilities; interviews; sisters; S18244
adult-child interaction, research paradigms; R0217
assertive/aggressive behavior, children aged 3; parental values/behavior, child temperament; questionnaires, scale; R0675
attitude expression/DK response rates, intergenerational transmission; political action study; parent-child pairs; Q3444
authoritarian parenting style, determinants, docile vs resistant childhood conflict style; semi-structured interviews; Q6995
behavioral/social maladjustment, school-age boys, family violence victims vs witnesses; questionnaires; mothers; Q9092
birth control socialization/discussion avoidance, parents-adolescent triads; observations, questionnaire; Q4149
child abuse, Munchausen syndrome by proxy (parental disorder fabrication), diagnostic guidelines, clinical/legal actions; Q9220
child care arrangements, two-parent families, father involvement; interviews; R0648
child maltreatment; adolescent childbearing; secondary analysis, official data; county agencies; Q5802
child sexual abuse, family loyalty vs betrayal conflict; interviews; R0615
child sexual abuse, family relationships, psychological symptomology; psychological evaluations, checklists; abused children, parents; Q9221
child trait qualities, adult preferences, 1920s vs 1978; Middletown studies; S18952
child/parent/teacher/institution relationship, music lessons; ethnographic/material/technique analysis; S17987
children's behavior; fathers' subjective work experience; questionnaires; Johannesburg, South Africa; R0547
children's educational aspirations/attainments parental influence; secondary survey data; S18975
children's psychological adjustment; marital disruption, father figure's presence/type; interview questionnaire; mothers; longitudinal analysis; Q5971
children's psychosocial well-being; parenting behavior post-economic decline; longitudinal data; Depression-era families; Q5792
children's rights; paternalistic attitudes/practices; Q5810
children's situation, Mexico, material limitations; S19221
child's illness emergency, parents' roles, Israel; survey; fathers, mothers; Q4187
child's sexual identity/social adjustment/subsequent parenting behavior; parental behavior; interviews; parents; S17814
child's subsequent criminal behavior; parent-child interaction; questionnaires; student offenders; Q7570
daughters' marijuana use, mother/peer group context; father's impact; questionnaires; college females, fathers; Q4115
daughters vs sons, middle-class fathers' expectations/attitudes; social change; interviews; Q8664
diabetic children, family functioning; communication patterns; videotaped interactions; R1159
disabled adolescents, parental coping/regrieving processes; interviews; R0754
divorcing daughters, parental support; interviews; S19039

drug-use orientation/involvement, rural children; parent-child/peer relations; 2-wave panel data; R0832
early life transitions, adolescents, planning/timing; parental/other influences; quesionnaires, interviews; Q6962
educational/occupational/expectations/aspirations, parental influence, Upward Bound Program students; questionnaire; Q5565
extended family household, rural Serbia (Yugoslavia), father-son dyad; temporal processes; case study; 1832-1978; Q5937
extraordinary talent development, children; home environment; interviews; parents; Q9512
family case studies, qualitative analysis methodology; interviews; S18996
family functioning/parent-adolescent relationship, first-marriage- vs stepfamilies; questionnaires; Q5966
family interactions; neonatal intervention program; experiment; Q5902
family planning clinics, parental involvement; random telephone survey; Title X-funded family planning agencies; Q5926
family power/decision making, Portuguese women; "marbles test"; Algarve rural community; Q7171
family system, children's/youth's socialization; parental unemployment; Q5867
father-child relationships, professional/popular literature conceptions, US; surveys; cross-cultural comparison, 1974-1981; Q9189
father-daughter incest, mothers' family roles; interviews; ethnographic study; Q6994
fathers' early/extended infant contact, birth attendance; literature review; Q5963
first sexual intercourse, delinquency, adolescent females vs males; parental marital status changes; panel study; junior high school students; S19058
frail infants, life-support requirements, parental decision making, ethical issues; participant observation; R0744
high-risk children/emotionally disturbed parents, prevention/intervention strategies; Q7057
Holocaust-related knowledge, survivors' children; questionnaire; adult Jews, Montreal, Quebec; Q9514
increased paternal involvement, marriage/family implications; R0634
infant survival, Brazilian shantytown; maternal attitudes/child rearing practices; Q6588
leaving home, declining age trend; sample data; 1920-1979; adults; Q6960
male patricide offenders, prior psychoses; case study, hospital records; Bellevue, New York; Q6183
marital relationship/parenting effectiveness, Latino women's perceptions; employment status; questionnaires, interviews; Q9688
mothers' stress perceptions; children's growth problem/gender, previous high stress events; mail survey; Human Growth Foundation members; Q6952
newborn's intensive care unit placement, family impact; interviews; mothers; Q7167
noncustodial fathers, visitation patterns/quality; interviews; Q4185
nonfamily criminal activity, adult offenders; parental vs parent-child conflict; scales; Q8923
occupational expectations, secondary school students, Trinidad/Tobago; parental/peer/educational/socioeconomic influences; questionnaire survey; Q5520
offspring career choice; parents' professional background; survey questionnaire; Q3690
older parents/middle-aged children, intergenerational relationship; interviews; Q6996
only-child families, China, characteristics/formation; case studies, survey; S19136
own vs children's illness, mothers' responses/behavior; secondary survey data; Q8731
parent attitudes/behavior, adolescents as socialization agents; questionnaire; mothers, fathers; Q5992
parent-adolescent children conflicts, maternal-paternal differences; Family Roles Inventory; North Carolina; R0577
parent-adolescent relationship assessment, Areas of Change Questionnaire adaptation; Q7199
parent-child interaction, women's vs men's thinking; experiment; Q8679
parent-child interactions; child's gender; observations; Q8706
parent-child relationship, child development; male vs female single parents; questionnaire; S19076
parent-child relationships, India; social class; interviews; children, Uttar Pradesh; Q4198
parent-child relationships; life events; interviews; Hamilton, Ontario; S18233
parent-youth conflict, male vs female adolescents; questionnaire; freshmen, midwestern US; R0632
parent/peer compliance, preadolescents; questionnaire; Q5870
parent/university student attitudinal agreement, religious/nonreligious issues; questionnaire; Waterloo, Ontario; Q3910
parental acceptance/rejection, psychosocial functioning, adolescent substance abusers vs nonabusers; R0784
parental bonding/sex-role identification relationship; divorce; questionnaires; males; Q4196
parental satisfaction, black US mothers; marital status, family/household structure; demographic/interview data; Q4158
parenting/homemaking experiences, single fathers; questionnaire; Q7013
perceived filial responsibility/affection levels, rural adult children of aged parents; questionnaire; R0633
postdivorce mother-child relationship; child's age/gender, time since separation; videotapes; Q4099
prosocial television portrayals, children's modeling; parental inductive/sensitizing disciplinary style; field survey; mother-child pairs; Q4098
racial identity formation, mental health, racially mixed children; interviews; black American/Japanese mixed families, Kansas, Maryland, Michigan; S18660
religious practice decline, adolescents; age, parental control/religiosity; Baptists/Catholics/mainline Protestants; Q3929
returning young adult syndrome, middle-class families, US; S19088
self-esteem, daughters; parental discord/separation; questionnaire; undergraduates; R0585
sex-typed play behavior, children aged 1-2; parental toy choice/reinforcement; videotaped experiment; Caucasian, middle-class families; Q5791
social behavior/world, Scottish youth; parental vs peer influence; longitudinal interview/questionnaire data; R0594
social support, grandchild-grandparent relationship; parental divorce/remarriage; questionnaire; female undergraduates; R0614
suicide by shooting/self-poisoning, children under age 10, environmental/family/personality similarities; case histories; Q4206
teenagers' driving experience; parental influence; questionnaire; high school students, US; Q4138
transition to adulthood, work/family roles; panel study; male college students; 1962/63 to 1976; S18301
unresolved parental emotional attachment/cut off, adults; intergenerational contact frequency/quality; questionnaire; asymptomatic/symptomatic married couples; Q6999
value transmission, parents'/children's relations; social stratification position; interviews; families, US/Poland; Q6734
work values, students/their fathers, Haifa, Israel, statistical analysis; survey; Q7262
young adults in parental household; 1980 census data; research review; Q6961
young adults' status aspirations; paternal/maternal status; questionnaires; university students; Q5347

Parental Attitudes

adolescent alcohol use, parents'/teachers'/students' causal attributions/intervention strategies; questionnaires; R0781
assertive/aggressive behavior, children aged 3; parental values/behavior, child temperament; questionnaires, scale; R0675
child trait qualities, adult preferences, 1920s vs 1978; Middletown studies; S18952
children's masturbation, parental attitudes/responses; parent/child gender differences, parental education/church attendance/sexual attitudes; questionnaires; Q5886
children's sexual behavior, South African Indians' attitudes; Likert-scale questionnaire; S18224
children's social competence development, parental rankings, Japanese- vs European-Americans; scale; Q4987
dual-worker parent complex, role conflict, marital satisfaction/stability; questionnaires; R0611
full custody, single fathers, child management/work/fatherhood role/remarriage attitudes-behaviors; questionnaires, interviews; Q6974
infant mortality rates, US/Sweden/Italy; prenatal care practices/approaches; questionnaires, interviews; mothers; Q4262
infants' behavior/growth, mothers' vs fathers' expectations/knowledge; interviews; Q5952
menstruation, adolescents' attitudes/feelings, research/methodological problems; R0575
newborn's intensive care unit placement, family impact; interviews; mothers; Q7167
nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591
parental acceptance/rejection, psychosocial functioning, adolescent substance abusers vs nonabusers; R0784
parenting behavior, mothers vs fathers; sex-role attitudes/orientations, work involvement; interviews, questionnaires; longitudinal analysis; Q7002

sex-typed play behavior, children aged 1-2; parental toy choice/reinforcement; videotaped experiment; Caucasian, middle-class families; Q5791

Parenthood

death/dying attitudes, women; feminist/religious beliefs, parental status; questionnaire; R0711

family involvement, males vs females; social variables; R0647

fatherhood, US; bibliography; R1124

health behaviors; social integration, marital/parenting status; S19114

marital relationship/satisfaction; parenthood transition; interviews; couples married 1 year; Q5959

marital satisfaction; first childbirth, parental sex-role characteristics; psychometric tests; Q5987

marriage stability, young adults; parenthood; High School Class of 1972 longitudinal data; Q7020

negotiation/decision-making process, coparental relationships; interviews; separated/divorced mothers; R0620

parent-child interaction, women's vs men's thinking; experiment; Q8679

parenthood adaptation, mothers vs fathers; social supports expectations/utilization; questionnaire, scales; parent-couples; Q4195

parenthood attitudes/fertility decisions, Canada; questionnaires, interviews; Winnepeg, Manitoba; Q5808

parenthood transition; work-family interference/support; interviews, questionnaire; married couples, Pennsylvania; Q5904

psychological well-being; parenting status; S19115

role motivations, young women; perceived parenting rewards/costs; scales; undergraduates; R1129

women's marital satisfaction, postparental period; own/husband's employment status; survey; Q8881

Parents

drug abuse prevention, youth/parents/women/elderly targets; mass media campaign/communication approaches; literature review; Q6107

emigration to Israel, US Jews, parents' reactions; open-ended questionnaire; S18938

nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591

parent attitudes/behavior, adolescents as socialization agents; questionnaire; mothers, fathers; Q5992

parental status, youths' definition sources; self-administered questionnaire; university students; Q4190

Pareto, Vilfredo

industrial sociology's antecedents, Vilfredo Pareto's theories/Hawthorne Plant experiments; Q5106

Marx, Karl, labor value theory, Vilfredo Pareto's critique; Q4566

Pareto, Vilfredo, works/theories/impact; 1983 international congress proceedings, Rome, Italy; Q3013

social action typology, Vilfredo Pareto's vs Max Weber's theories; Q4809

sociological task/approach, Emile Durkheim/Max Weber/Vilfredo Pareto; Q7372

Paris, France

community integration vs marginalization, Paris, France; housing policy; S17815

demography/transportation/energy use, decentralizing cities; secondary data; London, England/Paris, France; Q5465

French postal/telegraph service clerks, male/female hiring differences; employee files; 1870-1939; Q5360

Gypsy social organization, Paris vs New York City Rom; Q3243

Insalubrious Dwellings Act, Paris, France, figurational theory perspective; archival data; 1850-1880; S19176

life history, significant others' effects; interviews; Chinese neighborhood residents, Paris, France; S17704

music history, institutional change, 19th-century Paris, France; culture production perspective; Q5510

suburb/urban relationship, Paris, France; industrial development, population growth, public transportation; 1900; Q5444

Parks

guides/tourist power relationships, African game reserves; Uri Almagor's analysis critiqued; Q6684

Parole

drinking behavior, young male parolees; interviews; S18924

job stress/burnout, probation/parole officers; survey questionnaire; Alabama; Q3720

parole adjustment/compliance, juvenile delinquents; psychological/family/situational variables; archival records, survey; R0410

parole supervision, paraprofessionals/volunteers use; telephone interview; state/federal agencies; Q4021

postdischarge police contact, not-guilty-by-reason-of-insanity clients, Oregon Psychiatric Security Review Board's decision making; R0759

prison inmates' prerelease stress; questionnaires, scales; Q4024

Parsons, Talcott

alienation concept, Talcott Parsons's vs Karl Marx's theories; Q4740

communal organizations theory; R0961

functionalism's dominance, US sociology, 1945-1971; Q9411

mental illness role adaptation, Talcott Parson's "sick role" vs Thomas J. Scheff's "labeling" theories; interviews; first-admission psychiatric patients, Omaha, Nebraska; Q8786

multidimensional theory, Max Weber, Talcott Parsons, Jeffrey C. Alexander's books reviewed; Q6508

Parsons (Talcott)-Afred Schütz dialogue, 1941, Eric Voegelin's role; S18454

Parsons, Talcott, structural-functionalism, S. N. Eisenstadt's revisions; Q4773

social order generation/maintenance/changes, communivative action theory; Q9402

social science, state funding; US; historical approach, Talcott Parsons's views; S18113

social system, postindustrial society, communication technology's impact; Talcott Parsons's *The Social System*; S18479

social theory, Talcott Parsons's purposive action concept; Q7332

Soviet sociology's treatment of Talcott Parsons; Q6488

synthetic sociology, action theory, Masamichi Shinmei's vs Talcott Parsons's conceptions; Q6515

Part Time Employment

part-time working women, male-dominated professions, marginality/coping strategies; interviews; S18948

rural life, Japan; farmers' part-time labor; Q6767

Part Time Farming

back-to-the-land movement/ideology, alternative technology use; Q8138

full-time farming, entry opportunities; bifurcated agriculture production; US census data; S17459

off-farm employment, farm families, community economic linkage; US Census, other government data; Texas; S17473

off-farm employment, Mississippi farmers; S17457

off-farm work distance, employment; gender/education; mail survey; Louisiana farm couples; S18821

off-farm work, farm operators; survey; Mississippi; R0138

part-time farming, economic vs ecological explanations; Don E. Albrecht's/Steve H. Murdock's conceptual framework critiqued, reply; Q3741

part-time farming, sociological research, 1930s-present; Q5417

Participant Observation

Nazi group participant observation, researcher ethics/identity questions; reply/rejoinder; Q4989

observer-observed interrelationship, lesbian community research; participant observation, interviews; Q7219

researcher-participant bias, methodological difficulties, life history data, peasant cooperative case; S18513

rural village research, participant observation vs unstructured interviews, social relationships; Q6765

spiritualist/subjective social worlds, research methodology; participant observation; occult communities, US/GB; Q7237

Participation

collective action, participation motivation, social-psychological model; comments/rejoinder; Q6678

conservation program participation; financial/technical/educational assistance, estimation guide established; S18816

industrial organizations, decision-making participation; control distribution, leadership style; cross-national study; S18492

National Survival Game, participant characteristics; questionnaire; males; Q6687

religious institutions, voluntary action research; Q5155

social action, attributed qualities, motivational properties; questionnaire; sociology students; Q7499

sociological field research, political aspects, Chicago school's/existential sociology's/ethnomethodology's approaches; Q7203

task-oriented groups, interaction/participation, comparative status model; videotapes; undergraduates; Q7459

Participative Decision Making

doctor-patient relationship, quality measures, patient satisfaction vs patient participation; Q6056

procedural justice, decision-making participation; Q3963

Partisanship

partisan/ideological belief systems, cognitive content; scales; political science students, State University of New York, Stony Brook; Q3139

unemployment, GB/US, 1947-1983; left-/right-wing political effects; UN statistics; Q3295

Pastoral Societies

ecological studies, pastoralists/conservation joint land use benefits; Ngorongoro Conservation Area, Tanzania; Q3275

nomadic pastoral societies, Western vs Soviet anthropological research, A. M. Khazanov's *Nomads and the Outside World* reviewed; Q6592

pastoral/cultivation rural economy, Maasai, Tanzania; conservation program; fieldwork; Serengeti National Park; Q5157

Paternalism

children's rights; paternalistic attitudes/practices; Q5810

paternalism/autonomy/personal responsibility, medical setting context; R0763

ranch workers' noncomformity/unrest, Tlaxcala, Mexico; 1914-1918; Q9797

Path Analysis

contingency tables, path analysis; Spearman's $\rho_b/\bar{r}$; Q2934

multiple regression/path analysis, "betas" effects; Q4672

Patients

confidentiality, academic personnel vs welfare clients/medical patients decisions; case studies; US colleges/universities; S18096

hospital patient safety, staff/patient/family roles; fieldwork; hospitals, San Francisco, California; Q8751

patient identity; chronic illness; Q8735

patients' beliefs, physicians' problem framing; interviews; Q5483

psychosomatic patients, self-perceptions/explanatory models; questionnaires, semi-structured interviews; Q4294

treatment acceptance, patients; risk presentation style; experiment; undergraduates; Q7047

treatment compliance, posthospitalized patients; illness attribution, client-doctor negotiated interaction; interviews, observation; Q8753

Patriarchy

agony columns, women's magazines, ideological implications; Q9127

collective cognitive structures, evolution/development, Jürgen Habermas's communicative theory; feminist critique; Q9109

male unhappiness/oppression, patriarchal systems; R1131

patriarchal/dominance value inculcation, male sports participation; Q7939

patriarchy, South Asia/East Asia/Middle East, feminist theory; S19178

patriarchy/gender concepts, historical materialist perspective; R1097

Patronage

political patronage, Italy, recent changes, "everyday life" perspective; Q3962

Payments

payment mode alternative, physicians' acceptance, health care implications, Quebec; telephone interview survey; Q4256

Peace

combat vs peacekeeping mission attitudes, paratroopers; survey; Q7752

Commission on the Study of Peace, International Union of Anthropological & Ethnological Sciences; Q9939

international security studies, social science's role, interdisciplinary approach advocated; Q7149

international war/peace, social/economic roots, state/social class policies, V. I. Lenin's works examined; S18223

peace research, sociological/interdisciplinary approach; S18616

peace research/critical theory relationship, domination concept; Q6296

peace/violence propensities, liberal democracies; literature review, empirical studies, 1816-present; Q5283

security strategies, nation-state vs nongovernmental plans; peace research, major powers' diplomatic relations policy; S17683

war/peace, sociological interpretation, Claude-Henri de Saint-Simon's views; S17630

Western peace research, status/achievements; content analysis; journals; Q5285

world peace, capitalist vs communist ideologies/social forms; 1984 International Institute of Sociology meeting, Seattle, Washington; Q9938

world peace, religious vs bureaucratic positions; Q9940

Peace Movements

antinuclear demonstration strategy, Greenham Common, women's role; GB; Q6361

antiwar movement, Quebec, pluralist unity; Q9930

civil disobedience, West Germany, peace movement; Q6314

ecology/peace/antinuclear movements, Denmark/Netherlands/West Germany, political party/ideological/value orientations; secondary statistics; Q7869

Italian peace movement's characteristics, political/cultural impact, youth's role; S17631

modern social development, thermonuclear war threat, peace movement; S18295

nuclear disarmament movement, Canada, participation considerations; Q9860

nuclear disarmament movement, GB, peace camp campaign; Q9861

open/closed peace movements, productive (workers) vs destructive (military industrial complex) forces; Pugwash case example; S18109

peace movement orientations, West Germany, US; S17981

peace movement, Canada, sociopolitical influences; Q9932

peace movement, masses' role, socialist creativity vs imperialist militarism; S17673

peace movements, failures/traditions; Q6300

peace movements, social/structural characteristics; S18260

peace/war philosophy, Immanul Kant vs Otto August Rühle von Lilienstern; Q5279

political/peace activism, Belgian Christians; Q5614

Puget Sound Women's Peace Camp described; Q6331

weapons systems proliferation, peace movement's failure, threat exaggeration; US, USSR; S18569

West German peace movement, women's role; Q6346

West German peace movements, national security policies, Protestant/Catholic attitudes; surveys; Q5632

women's peace movement, Sweden; interviews; Q6366

Peaceful Coexistence

world peace, religious vs bureaucratic positions; Q9940

Peasant Rebellions

landlord/peasant conflict, Rajasthan, India, feudal production relations; S18565

peasant counterrevolution, USSR, Nestor Makhno's role; 2-book review essay; Q7192

religious movements/violence, rites-of-passage similarities, religious/political/economic system changes; case study; Munda peasant tribe, India, late 19th century; R0309

rural revolt, French revolution, quantitative indicators; historical data; Q6658

Peasant Societies

capitalism, industrialized/nonindustrialized/peasant societies, production/institutional characteristics; Brazil; Q6721

cultural history, France, popular tales; anthropological collection; 17th-20th centuries; Q5030

economic organization, peasant village; Gountia/Jhankar class domination; fieldwork; Orissa, India; Q6762

evil spirits/witchcraft accusations, northern Thailand, social implications; Q8028

marriage/inheritance patterns, preindustrial Japanese peasant society; intergenerational conflicts; population registers; 1671-1871; Q5915

peasant retirement arrangements, 17th- to 19th-century Austria; parish registers; Q6165

peasant women, landownership issues, socioanthropological examination; Alto Minho, Brazil; Q6367

peasantry, India, Marxist/class analysis; S17742

wife beating, nonliterate/peasant societies; neighbors' intervention; Human Relations Area Files; R1066

Peasants

agrarian classes, India, political mobilization/participation; Q9993

agrarian relations, Caribbean peasant movement; case study; Trelawny, Jamaica; Q5401

agricultural/peasant development, Brittany, France; peasant leader life history; S17853

agricultural/peasant productivity, alienation, territoriality concept; S17800

Hungarian peasant obscenities, sociolinguistic analysis; taboos described; R0220

peasant class formation, Third World countries, contemporary economic/political developments; Q5336

peasant consciousness, colonial India; Marxist analysis; book review essay; Q5403

peasant ideologies, Third World, modernization issues; research review; Q3557

peasant-state relations, agricultural production, Bugisu, Uganda; government policies, international dependencies; fieldwork; Q8127

peasant/marginal landholder particpation rate, state-sponsored rural cooperatives; capitalist development; aggregate government data; Bangladesh; S18292

peasantry theory, Forenc Erdei's contributions; R0141

peasants, sociological theories; R0150

political development, peasantry's role, India; S17740

poverty accommodation, Malagasy peasant culture, psychoanalytical interpretation; Q3729

pre-World War II Greek peasant immigrants, US, adjustment/reality, methodological issues; Q9575
resource maximization, institutional support, rural Bangladesh; S18027
small peasants, South Africa, property/class relations; Q5428
state vs peasant economics, post-World War II Poland; economic statistics, census data, government documents, opinions; S17929
state-peasant family farm relationship, post-WWII Poland; agricultural policy, repression vs tolerance; opinion polls, statistics, party/state documents; S17930
tobacco production development, the "peasant" farmer, Kenya; archival research data; S17784

Peer Groups
daughters' marijuana use, mother/peer group context; father's impact; questionnaires; college females, fathers; Q4115
students' parent/peer/school affiliation; grade, sex, ability, socioeconomic status; inventory; males/females aged 11-17, Sydney, Australia; R0283

Peer Influence
adolescent alcohol use, boys vs girls; normative structure, peer influence; interviews; R0791
adolescent alcohol use, parents'/teachers'/students' causal attributions/intervention strategies; questionnaires; R0781
adolescent delinquency/drug use; friend behaviors; telephone/face-to-face interviews, testing, physical examinations; Q4403
adolescent drug use, parental/peer influences; questionnaire survey; longitudinal study; Q4130
adolescent media behavior, parental/peer influence; R0570
adolescent virginity; friends' sexual behavior, race, sex; panel data; Florida; Q5883
adolescents' alcohol use; drinking images/self-concept; slides; Q6110
aggressive/property delinquency, gender effects; peer group experience; structured interviews; urban adolescents; R0906
alcohol consumption behavior, young adults, drink purchasing procedures/group pressure; quantitative/qualitative observations; Glasgow, Scotland; Q8841
classroom attention; peer influence; videotapes; first-grade reading groups; Q3070
delinquents' self-description, imprisonment term as reference group effect; Freiburg Personality Inventory; juvenile inmates/nondelinquents, Neumunster, West Germany; R0911
drug-use orientation/involvement, rural children; parent-child/peer relations; 2-wave panel data; R0832
late birth timing, dual career couples; peer/family/marital relations, identity, societal norms; interviews; Q7017
nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591
parent/peer compliance, preadolescents; questionnaire; Q5870
pre-adolescent/adolescent sexual behavior; peer/media influences; questionnaire; 8-17-year-old/college females; Q3478
premarital sexual permissiveness, black adolescent females; church attendance, close friends' perceived permissiveness; national representative sample; R0597
psychological well-being/adaptation, teenage mothers; family/peer resources; interviews; Q8602
television coviewing patterns; diaries; midwestern households; Q7906

Peer Relations
adolescent delinquency; self-concept, parents/teachers/peer relations; questionnaires, Rosenberg Self-Esteem scale; tenth grade public/parochial school students, midwestern US; Q7110
adolescent "punk" group appearance, peer group/family acceptance; fairy tales/biographical anecdotes reference; Q5864
adolescent sexual behavior, males vs females; pubertal development, best friends' sexual involvement; questionnaire; adolescents, parents; Q4153
adolescent sibling psychological adjustment; parental treatment, sibling/peer relationships; telephone interviews; US; Q4857
disabled children, peers' attitudes/acceptance; disability exposure/visibility, information source; questionnaire, experiment; fourth-sixth graders; Q6951
drinking/drug use, college students; religiosity, family background, peer relations; questionnaire; Q4332
friendship patterns, schoolchildren, dyadic homophily; age/gender/race; S18556
friendship/popularity, cyclical relationship; ethnographic data; midwestern junior high school girls; Q4119
peer relations, early adolescence, family experience's role; Q5825
peer relationships, children's satisfaction; sociometric status; self-report measures; survey; Q6943
social behavior/world, Scottish youth; parental vs peer influence; longitudinal interview/questionnaire data; R0594

Peer Review
interdisciplinary research proposals; peer reveiw severity; Natural Science Foundation programs; Q5715
manuscript review process, social science journals, abstract submission proposed; questionnaire; sociology/social science/education journal editors; comment; Q6500
medical technologies, National Institutes of Health, consensus/peer review systems compared, medical profession's criticisms; Q5705
National Science Foundation's funding decisions, peer review replication; Q5703
peer evaluation/review, grants/journal/public policy research; *Science, Technology, & Human Values* special issue; Q5695
peer review process, active dialogue use, *Journal of Clinical Investigation*; poll; former editors; Q5722
peer review, science, institutional innovation problems; literature review; Q5716
regulatory decision making, peer review procedure; Q5704
regulatory standard-setting, Canada, peer review process; case study; R0456
research funding decisions, peer review/government agencies; questionnaire; National Institutes of Health grant applicants; Q5702
science/engineering research proposals, public funding, peer review process vs performance-based formula; Q5717
scientific performance evaluation, high-energy physics, peer review/citation analysis critiqued; reply; Q5727

Peers
nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591

Peking, Peoples Republic of China
only-child families, China, characteristics/formation; case studies, survey; S19136

Penal Reform
female criminality, India, role conflict hypothesis, treatment/prison reforms; crime statistics, empirical data; US/Australia comparisons; Q6318
law & order issue, socialist approach, Ian Taylor's arguments critiqued; Q5678
penal economy, France; historical development; R0419
prison control/violence; court-ordered penitentiary reforms, Texas; participant observation/open-ended interviews; guards/inmates; Q6907

Pennsylvania
antinuclear/other social movements, local residents vs high technology industries; case study; Three Mile Island, Pennsylvania; Q7877
chronic technical vs immediate-impact natural disasters, social effects; questionnaires, interviews, participant observation; Centralia, Pennsylvania/Love Canal, New York; Q6308
juvenile justice policy, Pennsylvania, social/historical origins; archival data; R0900
later life satisfaction/occupational success; adolescent leisure activities; questionnaire, personality inventory; rural high school sophomores, longitudinal analysis; Pennsylvania; Q8591
"Nebraska" Amish marriage patterns, sex differences; marriage records; central Pennsylvania; Q5943
public affairs participation, gender differences; leadership development programs; questionnaire; Montana, Pennsylvania; R0133
public affairs participation/socioeconomic status association, young adults, Pa; leadership development program; questionnaire; R1009
real vs ideal leadership behavior, juvenile probation officer supervisors, staff's/superiors'/supervisors' perceptions; questionnaires; Pennsylvania; Q7563

Penology
federal prison, disciplinary problems; inmate security level classification; medium-security prison file data; Q4023
penology, R. Bergalli's contributions; Q4027
prison development, correctional theories, US; historical documents; 1600s-present; R0408

Pensions
age-specific legislation, Finland; S19195
national pension program, China; Q7081
pension plan, gender differentiation debate; Q4479
public pension expenditures; cross-national patterns; Q7088
public pension programs, Third World; cross-national comparative/historical approach; S18891
social representations of aging, working class labor management; industrial retirement/pension plans; monographs; steel mill, colliery; Burgundy, France, 19th/20th century; S18264

Pentacostalists
cultural/theological orientations, Pentecostals vs Primitive Baptists; life histories; R0337

healing/worship relationship, black Baptist/Pentecostal religions, ideological/class implications; fieldwork; Georgia Sea Islands; R0318

traditional/modern medicine, China/Africa, integrative health care policy; Q8738
Vietnam-Cambodia conflict, USSR's/US's/China's posture, strategic implications; Q6694
Weber, Max, India/China monographs; S17708
Western medical missionaries, China; early 20th century; Q6011
women's role, Chinese/US society, societal attitudes/traditional customs; mobilization vs legal/administrative reform strategies; R1140

Perceptions
adolescents' self-esteem; perceived parental behavior; inventories; R0584
comarital sex ("swinging"), non- vs swingers' perceptions; questionnaires; Q4151
conflict intensity perceptions, combat vs peacekeeping duty paratroopers; survey; S19052
energy's social uses, school children's perceptions; personal experience; 4th year classes, GB; Q3871
environmental experience, affective response, schema discrepancy model; experiment; churches; Q7527
family environments, adolescents' perceptions; sibling/ethnicity variables; interviews; Anglo/Greek/southern Italian families, Australia; Q4189
God images, gender differences; church attendance; General Social Survey data, 1983; Q8341
individual perception, presumed experience/social barriers; S18205
nuclear threat, academically gifted students' perceptions, sex/age differences; scales; Cullowhee Experience participants, North Carolina; Q6971
public terrorism/aggression labeling; victim's respectability/attacker's motivation/act's consequences; questionnaire; undergraduates; Q4303
Reid, Thomas, theory of ideas/sensation-perception distinction; Q8441
risk perception, Three Mile Island restart, interest group context; Q4491
social class structure, objective vs subjective perceptions, Torrelavega vs Santander, Spain; questionnaire; R0050
splitting dynamics, large groups; members' differential perceptions of group leaders; questionnaire; Q6556
spouse/marriage, couples' perceptions; marriage enrichment course; scales, inventories; Q8640
task characteristics, jobholders' perceptions; technological innovation; inventory; Q6598
urban political networks; leadership stability perceptions; interviews; US; Q5142
visual perception, objects/pictures relationship; Q4602

Performance
male violence toward females, verbal attack/performance variables; experiment; Q4508
public house entertainers, performance framing/staging; participant observation, interviews; Aberdeen, Scotland; Q4928

Peronism
slum dwellers-state relations, Buenos Aires, Argentina; 1973-1976; R0020

Personal Space
psychological well-being; household crowding; questionnaire data; males, London (England)/Sydney (Australia)/Los Angeles (California); Q4194

Personality
Cattell personality structure test, H. J. Eysenck's criticism rebutted; Q8445
character as illusion, Erving Goffman's thought; Q7351

collective behavior research, intrapersonal (P-) variables use; literature survey; Q5245
cult-related personality change, statistical analysis critiqued; Q3921
descriptive methodology, psychoanalysis; anthropological literature examples; Q7131
ego/psychosocial development; androgynous/feminine/masculine sex-role orientation; inventories, test; adults; R1134
Eysenck Personality Questionnaire, cross-cultural validation; Q3096
gender/personality theory, personological perspective; Q4551
human behavior/personality systems; social structural systems; S18369
human personality concept, Yoruba (Nigeria)/Western philosophers; Q5057
human personality, metaphysical aspects, Sisyphean/Tantalic models; Q4898
human subjectivity/individuality, materialist approaches; Q9410
hypothetico-deduction personality models, linguistic context; trait scale; university students, West Germany/UK; Q3138
life history, biographical analysis, personality; poststructuralist view; S18340
marital relationships; family life-cycle/ego development stage; questionnaire, scales; midwestern US; Q5985
moral developments, sex/gender/personality differences; psychometric data; college sophomores, adults; Q4553
moral-political culture interaction, social manifestations, human personality/values; S17668
person/personality investigation, Immanuel Kant's categorical imperative; Q7510
personal/social growth vs academic skills, educational ideology; participant observation; alternative schools, US West Coast; Q5534
personality development, USSR; review essay; Q6555
personality integration, individuality theory, systems/information theory perspective; Q3133
personality research, empirical/experimental approach; Q6543
personality testing, H. J. Eysenck's criticisms rebutted; Q8455
personality/culture research, Pilipinos, Northern Luzon, Philippines; Q3274
personality/impulsiveness questionnaires, US vs English boys/girls; Q8565
physiognomy, Johann Caspar Lavater, Roland Barthes's criticism; Q4432
Preschool Personality Questionnaire, factor structure/standardization; Q8568
psychosocial development, individuation/attachment, Erik H. Erikson's theory; Q3100
religions taxonomy, S. Giora Shoham's personality theory; Q8357
women's criminality, gender-based personality theories; Q7517
work/personality theory, National Institute of Health research program; book review essay; Q3106

Personality Measures
interpersonal negotiations; personality factors; Tuck Personality Assessment & Feedback Program; Dartmouth College, New Hampshire; R1166
personality assessment, scientific validity; Dreger's/Cattell's/Cummings's critiques, Hans Eysenck's response; Q9471
scale construction, response disguise problem; questionnaire; undergraduates, US; Q9249

treatment acceptance, patients; risk presentation style; experiment; undergraduates; Q7047
treatment compliance, posthospitalized patients; illness attribution, client-doctor negotiated interaction; interviews, observation; Q8753
trust, doctor-patient relationship, psychological/religious perspective; Q8733
urban elderly, quality terminal care provision, health professionals' role/expectations; literature review, interviews; R0737
women's menopausal experience, doctor's involvement, Manitoba, Canada; mail survey; R0727

Pragmatics
history of sociology, Chicago school, pragmatist influences, realist vs nominalist philosophies; J. David Lewis's/Richard L. Smith's *American Sociology and Pragmatism* reviewed; Q4748

Pragmatism
Mannheim, Karl, critical comments; Q9393
race/racism philosophy, W. E. B. DuBois's pragmatic approach; Q7366

Praxis
cultural aesthetics/praxis, Jürgen Habermas's/Marcel Rioux's critical-sociological theoretical positions; Q7369
praxis, Jürgen Habermas's/Anthony Giddens's critical theory; Q4804

Prayer
school prayer, US, supporter characteristics; Q3897

Prediction
adolescent alcohol/drug use, family history predictors; New Jersey; S18911
adult criminals, risk assessment/prediction; juvenile criminal behavior; secondary data; Racine, Wisconsin; R0876
criminal recidivism; early prison release; clinical vs statistical prediction methods; Israel; Q6901
earthquake prediction, public information warning system; R1029
economic/political evolution, Italy, forecasting models; Q6264
government welfare spending attitudes, formative measurement models, socioeconomic/status inconsistency factors; national statistics; males; S17519
graduate departments, National Research Council's quality evaluations, predictive factors; Q9323
male spousal aggression, predictive factors; interviews; cohabitating/married males; S17512
Orwell, George, *1984* as technology indictment/prediction; Q4042

Prediction Models
career offender typology, self-report vs official arrest data; panel interviews; R0865
life values attainment, facilitating activities/resources; questionnaire; students, Sweden; Q9475
youth delinquency risk, multistage screening procedure; R0904

Preferences
allocation preferences, egalitarian vs equitarian modes; questionnaire; students; Q9459
Distinction: A Social Critique of the Judgement of Taste by Pierre Bourdieu; review essay; Q9407
entertainment choice, corporate organizations, tastemaking as social communication; ethnographic data, participant observation; entertainment production firm, Chicago, Illinois; R0227
music preferences/attitudes; factor analysis; Q7894
musical preferences/listeners, 6-category typology; survey; French Swiss; Q9885
popular films, US, sociohistorical perspective; content analysis; S19042
radio/musical tastes, teenagers; questionnaire; London, England; R0596
"serious" musical programs, viewer/listener decline, Belgium; Q9874
taste, social significance, Pierre Bourdieu; review essay; Q7445

Pregnancy
adolescent pregnancy/fatherhood, adolescent males' attitudes; questionnaires; Kitchener-Waterloo area, Ontario; Q5970
alcohol consumption, pregnant women; expressive/instrumental support; interviews; R0701
alcohol/caffeine/tobacco/marijuana/other drug consumption, self-report vs laboratory test data; interviews; postpartum women; Q8858
amniocentesis decision-making process, women; social support, psychological well-being; interviews; S19275
contraceptive use/pregnancy occurrence, divorced single women; questionnaires, interviews, scales; Q9186
depression progression/levels, prenatal vs postpartum periods; R1115
female exclusion, toxic work environments, policy impact; case study; Bunker Hill Company, Kellogg, Idaho; Q9692
marital adjustment/relationship; first pregnancy; questionnaire; Q8696
preterm delivery risk, first vs subsequent pregnancies, proportional hazards model; morbidity data; Scotland; Q8717
teenage pregnancy education/avoidance, Rhode Island, programs/policy; Q5815

Prehistory
population growth, historical/prehistorical times; Q8525

Prejudice
anti-Italian bigotry/perceptions, Canada; Q4959
color preference, self-color identification, Ethiopian-/Israeli-born schoolchildren; experiment; Q4983
communal disharmony, India, cultural/religious prejudices; interviews; religious leaders; S18069

communicating ethnic prejudice, everyday cognition/talk, discourse analysis; interviews; Amsterdam, Netherlands/San Diego, California; S18703
elite/mass political intolerance, research suggestions; Q3545
gay identities, homophobia; 2-book review essay; Q8615
gun ownership, crime attitudes; racial prejudice, white males; interviews; Detroit, Michigan; Q6206
homosexuality attitudes, Israeli vs American U students, Jerusalem; culture, gender, sex-role identification; survey; Q9187
Italian workers immigration, Canadian prejudice; 19th/20th centuries; Q4973
prejudice research, sociology of knowledge perspective's value; book review essay; Q4877
prejudice, categorization vs particularization approaches; Q3089
racial attitudes/expectations, black vs white university freshmen; interracial contact; longitudinal panel study; R0119
racial prejudice/factors, South American social stratification; blacks, Unguía, Colombia; Q5005
religious identity/prejudice development, children, India; random sample; students aged 14-15; S18312
sentencing research, racial prejudice; historical outline; Q3988
white prejudice toward blacks/American Indians, social distance/stereotyping distinction; adult random sample, Oklahoma City, Oklahoma; Q3136
whites' desegregation/busing opposition, symbolic racism/traditional prejudice vs rational choice explanations; telephone interviews; adults, Akron, Ohio; Q3443

Premarital Sex
premarital sex, permissiveness judgments, assessment methodologies, INDSCAL vs Guttman dimensionality; Q7243
premarital sexual permissiveness, black adolescent females; church attendance, close friends' perceived permissiveness; national representative sample; R0597
premarital sexuality, male/female double standard; experiment; S19101
religious/sexual behavior/attitudes relationship, virgin vs nonvirgin identification; questionnaires; college students, Church of Christ affiliates; Q8630

Premature Infants
frail infants, life-support requirements, parental decision making, ethical issues; participant observation; R0744
preterm delivery risk, first vs subsequent pregnancies, proportional hazards model; morbidity data; Scotland; Q8717

Presbyterians
evangelical/established Presbyterian church division, fisherfolk/suburbanites social class divisions; social history; Ferryden, Scotland; Q6846

Preschool Children
child care arrangements, two-parent families, father involvement; interviews; R0648
children's interactions, interpretive photography use; Germany/Venezuela/Botswana comparison; Q4599
independence opportunities; sex, sibling structure; preschool children; S17525
physical activities, preschool children, Czechoslovakia, family's influence; Q5799
physical training activities, preschool children, Czechoslovakia, family participation; Q5798
preschool children's role play, social scripts use; transcribed episodes; Q3793
touching, preschool art awareness experience, photographic analysis; Q4605

Preschool Education
German preschool education, history/development, liberal vs conservative ideologies; Q8558
juvenile delinquency-school success relationship; preschool intervention; longitudinal interview/questionnaire data; low-income blacks; 1962/1972; Q6213

Presidents
electoral cleavages, presidential elections, Chile; time-series data; S18629
Presidential loyalty; religiosity, social class; questionnaires; university students; Q3938
presidential popularity decline, James A. Stimson's expectation/disillusion theory; telephone interviews; Q3446
presidential speech patterns, within-/between-presidency trends; nomination/inauguration speeches; 1920-1981; Q9989
voter turnout, presidential primaries; socioeconomic makeup, legal restrictions, political context; state-level statistics; Q3560
voting behavior, gender gap, 1980 US presidential election; questionnaire survey; Q3442
Watergate/presidential scandals, US, deviant staff behavior, organizational explanation; Q3526

Prestige
neighborhood prestige perceptions; interviews; Tel Aviv, Israel; Q5454
occupational prestige, sex-linked assumptions/stereotypes; questionnaires; university students; Q8077
prominent sociologists' influence, measurement methodology; citation analysis; journal articles; Q9369
status attainment, social prestige/closure; occupational prestige scale; Q5357

Pretrial Release
arrest/failure to appear rates, felony defendants; supervised pretrial release programs; interviews, experiment; Q6864
judicial processing decisions, US juvenile justice system; pretrial detention; intake records; Florida; 1977-1979; R0897
pretrial release decisions, prostitution offenses, gender disparity; Buffalo (New York) Criminal Court data; 1977-1979; Q3955

Prevention
breast self-examination; psychological/social determinants; R0728
child abuse prevention, US, policy goals; R0553
child abuse/neglect, institutional settings; case records; New York; R0548
compulsive gambling, general addictions theory; R0802
drug abuse prevention, youth/parents/women/elderly targets; mass media campaign/communication approaches; literature review; Q6107
drug abuse, primary care prevention strategies; R0825
drunken driving, control strategies; questionnaires; convicted drunk drivers; Q7072
French alcoholism detection/prevention program evaluation; Q6106
high-risk children/emotionally disturbed parents, prevention/intervention strategies; Q7057
illness prevention, Florida, critical review; survey; S18902
juvenile delinquency prevention programs, community organization approaches; Q8945
stroke deaths reduction/prevention, US; hypertension treatment, National High Blood Pressure Education Program; Q6041
tobacco smoking addiction, GB, National Health Service's actions; historical study; Q4279

Prices
price formation/economic policy goals, USSR; Q6432

Priests
class consciousness, Ireland, priest vs estate agent case, folktales; Q5637
nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591

Primary Education
comprehensive schools, West Berlin, Federal Republic of Germany; interviews; primary school heads; Q8235
primary school oral reading lessons, error-correction processes, ethnomethodological perspective, audiotapes; Q5589
school progress/adjustment, Latin American children; intervention programs; secondary studies; R0250

Primary Groups
primary group relations, biographical approaches; Rome, Italy; S18203

Primates
sociobiology theory, feminist movement applications; R1105

Principals
assistant principalship, US public secondary schools, administrative duties; field study data; southern California; Q5384
assistant school principal position, socialization processes; Q5541
members' subunit identification; resource allocation competition; survey questionnaire; school principals; Q6208

Printing
epistemic rupture, typography, Michel Foucault's archaeology reassessed; S18199

Prison Culture
sex offenders vs informants as prison outcasts, status/norm boundaries; interviews; prison inmates, Sweden; Q7566

Prisoners
assaultive behavior incidents, inmate population, Yardville Corrections Center; R0417
criminal recidivism; early prison release; clinical vs statistical prediction methods; Israel; Q6901
family relations, prison inmates; correctional policy; observation, interviews, document analysis; Department of Correctional Services case study, New York; Q6897
federal prison, disciplinary problems; inmate security level classification; medium-security prison file data; Q4023

helping prison inmates, guard subculture as impediment, group dynamics; Q4022
imprisoned property offenders, emotionality/criminal behavior; interviews; Q3101
incarcerated mentally ill women, demographic information; questionnaire, interviews; county jails, California; Q4312
inmate structure/culture/socialization, juvenile correctional institution, unobtrusive research methods; content analysis, interviews; grafitti, newspapers; Q7244
males' criminality/incarceration; prisoners' wives' interpretations; interviews, prison records; Q7479
Mexican migrant inmates, US prisons; case study, interviews; Q4019
prison discipline severity; prisoner's minority status; questionnaires, institutional sources; Ferguson facility, Texas; Q4015
prison informers' profile; participant observation, interviews, prison records; Johnson Unit, Texas; Q4025
prison inmate adaptation/staff difficulties; indeterminate sentencing; Q4016
prison inmates' prerelease stress; questionnaires, scales; Q4024
property crime rate, Australia; heroin use; interviews; prisoners, New South Wales; R0790
psychiatric disorders/probation adjustment, life-sentenced offenders, London, England; official records, questionnaires; Q8436
Republican women prisoners, Armagh jail, Northern Ireland, feminist strategies/movement; R1092
sociotherapeutic treatment program, prison inmates/guards, evaluation results; questionnaire; Q8431
therapeutic group, female offenders, development/rationale/outcomes; Q8437
women prisoners, Australia, unequal/inadequate correctional policy/practices; Q8423

Prisoners of War
prisoner of war captors vs wife batterers, strategies/tactics; secondary data; R0875

Prisonization
Mexican migrant inmates, US prisons; case study, interviews; Q4019
prison inmates' prerelease stress; questionnaires, scales; Q4024

Prisons
assaults, federal prisons; crowding; Q8422
burglary recidivism; incapacitative-based sentencing schemes; experiment; 1982 burglary defendants, Dade County, Florida; Q6908
collective action, 1980 New Mexico prison riot, social disorganization/discontent; interviews, records; inmates, guards; Q5688
correctional system privatization, prisons for profit, constitutionality/liability/cost issues; R0418
criminal justice system, US; symposium; R0423
inmate sexual aggression, US prisons; interview/survey data; Q4026
job stress/satisfaction, prison staff; organizational/individual characteristics; scale questionnaires; New York; Q7672
juvenile recidivism rates, family dynamics; prison aversion program; experiment; Colorado; Q8946
mentally ill prison inmates, available programs/guidelines; interviews; prison staff, other authorities; Q8428
prison adaptation; preincarceration/incarceration/prison characteristics; official records; New York; Q8430
prison adjustment, female offenders, facilitating strategies; questionnaires; North Carolina Correctional Center for Women; Q4029
prison conditions/programs, US vs Scandinavia; mailed questionnaires; prison administrators; Q6912
prison control/violence; court-ordered penitentiary reforms, Texas; participant observation/open-ended interviews; guards/inmates; Q6907
prison development, correctional theories, US; historical documents; 1600s-present; R0408
prison environment inventory instrument, development/evaluation; Q8438
prison inmate adaptation/staff difficulties; indeterminate sentencing; Q4016
prison system, Belgium, recent reconstruction work; Q8936
prison/correctional system, Oklahoma, 1967-1983; R0411
prisons status/policy, Nigeria; Q4381
sex offenders vs informants as prison outcasts, status/norm boundaries; interviews; prison inmates, Sweden; Q7566
sociotherapeutic treatment program, prison inmates/guards, evaluation results; questionnaire; Q8431
women prisoners, Australia, unequal/inadequate correctional policy/practices; Q8423

Privacy
human nature/citizens' rights; personal information computerization, advanced information societies; Q6640
human reproductive technology, privacy issues; S18709
privacy/individual rights, ancient history-modern times, 19th-century social/economic thought; Q6286

Private Schools
academic achievement, modern public vs private schools, sociodemographic factors; background characteristics; testing data; high school students, Florida; Q5521
academic behavior, public vs Catholic school students, school-effects model; quantitative case study; Q8262
Catholic private schools/educational bureaucracy, France, government subsidies; R0293
Christian day schools, US, social characteristics; Q5627
minority educational achievement; Catholic vs public schools; High School and Beyond program; blacks, Hispanics; Q5555

Private Sector
coal mining industry, rationalization/restructuration; private companies/government conflicts/collaborations; World War II, France; S18126
correctional system privatization, prisons for profit, constitutionality/liability/cost issues; R0418
financial system's nationalization, Mexico, public/private sector effects; S17723
health care, homeless ill, voluntary/public health programs; S18937
income generation projects, rural women; cooperative/community development/welfare approaches, private sector; case studies; S18825
mentally infirm elderly, Canada, deinstitutionalization/privatization trends; R0840
poverty, Saint Louis (Missouri) Provident Association's policies/practices; 19th century; Q9079
private sector/political participation, Sandinista revolution, Nicaragua; Q8018
private/public rental housing, landlord/tenant power bases; R1170
privatization process, financing/public production, Norway; R1006
social programs, Quebec, public vs voluntary sector; welfare crisis; S18422
socioprofessional characteristics/mobility, directors/administrators, public vs private sector; interviews; S18507
welfare state services, consumer alienation/dissatisfaction; questionnaire survey; GB; R1011
welfare state, government/nonprofit sector cooperation; research data, questionnaires; nonprofit organizations, US; S18321

Privilege
educational opportunity, elite school influence; interviews, observations, questionnaires, school records; Q8273

Probability
metric multidimensional scaling, topological/measure theoretic probability foundations; Q9264

Probation
adult probationers' recidivism; personal characteristics; Shreveport, Louisiana, cases; Q3182
job stress/burnout, probation/parole officers; survey questionnaire; Alabama; Q3720
probation correctional policy, California; Q6911
probation officer's presentencing report, recommended changes; Q6870
probation system's development/professionalization, England; Q5380
real vs ideal leadership behavior, juvenile probation officer supervisors, staff's/superiors'/supervisors' perceptions; questionnaires; Pennsylvania; Q7563
sentencing recommendations, male vs female offenders; probation officer's gender; probation files; Q3980

Problem Solving
creative problem solving, Camp David (Maryland), Egypt/Israel/US Summit; Q4840
family/small group problem solving; family structure/leadership style; Irving Tallman's theories; Q4836
international conflict resolution, analytical approach; Q3504
problem solving skills, delinquents; interview/self-recording procedures; Q7198
problem-solving dialogue, harmonious vs disharmonious couples, information theory approach; conversation analysis; R0661
self-promises, problem solving/social control functions; questionnaire; college students; Q7497
world problems/solutions, social reorganization; technological development; S17650

Problems
inadequate public education, US, problems/recommendations; Q8249

Production
capitalist production/transition, Quebec, seigneurial privilege phenomenon; 18th-19th century; Q8144

collective action, group dynamics; accelerating/decelerating production function; Q5244
computerized production planning, machine tool industry, political/control effects; empirical research project data; S17992
culture of production, work discipline/ethics; factories, Hungary; Q7727
family farming, persistence/decline/transformation, Marxist perspectives; Q8149
flexible specialization production, Michael Piore's/Charles Sabel's *The Second Industrial Divide: Possibilities for Prosperity*; review essay; Q6614
immigrant vs native labor, characteristics/earnings/substitutability; surveys, censuses; Q7676
intellectualization of production, technology/organization relationship; automatization, computers; Q7743
Karl Marx's Theory of History: A Defence by G. A. Cohen, theoretical/historical criticisms; Q9202
labor organizations, Iran, historical/structural formation/development; Q7718
labor relations, colonial Papua New Guinea; native cargo cult practices, social relations of production influences; S17703
privatization process, financing/public production, Norway; R1006
Willis, Paul E., cultural production theory; Q7651

Productivity
academic prestige/salary/gender differences; research publications quality/quantity; mailed questionnaire, panel evaluations; education research authors; Q3868
brigade labor unit, USSR, increased productivity; questionnaire; brigade leaders; Q6738
capitalist enterprises, routine production relations/organization; case studies; Q7738
information technology/work, efficiency vs effectiveness, organizational context; Q5736
present workplace trends, negative future productivity effects, Bureau of Labor Statistics research implications; Q5382
production issues, employee/union involvement; secondary data, case studies, observation, interviews, documents; Sweden; S18510
productivity advantage, timber industry, Finnish smallholders vs Canadian large-scale operations; Q9057
productivity factors, USSR; questionnaire; brigade workers, Kirovgrad/Poltava; Q6605
productivity, administrative work; S17847
productivity/costs, US automobile industry; worker attitudes; 1959-1976; Q9684
productivity/life satisfaction/multiples roles, women authors; age; case histories; Q8083
public sector productivity, 20th-century bureaucratization; Q9437
worker cooperatives, safety/productivity issues; comparative research data; cooperatives, conventional firms, Pacific Northwest US; S17943
worker participation, industrial organizations, productivity/democratization programs; Q6650

Products
products liability litigation, punitive damages awards, retribution/deterrence issues; Q8370

Professional Associations
academic/intellectual freedom defense, Society for the Psychological Study of Social Issues, 1936-1970; article/comment; R0458
accountants' professional organization, England/Wales, status-building, conspicuous consumption of architecture concept; case studies; S19046
American Association of Engineers, professionalism/conflict; 1920s; Q8092
applied/clinical sociology, humanistically inclined organizations, history/relationships; S19260
Association for Gerontology in Higher Education, history, future tasks; Q3718
controversial issues, Society for the Psychological Study of Social Issues; R0451
engineering schools' alumni associations, collective trade identity/social position; 19th-century France; Q9769
European Association of Experimental Social Psychology; 20-year analysis; Q9486
journeymen's associations, Nuremberg, Germany; state intervention, police harrassment; archival sources; 1806-1868; Q7720
professional associations, public protection legislation/regulations; case study; Corporation of Physicians, Quebec; R0364

teachers' role conflict, higher educational institutions, US; 1985 American Sociological Association symposium; Q9316
undergraduate sociology, American Sociological Association teaching program; Q9313

Professional Consultation
professional referral problems, generalist/specialist doctors vs educators; interviews; content analysis; Q5376

Professional Ethics
embodiment, medical ethical considerations; R0746
engineering ethics, addressing moral/social responsibility issues, projects/courses; Q3719
informal conduct code, Canadian parliamentary members; interviews; Q6698
legal profession, lawyers' ethics; R0087
legal profession/ethics, self-regulated system; R0387
police ethics, urban environment, endorsement/definition; Detroit police/Wayne County sheriffs, Michigan; S18909
professional ethics, client rights issues; Q5371
professional ethics/ideology, US; case studies; law/military officers; Q8096
professionalism, moral/ethical dimensions; Q8067

Professional Identity
accountants' professional organization, England/Wales, status-building, conspicuous consumption of architecture concept; case studies; S19046
female medical students' professional identification, India; Q5361
law, professional status/changes, US; 1870s-present; R0073
legal profession, US, demographic characteristics; R0082
legal profession, US, historical demography; census; 1850-1980; R0092
legal profession, US/other Western countries, quantitative changes; R0106
nursing profession/vocation, Pune, India, nurses' role/self-image/function; interviews; R0116
obstetrics/gynecology profession, ideology formation; R0752
psychotherapists' professional identity, eclecticism; GB; Q5367
public school teachers, British Columbia, class relations/professionalism; R0068
social work profession, France; Q3683
workers' professional/personal identity, West Germany; technological innovations; interviews; R0465

Professional Malpractice
malpractice litigation, social work practitioners' knowledge/experience; questionnaires; New Jersey; R0088
physicians' personal/professional lives, health care delivery; malpractice litigation; mail questionnaires; Chicago Medical Society members; Q6010

Professional Orientations
hospitals' inefficiency; doctors' unauthorized private practice, professional orientation differences; case study; Hyderabad, India; S18442
independent inland water transporters' ("bargees") decline; economic/technological changes, family's adaptation/traditional work organization maintenance; 2-generation's life histories; France; S17902
land planning profession as movement/ideology; Q3663
professional ideology development, obstetrics/gynecology; journal article analysis, post-1920; R0751
professional role conflict, US higher education; academic structural changes; 1985 American Sociological Association symposium; Q9303
professions, France; interviews; syndicalists, presidents of professional associations, trade chamber members; S18791
public interest vs traditional scientific researchers, organizational context; interviews; Q4056
socioprofessional characteristics/mobility, directors/administrators, public vs private sector; interviews; S18507

socioprofessional formation, Czechoslovakian university students/graduates; Q5829
teachers' role conflict, higher educational institutions, US; 1985 American Sociological Association symposium; Q9316
youths' societal/labor market integration; state interventions; Belgium case; Q5080

Professional Socialization
occupational socialization, teaching; Q3648
professional socialization, social work students, transsituational demands; participant observation; UK; Q3650
professional vs primary socialization, Indian cultural context, interviews; medical/nursing students, Madurai, India; S18715
young professional recruits, values/socialization; longitudinal data; 1960s-1980s; S17590

Professional Sports
league standing/attendance, English professional football teams; city rank/size; Q9928
major league baseball attendance; day of week/opponent/promotion type; 1982 season attendance data; Q3495
professional baseball, racial segregation, positional explanations; white/black/Hispanic major league ballplayers; Q5261
professional sports franchise acquisition/retention, cities, public policy issues; case study; Baltimore, Maryland; Q9926

Professional Training
academic/professional developmental tasks, sociology; Q2988
armed forces' personal/social values change, political evolution, Spain; questionnaire, scale; Army/Navy/Air Force military academy students; S17907
client assessment/diagnosis, mental health professionals; prior client information; experiment; female nursing students; Q7195
initial job placement; graduate school training/experience; PhD recipients, University of California, Santa Barbara; Q3707
police training, academic vs experiential; patrol officers; Q3954
professional status, teachers; state accountability schemes; R0076
residency selection, medical school students; status vs social value orientation; survey, interviews; US medical schools; Q6757

Professional Women
academic professional women, psychology, organizing efforts; historical case study; Q8294
culture shock, professional woman, resolution factors; participant observation, case study; California/Louisiana; Q4899
educated/professional women, India, occupational profile; official/secondary data; R0074
field military maneuvers adaptation, female US Army officers vs enlisted; self reports, observation; Q6620
gender discrimination, psychology profession; World War II; article/comments; R1084
job satisfaction/anxiety, female engineers; need fulfillment, stereotyped attitudes; mail questionnaire; GB; Q9666
managerial position attainment, Israeli females; decreased male competition, norm changes; labor force surveys; 1975, 1982; S18031
nonfeminist consciousness, professional working women; questionnaire; Q9135
part-time working women, male-dominated professions, marginality/coping strategies; interviews; S18948
professional specialization, women doctors; doctor surplus; S19044
professional women, India, gender subordination/social hierarchy linkage; S19192
social status, professional women; own vs husband's occupation, income; questionnaires; professional/business women's organization members, New Orleans, Louisiana; S19059
stress/alienation, male vs female public school teachers; age, length of service; scale, survey; R0079
theatrical profession, Quebec, women's influx; S17686
work/retirement attitudes, women business owners; S18947

Professional Workers
alienation preconditions, young managers/professionals; questionnaires; Q3123
college faculty/staff/students, funding cut problems/strategies; R0121
computer scientists, stereotyped characterizations; questionnaire; university students; R0109
computer work force, blacks' participation; R0112
job commitment, male/female managers/professionals, US; personal/family/job variables; questionnaires; Q9648
job vs profession commitment, professionals; mail survey; Canadian Association of Certified Accountants members; R0101
mail questionnaire, professional groups' response/cooperation; Q4663
"new class" orientation, nurses vs semiprofessionals/professionals; surveys; Q6759
physician assistant profession, status/trends; Q3658
pilot performance; marijuana smoking; experiment; Q6155
professional career/achievement; social origin; survey; Berlin, West Germany; R0676
professional qualifications/motivations, agricultural scientists, Agency for International Development; scales/other data; R0485
professional unionization movement, French intellectual workers' representations; S17941
professionalization process, professional language development; Q8057
professions, France; interviews; syndicalists, presidents of professional associations, trade chamber members; S18791
psychiatric professions, socializing function/state relationship; Q5374
public defense lawyers, court legitimacy issues; R0382
scholarly activity, academic chemists; administrative service; publication/student productivity records; Q2950

technological danger, information sources, public trust; random questionnaire; communities, California; Q6922
tourism development/impact, Hawaii, residents' attitudes; questionnaires; R1027
unanimous foreign policy consensus, Finland, Lutheran Church's role; Gallup Polls; S18152
US attitudes, Middle East; telephone interviews; Q5220
voters' election intentions; "indirect" bandwagon effects; public opinion polls; S17989
world outlook, Czechoslovakian youth, operationalization/typologies; Q5872
youth movements, participants'/authorities'/others' social images, Zurich, Switzerland vs Amsterdam, Netherlands; secondary/Q-sort data; Q7878

Public Opinion Research
attitude distribution/strength, public opinion surveys; no-opinion filters; telephone survey; households, Akron, Ohio; Q9864
extremist political views, West German young people; book review essay; Q9865
income distribution fairness, Netherlands, public opinion; surveys; Q8033
income/living standards, public's judgments; interviews; families, Boston, Massachusetts; Q3436
Left/Right political tolerance, US public; age, education; surveys; Q5213
mass media analysis, ironic/antagonistic vision; lecture text; Q7892
opinion polling, surveyor-respondent relationship; Q7884
perceived most important problem, regional/community/personal trends; public opinion polls; Q3448
policy issues, mass surveys, response instability/nonattitudes, measurement fallibility; survey data; adult residents, Long Island, New York; Q4882
political polling process, methodological problems; Q5215
political science meeting, Milan, Italy, method/values; Q2908
public opinion polls, US politics, methodological/bias problems; news media; Q6662
public opinion research, historical perspective; Q3438
public opinion research, instability problem, filtering index; secondary data; Q7889
public opinion research/surveys, pragmatic vs mythological levels, USSR; Q5218
public opinion service, Yaroslav Party Committee, USSR; Q3441
public opinion survey institutes/regional centers, Spain, structure/functioning; post-1975; Q7886
public opinion surveys, Czechoslovakia; Q3445
public's taxation/spending attitudes; survey; households, US; Q3451
survey nonresponse bias; opinion strength/issue preferences; mail polls; Columbus, Ohio; 1983 election; Q4657

Public Policy
age-segregated vs intergenerational coalition policy formation, US; R0837
applied social research, policy/trends Norway; R0887
basic needs, policy questions; R1057
beer prohibition, Iceland, symbolic politics model; parliamentary debates, newspaper reports, polls, interviews; S19008
child gender preselection, biotechnological diffusion planning, ethical issues, public policy choices; R0671
child sexual abuse, nuclear families, state intervention policy/programs; surveys, interviews, case files; R0640
community-dwelling older persons, service needs, public policy implications; interviews; London, Ontario; Q7079
crime prevention policy formulation, critical criminology's contribution; Q9038
death penalty, public policy determinants; R0421
disability research, sociopolitical perspective/dimensions; R0724
drug control, law enforcement strategies; R0827
drug prohibitionism policy, Australia, failures/alternatives; R0813
economic equality policy, Spain, long-range implications/distortions; Q7809

elderly, family care trends; Q8651
electoral law declaration, Nicaragua, 1984; R0021
embryo/fetus moral status, public policy-making issues; Q4096
environmental policy decision making, scientific research's roles, uncertainty arguments; Q7157
female sterilization, Chile; questionnaire; R1055
full employment conditions, union-state bargaining, corporatist model; case study; Israel; Q9701
gun control research, public policy recommendations; Q8388
higher education, government funding strategies, national interest goals; R0285
homelessness, public policy debate; S18912
housing the urban poor, Delhi, India; land development policies; S18466
human reproduction engineering, public policy issues; Q4093
illegal immigration reform legislation, US, social/public policy determinants/consequences, US-Mexico relations; Q6276
immigrant images, Canadian psychological/mental health literature, pre-World War II; R0115
immigrant policy, Netherlands, race/social class issues; S19145
industrial firms' location decisions; public policies; survey; US, Canada; Q6289
learned helplessness assumption, social welfare policies; R1050
leisure policy, GB vs France; legislation data, spending data, surveys; comparative approach; S17965
magnet schools, desegregation effects, funding issues; R0271
maternal/children health care services, California; Proposition 13; R0756
organized interest groups, urban policy impact; Winnepeg, Manitoba; S17745
peer evaluation/review, grants/journal/public policy research; *Science, Technology, & Human Values* special issue; Q5695
political attitudes/public policy priorities, Mexican Americans/Anglos; San Antonio, Texas; Q6266
pornography legislation/policy, US, Danish model's applicability; article/reply; Q4911
professional sports franchise acquisition/retention, cities, public policy issues; case study; Baltimore, Maryland; Q9926
protracted imprisonment, dangerous criminals, policy debate; Q6910
public information policy, Chicago, Illinois, democratization process; Q9978
public policy assessment, ordinal time-series analysis methodology; Q9274
public resource allocation rationales, public choice vs game vs discourse theory explanations; S17956
radon gas contamination, native American communities, government policy implications; article/comments; Q9931
Rockwell Project for Integrated Social and Economic Analyses, public policy analysis, interdisciplinary approach; Q6269
scientific research results, public policy implications, critical approaches/appraisals; Q5696
second-generation immigrants, Western Europe, government policies; Q9595
sexual harassment, public policy issues; questionnaire survey; female state government workers, Florida; Q9676
sexual harassment, workplace, public policy's impact; Q3332
sexually transmitted diseases, population awareness, public health models; R0741
smoking/health issue, tobacco industry economics, US, public policy options; Q8789
welfare capitalism, 1935 Social Security Act, elite domination thesis; article/reply; Q9827
Wilson, James Q., *Crime and Public Policy*; book review essay; Q6179

Public Schools
academic achievement, modern public vs private schools, sociodemographic factors; background characteristics; testing data; high school students, Florida; Q5521
academic behavior, public vs Catholic school students, school-effects model; quantitative case study; Q8262
desegregation effects, public schools, North Carolina; statistics; Charlotte-Mecklenburg County; Q8281
educational innovations, continuation status; mobilization patterns, change agents; participant observation, case study; public school districts; Q8244
educational performance indicators, validity/utility; R0249
learning disabilities, US public school students, labeling theory; questionnaire; teachers, parents, school officials; Q5572
minority educational achievement; Catholic vs public schools; High School and Beyond program; blacks, Hispanics; Q5555
professional status, teachers; state accountability schemes; R0076
public education litigation, history/trends/phases; case records; Saint Paul, Minnesota; Q5588
public education, federal government's role, New Right/centrist conservative policy; Q8275
public education, "master teacher" concept; Q8091
school prayer, US, supporter characteristics; Q3897
state-level textbook adoption decision making, legislation objectives; statute content analysis; Q3874
stress/alienation, male vs female public school teachers; age, length of service; scale, survey; R0079
urban public school closings, Ohio, population ecology framework; S17482
wages, southern vs nonsouthern workers, US; school/college expenditures; R0295
white public school enrollment; school desegregation; school district statistics; United States; Q3879

Public Sector
financial system's nationalization, Mexico, public/private sector effects; S17723
health care, homeless ill, voluntary/public health programs; S18937
job satisfaction; employee age/education, job characteristics, salary; questionnaire scale survey; public employees, US; Q3319
labor market segmentation, public sector; Q9667
leisure time activities, industrial workers, Punjab State, India; case study; S17653
liberalism as collective discourse, language-public life relationship; Q7422
owner-occupied vs public sector housing, GB; British Family Formation & General Household Survey data; Q7006
privatization process, financing/public production, Norway; R1006
public enterprises/economic democracy; European countries; S18086
public sector employees; informatization; Q6618
public sector ineffectiveness, autonomization/self-management solutions; S18241
public sector productivity, 20th-century bureaucratization; Q9437
public sector size-economic performance relationship, aggregate international regression analysis; R0004
public workers, Mexico, leftist sympathies; Q9982
sex discrimination regulation, Norway, public sector hiring practices; Q8109
social programs, Quebec, public vs voluntary sector; welfare crisis; S18422
social transformation, Left's strategies/tactics, public sector job creation; Q7706
socioprofessional characteristics/mobility, directors/administrators, public vs private sector; interviews; S18507

Public Services
city-wide public services, utilization patterns; neighborhood racial composition; interview survey; blacks/whites, Akron, Ohio; Q6774
civilian nuclear power development, US, government's/utilities' roles; Q3505
county-level public service organizations, Washington; budget changes; survey; agency administrators; R0950
future societal changes, devloped countries, new social policy, service economy/quality effect; S17761
Legal Aid System, Italy; Q3997
political decentralization, Denmark; 1975-1985; S19241
public service art, organizational dynamics/politics; videotapes, participant observation, surveys, questionnaires; Artists-in-Residence program, Chicago, Illinois; Q5450
public service provision, welfare state, voluntary sector's role; UK; S18016
structural transformation/unemployment, urban areas, US/West Germany; S19156
typhoid risk, Pittsburgh, Pennsylvania, 1890-1910; ethnic/social/immigrant status; case history; Q6035
urban service delivery, resident satisfaction, racial differences; moving status/option; survey; R0180

Public Support
political support decline, American public; political disaffection/alienation, economic hardship; post-1960s; Q6713
punitive criminal sanctions, community support, psychological/sociological factors; interviews; R0406
rural development programs, people's participation, India; structural interviews; Kallah/Chak Fatch Singhwal households; Q8146
tax revolt amendment, Florida, public support motivations; survey; Q3534
US foreign policy, religious leaders' role, Jerry Falwell case; church leaders' statements/actions, opinion poll results; S18777

Publications
Brazilian scientific publications, production/distribution/costs; S17726
Girl Scout handbooks as socialization manual, content analysis technique; Q7229
Journal of Individual Psychology articles, gender types/publication records; content analysis; R0461
Language Learning & Communication, publication life history; R0434
professional publication, social work journals, explanatory variables; content analysis; Q8121
publication productivity, Derek John de Solla Price's "square root law"; Q7265
science development, China, language planning needs; R0222

Publicity
alcohol-related traffic accidents; stringent driving-while-intoxicated legislation vs publicity campaigns; quantitative/qualitative methods; Q8399
automobile repair fraud; media publicity; experiment; California; Q8921

Publishing Industry
Das Argument, feminist-socialist topic, lack of German language articles; Q6231
Language Learning & Communication, publication life history; R0434
pulp magazines, history/structure/function; Q5253
romance novels, cultural production, publisher/editor decision making; Q7929

Puerto Rico
community health hazards; Puerto Rican Union Carbide factory; fieldwork; Q4269
divorce/marital role expectations, Puerto Rican students; kin divorce frequency, gender, perceived parental marital happiness; cross-sectional data; Q8677
entrepreneurial activity, Cuban immigrants, Puerto Rico; interviews; Q6597
ethnic economy participation, Edna Bonacich's theory; interviews; Cuban exiles, Puerto Rico; Q4943
ethnic group integration/martinality, Puerto Rican immigrants, US; 1980 Census; Q9542
ethnic identities, Chicanos vs Puerto Ricans, US; Q4865
fertility decline, Puerto Rico; sterilization, contraception, single status, abortion; Q5764
militarization, Puerto Rico/Caribbean, US regional strategy; Q9715
political protest movement, University of Puerto Rico; 1903-1930; Q9857
Puerto Rico's higher education system, social functions; UNESCO statistical data; S18445
"society"/"development" concepts, world-system context; empirical data; Germany/Puerto Rico; Q6654

Punishment
corrections, rehabilitative efforts; major social institutions' changing trends, possible futures; Q4028
crime; punishment policy theory/implementation, institutional trade training; historical analysis; North America/Europe; Q6899
death penalty, public support motives; mailed questionnaire survey; residents, Seattle, Washington; Q8414
delinquent behavior; sanctions' perceived severity; questionnaires; high school students; Q6909
legal punishment perceptions, individual differences; interviews, questionnaires; arrestees; factor analysis; R0413
legal punishment, men's vs women's attitudes; statistics; Q9184
penal policy models, punishment's purpose; Q3966
products liability litigation, punitive damages awards, retribution/deterrence issues; Q8370
Punishment and Welfare: A History of Penal Strategies by David Garland; review essay; Q8416
punishment, competing assumptions/ideologies; Q4018
punishment/social action, business cycles; Q5685
punitiveness assessment scale, personality trait correlation; Australians; Q4891
sexual assault retaliation, moral justification issues, males vs females; vignette questionnaire; undergraduates, Ontario; Q4511

Punjab, India
British colonial rule, India, imperial records'/reports' validity; Q8011
ethnic/political conflict, India, social cybernetic model; Q9580
family/religious attitudes, retirees, Punjab, India; interviews; R0853
landownership/crop patterns; family structural/technological change; interviews, surveys, *patwari* records; Sunher village, Punjab, India, 1931/32, 1956/57, 1978/79; Q8128
leisure time activities, industrial workers, Punjab State, India; case study; S17653
modernization process, Punjab, India, urbanization/literacy/media/political participation; secondary/statistical data; Q5169
protein calorie malnutrition, boys vs girls, Punjab State, India; interviews; mothers/children; R0544
Punjabi (Indian) legend, existential/anthropological perspective; Q7635

Purchasing
consumer shopping activity, Norway; Central Bureau of Statistics time-budget survey; S17940
goods/service purchase locations, farmers' choices; farm size, land tenure; interviews; Iowa; Q5424

Purdah
Hausa women, Nigeria, social environment/secluded status; Q4524

Puritans
hedonism, US, Puritanism/rationality; Q4431

Qatar
demographic/socioeconomic structure, Gulf States; Kuwait/Qatar/Bahrain/Saudi Arabia/United Arab Emirates; S17528

Quakers
feminine symbolism/behavior, radical religious movements; Franciscans/Quakers/Mohandas Gandhi followers; Q9853

Qualifications
occupational concentration/career paths, women; qualifications/training; Q8065
science development, China, language planning needs; R0222

Qualitative Methods
artificial intelligence, sociological applications, social system analogies; Q4048
cross-lagged panel models, statistical inference methods; behavior modification application; Q9281
data coding procedures, grounded theory research style; S18627
family case studies, qualitative analysis methodology; interviews; S18996
family values data analysis, microcomputer use, conceptual schemas; interviews; small farm residents; R0636
Geertz, Clifford, anthropological methodology/theory; Q9426
Italian sociology, methodological issues, qualitative/quantitative approaches; Q7208
knowledge crisis, social sciences, quantitative vs qualitative approaches; Q9351
leisure behavior studies, interviews/participant observation methodological approaches; S18065
morale, life satisfaction, rural elderly; social/physical environment, qualitative assessments; interviews; Warren County, Indiana; Q7085
narrational analysis, cross-cultural studies, Southeast Asian research experiences; Q4654
politeness expression, Japanese, qualitative data quantification technique; interviews; residents, Tokyo; Q6788
prenatal amniocentesis, qualitative sociological research, emotional difficulties; personal experience; Q9322
qualitative data analysis/its validity, idealized types, Max Weber's views; S17901
qualitative methodology, experiential data verification; Q7251
qualitative methodology, measurement problems; Q2895
qualitative research methods, US sociology, Max Weber's influence; Q3047
qualitative research, analytical induction model; Q9251
qualitative research, educational organization, trustworthiness/goodness criteria; Q2878
qualitative sociology, David Sylvan's/Barry Glassner's *A Rationalist Methodology for the Social Sciences*; review essay; Q2882
qualitative sociology, field notes processing, computer managing programs; Q2870
qualitative survey research, government agencies, US/GB; Q9266
qualitative systems theory, quantitative approximation approach; Q4626
qualitative/quantitative methods, complementarity/objectivity; case study; agricultural laborers' strike, Andalusia, Spain; Q9231
quantification, Anglophone Canadian sociology; Q7353
quantitative/qualitative methods, science research, social distinctiveness/complementarity; Q9247
quantitative/qualitative sociological research methods; Q4624
small-sample qualitative studies, statistically nonrepresentative stratified sampling technique; Q9285
small-scale qualitative research, gerontology; Q2893
social science qualitative analysis, structural components identified; S18518

sociological content analysis, scope/limits; Q4652
survey data, qualitative analytical method; France; Q7259
Swedish sociology, qualitative methodology; Q2886

Quality
cancer research articles' quality; bibliometric variables; 1974/75 publication analysis; Q8464
quality judgments, technical fields, social-psychological/structural factors/biases; interviews; researchers; Q8511
research article quality, S. C. Bradford "publication zone"; content analysis; bacteriological research articles; 1974-1978; Q8472

Quality of Life
art's cultural context, quality of life contribution; political/economic pressures; Q5502
cancer patients' quality of life; cancer treatment; literature review; Q6025
children's quality of life, single vs multiple-child families; survey data; Changsha, Hunan Province, China; Q4107
elderly's quality of life/unequal status; social/aging policies, capitalistic class struggles; political-economic framework devised; North/South America, Africa, Middle East; S17986
elderly's quality of life; household composition, social relations/support; welfare surveys; West Germany; S17915
externally defined well-being vs self-perceived quality of life, elderly, research issues; Q6171
family life quality, US males, work amount/scheduling/flexibility; literature review; R0662
feminism/quality of life measurements; survey data; S18415
financial well-being, older divorced/separated men vs women; interviews; Q4350
illness, psychosocial adaptation; marital relationship characteristics; questionnaire; cardiac patients/their spouses, West Germany; Q8807
life quality/length; lifestyle, attitudes; Q3085
life satisfaction/quality perceptions; age/education/race/sex; survey; US; S17462
lifestyle satisfaction; recession; representative sample telephone interviews; citizens, Windsor, Ontario; S18252
man's ecological/leisure needs; computer revolution; Q7712
perceived quality of life, Federal Republic of Germany; surveys; 1978-1984; Q9013
population change, rural US, community-level implications; R0493
quality of family life, Australian Defence Force; questionnaire/interview surveys; military officers, wives/partners; S18037
quality of life evalutions, medical decision making, ideological variants; Q9017
quality of life perceptions, cancer patients; cancer discovery/treatment, personal coping factors; self-reports; S17955
quality of life perceptions, political alienation/attitudes; social mobility; Q7962
quality of life questionnaire vs previous measures, rational empirical approach design; validation survey; Q4644
quality of life research, objective/subjective dimensions; Q7146
quality of life, back-to-the-land movement participants; "official" vs "nonofficial" religious affiliation; questionnaire; S17693
quality of life, dual-career families; gender/career-orientation differences; questionnaires; R0657
quality of life, farmers, methodological/conceptual issues; S17441
quality of life, indicators/models; S17828
quality of life, Scandinavia; material living conditions; survey data; Q3054
quality of life, US military families, Europe; S18170
quality of life, US, comprehensive index; S18048
quality of life; medical life-prolongation technologies; midwestern US; S17974
quality-of-life predictions; ethnic group identification; writing assignment experiment; U students; Q4692
residents' confidence/fear of crime; neighborhood physical environment; Baltimore, Maryland; Q5478
small family farms, quality of life advantages, Western Europe; R0136
subjective quality of life measurement, methodological problems; questionnaire data; adults, Norway; S18304
subjective quality of life, farm families; surveys; Kentucky; S17440
survivorship, societal context; Q3121
urban environment, residents' evaluations/satisfaction; city growth rate; questionnaire; Winnipeg, Manitoba/Edmonton, Alberta; Q8156
urban poor's life world, Seoul, Korea; field survey, interviews; S17752
value dimensions, perceived quality of life, cultural differences; interviews; New Zealand; Q9014
well-/ill-being; age/personality traits/life events; panel study, interviews, questionnaire; Victoria, Australia; S17979

Quality of Working Life
employee rights, viewpoint expression, France; new law assessment; Q9674
failed quality of work life program, union problems; interviews, questionnaires; manufacturing plant, midwestern US; S17529
farm work, quality of work life vs job satisfaction; survey; farmers, Kentucky; S19258
industrial work changes; social-anthropological approach; S17684
job involvement/performance; career opportunities/planning/supervisor characteristics/work climate; UNESCO International Comparison Study; research scientists, Argentina, Egypt, India, South Korea, Poland, Ukrainian Soviet Socialist Republic; S17730
job relocation, employee adaptation problems, France; Q9631
manpower quality/technological change relationship; education, work conditions improvement, appropriate technological solutions; S17749
occupational health, industrialized countries, workplace risk/psychosocial factors; Q9659
work alienation, developing countries; organizational/institutional decay/ineffectiveness; S18098
work life, Nordic countries, action-oriented research features/problems; Q2976
workers' alienation; capitalist work organization; interview questionnaires; leather artisans, Haryana, India; S19226
working life control strategies, organizational/professional/personal resources, architects vs psychologists; interviews, participation; S18634

Quantitative Methods
adolescent alcohol consumption measurement instrument test; interviews; Dane County, Wisconsin; longitudinal analysis data comparison; Q6140
The Analysis of Cross-Classified Data Having Ordered Categories, Leo A. Goodman; review essay; Q6450
association between two discrete variables, L. A. Goodman's/E. B. Andersen's log-multiplicative model; Dutch statistical survey; Q2942
attitudes, triadic situations, F. Heider's qualitative balance theory, quantitative extension; Q3073
calculation/measurement procedures, supermarket shopping/family finances/weight loss; wieght loss group; ethnographic data; Q7124
confirmatory factor analysis, unique factor loadings vs model identification conditions; Q2917
contingency tables, variable reduction; Q4673
cross-national surveys, design/methodological/analytical considerations; national surveys; S18134
decomposing income/earnings/wage differentials, new formula, discrimination theory; Q2920
delinquency research, statistical analysis, causal ordering issue; comments/reply; Q6214
drug studies, double- vs single-blind methodology; experiment; Q4307
drug use research, association model; Q4668
educational attainment/achievement, quantitative research evaluated; S18496
effectiveness of interaction tables; Q9283
event-history analysis/models, methodological elaborations; S19122
experimental design, randomization criticized, Bayesian analysis method proposed; Q4635
factor vs component analysis, mathematics; Q9276
financial crimes, France, statistical analysis, legal records; Q8935
inequality, entropy-based measure; Q3605
international unemployment statistics, measurement problems; Q3334
Italian sociology, methodological issues, qualitative/quantitative approaches; Q7208
limited dependent variable analysis, latent random variable models; national sample, adolescents; Q2933
medium-sized samples, comparative/statistical analysis; Q2928
multivariate longitudinal organizational data, three-mode principal component analysis; Dutch hospital data; Q2926
non-Gaussian distributions, robust statistics, M-estimators; applications; Q2936
nonrandomized control group designs, excluded variable problem; Q2921
ordinal variables/causal models, Spearman statistics' properties; Q9284
path analysis, multiple-partial standardized regression coefficient; Q9286
path analysis, procedures/advantages; Q4674
political decision making, research coding procedure; Q6281
polynomial regression method; occupational prestige/socioeconomic index scores; Q9273

poverty theories/measures, holistic approaches; Q4497
qualitative systems theory, quantitative approximation approach; Q4626
qualitative/quantitative methods, complementarity/objectivity; case study; agricultural laborers' strike, Andalusia, Spain; Q9231
quantification, Anglophone Canadian sociology; Q7353
quantitative research reviewing, meta-analysis technique, US/GB practice; Q8264
quantitative/qualitative methods, science research, social distinctiveness/complementarity; Q9247
quantitative/qualitative sociological research methods; Q4624
regression analysis, labor market effects/unequal employee treatment ambiguity; City University of New York Instructional Staff Profile data; Q2918
repeatable outcomes, hazard models, multivariate stochastic point processes; Q9289
self-report questionnaires, drug use, reliability; seventh graders; Q4648
social change research, automated historical data reconstruction methodology; Q2890
social welfare ordering, acyclic aggregation methods; Q9282
social/economic/cultural development, Hungary; quantitative data; S18729
society transformation, 18th-century Europe, quantitative methodological approach; conference topics; Q3063
statistical analysis, discrete-/continuous-time models; 2-book review essay; Q4681
statistical errors, 1980 CPS panel study; Q6451
statistical methods, sociocultural anthropology; Q2868
time series data, pooled regression design/estimation, political science application; Q6452

Quebec
adult correctional policies/practices; Quebec, 1960-1985; Q6900
agricultural workers' union, Quebec; book review; Q5399
antiwar movement, Quebec, pluralist unity; Q9930
Bergeron, Gérard, political theorist, Quebec; Q4792
capitalist production/transition, Quebec, seigneurial privilege phenomenon; 18th-19th century; Q8144
career/personal lives, middle-/senior-management women, Quebec/Ontario; S19140

social policies' effectiveness, Reagan administration; national field network evaluation; Q4468
statistical system changes, US, first Reagan administration; government reports; Q4675
supply-side tax cutting policy, US, social work implications; Q7944
US-Central America relations, Ronald Reagan's 9 May 1984 speech; Spanish translation; R0022
voter behavior/political policy views, Ronald Reagan's 1984 election; public opinion polls; US; Q9992
voters' choices/attitudes, 1980/1984 US Presidential elections; Moral Majority/New Christian Right influences; surveys, telephone interviews; Q3590
welfare state, transfer payments, Reagan administration policies; Q9998
women's health care, Reagan administration's policies/ideologies; Q8773
Real Estate Industry
real estate development, economic activity decentralization, employment; telecommunications growth; Q6929
Realism (Philosophy)
social sciences, new realist philosophy, positivist limitations; Q7220
Reality
ideology vs reality; Q2865
reality therapy, method/effectiveness; R1156
television reality perceptions, emotionally disturbed vs nonhandicapped children; Videotest; Q7917
Reasoning
poet/philosopher vocations, Wallace Stevens's/Edmund Husserl's views; Q9345
reason/law relationship, John Dewey's theory; Q8378
Rebellions
Boxers' movements, 19th-century China, historical interpretation/reconstruction; R0915
capitalist world economy, antisystemic rebellion movements; Q9846
European revolts, 16th-17th centuries, social class conflict vs collaboration; GB, France, Spain; Q4565
Recidivism
adjudicated delinquents; behavioral vs psychodynamic treatment approaches; content meta-analysis; primary research literature; Q8951
adult probationers' recidivism; personal characteristics; Shreveport, Louisiana, cases; Q3182
burglary recidivism; incapacitative-based sentencing schemes; experiment; 1982 burglary defendants, Dade County, Florida; Q6908
criminal career abandonment; prison, criminal lifestyle; interviews; Montreal, Quebec; Q6194
criminal recidivism, black vs white offenders; sentencing disparities; official data; federal felony offenders; R0416
criminal recidivism; early prison release; clinical vs statistical prediction methods; Israel; Q6901
drunk drivers' past criminal records; random selection; Massachusetts; Q6178
drunk driving recidivism reduction; Current Status/Life Activities Inventory test administration, DUI Probation Follow-Up Project; Mississippi; Q6141
juvenile recidivism rates, family dynamics; prison aversion program; experiment; Colorado; Q8946
postdischarge police contact, not-guilty-by-reason-of-insanity clients, Oregon Psychiatric Security Review Board's decision making; R0759
recidivism, ethnomethodological perspective, rehabilitation process; Q3166
women declared incompetent/insane, histories/rehospitalization/criminal recidivism; case/hospital records; R0768
Reciprocity
social network reciprocity, rural agricultural villages, West Bengal, India, alternative measures; survey; S18448
Records (Documents)
British colonial rule, India, imperial records'/reports' validity; Q8011
confidential student records exchange process, schools-other institutions; official records, interviews; Q8240
medical record keeping, clinically relevant information; internists' medical records, videotaped encounters; S17885
open adoption records legislation, salience/support, male vs female adoptive/birth parents; content analysis; parents' letters to government officials; S18998
police investigative report production, France; observations; witnesses/suspects/victims; Q6880
record-keeping practices, police juvenile-offender departments; R0414
survey responses vs external records correspondence, victimization reporting validity; residents, victims, Illinois; Q2906
telephone communication data accuracy/reliability, self-report diaries vs automatic recordings; content analysis; university employee sample; Q4649
Recreation
artistic activities as leisure vs work; interviews; artists; Q9889
camping behavior, Netherlands; S17670
elderly recreational vehicle travelers, social/lifestyle characteristics; article/reply; Q9907
leisure activities, community integration/unity, rural areas; technological advancement, education, government facilities, communications; Maharashtra, India, villages; S18693
leisure/recreation, Netherlands, state ideology/intervention; Q9888
municipal recreation land, US, central cities vs suburbs; statistics; 1965-1980; Q9051
outdoor recreation/open space planning, decision-making process, spatial approach; Q7924
personal vs social identity importance, behavioral/preferences; questionnaires; college students, adults; Q9490
public lands, commercial recreation, federal agencies' information needs; Q3475
public open space provision, recreational uses, urban areas, US/California; Q9050
recreational activities, nonparticipation factors, decision-making model applied; 1981 public opinion survey; Alberta, Canada; Q9903
recreational preferences, western Siberia residents; survey; Q3370
recreational/tourism behavior, low-income families, Quebec; Q9905
rural recreational facilities, GB, accessibility policies; Q7923
skiing behavior, benefit segmentation market analysis; questionnaire survey; skiers, North Carolina; Q3484
sport/recreation, GB, state intervention; Q5262
tourism, water-based recreation, France; 1904-1984; Q3469
Recruitment
elite graduate business schools, corporate recruiting practices; questionnaire survey, interviews; R0261
police recruitment/promotion, diverse methods, France; survey; Q6744
racial integration, sport context, contact theory; questionnaires; secondary school athletes/nonathletes; Q3485
recruitment strategies, labor market structure; book review essay; Q3307

social recruitment strategies, violent separatist organizations; social class structural factors; Q5006
young professional recruits, values/socialization; longitudinal data; 1960s-1980s; S17590

Reference Groups
academic ability/achievement, self-appraisals, reference groups' influence; longitudinal interview study; male high school students, US; Q9472
experimentally induced attitude changes' persistence; persuasive communicator's/subject's political orientations; Q9509
students' parent/peer/school affiliation; grade, sex, ability, socioeconomic status; inventory; males/females aged 11-17, Sydney, Australia; R0283

Reference Materials
Etymologies by Saint Isidore of Seville, medieval scholarly text; Q8258
sociology dictionary; reply/response; Q2947

Reform
agrarian structure reform, land tenure, Iranian revolution; R0151
capitalist world economy, antisystemic rebellion movements; Q9846
chronically ill, health maintenance organizations, reform strategies; Q8801
electoral/political reform, Mexico; R0011
health care system reform, Hungary, sociopolitical implications; Q8745
insanity defense reform, implications/impediments; Q8408
intergovernmental relations; decentralization reform strategy, Switzerland; S18115
judicial reform issues, India; S17980
juvenile justice reform, current policy debates, overview; National Center for Juvenile Justice/census data; Q6879
juvenile justice reform, US federal policy; Q6890
juvenile justice system, Florida, major issues/legislative reform; survey, questionnaire; legal system experts/practitioners; R0905
legal profession reorganization, Geneva, Switzerland; interviews; reform bill committee members; Q3953
legal reform tactics, US/GB; R0365
Mannheim, Karl, sociological thought, political/legal focus, role in Weimer Republic's political development; book *Conservatism* analyzed; S18262

Refugees
Buddhist religious scripture interpretation, "dGe lugs pa" sect method, Tibetan debate; Tibetan refugees, US, Nepal, India; Q6838
Cuban/Haitian immigrants, US, labor market assimilation/mobility; interviews; Q3227
cultural adjustment, Hindu Pakistani refugees, India; interviews; household heads/members, local residents; Q8520
forced migration; symposium report; Q8549
Hitler-era German refugee intellectuals, Lewis A. Coser's *Refugee Scholars in America: Their Impact and Their Experiences* ; book review essay; Q5379
Hmong Christian refugees, volunteer worker's protectiveness/experience; Eau Claire, Wisconsin; Q7918
Indochinese refugees, US, assimilation/settlement; Q7616
labor force integration, migrant refugees, West Germany; 1971 microcensus supplement; R0517
life history research method, mental health consequences, Cuban refugees; taped interviews; Los Angeles, California; Q7064
refugee migration, Cuban exiles; Q3224
self-concept/-esteem/-ideal, academic achievement, Indochinese refugee students, US; Self-Descriptive Inventory, academic records; Lao students; Q3108
Southeast Asian refugee women, US, sociodemographic characteristics; S17522

personality research, empirical/experimental approach; Q6543
policy guidelines, systematic case review method; questionnaires; S17876
political bipolarization/fair representation, one vs two-criteria situations; formal mathematical model proposed; Q6455
poverty conceptualization/measurement, small town/rural areas, organizing model developed; S18824
pupil classroom behaviors, direct observation measures; Q4650
quality of life research, objective/subjective dimensions; Q7146
research methodology, rural sociology, substantive nonadditivity; S18860
research methodology, theory testing vs construction; three-book review essay; Q7234
research methods, social anthropology; book review essay; Q7306
research, methodology's role/status; Swedish perspective; Q2914
Rural Sociology journal, methodological review; content analysis; Q5435
rural sociology, knowledge consolidation/referee agreement; codification patterns; manuscript analysis; S18822
scale transformations, sociology; Q2932
scientific performance evaluation, high-energy physics, peer review/citation analysis critiqued; reply; Q5727
social change research, automated historical data reconstruction methodology; Q2890
social intervention research, knowledgeable/nonknowledgeable respondents, discriminating methodology; experiments; electricity users, Edmond, Oklahoma; Q6421
social mobility research project, France, methodological issues; S17647
social sciences/architecture relationship, global vs partial research approaches; Q8168
social value measurement, ranking vs valued quality ratings; survey; 1980; Q4641
social/family relationships changes, paintings as data source; content analysis; Jan Peter Bruegel's works; Q4590
sociolinguistic/sociological research/theory relationship; action/collective phenomena/life history/career analyses; S18697
sociological narrativism method critiqued, West German sociology; Q4643
sociological research methodology, USSR, longitudinal vs cohort demographic approaches; Q6440
sociological research, USSR, microcomputer use; Q6441
sociometric assignments, group membership stability, assessment procedures; questionnaire; Q6445
standardized interview, success factors; Q6449
statistical methodology, computer techniques; Q4677
survey data, standard error approximation techniques; Q4667
survey nonresponse bias; opinion strength/issue preferences; mail polls; Columbus, Ohio; 1983 election; Q4657
survey research issues; book review essay; Q2894
television news, Italy, discourse analysis methodology; S18217
tourist behavior, Dutch vacationers, situational approach; S18077
traditional urban research problems; Q3759
validity/reliability concepts, social sciences' (psychologists') definitions/use criticized; S18230
value research/measurement, alternative approaches; Q6448
visual sociology, methodological issues; Q4604
Western peace research, status/achievements; content analysis; journals; Q5285
women/aging, feminist research issues; personal experience; Q8892

Research Responses
distortion, interviewee response effects, approaches/models; Q4893
family-building process, longitudinal study, response stability; interviews; white Afrikaaner women, Pretoria, South Africa; Q7250
life satisfaction/happiness, multiple discrepancies theory; questionnaires; university students; S18268
network interaction research, informant accuracy problem; Q7783
qualitative research interviews; Q7235
response rates, interviews vs mailed questionnaires; Q2900
response set stability; surveys/questionnaires; questionnaire scales; Hispanics/non-Hispanics, US Navy; Q2902
sexuality research, questionnaire/interview methodologies, response/sample bias; Q7233
survey responses vs external records correspondence, victimization reporting validity; residents, victims, Illinois; Q2906

Research Subjects
social psychology, experimental research ethics; Q7407

Researcher Subject Relations
conversion-oriented groups, field research issues; Jesus People; S19004
interview response patterns, acquired immune deficiency syndrome patients vs other homosexual males; interviewer's sex, place of interview; Q9252
leisure research, participative roles; Q7922
mechanical/welding shop, New York; ethnography; R1175
prenatal amniocentesis, qualitative sociological research, emotional difficulties; personal experience; Q9322
qualitative field research, researcher/subject relationship breakdown; case examples; R0612
quota sample surveys, interviewers' respondent selection practices; secondary surveys; Q9258
response quality, interview surveys; inadequate interviewer behavior; transcriptions; S19248
subjects' inner experience, research interpretation, methodological model; S19087

Residence
burglary vulnerability, residential design/territoriality; Q5442
residence/alienation relationship; questionnaire data; industrial workers, Ondo State, Nigeria; S18356
residency, mentally retarded/developmentally disabled population, California; age/ethnicity/retardation level; client records; Q8828
residential location determinants, female householders; census tract data; Columbus, Ohio; Q4527
residential satisfaction, urban elderly males; housing/neighborhood conditions; questionnaire; Q6168

Residential Institutions
adjudicated delinquents; behavioral vs psychodynamic treatment approaches; content meta-analysis; primary research literature; Q8951
child sexual molestation case, therapeutic community, psychoanalytic-vs structural-functionalist perspectives; Q8822
children's residential psychiatric treatment, long-term outcome; longitudinal research review; Q6069
juvenile male offenders, GB, custodial/alternative penalties; Q5686
Shotton Hall residential school, maladjusted boys; structured interviews; residents, Shropshire, England; Q6903

Residential Mobility
culture shock, professional woman, resolution factors; participant observation, case study; California/Louisiana; Q4899
housing careers; family economic/circumstantial variables; questionnaires; households, Adelaide, Australia; Q5457
moving decisions; employment/school/life cycle events; mail survey, telephone interview; households, US; Q4074

moving expectations; residential satisfaction/preference, social/economic bonds; mail survey; New York licensed drivers; S18809
personal social networks, urban mothers/preschool children; geographic mobility; interviews; US black/white families, Swedish families; Q8676
residence changes, developing countries; life cycle stage, individual socioeconomic/demographic characteristics; survey, life histories; Semarang, Indonesia; Q6935
residential displacement, urban areas; Annual Housing Survey, urban case studies; 1970s; Q5460
residential mobility, migration, future life cycle course; family/career events; interview survey, France; Q5335
residential mobility, retired persons; Longitudinal Retirement History Study; R0860
residential mobility, urban areas; neighborhood social ties; interviews; Detroit (Michigan) Standard Metropolitan Statistical Area; Q8024
residential mobility; household head/spouse retirement patterns; panel study; Q8891

Residential Patterns
adult children, parental household residence; literature review; Q5823
female labor markets/residential location, London England; Q6351
household formation/composition; economic factors, members' sociodemographic characteristics; survey; GB; Q8528
multiple residence ownership, geographic distribution, US; census data; 1970, 1980; Q6648
nuclear household structure, blacks/Hispanics, US; housing constraint; census; R0176
residency, mentally retarded/developmentally disabled population, California; age/ethnicity/retardation level; client records; Q8828
residential differentiation patterns; CUS research project data; comparative approach; S17962
residential invasion/succession, SoHo district, Manhattan, New York City; interview/field data, telephone listings; residents, businesspersons, officials; 1965-1977; Q3763
surburban population changes, Chicago, Illinois; census data; Q3753
unemployment differentials; location; census data; workers, Sydney, Australia; Q5104
urban social/spatial differentiation, new data collection instrument; S18002

Residential Preferences
energy efficient housing alternatives, consumer acceptance; marketing techniques, information availability; interviews; southern US; S18806
housing preferences, buyers' evaluation techniques; questionnaires; residents, Syracuse, New York; Q5471
living arrangement choices, elderly, predictors/influences; interviews; London, Ontario; Q7092
living arrangement preferences, elderly, Quebec, policy issues; interviews; Q8880
locational preference attainment, low-income rural youth, selective migration; longitudinal questionnaire data; blacks, rural South; Q6964
moving expectations; residential satisfaction/preference, social/economic bonds; mail survey; New York licensed drivers; S18809
neighborhood revitalization/gentrification processes; resident life cycle stage; questionnaire; Quapaw Quarter, Little Rock, Arkansas; Q5980
residential satisfaction,; community features; research review; Q6768

Residential Segregation
ethnic group residential segregation, Philadelphia, Pennsylvania; interviews; Q5015
Hispanics, US, residential segregation/color stratification; comment/reply; Q3206
nuclear household structure, blacks/Hispanics, US; housing constraint; census; R0176
Puerto Rican residential segregation; census tract data; New York City, New York/Los Angeles, California; Q4978
residential differentiation patterns; CUS research project data; comparative approach; S17962
residential segregation index, spatial location sensitivity, trend surface analysis; Q4999
residential segregation, areal unit measurement, invalidity problems; Q8164
residential segregation, Asian immigrants, US; census data; Q6570
residential segregation, *P**-type indices; blacks/Hispanics/Anglos, Denver, Colorado/Houston, Texas; 1970, 1980; Q9019
residential segregation, W. Bell's P* index; census data; St. Louis, Missouri; 1970, 1980; Q6273
residential succession/transition/segregation, Hispanic/black/Asian populations, US; Los Angeles, California/Chicago, Illinois; Q8182
social-cultural change, peripheral urban poor quarters; capitalist growth, consumerism, mass culture diffusion; Cairo, Egypt; S18612
urban housing, Iraq, segregation; social stratification; historical case study; Q5468

Resistance
atomization, political oppression, Eastern Europe, routine resistance advantageous political outcomes; S18463
Jewish experiences, World War II, recent works; Q8304
power vs resistance, Max Weber's/contemporary theorists' understandings; Q4778

Resource Allocation
civil administration, Israel, retired military officers' role; secondary data; Q8094
county-level public service organizations, Washington; budget changes; survey; agency administrators; R0950
economic resources, spatial distribution, USSR, regional inequalities; literature review; Q6292
health care expenditures, aged; health resource rationing; case studies; geriatric assessment teams; S18011
health care resource allocation, industrialized societies; societal values; case example; post-WWII Germany; S18176
infrastructural resource development, Thailand, political- vs ecological-economic models; provincial statistics; 1970; Q3628
job earnings; monetary/personnel resources control; interviews; residents, Illinois; Q5388
land allocation system, Lesotho; land advisory boards; Q5317
medical care resources, allocation vs rationing ethics; Q6037
medical care, cost containment, rationing strategies; Q4249
members' subunit identification; resource allocation competition; survey questionnaire; school principals; Q6208
optimal resource allocation, farm families; off-farm employment; Louisiana; S17439
population aging, world demographic trends; R0844
population perspective; resource distribution, trade association's organizational development/collective action; US, Germany; 19th/20th centuries; Q5136
pro-poor redistribution policy, state governments, US; social class segments/resources; 1950s; R1005
public resource allocation rationales, public choice vs game vs discourse theory explanations; S17956
redistributive resource allocation, city decision making, explanatory models; goverment records/census; Q8174
regional economic development, US; militarism effects; Q6271
research/development resource allocation/productivity, research units; questionnaires; cross-national comparisons; S18043
resource allocation distribution, equality/contribution principles' subrules; perceived fairness ratings; Swedish nursing students; Q3149
resource allocation, colleges/universities, centrality concept; interviews, questionnaires; administrators, division/department heads, New England; Q5545
resource allocation, USSR economy; Q4475
resource exchange/interhospital cooperation, head/neck cancer patient management network; documents/questionnaire/interviews/other data; S19011
small scale fisherman; capital intensive technologies, community resource management systems, national development program; Third World; S18805
socioeconomic development, Third World countries; military expenditures; Africa/Asia/Latin America; S17897

Resource Management
applied sociology, natural resource management agencies; Q4587
Community Resource Development programs, US Department of Agriculture, evaluation data; R0953
energy extraction/development, social/economic/cultural impact, conceptual/methodological issues; R0960
environmental conflict; rural population growth; mail survey, newspaper accounts; northern lower Michigan, 1967/1970/1975/1980; Q6936
international governmental organizations, open- vs closed-system perspectives; Q9734
natural resource misuse, sub-Saharan Africa, development policy failures; Q9049
offshore energy development, impact assessment, boomtown model; S19005
redistributive resource allocation, city decision making, explanatory models; goverment records/census; Q8174
resource dependency/underdevelopment, northern hinterland community, British Columbia; demographic/survey/interview data; R0965
rural water systems, pricing strategies, evaluation model; surveys; Oklahoma; Q9290

Resources
future work plans, nonremarried young widows; human capital/economic/family/age variables; survey; Q8684

psychological adjustment, nonmarried widows; income/personal resources; survey; Q8685
resource distribution, Uttar Pradesh, India; caste system; S19230
socioeconomic status-social network resources relationship; survey; Q7776

Responses
mail questionnaire surveys, response rate inducements, effects/interactions; university students; Q9265
response uncertainty models; panel data; Q4669

Responsibility
geophysical disaster, river overflow case, responsibility assignment; interviews; residents, Catahoula County, Louisiana; Q9069
mother-blaming practice, clinical journals; content analysis; Q8961
power motivation, gender differences, responsibility as moderator variable; Q3158

Restitution (Corrections)
corporate crime, restitutionary penalties advocated; Q4371
crime victim's rights, Declaration on the Protection & Assistance of Victims of Crime; Q6895
juvenile court, restitution policies/practices; R0910
victim/criminal reconciliation, encounter models; Q5684

Retail Industry
automobile repair fraud; media publicity; experiment; California; Q8921
member participation, food cooperatives; organizational ideology/structures/processes; interviews; Minneapolis/St. Paul, Minnesota, 1977/78; Q9717
retail stores' "sales," vendor marketing strategies/concerns; interviews, participant observation; Q8101

Retirement
early retirement, British government policies, historical background/social consequences; Q6174
early retirement, Denmark; questionnaires, interviews; firms, retirees; S18294
early retirement, Federal Republic Germany; case studies; industrial firms; S18774
economic well-being/resources, retired workers; status attainment, human capital, labor market segmentation; longitudinal panel data; R0848
female retirement, cross-national patterns; industrial development/pensions/family size/sexual stratification; national data; Q6170
labor force participation, elderly, alternative retirement forms; Q8902
later retirement policy, voluntary vs Social Security benefit reduction approaches; Q8922
leisure patterns, self-supporting women, pre- vs postretirement; occupation, work satisfaction; interviews; Canada, 1976/77, 1980-1983; Q9891
leisure-time needs/problems, elderly, community resources; Q8896
males' early retirement; occupational context, work tasks; survey; Q6164
mandatory retirement debate, higher education; Q3686
marital relationship, retired dual career couples, roles/satisfaction/power; interviews; S18747
men's early retirement; occupational characteristics; longitudinal interview survey; Q8076
peasant retirement arrangements, 17th- to 19th-century Austria; parish registers; Q6165
phased retirement model; New York; 1983; S18154
planned vs actual retirement, men aged 68-73; survey; 1979; Q7078
postretirement work activity, older men; social/demographic/mediating factors; National Longitudinal Surveys; Q8878
preretirement attitudes/intentions, financial resources, white/black US residents, Puerto Ricans; schedules; Q8879
residential mobility, retired persons; Longitudinal Retirement History Study; R0860
residential mobility; household head/spouse retirement patterns; panel study; Q8891
retirement adaptation, black vs Hispanic vs Native Americans; longitudinal/cross-sectional data; S18228
retirement adjustment; social/familial support, economic factors, industrialization, residential mobility; retirees, Aurangabed, India; interviews; S18061
retirement attitudes/socialization, preretirees; questionnaires; male industrial plant workers, Haifa, Israel; Q8898
retirement behavior, nonmarried women; interviews; Q7089
retirement decisions, Illinois grain farmers; case studies; R0855
retirement decisions/expectations, older workers, motor vehicle industry, Australia; interviews; Q7723
retirement patterns, older workers, occupational differences; longitudinal surveys; 1973, 1976, 1978; Q7082
retirement process, black elderly; labor force experiences; interview survey; Q7083
retirement roles, Nigeria; S18357
retirement satisfaction, rural elderly; social integration/personal background/health factors; interview, questionnaire; Midwestern US; Q6163
retirement trends, US; demographic data; Q7080
retirement, US, government policy; Q7090
retirement/migration behavior, US; National Longitudinal Survey of Mature Men data; S18622
social representations of aging, working class labor management; industrial retirement/pension plans; monographs; steel mill, colliery; Burgundy, France, 19th/20th century; S18264
Social Security old age retirement issues, US, Eveline M. Burns's work/professional leadership; 1935-1960; R0889
social security/retirement policies, US; cross-national comparison; Q7076
social/leisure activity, retirement age, France; research data; retirees/firms; S17899
work/retirement attitudes, women business owners; S18947
workers' planned retirement age, aggregate distribution, temporal changes; surveys; 1975-1984; Q8887

Retirement Communities
ethnically segregated retirement villages, Sydney, Australia; literature survey, interviews; residents, administrators; S18163
retirement community, US; typology; Q6167
seasonal vs permanent migration, planned retirement communities, facilitating/inhibiting factors; interviews, mail questionnaire; southwestern US; Q8906

Return Migration
ex-/repatriating young persons, Italy, demographic/economic characteristics; official/secondary data; R0499
migration decisions, metropolitan-nonmetropolitan migrants; economic vs noneconomic factors; northern Washington/Idaho; R0508
migration policy, Federal Republic of Germany, sociological aspects; S18257
return migration patterns, Bari, Italy, rural/urban differences; interviews, questionnaires, statistics; Q5458
return migration, state in-migration flow, US; economic/noneconomic factors; Public Use Sample; R0527
return migration's economic impact, Bernalda, Italy; survey; returnees; Q5752
reverse migration, Western Europe, policy trends; Q4065
rural-urban migration turnaround, US; census; 1970s; R0495

Revolutions
agrarian structure reform, land tenure, Iranian revolution; R0151
Brazilian revolution, 1930, social/economic/political roots; Q7948
Catholic Church conflicts, grass-roots religious change/political mobilization, Nicaragua; democratization, popular revolution; Q6706
church-state relationship, Catholic Church's pluralism/moral value maintenance, Chile; colonial period-present; Q6725
Devotees of Islam, Shi'i religious order, Iran, state/society ideology; R1064
English working class poor, proletariat inaction, Marxist vs neoconservative views; Q6246
Iranian 1978/79 revolution, Shi'i clergy's role/ideology; R0320
Iranian revolution, fascist similarities, religion's role, comparative sociological perspective; Q9943
Iranian revolution, internal/external causes, class origin, ideologies; Q9945
Iranian revolution, writers' role; literary text analysis; R0230
Islamic liberalism, Iran, Mehdi Bazargan's ideas; R0228
Kuhn, Thomas S., scientific revolution theory, computer simulation test; R0927
liberation movements, secular vs religious ideologies/relationships, comparative/global perspective; Africa, Latin America; S18476
"marginal" rebels' characteristics, 1916 Irish revolution; historical accounts, government reports; Q4920
martyrdom myth's role, psychoanalytic hermeneutic analysis, Iranian revolution, 1978/79; Q6679
Marxist theory, development, revolutionary movements' effects; Q6415
organized religion, revolutionary change, Karl Marx's view; S17681
political action vs armed struggle, Provisional Irish Republican Army's strategy; Q5301
political revolution, structural preconditions; US/Russia/Nicaragua/Iran; Q3385
popular political activity, Portuguese revolution (1974/75), far Left parties; Q6711
postrevolutionary societies, alternative paths, Soviet model; Q4776

private sector/political participation, Sandinista revolution, Nicaragua; Q8018
revolution, goals/social roots, concept definition; Q7859
revolutionary leadership/process 1640s-1970s; quantitative/qualitative data; Q6660
rural revolt, French revolution, quantitative indicators; historical data; Q6658
Sandinista Socialist revolution, Nicaragua, women's emancipation issues; Q6363
social relations structure, social class divisions; socialism as an order vs revolutionary movements; S17927
Spanish Revolution, Western nonintervention/Russian intervention policies; Q9953
Vietnamese revolution, history/social development; 2-book review essay; Q5323

Rewards
coalition behavior; monetary stakes vs participants' values; experiment, games; Q4844
distributive justice, multilevel theory; experiment; Q6881
employer-employee exchanges, contradictory normative expectations; Q3354
marital satisfaction assessments, modern vs traditional couples; equity/equality/reward level; questionnaire; Q9494
premarital relationships, students; equity/equality/reward levels; questionnaires; US; Q8584
work satisfaction; intrinsic/extrinsic rewards; questionnaire; workers, five occupational groups; Q3325

Rhetoric
academic report writing; satirical analysis; Q4728
message source discrimination, communication style indexes; content analysis; Winston Churchill/Clement Attlee/Neville Chamberlain speeches; Q9270
presidential speech patterns, within-/between-presidency trends; nomination/inauguration speeches; 1920-1981; Q9989
rhetorical tradition, European sociology, Enlightenment's impact; Q8975
Roman orator/lawyer, emotional vs eloquent styles; 2nd century BC; Q7043
social control patterns, destructuring rhetoric; book review essay; R0386
symbolic practices, war genesis/strategy, Adolf Hitler's racist nationalist rhetoric; S18957
Theory of the Leisure Class, Thorstein Veblen's rhetorical strategies; Q6496

Rhode Island
curriculum enrollment patterns, public/private secondary schools; gender/ethnic/social class differences; case study; Providence, Rhode Island; 1880-1920; Q3867
space utilization; metropolitan expansion; random sample, daily report patterns, interviews; Providence, Rhode Island; S18797
teenage pregnancy education/avoidance, Rhode Island, programs/policy; Q5815

Right Wing Politics
1984 US presidential election; New Christian Right/Moral Majority; telephone interviews; Muncie, Indiana, voters; Q3555
abortion/disarmament issues, New Right's ideology, sexo-semiotics perspective; Q4433
anti- vs pro-Equal Rights Amendment movements, member characteristics; interviews, questionnaires; Oklahoma; Q9113
antiprofessionalism, Left vs Right perspectives; Q8069
bureaucratic growth, Western societies; New Right political influence; official statistics; US, GB, Australia, 1975-1983; Q7964
Catholic/right-wing integralist groups, Quebec; S18695
Christian Right/business, financial/political relationship; Q3913
Church of Jesus Christ of Latter-Day Saints/New Christian Right fundamentalist political coalition; Q3430
egalitarianism vs neoconservativism, social reconstruction's role; S18288
family life problem/changes, New Right responses; Q8247
family structure, dysfunctional gender/parenting roles, feminist analysis; S17481
liberal policies, World/National Councils of Churches, religious fundamentalist/right-wing political attack; Q8318
nation-state legitimation, transnational capitalism vs New Right development; S18226
New Christian Right movement, US, symbols/politics; Q3905
New Christian Right, Politics of Lifestyle Concern approach; content analysis; fundamentalist publications; Q3925
New Right policy formation organizations, national corporate elite support base; Q7974
political activities; conservative Protestantism; Q5645
public education, federal government's role, New Right/centrist conservative policy; Q8275
social welfare, GB/US, conservatism, "neoresidual social policy"; S18278
voters' choices/attitudes, 1980/1984 US Presidential elections; Moral Majority/New Christian Right influences; surveys, telephone interviews; Q3590
Wilson, James Q., *Crime and Public Policy*; book review essay; Q6179

Rights
animals' moral rights; Q6291
children's rights/work participation, knowledge transmission, Zimbabwe; ethnographic profiles; Q8574
crime victim's rights, Declaration on the Protection & Assistance of Victims of Crime; Q6895
farm animal welfare issues, Iowans' attitudes; mail survey; Q9863
handicapped neonates, selective nontreatment decisions, ethical/legal considerations; Q8759
health/job security protection, dangerous work refusal rights, Quebec, 1979 legislation; S18458
labor/social rights, multicitizenship concept; Q7979
mental health/social reform, GB, rights-based strategy; Q8831
national sovereign rights/international regulations conflicts, international law; S18515
rights/justice persistence, communism vs capitalism, Karl Marx's/New Left's arguments; article/comments; R0937
rights/powers distinction, Steven Lukes's critique refuted; Q3037
The Case for Animal Rights by Tom Regan; review essay; R0373

Riots
black rioting, intercity severity variations; literature review; 1964-1971; Q9887
carpetmakers' riots, Usak, western Anatolia, Turkey; March 1908; Q7838
coalitions, building unity, recommended behavior code; Q7988
collective action, 1980 New Mexico prison riot, social disorganization/discontent; interviews, records; inmates, guards; Q5688
social representations, 1980 UK riots, media/participant accounts consensus; Q3463

Risk
ambiguous/risk conditions, organizational behavior; case study; office, Binghamton, New York; Q8742
carcinogenic risk/population size relationship, policy implications; Q9058
decision making under risk, entropy/cross-entropy principles, mathematical model; literature review; Q7561
environmental macrorisk/microrisk control, Environmental Protection Agency; case study; ethylene dibromide publicity efforts; Sept 1983-Apr 1984; Q9064
political risk forecasting, business community's reaction; Q6727
risk perception, Three Mile Island restart, interest group context; Q4491
scientists' risk analyses, reducing intuitive judgments; atmospheric plutonium case study; Q3681
technological risk vulnerability, urban areas/populations; R0177
technology risk taxonomies, public conflict patterns; Q4057

Rites of Passage
anorexia nervosa as rite of passage, interactional perspective; Q7568
initiation/passage rites, European Baptist Church; Q8326

Rituals
aperitif custom, ritual meaning; Q9531
Chhos Kor fertility ritual, Buddhist tribes, India; Q3270
cleanliness concept, industrialized societies, semantics/practices; Q9399
culture concept, workplace application, rites/ceremonials; participant observations, interviews; grant committee participants, corporate managers; Q5138
exorcism rituals, rural India, traditional vs modern healing orientations; S18072
family life-cycle transition/development, ritual behavior's role; interviews; R0660
female sexuality/power/pollution, Sudanese society, healing cults/rituals; interviews; Q8743
health/well-being ritual, kinship organization, Sgaw Karen, northern Thailand,; Q7660
hunting rituals/cultural identity, rural males, North Carolina; ethnographic fieldwork; R0139
Mardi Gras/Carnival festivals/rituals, Catholic countries; Q9609
menstruation, cyclical renewal model, symbolic/ritual aspects; Q8771
occult witchcraft participation, England, ritual practices/persuasiveness; Q8333

olfactory rites, religious/cultural significance, southern Tunisia; ethnological observations; Q9624
parochial school rituals/assemblies/competition; participant observation, interviews; students, teachers, Port Gilbert, Wisconsin; R0268
place names usage, Weyéwa ritual speech, Indonesia; R0200
ritual performers, Japan; observational data; Q5046
ritual practices, Thaipusam celebration, Malaysian Indian community; psychosocial/-therapeutic processes; field observation/interviews; Q6594
suicide dip, ceremonial occasions, World Series/Super Bowl Sunday examples; national suicide rate data; 1972-1978; Q7025
televised media events as ritual ceremonies/international spectacles; Q5224

Robbery
armed robber typology; case studies; Montreal, Quebec; Q6181
armed robbery prevention techniques; interviews; shopowners, Montreal; Q6195
armed robbery victims, criminal justice system's response; interviews; Montreal, Quebec; Q6180
armed robbery, Canada, justice system treatment; case studies; Montreal, Quebec; Q6186
armed robbery, minors, justice system treatment; Canada; Q6217
intra-/interracial robbery victimization rates, economic deprivation vs macrostructural opportunity theory; Q8929
mugging panic, GB, 1970s; R0880
property crime rate, Australia; heroin use; interviews; prisoners, New South Wales; R0790
robbery rate, Canada; police action; national statistics; Q6185

Role Conflict
burnout, human service workers; role structure; questionnaires; mental health/rehabilitation center staff members, Canada; R0105
college basketball players, role conflicts/coping mechanisms; gender/National Collegiate Athletic Assoc division/other factors; survey; Q3498
dual-worker parent complex, role conflict, marital satisfaction/stability; questionnaires; R0611
economic/household maintenance, parental role strain, black mothers; support networks, marital status; survey; US; Q7174
female criminality, India, role conflict hypothesis, treatment/prison reforms; crime statistics, empirical data; US/Australia comparisons; Q6318
health status, employed males/females vs unemployed female homemakers; National Health Interview Survey; 1975-1977; R0642
labor force participation, Japanese females, role conflicts; interview data; S18359
marital adjustment; employed fathers' interrole conflict; questionnaire; Johannesburg, South Africa; R0607
marital functioning, working mothers; interrole conflict, spouse support; scales; South Africa; Q9704
poor physical health, males vs females; role burdens; interviews, health diaries; Caucasian adults, Detroit, Michigan, 1978; R0753
professional role conflict, US higher education; academic structural changes; 1985 American Sociological Association symposium; Q9303
quality of life, dual-career families; gender/career-orientation differences; questionnaires; R0657

salary discrimination, major league baseball; race; black/white nonpitchers; Q8062
Sales
drug trafficking, Victoria, Australia, police-media campaign; R0372
Sales Workers
direct-selling industry, organization deviance; case study; Amway Corporation; Q9732
sales management/strategies, market pitchers, GB; audiovisual recordings; R1172
Salvation
religion, US, denominational/sociological aspects, integrative/salvific functions; Q5612
Sampling
human sexuality surveys, nonprobability sampling, methodological efficacy; Q7232
male homosexuals, research sampling problems; Q7240
small-sample qualitative studies, statistically nonrepresentative stratified sampling technique; Q9285
subgroup sampling methods, national surveys; General Social Survey; blacks; Q2913
survey sampling, US, distinctive Jewish name technique; telephone interviews, questionnaires; Q9271
two-sample location problem, parametric vs nonparametric procedures; Q9277
San Diego, California
health service utilization, legal/undocumented Mexican immigrants; San Diego, California; interviews; Q4941
rape, racial characteristics; official police data; San Diego, California; Q4503
US-Mexico border, urban land use policy; case study; San Diego-Tijuana; Q9935
San Francisco, California
acquired immune deficiency syndrome epidemiology; high risk populations, New York City, New York/San Francisco, California/New Jersey; Q6015
AIDS patients' psychological disturbances, physicians'/mental health professionals' role; San Francisco, California; Q6017
domestic service patterns, Japanese-American women, occupational ghettoization; census/secondary data, surveys, interviews; San Franciso, California, 1905-1970; Q4955
self-esteem/interracial attitudes, ethnic group psychometric scales; blacks/ Asians/Caucasians/Filipinos/Hispanics/Indochinese, San Francisco, California; Q9460
Sanctions
law immunity/sanctioning; stratification rank; questionnaire; undergraduates; R0052
Sanitation
public health development, Hungarian social policy; Q8762
Sao Paulo, Brazil
housing programs, São Paulo, Brazil, Richard Batley's *Power through Bureaucracy*; book review essay; Q6771
social transformation process, Catholic-base Christian communities' role, Brazil; case studies; São Paulo; Q8324
urban growth concentration/deconcentration, São Paulo, Brazil, polarization reversal concept; statistics; R0188
urbanization problems/citizen movements, São Paulo, Brazil; Q9971
worker-trade union movement, mining industry, São Paulo, Brazil; R0175
Sardinia
intellectuals, Sardinia, urban/rural differences; S17669
Sartre, Jean-Paul
Goffman, Erving, Sartrean perspective; Q3018
intellectual life, France, Jean-Paul Sartre/Raymond Aron; Q9388
self as object, Jean-Paul Sartre's/George Herbert Mead's theories; Q7460
Swami Vivekananda's life, existential Marxist/Jean-Paul Sartre's approach; S17896
Saskatchewan
alcohol/drug dependence, Saskatchewan, subgroup variation; medical records; alcohol/drug abusers; Q6114
labor market/domestic employment, Saskatchewan women; economic recession; interviews; 1981-1983; Q7179
Satire
"Sam" comic strip character, authority figures satirized/critiqued; Q5034
Satisfaction
noncustodial fathers, visitation patterns/quality; interviews; Q4185
parental satisfaction, black US mothers; marital status, family/household structure; demographic/interview data; Q4158
stress/satisfaction levels, Norwegian comprehensive school teachers; interviews; Q5381
Saudi Arabia
demographic/socioeconomic structure, Gulf States; Kuwait/Qatar/Bahrain/Saudi Arabia/United Arab Emirates; S17528
health care/tradition, Saudi Arabia, governmental policy; literature review; Q6021
health manpower needs, Saudi Arabia, physician-team/prevention approach; R0712
medical education, developing countries; observation, statistics, secondary data; Saudi Arabia; S17892
perceived urban residential quality, Saudi Arabians vs Americans, cross-cultural differences; audiovisual simulations; Q8184
social system transformation, Saudi Arabia, ecological expansion theory; case study; Q7793
US-Saudi Arabian relations; Q5281
Scales
abbreviated Rotter Internal-External Locus of Control scale, measurement properties/stability; males; Q7273
abortion scale scores, Catholics vs non-Catholics, statistical clustering; NORC General Social Surveys; Q7247
adolescent alcohol consumption measurement instrument test; interviews; Dane County, Wisconsin; longitudinal analysis data comparison; Q6140
alienation, Powerlessness Scale examined; Q4823
attitudes, survey research instruments' reliability; Likert-type scales, vignettes; Sicilians, Italy; S18495
authoritarianism, conservatism, measurement issues; questionnaire/scale data; residents, Brisbane, Australia; Q3131
divorce/permanent separation, predictive scales; interviews; married persons; longitudinal analysis, 1980-1983; Q5910
extraversion/religiosity correlation; scale data; students, England; Q3099
Family Environment Scale, review/critique; Q6973
homophobia operational definition, scale validation; questionnaires; Hawaiian college students; Q4913
human value measurements, scaling techniques, validity/reliability; Q7249
mental health services, SHARP consumer satisfaction questionnaire, validity scale; Q9269
metric multidimensional scaling, topological/measure theoretic probability foundations; Q9264
multidimensional scales, nonmetric analytical model; Q2880
multidimensional scaling, additive constant problem; Q4666
organizational structure measurement, short scales, Aston studies reanalyzed; Q2892
personal happiness measurement, Psychap Inventory; Q7480
premarital sex, permissiveness judgments, assessment methodologies, INDSCAL vs Guttman dimensionality; Q7243
Preschool Personality Questionnaire, factor structure/standardization; Q8568
probabilistic Rasch model, Guttman scaling; Q2915
self-esteem scales, predictive validity; Q7464
self-esteem, M. Rosenberg's scale, multidimensional factor structure; secondary data; Q7485
sex-role inventory, high school students, scale construction; Sex-Role Orientation Scale; Q2912
sex/love/marriage, cognitive association, survey instrument; undergraduates; Q7553
social life feeling scales; US, West Germany; S18131
socioeconomic needs, urban communities, multidimensional scaling ranking technique; Q8183
task-related/contextual work variables, cross-cultrual assessment scales; multinational corporation workers; 21-country analysis; Q9479

Scandals
political scandals, Watergate vs Environmental Protection Agency's "Sewergate"; R0008
Scandinavia
elderly, welfare state, informal vs formal health care services; Scandinavia; feminist perspective; S18736
English language, periphery countries' colonization/exploitation, linguicism concept explored, white racism analogy, colonial language retention, Namibia, Scandinavia; S18410
mentally ill, Scandinavia, civil/criminal commitment; Q8400
political process/parties, Scandinavia, women's participation; Q9147
prison conditions/programs, US vs Scandinavia; mailed questionnaires; prison administrators; Q6912
quality of life, Scandinavia; material living conditions; survey data; Q3054
researcher-subject relations, Scandinavian/West German industrial plant cases; Q4633
social democratic party history, Sweden/Denmark/Norway, Gøsta Esping-Andersen's *Politics against Markets: The Social Democratic Road to Power*; review essay; Q3377
social welfare/control, welfare state; 4-book review essay; Q9835
work life, Nordic countries, action-oriented research features/problems; Q2976
Scarcity
competitiveness, scarcity cultures; achievement motivation, success/failure experiences; scale, experiments; male undergraduates, India; Q3112
Schizophrenia
Barham, Peter, *Schizophrenia and Human Value*; book review essay; Q4277
schizophrenia, biographic rehabilitation perspective; case studies; Jewish Midrash; Q8833
schizophrenia, gender differences; literature review; Q4288
schizophrenia, immigrant families; pseudo-mutual family relations, cultural prejudice; S18413
schizophrenics, family situation/everyday life orientation; observation; Q8820
social mobility, schizophrenic patients, interviews; Q8085
speech, schizophrenic adoptees vs controls/relatives, content analysis scale; Denmark; Q8825
Scholarship
citation practices, academic research, sex biases; labor economics journals, US/Canada; Q9306
communication behavior, Belgian scholars, academic domains compared; bibliographic data; 1977-1979; Q8457
ethnic, racial, minority relations, contemporary research/future directions; S18319
feminist intellectuals, sex neutrality/polarity/complementarity; R1088
linguistic/communication imbalance, scientometric research; citation analysis; periodicals; Q8483
scholarly exchange, French/English academic journals, 17th/18th centuries; content analysis; R0916
School Attendance
children's school nonattendance, parental responsibility, GB, precourt tribunal process; observation; Q5672
educational systems, school enrollment/attendance; agricultural organization; educational/census data; US; Q5543
School Desegregation
black students' achievement; classroom grouping, resegregation, teacher attitudes; questionnaire; fifth graders, elementary school teachers; Q5532
children's inter-/outgroup relations, desegregated schools; heterogeneous team-learning interventions; experiment; Q5564
desegregation process, southern urban school district, racism reproduction; historical/ethnographic data; R0269
magnet schools, desegregation effects, funding issues; R0271
metropolitan school desegregation, community impact; surveys; New Castle County, Delaware; Q9866
US blacks' social assimilation/career attainment; school desegregation; surveys; Q5523
white public school enrollment; school desegregation; school district statistics; United States; Q3879
whites' desegregation/busing opposition, symbolic racism/traditional prejudice vs rational choice explanations; telephone interviews; adults, Akron, Ohio; Q3443
Schools
adolescent self-esteem; family/school environments; scales; tenth-graders, Hong Kong; Q4855
child socialization, alternative school; S17531
child's schooling, child/parent adjustment; social inequality; Sydney, Australia; Q8241
class/schools/power, articulation categories; case study; primary school, Brisbane, Australia; Q3617
community/school relationship; school systems decline/contraction; Q3877
comprehensive schools, West Berlin, Federal Republic of Germany; interviews; primary school heads; Q8235
confidential student records exchange process, schools-other institutions; official records, interviews; Q8240
crime/suspension rates, public schools; school/community characteristics; Boston, Massachusetts; R1063
hazing, arts/vocations schools, France popular vs elitist tradition; Q6810
hearing educators vs deaf parents, deaf children's school; cultural conflict; field research; Q5533
integrated/cooperative schools, West Germany, successes/problems; Q8268
school effects research, hierarchical data, statistical methodology; survey; Q8277
school enrollment; demographic trends; census, statistics; Q3865
school expenditures; race, class, ethnicity; school districts, Michigan; Q4453
school performance/delinquent behavior, containment theory; personality factors; questionnaire; delinquents/high school students, Texas; Q4916
school theft, students' perceptions; questionnaire; Q6211
school/social learning, modern society; Q5535
schooling/education, sociological thinking; 4-book review essay; Q3844
skin color preferences, black schoolchildren; gender, age, own-skin color perception; scales; Arizona; Q8573
student effort/achievement, US schools; teachers'/parents'/peers' standards; survey; Q8271
students' parent/peer/school affiliation; grade, sex, ability, socioeconomic status; inventory; males/females aged 11-17, Sydney, Australia; R0283
US schools' declining standards/increasing violence; altered authority relationships; Q3853
Schumpeter, Joseph Alois
capitalism to socialism transition, Joseph Schumpeter's ideas; Q6523
history of sociology, Max Weber/Joseph Schumpeter conversation; introduction/article; Q9386
Schumpeter, J. A., sociology/economic theory integration; Q2990
social change, J. A. Schumpeter's economic theory; Q7362
Schutz, Alfred
Parsons (Talcott)-Alfred Schütz dialogue, 1941, Eric Voegelin's role; S18454
personal embodiment, phenomenological sociology, Maurice Merleau-Ponty's vs Alfred Schütz's views; S18370
postpositivism, scientific rationality/unity, sociology's self-understanding; Q6435
social science methodology, phenomenology's role; Q6436
sociology of knowledge, Alfred Schütz's phenomenology; R0913
transcendental/social phenomenology, ethnomethodology, Edmund Husserl's/Alfred Schütz's/Harold Garfinkel's thinking; Q7323
Wagner, Helmut R., sociological contributions/work on Alfred Schütz; symposium/response; Q9389
Science
achievement performance behavior, young scientists, Karl Marx U, Leipzig, East Germany; social factors; questionnaire; R0102
Art and Artifact in Laboratory Science: A Study of Shop Work and Shop Talk in a Research Laboratory by Michael Lynch; review essay; Q8471
Brazilian scientific publications, production/distribution/costs; S17726
building Vietnamese socialism, science's role; S18093
capitalist vs Soviet science, moral values; Q5713
children's academic attitudes/achievements, sex stereotypes; tests; Manchester, England; R0260
Chinese writing system, simplification scheme, political/public support; R0193
cultural/epistemological relativism, sociology of scientific knowledge; Q2885
defense/weapons research, physical scientists' participation; social demand, values; interviews; Q8451
democracy theory, empirical/realistic vs neoclassical traditions, science-values relationship; S18599
deviance in science, criminology theory; Q7567
discovery program viability, philosophy of science; Q5711
educational scientism; Q6813
Epistemology and the Teaching of Science by Robert Nadeau & Jacques Désautels; review essay; R0301

fundamentalist creation-science's attack, evolution-science, school curriculum; Q8462
German/Jewish cultural symbiosis, Hermann Cohen's religious/scientific thought; Q8338
history/philosophy of science, large-scale vs positivist methodologies; R0438
ideology/science conflicts, sociology teaching implications; Q7297
knowledge expropriation, new epistemological explanations; S17786
National Language Movement, Taiwan; R0214
paranormal phenomena, philosophy of science; Q5723
philosophy of science, Maurice Merleau-Ponty's conception; R0454
philosophy of science, qualitative paradigm's epistemological status; Q7221
philosophy of science, Thomas S. Kuhn's naturalistic approach; Q4616
physical vs medical sciences, theoretical differences; R0745
postmodernity, religion's/science's roles, Mirea Eliade's/Alexandre Kojeve's works; Q6237
Price, Derek, scientific contributions/works; Q8458
regulatory standard-setting, Canada, peer review process; case study; R0456
research/development, Dutch scientific participation; document cocitation analysis; Q8468
science development, China, language planning needs; R0222
science fiction, US, political/ideological content; content analysis; R0212
science philosophy, realistic models issue; Q4613
science policy crisis, GB, Labour Party agenda; R0443
science vs literature, convergence/methodology; Q7222
science, sexual biases; Q4619
science/history relationship; R0425
science/humanism integration, medical practice, biomedical/biopsychosocial model; article, response; Q8992
science/its social function; S18315
science/religious attitudes, complementary relationship; Q8459
science/society/religion linkages, Auguste Comte's thought; Q9338
science/technology transfer, pluriculturalism preservation; Q8456
science/technology transfer, transcultural communication, ecology of knowledge concept; Q8973
scientific discovery, philosophical arguments, N. R. Hanson's views; Q5707
scientific ethics/values, Robert K. Merton's guidelines reviewed/criticized; Q5692
scientific fraud; R0445
scientific investigation/social development relationship, India, bourgeoisie's acceptance; historical review; S18138
scientific knowledge, political domain, constructivist view; R0427
scientific models/literary metaphors compared; James Watson's & Francis Crick's/Theodore Roethke's work; Q6916
scientific profession; Jewish impact; S18437
scientific rationality, ontological viewpoint; Q5721
scientific theory transformation, I. B. Cohen's thought; psychological science case example; Q8474
scientific thought/history, Western world; colloquium session introduction; R0433
scientific vs nonscientific thought, "epistemological rupture" notion; Q7433
scientometrics, Alphonse de Candolle's early contributions, recent trends; Q8484
social programs/science interrelationships; Czechoslovakia; S18316
sociology of science, Derek John de Solla Price's theory of variation; Q8449
sociology's scientificity, international attitudes; book review essay; Q7340
values/science distinctions; Q3039
Western scientific/Jewish values compared; primary/secondary historical sociological sources; S18436

Science And Technology
basic vs applied science, methodological/economical differences; R0444
bibliometric properties, biotechnology vs bioscience; citation/referencing data; Q8508
modern science/technology/liberal democracy theory relationships, C. B. MacPherson critiqued; Q4050
natural/social rule systems interlinkage, sociotechnical structure, technology transfer; S17705
nature, images/ethics; science/technology; Q7155
range management projects, government/international agencies' intervention failures; flawed technical approaches; S18828
science & technology, human cognition transformations; Q7415
science-technology interdependence, Marxist analysis; S18317
science-technology-society relationship, educational programs; R0477
science/technique/technology concepts, socioeconomic power relations' role, dynamic analytic model; Q6454
science/technology adoption, African nations, socioeconomic background considerations; R0437
science/technology discourse, Quebec, Marcel Rioux's work; Q8507
science/technology education, societal impact/interdisciplinary emphasis, program development/implementation; US; Q6822
science/technology interrelationship, philosophical/methodological problems; Q4049
science/technology modernization, China, English language requirements; R0197
science/technology processes-structures compared, Switzerland; Q4058
science/technology programs, humanist concerns; Q6917
science/technology progress, European Economic Community; R0446
science/technology, two-cultures debate; R0479
science/technology; politics; literature overview; Q4044
science's economic/political role, peripheral vs Western societies; S18579
sciences/mathematics, minorities' participation/deficiences; secondary statistics; Q9573
scientific-technological dependency, Iran, development implications; R0475
scientific/technological progress, East Germany, social security issues; S19194
social change, science/technology impact; S17827
technological dependence/development, South Korea; Q9937
tool roles, science/technology/agriculture/daily life; Q4925
traditional societies, culture's/technology's role; R0486
Western science/technology adoption, India; R0424
work/employment trends, policy development implications; scientific/technological developments; European Economic Community research program; S18772

Science Policy
research/development, Dutch scientific participation; document cocitation analysis; Q8468
science policy crisis, GB, Labour Party agenda; R0443
science policy programs, mission-orientation; methodological problems; S18470
science-related social issues, teaching/curriculum guidelines; R0463
science/technology policy, Brazil, scientific community's political role, Argentine comparison; interviews; S17925

Scientific Community
biology/physics, power redistribution; international congress remarks, 1931; Q6913
biomedical research, public relations/communication management; Q5234
media/civil organizations/scientific community relationships; Q7456
new scientific knowledge, consensus shift, social patterning; case study; continental drift theory; Q8467
parapsychology as science, phenomenogical analysis; Q8477
research/development units, communication network structures; questionnaire survey; Q9758
science advisory committee system, US, elite structure; Q8469
science, male dominance, egalitarian change strategies; R0428
science/technology policy, Brazil, scientific community's political role, Argentine comparison; interviews; S17925
scientific collectivities, solar energy research, Australia; archival/interview data; Q5700
scientific communication, posters at biomedical meetings; content analysis; Q5366
scientific discoveries/acknowledgement, priority assignment/disputes; case study; opiate receptor discovery; Q8450
scientific leadership, developing countries, social restraints; empirical/comparative data; Mexico; S17999
scientific literature/articles, professional value; R0439
scientific mathematical community, cognition/communication; Q3660
scientist exchange/collaboration, Japan/other Asian countries; statistics; R0455
scientist/engineer exchange, industrialized countries; R0442
social studies of science, theory/method/focus; Q8447
social/political involvement, scientific intellectuals, Europe/US; Marxist perspective; S18506

Scientific Development
Church/science conflict/convergency, Western world; post-15th century; Q8444
history/philosophy of science, large-scale vs positivist methodologies; R0438

intensive science development, USSR; Q4460
Kuhn, Thomas S., scientific revolution theory, computer simulation test; R0927
management democratization; scientific-technical progress; S17674
Piaget, Jean/Thomas S. Kuhn, science development, fundamental concepts compared; Q5689
Pietism/science relationship, Robert K. Merton's thesis; response to rejoinder; Q8303
research/development units, communication network structures; questionnaire survey; Q9758
research/development, Dutch scientific participation; document cocitation analysis; Q8468
science development intensification, factors/conditions; S18081
science development, India/former British African colonies; historical approach; S17850
science planning, sociology, USSR/GB, J. D. Bernal's concepts; S18618
science/history relationship; R0425
science/technology development, social/cultural issues; Q9382
scientific development difficulties, developing countries; disorganized knowledge dissemination infrastructure; S17953
scientific development, "activity" approach, Marxist views; Q8490
scientific development, India; societal transformative processes; S17561
scientific discovery, cognitive tools, Derek John de Solla Price's "maps" metaphor; Q8985
scientific investigation/social development relationship, India, bourgeoisie's acceptance; historical review; S18138
scientific knowledge advances; number of scientists; citation analysis; academic physicists; Q8448
scientific technical progress, social progress; S17608
scientific theory transformation, I. B. Cohen's thought; psychological science case example; Q8474
scientific/cultural stagnation, China; politico-social structure/ideology; Q8488
scientific/technological progress, 1985 USSR Communist Party Plenum; Q6930
scientific/technological progress, East Germany, social security issues; S19194
Soviet sociological studies, methodological/technological problems; S18029

Scientific Discoveries
bacteriology, Louis Pasteur's contributions; book review essay; Q5706
citation rates, author eminence, "Ortega hypothesis" retest; 1979 citation data; Dutch physicists; Q8480
news media science coverage; R0340
Postscript to the Logic of Scientific Discovery, Vol. I by Karl R. Popper, Bertrand Russell's influence; review essay; Q7216
scientific discoveries/achievements; scientists' demographic characteristics; Q8461
scientific discoveries/acknowledgement, priority assignment/disputes; case study; opiate receptor discovery; Q8450
scientific knowledge advances; number of scientists; citation analysis; academic physicists; Q8448
scientists' lifespans/peak achievement ages; historical data; Q8460

Scientific Knowledge
basic vs applied science, methodological/economical differences; R0444
Comte, Auguste, positivism philosophy, attitude toward mathematics; Q9334
dispute uncertainty, scientific experts' credibility, symbolic action perspective; MacKenzie Valley Pipeline Inquiry, Canada; Q5691
extraterrestrial beliefs, lexicological developments, religious/materialistic/scientific meanings; 19th-/20th-century France; R0453
journal ranking, selective impact method; Q8442
Kuhn, Thomas S., scientific revolution theory, computer simulation test; R0927
Michel Foucault's writings, major scientific themes/theoretical shifts; S18587
parasciences, cultural legitimacy; journal/promotional proceedings review; R0432
popular science journals/documents, test/image relationship; content analysis, survey; France; R0919
postpositivism, scientific rationality/unity, sociology's self-understanding; Q6435
Reflections on Gender and Science, Evelyn Fox Keller; review essay; Q6918
rural sociology, knowledge consolidation/referee agreement; codification patterns; manuscript analysis; S18822
science, epistemological/professional issues, sociology of work approach; Q5720
science-related social issues, teaching/curriculum guidelines; R0463
science/race concepts, traditional vs revolutionary attitudes; birth order position; mail questionnaire; physical anthropologists; R0107
scientific development-human language development link, genetics example; Q5708
scientific knowledge sedimentation, neuropharmacology, citation/content analysis; Q5699
scientific knowledge, opportunist/interest models; S19207
scientific knowledge, political domain, constructivist view; R0427
scientific knowledge, proliferation process/language; content analysis; newspapers/popular science journals, France; R0922
scientific knowledge, rules/contingencies; Q4625
scientific research results, public policy implications, critical approaches/appraisals; Q5696
social reality, scientific method's conceptual utility; S19200
sociology of science curriculum development, social/theoretical knowledge structural contexts; Q6467
technical/scientific evidence, criminal justice proceedings; R0395

Scientific Method
scientific/cultural stagnation, China; politico-social structure/ideology; Q8488
social reality, scientific method's conceptual utility; S19200

Scientific Research
academic research, autonomy/compliance, external funding implications; survey; engineers/scientists, Israel; Q6821
adolescent delinquency, multidisciplinary development theory/typology, integrative criminological approach; Q7114
basic research granting agency, Federal Republic Germany, review system; content analysis; proposals/reviews; R0448
basic research performance/assessment; case example; radio astronomy observatories; R0441
basic vs applied science, methodological/economical differences; R0444
chronic diseases, crisis situation, social order implications; R0716
citation frequencies, life science disciplines, Derek John de Solla Price's immediacy factor; Q8466
citation histories, scientific publications; content analysis; Q8487
citation patterns, scientific papers, literature aging rates; Q8439
co-citations, *Science Citation Index*, clustering methodology; Q8479
computer simulation methods, epistemological aspects; Q2940
environmental policy decision making, scientific research's roles, uncertainty arguments; Q7157
external funding, academic/nonacademic research, organizational/environmental effects; R0459
family evaluation report, scientific quality, content guidelines; Q7197
feminist research, male bias barrier; R1087
imagery's polemical use, scientific discourse; interviews, videotape/film/photograph analysis; oceanographers; S18308
knowledge/interest connection, scientific arguments, interactive interpretation; sociolinguistic/conversational analysis; Q6531
linguistic/communication imbalance, scientometric research; citation analysis; periodicals; Q8483
logical decision making, Karl Popper's theory-testing views; historical records, interviews; Q5714
military technology, scientists' role; Q5724
national science policy, Sweden, sectorialization/corporativism; Q3538
ordered categorical data, contingency tables, association models' utility; Q6453
peer review, science, institutional innovation problems; literature review; Q5716
policy decision-making systems, science's role; documents, interviews; scientists/decisionmakers, Finland; S17578
professional leadership, research units, characteristics/role; cross-national data; S18327
public interest vs traditional scientific researchers, organizational context; interviews; Q4056
research units, collaboration/performance; structural/contextual factors; cross-national data; S18328
research units, performance evaluation, interviewer training/characteristics; questionnaire survey; Mexico; S17720
research/development units, communication network structures; questionnaire survey; Q9758
science development intensification, factors/conditions; S18081
science, media coverage, journalists-scientists relationship; Q9876
science/engineering research proposals, public funding, peer review process vs performance-based formula; Q5717
science/pseudoscience distinction, labeling effect; Q5725

science's global destabilizing effects; inadequate political systems; case examples; S18583
scientific deviance, sociological explanations; case studies; Q3164
scientific discovery, cognitive tools, Derek John de Solla Price's "maps" metaphor; Q8985
scientific literature, "Barnaby Rich effect"; Q8443
scientific literature/articles, professional value; R0439
scientific performance evaluation, high-energy physics, peer review/citation analysis critiqued; reply; Q5727
scientific research results, public policy implications, critical approaches/appraisals; Q5696
scientific research, cognitive/social dimensions; 2-book review essay; Q4033
scientific research, ethical justifications, historical development; Q7296
scientific research, social psychological perspective; book review essay; Q8470
scientific research, verification procedures; Q7209
scientists' observations, consensus-making process; R0918
scientometrics, non-Gaussian distributions/Zipf-Pareto law; Q8489
sexual orientation labeling, sex research; Q6389
sexual orientation scale, research tool; magazine survey; Q6387
sociology of science, Derek John de Solla Price's theory of variation; Q8449
Soviet sociological studies, methodological/technological problems; S18029
tourism, theoretical/methodological paradigms; Q9919

Scientific Technological Revolution
communication/information technologies, societal impact; S17836
industrial production, science's/technology's/research's role; Q8505
industrial revolution, rural proto-industry's influence, putting-out systems, Peter Kriedte's/Hans Medick's/Jürgen Schlumbohm's *Industrialization before Industrialization*; book review essay; Q5180
information society concept, George Orwell's *1984*/Aldous Huxley's *Brave New World*; Austrian perspective; Q5294
information technology adaptation, technostress management, culture's role; S18538
information technology, labor process implications, research issues; S17735
microelectronic revolution, employment implications, guaranteed income proposal; statistics; Western countries; article/comment; R1051
natural/technological science revolutions, sociocultural preconditions; round-table discussion; Q6926
science/technological revolution, social consequences, theoretical model; S17829
scientific-technological change, worker mobility, social conditions; case studies; East German workers; S17563
scientific/technological development, Third World countries, technology transfer issues; S17995
scientific/technological revolution, cultural implications; Q6298
social equality/inequality; scientific-technological revolution; German Democratic Republic; S18651
social life/value changes; scientific-technical progress; S17587
social system, postindustrial society, communication technology's impact; Talcott Parsons's *The Social System*; S18479
social/ideological/political transformations, developing countries; scientific/technological progress; S18548
technical/scientific progress, social crisis; book review essay; Q7645
technology/work organization relationship, science's mediation; Q8494
white-collar employment, job requirements, microelectronics' impact; Q6739
worker requalification, Marxist theory; microelectronics industry; Q5731

Scientists
achievement performance behavior, young scientists, Karl Marx U, Leipzig, East Germany; social factors; questionnaire; R0102
black US scientists, baccalaureate origins; three PhD cohorts; Q4040
career patterns, academics, West Germany; professional biographies; research & teaching assistants; 1971, 1975, 1979, 1983; S18046
citation rates, author eminence, "Ortega hypothesis" retest; 1979 citation data; Dutch physicists; Q8480
defense/weapons research, physical scientists' participation; social demand, values; interviews; Q8451
deviance in science, criminology theory; Q7567
interrupted scientific/technical careers, women, GB; interviews; S18746
job involvement/performance; career opportunities/planning/supervisor characteristics/work climate; UNESCO International Comparison Study; research scientists, Argentina, Egypt, India, South Korea, Poland, Ukrainian Soviet Socialist Republic; S17730
Laplace, Pierre-Simon, scientific/political honors; Q8966
military technology, scientists' role; Q5724
new scientific knowledge, consensus shift, social patterning; case study; continental drift theory; Q8467
referencing behavior, Brazilian agricultural scientists; scientific/extrascientific influences; interviews, citation counts; Q8486
research choice, organizational priorities; research data; senior/middle-level agricultural scientists; S17889
science advisory committee system, US, elite structure; Q8469
science, media coverage, journalists-scientists relationship; Q9876
science/technology, Sweden, library/information needs; Q7901
scientific deviance, sociological explanations; case studies; Q3164
scientific discoveries/achievements; scientists' demographic characteristics; Q8461
scientific discoveries/acknowledgement, priority assignment/disputes; case study; opiate receptor discovery; Q8450
scientific knowledge advances; number of scientists; citation analysis; academic physicists; Q8448
scientific leadership, developing countries, social restraints; empirical/comparative data; Mexico; S17999
scientist exchange/collaboration, Japan/other Asian countries; statistics; R0455
scientists' lifespans/peak achievement ages; historical data; Q8460
scientists' mobility, Switzerland, data availability/reliability; R0430
scientist's motivation, public opinion vs scientific reputation; S18396
scientist's personal beliefs, mentalist paradigm; Q8481
scientists' risk analyses, reducing intuitive judgments; atmospheric plutonium case study; Q3681
scientometrics, Alphonse de Candolle's early contributions, recent trends; Q8484
sociology of science, Derek John de Solla Price's theory of variation; Q8449

Scotland
alcohol consumption behavior, young adults, drink purchasing procedures/group pressure; quantitative/qualitative observations; Glasgow, Scotland; Q8841
alcohol consumption research, computer vs interview surveys; adults, Edinburgh, Scotland; Q4232
birthrate/family size decline, 19th-century GB/Scotland; education/career structures; census data; R0693
drinking habits/alcohol-related consequences, Scottish teenagers; illicit drug/tobacco consumption; questionnaires; Q4257
employment status/commitment, public house performers, Aberdeen, Scotland; interviews; Q3695
evangelical/established Presbyterian church division, fisherfolk/suburbanites social class divisions; social history; Ferryden, Scotland; Q6846
fishing communities, family sexual power balance; interviews, oral histories; Scotland/other countries; Q3714
illegitimacy rates variation, 19th-century rural Scotland, historical explanations; census/civil records; Q4201
in vitro fertilization/human embryo research, women's attitudes; questionnaires; female family planning/prenatal/infertility clinic patients, Edinburgh, Scotland; R0685
language functions/maintenance, Gaelic speech communities; Q3803
marriage opportunity, population structure, inheritance rules; Saint Barthelemy, French West Indies vs Sanday, Orkney Islands, Scotland; Q5020
oil-riggers' wives, physical/mental health; husbands' offshore vs onshore employment; questionnaires; Aberdeen, Scotland; Q6058
perinatal mortality, Scotland; maternal age/parity/social class; Registrar General annual reports; 1960-1982; Q3613
preterm delivery risk, first vs subsequent pregnancies, proportional hazards model; morbidity data; Scotland; Q8717
professional formation, Scottish accountants; Keith Macdonald's work critiqued; Q8056
public drunkenness, police management, Scotland; attitudinal/environmental/organizational variables; interviews, official reports, observation; Q8397
public house entertainers, performance framing/staging; participant observation, interviews; Aberdeen, Scotland; Q4928

right-to-life movement, historical/cultural/secular bases, traditionalism roots challenged; Q7851
Schuller, Robert, possibility thinking gospel, spiritual/secular rhetoric; R0347
secular society, sacred's role; Q6840
secularism, historical development; R0343
secularization process, Jewish-Israeli groups, diminishing religiosity decline; Q8356
secularization process, Spain, historical antecedents; Q8363
secularization trends, Max Weber's sociology of religion; R0326
secularization vs religion renewal, French Catholicism; case study data; 1900-1985; S18149
sociology of religion, secularization/anarchist prescription; Q6836
world disenchantment/meaninglessness, Chinese/Indian religions vs Judaism/Christianity; R0323

Security
international security studies, social science's role, interdisciplinary approach advocated; Q7149

Segregation
age integration/segregation, public settings, elderly; observations; restaurant patrons, New Jersey; S19072
ethnically segregated retirement villages, Sydney, Australia; literature survey, interviews; residents, administrators; S18163
segregation measurement, basic principles empirically demonstrated; Q2925
sex segregation, voluntary organizations; Q6633
social welfare programs, post-civil War Freedmen's Bureau, segregation philosophy; Q9549
students' grades/attainment, Scotland; school socioeconomic composition; survey; Q8297

Self Actualization
desocialization, course description; Q4780
Semester at Sea educational program, University of Pittsburgh; mailed questionnaire; Q5531
spiritual communities, drug use, conversion/belief restructuring; interviews, participant observation; S18525

Self Concept
adolescent alcohol/tobacco use; self-referent identity labels; interviews; adolescents, Western countries; Q3088
adolescent delinquency; self-concept, parents/teachers/peer relations; questionnaires, Rosenberg Self-Esteem scale; tenth grade public/parochial school students, midwestern US; Q7110
adolescent self-image; mobile home park life; ethnography; Q3864
adolescents' alcohol use; drinking images/self-concept; slides; Q6110
adolescents' self-esteem; perceived parental behavior; inventories; R0584
aging females' problems, India, family/self-perceptions; 3-generation study; Chittoor district, Andhra Pradesh; S18443
apprentices' self-presentation/world image; questionnaire; professional school students, Switzerland; Q3651
Bellah, Robert N., et al, *Habits of the Heart: Individualism and Commitment in American Life*; review essay; Q3187
black men's family role, self-perceptions; social class; interviews; couples; Q5973
body image, self-esteem, adolescent females; pubertal timing, school environments; longitudinal interview survey; R0571
body image/behavior/school adjustment, male/female adolescents; early/mid/late sexual maturation; survey; R0576
criminology theory, mental imagery concept; S19137
delinquent prostitutes/nonprostitutes, self-concepts; questionnaire, Tennessee Self-Concept Scale; Q3167
delinquents' self-description, imprisonment term as reference group effect; Freiburg Personality Inventory; juvenile inmates/nondelinquents, Neumunster, West Germany; R0911
Erikson, Erik, ego development model, modern applicability; R0939

everyday life, self-concept, elderly women; chronic illness; interviews, observation, lay literature; Q8736
female self-concept, empowerment symbolism; feminist perspective; Q6329
first-contact mental patients, self-concept; interviews, participant observation; psychiatric center, New York; Q4308
gender ideology/self-concept, aboriginal women, Northern Territory, Australia; S17493
human identity, social acts/motives; Q3129
"I" concept, self as social force, sociological social psychological approach; Q4820
identity transformation processes, middle-aged adults, life-span developmental view; interviews, scales; S18558
identity/image, self-representation concept; Q7549
illicit drug use; self-derogation/-approval, membership reference groups; Q6131
illness identity/career, stigma, Erving Goffman's theory; epileptic patients; Q6034
individuation/differentiation/identity formation, family system/individual development perspectives; Q5975
intelligence test results, socially disadvantaged students; perceived self-efficacy; Hindu males, northern India; Q3140
late adolescent identity formation; family connectedness/individuality; Objective Measure of Ego-Identity Status, Parent-Adolescent Relationship Questionnaire; college students, their parents; Q4117
leader's relative dominance, women's perceptions; leader/subordinate gender, leader's romantic attachment status; experiment; university students; Q3163
lesbians' self-concepts, Q-sort methodology; Q3117
male/female self-/others-sexual attractiveness ratings; putative human pheromones vs musk odor; experiment; Arizona State University students; Q5782
notions of self, gender differences, autonomy vs social individuality notions; Q4555
occupational roles/images, nurses; S17661
open adoption records legislation, salience/support, male vs female adoptive/birth parents; content analysis; parents' letters to government officials; S18998
open-ended self-description, gender-role group/sex differences; questionnaire; undergraduates; R1128
own-race/gender stereotypes, self-concept, black/white college students; adjective checklist; Q7472
patient identity; chronic illness; Q8735
personality development, USSR; review essay; Q6555
psychological processes, Indian society; social change, colonialism; Q7533
self as explanatory concept, experimental social psychology; Q7487
self as socially constructed, empirical illustrations; Q7544
self-/other-judgments, situational factors' influence; Stimulus-Response Inventories; university students, Netherlands; Q3153
self-concept formation, developing areas; television; tests, observations; Cree children, Manitoba; Q5226
self-concept perceptions, black children; television viewing; questionnaire; Q7541
self-concept protection, physically different children, coping strategies; interviews; parents; Q5812
self-concept stability; sex, race, residence; interviews; low-income adolescents; Q4847
self-concept, India/Japan/US; clinical psychoanalytic data; patients; Q4896
self-concept, role-identity salience; questionnaire; blood donors; Q3090
self-concept/-esteem/-ideal, academic achievement, Indochinese refugee students, US; Self-Descriptive Inventory, academic records; Lao students; Q3108
self-image profiles, military vs nonmilitary dependent adolescents; questionnaire; ambulatory care patients, Washington, DC, hospitals; Q3154
self-image/ethnic identity, Finnish immigrant children, Sweden; children's essays; S18671
self-other contrasts/judgments, anglophone/francophone Canadian children; age; Q9452
self-process, "rediscovery of self," applied social psychology implications; Q8938
self-structuring/concept, Middle East, historical transformations; Q7478
self/culture relationship, symbolic resource use, "impression point" model applied; case studies; Saint Augustine, Swedish Christian, American mental patient; Q6855
social change agents, self-concept/strategies, "mutable self" notion; Q8941
social development, gender differences; book review/comments/reply; R0929
social identity, categorical differentiation; experiment; female students, Switzerland; Q3093
social research surveys, "self" vs "other" referent use; Q9257
socially desirable presentation, homosexual vs heterosexual male gender patients; scale questionnaire; Q4849
socioeconomic status/self-concept, women; military service; National Longitudinal Survey; males/females; Q9117
specular body concept, Jacques Lacan's vs Maurice Merleau-Ponty's views; Q9499
sport achievements, US, self-immortalization concern; published/media works, official documents; Q7940
television/children interaction, France, psychological/social aspects; experiment; Q5789
television/self-concept relationship; questionnaires; adults, Japan/Korea/Philippines/US/GB; Q5235
underachievement/self-evaluation, black schoolchildren, GB; racism; R0246
women's political actions/self-perceptions/community position, Carrier Indians, British Columbia; fieldwork; S17879
work/self-concept relationship; early careers; longitudinal data; Q3144

Self Determination
Aborigine policy, Australia, self-determination approach; Q9036

Self Disclosure
disability acknowledgement, disabled-nondisabled social interactions; conversation analysis; college students; Q9506
self-disclosure, single- vs dual-career married couples; Taylor-Atlman Intimacy Scaled Instrument; R0650
self-reported alcohol use, dissimulation research bias; life events, social support, personality, socioeconomic status; interviews; Glasgow, Scotland; Q6112

Self Esteem
adolescent self-esteem; family/school environments; scales; tenth-graders, Hong Kong; Q4855
adolescents' self-esteem; perceived parental behavior; inventories; R0584
athletic/educational/occupational aspirations, self-esteem, wheelchair athletes; questionnaires; Q7937
body image, self-esteem, adolescent females; pubertal timing, school environments; longitudinal interview survey; R0571
body image/behavior/school adjustment, male/female adolescents; early/mid/late sexual maturation; survey; R0576
cartoon humor appreciation; gender, sex-role attitudes, self-esteem; experiment; university students; R1126
children's self-esteem, black/white single- vs two-parent families; socialization mechanisms, family functioning; survey; S18980
daughters' educational orientation/self-confidence; mothers' education level; interview; young females, Egypt; Q6804
depressed affect, self-esteem; past vs current causes; Beck Depression Inventory, Rosenberg Self-Esteem Scale; undergraduates; Q9458
employment status, self-esteem; questionnaires, cross-sectional/longitudinal comparisons; recently unemployed adults, Israel; Q9510
interpersonal attraction, Theodore Reik's complementarity theory; personal characteristics, self-esteem; experiment; Q5958
maladaptive behavior, high school students; self-esteem; test battery; North Carolina; Q4139
male heterosexual prostitution, adolescent deviance/self-concept, spouse choice/labor force participation; Q8629
male homosexuals' self-esteem; community alienation/openness, homosexual group membership; questionnaire; Dallas, Texas; Q4872
marital jealousy; gender-role orientation, low marital alternatives, negative self-esteem; questionnaire; married individuals/couples; Q4176
maritally violent males, self-esteem; questionnaire/scale data; husbands; Q4867
perceived health status, women; self-esteem, sex-role identity; inventories; graduate/undergraduate students; Q9129
returning to partner, battered women; self-esteem, perceived cause of violence; questionnaires; Q9155
self-assessment bias, theories compared; self-esteem; national longitudinal survey; high school boys; Q9515
self-concept/-esteem/-ideal, academic achievement, Indochinese refugee students, US; Self-Descriptive Inventory, academic records; Lao students; Q3108
self-esteem development, black urban youth; interviews; Q6969
self-esteem development, early work career; panel study; young men, US; Q9495
self-esteem scales, predictive validity; Q7464
self-esteem, abused vs nonabused children; interview, scale; Australia; Q8571

self-esteem, daughters; parental discord/separation; questionnaire; undergraduates; R0585
self-esteem, high school students; gender/race/social class; scales; Q4895
self-esteem, M. Rosenberg's scale, multidimensional factor structure; secondary data; Q7485
self-esteem/depression/locus of control; unemployment; questionnaires, longitudinal data; school leavers, Australia; Q4137
self-esteem/interracial attitudes, ethnic group psychometric scales; blacks/ Asians/Caucasians/Filipinos/Hispanics/Indochinese, San Francisco, California; Q9460
specific/global self-esteem; identity evaluations; scales; sixth-graders, Ohio; Q9482

Self Evaluation
academic ability/achievement, self-appraisals, reference groups' influence; longitudinal interview study; male high school students, US; Q9472
deviance/self-rejection relationship, multivariate models; questionnaire; junior high school students, Houston, Texas; Q9523
observer-observed interrelationship, lesbian community research; participant observation, interviews; Q7219
personal control perceptions, older males; health factors; National Longitudinal Surveys; R0852
self-assessment bias, theories compared; self-esteem; national longitudinal survey; high school boys; Q9515
subjective well-being, male vs female self-evaluations; educational status; national survey data; Q9461

Self Expression
disabled persons' appearance management, clothing's role, negotiated outcomes perspective; interviews, questionnaire; disabled college students; Q3173
personal/social growth vs academic skills, educational ideology; participant observation; alternative schools, US West Coast; Q5534
power concept, emotional expression; Q4879
punitiveness toward deviants; social background, beliefs, emotions; questionnaires; college students; Q3184
self-presentation, media's role/impact; Q4885

Self Help
character traits, US, 1950s other-directedness vs 1970s narcissism; self-help literature; Q3148
commitment generation, Alcoholics Anonymous's success, sociological explanation; Q4324
drug addicts' parents/Grey Panthers self-help groups, development/activities potential; participant observation; S18676
educational self-direction; personality, cognitive functioning; interviews; secondary/college students; R0276
elderly's self-care skills, gender differences, hospitals' role; Q6169
firewalking, US, self-help seminars' practice; interviews; Q5254
health care/education, self-help movement, Honduras/Chile; fieldwork; R0748
health care/services, noninstitutional alternatives; S18095
leadership patterns, village-based organizations, India; religion, occupation, caste; S19169
self-help group formation, Federal Republic of Germany; economic/welfare systems' crises, social policies; S18342

wife abusers' self-help group program, St. Louis, Missouri; R1161

Self Presentation
ambivalent sentiments, Middle East, self-sensibility; fieldwork; Afghanistan; Q7462
character as illusion, Erving Goffman's thought; Q7351
egotism, self-preservation norms; Q9522
gift-giving, self-presentation, Iran; Q7466
Goffman, Erving, social dramaturgy theory; Q7374
identity/image, self-representation concept; Q7549
informal interactions, self-presentation, speech's role; audio/video recordings; Q8197
self as object, Jean-Paul Sartre's/George Herbert Mead's theories; Q7460
self presentation, impression management, acting "extras,"; others' direction; personal experience; S19068
self-construction, oral verse, North Yemeni tribes, symbolic interaction perspective; Q7471
sexual scripts, behavior conceptualization metaphor; R0603

Semantic Differential
child semantic development/communicative abilities; social class effect; lower-/middle-class kindergartners, second/sixth graders; R0211

Semantics
interpellation concept, jokes/linguistics; book review essay; Q3794
kin-relational expressions, vernacular definitions, structural semantic analysis; Q5026

Seminarians
French seminaries, academic structure/social life/theological changes; 5-book review essay; Q5636

Semiotics
cancer discourse, modern clinical context; ethnography; Quebec; Q7051
cultures' polyglot structure, Soviet semiotic analysis; Q5032
Eco, Umberto, *Il nome della rosa* (The Name of the Rose); review essay; Q3796
Language and Materialism by Rosalind Coward & John Ellis; review essay; R1151
mass culture, crisis of meaning, US; phenomenological semiotic approach; S17807
olfactory rites, religious/cultural significance, southern Tunisia; ethnological observations; Q9624
symbolic communication, complex organizations, semiotical analysis; fieldwork; urban constabulary, GB; Q7764
text/society metaphor, hermeneutics/semiotics analysis; Q4785

Semitic Languages
Hebrew language modernization/secularization, Gerschom Scholem's thought; unpublished letter; Q8353
Zionism/Hebrew language, Gerschom Scholem's views; unpublished letter; Q8336

Senegal
cash vs subsistence crops, symbolic gender constructs, Jola society, Senegal; fieldwork; Q5056
development, Senegal, response strategies, "distribution unit" concept; surveys; villages; Q6583
dominated town planning, Dakar, Senegal; Q3744
polygyny/marriage practices, sub-Saharan Africa, demographic implications; case study; Bande tribe, Senegal; Q9627
time allocation studies, women's/children's activities, spot vs day-long narrative observation methods; Mexico, Senegal; Q4105

Sentencing
burglary recidivism; incapacitative-based sentencing schemes; experiment; 1982 burglary defendants, Dade County, Florida; Q6908
criminal justice outcomes/determinants, Hispanic vs non-Hispanic defendants; official records, interviews; Tucson, Arizona/El Paso, Texas; Q8426
delinquency reduction; release/community service diversion vs traditional juvenile court; experiment; Q6902
determinate sentencing patterns, US/People's Republic of China, structure/impact; observation; S18050
jurors' sentencing decision; attorney's/juror's religiosity; videotapes; residents/university students, Indiana; Q3912
legal processing/sentencing decisions; guilty pleas, race/ethnicity, prior record; event-history data; whites/blacks/Chicanos, California courts; Q5681
life-without-parole sentencing, Habitual Felony Offender Act, Alabama, effectiveness/consequences; case studies; prison inmates; Q8433
longer prison sentences, deterrent effect; secondary data; Q8427
male/female offenders' sentencing, D. Webb's/R. I. Mawby's studies critiqued; Q4680
plea bargaining decisions, defendants' vs defense lawyers' perspective; probability, experiments; R0381
pre-/post conviction decisions; offender's sex; probation file data; Hennepin County, Minnesota; Q8391
prison inmate adaptation/staff difficulties; indeterminate sentencing; Q4016
probation officer's presentencing report, recommended changes; Q6870
protracted imprisonment, dangerous criminals, policy debate; Q6910
racial discrimination, sentencing, US, evidence summarized; Q3976
sentencing decisions, judicial consistency/bias; case records; legal-aid clients; R0862
sentencing recommendations, male vs female offenders; probation officer's gender; probation files; Q3980
sentencing research, racial prejudice; historical outline; Q3988
sentencing trends, England/Wales; Criminal Justice Act, 1982; statistics; Q8435
sentencing, race differences; offender's race, demographic context; court records; white/black felons; Fulton, DeKalb, Georgia; R0415

Separatism
separatist process, conflict/mobilization/action dimensions; Q7861
social recruitment strategies, violent separatist organizations; social class structural factors; Q5006

Serbia, Yugoslavia
extended family household, rural Serbia (Yugoslavia), father-son dyad; temporal processes; case study; 1832-1978; Q5937
Service Industries
earnings structure, transformative vs service sectors, industrial change process; census; US; S19111
employment rates, commercial-administrative branch; service industry; communication/data-processing technology; Q5069
male earnings inequality, US metropolitan areas; service industries; census data; Q3771
postindustrial service economy, socioeconomic/technological restructuring, informatization/informalization/dualism models critiqued; Q7144
present workplace trends, negative future productivity effects, Bureau of Labor Statistics research implications; Q5382
service class development, US; S19245
service industry/urban development, Sunbelt region, US; statistics, case studies; post-World War II; Q9778
service/information industry, future employment prospects; cross-national perspective; Q7432
Services
city services/spending suburban demand, retail sales participation; census data; US; Q5473
Settlement Patterns
human settlement development, Federal Republic Germany, future projections; R0994
human settlement development, France, future projections; R0992
interpersonal estrangement; demographic characteristics, city vs suburban settlement type; survey; Q4903
Seventeenth Century
absolutist monarchies, 17th-century France/England, revolutionary opposition; R0045
adolescent culture, 17th-century Massachusetts; court/town/church records; Q5871
Catholic Reform movement, 17th-century France, dogma vs beliefs; Q9848
constancy of crime hypothesis, Plymouth Colony, Massachusetts; 1633-1679 historical data; Q4378
demographic evolution, Los Molinos, Madrid, Spain; historical registers; 17th-18th centuries; R0540

small group communication; gender composition, task structure; experiment; university students; Q4842
small group conflict, group vs individual identity boundaries, conversational tactics; conversational episode examination; S18216
small group research, field theory; Kurt Lewin's death, group dynamics/process-sociometry model; case studies; S18416

Smoking
adolescent alcohol/tobacco use; self-referent identity labels; interviews; adolescents, Western countries; Q3088
adolescent cigarette smoking, social learning theory; panel study; junior/senior high school students; Q4132
adolescent tobacco use, initiation/cessation, social influences/constraints; panel data; Q8869
alcohol/cigarette use, television depiction, dramas/situation comedies; content analysis; 1950-1982; Q6009
cigarette smoking cessation, GB, sex differences; surveys; Q4241
cigarette smoking, schoolchildren, prevalence/related variables; questionnaire; 1975, 1978; Q5804
cigarette/alcohol/drug use, medical students; survey; Q7069
drinking habits/alcohol-related consequences, Scottish teenagers; illicit drug/tobacco consumption; questionnaires; Q4257
female smoking, social interpretations; questionnaires; female nurses/student teachers; Q6019
smoking attitudes, exsmokers/smokers/never-smokers; questionnaire, physical data; Illinois 7-12 graders; Q6042
smoking cessation; perceived addiction/success expectancy/failure attributions; questionnaire; smokers; Q8849
smoking intentions/behavior, reasoned aciton theory; attitudes, normative beliefs; surveys; R0795
smoking problem, continuing controversy; US; S18940
smoking/health issue, tobacco industry economics, US, public policy options; Q8789
tobacco smoking addiction, GB, National Health Service's actions; historical study; Q4279

Sociability
media use/sociability relationship, real vs para-social interaction; Q9881

Social Acceptance
rational suicide concept; R0707
scheduled caste mobility, India; S19129
social acceptance, gossip's role; Q6562
success definitions, disabled persons; oral narratives; midwestern US; Q9500

Social Action
communal vs individual social action, rationalization process; Q9537
community action, Q-Analysis technique; case study; New Hampshire; S18847
cultural life/social action, Italy; Catholic religious forms; S17756
dangerous chemical exposure, community response; case examples, published reports; S18893
mass student movement organizations/sects, dynamics/dilemmas; Q7857
poverty, modern welfare society; welfare benefit cuts, labor market redundancy; Denmark; S17557
punishment/social action, business cycles; Q5685
rationality concept, current social changes/action theories; S17900
scientific knowledge, political domain, constructivist view; R0427
social action analysis, sense principle, Jürgen Habermas's "universality" vs Niklas Luhmann's "particularity"; Q6521
social action typology, Vilfredo Pareto's vs Max Weber's theories; Q4809
social action, attributed qualities, motivational properties; questionnaire; sociology students; Q7499
social action, Masamichi Shinmei's synthetic sociology, empirical research's role; Q6494
social action, unemployed youth, community/political work; Santiago, Chile; interviews; S17718
social action/volunteerism; employment status/expectations, sex; questionnaires; Australian university graduates; Q3097
social action; Marxist approach; Q6512
social activist behavior, Boston (Mass) school desegregation controversy; values; interviews; clergymen; Q7546
social activity; Soviet sociological category; Q3040
social construction of meaning, systematization efforts, epistemological problems; case study; Chile; Q9248
social protest efforts/outcomes, Christian organizations, post-Civil War US; Q8316
social/environmental change, ideological influence; Q9041
US foreign policy, religious leaders' role, Jerry Falwell case; church leaders' statements/actions, opinion poll results; S18777

Social Agencies
proactive sexual assault treatment agencies, voluntaristic/personal practices, structural persistence; survey; Q6429
social relations patterns, health planning agency, clique formation; survey; US; Q3365

Social Anthropology
adolescent initiation rituals, consciousness transformation; pain experience; Q6593
altered consciousness states, cross-cultural analysis model; anthropological case studies; Q6558
anthropology, cultural materialism theory, critique/alternative approaches; Q4578
building socialism, People's Republic of China, socioethnic studies; S17748
cultural anthropology, Marxism's/historical materialism's relevance; Q3282
cultural anthropology, symbolic dimensions, phenomenology/ethnomethodology relevance; comments/reply; Q6589
cultural beliefs/practices, post-Middle Ages, social/cultural anthropological perspectives; 12-book review essay; Q7661
culture theory, Europe, construction/destruction concepts; Q3262
feminist anthropology/social anthropology of women; personal experience; Q9107
hermeneutics, Clifford Geertz's *Local Knowledge: Further Essays in Interpretive Anthropology*; review essay; Q3188
literary horror/classical tragedy genres, moral themes; sociocultural circumstances; anthropological analysis; Q7129
psychiatry of ethnic minorities, GB, social anthropology's contributions; Q8965
Quebec culture, research issues; Q5031
research methods, social anthropology; book review essay; Q7306
social anthropology, GB; Q7217
social anthropology, Kantian epistemology's relevance; Q4427
social anthropology, West Africa; literature review, 1940-1980; Q3062
social anthropology's dominance, GB; Rockefeller Foundation philanthropy; Q7341
social policy making, sociocultural evolutionary framework; Q9871
transaction/exchange behavior, generative/transactional approaches; anthropological research perspective; Q7831

Social Attitudes
aging process, adolescents' beliefs/attitudes; oral history project; interviews; adolescents, elderly; R0835
American-born Israelis, social/political attitudes/backgrounds; interviews; Q5007
child abuse explanations; questionnaires; adolescent university students; Q5858
French bourgeoisie, religious/social attitudes, sociohistorical vs Bernard Groethuysen's investigative methods; Q7650
immigrants' sociopolitical views/lifestyles; communist-to-Western society migration; interviews; France; S18277
intergroup attitudes/ behavior, children, India; Q9579
international conflict resolution, national political/religious/family/lifestyle attitudes, cultural/social values; longitudinal studies; Japan, US, Europe; S18129
offender-law/psychology student social distance; sex vs attitude differences; attitude scales; Q9467
rape law reform, New Zealand, social attitudes; Q8371
social issues/problems, late adolescents' perceptions; survey; undergraduate students; Q5856
social representations of aging, working class labor management; industrial retirement/pension plans; monographs; steel mill, colliery; Burgundy, France, 19th/20th century; S18264
social/political attitudes, Norwegian vs US university students; questionnaires; Q3594
social/political beliefs/preferences; high vs low fundamentalist views; questionnaires; university psychology students, Tennessee; Q3552
socialist way of life, German Democratic Republic, development trends; survey data; Q9973

Social Background
academic achievement, modern public vs private schools, sociodemographic factors; background characteristics; testing data; high school students, Florida; Q5521
aesthetic knowledge deficiencies, Hungarian youth; family background, film unavailability; experiment; film cultural databank es-

tablished; S18661
antinuclear demonstrations, participant comparison; mail survey; San Francisco, California vs Washington, DC, 1979; Q9859
computer literacy educational programs, social class/status implications; Q5580
depressed affect, self-esteem; past vs current causes; Beck Depression Inventory, Rosenberg Self-Esteem Scale; undergraduates; Q9458
educational attainment/access, France; social origins; secondary data; Q8285
educational/occupational status attainment, Indian scheduled castes; social class background/scholastic ability/value orientation; interviews, scholastic application data; S18540
girls' educational choice, social background's influence, data collection methodology debate; Q3860
occupational attainment, Ashkenazi majority vs Oriental minority males; credentialization, education, socioeconomic background, intelligence; tests; Israel; S18786
postsecondary educational attainment, black/white students; social background/personal variables; longitudinal survey; US; 1972-1979; Q5590
professional career/achievement; social origin; survey; Berlin, West Germany; R0676
punitiveness toward deviants; social background, beliefs, emotions; questionnaires; college students; Q3184
religious establishment/movements, southern Africa, followers' moral/social backgrounds; S18273

Social Behavior
adaptive system behavior, mathematical model/computer simulation; Q9296
adolescents' obnoxious behavior/incompetencies; Q5851
adult male-child bond, species-characteristic behavior; observations; R0545
appropriate/autonomous behavior, male vs female adolescents, normative expectations; interviews; adults; R0573
behavior problems, social competence, boys vs girls; violent vs nonviolent background; scale; Q6946
compliment taxonomy/transactions/behavior; interviews, content analysis; adults; Q4927
conflict situations, fight vs flight responses; class/sex/risk; self-reports; teenagers; Q4854
deceptive communication, behavioral cues; observation; university students, Texas; Q3103
human behavior/personality systems; social structural systems; S18369
individual conduct; family life/income; questionnaire; individuals aged 26-40, Leningrad, USSR; Q7109
interpersonal face-to-face behavior & conflict/complaint contexts, strategic conflict avoidance; conversations, verbal complaints; nonnative/native English speakers; S18680
Mead, George Herbert, voluntaristic theory, self as behavior control mechanism; Q3025
normative values/rational knowledge relationship, human social behavior; epistemological analysis; Western societies; S17689
power use, sex differences; situational factors; experiment; R1132
self-promises, problem solving/social control functions; questionnaire; college students; Q7497
social behavior, Austrian youths; video games; interviews; Q3473
social behavior, climatic factors; research data; S17990
social behavior, transformation concept, frame analysis vs negative keying definitions; Q4813
social interaction, environment-specific awareness levels; Q7467
social network data accuracy, self-reports vs behavioral observation; university employees, fraternity members, restaurant customers; Q5145
social representations, social psychology's treatment; Q7492
tourism, host population deference behavior; Yugoslavia; Q3467
transaction/exchange behavior, generative/transactional approaches; anthropological research perspective; Q7831

Social Change
acculturation, artistic creativity, advanced information societies; social norms/value change; Q6643
advanced computer technology, developing countries, social impact; Q6924
Afro-religious cults, Brazil, social change context; S18391
aging women, Catholic community, personal/institutional change; survey; S17787
Anglo-American legal tradition, historical changes; article/comments/reply; Q8415
artistic-socioprofessional intelligentsia, USSR, social development/changes; S17603
black families, Appalachia, socioeconomic/demographic situations; statistics; Q8644
black family life, US; social change; descriptive/biographical data; 1619-1920; R0625
black female migrants, Transvaal, South Africa; 20th-century social change; life histories; Q5160

Indian social realities, world system/Indo-centric analyses critiqued, surplus economy model proposed; S17682
social interaction/structures relationship, micro-macro relations, social reality; S18116
social reality construction formation/maintenance; retarded child's family; case study, videotaped observation; Q5967
social reality construction, Spiritualist Church movement, sociology of knowledge perspective; R0306
social reality, individuals' interpretation; symbolic resources; survey data; S18418
social reality, theoretical approaches; Q2889
values/social reality perceptions, West German adolescents; unemployment risk; surveys; 1970s-1980s; Q8587
Western sociology recent ethical/ecological concerns; Q4478
youth socialization, family themes/values, reality construction theories; Q5905

Social Reform
criminal justice policies, change process, societal reform; Q7103
health care reform, Rudolf Virchow's 1848 typhus epidemic report, Upper Silesia; Q4271
Khasi religion organization/rituals/beliefs, historical changes; social reformers' writings, India; S18535
social policy experimentation, guidelines; articles/comments; R0982
social psychology, individual/society relationship, George Herbert Mead's theories; Q6501
socioeconomic planning attitudes, power strategies; Polish administrators; interviews, questionnaires; S18237
South Africa, apartheid, constitutional vs revolutionary change; Q9581

Social Relations
alienation; capitalist social relations, democratic communication; S18788
allocation preferences, egalitarian vs equitarian modes; questionnaire; students; Q9459
community studies method, rural social relations, economic restructuring; literature review; R0142
cultural myths/legends, individual/larger society relationship, content analysis method; case studies; S18417
"culture of poverty," Indian urban slums; social/familial relationships, caste status; interviews, scale; three-slum analysis; Madurai, India; S18568
drinking behavior/attitudes, Russian university students; media/personal experience/family/friends influence; survey; S18663
fertility/demographic characteristics, social relationships, US middle-class women; interviews; Los Angeles, California; Q6343
grief experience, symbolic-interactionist approach; Q7504
hierarchy/social complexity, recent social anthropological work; 4-book review essay; Q6582
Huron/Montagnais-Naskapi tribes, women's status, 17th century; North America; Q6322
labor relations, colonial Papua New Guinea; native cargo cult practices, social relations of production influences; S17703
love/social relations equivalency; love letter analysis; Quebec; 1860-1975; S18018
multiethnic community development, social relations improvement, sociologists' role; research project; Lille, France; Q6207
property/hierarchical relations, Marquesas Islands (French Polynesia); documentary evidence; 1790-1813; Q9629
relationship content, network models; Q9759
social life, work/leisure relationship, Canada; surveys; S18431
social order models, sociology's ideological polarization vs theoretical pluralism; Q7329
social relations development, Marxist social reproduction vs social mobility conceptions; S18553
social relations model, David A. Kenny/Lawrence La Voie, methodological misuses critiqued; Q9484
social relations patterns, health planning agency, clique formation; survey; US; Q3365
social relations' politicization, individual compliance; formal education system; S18166
social relations structure, social class divisions; socialism as an order vs revolutionary movements; S17927
social relationships, universal vs specific rules; questionnaires; adults; Q4846
social structural analysis, development/principles, Canadian contributions; Q7430
technological innovation, industrial research centers; technicians'/engineers' social relations, experimental process; Q8492
urban microsocial life/structure, Cracow, Poland; secondary data; Q8159
women social service providers'/consumers' social relations; welfare professionalism/bureaucracy/power inequality; Q6377
women's liberation efforts; normative sex-role orientations; Q6352

Social Reproduction
Czechoslovakian youth, social reproduction potentials; Q5860

family social reproduction/histories, Tatar cities, USSR; S18555
leisure/social reproduction/labor relationship, sociology of leisure/general sociological theory; S18609
political status/power/influence, underdeveloped political economy; religion; Nigeria; S18364
social relations development, Marxist social reproduction vs social mobility conceptions; S18553
social reproduction processes, income distribution, labor supply; formal/informal sectors' interrelationships, urban economy; surveys; four Colombian cities, 1975-1985; S17605
social structure transformation model, Czechoslovakian youth; Q5837
student socialization/behavior, track/social class differences; survey, observations; S19053

Social Response
dangerous chemical exposure, community response; case examples, published reports; S18893
male homosexuals' self-esteem; community alienation/openness, homosexual group membership; questionnaire; Dallas, Texas; Q4872

Social Responsibility
alternative worker group, aviation industry, West Germany, socially useful goods vs armaments production; questionnaires; S17849
corporate giving officers, professional networks, member proximity; interview survey; Saint Paul/Minneapolis, Minnesota; Q5370
economic/familial/social problems; welfare system cutbacks/reform programs, governmental responsibility; S17985
sociologists' moral/social responsibilities, critical humanist perspective; critique/reply; Q7335
university-minority community relations, alternative social responsibility models; S17677

Social Revolution
Communist revolutions, Cuba/Ethiopia, elite's role; S19143
Enlightenment/French Revolution, Immanuel Kant's thought; R0934
modernization/cultural change processes, Chinese Cultural Revolution; Q9800
national character development, Guatemalan revolution; Q9942
occupied Germany/Japan, post-World War II, revolutionary sociopolitical reform; S18256
Paraguayan 1904 revolution, socioeconomic roots/British reaction; Q9967
political crises, Central America; 1970s; R0012
political/social problems, Panama, historical antecedents; R0013
ranch workers' noncomformity/unrest, Tlaxcala, Mexico; 1914-1918; Q9797
social revolt processes, research procedures; Q9849
social revolutions, new colonial capitalist countries; case example; Sandinista Revolution, Nicaragua; R0016

Social Science Education
desocialization, course description; Q4780
general education social science courses' effectiveness; questionnaire; undergraduate students; Q4702
humanities/social science education funding cuts, UK; Q3870
Interdisciplinary Dimensions of Economic Analysis project, theoretical framework; Q4701
political/social science teaching, West Germany; curriculum changes; Q7311
social science research dissemination approaches, GB; R0436
social science teaching, France; Q7337
social sciences, Brazil, methodological trends; personal experience; Q9245

Social Science Research
Afro-American social science research, black perspective; Q4723
aggression, current research, theoretical/empirical failures; Q7107
applied social research, policy/trends Norway; R0887
autobiographical texts, biographical research, situational approach; oral life histories, French autobiographies; S18314
causal models, social science research; special issue of *Synthèse* introduced; Q9236
citation practices, academic research, sex biases; labor economics journals, US/Canada; Q9306
cocaine trafficking, street gang members' involvement, law enforcement/research implications; S19272
computer research, social sciences, bibliographic classification scheme; Q6457
computer use, social science research; Q7242
contemporary military, social science literature, socialist states; Q7747
criminological research, victimization probability estimation, MIMIC models' utility; surveys; Q7280
cultural sociology, German Democratic Republic, research topics/methods; Q9435
data bias; social science data collection, qualitative vs ethnographic methods; S18590
economic/sociological/political science research, French Canada; debate/comment; Q7391
economy/work/organization, Italian research projects, topics/funding; survey; Q9632
educational attainment/achievement, quantitative research evaluated; S18496
feminist social research; undergraduate essays; Q9170
gender/family issues, social science literature, 1950s; Q7181
global systems, social research issues; Q5164
GlottoKit linguistic research instrument, applicability/validity; students, Rome, Italy; R0202
human behavior measurement, anthropological research; article/comments/reply; Q6444
international migration; bibliography; R0542
international security studies, social science's role, interdisciplinary approach advocated; Q7149
leisure activity time allocation, aged ethnic minorities; life events, prior job history, sociocultural factors; time-budget, questionnaire, life satisfaction scale; S18690
leisure research, time-budget method's utility; surveys, research review; S18610
life story technique, subjectivity; Q4623
manuscript review process, social science journals, abstract submission proposed; questionnaire; sociology/social science/education journal editors; comment; Q6500
matrix typology; S17805
methodology/model specification, *Kölner Zeitschrift für Soziologie & Sozialpsychologie, Soziale Welt, & Zeitschrift für Soziologie* journal articles; Q4750
narrational analysis, cross-cultural studies, Southeast Asian research experiences; Q4654
new technologies, Flanders, social science research; Q6933
nomadic pastoral societies, Western vs Soviet anthropological research, A. M. Khazanov's *Nomads and the Outside World* reviewed; Q6592

social science research, ethical conflicts; Q7303
social science research, ethical responsibility; Q7310
social science research, information transfer, Third World countries; Q9335
social science research, religion explanations; Q2998
social science research, scientific paradigm; Q7218
social science research, Third World, Western conceptual/vocabulary imposition, indigenous concepts glossary need; panel discussion; International Social Science Council's Committee for Conceptual & Terminological Analysis; S18802
social science, international cooperation vs self-containment; commentaries; Q5726
social science, state funding; US; historical approach, Talcott Parsons's views; S18113
social scientists/citizen groups, collaboration/communication; S19254
social work/problems, praxis/research; Q4393
sociology of work/organizations, trends/paradigms; Q9652
spatial considerations, social science research; 3-book review essay; R1046
survey nonresponse bias; opinion strength/issue preferences; mail polls; Columbus, Ohio; 1983 election; Q4657
surveys, response alternative ordering, primary vs recency effects; telephone interviews; Summit County, Ohio; Q7248
technological accident litigation, victims' compensation, social injury model; case studies; S18412
theory validation/cross-cultural research, social sciences, methodological difficulties; Q9238
Third World development, social science failures; Q5158
urban research trends, Japan; S18022
validity/reliability concepts, social sciences' (psychologists') definitions/use criticized; S18230
Weber, Max, social science theory, empirical relevance; Q4810
women's status assessment, conceptual/methodological problems, social-demographic studies; Q8541
work/community relationship, community psychology implications; Q6613

Social Sciences
academic social scientists, South Africa, knowledge-power generation/democratization; S19198
applied social sciences, ethical code development, increased participative role; S18524
biographical text as human science document; S18477
biological/evolutionary persepctives, social sciences; 2-book review essay; R0546
causality notion, social sciences; Q2939
content analysis, social sciences, history/computer use; Q4655
critical theory, social sciences, Frankfurt school origins, Theodor W. Adorno's formulation/post-1967 reformulation; R1020
cultural sciences, explanative/interpretive strategies; Q9243
data modeling procedures, relational data base management, social science utility; Q6506
deprofessionalization, academic social sciences; Q7291
developed/developing countries' relations; social sciences' prosperity/progress/development emphasis; S17552
"facts", legal/sociological conceptions compared; Q6872
family therapy, social/behavioral sciences, biological ontology, epistemology; Gregory Bateson's/Humberto R. Maturana's works compared/evaluated; Q7211
geography discipline, characteristics/evolution; R1045
historical method, social science applications; Q4632
information processing/symbol approach, behavioral science; Q9234
intellectuals' role, Yugoslavian social sciences/society; content analysis; Q3620
international social science decline, inter/nongovernmental organization/UNESCO relationship; Q6689
knowledge conceptions, phenomenological vs positivist approach, planners' roles; Q9241
knowledge crisis, social sciences, quantitative vs qualitative approaches; Q9351
Malinowski, Bronislaw, social science work/themes, Polish acceptance; Q7346
multiple regression analysis, social science applications; Q7272
natural/social sciences linkages, Marxist psychology; Q5690
"network," theoretical/methodological issues; Q7777
particularization vs generalization, social sciences; Q3043
patient survivability; medical/mental institutional care; Q8073
Photography against the Grain: Essays and Photo Works 1973-1983, Allan Sekula; review essay; Q7201
police administration/social science interaction; Q6883
scientific innovation diffusion, center-periphery issues; S18623
scientific status, social sciences, researchers' power relations; Q9376
Social Science Documentation Center, New Delhi, India; Q9298
social science philosophy, metatheoretical disputes; Q7213
social science philosophy; book review essay; Q4782
social science theory/methodology, advanced industrial societies, critical theory perspective; R1019
social science, individual biologization/social naturalization tendencies; Q2883
social science, state funding; US; historical approach, Talcott Parsons's views; S18113
social science/natural sciences/art, increasing unification; Q4629
social science/sociology; multinational version, cultural/social/political/economic factors; First vs Second vs Third World views; Q6477
social sciences, Brazil, methodological trends; personal experience; Q9245
social sciences, choice obfuscation; Q9242
social sciences, epistemological issues; Q7214
social sciences, epistemological/ethical crises; Q9366
social sciences, Latin America; Q2974
social sciences, new realist philosophy, positivist limitations; Q7220
social sciences, *Rationalitätstreit* controversy; Q4428
social sciences/architecture relationship, global vs partial research approaches; Q8168
social sciences/hermeneutics, Richard Rorty's thought, Gadamerian critique; Q4638
social sciences/sociology, new political economy's potential; Q2985
social scientists' interdisciplinary communication, logic/sociology of science, epistemology concept criticized, "science of science" (metascience) concept investigated; S18231
social vs natural sciences, Japan, differential development; Q4768
sociocultural sciences, value base/conflict, rationality, 19th-century philosophical views; Q9420
sociolinguistics as social science, dynamic/categorical/hermeneutic implications; Q8205
sociology's scientificity, international attitudes; book review essay; Q7340
Weber, Max, social science theory, empirical relevance; Q4810

Social Scientists
atomic-age realities, social science teaching; Q9025
Brazilian social scientists, international role, Louis Dumont's ideology conception; Q6751
international agricultural development, social scientists' role, negative stereotypes; S18857
journal literature utilization, Muslim social scientists, US; mailed questionnaires; Q4719
Morente, Manuel Garcia, Madrid University (Spain) ethics professor, life/work; Q7377
philosophical anthropology, Dominican Brother Bartholomew de las Casas's influence; 16th century; Q7207
prominent sociologists' influence, measurement methodology; citation analysis; journal articles; Q9369
Roucek, Joseph S., Czechoslovakian social science pioneer; Q7300
scientists' mass media interactions, science employer/social system barriers; questionnaire survey; Q5701

social scientists, Brazil, civic/political role; S18389
US military effort, WWII; immigrant German social scientists; international political science theories compared; S18591

Social Security
age-specific legislation, Finland; S19195
dispute settlement, US, Social Security claims; 2-book review essay; Q4007
government-social work relationship, New Deal era, ideological/values issues; Q8098
later retirement policy, voluntary vs Social Security benefit reduction approaches; Q8922
public opinion polls, US social security issues; 1935-present; Q5217
public pension expenditures; cross-national patterns; Q7088
Social Security legislation, state-centered vs economic explanatory perspectives; comment/reply; Q3408
Social Security old age retirement issues, US, Eveline M. Burns's work/professional leadership; 1935-1960; R0889
social security pension programs, welfare states; international economic conditions; case studies; German Democratic Republic/Federal Republic Germany/US; S18885

social security programs, capitalist vs communist societies, social control issue; official statistics; Q5278
social security provision, Jamaica, voluntary mutual aid associations; Q9766
social security system, Netherlands, social policy; interactive simulation game; Q4682
social security/retirement policies, US; cross-national comparison; Q7076
welfare capitalism, 1935 Social Security Act, elite domination thesis; article/reply; Q9827
welfare state, social security program, local governments; worldwide economic crisis, unemployment, structural changes; S18775

Social Segmentation
ethnic segmentation, immigrant communities, rational action model; Q9403
ideological pillarization, Dutch society, social/political/economic implications; R0009
societal differentiation, systems theory approaches; Q9423

Social Services
alienation/integration, social service workers, Marxist perspective; questionnaire; Q8087
burnout, human service workers; job involvement/attitudes; questionnaires; US; Q3664
community development process, formal/informal communication networks' role; case studies; R0947
community-based organization use, limited-resource women; random survey; South Carolina; S18881
community-dwelling older persons, service needs, public policy implications; interviews; London, Ontario; Q7079
emergency planning, social services provision; Q4493
extrareligious services, socioeconomic activities, US missionaries; sub-Saharan Africa countries; S18840
family social needs, formal/informal service utilization, Italy; survey data; S17833
family violence perpetrators, program/resource development; interviews; program administrators; R1070
Hull House social settlements, Chicago, Illinois, 1889-1914, urban research/reform implications; Q9343
Indochinese refugees, US, assimilation/settlement; Q7616
interventionist service state, US, growth/development; Q7980
old age service provision, public-professional/private-informal systems' rationales compared; participant observation; S18481
organizational change/survival, voluntary social services; S18566
population growth, rural Pine Tree County, Michigan, institutional impacts; interviews, documents; R0971
public sector productivity, 20th-century bureaucratization; Q9437
public social service planning, community development approach; case study; demonstration project, Arizona; R0952
senior centers' activities/services, nature/availability; Q8899
single parents, US Air Force, work/personal/family demands/adjustment, service utilization patterns; interviews; Q6979
social service programs, taxonomy development; Q4592
social welfare spending, US, quantifiable/nonquantifiable effects; article/comment; R1007
social work prospects; 1980s; Q7818
social/health service needs, British vs Polish immigrant elderly populations, GB; interviews; S17688
sociological services division, USSR; Q6487
survival strategies, urban poor, Latin America, social intervention; S17875
women social service providers'/consumers' social relations; welfare professionalism/bureaucracy/power inequality; Q6377

Social Space
cultural space utilization, ethnological vs tourism conceptualizations; S18691
group construction, "social space" theory, politics/the state defined; Q6505
rural space meanings, tourists; interviews; Côte d'Azur village; S17803
social class formation, social space notion; Q4783
sociospatial environmental quality, design process; biological architecture, holistic participation; S18523

Social Status
academic competency, socially rejected/low-achieving children; clinical intervention; test scores, observation; Q6945
antigrowth values/sentiment, status group differences; questionnaire; metropolitan residents, Iowa; Q9844
bossy interpersonal style, children's interactions; sociometric status; videotapes; Q6536
cognitive judgments; race, socioeconomic status; transcripts, questionnaire; Q9563
education, Nigeria traditional vs Western systems, social mobility issues; interviews; young males; 1965, 1974; S17597
education-occupation relationship, industrialized societies, meritocratic allocation model; census/survey data; cross-national analysis; S18586
Equal Rights Amendment support; social class/status conceptualizations; interviews, 1977 National Opinion Research Center survey; Q4530
honorific terms/usages, Japan; interviews; Tokyo; Q3808
Indian immigrant laborers' social status/alienation, Sri Lanka; historical analysis; S17627
individual's social position, objective value/quantification; Q9824
juvenile justice selection/screening; offenders' social status/suspected moral character; statistical/ethnographic data; Q8943
kinship interaction/social status/well-being correlations; mail questionnaire; males, London, England/Los Angeles, California/Sydney, Australia; Q3255
law immunity/sanctioning; stratification rank; questionnaire; undergraduates; R0052
legalized abortion, public approval; status group, expressive/symbolic beliefs; interviews; adults, Edmonton, Alberta; Q3440
life satisfaction; social status; survey; high-/low-status subjects, Wales; Q3130
new scientific knowledge, consensus shift, social patterning; case study; continental drift theory; Q8467
peer relationships, children's satisfaction; sociometric status; self-report measures; survey; Q6943
political party support; social class/status; election returns, census; Ontario; ecological analysis; Q7969
professional career/achievement; social origin; survey; Berlin, West Germany; R0676
social class position/consciousness, women; ethnographic fieldwork; department store; Q9165
social position, objective vs subjective evaluations; Q9689
social positions; intergenerational mobility, friendship choice; R0033
social status allocation/dominance behavior, face-to-face interaction, humans/primate groups, biosocial model; Q4843
social status attainment, occupational mobility, intergenerational transmission, Chile; education; questionnaires/longitudinal study; youngsters/students; Q6812
social status, Australia; employment/demographic characteristics; secondary data; Q8048
social status, civil servants vs industrial workers, Finland; 1850-WWII; Q3623
social status, linguistic expressions; cross-national comparison; Q3800
social status/motor ability correlations, sports performance; taxonomic structures; scale data; men; Q4887
socially privileged offenders, criminogeneous factors; self-reports; students; Q3656
sociometric assignments, group membership stability, assessment procedures; questionnaire; Q6445
status attainment process, India; educational advancement; interviews; adults, Haryana State; R0275
women's marital/socio-occupational status, Ile-de-France region, France; statistics; Q5452
women's status assessment, conceptual/methodological problems, social-demographic studies; Q8541
women's status/roles, India; education, employment; interviews; teachers, Uttar Pradesh; S17564
youth's delayed employment/social integration; governments'/social agents' practices; Q5827

Social Stratification
agrarian development, India, social structure stratification; Q4832
alienation & differentiation, Karl Marx's concept critiqued; S18675
caste/class, Indian society; R0062
class conceptions, surplus labor's role, current French crisis, Karl Marx's thought; R0070
class/gender stratification, northwestern Europe, historical origins; Q3633
crime rates, US vs India; social stratification systems; Q6203
culture/social stratification/ethnicity issues, Indian immigrants, Malaysia; R0043
dowry systems/uses, differential incidence; social stratification; secondary data; Q5025
entrepreneurial development, India's tribals, stratification categories; S19243
ethnic stratification, Guam; secondary/census data; S17550
fieldwork dilemmas, rural India, social class issues; participant observation; Q2891
hierarchy/social complexity, recent social anthropological work; 4-book review essay; Q6582

magazine reading/leisure activities, Canada; social stratification; national interview survey; S17774
occupational expectations, secondary school students, Trinidad/Tobago; parental/peer/educational/socioeconomic influences; questionnaire survey; Q5520
plantation laborers, Sri Lanka, socioeconomic position; S18339
racial prejudice/factors, South American social stratification; blacks, Unguia, Colombia; Q5005
rank of institution attended, graduate/professional students; undergraduate achievement, social class, sex, race; surveys; R0266
regional organization, Aztec empire; social/economic/political stratification; Cuauhnahuac, Morelos, Mexico; Q7811
reservation system, scheduled castes, Sanskritization process; participant observation, government reports; R0038
social class stratification, India, "disadvantaged" groups; Q5345
social class structure, Finland; post-World War II; Q9442
social ecology, social stratification research; R0561
social inequality research; book review essay; R0039
social mobility/stratification, Leidse (Netherlands) school/Weberian/neo-Weberian interpretations; Q8292
social relations structure, social class divisions; socialism as an order vs revolutionary movements; S17927
social strata/inequality, Theodore Geiger's analysis; Q5340
social stratification consequences, analytical distinctions; Q3647
social stratification measurement, US, underground economy; Q3611
social stratification theory, themes/concepts; Q5339
social stratification, Brazil, Donald B. Holsinger's industrialization thesis; 1973 survey; households; Q5334
social stratification, differential mobility, genetic factors; response to criticism; Q8556
social stratification/inequalities, Haryana State, India, caste/power relationships; S19138
social stratification/maldevelopment, India, middle class's role; time series data; S18337
status inconsistency, interactionist vs social-biographical interpretations; Q5348
stratification systems, African societies; social change; S19204
stratification/mobility theory, axiomatic construction; Q7403
time perspective; socioeconomic status; secondary data; R0065
Turkish migrant families' informal social networks/formal associations, ethnic/national identities, social change; international labor migration; interviews, participant observation, life histories; Berlin, West Germany; S18766
urban housing, Iraq, segregation; social stratification; historical case study; Q5468
value transmission, parents'/children's relations; social stratification position; interviews; families, US/Poland; Q6734
village society, India, social stratification/organization; Q8140
Weber, Max, social stratification theory; Q3044
youth's postschool adjustment, social division of labor; educational system, labor market; Geneva, Switzerland, case example; Q5816

Social Structure

agrarian development, India, social structure stratification; Q4832
armed forces' social structure, civilian labor force comparison, Spain; military statistics, surveys; Q5112
art production modes/periods, Indian history; S19212
child sexual molestation case, therapeutic community, psychoanalytic-vs structural-functionalist perspectives; Q8822
chronic technical vs immediate-impact natural disasters, social effects; questionnaires, interviews, participant observation; Centralia, Pennsylvania/Love Canal, New York; Q6308
class structure, Finland; interviews; Q3606
class/social structure, Czechoslovakia, methodological issues; 1984; Q5342
collective meaning, musical syntax, interdisciplinary methodology; Q7413
colonial Mozambique, social/political structures; corporatist/fascist legislation, Portugal; 1933-1979; Q3396
community power structure, Chicago, Illinois; sociometric survey; Q6254
complex social unit research, real structure modeling methodology; Q4831
cultural hegemony, education; Federal Republic of Germany; Q3838
Czechoslovakian youth, social reproduction potentials; Q5860
data collection, Amish culture, inferencing social-structural information from male grooming/dress; Q7212
descent system, Lovedu, South Africa; field research, case histories; Q5027
descent/kinship, matrilineal tribes, India, Meyer Fortes's complementary filiation concept; Q3250
deviant behavior adaptations; social structure; case study; psychoanalysis; Q7569
economic action/social structure relationship, modern industrial society; Oliver Williamson's research critiqued; Q5167
economic/social/occupational transformation, rural East Indian communities, Trinidad; fieldwork/survey data; Q5349
education utopias, Austrian sociology meeting presentations; journal introduction; Q3861

physical culture/sports, Cuba; Q5274
racial integration, sport context, contact theory; questionnaires; secondary school athletes/nonathletes; Q3485
retired male athletes, self-identity/masculinity concepts; interviews; Q7512
salary discrimination, major league baseball; race; black/white nonpitchers; Q8062
social status/motor ability correlations, sports performance; taxonomic structures; scale data; men; Q4887
sport achievements, US, self-immortalization concern; published/media works, official documents; Q7940
sport involvement/social mobility, Afro-Caribbean males, UK; ethnicity, class; Q7935
sport/academic achievement relationship, annotated bibliography, 1978-present; Q6825
sport/recreation, GB, state intervention; Q5262
sporting activities, adolescents; sex, ethnicity, social class, parental exercise, heart health knowledge; questionnaire survey; Texas; Q8760
sports futures research, Finland, methodological program; S19217
sports industry, France, commercial aspects; Q3494
sports rehabilitation/regeneration; Q5267
sports' sociocultural value; Q5268
sports, psychoanalytic evaluation; Q5258
sports, William J. Morgan's labor concept critiqued, critical sociology perspective; Q3482
sports, women, sexism; annotated bibliography, 1980-1985; Q3501
uthletic activity, ancient Greek ideals/attitudes; Q5277
women's sports, male vs female coach; Q5275
young athletes' value orientations; sport participation; interviews; soccer players; Q6958

Sports Participation
academic performance, university athletes; gender, race, sport type; Q8265
alienation/sports participation, relationship, Nigeria; university students; Q4884
children's past/present sport team involvement/attitudes; extrinsic/intrinsic rewards; questionnaires; longitudinal study; Q7934
college football participation, US, racial differences; questionnaire; S19036
elderly people's health, Hungary, sports/physical activity participation; documents, cross-cultural questionnaire survey; S19149

female sports' participation, attitudes/stereotypes; questionnaire; residents, Iowa; Q9128
football/medicine, US, homosexual components; article/comment; Q9176
juvenile delinquency; ice hockey participation; questionnaires; players vs nonathletes aged 15-16, Montreal, Quebec; Q3500
leisure time sport participation, Norway; gender differences; interviews; Q3488
minor league hockey team, social organization; ethnographic study; Q7936
minority women's athletic status, pre-/post-Title IX amendment; annotated bibliography; Q3493
physical activities, preschool children, Czechoslovakia, family's influence; Q5799
physical culture, Czechoslovakian youth; Q5869
physical culture, socialist societies; Q5273
physical culture, sport/play research; Q5276
physical culture/sports, Cuba; Q5274
physical training activities, internal structure; Q5256
physical training activities, preschool children, Czechoslovakia, family participation; Q5798
physical training, socialist societies; Q5264
psychological well-being; physical exercise; adults, Illinois; S19012
retired male athletes, self-identity/masculinity concepts; interviews; Q7512
running attitudes/skill; previous sport involvement/attitudes; mail questionnaire; runners; Q7530
sexual polarization vs androgyny, sports; Q5265
sport achievements, US, self-immortalization concern; published/media works, official documents; Q7940
sport involvement, US, sociodemographic differences; Q9764
sports activity selection, male team game players, India; socioeconomic status; questionnaire, interviews; S19246
sports center, participants' withdrawal; Q5266
sports participation patterns, Europe; Q3486
sports participation, male vs female youths; social class background; questionnaires; Q8031
women's participation, intercollegiate sports, social aspects; participant observation, interviews; Meerut, India; S19215
youth's physical training/sports activities; Q5271

Sports Teams
collegiate football, Associated Press poll ranking changes, 1968-1984, Vilfredo Pareto's elites' circulation concept; Q3499
Little League baseball, seasonal historical focus, collective meaning; participant observation; Q3489
minor league hockey team, social organization; ethnographic study; Q7936
position allocation, college football, US; race; S19023

Sports Violence
aggression/values relationship, sports, interactional morality theory; interviews; high school/college basketball players; comment, reply; Q6685
celebrating riots, US sports culture; primary/secondary data; S17518
hooliganism/violent behavior, football matches; Q9925
ice hockey, honor/ritual, violence; Q3487
soccer hooliganism, black Africa, causes/prevention; Q3492
sports violence, analytical framework; S19125

Spouse Abuse
alcoholic intoxication-spouse abuse relationship; questionnaires; male/female Alcoholics Anonymous members, Manitoba; Q6113
domestic violence, battered wife syndrome, criminal justice system inadequacies, US; Q5911
male spousal aggression, predictive factors; interviews; cohabitating/married males; S17512
maritally violent males, self-esteem; questionnaire/scale data; husbands; Q4867
spousal homicide; gun control proposals; literature review, secondary data; Q9091
spouse abuse assessment, scale; female college students/faculty, social agency clients; Q5942
wife abuse, physical violence definitions; surveys/interviews/notes; battered women/shelter staff members; S18916
wife abusers' self-help group program, St. Louis, Missouri; R1161
women's subordination/family violence, Bangladesh; police records; S19224

Spouses
age-discrepant marriages, US/Canadian trends; census data, statistics; Q4202
alcoholics' wives, alcoholism literature's portrayals, sexist stereotypes/biases; Q8848
husbands'/wives' death timing; significant dates; cemetery records; Pine Bluff, Arkansas; Q5059
perceived stress/marriage quality, alcoholics' spouses; alcoholism recovery process; Q8864
power balance, married couples; interviews; urban Quebec communities; Q8662
spousal interaction, power orientation/mental health; questionnaires, surveys, tape-recorded conversations; married couples; Q4161

Squatters
homelessness/squatting, postindustrial Western cities; case studies; London, England/Philadelphia, Pennsylvania; R0152
squatter property market, Hong Kong, government policy; literature review, field research; R0186
squatter settlements, urban poor; housing policies, settler organizations; Rio de Janeiro/Salvador, Brazil; S18300
squatting/homesteading, ACORN campaign, Philadelphia, Pennsylvania; case study; Q7850

welfare states' crisis, civil society's role; Q4498
youths' societal/labor market integration; state interventions; Belgium case; Q5080

States (Political Subdivisions)
federal protective regulatory policies, Occupational Safety & Health Act; state implementation role; Q3713
intercourt precedent communication, state supreme courts; case citation records; Q5660
pro-poor redistribution policy, state governments, US; social class segments/resources; 1950s; R1005
social policies' effectiveness, Reagan administration; national field network evaluation; Q4468
state party identification/ideology, survey-based measures; telephone polls; Q3452

Statistical Inference
financial crimes, France, statistical analysis, legal records; Q8935
historical demographic research, Spain, multiplication coefficients methodology; Q9280
publication productivity, Derek John de Solla Price's "square root law"; Q7265
statistical generalizations; Q7257
statistical inference/data analysis, misconceptions/clarifications; Q7266

Statistics
combinatorial cluster analysis, dendrogram property; Q9287
exploratory statistics development; empiricism; Q4628
hazard analysis, metastatistical tools; R1028
job duration, continuous time hazard rate model, estimation algorithm; interviews; males, Norway; Q7270
statistical accuracy, bootstrap estimation method; Q9275
statistical inference/data analysis, misconceptions/clarifications; Q7266
statistical methodology, computer techniques; Q4677
statistical system changes, US, first Reagan administration; government reports; Q4675
teaching statistics, "Principle of Internal Replication" method; Q4714

Status
alcoholism, US states; status integration; heavy drinking measures, arrest rates; Q8846
conservative coalition formation; status characteristics, task nature; experiment; freshmen college students; Q9516
humor patterns; work group's social status structure; questionnaires; business firm/health care organization employees; Q4837
individual/group task performance, group members' evaluations, theory of status characteristics; experiment; Q8042
medical profession's status, USSR; Q4242
merchant seamen, US, historical stereotypes, identity/status dilemmas; Q4790
parental status, youths' definition sources; self-administered questionnaire; university students; Q4190
scientific discoveries/acknowledgement, priority assignment/disputes; case study; opiate receptor discovery; Q8450
women's status, social statistics/indicators; methodological issues; Q9131
young adults' status aspirations; paternal/maternal status; questionnaires; university students; Q5347
young males' violence/homicidal conflicts; sexual selection, reproductive/status competition; homicide records; Detroit, Michigan; Q5879

Status Attainment
accountants' professional organization, England/Wales, status-building, conspicuous consumption of architecture concept; case studies; S19046
anomia/despair/mobility, black Americans' perceptions; race, social class; General Social Survey Cumulative File; 1972-1984; S18953
community power structure, Chicago, Illinois; sociometric survey; Q6254
educational/occupational status attainment, Indian scheduled castes; social class background/scholastic ability/value orientation; interviews, scholastic application data; S18540
income attainment, individual/institutional determinants; survey; France; R0048
major writers, US culture, market vs equality values; R0940
managerial positions, bureaucratic organizations, women's representation; R0084
new underclass emergence, US, young workers' declining mobility; interviews; public assistance applicants, poor; Q2987
second-generation migrant Italians, French-speaking Belgium, socioprofessional characteristics; interview survey; R0491
"social advancement" course dropouts, cost-benefit judgments, Centre national d'enseignement pour correspondence, France; R0237
social status attainment, occupational mobility, intergenerational transmission, Chile; education; questionnaires/longitudinal study; youngsters/students; Q6812

social status, professional women; own vs husband's occupation, income; questionnaires; professional/business women's organization members, New Orleans, Louisiana; S19059
socioeconomic achievement, white couples, US; family size; surveys; S19049
sons' educational/status attainment; fathers' schooling, sibship size; survey; article/reply/rejoinder; R0272
status attainment research, Blau-Duncan model, covariance analysis; S18997
status attainment, social prestige/closure; occupational prestige scale; Q5357
stratification systems, African societies; social change; S19204
upward caste mobility, social vs religious motives; interviews; household heads, Uttar Pradesh, India; R0058
upward social mobility, inner city males, explanatory variables; Q8576
women's socioeconomic status, India; education, employment; interviews; female college faculty/medical doctors, Meerut, Uttar Pradesh; S19127

Status Inconsistency
government welfare spending attitudes, formative measurement models, socioeconomic/status inconsistency factors; national statistics; males; S17519
hashish consumption/attitudes toward youth demonstrations, status inconsistency implications; panel study; males aged 19, Zurich, Switzerland; R0817
psychiatric disorder; status inconsistency; community interview survey; S19126

psychiatric disorder; status inconsistency; community interview survey; S19263
social change theory, status inconsistency concept; S18625
status inconsistency, political behavior; questionnaire; university faculty; S18100

Statutes
involuntary mental hospitalization, legal changes; 1960-1981; Q4290
mandatory crime reporting/bystander assistance legislation, Kentucky, legal conflicts; Q7490
power relationships, Italian legal system; Q8395
sexual psychopath laws, Edwin Sutherland's research; secondary analysis; Q7573
slaveholding, written/unwritten laws, 19th-century Brazil; Q6868
teachers' duties/dismissal, Yugoslavia, Draft Law on Secondary School Education provisions; Q8270

Stepfamily
child abuse, natural vs stepparent families; telephone survey; Hamilton, Ontario; Q5790
family functioning/parent-adolescent relationship, first-marriage- vs stepfamilies; questionnaires; Q5966
marital quality, stepfamilies; structural complexity, quasi-kin relationships; interviews/scales, videotapes; Q5913
second marriages, stability/satisfaction; stepchildren's presence; interviews; Q5989
stepfamily life, popular literature portrayals; content analysis; 1940-1980; Q7009
stepfamily strengths, popular literature portrayal; self-help books/magazine articles/adolescent fiction books; Q6982
stepfamily vs nonstepfamily relationships/alliances; interviews; Q5922
stepparenting articles, popular/professional literature; content analysis; 1961-1982; Q6998

Stereotypes
African-descent populations, Japanese ethnocentric/racist views; Q9589
black/Jewish stereotypes, US university students; 50-year analysis; Q7609
'black'/'Negro'/'Afro-American' terms, associated stereotypes; questionnaire; white university undergraduates; Q4864
black/white fathers'/sons' racial attitudes; socialization; interviews; Providence, Rhode Island; Q4940
cognitive judgments; race, socioeconomic status; transcripts, questionnaire; Q9563
computer scientists, stereotyped characterizations; questionnaire; university students; R0109
doctor/patient relationship, biases/prejudices, introductory course teaching method; survey; Q8774
domination through linguistic stereotyping, Rudyard Kipling/T. S. Eliot/George Orwell; semiotic approach; S17771
drinking behavior/attitudes/stereotypes, adolescents, Papua New Guinea/Australia/US; questionnaire surveys; Q5877
female singers, images/stereotypes; album cover photographs; Q3829
female smoking, social interpretations; questionnaires; female nurses/student teachers; Q6019
female stereotypes, popular song lyrics; content analysis; 1946-1976; R1085
giftedness stereotypes/labeling, gifted persons' perceptions/coping mechanisms, deviance theory; interviews; Q7578
group stereotypes; intergroup contact, individual member's characteristics; experiment; students; Q5577
hetero-/autostereotype determinants, college students, American countries; emic/etic scales, questionnaires; Q5842
homosexuality attitudes, Israeli vs American U students, Jerusalem; culture, gender, sex-role identification; survey; Q9187
international agricultural development, social scientists' role, negative stereotypes; S18857
job satisfaction/anxiety, female engineers; need fulfillment, stereotyped attitudes; mail questionnaire; GB; Q9666
marital status stereotypes; experiment; college students; Q5921
merchant seamen, US, historical stereotypes, identity/status dilemmas; Q4790
mutual perceptions/self-images, Chicanos/Anglos; Chicano movement; questionnaire interviews; Q9552
nuclear war initiation, images of enemy, modeling framework; S19050
own-race/gender stereotypes, self-concept, black/white college students; adjective checklist; Q7472
personal stereotypes, cognitive representation; interviews; undergraduates; longitudinal analysis; Q3086
stereotypes/communication skills, Asian-American students; interviews; Asian/non-Asian secondary schoolteachers; Q6565
white prejudice toward blacks/American Indians, social distance/stereotyping distinction; adult random sample, Oklahoma City, Oklahoma; Q3136

Sterilization
female sterilization, Chile; questionnaire; R1055
social movement strategy, sterilization abuse case study; participant observation, interviews; Q3429
sterilization decision, postsurgery adjustment, gender differences; psychosocial factors; questionnaire; sterilized males/females; R0688

Stigma
adolescent self-image; mobile home park life; ethnography; Q3864
"alcoholic" label, socioperceptual effects; experiment; college students; Q7571
divorced persons, stigmatization/censure; interviews; S18999
first-contact mental patients, self-concept; interviews, participant observation; psychiatric center, New York; Q4308
illness identity/career, stigma, Erving Goffman's theory; epileptic patients; Q6034
involuntary childlessness, social stigmatization; interview/questionnaire; middle class/upper middle class females; Q6559
sex offenders vs informants as prison outcasts, status/norm boundaries; interviews; prison inmates, Sweden; Q7566
social identity, impression management techniques, television commercials' role; content analysis; S19276
stigmatization/psychosocial distress, epileptics, coping strategies; interviews; Q9525

Stochastic Models
income-employment matching, structural model; Current Population Survey; S18961
metric multidimensional scaling, topological/measure theoretic probability foundations; Q9264
mover-stayer model, nonparametric approach; Q7263
multiregional migration, stochastic process; empirical data; Canada; Q8532

Storytelling
storytelling tradition/values, Purulia district, West Bengal, India; Q8229

Stouffer, Samuel Andrew
survey methodology, Samuel Stouffer's vs Paul Lazarsfeld's influence; oral history interview, citation analysis; R0450

Stratification
labor market structure, worker/firm bargaining power; survey; Q7682

Stress
adolescent psychological well-being; perceived family/school/peer group stress; Canadian sample; Q4140
alcohol consumption, stress-buffering properties; interviews, psychological scales; white adults, rural Tennessee/Oklahoma/Ohio; Q8863
alcoholism, US; stress, social-structural correlates; survey data/individual statistics; Q6137
atypical posttraumatic stress disorder; occupational toxic substance exposure; case analysis; Q6094
authoritarian/nuturant-task/participative leadership style; stress; scales; Q7564
coping-stress-disease relationship, potency's moderating function; questionnaire; Jewish adults, Israel; Q8812
death during birth month; stress, special occasions; US National Mortality Survey data; Q4067
domestic/family responsibilities, female lawyers, England, pressure/strain; interviews; Q3710
families of the mentally ill, mutual support groups; questionnaires, interviews, participant observation; Q8816
family stresssor perceptions, gender differences; survey, videotaped interviews; Q9182
health/job performance/absenteeism; cumulative/daily life events; questionnaires; hourly employees; R1167
hypertension, black Americans, sociopsychological stress factors; Q4246
hypertension, Mexican- vs Anglo-American adolescents; social stress, psychosocial adaptation, biological/social factors; survey, fieldwork; Corpus Christi, Texas; Q8798
individual/family stress processes, family symptomatology variable; Q8663
information technology adaptation, technostress management, culture's role; S18538
intergenerational family farm transfer stress; coping strategies, family roles; questionnaires; midwestern families; Q3737
job stress/satisfaction, prison staff; organizational/individual characteristics; scale questionnaires; New York; Q7672
life events/ stress, junior high school students; social desirability; questionnaire, survey; Junior High Life Event Survey developed; Q6972
mortality; occupation status/stress; death/census records; males, US; Q8058

mothers' stress perceptions; children's growth problem/gender, previous high stress events; mail survey; Human Growth Foundation members; Q6952
perceived stress/marriage quality, alcoholics' spouses; alcoholism recovery process; Q8864
personal stress events, support system utilization; gender, sex-role attributes; questionnaire; R1116
posttraumatic stress disorder, imagery's role; Q6071
posttraumatic stress disorder, Vietnam veterans, diagnostic approaches; model; Q6085
postwar stress/adjustment, Holocaust survivors; interviews; females; Q9103
prison inmates' prerelease stress; questionnaires, scales; Q4024
social stressors, impact buffering models; Q6307
sorcery belief; culture change stress factors; case studies; St. Lucia/Alabama/Connecticut; R0311
stress & alienation; organization size; New Jersey-Wisconsin Survey of Industrial Workers data; production workers; S18546
stress levels, child abusing vs nonabusing couples; questionnaires, scales; Q8672
stress outcome; family life events/cohesion/adaptability, demographic variables; Q8790
stress problems, female nurses, Vietnam evacuation hospital; questionnaire; Q8070
stress research, epistemological issues; Q8788
stress, elementary/secondary schoolteachers, organizational predictors; survey; New York; Q7755
stress, self-concept, secondary school students; alienation, school structure, social class, gender; questionnaire; Melbourne, Autralia, Japan; S18787
stress/alienation, male vs female public school teachers; age, length of service; scale, survey; R0079
stress/satisfaction levels, Norwegian comprehensive school teachers; interviews; Q5381
stress/survivorship, psychosocial mitigators; Q3120

Strikes
British coal dispute; 1984/85, selective bibliography; Q7686
class struggle, coal-mining region, New South Wales, Australia; historical data, participant observation; Q9678
coalfield strike, GB, miners' experiences; 1984; Q7670
poststrike dilemmas, air traffic controllers, industrial sociologists' role; S19095
qualitative/quantitative methods, complementarity/objectivity; case study; agricultural laborers' strike, Andalusia, Spain; Q9231
social composition, strike vs antistrike leadership/membership, Saint Louis, Missouri, general strike; newspaper/archival/statistical data; 1877; Q7730
strike activity, interindustry variation; labor process transformation/plant size/other variables; manufacturing industries, US; S17514
strike activity, US, stocks/flows variations, sociopolitical vs economic explanations; statistics; 1955-1980; Q9654
strike volume/economic development relationship, methodological issues; article/reply; Q3300

Structural-Functional Analysis
crime/deviance, structural vs action perspectives; Q9526
maldevelopment theory/competing models; empirical data; S18137
Neofunctionalism by Jeffrey C. Alexander (Ed); review essay; Q9395
Parsons, Talcott, structural-functionalism, S. N. Eisenstadt's revisions; Q4773
social change, structural-functional explanation, Niklas Luhmann's critique; Japan, China; S18664
social-structural changes, China; modernization; active vs static (structural-functionalist) development theories; S18595
structural theory, Emile Durkheim subjectivist approach; Q6503

Structural Models
delinquent youth, conservative/progressive structural theory; R0590

Structuralism
crime/law, GB, neostructuralist Marxist views; 6-book review essay; R0389
French structuralism, properties/contributions/domain; Q9390
Lentricchia, Frank, *Criticism and Social Change*, Kenneth Burke's theory; book review essay; Q5511
nature vs culture concepts, structural anthropology vs social psychology viewpoints; Q9485
phenomenology/structuralism, research methods; 2-book review essay; Q7210
sociological modernity analyses, poststructuralism/-modernism/-Marxism; Q3023
sociology of art, hermeneutic/phenomenological/structuralist/critical theory perspectives; arts/mass media visual images of women; S18214

Student Attitudes
achievement motivation, US Virgin Island students; values, personal/familial success definitions; Q6545
anticheating measures, college students' perceptions; questionnaire; Q8917
authority attitudes/societal participation, adolescents; questionnaire; students, Manchester, England; Q6949
dating violence perceptions/involvement, college students; gender; questionnaire; Q8621
homophobic attitudes; social interaction with homosexuals; experimental design; college students; Q7522
nonadvanced further education, GB, student accounts, reproduction/conformism processes; interviews, diaries, observation; Q6803
nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591
poverty/wealth perceptions, high school teenagers, Wellington/Christchurch, New Zealand; questionnaire; Q7160
school theft, students' perceptions; questionnaire; Q6211

Student Behavior
academic behavior, public vs Catholic school students, school-effects model; quantitative case study; Q8262
classroom attention; peer influence; videotapes; first-grade reading groups; Q3070
New Left, structural/individual subject analyses; 3-book review essay; Q3417
pupil classroom behaviors, direct observation measures; Q4650
secondary school classroom behavior/subversion/boredom; dominant cultural values vs everyday youth culture; recent research data; pupils, Netherlands/West Germany/GB; S18245
students' deviant self-concept formation, West Germany; teachers' typifications; secondary analysis, published data; Q5574

Student Teacher Relationship
adolescent alcohol use, parents'/teachers'/students' causal attributions/intervention strategies; questionnaires; R0781
career choice, USSR youth; survey; high school teachers/students, parents; Q4123
child/parent/teacher/institution relationship, music lessons; ethnographic/material/technique analysis; S17987
educational mainstream, teachers'/students' subcultural differences; Q5557
introductory sociology education, individualized vs traditional large lecture format; questionnaires; undergraduates; Q4687
mentor-student relationship/collaboration, biochemistry careers; Q8465
professor-student communication difficulties, undergraduate sociology courses, teaching strategies; Q7314
public education, "master teacher" concept; Q8091
sex education, teaching problems, student-teacher relationship; Carol Lee's *The Ostrich Position: Sex, Schooling and Mystification* reviewed; Q5796
student grades; achievement/race/sex/other variables; longitudinal data; first/second/third graders; Q3862
student socialization/behavior, track/social class differences; survey, observations; S19053
teacher evaluation, student ratings; Richard A. Zeller critiqued, reply; Q9328
teacher socialization, students' humanizing effects; case studies; Q8238
teacher-student interaction, ecological perspective; West Germany; Q8290
teachers' expectations; students' ethnicity/sex; questionnaires; Manitoba, Canada; Q8245
women's sports, male vs female coach; Q5275

Students
academic achievement, black vs white students; family socioeconomic status/culture; Q8279
anomie levels, native majority-/minority-group/nonnative students; Leo Srole's anomia scale sample data; US/Australia; Q6547
community college students, university transfer preparation; Philadelphia, Pennsylvania; Q4716
confidential student records exchange process, schools-other institutions; official records, interviews; Q8240
curriculum placement, comprehensive school students, Belgium; educational achievement; secondary/survey data; Q8239
deviant attitudes/behaviors, West German school students; statistical/qualitative data; Q7577
divorce/marital role expectations, Puerto Rican students; kin divorce frequency, gender, perceived parental marital happiness; cross-sectional data; Q8677
educational opportunity inequality; student academic tracking/grouping; Q3872

educational/occupational/expectations/aspirations, parental influence, Upward Bound Program students; questionnaire; Q5565
estrangement/disorientation, lower-class university students; Q8248
gender-role conflict, female returning students vs housewives; questionnaire; New York; Q9123
hazing, arts/vocations schools, France popular vs elitist tradition; Q6810
language/communication skills, Japanese students, US, cross-cultural adjustment; questionnaires, observation, interviews; Q6787
learning disabilities, US public school students, labeling theory; questionnaire; teachers, parents, school officials; Q5572
mail questionnaire surveys, response rate inducements, effects/interactions; university students; Q9265
mass student movement organizations/sects, dynamics/dilemmas; Q7857
mentor-student relationship/collaboration, biochemistry careers; Q8465
nuclear threat, academically gifted students' perceptions, sex/age differences; scales; Cullowhee Experience participants, North Carolina; Q6971
older student enrollment, Australian tertiary institutions; statistics; Q8888
political knowledge, last-year secondary school students, Belgium; Q8596
premarital relationships, students; equity/equality/reward levels; questionnaires; US; Q8584
problem absence students, demographic/educational characteristics; inner-city middle schools, Boston, Massachusetts; Q8295
religiosity, secondary school students, Belgium; interviews; Q5876
religious commitment explanations, nonreligious vs religious students, GB; questionnaire; R0329
Scholastic Aptitude Test/high school/college grades, rural vs urban students; S17438
school effects research, hierarchical data, statistical methodology; survey; Q8277
secondary school students' anxiety; school size; longitudinal data; West Germany; Q5556
sexual behavior/attitude/lifestyle changes; Finnish university students; 1973, 1983; Q8619
skin color preferences, black schoolchildren; gender, age, own-skin color perception; scales; Arizona; Q8573
social status attainment, occupational mobility, intergenerational transmission, Chile; education; questionnaires/longitudinal study; youngsters/students; Q6812
Soviet student lifestyles; 1975/1982 surveys; Q6970
stereotypes/communication skills, Asian-American students; interviews; Asian/non-Asian secondary schoolteachers; Q6565
student effort/achievement, US schools; teachers'/parents'/peers' standards; survey; Q8271
student movements, Yugoslavia, ideological reactions; 1963-1974; Q7872
student political activism, motivations/long-term effects, May 1968 anti-Vietnam/Algeria demonstrations; interviews; France; S17646
students' deviant self-concept formation, West Germany; teachers' typifications; secondary analysis, published data; Q5574
teachers' expectations; students' ethnicity/sex; questionnaires; Manitoba, Canada; Q8245
traditional Chinese medicine, student acceptance; random survey; students, Hong Kong; S17750

Sturzo, Luigi
populism/fascism, Italy, Luigi Sturzo's works; Q2958

Styles
time orientation, Italian urban youth; interview survey; S19191

Sub Saharan Africa
ancesterhood concept, death/dying rituals, Sierra Leone; Q7030
death/dying concepts, Xhosa (western Africa) funeral customs; Q7027
extrareligious services, socioeconomic activities, US missionaries; sub-Saharan Africa countries; S18840
polygyny/marriage practices, sub-Saharan Africa, demographic implications; case study; Bande tribe, Senegal; Q9627
public affairs management, sub-Saharan Africa; sociocultural factors; case study; Nigeria; Q7754
religious cult slaves, Igbo/Ibibio, West Africa; Q9577
social anthropology, West Africa; literature review, 1940-1980; Q3062
southern African Negro populations, intergroup contacts; Kalahari desert region; Q5761
stratification systems, African societies; social change; S19204

Subcultures
bodybuilding subculture, southern California, projected vs actual images; ethnographic study; Q7500
drug culture argots, origin/functioning, code-switching model; primary/secondary data; US/Europe/Mexico; S18071
drug use; SIP meditation group, India; questionnaire; Canadian whites; Q4910
educational mainstream, teachers'/students' subcultural differences; Q5557
helping prison inmates, guard subculture as impediment, group dynamics; Q4022
illicit heroin subculture, Kensington Market, London, England, size/social structure; fieldwork; Q4227
intrafamilial abuse assessment/treatment, rural areas; subcultural/cultural values/beliefs; case examples; small towns/Native American reservations/health professionals; Q9095
male vs female bodybuilders, sociopsychological differences, sociability/bonding patterns; ethnographic fieldwork; Venice Beach, California; Q6686
micro vs macro social systems, value interpenetration/conflict; S18005
misanthropy-urbanism relationship, subcultural processes; General Social Surveys; R0190
organizational subcultures' rules/unprescribed conduct, prospective rationality, industrial sector/state relationship; participant observation, interviews, administrative reports; US criminal justice/eductional systems vs Polish industrial institutions; S18679
professional military subculture, Spain; Q5116
secrecy, underground centricity hypothesis; Q9414
social change; youth subcultures; macrosociological model developed; Q5178

Subjectivity
human subjectivity/individuality, materialist approaches; Q9410
Mead, George Herbert, thought/work, sociology of knowledge perspective; Q7384
observer-observed interrelationship, lesbian community research; participant observation, interviews; Q7219
self-report accuracy, influences' subjective importance/objective strength; privileged knowledge; actor/observer ratings; Q9476
social criticism, holistic subjectivist axiology; Q7225
spiritualist/subjective social worlds, research methodology; participant observation; occult communities, US/GB; Q7237
subjectivity/phenomenology, Edmund Husserl's theory; Q7205
subjects' inner experience, research interpretation, methodological model; S19087

Subordination
company vs union support, southern textile workers; interviews; households; Q7705

Subsistence Economy
back-to-the-land movement/ideology, alternative technology use; Q8138
cash vs subsistence crops, symbolic gender constructs, Jola society, Senegal; fieldwork; Q5056
female food acquisition variation, sexual division of labor, Ache hunter-gatherers, Paraguay; childcare activities; fieldwork; Q3276
home/family connections, subsistence prototype, rural Portugal; questionnaire survey; 1978, 1982; Q5965
nonindustrial societies, female subsistence contributions, cultural consequences; labor output data; 186-society comparison; Q7647
subsistence activities, men's time allocation, Ache hunter-gatherers, Paraguay; fieldwork; Q3273

Substance Abuse
addictive substances abuse, US, mortality rates; Q5765
adolescent alcohol/drug abuse epidemiology, multiple drug use; national survey data; Q4118
adolescent alcoholism/substance abuse, current reference sources bibliography; Q4317
adolescent substance abuse, family/adaptation theories; Q6967
alcohol/substance misuse, young males, psychometric detection method devised; Substance Abuse Proclivity scale; US; R0809
bulimic patients, characteristics/behaviors, alcohol/drug abuse; questionnaire; University of Minnesota clinic; Q6139
cigarette/alcohol/drug use, medical students; survey; Q7069
cocaine users, 10-year follow-up study; interviews; S18921
drug use; SIP meditation group, India; questionnaire; Canadian whites; Q4910
hashish consumption/attitudes toward youth demonstrations, status inconsistency implications; panel study; males aged 19, Zurich, Switzerland; R0817
heavy/chronic drug use, psychological individuation theory; case studies; males; Q4142
opium, medical/moral attitudes, 19th-century GB; R0797
parental acceptance/rejection, psychosocial functioning, adolescent substance abusers vs nonabusers; R0784

problem drinking rates, GB, regional variations; surveys; R0789
self-reported substance use explanations, high school students; Monitoring the Future surveys; 1976-1984; R0803
substance abuse, drug control legislation/policies, criminalization vs medicalization; Q6048
substance abuse, employee assistance programs, employee vs management perceptions; organizational/program structure; questionnaire, interviews; corporation employees; Q9747
substance use, black adults' attitudes, predictors/prevention implications; interviews, scale; US; Q7068

Suburbanization
suburb/urban relationship, Paris, France; industrial development, population growth, public transportation; 1900; Q5444
suburban development, black population growth's role; census data; 1950/1960/1970/1980; Q6776
suburbs/satellites; R0969
urban development policy, US/UK vs India, decentralization/suburbanization; S18089

Suburbs
central open spaces' symbolic function, changing cultural context; anthropological field study; suburban communities, Frankfurt area, Federal Republic of Germany; Q8151
city services/spending suburban demand, retail sales participation; census data; US; Q5473
city-suburban population redistribution; 1970s Current Population Survey; Q3779
community/school relationship; school systems decline/contraction; Q3877
household structure, urban Java, Indonesia; census data; R0498
intergovernmental aid expansion, mid-1970s, targeting/fiscal dependency issues; Census of Governments, local tax statistics; Q3775
municipal recreation land, US, central cities vs suburbs; statistics; 1965-1980; Q9051
suburbs/satellites; R0969
surburban population changes, Chicago, Illinois; census data; Q3753
urban sociology education, college students' suburban background, teaching methods; interviews, questionnaires; college graduates, US; Q4696

Success
achievement motivation, US Virgin Island students; values, personal/familial success definitions; Q6545
collegiate basketball, home court advantage, Durkheimian/Goffmanian perspectives; archival data; Q3503
success-fearing personalities, aspiration levels; experiment, questionnaire; Q4890

Sudan
culture-bound syndromes, universalism vs particularism; Nuer, southern Sudan; Q6082
female sexuality/power/pollution, Sudanese society, healing cults/rituals; interviews; Q8743
Khartoum, Sudan, growth/planning history; Q3761
labor supply, employment patterns, Gezira scheme, Sudan; family demographic/nondemographic behavior; households; Q8152
sterility, inter-/intracountry differentials, Cameroon/Kenya/Sudan; World Fertility Survey; Q8537

Suffering
human misery, social order/control implications; Q9601
patient suffering, doctor responsibility/response, philosophical/ethical issues; R0742

Suicide
adolescent suicidal behavior; child abuse/neglect exposure; official records; Massachusetts; Q5826
adolescent suicide behavior, trends/typology, European Economic Community nations; Q3094
adolescent suicide ideation, sex differences; socioenvironmental/psychological factors; questionnaire; R0708
adolescent suicide, increased rate, stresses; statistics; Q4136
adolescent/young adult suicide, family cohesiveness loss, causal attributions; undergraduates, graduates, adults; R0709
age-specific suicide mortality, Japanese men; socioeconomic/geographic factors; statistics; Q8518
alienated neighborhoods, suicidal behavior/alcoholism/drug abuse; study data; Mannheim, West Germany; 1966-1975; S18757
alienation vs violence as emotional reaction, suicide/nonviolence/pacifism strategies; S18047
child/adolescent suicides, psychological autopsy; 12-19 year-olds; Q5997
climate/behavior interaction models tested; national climatic/sociocultrual statistics; R1068
early death desires, terminally ill patients; interviews; Q7024
mail survey methods, suicide research; questionnaire; Netherlands; Q2907
rational suicide concept; R0707
religious mass suicide, People's Temple (Jonestown, Guyana) vs Russian Old Believers; Q8347
self-destructive/suicidal behavior, native Alaskans; official records; Kotzebue; Q8727
self-inflicted gunshot wounds, patients' demographic/clinical characteristics; urban trauma center; Q6090
suicidal children, profile constructed; literature review; Q4216
suicidal intent/risk; hopelessness; interviews, questionnaires, scales; hospitalized psychiatric patients; Q6065
suicidal potential/behavior, adolescents; depressive symptoms; interviews; Q5996
suicidal women's relations with men; interviews, diaries, letters; Q3145
suicide attitudes; age, sex, cognitive development; questionnaires; adolescents, North Carolina; Q4219
suicide behavior motivations, traumatic stress relationship; content analysis; suicide notes, investigative reports; Q8723
suicide by shooting/self-poisoning, children under age 10, environmental/family/personality similarities; case histories; Q4206
suicide dip, ceremonial occasions, World Series/Super Bowl Sunday examples; national suicide rate data; 1972-1978; Q7025
suicide lethality, clergy's knowledge/attitudes; questionnaire; Protestant/Catholic/Jewish/Eastern/nontraditional religious leaders; Q4213
suicide myths, prevalence; questionnaires; college students, home health care personnel/gerontological outreach workers; Q4215
suicide patterns, India; family structure/stress; government/secondary data; S19253
suicide rate decreases, elderly; age, sex, race; official US statistics; 1933-1978; Q4357
suicide rate, Inupiat Eskimo regions; economic development, modern education; Q7548
suicide rates, construction/biases, theoretical issues; county group data sets; 1970/71; Q6446
suicide rates, Hispanics vs Anglos, southwestern US; statistics; Q3141
suicide rates, immigrant vs native countries; immigrant alienation, cultural attitudes; census, official statistics; Canada; S18114
suicide rates, male vs female birth cohorts; Q4214
suicide rates, monthly/weekly distributions; mortality statistics; Lower Saxony, West Germany; Q7580
suicide rates, sex differences; modernization; 1919-1972; Q5998
suicide rates; age differences; statistics; Ontario; 1881-1971; R0490
suicide rates; social variables; statistics; Q9520
suicide trends, Kyoto University students; questionnaires, interviews, school records, national statistics; parents, students, Japan; Q4129
suicide trends/levels, elderly; statistics; Q8901
suicide, bioethical issues; Q8722
suicide, ethical/social/philosophical/theological issues, interdisciplinary literature review; Q7031
suicide, imagined 21st-century developments; Q4221
suicide, mental health professionals' attitudes; Suicide Opinion Questionnaire/Recognition of Suicide Lethality Scale; Q7034
suicide, motive vocabulary; questionnaire, suicide notes; suicidal vs nonsuicidal group; Q3185
suicide, psychiatric patients; age distribution; official coroner report data; San Diego, California; Q4208
suicide, youths, US, demographic profile; Q7032
suicide/homicide; religion, economic development; Steven Stack critiqued, reply; Q3155
suicide/parasuicide, northern Canadian native community; official statistics; Q9505
suicide/violent death, rural areas; health professionals increase; death rates; Connecticut; Q4289
suicide; climate; national statistics; Europe; Q4220
suicide; occupational status; coroner records; Sacramento County, California; Q3175
teaching sociology, private/social experiences; suicide cases; Q4726

Superintendents
job perceptions, school superintendents; telephone interviews; Pennsylvania; Q5369

Superior Subordinate Relationship
corporate management's internal relations politization, labor alienation; labor process rationalization; S18655
interpersonal attraction, managers-subordinates; subordinate's ingratiating behavior; experiment; Q8078
request refusal tactics, micropolitical perspectives; US/Canada/Israel; Q9731

subordinates' perceived work readustment, organizational alcoholism treatment; supervisor's behavioral/attitudinal characteristics; Q7759
workers' behavior/motivations, India; organized sector employment vs private/personal work, organization's management techniques; S18574
workers' self-government, state-owned enterprises, reforms; sociological studies; Poland, 1945-1948, 1956-1959, 1981; S17842

Superstitions
village life, Africa, superstitious fears/beliefs; R1039

Supervision
real vs ideal leadership behavior, juvenile probation officer supervisors, staff's/superiors'/supervisors' perceptions; questionnaires; Pennsylvania; Q7563

Support
intellectual/government processes, support bargaining theory; Q3592
old age security expectations, India; interviews; pensioners, Tirupati, Andhra Pradesh State; S18041
psychological well-being/adaptation, teenage mothers; family/peer resources; interviews; Q8602

Support Networks
community networks, conflict/support/contact linkages; surveys; rural households, Utah; R0966
elderly Singaporeans, support networks; public policy; literature review; R0847
elderly well-being, support networks; recent studies; S18882
emigration decisions, Termini Imerese (Palermo, Italy) fruit traders, Toronto, Ontario; prior townspersons' emigration; Q5779
family social needs, formal/informal service utilization, Italy; survey data; S17833
low-income single-parent families, well-being; informal support systems; interviews; females, Washington; Q6988
mutual aid societies, Italian immigrants, Buenos Aires/Santa Fe, Argentina; primary materials; Q4947
oncology nurses' support group, organizational contingencies; case study; Q6418
perceived social support, urban residents, individual/social determinants; interviews; Raleigh, North Carolina; Q9760
professional networks, male vs female academics; questionnaires; junior psychology faculty; Q7787
psychological well-being/adaptation, teenage mothers; family/peer resources; interviews; Q8602
social support networks, boundary maintenance; Q7784
social support networks, married vs nonmarried black women; interviews, scale; Q7775
social support networks, multidimensional vs heterogeneous approaches; qualitative/quantitative research data; S18756
social support networks, neglectful vs nonneglectful mothers; interviews; mothers, children, neighbors; Q8688
social support systems, flood victims; interviews; outreach workers, West Virginia; S18945

Surgery
medical decision making, elective surgery, hysterectomies, risk perception; statistics; Q4274

Surinam
fertility/population dynamics, Brazilian Trio of Surinam, two-census estimation method; Q5748
Gaan Gadu antiwitchcraft cult, Surinam; Q3290

Surveys
abortion scale scores, Catholics vs non-Catholics, statistical clustering; NORC General Social Surveys; Q7247
alcohol consumption research, computer vs interview surveys; adults, Edinburgh, Scotland; Q4232
attitudes, survey research instruments' reliability; Likert-type scales, vignettes; Sicilians, Italy; S18495
crime surveys, cross-national research; Q8434
cross-national surveys, design/methodological/analytical considerations; national surveys; S18134
evaluative surveys, experimentalist perspective; Q2887
health policy/information, survey data critiqued, cognitive aspects; Q4235
health survey methodology overview, cognitive aspects; Q4234
human sexuality surveys, nonprobability sampling, methodological efficacy; Q7232
interview training, survey data quality improvement; fieldwork; trained/untrained interviewers; Q6442
interviewee responses; interviewers; structured survey; Q2888
mail questionnaire surveys, response rate inducements, effects/interactions; university students; Q9265
mail questionnaire, professional groups' response/cooperation; Q4663
male homosexuals, research sampling problems; Q7240
migration research, panel data adequacy; National Longitudinal Survey; youth cohort; Q5774
national interview survey response rates, US vs Canada; fieldwork/socioeconomic/cultural differences; Q4647
police-researcher interaction; Q6869
policy issues, mass surveys, response instability/nonattitudes, measurement fallibility; survey data; adult residents, Long Island, New York; Q4882
public opinion research/surveys, pragmatic vs mythological levels, USSR; Q5218
quota sample surveys, interviewers' respondent selection practices; secondary surveys; Q9258
response quality, interview surveys; inadequate interviewer behavior; transcriptions; S19248
response set stability; surveys/questionnaires; questionnaire scales; Hispanics/non-Hispanics, US Navy; Q2902
social research surveys, "self" vs "other" referent use; Q9257

agrarian transformation/social conflict, Aude department, France, political socialism vs revolutionary syndicalist labor movement; archival sources; 1880-1914; Q7968

Syria
development failure, Euphrates River dam; case study; Syria; Q5182

Systems
homeostatic systems, "dynostat" concept; Q4781

Systems Theory
agricultural commodities/complex systems, commodity systems analysis methodology; Q5416
biopsychosocial systems disorder, teleonomic entropy transformation/transference; Q9412
complex/unpredictable self-organization systems, rational actor model, decision theory; S18526
diabetic children, family functioning; communication patterns; videotaped interactions; R1159
global relations, economic vs symbolic interpretations; S18614
government interventions predictions, input-output analysis, collective choice/mathematical vs political systems theory; Quebec, 1960-1985; S18153
homeostatic systems, "dynostat" concept; Q4781
human rights, regimes compared; empirical data; communist/noncommunist countries; systems theory approach; S18380
natural/social rule systems interlinkage, sociotechnical structure, technology transfer; S17705
qualitative systems theory, quantitative approximation approach; Q4626
self-socialization, systems theory perspective; Q9409
social planning, systems theory approach; Q7145
social systems, comparative research, general systems theory approach; Q9400
societal differentiation, systems theory approaches; Q9423
sociology of gerontology, systems approach; Q4364
systems theory's problems, social entropy theory's assets; S17612
urban history, systems approach; Q5462

Taboos
food taboo explanations/metaphors, Hindu/Jewish/Muslim religions; historical data; S17796
Hungarian peasant obscenities, sociolinguistic analysis; taboos described; R0220

Taiwan
abortion experiences, Chinese women, Taiwan; survey; R0702
age at first marriage, Taiwan; social/biological determinants; once-married women; Q4070
alienation, Taiwanese/US college students, social correlates; questionnaires; Q6549
democracy development potential, People's Republic China vs Republic China (Taiwan); S17832
economic inequality; demographic vs social causes, family cycle; interviews; Taiwan families; Q3614
economic structure/segmentation, Taiwan vs US; S17489
elderly, rural Taiwan; young people's outmigration; field research; R0856
language use, commercial situations, Taiwan; observation; R0216
military/dependency/development relationships, Taiwan; case study; S19010
mothers-/daughters-in-law, intergenerational relations, Taiwanese family; participant observation, interviews, official records/statistics; R0622
National Language Movement, Taiwan; R0214
political democracy, Taiwan; post-World War II; S17734
"Sacrifice of the Kings," Taoist ceremony; Q3936
sexual inequality, Taiwanese families; economic growth, patriarchal family; interviews; longitudinal analysis; Q3615
social loafing, individual- vs group-oriented cultures; diagnostic task; schoolchildren, US/China (Taiwan); Q4838
social system types, aboriginal ethnic groups, Taiwan; Q9599
state-business relations, Chinese Communist vs Nationalist parties' development policies/strategies; interviews, official documents; S17924
Taiwanese women workers, multinational corporations, martial law coercion tactics; field study; R1077

Tanzania
child labor legislation, colonial Tanganyika; Q3996
ecological studies, pastoralists/conservation joint land use benefits; Ngorongoro Conservation Area, Tanzania; Q3275
pastoral/cultivation rural economy, Maasai, Tanzania; conservation program; fieldwork; Serengeti National Park; Q5157
sociopolitical change, Nigeria/Tanzania, political elites' impact; secondary data; Q9929

Taoism
"Sacrifice of the Kings," Taoist ceremony; Q3936
Taoism/shamanism comparison; book review essay; Q3107
Task Oriented Groups
power structures, task groups, local exchange imbalance; experiment; Q9448
task-group activity, males' vs females' competence; performance ability vs opportunity; S19001
Task Performance
task performance, women's/children's/hired help's role, family farms; survey, scales; Kentucky farm women; S18837
task-group activity, males' vs females' competence; performance ability vs opportunity; S19001
Taxation
British overseas investment earnings tax proposal, Roy Hattersley, loanable funds/macroeconomic analyses; Q9954
income distribution/equalization, public attitudes, Austria; survey; Q9699
pro-poor redistribution policy, state governments, US; social class segments/resources; 1950s; R1005
public's taxation/spending attitudes; survey; households, US; Q3451
supply-side tax cutting policy, US, social work implications; Q7944
tax revolt amendment, Florida, public support motivations; survey; Q3534
Teacher Attitudes
aspiration/commitment, university faculty, India; academic rank, sex; interviews; University of Jodhpur, Rajasthan; R0098
high school sociology teachers, opinions/training/practices; mailed questionnaire; Texas; Q9324
multicultural education/ethnic minorities, student-teachers' perceptions, GB; questionnaire; S17874
occupation fatigue/burnout, secondary school teachers; interviews, questionnaires; R0095
reading grouping, black elementary school students; teacher bias; observation, questionnaire, interview; Q5546
teachers' expectations; students' ethnicity/sex; questionnaires; Manitoba, Canada; Q8245
Teacher Evaluation
professional status, teachers; state accountability schemes; R0076
teacher evaluation, student ratings; Richard A. Zeller critiqued, reply; Q9328
Teachers
anti-Semitism, teacher (James Keegstra) firing case, Canadian political leaders' positions; Alberta, Canada; Q4949
black teacher education, supply decline, causes/solutions; R0086
career mobility, women/minority teachers; declining high school enrollments; survey, interviews; Q3675
contractual disputes, Washington State public education, grievance arbitration/mediation; survey, questionnaire; R0288
educational mainstream, teachers'/students' subcultural differences; Q5557
Guarani vs Spanish, teacher preference, Paraguay primary schools; field study data/survey; third graders/teachers/principals; Q6779
health education program implementation, Belgium; teachers' social class perceptions; interviews; S18722
income differences, male vs female schoolteachers, Brazil; education/experience/geographical segmentation; census; R0077
local educational politics, France, teachers' unions/bureaucracy relations; Q6811
occupational socialization, teaching; Q3648
The Politics of Teacher Unionism: International Perspectives (Martin Lawn [Ed]); review essay; Q8257
professional status, teachers; state accountability schemes; R0076
public school teachers, British Columbia, class relations/professionalism; R0068
re-educating teachers, mass communication education, Asia; S18449
school teacher/administrator career benefits; interviews; innovative elementary school; Q5387
school teachers' role distance; class ability; published data; Q3856
social/historical structure/transformation, education's role, teachers as intellectuals; Q5518
stress/alienation, male vs female public school teachers; age, length of service; scale, survey; R0079
stress/psychoneurotic symptoms, elementary/secondary schoolteachers, England; inventory, questionnaire; R0100
stress/satisfaction levels, Norwegian comprehensive school teachers; interviews; Q5381
teacher professionalism/computer-aided learning program, education college students'/teachers'/staff's attitudes; personality, value system; psychometric instruments; Edinburgh, Scotland; Q8054
teacher socialization, students' humanizing effects; case studies; Q8238
teacher-state relationship, GB, autonomy restrictions; 1920s-present; R0104
teachers' duties/dismissal, Yugoslavia, Draft Law on Secondary School Education provisions; Q8270
teachers' overseas career choices, France; R0091
teachers' survival rates/trends, Saint Louis, Missouri; 1969-1982; Q5559
teaching profession, female dominance, US; state/county records; 1850-1880; R0292
Teaching
architectural education, curriculum needs; Q3680
black teacher education, supply decline, causes/solutions; R0086
entry trends, USSR teacher colleges; Q3869
Epistemology and the Teaching of Science by Robert Nadeau & Jacques Désautels; review essay; R0301
German language instruction, France; Q6794
instructional psychology field research development; content/citation analysis; *Annual Review of Psychology*; 1969-1981; Q8967
intervention pedagogy, basic components; Q8251
Marxist educational system, Serbian secondary schools, dogmatist vs reformist approaches; Q7299
postsecondary education improvement; 4-book review essay; Q6805

perceived crime vulnerability; television viewing; questionnaire; undergraduates; Q7552
perceived media deprivation, adolescents, Sweden; questionnaire; Q8604
prosocial television portrayals, children's modeling; parental inductive/sensitizing disciplinary style; field survey; mother-child pairs; Q4098
"PTL Club" religious television programs, Protestant viewers' perceptions; interviews; church members, Ohio; Q5600
religious television viewing, church attendance correlations; survey; Q5611
self-concept formation, developing areas; television; tests, observations; Cree children, Manitoba; Q5226
self-concept perceptions, black children; television viewing; questionnaire; Q7541
sex-role acquisition, positive social changes; television; literature review; Q4862
sex-role acquisition; television viewing/content; literature review; Q4861
soap opera, Brazil, class/status speech & messages; research data; S18360
socialization/need gratification, mature adults; television viewing; questionnaire; retirement community residents, Phoenix, Arizona; Q7554
successful foreign television serials, Spain, scripts' emotions/suspense/interest; S17575
television coviewing patterns; diaries; midwestern households; Q7906
television drama reception/perception; viewers' cultural competence; experiment; S19152
television reality perceptions, emotionally disturbed vs nonhandicapped children; Videotest; Q7917
television research, developing world; interviews; Canada; Q5241
television viewing behavior/attitudes, elderly; questionnaires; Long Beach, California; Q8884
television-audience relationship, bardic vs critical theory paradigm; Q9879
television/self-concept relationship; questionnaires; adults, Japan/Korea/Philippines/US/GB; Q5235
television's agenda setting influence; viewer traits/characteristics; interviews; Q3458

Temperance Movements
alcohol abuse, US, ideological/political aspects, historical overview; Q4245
alcohol-related social policy, workers' drinking problems, US; 1607-1920; Q7073

Tenants
private/public rental housing, landlord/tenant power bases; R1170
property owners/tenants relationship, US, WWII; Q3767
rent control movement, Santa Monica, California; case study; S18967
tenant farming, productivity/community involvement/sociodemographic characteristics; interviews; Q8123

Tennessee
fine art, regional/government influence; case study; Works Progress Administration Federal Art Project, Tennessee; Q8224
inner-city homeless population, headcount enumeration methodology; Nashville, Tennessee; Q8181
neighborhood revitalization detection; population/housing/real estate indicators; census block/city directory/property sales data; Nashville, Tennessee; Q3768
problem identification, farmers, opinions/response patterns; farm location/size; survey; Tennessee; S17466
urban black churches, voluntary associations; case studies; Memphis, Tennessee; Q5156
work careers, tramps, social disorder sources; participant observation, interviews; Nashville, Tennessee; Q7726

Tenure
job duration, Australia; official statistics; Q3326

Terminal Illness
early death desires, terminally ill patients; interviews; Q7024
end-stage renal disease treatment, UK, National Health Service allocative decisions; Q4240
hospice care admittance, terminally ill patients, social determinants; hospice records; Q4337
quality of life; medical life-prolongation technologies; midwestern US; S17974
terminal care; bibliography, post-1975 literature; R0705
terminally ill children, hospice care; Q5788
therapy choice, end-stage renal disease patients; social factors; participant observation, interviews, surveys; R0706
urban elderly, quality terminal care provision, health professionals' role/expectations; literature review, interviews; R0737

Territoriality
agricultural/peasant productivity, alienation, territoriality concept; S17800
black/white political behavior, Chicago, Illinois; case study; R0173
block crime, residents' fear; defensible space, local social ties, territorial functioning; surveys, police records; Baltimore, Maryland; Q8933
core-periphery relations, European local identities; S. Rokkan's/D. Urwin's *The Politics of Territorial Identity*; review essay; Q4443
handicapped persons, territoriality concept; Q8815
"home ground" vs T. Lee's "neighborhood" concept, street networks; interviews; New York City, New York; R0187
human body, territorial use, anthropological perspective; Q9054
human territorial behavior, architectural implications; Q9067
human territorial behavior, basic terms/concepts; Q9056
neighborhood attachment, Irwin Altman's territoriality theory; interviews; female residents; Q5443
personal territory perceptions, Switzerland; interviews; Q7524
social territory/architecture; Q9039
society's territorial structure, education's role; USSR; S18246
territorial behavior, animals vs humans; Q9045
territoriality concept, communication modes; Q9062
territoriality concept, human behavior applications; Q9060
territory concept, sociological application; Q9040
territory, social significance, centration/centrality/high places concepts; Q7531

Terrorism
aircraft hijacking, US, contagion effects; Q6316
international terrorism; mass media's role; newspaper report analysis; Q4504
public terrorism/aggression labeling; victim's respectability/attacker's motivation/act's consequences; questionnaire; undergraduates; Q4303
terrorism studies, physiological/psychiatric approaches; Q4506
terrorism, Italy, roots/objectives; Q4509
terrorism, psychological motives/causes; Q9105
terrorism, Western vs Soviet explanations; Q4513
terrorist behavior, group dynamics; R1073

Testimony
linguists as expert witnesses, testimony interpretation; court case; Q5673
testamentary competency, expert witnesses misuse; Q4000

Tests
Cattell personality structure test, H. J. Eysenck's criticism rebutted; Q8445
educational performance indicators, validity/utility; R0249
network autocorrelation models, goodness-of-fit/parameter invariance criteria; Q7264
personality testing, H. J. Eysenck's criticisms rebutted; Q8455
Preschool Personality Questionaire, Spanish version, preliminary standardization; children, Colombia; Q8564
Preschool Personality Questionnaire, factor structure/standardization; Q8568

Texas
alcohol drinking behavior, Mexican-American community, subgroup differences; questionnaire survey; Texas; Q8874
child maltreatment/substance abuse/emotional-behavior problems, neighborhood risk model; census indicators; El Paso, Texas; S19124
community development/organizations, Houston, Texas; Q7133
cotton production, Texas, pest management education/programs; telephone survey, questionnaires; farmers; S18851
drug use; anomie; questionnaires; Texas adults; Q4859
employment protection/benefits, seasonal/permanent farmworkers; mail survey; Texas; S17474
high school sociology teachers, opinions/training/practices; mailed questionnaire; Texas; Q9324
hypertension, Mexican- vs Anglo-American adolescents; social stress, psychosocial adaptation, biological/social factors; survey, fieldwork; Corpus Christi, Texas; Q8798

independent Mexican-/Spanish-American landowners; federal reclamation/irrigation/flood control programs; New Mexico, Texas; S18850
lay midwifery practices, Mexican vs Anglo Americans; San Antonio, Texas; R0694
off-farm employment, US farmers; financial stress; survey; Texas, North Dakota; S18803
political attitudes/public policy priorities, Mexican Americans/Anglos; San Antonio, Texas; Q6266
political beliefs/behavior, east Texas women/their daughters, gender patterns; survey, interviews; R1102
population interchange, nonmetropolitan-metropolitan areas, Texas, equilibrium hypothesis; 1980 census; S18843
prison control/violence; court-ordered penitentiary reforms, Texas; participant observation/open-ended interviews; guards/inmates; Q6907
staff activities/behavior, Texas House of Representatives; party affiliation/ideology/other variables; Q8001
undocumented immigrants, social work/policy issues, alternative service delivery models; research review; Houston, Texas; Q6941

Textbooks
abortion issue, family sociology textbooks, authors' value neutrality; content analysis; Q8709
introduction sociology textbook reviews, 1895-1979; Q6486
introductory medical sociology textbooks; 5-book analysis; R0769
introductory sociology textbooks, definitions/topics changes; content analysis; 1894-1981; Q2980
introductory sociology texts; 4-book review essay; Q2986
social psychology textbooks; literature survey; 1908-1977; Q6546
state-level textbook adoption decision making, legislation objectives; statute content analysis; Q3874
women's studies textbooks; content analysis; Q4523

Textile Industry
company vs union support, southern textile workers; interviews; households; Q7705
labor problems, textile industry, unions/worker status, 19th-century New England vs GB; Q5077
mobilization/collective action, textile workers, São José dos Campos, Brazil, organizational processes; Q9633

universal human expressive needs, theoretical frameworks; Q7534
voting behavior, general choice theory; Soviet Institute of Control Sciences research; Q9023
women's criminality, gender-based personality theories; Q7517

Theory Formation
Durkheim, Emile, pragmatism/knowledge categories/social theories; Q4746
"labor society" concept, Simon Aho's theoretical approach; comments/reply; Q7449
literary genres, historical theory; article/comments/reply; Q7400
new scientific knowledge, consensus shift, social patterning; case study; continental drift theory; Q8467
research methodology, theory testing vs construction; three-book review essay; Q7234
sociology problems class, theory construction, teaching method; Q7304
voluntary sector, philanthropy, US; review essay, responses; Q7856

Theory Practice Relationship
education research, theory/practice dilemma; Q5526
human needs, socialist theory/practice, social welfare; Q4788

Therapists
patient's psychological adjustment; therapist-client sexual involvement; survey; licensed psychologists, California; Q8813
psychotherapists' professional identity, eclecticism; GB; Q5367
sex therapy caseloads, reported dysfunctions/treatments; questionnaire; therapists; Q8617

Thinking
human thinking processes/patterns; computers; Q6932
knowledge evolution, human/computer commensality, human thought simulation; Q8977
propositional attitudes, representational theory of mind; critical examination; Q4423

Thomas, William Isaac
mytho-symbolic parallels, W. I. F. Thomas's theories/John Bunyan's *The Pilgrim's Progress*; Q9337

Threat
US/USSR relations, threat usage, future scenarios; Q3514
weapons systems proliferation, peace movement's failure, threat exaggeration; US, USSR; S18569

Tibet
Buddhist religious scripture interpretation, "dGe lugs pa" sect method, Tibetan debate; Tibetan refugees, US, Nepal, India; Q6838
Tibetan Buddhism, feminine principle liberation; S18571

Time
biographic time perspectives; industrialization/modernity; S17697
leisure definitions; time budget analysis data; employed/unemployed men; S17917
organization studies, time conceptions; case studies; Q9726
organizational research/sociology, time/structure theories; Q5123
patients' psychiatric careers; institutional time; S18721
perceptions of time; poverty; fieldwork, time-use studies; Bogota, Colombia; S18478
schizophrenia, biographic rehabilitation perspective; case studies; Jewish Midrash; Q8833
social change, youth/time relationship; Q5821
sociology of time; symposium; Q9518
spatial/temporal organization, general medical practice, GB; Q6002
temporal organization/reference, life crisis; empirical data; industrialized societies; S18471
time as social construct; Q7122
time budget studies, recent literature assessed; Q9432
time commitments, Reformation Protestant theology/Hegelian idealism/Marxism; Q4807
time conceptions, normative/social functions, modern industrial societies; Q9669
time conceptions, primitive vs civilized societies, history/anthropology dichotomy; Q8979
time conceptions, Western societies; social change; national data; Canada/Europe; S18430
time consciousness/measurement; social order properties; social change theory implications; S17852
time-related concepts, attributed meaning; age; scales; Israelis; Q4354

Time Series Analysis
public policy assessment, ordinal time-series analysis methodology; Q9274
time series data, pooled regression design/estimation, political science application; Q6452

Time Utilization
consumer shopping activity, Norway; Central Bureau of Statistics time-budget survey; S17940
daily timetable, underlying structure/norms; time-budget analysis; Turin, Italy; S17638
drinking behavior; contextual factors; national time use survey; Canada; S17775
economic structure changes; lifestyle changes; time budget surveys; UK, 1961, 1974, 1984; S17903
interpersonal contact/space use, women/families; maternal employment, economic/technological change; time-budgets; Toronto, Ontario; S18269
leisure definitions; time budget analysis data; employed/unemployed men; S17917
leisure research, time-budget method's utility; surveys, research review; S18610
leisure/social development, Kazanluk, Bulgaria; multinational time-budget survey; S18608
perceptions of time; poverty; fieldwork, time-use studies; Bogota, Colombia; S18478
productivity/leisure time allocation, regional differences; case study; Canada; S17970
social development, time utilization; S18284
sociology of time; symposium; Q9518
staff activities/behavior, Texas House of Representatives; party affiliation/ideology/other variables; Q8001
subsistence activities, men's time allocation, Ache hunter-gatherers, Paraguay; fieldwork; Q3273

time allocation studies, women's/children's activities, spot vs day-long narrative observation methods; Mexico, Senegal; Q4105
time allocation, elderly ethnic minorities; Canadian national survey data; elderly Asians; S18689
time budget analyses, methodological foundations; S18385
time budget patterns, GB; national survey; Q9897
time budget research, Czechoslovakian youth; Q5875
time budgeting & consumer behavior; research studies; S18719
time budgeting changes, Kazanluk District, Bulgaria; time-budget survey; 1965, 1985; S18611
time conceptions, normative/social functions, modern industrial societies; Q9669

time use, Japan; diaries; citizens aged 10+; 1970, 1975, 1980, 1985; S18332
time-budget analysis, methodological problems; case example; Kazanluk, Bulgaria; S17825
time's social meaning, time budget studies; survey data; unemployed workers, Belgium; S17855
women's vs men's housework time-budget methods; case study data; India; S18597
work/leisure time allocation, Czechoslovakia, sex/class differences; surveys; Q5105
work/leisure time organization, current European research review; Q5250

Tocqueville, Alexis de
utilitarianism, Alexis de Tocqueville's works; Q9341
war, Alexis de Tocqueville's vs Carl von Clausewitz's approaches, contemporary relevance; Q7331

Togo
rural family household structure, South Togo; survey; Q6578

Tokenism
token achievement, proportional representation theory; Q5067
tokenism experience, gender differences; underrepresentation vs sex-role stereotypes; questionnaires, interviews, work records, observation; amusement park work groups; Q7556
tokenism experience, male nurses/female doctors, hospital setting; Q8752
women's mentorship, token status; interviews; West Point Military Academy graduates; Q4549

Tokyo, Japan
language change/dialects, Tokyo, Japan; interviews; residents; Q6784
social/institutional organization, older neighborhoods, Tokyo, Japan; fieldwork; Q5019

Tolerance
criminology as positive vs repressive social control agent; Q8930
obscenity trials, Canada community tolerance standards, psychologists' expert testimony; Q8376
people's tolerance; city size, region; national surveys; Q8153
religious tolerance, Calvinist culture, Scotland; Q8306
social tolerance; preadult socialization, adult environment; General Social Surveys; 1972-1977; Q6550
tolerance, cohorts/education; Q5584

Tonga
centralized bureaucratic organizations vs nonhierarchic acephalous organizational forms, segmentary lineage model's/network system's relevance, freedom/social order maintenance concerns; ethnographic material; Plateau Tonga, Zimbabwe, pre-British colonial period; S17622

Tonnies, Ferdinand
signs, philosophical terminology, Ferdinand Toennies's essay; Q4814

Tools
scientific discovery, cognitive tools, Derek John de Solla Price's "maps" metaphor; Q8985
tool roles, science/technology/agriculture/daily life; Q4925

Toronto, Ontario
emigration decisions, Termini Imerese (Palermo, Italy) fruit traders, Toronto, Ontario; prior townspersons' emigration; Q5779
interpersonal contact/space use, women/families; maternal employment, economic/technological change; time-budgets; Toronto, Ontario; S18269

Torture
state political torture, Latin America, torturer's psychological make-up; Q4500

Totalitarianism
1984 by George Orwell, political/social predictions; Q9981
Orwell, George, *1984*, contemporary analogies; Q3832
Orwell, George, *1984*; retrospective critique; Q3831
totalitarianism, origins/ambitions/opposition, French Philosophical Society's 1939 lecture; comments; Q9944
totalitarianism, sociopolitical analysis, George Orwell's contribution; Q7963
utopianism/totalitarian democracy equation, J. L. Talmon's trilogy; book review essay; Q9958

Totemism
myths, Chipewyan Indians, Canada; Q5042

Tourism
cultural patrimony as tourist attraction, Balinese society; S18411
cultural patrimony, Western countries, technical/material patrimony; S17634
cultural space utilization, ethnological vs tourism conceptualizations; S18691
domestic/foreign tourism, recreational trends, Denmark; Q7925
economic/emigration/gender/employment patterns, Margarita Island, Venezuela; free-port development; interview survey; household adults; Q9906
elderly recreational vehicle travelers, social/lifestyle characteristics; article/reply; Q9907
ethnic group relations, interethnic attitude change; informational booklet; experiment; Israeli tourists, Egypt; Q4932
guides/tourist power relationships, African game reserves; Uri Almagor's analysis critiqued; Q6684
holiday-destination choice, Netherlands; demographic variables, household conditions; S18076
inner-city tourism, historical Dutch cities, promotion/development/resources; case studies; Q6681
international tourism; world crisis; S18155
Japanese tourism; participant observation; Los Angeles, California; Q5248
landscape/visual resources evaluation, Europe/US; literature review; Q9044
leisure activities/trends, South Africa; questionnaire; tourism experts/professionals; Q9894
outdoor recreation/open space planning, decision-making process, spatial approach; Q7924
recreational/tourism behavior, low-income families, Quebec; Q9905
regional tourism development, rural communities, northeastern California, marketing plan; Q9918
rural space meanings, tourists; interviews; Côte d'Azur village; S17803
second-home domestic tourism, Canada; discussions; second-home owners; Q9902
socioracial stratification patterns, economic development, Bahamas/Virgin Islands; tourism; fieldwork; Q6680
South Seas cruise ship, passenger behavior/relations; Q9446
tourism behavior, New Brunswick, francophone vs anglophone communities; telephone interview survey; Q3470
tourism development, California Indians; Q9893
tourism development, marketing scheme, 1980 World Tourism Conference, Manila, Philippines; S18303
tourism development, Mexico, social/ecological adaptation; case studies; Acapulco, Cancun; Q9912
tourism development/impact, Hawaii, residents' attitudes; questionnaires; R1027
tourism development/value changes, Austria; Q9803
tourism, host population deference behavior; Yugoslavia; Q3467
tourism, theoretical/methodological paradigms; Q9919
tourism, water-based recreation, France; 1904-1984; Q3469
tourism-related employment/seasonality patterns, Adirondack Park, New York; longitudinal official statistics; Q9890
tourism/crime rate relationship, Honolulu, Hawaii; R0864
tourist behavior, Dutch vacationers, situational approach; S18077
tourist motivation/childish needs; promotional material; transactional approach; S17788

Towns
clientelist political relationships, small Western town, US; historical/ethnographic data; 1835-present; R0980
demographic evolution, Los Molinos, Madrid, Spain; historical registers; 17th-18th centuries; R0540
financial problems, nonmetropolitan jurisdictions, elected leader's perceptions; questionnaire; Ohio; Q9950

Toxic Substances
atypical posttraumatic stress disorder; occupational toxic substance exposure; case analysis; Q6094
cancer mortality rates, rural farm counties; agricultural chemical use; white males, US; S18879
cancer-producing foods, rumor circulation, France; Q8770
carcinogenic risk/population size relationship, policy implications; Q9058
dangerous chemical exposure, community response; case examples, published reports; S18893
female exclusion, toxic work environments, policy impact; case study; Bunker Hill Company, Kellogg, Idaho; Q9692
interpersonal relationships; man-made/natural disasters; interviews; flood/contamination victims, Missouri; S19002
pesticide regulatory process, corporate interests' domination; case study; R1030
radon gas contamination, native American communities, government policy implications; article/comments; Q9931
technological accident litigation, victims' compensation, social injury model; case studies; S18412
toxic waste concern, grass-roots community social movement; survey; Acton, Massachusetts/Williamstown, Vermont; Q4486

Tracking (Education)
attendance rates, vocational vs academic tracks, Israeli high schools; ethnicity, social class; S19123
social status maintenance; curriculum tracking; survey; sophomore/senior high school students; S19116
student socialization/behavior, track/social class differences; survey, observations; S19053
Trade
consumer-merchant relations/tensions, democracy; S18378
French port operation/modernization; postlecture discussion; Q3413
international maritime trade; postlecture discussion; Q4014
long-distance control; emissary circulation; historical case study; Portuguese navigation; 15th/16th centuries; Q6672
newly industrialized countries, Third World "graduation"; Q9833
stock trading; 1930s federal securities law; S18964
Third World plantation expansion/uneven low-technology development; capitalist production relations; Latin America; Q5192
Traditional Medicine
acupuncture, US medical profession's attitude/response; Q4281
Anglo vs traditional health care utilization, urban American Indians; need, cultural affiliation, accessibility; household survey; Michigan; Q7039
Balkan folk healing, patient/practitioner relationship, erysipelas treatment; field work; Sumadija, Serbia; 1950-1985; Q6033
Chinese/alternative medical practices, US; Q8785
elderly's health care needs/services, traditional medicine's role, People's Republic of China; S18789
exorcism rituals, rural India, traditional vs modern healing orientations; S18072
female sexuality/power/pollution, Sudanese society, healing cults/rituals; interviews; Q8743
female shamans/healers, Bangladesh; fieldwork; S19180
healing practices, sorcery role, Zulu Zionists; Durban, South Africa; R0174
health care system, Bangalore, India, *ayurvedic* system; hospital records, patient interviews; Q6054
health care system, Java, traditional/biomedical cures; worldview; Q8810
health/well-being ritual, kinship organization, Sgaw Karen, northern Thailand,; Q7660
humoral pathology/therapies, Tzintzuntzan, Michoacán, Mexico; Q8754
illness concepts, health care utilization, rural Malian village; fieldwork, case studies; Q8763
Indian traditional medical practice ("Ayurveda") vs Western medicine utilization; British policy/support; colonial period; S17615
medical illness/treatment system, Tagabawa Bagobos, Mindanao, Philippines; Q9626
medical pluralism, naturopathic vs biomedicine, Germany; cultural/social forces; R0733
menstruation, cyclical renewal model, symbolic/ritual aspects; Q8771
modernized traditional medicine, Hawaii; European/Asian immigration, cultural contacts; S18780
patient-healer relationship; cultural factors; fieldwork; Botswana, Norway; Q8766
pollution concept, healing practices, Northern Yaka, Zaire; Q8747
"primitive" illness beliefs/systems, rationality debate, anthropological perspective; Q8732
Qollahuaya Andeans' body concepts, topographical-hydraulic physiology model; ethnopharmacological fieldwork data; Q3264

education/cultural & philosophical traditions relationship, India; S17895
family orientation, young adults; independent/nonfamily living; National Longitudinal Surveys; S19119
female circumcision, cultural group practices, medical problems, legislation, GB; Q6353
Iran, modernization vs tradition; communication media's use; S18499
modernization vs traditionalism, most developed countries as role models, suggested changes; S17884
tradition vs modernization, Hungary; S18135
traditional/modern elements, Japanese family; S19186

Traffic
auto traffic, Egypt; R0166
automobile traffic, perceived threat; questionnaires; policemen/drivers' license examiners/driving instructors/professional chauffeurs; Q4888
international maritime traffic, North Atlantic's capacity; postlecture discussion; Q3515
traffic accidents; psychopathology/personality variables; literature review; Q6099

Training
interview training, survey data quality improvement; fieldwork; trained/untrained interviewers; Q6442
multinational firms, US vs Japanese managers, training programs; R0111
physical training activities, internal structure; Q5256
social order/rules/control, mentally retarded adults, training centers; observation; Q8765

Transcendental Meditation
alpha consciousness, meditation, biological interpretation; Q5251
drug use; SIP meditation group, India; questionnaire; Canadian whites; Q4910
Hinduism, American adaptations; S18989

Transference (Psychology)
group therapy, adult children of alcoholics, family transference issues; clinic records; Stanford Alcohol Clinic, California; 1978-present; R1158

Translation
Das Argument, feminist-socialist topic, lack of German language articles; Q6231
international relations, book translation patterns as cross-cultural history; Q9933
power, diffusion vs translation models, sociological practice implications; Q6516
power, sociology of translation model; case study; scallop fisheries, Saint Brieuc Bay, France; Q6915

Transportation
demography/transportation/energy use, decentralizing cities; secondary data; London, England/Paris, France; Q5465
French port operation/modernization; postlecture discussion; Q3413
independent inland water transporters' ("bargees") decline; economic/technological changes, family's adaptation/traditional work organization maintenance; 2-generation's life histories; France; S17902
international maritime trade; postlecture discussion; Q4014
maritime transportation; postlecture discussion; Q3360
maritime transportation; postlecture discussion; Q3412
sociocultural evolution, time-space concepts; worldwide telecommunication/transportation technologies; historical social ecology approach; S17837
technological change/measurement, automobile industry, UK, hedonic price method; R0482
transport enterprises, USSR, social management methodology; survey; Kazakh/Russian states; 1957-1984; Q6626
transport industry, France; S18377
urban commuting patterns/gasoline use, metropolitan functional specialization concept; Q9053
urban development/Mexico City, Mexico, Metro system; R0182
urban transportation systems, US; corporate/interest group/other factors; Q3780

Transsexualism
socially desirable presentation, homosexual vs heterosexual male gender patients; scale questionnaire; Q4849

Transvestism
hijra (eunuch/transvestite) role, India, sacred asexuality/prostitution conflict; ethnographic fieldwork; Q9193

Travel
crosscountry hitchhikers, personality characteristics; questionnaire; Q4909
out-of-town travel, occupational advancement, women vs men; questionnaires; white-collar government employees; Q6748
Semester at Sea educational program, University of Pittsburgh; mailed questionnaire; Q5531

sociology study tour as teaching technique; Q4725

Treaties

peace attainment, Central America, guidelines/principles; R0023

Treatment

batterers, treatment program completion; demographic/family factors; interviews, questionnaires, scales; Q8638

cancer patients' quality of life; cancer treatment; literature review; Q6025

chiropractic health profession, treatment methods, doctor-patient interaction; Q8064

electroconvulsive therapy history/use, California; legislative reports; Q6083

feminist therapy, symbolic interactionist perspective; Q9167

frames/reframing theory, therapy implications, radical constructivism; R1160

handicapped newborns, selective nontreatment; ethical/legal/medical considerations; Robert Weir's book reviewed; Q6277

health care crisis, nonorthodox cancer therapy movement; Q8734

incestuous behavior, motivational aspects, treatment implications; Q6955

informed consent procedures, potential bias; case studies; literature review; Q6076

medical nontreatment, handicapped newborns, morality; Robert Weir's book critiqued; Q6288

mentally ill, self-labeling process, emotional deviance notion; Q4306

quasitherapeutic experiences/processes, communal/religious groups; case study; Kripalu Yoga Ashram, Pennsylvania; Q5208

sex therapy caseloads, reported dysfunctions/treatments; questionnaire; therapists; Q8617

Treatment Compliance

involuntary psychiatric treatment, medical students' attitudes, pre-/post-clerkship; questionnaires; Q6067

mental illness causes, psychiatric patients' beliefs, treatment compliance implications; survey; Q7055

psychiatric treatment refusal reconceptualized, patient competence/informed consent issues; Q4284

treatment acceptance, patients; risk presentation style; experiment; undergraduates; Q7047

treatment compliance, posthospitalized patients; illness attribution, client-doctor negotiated interaction; interviews, observation; Q8753

Treatment Programs

alcohol addiction, treatment success; previous treatment; questionnaire; patients, O'Brien Halfway House, Baton Rouge, Louisiana; Q8855

alcohol treatment/criminal justice systems, California, client selection issues; R0830

alcohol/drug misuse, American Indians, prevention program needs; morbidity/mortality statistics; R0811

alcoholism treatment difficulties, males vs females; interviews, questionnaires; California; R0778

child abuse, theoretical/treatment approaches; R0556

child sexual abuse, adult survivors, treatment issues; interviews; R0563

children's solvent abuse, Glasgow, Scotland, community approach; under age 16 clinic users; Q4265

cocaine use, psychopharmacological aspects/treatment programs; Q8852

commitment generation, Alcoholics Anonymous's success, sociological explanation; Q4324

compulsive gambling, research/treatment issues; S19118

controlled drinking controversy, alcoholism treatment; secondary data; R0786

delinquent adolescents, services continuum program, small group experience; case study; Oklahoma; Q8942

drug addiction, disease vs "way of life" model; R0792

drug dependence units, GB, facilities/policies; Q4304

first-time offenders, US Army, rehabilitation method, resocialization process reinforcement; Q4031

job-based alcoholism policy, constructive-confrontation strategy; interviews; corporate managers, US; Q7742

major criminal offense rate, at-risk vs convicted male youths, delinquent associations, community intervention program; experiment; Dublin, Ireland; R0908

mental health problems, workplace, corporate coping strategies; interviews/questionnaires; businesses, Los Angeles, California; R1171

mental health treatment process, Hispanic vs white clients, status inconsistency; case data; Colorado; Q8819

narcotic addiction, compulsory treatment programs, implementation problems; cross-national analysis; R0829

opiate addiction treatment programs, client progress; service technologies, organizational structure/goals; Q7071

psychosomatic problems, compulsive gamblers, desperation/postabstinence phases; questionnaire survey; Gamblers Anonymous; R0808

recovery rates, Alcoholics vs Gamblers Anonymous members; interviews; R0818

sexual expression/aggression relationship, delinquent girls, Israel; residential treatment facility, staff impact; Q7116

social service/domestic violence programs, South Bronx, 4-stage interview model evaluated, Tremont Improvement Program; New York, New York; R1067

sociotherapeutic treatment program, prison inmates/guards, evaluation results; questionnaire; Q8431

spiritual communities, drug use, conversion/belief restructuring; interviews, participant observation; S18525

subordinates' perceived work readustment, organizational alcoholism treatment; supervisor's behavioral/attitudinal characteristics; Q7759

substance abuse, employee assistance programs, employee vs management perceptions; organizational/program structure; questionnaire, interviews; corporation employees; Q9747

therapeutic group, female offenders, development/rationale/outcomes; Q8437

wife abusers' self-help group program, St. Louis, Missouri; R1161

Trends

fieldwork practice, anthropology; Q9607

unmarried cohabitation trends/implications, France/Norway/Sweden; statistics; R0616

Trials

character evidence, modern vs 19th-century rape trials; New York; Q8398

criminal justice outcomes/determinants, Hispanic vs non-Hispanic defendants; official records, interviews; Tucson, Arizona/El Paso, Texas; Q8426

Henrietta Cook v. *State of Kansas* murder trial (1876), cultural/ideological truth; R0383

homosexual activities, US Navy, World War I era, societal reaction; historical data; Newport, Rhode Island; Q8609

jurors' sentencing decision; attorney's/juror's religiosity; videotapes; residents/university students, Indiana; Q3912

obscenity trials, Canada community tolerance standards, psychologists' expert testimony; Q8376

women's grievance suits, academic institutions; Q9120

Tribal Societies

age/social categories, Dassanetch, Ethiopia, animal symbolic association; fieldwork; Q5018

supratribally significant *mhondoro* (lion spirits), Shona culture, Africa, hierarchy/rituals; Q5047

Trinidad And Tobago

colonial administrative/society structures, Trinidad; socioeconomic development; 1498-1783; Q7814

economic/social/occupational transformation, rural East Indian communities, Trinidad; fieldwork/survey data; Q5349

mourning ceremonies/customs, Afro-American vs Trinidad religions; R0317

occupational expectations, secondary school students, Trinidad/Tobago; parental/peer/educational/socioeconomic influences; questionnaire survey; Q5520

Trobriand Islands

Trobiander kinship relations/system, psychoanalytical perspective; Q7627

Trotsky, Leon

Trotsky, Leon, Soviet agricultural policy proposals, 1920; Q7191

Truancy

magistrates' decision making, truancy cases, GB; questionnaire; Q8384

truants vs nontruants, family/friendship/behavioral/cognitive differences; archival/interview data, counselor ratings; eighth graders; R0909

Trust

local government, public trust; community characteristics; survey; Orange County, California; Q5287

technological danger, information sources, public trust; random questionnaire; communities, California; Q6922

trust, doctor-patient relationship, psychological/religious perspective; Q8733

Truth

Ideology and Utopia by Karl Mannheim, Hans Speier's critique; R0917

Ideology and Utopia by Karl Mannheim; review essay; R0925

Tunisia

fertility decision making, Tunisian women; socioeconomic development; survey; Q8716

knowledge/opinions/social behavior, traditional populations, rural Tunisia; television diffusion; interviews; Q8130
olfactory rites, religious/cultural significance, southern Tunisia; ethnological observations; Q9624
Tunisian farmer's life history, methodological viewpoint; case example; Q4640

Turkey
carpetmakers' riots, Usak, western Anatolia, Turkey; March 1908; Q7838
democratic development, Turkey, future prospects; S18372
energy planning/development, Turkey; Q9791
family/household structures, Turkish Muslims; historical data; 19th/20th centuries; Q5919
mental illness attitudes/judgments; type of cause; vignettes; university students; R0765
national identities, employment opportunities, guestworker youth; political/economic context; questionnaire, interviews; working-class school leavers, Vienna, Austria, Turkey, Yugoslavia; S18247
political activism, Ottoman Empire intelligentsia; living standard changes; statistics; Istanbul, Turkey; 19th century; Q9850

Twentieth Century
Afrikaner nationalism, 20th-century South Africa; Q3546
artistic development trends, social context; 20th-century Hungary; S18728
black female migrants, Transvaal, South Africa; 20th-century social change; life histories; Q5160

family formation evolution, Western Europe, cohabitation trend; 20th century; Q4172
family/household structures, Turkish Muslims; historical data; 19th/20th centuries; Q5919
French postal/telegraph service clerks, male/female hiring differences; employee files; 1870-1939; Q5360
Japanese divorce rates; industrialization/urbanization/family role; twentieth century; Q5955
model airplane industry, technological dependence, 20th century; Q5247
racism decline, US, 20th century; Q6816
religion, historical/anthropological research, political influences; special journal issue introduction; Q3587
social representations of aging, working class labor management; industrial retirement/pension plans; monographs; steel mill, colliery; Burgundy, France, 19th/20th century; S18264
suburb/urban relationship, Paris, France; industrial development, population growth, public transportation; 1900; Q5444
twentieth-century capitalism, industrial development; 3-book review essay; Q5075

Twins
educational/occupational/need attainment, intelligence, monozygotic/dizygotic twins; genetic/environmental factors; test scores; Q8287

Typology
Caribbean-influenced Cu-Bop jazz, Theodor W. Adorno's music listener typology; Q8219
chronically mentally ill clients, demographic/clinical/psychological characteristics, treatment issues; interviews, scales; Southwest Denver Community Mental Health Center, Colorado; article/comments/reply; R0760
compulsive gambling, general addictions theory; R0802
horse race gamblers, community-designated typology; conversations, interviews; Q8868
marked relationships, typology; Q7572
migration triggers/migrants' psychological state, W. Petersen's typology; S19184
religious orientations, Gordon Allport's intrinsic-extrinsic typology; symposium; Q8368
social action typology, Vilfredo Pareto's vs Max Weber's theories; Q4809
sociospatial phenomena, taxonomic frameworks, cognitive sociology approach; S19233

Uganda
colonial liberation, Africa, religious movements; east Africa, Uganda, Kenya; S18367
peasant-state relations, agricultural production, Bugisu, Uganda; government policies, international dependencies; fieldwork; Q8127

Ukrainian Soviet Socialist Republic
sociodemographic tendencies, Ukrainian vs other republics, USSR; Q3624
Ukrainian sociology, field research achievements; Q6463

Underemployment
comparable worth legislation, equal pay vs equal work concepts, employment adequacy measures; survey; Q7739
overeducation/underemployment "crisis," college graduates; Q8283
"structural unemployment" vs "structure of unemployment," US; Q7669
unemployment/economic developments, US/West Germany; Q7736

Undergraduate Programs
applied demography courses, student needs; Q9317
international demography course, teaching methods; Q9327
introductory demography courses, analytic emphasis; Q9320
introductory sociology courses, learning games; Q9326
Legal Studies Program, Rice University, Houston, Texas, evolution/sucess; R0255
undergraduate education/teaching, quality improvement strategies; Q9300
undergraduate symposium, activities/costs; Q9301

Undergraduate Students
abortion, male Nigerian undergraduates' opinions, US; questionnaire; Q4210
affirmative action, undergraduate students' attitudes; surveys; University of California, Davis; Q5210
collegiate drinking antecedents; questionnaire; undergraduates; Q4121
drug use cessation correlates; questionnaire; undergraduate college students; Q5866
eating/dieting/weight attitudes, bulimic behavior, female undergraduates; mail survey; New England; Q6012
moral evaluations, gender differences; questionnaire; university students; R0567
nonnormative behavioral judgments, attitudinal convergence, youth/friends/parents; survey; R0591
open-ended self-description, gender-role group/sex differences; questionnaire; undergraduates; R1128
partisian preference, male vs female US/Canadian undergraduates; economic conditions; questionnaires; Q9962
personal stereotypes, cognitive representation; interviews; undergraduates; longitudinal analysis; Q3086
reward/expert/coercive power use; sex, situation; experiment; undergraduates; R1168
role motivations, young women; perceived parenting rewards/costs; scales; undergraduates; R1129
self-esteem, daughters; parental discord/separation; questionnaire; undergraduates; R0585
senior undergraduate social policy course, action-oriented teaching approach; R0238
sex-role attitudes, US vs Indian students; socioeconomic/demographic factors; questionnaire; Q9502

Underground Movements
political action vs armed struggle, Provisional Irish Republican Army's strategy; Q5301
secrecy, underground centricity hypothesis; Q9414

Undocumented Immigrants
economics/politics, US/Mexico; undocumented immigration; S17536
health service utilization, legal/undocumented Mexican immigrants; San Diego, California; interviews; Q4941
illegal immigration reform legislation, US, social/public policy determinants/consequences, US-Mexico relations; Q6276
labor market; undocumented workers' status regularization, amnesty; theoretical analysis; Q4060
sociodemographic/economic profile, undocumented aliens, northern New Jersey; interviews, questionnaire; Q8546
undocumented immigrants, social work/policy issues, alternative service delivery models; research review; Houston, Texas; Q6941
US labor market; illegal immigration, reform legislation; Q6290
voting behavior, Simpson-Mazzoli undocumented immigration bill, US House of Representatives; congresspersons' political affiliation, age, district; Q8540

Unemployment
academic labor market, primary/secondary sector segmentation; Q8074
alienation; un- vs employment; self reports; males; S17918
central city unemployment rates, US/West Germany; demographic-employment opportunity mismatch, public policies; Q7698
crime rates, West German cities; unemployment/poverty/other factors; S19154
daily leisure behavior; future time perspectives; research data; unemployed workers, Belgium; S17856
disaffection, black vs white males/females, GB; unemployment duration, perceived job discrimination; questionnaires; Q5103

economic growth/unemployment, industrial democracies; development level, age of democracy, public sector variables; official statistics; Q9819
economic growth/unemployment, national differences; rent-seeking behavior; industrial democracies; Q3598
employment status, self-esteem; questionnaires, cross-sectional/longitudinal comparisons; recently unemployed adutls, Israel; Q9510
employment/compensation, market adjustments, integrated sociology/economics framework; Q7681
employment/psychological status, sex differences; questionnaires; Israel; Q5101
faculty layoffs, reemployment patterns; survey data; academics, City University of New York; Q6745
family system, children's/youth's socialization; parental unemployment; Q5867

wife abuse, physical violence definitions; surveys/interviews/notes; battered women/shelter staff members; S18916
wive's adjustment; husbands' bisexuality disclosure; interviews, questionnaires, psychometric test data; Q6386
wives' decision making, family/job planning; future time perspective; interviews, questionnaires; young married women, men; Federal Republic of Germany; Q5925
wives' labor force participation, middle class, India; interview data; single/dual career couples, Bangalore; S18446
women, GB, early married life, migration patterns; census; longitudinal study; Q4175

Womens Education
domestic education, Japanese women, pre-WWII government policies/programs; field materials; Suye-mura village; Q5983
education, Federal Republic of Germany, female participation; official statistics; R0681
nationwide longitudinal database, Norway; R0505
women's education, India; R0287
women's work/family career patterns, birth cohort differences; questionnaire survey; college graduates; 1934-1979; S19000

Womens Groups
antinuclear demonstration strategy, Greenham Common, women's role; GB; Q6361
Puget Sound Women's Peace Camp described; Q6331
women's movement, political generation concept; S19089

Womens Rights
Equal Rights Amendment orientations, status politics explanation; interviews; adults, Oklahoma City, Oklahoma; Q6371
Equal Rights Amendment, Mormon proponents, resource mobilization model; Q5240
female sterilization, Chile; questionnaire; R1055
fetal life signs, clinical standard, legal/ethical/women's abortion rights ramifications; Q6355
global feminism, women's concerns; Nairobi, Kenya conference of the United Nations Decade for Women, July 1985; R1111
Nicaraguan women's emancipation, Sandinista state policies, socialism/feminism relationship; Q6362
obscenity/pornography laws, sexual power issue; Q9139
patriarchy/gender concepts, historical materialist perspective; R1097
Republican women prisoners, Armagh jail, Northern Ireland, feminist strategies/movement; R1092
sex discrimination legislation, UK, equal treatment/pay principles; Q8377
social issues, Belgium, Catholics' vs socialists' attitudes; surveys; Q5643
social policy, patriarchalism; Hindu vs Christian religious ideologies/masculinity-femininity conceptions; literature review, observations, interviews; Indian village residents vs first-generation Canadian immigrants; S17817
voting behavior, gender gap, 1980 US presidential election; questionnaire survey; Q3442
women's equality/liberation, socialist societies; R1101
women's movement, US, elite-sustained concept; 1945-1960s; S19108
women's rights movement, US, 19th-century origins; archival records, case study; S17534
women's rights, Federal Republic of Germany, family/divorce laws; Q8656
women's rights, husbands' attitudes; wives' employment; multivariate model developed; Q7888
women's rights/position, New Zealand, family law reform; Q9162
women's rights/roles, utilitarian philosophy, John Stuart Mill's/James Mill's/Jeremy Bentham's views; R1093
women's subordination/family violence, Bangladesh; police records; S19224

Work
early retirement, Federal Republic Germany; case studies; industrial firms; S18774
male/female work interaction, new family/labor roles; work environment study data; S17785
parenthood transition; work-family interference/support; interviews, questionnaire; married couples, Pennsylvania; Q5904

physical/psychological health, sex differences; work; mail questionnaire; graduate business students; Q6104
prison work programs, policy issues; Q4032
school-work transition, sociology of youth/work paradigms; S19163
task-related/contextual work variables, cross-cultrual assessment scales; multinational corporation workers; 21-country analysis; Q9479
time conceptions, normative/social functions, modern industrial societies; Q9669
transition to adulthood, work/family roles; panel study; male college students; 1962/63 to 1976; S18301
women's work, US, identity constancy/change; life event histories; Washington; S18602
women's work/nonwork activities; field research; Argentina/Paraguay; S18738
work vs organization alienation, India; S18092
work, communicative actions; Q7722
work-family linkages; literature review; Q9683
work-mental health relationship, US, 19th century, theoretical evolution; Q7744
youth's independence/autonomy/socialization, work's role; S18399

Work Attitudes
alcoholism-intervention occupations, job attitudes/performance, recovered alcoholics vs nonalcoholics; nationwide survey, questionnaires; 1981; Q6008
cardiovascular disease risk; job experiences/attitudes/behaviors; Minnesota Heart Survey, interviews, physical examinations; residents, Minneapolis-St. Paul, Minnesota; Q6055
identification with husband's work organization, Air Force wives; personal identity strength, husbands' work attitudes; path model analysis; officers/enlisted couples, US/European bases; Q6976
job vs profession commitment, professionals; mail survey; Canadian Association of Certified Accountants members; R0101
Karma Yoga work ethic, India, middle-class appeal; S19236
labor/work attitudes, Italian youth; Q4112
national development, Nigeria; work attitudes/conceptions; ethnographic data; Q7794
nursing profession/vocation, Pune, India, nurses' role/self-image/function; interviews; R0116
parenting behavior, mothers vs fathers; sex-role attitudes/orientations, work involvement; interviews, questionnaires; longitudinal analysis; Q7002
role motivations, young women; perceived parenting rewards/costs; scales; undergraduates; R1129
slum youth, Rio de Janeiro, Brazil; life story data; S18699
social contract on work, US, current situation, middle class erosion, historical/political/religious/economic beliefs; recent survey research; Q6526
social workers' vs administrators' attitudes/values, public assistance agencies; questionnaire; Q8110
unemployment, psychological impact; work commitment; questionnaires; Israel; Q9702
work alienation, textile industry, Robert Blauner's work; interview survey; North Carolina; Q5086
work attachment, gender/class consciousness, clerical workers, Canada; economic/technological changes; questionnaire, interviews; women; S17898
work attitudes, Bulgarian youth; R0581
work attitudes/behavior, female clerical workers, academic settings, gender model; personal/family/other variables; questionnaires; Q6753
work attitudes/ethics, West Germany vs other countries; book review essay; Q9694
work domain centrality, sex differences, Israeli kibbutz members; intervening social factors; small group data, 3 studies; Q9491
work ethics/attitudes, young people; education, social change; survey; Flemish (Belgium) army recruits; Q7731
work organization, cognitive mediation; computer procedures; S19141
work rewards/values/satisfaction, male vs female perceptions; questionnaire; Q7719
work roles/attitudes, rural women; interviews; S17465
work/social participation, personality/socioeconomic status/network explanations; critique/rejoinder; Q3340
workplace computer use, white-collar employees' attitudes; R0478
youth professional involvement; job market changes; interviews; Swiss Germans; Q5830

Work Environment
burnout, human service workers; role structure; questionnaires; mental health/rehabilitation center staff members, Canada; R0105
employee rights, viewpoint expression, France; new law assessment; Q9674
estrangement, Karl Marx's theory, macro vs microlevel workplace analysis; historical data; S18742
family relationships; home vs conventional employment; interviews, observation, literature review; rural middle-class families; Q6975
humor patterns; work group's social status structure; questionnaires; business firm/health care organization employees; Q4837
job involvement/performance; career opportunities/planning/supervisor characteristics/work climate; UNESCO International Comparison Study; research scientists, Argentina, Egypt, India, South Korea, Poland, Ukrainian Soviet Socialist Republic; S17730
males' early retirement; occupational context, work tasks; survey; Q6164
manpower quality/technological change relationship; education, work conditions improvement, appropriate technological solutions; S17749
racetrack backstretch work; observation, interviews; Q3704
research/development units' effectiveness, India; work climate perceptions; International Comparative Study on the Organization & Performance of Research Units; S18570
sexual harassment, public policy issues; questionnaire survey; female state government workers, Florida; Q9676
social/technological development, unqualified working sector changes, social planning, Russia; S18554
stress/social support/work adjustment interrelationships; questionnaire survey; newly graduated nurses; longitudinal study; Q3349
work environment, Sweden, codetermination vs wage-earner funds; official statistics, interviews; S18394
work organization, cognitive mediation; computer procedures; S19141
work organization/conditions, France/West Germany, government/industry/union policy; S18107
workers' behavior/motivations, India; organized sector employment vs private/personal work, organization's management techniques; S18574
worker's intellective process; job conditions, occupational self-direction; interviews; Poland, United States; Q4880
workers' standards of living/productivity; trade unions' activity/political party influences/codified work condition norms; India; S17604
workplace democracy, US, institutional obstacles; Q5087
workplace sexual harassment perceptions; interpersonal vs sexual/harassing incident variables; experiment; college students; Q9649

Work Experience
cardiovascular disease risk; job experiences/attitudes/behaviors; Minnesota Heart Survey, interviews, physical examinations; residents, Minneapolis-St. Paul, Minnesota; Q6055
children's behavior; fathers' subjective work experience; questionnaires; Johannesburg, South Africa; R0547
job-seeking success, school leavers, Ireland; prior work experience; R0239
retirement process, black elderly; labor force experiences; interview survey; Q7083
self-esteem development, early work career; panel study; young men, US; Q9495
waitress's work experience, Chinese restaurant; ethnicity, gender; Q7590

Work Groups
alternative worker group, aviation industry, West Germany, socially useful goods vs armaments production; questionnaires; S17849
brigade labor unit, USSR, increased productivity; questionnaire; brigade leaders; Q6738
labor brigades, Estonia, new incentive system; questionnaire; brigade members; Q6608
organizational development, team-building intervention, alignment vs conventional theory; experiment; business students/managers, Los Angeles, California; Q9738
productivity factors, USSR; questionnaire; brigade workers, Kirovgrad/Poltava; Q6605
reward/expert/coercive power use; sex, situation; experiment; undergraduates; R1168
work organizations, group sex composition, structural-normative model; Q5091

Work Humanization
rural work brigade, USSR; Q4470
work relationships improvement, organizational interdependence model; questionnaire, interviews; employees; Q7771
workplace's social reality, codetermination/humanization reform efforts, Federal Republic Germany; S17624

Work Leisure Relationship
aging, social life/cultural meaning restructuring, social inequality structure; S18118
amateur craft-artists, leisure role marginality; mail questionnaire surveys; Q3666

entertainment choice, corporate organizations, tastemaking as social communication; ethnographic data, participant observation; entertainment production firm, Chicago, Illinois; R0227
